Taped PBA Shows… Have they hurt TV ratings?

by John Jowdy

I am a die-hard PBA supporter. I sincerely believe the PBA is the most important promotional vehicle in the game. Yet, I have been rather disappointed in the first half of the 2009-10 season TV programs. "The World Series of Bowling" that were taped in Detroit.

I am fully aware of the financial advantages gained by the PBA office, as well as the PBA players via this method of operation. However, I must confess. The first half of the past season was anything but exciting. It may have been a huge financial success for the owners of the PBA; but inasmuch as I already knew the results of the shows, it certainly failed to arouse my interest. What it did accomplish was my concern for the Sunday morning shows. Surely, there must be a method of the bowling presentations that can provide the anticipation and interest of the bowling audience. I am concerned about the attitudes of bowling fans and the effects of TV ratings on taped shows. I am aware that results of these tournaments were withheld until they appeared on TV. Nevertheless, there are various means for learning the outcomes of these contests long before they are shown on television..

At any rate, some of the greatest stories in PBA bowling history occurred during the seven weeks of the taped events. To begin with, in the Motor City Open, Walter Ray Williams, the Ageless Wonder, added to his career titles in besting Chris Barnes, 238-230

Second, Norm Duke continued his winning ways by capturing the PBA Cheetah Championship. He beat Ryan Ciminelli, one of the hottest

LAS VEGAS TRAVEL LEAGUE

By Alice Meglemre

GARDEN GROVE — The second week of 2010 produced a major change for league position. Top team, Keystone #2, lost all three games and second place team, Fountain Bowl #2, won three games so Keystone now enjoys only one game leadership at 43-42.

Cal #2 has 37, Valley View #2, 35; Cal #1, 34.2, Doris' Hair Designs, 33; Keystone #3, 32 and the rest of the league trails from 28.2 down to 14.2 with only a couple of games separtion There's still time for the lower teams to make a move since the position place payoff is impressive. The l6th place team is guaranteed $520 now but there may be more added because the 50/50 fund is so high we may vote some of it to the prize fund at the end of the league meeting.

Dynasty Williams led the individual honor roll via 203-551, Jarra Gallina 223-544 (her highest game for the past 3 years) Kathy Parrish 209-530, Naomi Gerry 203-525, Doris Lewis 512, Cil Moons 511, Audry Thibodeaux and Wanda Worrall had 509 clusters, Charron McKnight 503 and Teri Hefner 205.

Karen Mauricio and Roberta McNaught were absent Monday so we recruited visitor Merlene Eash, long time former member and secretay of the league, to do the job and she did great. Just so the members would not miss the "last call", Pris and I did one run.

We are sorry to report the death of Sandy Carlile on Saturday, January 2.She has been ill for so long but was a fighter right up to the end. She was rushed to the hospital with Tim at her side, but she had fought her final battle and lost. Our deepest sympathy to Tim and he has announced there will be cremation and a private memorial.

Sandy will long be remembered for her many years of bowling, her service as league and LBWBA official, the lovely Vegas league shirts they made when we included them in our budget, and last of all, especially for her friendly and loving personality.

NEXT WEEK: Monday 10:30 A.M. January 11 at Keystone Lanes.

Mendoza is a Lady ABTA Champ at the Bowlium
Drozdz Hits a $2,695 Match Game

Match Game est $1,400 Match Series est $1,000 3-6-9 is $1,300

Oak Tree Lanes is our Host This Saturday

12:00-1:00-2:30-4:00 & 6:00PM Semis/Finals 8:00 PM

MONTCLAIR—Bethany Mendoza was the best in the ABTA New Year Event at the Bowlium. She won the event winning five straight matches in the Single Elim Finals to take home a tidy $1,850. She finally downed the top seed Bryan Moore in the title game for the win. She topped a great turnout of 297 entrants for the win at the improved Bowlium Lanes.

The scoring was good with men +45 and ladies +19. Making the cut to the semis, who by the account of the nice turnout of 297 bowlers saw 78 bowlers advance to the semi finals. Included were the added super seniors, Rico Cayton, Javier Avila, and Kay Johnson.

The scoring in the semis was good as +69 made the top 16 and that included three ladies to the mix, having the chance to win it all.

Bryan Moore got white-hot firing a big +169 to be seeded tops and bowl for the title. In second was Michael Leung +122, who would sit out the first round of the single elims and enter in round two.

Losers in round one were Renan Cruz, Steve Brode, Greg Kokanour, Jennifer Maher, Ed Abumakoff, Dino Dennis, and Henry Hoang. They got paid $110 in 10-16th places.

Round two had Rick Hornbeck, Gerald Sanchez, Donnie Johnson, and Michael Leung lose out. They were 6-9th and $120 with fine bowling.

Round three saw Ed Abarca and Mike Benavides fallout. They were 4th and 5th and $130 with (two ladies) Hyun Park and Bethany Mendoza to bowl for the right to advance to the title vs Bryan Moore.

Bethany won this one in a great match, a 244-231 game and off to the title game with Hyun in 3rd. A great showing at the Bowlium.

The title game was on, and Bryan missed a 10 Pin and Bethany struck then opened. Bryan appearing a bit nervous opened in frame 3 after a spare.Bethany doubled and had the lead. They were clean til Bethany whiffed the 4 pin. Bryan came back with a double and took the lead but he then missed a two pin in frame 9 his downfall. Bethany then struck off the sheet in a nice 205/234-169/214 win and her first title in the books. Great bowling by a nice Young Lady and a title well deserved. This game was close to the end and without her strong finish Bryan would have won. Very Impressive! Congrats Bethany!! She took home a nice $1,950 for the win.

Great Bowling by one of our finest supporters, Bryan, who almost got his first win. He is improving and always gives his all on the lanes. A title is in his future, and great bowling By Hyun Park in 3rd. She surely could have won this one.

Tourney Hi qualifiers were Jason Chiu +167 and Sophia Kim led the ladies +77. They will get paid entries to any regular event. The doubles were taken by Danny Reece and Tony Catapano at 1442 good for $140. Holden Au and Andy Mak in 2nd 1388 and $120. We paid18 places and $1,130 in the doubles.

The Match Game was hit by one of our finest, Adam Drozdz. His 125 game bowled by Bryan Moore returned Adam $2,695. Adam was buying the beer -:)

The Match Series was NOT Matched at 540, so it will carry over and be estimated at $1,000 this Saturday at Oak Tree and for only $2.00 to enter.

The 3-6-9 was a carry over with Mark Levy last up and getting the consolation of $50 and we go for $1,300 at Oak tree Saturday.

Ebonite Round Three Starts New Year Right

DOWNEY— Round three of the "every week a position" schedule matched teams by over all-wins for the season. Team 6, official name "Strike Hard Apparel.com:, winner of round two was matched against the "Sysco" four and took four. Jeff Carr on Team 6 had an up and down 616 while Vernon Adams on the Sysco team layed out a steady 651.

"Western Pacific", round one winner was matched against J.A.T. The only 600 posted was by Ken McElvaney, 606. J.A.T. lost a couple of tight games, 687 to 658 — 709 to 706.

The BRYLAW boys captured all five wins from the A.B.T.A. team to share the top of the sheet this week. The "Outlaws", hiding out the first two rounds, didn't surrender a single game. Kenny Wright was a little off his feed with 528. Larry Stephens stepped up the pace with a 580, pushing Jack Price to a 604 and Billy Myers Jr. to a 601. Sub Dennis McNerney was high on the pair with his 631. The A.B.T.A. team rosters Carlos Castillo, Brandon Golden, Mike Larson and Chris Williams. They needed the help.

Another team to capture all five (5) wins was W.C.S.T. Sherman Joseph will be drilling up new equipment, or sanding, or polishing, or practicing more. What's the plan, Sherm? Sub Ken Rejman helped the cause with his 550 while Dan Cerio worked the lanes for a 613. With a 253 game! Second high of the night for the league!

The victims of the W.C.S.T. onslaught was Team 12. Regulars Claude Dottin and Phillip Sujo acquired help from subs Anthony Martinez and Johany Polany but lost all five.

Since the round three condition is another toughy, practice lanes (with the condition) are available 2 hours ahead of league time. A great chance to test your equipment, speed or area of attack.

The Pro Shop guys are available for questions or drilling up a new ball.

Individuals with top scores this week — Vernon Adams 651, Jon Brandon 637, David Bartlett 632, Herbert Jones 267, Dan Cerio 253 and Billy Myers Jr. 246.

The gentlemen in this league have been asking for a tougher, but consistent lane condition for the past couple of years. Well, it's here! The new computerized lane machines can lay out the same pattern every week, change every hour, or give every bowler that inflated average that really hurts bowling. The pattern this round is called "The Short Cheetah".

The generous sponsors of the famed Ebonite League — in its 30th year — deserve much thanks!! The end-of-the-season payoffs are great and the league looks very professional with all teams shirted. I say 30th year because it has existed under different names: "THE MASTERS" — "THE WHITLOCK" — "THE BRUNSWICK" — and now "THE EBONITE". Second generation bowlers are enjoying the same competition their dad's did.

Round three should be interesting to watch, so Come On Down!

Bob's 300 Game

by Bill Ades

The beauty of bowling is in the variety of people who participate. Bowler's ages can range from 3 to 103.

Bowling enthusiasts vary tremendously from the "one time" bowler to the daily, "I can't bowl enough" addict. Star athletes from other sports can be humbled by a non-athletic looking bowling star. You don't have to be a hulking football player to throw the rock.

Of course, if you play the game, bowling a perfect 300 game is the ultimate accomplishment. I have even been told by a friend her husband quit bowling after only participating for 5 years because he never achieved this ultimate goal.

Though 300 games are now quite prolific and have lost a lot of their luster in the last 30 years, it still takes skill or a lot of luck to bowl a 300 game. Or in the case of Bob, a lot of help.

Bob was a bowling addict. Every day you would see Bob practicing at the local bowling alley. Constant practice did improve his game, but Bob wasn't blessed with the athletic ability to advance beyond the 175 average plateau. Not bad for someone who today would be classified as a person with special needs. Though Bob was physically a young man, his mental development was that of a preteen. This didn't stop Bob from loving his bowling and he always talked about one day reaching his goal of bowling a perfect 300 game.

One day Bob was the only person bowling in the entire house and the mechanic in the back was bored. He thought he would help Bob with his game. Not with his approach, swing, or any other aspect of his physical game, just the game he was bowling.

Perched behind the pinsetter with pin in hand, every time Bob would bowl a frame, the mechanic would hurl the pin in his hand at any pin or pins Bob would leave standing on the deck, giving Bob a strike. With every passing frame, you could see the excitement in Bob's eyes. Needless to say, when Bob got that twelfth strike his excitement exploded into ecstasy. He had reached his ultimate goal, a perfect 300 game.

Unbeknownst to Bob, all those lucking strikes were not from help from above, but from behind the pinsetter. This didn't stop Bob from clutching this score sheet, taking it home to post on his bedroom wall. In his mind Bob had scored that elusive 300 game, letting everyone at the bowling alley know he too had bowled a 300 game and he had the score sheet to prove it.

This was some time ago and Bob was always proud of his perfect game. By not letting him know he had been the impetus to his 300 game, the mechanic gave Bob a memory that would last a lifetime.

Ever since I have often wondered if anyone could earn a sanctioned honor score in this manner. Maybe during a pre or post league bowling session, when no one else was around, someone could use this same method to throw a perfect 300 game. A print out would be produced showing no scoring changes had been made. This person could even do this for all three games and falsely claim achieving the new ultimate goal, the 900 series. They could even do this two or three times and go down in history as the most prolific 900 shooter of all time. Not just in their mind, but the record book too.

players on the tour, 4 games to 1. Ciminelli, qualified for the 2009-10 season through the Tour Trials, and has served notice of his ability to compete with the big boys.

Third: Rhino Page won the PBA Viper Open denying Ryan Ciminelli his first title, 268-246. In the Women's Championship contest, Liz Johnson bested Lynda Barnes 211-196.

Fourth: Bill O'Neill finally recorded his long-awaited first title on the PBA Chameleon pattern by turning back Ronnie Russell, 205-192. In the ladies finals, Shannon Pulhowski beat Carolyn Dorin-Ballard , 268-204.

Fifth: Mike Devaney put on one of the most courageous performances in recent PBA history on the PBA Scorpion pattern. Devaney, who had to sleep in his truck to meet expenses, turned back the internationally famous two-handed, no-thumb star, Jason Belmonte, 189-170. Shannon Pulhowsky won her second consecutive women's title in beating Liz Johnson, 197-177.

Sixth: Jack Jurek, won his first title in 14 years by defeating Mike Fagan, 10-8, following a 218-218 tie-game in regulation. In the Women's Championship final, Kelly Kulick defeated Carolyn Dorin-Ballard.

Seventh, but not least, was the incredible fairy-book tale of Tom Smallwood, a heretofore journeyman bowler from Saginaw, Michigan. Smallwood, a General Motors automobile employee, had been recently laid off due to the stressful economy. Given time to sharpen his game, he qualified for a PBA exemption through the Tour Trials. His hard work ethic resulted in tremendous improvement, attested by his semi-final loss to Jason Belmonte in the PBA Scorpion Championship. Smallwood not only won the $60,000 top prize and PBA World Championship title; he toppled hot-handed Bill O'Neill, 211-159, then disposed of reigning Bowler of the Year, Wes Malott, 244-228; thus gaining a 2-year exemption on the PBA Tour. Smallwood became the media darling with his startling victory and rags-to-riches story. He appeared on numerous national TV and radio shows and became an overnight celebrity.

The Pepsi Red White and Blue Open Tournament preceded the PBA World Championship event, held at Northrock Lanes in Wichita, Kansas. This was, in essence, a tournament featuring a regular "house condition". It was designed to display the scoring ability on house conditions, especially by professional bowlers. And boy did the pros light it up! It took a 235 average to make the cut to the third qualifying round. After the first 16 games, Cassidy Schaub led the field with a 249.average. Wes Malott, with a 223 average, was back in 39th place. Pete Weber, who averaged 230, was far back in 66th place, and Mike Edwards, averaging 220, was far down the list in 90th place with a 220 average!

There were 31-300 games recorded, toppling the previous record of 24.

The Red, White and Blue Open may have proven one thing. PBA bowlers are far superior to non-professional league bowlers…as any die-hard bowling purist already knew, but a fact sometimes unfairly judged by less educated bowling fans.

CAL BOWL BOWLING REPORT

2500 E. Carson St., Lakewood, CA 90712 • (562) 421-8448

LAKEWOOD — We had our 2nd annual Senior No-Tap on New Years Eve here at Cal Bowl. We had a good turnout and everyone had a good time and could still be home before dark. After our tournament we had spaghetti and garlic bread, a champagne or sparkling cider toast for the New Year. The winner in the Men's Division was Mike Von Muegge with an 835 with 102 pins handicap for a 937. Pat Erwin won the Women's Division with a 726 with 145 pins for a 871. Congratulations to all the winners and we look forward to next year. May the New Year be healthy and prosperous for everyone from everyone at Cal Bowl.

Here's a look at the high scores that were reported for this week's Cal Bowl Bowling Report. Some of the leagues have two weeks of scores to report due to the change in deadlines for the holiday weeks.

ANYONE CAN WIN BIG MONEY IN THE TAT!!

LAS VEGAS—2 Free balls, 1 Free room night is just the start of this value packed Amateur Tournament. We hope everyone has been practicing for the upcoming TAT Amateur Nationals in Las Vegas February 1st- 7th held at The Orleans. This tournament is sizing up to be our largest event in years so we hope that you all can join us. There has never been a better time to come try your luck at winning over $500,000 in cash and prizes! Also, for the first time ever, the first 600 participants will be receiving at least 2 Ebonite balls just for entering our tournament along with a free room night at The Orleans. Last February, one out of four people that bowled the TAT made at least $1,000 with 75% of our bowlers going home with a check, making our Amateur only tournament the easiest place in Vegas to cash because at the TAT ANYONE CAN WIN.

TAT Events & Finals This TAT event has 10 tournaments with 10 separate prize funds with 2 finals and every package get you into multiple events! The Ebonite Challenge has a $10 entry fee with a top prize of $5,000 guaranteed. **Where else can you bowl in a ANY event for a shot at $5,000 for just $10 and you get an Ebonite ball free!** Our main Finals will go off as scheduled on Sunday at 12:30 and will not interfere with the Hi-Roller finals but could conflict with other events that have finals on Sunday Feb 7th.

More Value This tournament, our goal is to make it easy and affordable for as many people to come as possible in order to rejuvenate megabucks tournaments in the bowling world. So far, we have received an enormous response due to the great value that comes with each of our packages and re-entry bonuses. We have already received many entries and everyone we have talked to is very enthusiastic. No matter what, everyone that comes will go home with at least $300 worth of bowling balls, will learn a lot about bowling balls and lane conditions, have some fun, and get a free room night paid for by the TAT. This is sure to be an event that you don't want to miss!

More Added Money This tournament we have also increased our prize funds with our **Top 5 Guaranteed $68,000** and the **Top 10 paying $80,000**. TAT has added $60,000 to this special bowler bailout event. Participants in this year's TAT Amateur Nationals will earn **$500 to $1,500** just for making the finals with daily bonuses for **17 bowlers** including 2 byes in our main finals. TAT bowlers will once again have the option to go big with TAT Big Bucks where **bowlers get $1,000** just for making the finals and stay **$500 ahead in payment** in each round of the finals. Last February 80% of our finalists made at least $1,000 just on finals day with 40% of bowlers winning their entry fee back before our finals even started!

New Handicap Division The New 189 & Under Handicap division has been a tremendous addition to the TAT with handicap bowlers calling and entering almost every day! Handicap bowlers will receive a minimum of $400 just for qualifying for the finals. However, if you are a scratch bowler, do not be concerned as the handicap division can only make your prizes grow with increased entries even though you will not be competing against them! If you know anyone that averages below 189, now is the best time ever for them to bowl in the #1 Amateur Tournament in the country.

Walk-Ins Welcome We are always pleased to accept walk-ins at the tournament all the way until February 6th. However, the sooner you enter the more squads you will receive! If you have not made your room reservations at the Orleans you need to do so, as the TAT room block has already been increased once. If you are not in the TAT block you will not be eligible for the free room night or extra Orleans Casino money so please **book your room early** even if you are just thinking about coming!

If you have any questions, comments, or concerns please feel free to call us toll free at 1-888-828-2695 or 1-888-TAT-BOWL. You can also reach us by e-mail at tatbowl@hotmail.com. This event is sure to be the one to remember so please come see us in Las Vegas for your chance to see how you rank among amateur bowlers of your caliber from all over the world!

National Deaf Bowling News

by Connie Marchione

Lindy Decker, Deaf Female Bowler Of Two Decades, 1990-99 & 2000-09?

YORK, PA — This writer failed to revive last month's article in the York daily newspaper. The fabulous deaf lefthander Lindy Decker e-mailed me the official announcement naming her York County's Female Bowler of the Decade (2000-2009). The award which was selected by the York County Bowling Proprietors Association will be formally presented to her at the coming York-Adams USBC Bowling Hall of Fame Dinner on Saturday, February 20. This is a great honor for Decker who is already in the York County Hall of Fame.

This writer congratulates her for this Bowler of the Decade honor as she richly deserved for her accomplishments during the decade. Also, this is the first time any deaf bowler male or female ever was selected by a hearing group. Among her feats are first female Deaf Team USA bowler to win the 2005 Deaflympics Bowling Masters at Melbourne and rolling the record scratch 2173 all-events in the 2008 Great Lakes Deaf Women's Bowling Association tournament at Cleveland, the first ever 2000 scratch all-events made by a deaf woman in a deaf tournament.

In fact according to the records this writer has, Decker could be the two-time deaf female bowler of the decade in both 1990-99 and 2000-09. No deaf female bowler gathered lots of ink in daily papers making headlines in the past 20 years as she did and being featured each decade in WIBC magazines too. The last one in 2004 written by the renowned Chicago bowling writer featured Decker along with two other hearing-impaired bowlers, Laura Lee Daniel, Corona, CA and Lindsey Coulles, Centerville, OH.

In the early 1990s when this writer was told about her early feats, he persuaded Decker to come West to bowl in the 1991 Pacific Coast Deaf Women's Queens tournament at Reno. She beat a record 140 women entries by leading the qualifying round with a record 932 and dominated the match plays to win the title. Her desire to bowl with other deaf women made her return the following year at Sacramento. She won again by defeating a two-time champion. Then unkind fate turned in the meeting as the women voted to ban her from coming by changing their Queens entry to 189 and under bowlers.

Although she was voted Pacific Coast Deaf Woman Bowler of the Year and to its All Stars Team both years, Decker shunned bowling in deaf tournaments and continued to make records in her leagues. Later in 2006 she returned to bowl in Eastern and Great Lakes Deaf Women tournaments and set the GLDWBA record 2173 in all-events. The old record was her own 1937 made in 2006.

Granted that both Daniel's and Coulles' feats were impressive but they do not bowl in deaf tournaments. Hearing-impaired Daniel did most of her bowling in the defunct Professional Women's Bowlers Association and presently in Western Women Premier Bowlers tournaments. She averages 230 in her leagues and has most 300 games. Young Coulles is the first deaf or hearing-impaired female to be chosen as the 2003 Alberta Crowe Star of Tomorrow. She was a three-time Junior Team USA member while bowling intercollegiate for Morehead and Central Florida Universities.

If Daniel and Coulles start bowling in deaf tournaments they migh give Decker a tough time for the next deaf female bowler of the decade.

JAT Farm Club

by David Gordon

LAKEWOOD – Hello once again from the JAT Farm Club headquarters. Our last tournament before the holiday break found us at Cal Bowl, with thirty-four bowlers taking part in the competition. Good scoring, good accommodations, and holiday cheer made this a very fun day.

In the qualifying round we had Wesley Low lead the way behind games of 267-234-234. Keeping pace was Bobby Hornacek with his own 267-228 games. Right behind them we had Chelsea Friedman 266, Austin Gadaire 266, Nolan Smith 226-247, Brandon Turner 246-225, Alex Fisher 245, Antone Beeks 237, Lawrence Merriweather 235-234, Oscar Chan 235, Ashley Dunn 235, Helbert Andryans 232, Josh Gartrell 231 (go Cleveland), Courtney Schultz 230, Abigail Anadilla 220, and Ryan Hutchison 220. Mr. Low led the group after five games at plus 156 and the last spot to advance came in at minus 46.

In match play we had two bowlers that were going to put Mr. Low in check. Chan posted up the tournament's high game during match play with a mix of 225-289-223-231, while Turner shot nice games of 237-247-257-234. Nice shooting guys. Other highs came in from Dunn 279, Hornacek 257, Schultz 249-244, Fisher 247, Smith 227-235, Brett Huntoon 235, and Eric Torrence 225. There was a lot of movement and jockeying for position during match play. Gabriella Mayfield made a five position jump, while Fisher - Huntoon - Dunn all made a four position jump. Unfortunately, none of these was enough to advance into the finals.

And in the finals we started out with 5th seed Schultz (+164) taking on 4th seed Low (+183). In her first regular tournament finals round Schultz put away super-vet Low (looking for back-to-back titles) 222-195. However, now Schultz ran into the 3rd seed Chan (+244) who capture this match 223-191. Chan now faced off with the 2nd seed Hornacek (+298) and in a close match, took this game 237-230, and the chance for his first title. Chan now faced the top seed Turner (+388) and these two took it to the maximum three games. Chan capture the first game 201-182, Turner bounced back the second game 259-215, and then ran with it in game three 203-159 for his first JAT Farm Club title. Congratulations Brandon.

Our next tournament to start off the new year is this coming Sunday at AMF Woodlake Lanes. The start time if regular with check-in beginning at 8:15 and action around 9:00. It has been years since the JAT visited Woodlake so here are the details: 23130 Ventura Blvd., Woodland Hills, CA 91364. The phone number (if you're running late) is 818-225-7181 and directions are 101 freeway (north) - exit Woodlake Ave. (if coming from L.A.) - make a right onto Ventura Blvd - go to address. If coming from the Ventura/Santa Barbara area, the exits are Mulholland Dr or Fallbrook Ave, then work your way across the freeway and onto Ventura Blvd.

I hope everyone had a safe, fun and enjoyable holidays. I'm ready to hear all of the war stories from Vegas and hope you all did well. Come on out this Sunday - we want a big turnout. See you then.

Next Event:

AMF Woodlake Bowl, Woodland Hills this Sunday (oil pattern undertermined)

Natalie Jimenez Wins Her First Title

The JAT made their annual visit to Cal Bowl for the Christmas Event and we welcomed back many of our members who were off to college and home for break. A field of 31 took the lanes and those lanes were in the Christmas spirit giving up some huge scoring. Jeremy Glover led qualifying at +257 including games of 279-279-277 in his block of 6. Close on his heels was Natalie Jimenez at +237 with her own 280-270-270 in her block of 6. Low to quality was Mark Curtis Jr. making a mad run for the cut- starting the block with a 127 game and finishing 246-237-246 to get to +38 and take the 16th spot. In the round of 16, Mark Curtis Jr. continued his hot streak taking out top-seeded Jeremy Glover in two straight. Natalie Jimenez, James Hawkins, Randall DeLeon and Aaron Wilson swept to the second round while Gary Smith, Mark Myers and Virgil Hilvano needed three to advance. In the quarterfinals, James Hawkins cooled down Mark Curtis Jr. 2-0 and Gary Smith advanced in two. Natalie Jimenez and Randall DeLeon took their matches 2-1 and advanced to the semis. In the semifinals, Gary Smith d. James Hawkins 242-209 and 248-200 while Natalie Jimenez got past Randall DeLeon 245-172 and 279-235. In the final match, Natalie Jimenez remained red-hot winning her first JAT title 226-198 and 253-226 for a $250 award. Congratulations everyone on some nice bowling!

Will Jackson Lights Up Senior Division

Another small field in the Senior Division but the bowlers who did show bowled for a $300 prize fund and put up some good scores. Will Jackson led all qualifiers at +289 on the strength of his 298-280-268-846 series in games 4-5-6. Low to qualify was Brandon Kraye at +120. In the semifinals, Will Jackson remained hot taking down Brandon Kraye 234-220 and 278-213 while Mikey Villarreal needed three to get by Jayson Palacios 247-211, 207-245 and 201-180. In the final, Will Jackson struck his way to a 228-226, 198-246 and 231-217 win and a $200 payday while Mike Villarreal took home $100 for his second-place finish. Nice bowling seniors!

Southern Los Angeles County Youth Travel Article

by Otha Stubblefield

NORWALK – Happy New Year!!! I hope everyone had a happy holiday. I know I did. I missed the deadline for my last article because I was trying to clean up before taking two glorious weeks off work. Our scoring leader for Cal Bowl was Austin Gadaire 235/783. Lawrence Merriweather was next with a 223-204/755. Claudell Redwine was third with 212/724. The girls were led by Destiny Harris 174/616, followed by Shirniece Beeks 156/559, and Demenia Redwine 520. The next week at Keystone proved to be a little more difficult Lawrence Merriweather led scoring with a 204-201/768. This would be the only 700. After a dismal start, Antone Beeks shot 243-203 for 697. Claudell seemed destined to lead scoring but fell off game 4 which left him with a 203/664. Austin Gadaire was next with 658, and the girls had Demenia and Shirniece had 521 and 500, respectively. We closed Cal with a unique 5 on 1 baker match. Five bowlers took on visiting collegiate bowler Keyon Lemus. Choosing to use his own ball, rather than a house ball like he did at the UC Davis meet, he barely edged out a 10 pin victory over the his high school and junior college opponents. Some of our other travel league bowlers managed to make some good end of year achievements. Jeremy Glover and Eric Torrence both cashed in the JBT Main Event at Texas Station over Christmas, placing 7th ($650) and 11th ($200) in their respective divisions. Jeremy placed first place in team, again, and while Keyon's team missed cashing by 91 pins, it wasn't because of a lack of will on his part. Keyon goes 225, 269 and 300 for an impressive 794 series. Get that another finger ready for that 2nd JBT 300 ring. The team that he was originally on certainly could've used those extra pins to bounce them into cashing. The only thing to be said about that is maybe use written itineraries next year. Or is it this year? It's 2010, now, and we're starting our first year at Midtown. There will be a special surprise for our returning bowlers, this week….maybe two surprises (hint: bowling JAT @ Woodlake on Sunday?). See you at 1:30!
