## Roth, Petraglia, MacPherson Elected To USBC Hall of Fame

ARLINGTON—Three of the most successful players in professional bowling history have been elected to the United States Bowling Congress Hall of Fame in the Superior Performance category.

Mark Roth, 57, of Fulton, N.Y.; John Petraglia, 61, of Jackson, N.J., and Wendy Macpherson, 40, of Henderson, Nev., will be inducted during the USBC Convention in Reno, Nev., on Friday, May 1.

Roth, a Brooklyn, N.Y., native, is widely credited with introducing the high-revolution

power game into the sport. Roth's unorthodox style produced 34 Professional Bowlers Association titles including a remarkable 14 victories over a two-year span (1978-79). His eight titles in 1978 stand as the most victories in a single year by a PBA player.

Roth also is a two-time PBA Senior Tour champion and banked more than

\$1.6 million during his career. He won Bowling Writers Association of America Bowler of the Year honors in 1977, '78, '79 and '84 and was inducted into the PBA Hall of

## Year End To Ramon!

SAN DIEGO—The NABI San Diego Year End Tournament action was at Parkway Bowl this past weekend, & relatively new member Ramon Gonzales III outlasted everyone to capture title #1.

The high scoring conditions had several bowlers rolling outstanding series totals, & Ramon was no exception. His +165 was the highest series of the day, & made him the top qualifier on the Saturday "C" Squad.

Returning on Sunday, he continued his winning pace, & out bowled his three opponents in the eliminator style format finals. Congratulations, Ramon, for a terrific start to 2009!

N.A.B.I. 2008 Year End Tournament  
Champion Ramon Gonzales

The other finals competitors were Phil Horn, James Whiteley, James Horst, Nickolas Dougherty, Erik Martin, Tom Brophy & David Santos.

Once again all qualifying squad sidepots were a guaranteed \$50, & Tim Knight, Jeff Greer, Brian Watkins, George Evans, Horn, Santos (2), Horst, Martin, Brophy & Gonzales (2) were the winners.

This tournament officially closed out 2008, so our focus turns to NABI Week, which will be held July 17-24 at The Orleans in Las Vegas.

The next NABI tournament will be January 24th at Admiral Robinson Center on the 32nd St. Naval Base. Details will be included in next week's newspaper. See you at Admiral Robinson on the 24th ... we'll save a cookie for you!

Fame in 1987.

"I'm surprised. I didn't think I'd ever get in," Roth said.

"It's a great honor. I got the call from USBC President Jeff Boje on New Year's Eve, so it was a great way to bring in the New Year. At least I get to go in before I die so I can enjoy

## Shocking Ending Gives Allen Title at National Bowling Stadium

RENO — Patrick Allen stumbled as he approached the finish line, but a colossal bad break for Walter Ray Williams Jr., the Lumber Liquidators PBA Tour's all-time titles leader, handed Allen the National Bowling Stadium Championship on Sunday.

Allen defeated Williams, 225-223, when Williams left a pocket 8-10 split on his second shot in the 10th frame of the title match. A fourth consecutive strike would have meant victory for the 45-time PBA champion after spares by Allen in the ninth and 10th frames gave Williams a chance for a come-from-behind victory.

"After Walter Ray labeled the first one in the 10th, I was just praying for a rolloff," Allen said. "He is the all-time titles leader because he performs when he needs to. The second shot looked good off his hand. Having that happen to win is something you can't even imagine."

Allen, who picked up his 11th career title and first of the 2008-09 season, earned \$25,000 and locked up an exemption for the 2009-2010 season. Williams won \$13,000 for second place.

"I drifted a hair left on the second ball and didn't get it to the right spot, seeing the 8-pin standing was like somebody shot me," Williams said. "I got a few good breaks this week, I just needed one more."

The tournament was the first in PBA Tour history to employ different lane conditioning patterns on each lane during the match play and ESPN-televised championship rounds. The left lane was conditioned with the PBA's 44-foot-long Shark pattern, while the right lane featured a 36-foot Cheetah pattern, forcing the players to make separate bowling ball and angle-of-attack choices for each lane.

"I knew if I could get lined up right, I would be all right," Allen said. "Bowling on the mixed patterns against O'Neill, Barnes, Malott and Walter Ray could be the biggest challenge I have ever faced."

Patrick Allen

In the opening stepladder match, Allen ended 2006 PBA Rookie of the Year Bill O'Neill's bid for his first title, 218-200. O'Neill, a former Saginaw Valley State collegiate All-American from Levittown, Pa., earned \$5,000 for fifth place. Leaving and failing to convert the 1-2-4-6-10 washout in the fourth frame proved to be O'Neill's undoing.

Allen then eliminated reigning PBA Player of the Year Chris Barnes of Double Oak, Texas, 267-236. The key shot in the match was Barnes' missed 7 pin spare attempt in the ninth frame after he had rallied to take a one-pin lead. Barnes, a 10-time PBA champion, earned \$5,500 for fourth place.

The 38-year-old left-hander advanced to the title match against Williams after a 268-215 romp past red-hot Wes Malott of Pflugerville, Texas. Malott, the 2008-09 Player of the Year points leader, was never a factor after Allen started the match with seven strikes. Malott earned \$6,500 for third place.

The next stop on the 2008-09 Lumber Liquidators PBA Tour will be the Bayer Earl Anthony Classic at Lava Lanes in Medford, Ore., starting Tuesday. The tournament will be contested on a new, specially-designed Earl Anthony lane condition and it will include the final PBA Women's Series tournament of the season. ESPN will televise the women's and PBA Exempt Tour finals Sunday at 1 p.m. Eastern Time.

Bernice Williams had 513, Joan Lumpford and Dee Phipps tied on 505 series and Gina Harrison 206-497.

Doris' Hair Designs maintains leadership with 42 wins, followed by Keystone #2, 39.2; Cerritos #2, 39; Westminster #1, 38; David McNaught CPA, 36.2; Cal Bowleros 34.2; Keystone #1 and Westminster #2 tie on 34 wins. The rest of the league trails from 29 wins down to cellar team at 16.2.

MEDICAL REPORT—Jan Jones is still not able to bowl, following her bout with pneumonia but hopes to return in a few weeks. Bernice Williams is taking two weeks off for travel time to be with her mom during her illness. The league extends sympathy to Lu Colussi in the recent passing of her 101 year old mother in Canada. Lu has been a regular commuter to Canada to visit her ailing mom for several years and she made her final trip there on Friday.

## SED Jr. Travel

by David Gordon

TORRANCE—SED Jr. Travel returned to the wood this past Saturday at AMF Bowl-O-Drome. Everyone appeared to be glad to be back, if not to bowl, then just to touch base with their friends and discuss their holiday break.

Mark Curtis led our field on this day with 228-279-202/885. Way to bowl Mark. Also in this week's 800 club we have Deanna Carrillo 201-259/826 and Max Slevcove 219-234/812. Strange how that works, nice bowling. Other highs came in from J.D. Pelow 245/753, Chris Blankenship 201/709, and Kim Ferdnace 201.

This coming Saturday will find us at Fountain Bowl. The second qualifying window of Pepsi begins for us as well. Plan to bowl your best. Have a good week and I'll see you then.

MONTCLAIR—Oscar Ibardolaza was at it again, performing superbly as he won his second title at the Bowlm Lanes in fine fashion winning the title from the top seeded position. He edged Ryan Nam in the title game to take home a tidy \$2,300.

Oscar topped a nice turnout of 261 entrants which saw cut scores on the new synthetic lanes of +49 men and +48 for ladies. Added Super Seniors to the Semis were Janice Meloon, Tom Dahl and Walter White making 66 bowlers advancing to the Semi finals in hopes of making the top 16 single elims.

The semis began and ended with Ibardolaza topping the field at a +191 followed by Jason Chiu at +128. We had Oscar sit out to bowl the title game with Jason receiving a first round bye. It took a nice +62 for the men and the three guaranteed ladies +25 to make the top 16 to advance for a shot at the title. Round One was on. Losers were Jiradej Harnpatanakitpanich, D. A. Smith, Bobbie Mc Collum, Domor LaGuardia, Kevin Valmonte, Ted Villaroman, and Mike Benavides. They got checks of \$110.

Round two had Christine Smith, Tony Tang, Cecilia Lung and Jason Chiu lose out. They were 6-9th places and

\$130 each.

Round three had got Inter-esting as Ryan Nam eliminated Robert Mendoza. Ronnie Sanchez downed Som Seng. So Robert and Som were 4th and 5th with great bowling. Ronnie and Ryan met for the right to bowl for the title against Oscar. This game was a great one going to the final frame. Ryan won out 229-223. Ronnie was 3rd with great bowling and \$210 with Ryan off to the title game.

The title game was now underway. Oscar led off with a spare. Ryan opened. Both were clean til the 5th where Ryan split and with a big double in frames 6-7 Oscar commanded a nice lead and stated clean the rest of the way. Ryan couldn't double Oscar won out 206/226-156/195. The title went to the gentleman who is a longtime ABTA member and in fact bowled our first ever ABTA Event. No one is nicer and few can be more competitive. Great Bowling Oscar. See You in Las Vegas.

Great bowling by Ryan Nam who did so well, and almost got the win. Same be said for Ronnie Cordero. They are two of the good guys.

Tourney Hi Qualifiers were Danny Reece Jr. +188. Rina Cordereo led the ladies +87. They both get paid entries.

The doubles were topped

by Jun Contreras and Justin Taino 1379, and \$200 edging Chris Kelly and Greg Velarde 1375 \$180. We paid 20 places and a Sweet \$2,030 in the doubles to our members. Not bad for a \$5 entry fee!

The Match Series was Matched at 147 by a happy Richard Lim. He took home the \$1,500 for his fine 147 game which was the best game at the Bowlm this week. We estimate the Match Game to be \$3,000 in Las Vegas.

The Match Series was UN matched at 536 drawn by Danny Reece Jr. So with a \$1,214 Carry over, we expect the Series to go for over \$2,200 in Las Vegas. Big Pots Available there and for only a \$2 entry fe vere.

George Covarubias was last up in the 3-6-9 roll off but missed on shot 3 so we go for \$1,500 inLas Vegas. George got \$50 for beer money.

Tres Catalasan was drawn for the Hot Shot Pot and missed. We go for \$150 in Las Vegas. He got a \$25 consolation.

# Up Your Average

by Rolf Gauger

Instruction to Help Raise Your Scores

## Important Reminders

### Techniques Many Bowlers Know But Forget About

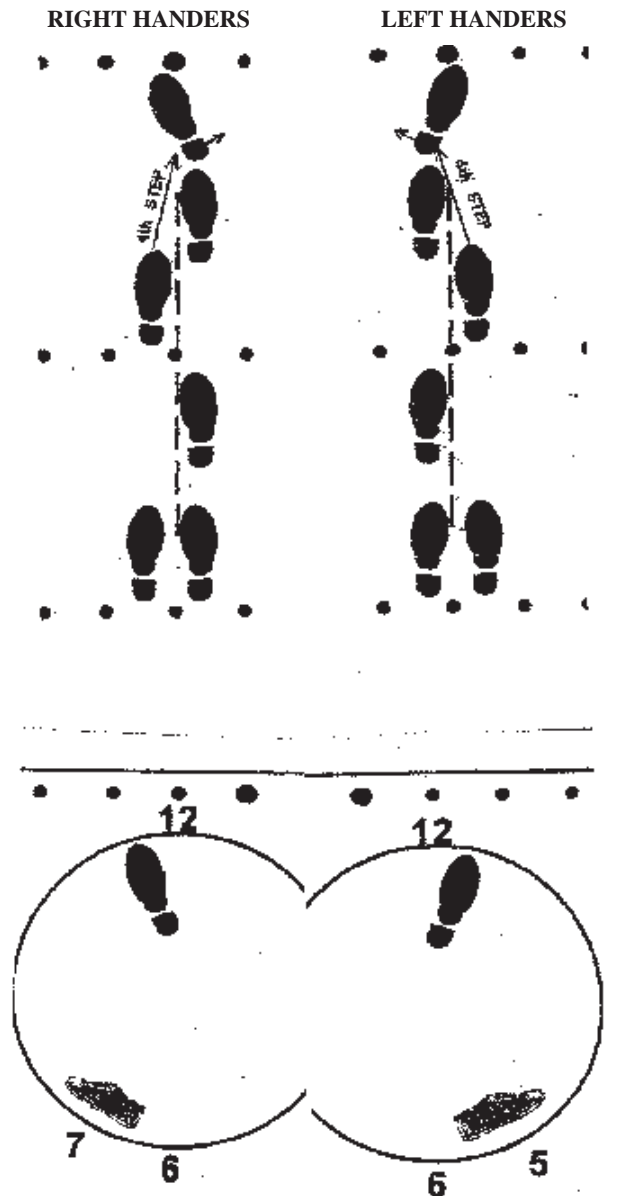

During my years of teaching, coaching and writing, I have learned that many bowlers with league averages in the low or mid 100s or thereabouts, sincerely want to improve. And in their quest, while learning new techniques, they quite often seem to forget the ones that got them to where they are now. While it is certainly necessary to replace bad habits with good ones, we must keep in mind that it is also important to add to the techniques that improved us in the first place...not to replace them.

Therefore, I thought it would be a good idea to do an article consisting of quick versions of some of the lesson material covered in past issues about which you have asked. After all, what better way to be of help than to address your needs as you yourself identify them? So what we'll do here is do some "machine gun" versions of what you consider important to your improvement.

### “Solid” At The Line

“Traffic Lights, Tripods and Balance” was the title of a long past article, in which we discussed the importance of balance at the line while delivering the shot. That seems to be one of those techniques many of us learn...and then forget about...to our detriment. So here's a quick recap of the three important parts to this:

First, take the last step of you're approach at an angle, slanting it inward, so that heel ends up in front of the other foot, instead of next to it. (You long sliders can use your slide to accomplish this). That places the arch of that foot directly under your body's center of balance, instead of next to it. And that, in turn, helps eliminate the problem of “falling off the ball”, which is that sideways loss of balance created by the increased ball gravity during the moment of release. Use

Second, it helps if you keep your back foot touching the floor (heel “collapsed” outward and downward) so that the back foot sort of rides on the outer edge of the sole of your shoe.

By the way, don't let that back foot swing past 7 o'clock behind you as you finish your approach (left handers, not past 5 o'clock). That will keep your back leg from forcing your body to turn out of position during the release. Many a gutter ball can be eliminated by this procedure.

Third, keep all your weight over the middle (arch) of the front foot! That will improve your overall balance enough so that consistency (and scores) should definitely improve!

### Killing The Chicken

“The Lever, the Stump and the Fan” was the title of another past article. There we covered a technique for eliminating the all too common destructive habit of chicken winging. Part of this technique involves a kind of gimmicky way of keeping the arm straight longer through the release, by imagining a bowler with no forearm.

Well with no forearm, the hand would now be attached to the upper arm...in other words, the “stump”. So the extension of the follow through is done with that stump, not the forearm. Since only the upper arm, the stump, is used for this motion, the forearm is not involved, so the elbow remains straight. It never needs to bend on the way.

I've taught many students to self-talk, “Finger release, stump follow through”, just before the shot, with much success in increasing accuracy and pin action, by avoiding elbow bending at the wrong time.

### The “Fan”

As well as that works however, one problem often remains... that when the elbow finally does bend, it bends inward across the body. Bad news! Instead, that elbow should be kept in line with your bowling shoulder. That's where your arm is attached to the body, right? So here comes the second corrective technique, referred to as a “fan”. This is done only at the very finish of the follow through. It consists of a small “flicking” or “snapping” twist of the wrist to the right (left for left handers)...just barely enough to turn the thumb very slightly outward (like from 12 to 1 o'clock, for example; or 12 to 11 for left handers.) Think of it as sort of a “hitch-hiking” motion, which may be easier to remember.

This tiny, easy to learn wrist action, when properly done, virtually eliminates overturning (topping) the ball. More important, it makes chicken winging a thing of the past!

Actually, the fan and the stump fit together and eventually feel like just one correct motion...but it does take practice.

### Avoiding The “Late Adjustment” Disease

This is a worse plague than you may realize...a problem which actually afflicts huge numbers of bowlers, including professionals, yet is ridiculously easy to fix. It's what I call the “I finally found my line halfway through the last game” disease. Ask yourself whose fault it is when that happens to you? Is it the lane conditions? Are they breaking down too fast? Is it the wrong ball? Sticky approaches maybe? What do you think? Is there even the slightest chance you couldn't find your line because maybe you didn't adjust soon enough, far enough or often enough?

The point that may be hard to swallow here, but is definitely true is that if you found a line at all, no matter how late, you could have found it sooner!

Think about it, bowlers...can you remember even a single time in your bowling life when you ruined a game by adjusting too soon...or too often? Remember back; will you agree that that almost never happens? Good! Because in truth, the vast majority of bowlers either wait too long to adjust or make too few adjustments when they finally do adjust! Do yourself a favor and read that last sentence again.

O.K...if you ask yourself why it takes so long before you make an adjustment, your honest answer has to be, “because I'm so close; I'm afraid if I adjust too soon, or it's a wrong adjustment, I might blow the shot...possibly the frame.” That's the problem...fear. Well, once you've admitted that to yourself, you're on the road to recovery. The answer is embarrassingly simple and it happens to be one of my favorite slogans: “You'll never find your correct line sooner by adjusting later.”

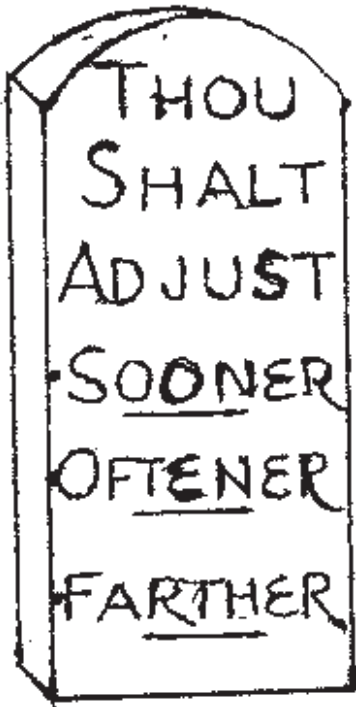

Another score killing monster, of which far too many bowlers are guilty is adjusting too little at a time, for the same reason...fear! Fear of adjusting too far and wasting a shot. So O.K., another slogan: “Over-adjust and risk the frame, Under-adjust and lose the game!”

The important thing to consider, then, is simple; would you rather over adjust a bit and risk a shot on purpose to find out whether the adjustment will work, or pussyfoot around with meaningless little moves which almost always wind up failing? After all, if you adjust a bit too far, at least you've found it out right now, rather than after wasting frames and blowing the game with splits, weak hits, etc.

So if you've adjusted too far, why not just back off a notch to make it right? Did Moses come down with some 11th commandment saying, “Once thou hast adjusted, thou shalt not go back?” Of course not!

So the last slogan is: “You can never be sure of your limit until you've gone past it!”

The whole idea we must get used to is to deliberately adjust sooner and/or farther than we think necessary...to make a personal policy out of overdoing it on purpose, because it's the best way to get our answers early, rather than after losing the game! You'll win many a game against better bowlers because of your policy to challenge yourself...to be willing to risk any shot necessary in favor of the ultimate win! (See illustration 2).

Oh and remember: the word “adjustment” means more than just changing your line. It may also include changes in speed, equipment, hand release position, break point adjustments as the lanes break down, matching revs to ball speed, the ball's axis tilt, etc. You have to have courage...the courage to make experimental decisions now! Not 3 or 4 frames down the road when it'll probably be too late to win!

it.”

Petraglia, also a Brooklyn native, is a 14-time PBA champion and one of five players in PBA history to complete the Triple Crown. After winning his first PBA title at age 19, Petraglia won the Firestone Tournament of Champions in 1971, U.S. Open in 1977 and the PBA National Championship in 1980. Billy Hardwick, Pete Weber, Mike Aulby and Norm Duke are the only others in the “Triple Crown Club.” Petraglia also was part of two teams that won American Bowling Congress Classic Team titles before the Classic Division was terminated, and he owns six PBA Senior Tour titles. He is the only PBA bowler to win three consecutive televised tournament titles, one of three who have won PBA titles in five different decades, and one of 17 who have bowled nationally-televised 300 games.

“I was very, very surprised. It was a shock, but it was wonderful news,” Petraglia said. “I thought it would take two or three years at least. It's pretty special to be recognized alongside guys like Andy Varipapa and Dick Weber and all the great players who are in the hall.” Petraglia and Roth were both pleased to be elected in the same year.

“Mark and I basically grew up together, even though I'm four years older,” Petraglia said. “Mark and I won a Paramus league one year, and the Met Classic league another year. We were good bowlers when we were young, but you never know how things are going to turn out. Looking back, it's a big surprise to see what we've accomplished.”

Macpherson, a 20-time Professional Women's Bowling Association champion, made her presence known on the women's scene as an 18-year-old amateur when she won the Women's U.S. Open for her first title. Since then she became the youngest woman to win the tour's Triple Crown, captured three USBC Queens titles, was selected Woman Bowler of the Year four times and became the all-time earnings leader in women's professional bowling with \$1.2 million in 2003 when the PWBA ceased operations. “It was a great way to begin the New Year,” Macpherson said. “I'm honored. It's very, very exciting.”

Macpherson also is the only woman to win a USBC Open Championships title, firing an 812 series to win the 2006 Regular Singles crown in Corpus Christi, Texas.

“I think it's a combination of all the fabulous years and the many years, 20 years, that represents your career,” she said. “I did a little bit of reminiscing of how wonderful bowling has been to me over the years, how much I've enjoyed it and been blessed to be able to do it for so many years and am still doing it.”

She was the leading vote-getter among the 12 candidates considered by USBC's panel of veteran bowling writers and hall of famers, named on 146 of 158 ballots cast for 92.41 percent to easily exceed the 70 percent majority needed for election. Roth received 130 votes (82.28 percent) while Petraglia received 117 votes (74.05).

Other men's candidates were: Marshall Holman, Medford, Ore., 105 votes (66.46); Del Ballard Jr., Keller, Texas, 59 votes (37.34); Dave Husted, Milwaukie, Ore., 27 votes (17.09), and Amleto Monacelli, Barquisimeto, Venezuela, 16 votes (10.13).

Other women's candidates were: Shirley Levens, Titusville, Fla., 79 votes (50); Dede Davidson, Buellton, Calif., 65 votes (41.14); Cheryl Robinson, Oceanside, Calif., 51 votes (32.28); and Jackie Mitskavitch, DuBois, Pa., and Michelle Mullen, Farmington Hills, Mich., each with 20 votes (12.66).

The USBC Hall of Fame was created in 2005 by merging the former ABC and Women's International Bowling Congress Halls of Fame. With the three new inductees selected by the committee, there are now 375 members of the USBC Hall of Fame - 246 in Performance, 110 in Meritorious Service and 19 Pioneers.

**Headline – NLAC Board Votes to Pay YOUR Lineage in the 2009 Association Championships**

We understand that these times are tough financially for many of our members. With this in mind, entry fees remain the SAME as 2008 (**\$75 per person, for adult entries & \$45 per person, for youth entries**). In addition, the NLAC Board recently voted to match the same amount of lineage fees for each entry (\$30 per entry) **BACK INTO THE PRIZE/SCHOLARSHIP FUNDS!** What does this mean to you? Larger & MORE prize checks & scholarship awards back to YOU, the NLAC members!

Entry forms for the 2009 North Los Angeles County Association Tournament are now available for the Open, Women's & Youth divisions (*Youth bowlers should contact your program directors regarding entering the tournament*) at ALL NLAC Centers and on the association website, NLACBOWLING.COM. **Entry deadline is Feb. 10<sup>th</sup>.**

This year's tournament will be held at Santa Clarita Lanes (Team Event) and AMF Rocket Lanes (Singles/Doubles) on the weekends of Feb 21-22, Feb 28/Mar 1, Mar 7-8, & Mar 14-15. NLAC Board Members will be visiting all the leagues during the next three weeks to pass out entry forms, answer any questions regarding the tournament, and collect completed entry forms. Squads will fill up quickly, so get your entry in early!

The tournament format has also undergone a change to meet the feedback we have received over the past couple of years. Each of the divisions (Open, Women, Youth) are now broken into scratch & handicap divisions, based on average ranges. The handicap ratio for the handicap divisions is based on the top average in each division to create as level a playing field, as possible. There will still be separate Open, Women & Youth squads, but we will also offer a couple of combined squads where youth & adults would be bowling at the same time. This would give families the opportunity to bowl the tournament at the same time and avoid scheduling multiple trips to each center.

Optional sidepots, brackets (scr & hcp), senior singles & clean 30 pots will be collected during each squad for the adult participants. We will also have an optional opportunity for you to qualify for the California State BVL Tournament. Sign up during tournament check-in by donating \$5 to our BVL Fund & use the scores from that particular event to qualify for the State BVL tournament. You have three opportunities to support this great cause & possibly qualify to represent us at the State level.

Thank you again for your support!

# NATIONAL DEAF BOWLING NEWS

by Connie Marchione

**PAUL SANCHEZ WINS SO-CAL DEAF BOWLERS CLASIIC WITH 956 ANAHEIM**—Defending champion Carl Malucci's back problem kept him from coming to bowl in the 46th annual So. Calif. Deaf Bowlers Mixed Handicap Bowling Classic at Linbrook Bowling Center but in spite of his absence the event did not drew more bowlers than last year. Albeit the 46 entries was only 4 short of last year's 50, there were a record nine 900 plus 4 games handicapped series made in this year's classic.

One of the two Sanchez deaf bowling brothers, Paul entered on the 4 PM squad and came out at the top with 956 from games of 210-158-201-223 for 792 plus his 164 handicap. Right-hander Paul. a Anaheim resident who had improved to 168 from his last year's book of 158, had only one game under his re-rated average for 10 pins over.

His other 3 games were way over his average that helped claim the \$460.00 first place prize. Paul was amazed at his own feat.

Former champion (1994) Gorman Low, Huntington Beach who hit a 279 and 701 last month in Downey Deaf League at Keystone, was also re-rated at 192 and shot 924 for 2nd place \$230.00. Low on the 4 PM squad had games of 191-243-186-216 (836) plus 88 handicap. He placed 5th in last year classic with his 875.

Much heralded Ken DeGroff whose USBC records showed him as the only deaf bowlers with not one but two back to back 300 games series, rolled 921 on the 12 noon squad for early lead through two squads.

Although bowling with zero handicap for his 233 average, Ken, a Sunland resident, had games of 258-180-255-228 for his 921 which placed 3rd for \$115.00 plus \$25.00 early bird prize for high handicap score on the 12 Noon Squad.

The former 3 time champion (1995-2000-05) Mark Fisser, Lake Forest also bowling with zero handicap, made two of the nine 900+ series, 914 on the 2 PM squad and 916 on the 4 PM and cashed in 4th place with his higher one only for \$75.00. Mark's 916 consisted games of 193-234-255-234 and his 914 had a 258 in it. Mark also got he \$25,00 late bird high scratch score on the 4 PM squad with his 916.

Jeff Stansell, South Gate the PCDBA all events champion, placed 5th for \$60.00 with his 175-203-171-214 for 763 plus 146 handicap 909 total. A woman, Jennifer Vasquez, La Puente who with a huge 340 handicap 878 total cashed in 4th place in last year's classic, did better with same 340 handicap 902 total but with that many 900s, she ended in 6th place for \$40.00. She was one of 7 brave women entrants.

Long time Downey Deaf bowler Joe Horn, Buena Park rolled his best 246 game in his 194 handicap neat 900 total for 2nd place on the early 12 Noon squad and saw it going down after the 4 PM squad into a tie for 7th place with Francisco Navarro, Riverside. Navarro who last month rolled a perfect game in Downey Deaf League had on 4 PM squad games of 183-141-254-222 for a clean 800 plus 100 handicap 900 tie with Horn. They split the 7th and 8th places prizes for \$27.50 each.

**BY NICE AND SWEET**

STUDIO CITY — Many of us here at Pinz would like to welcome you to the first ever "Holy Smokes, Egads, Eeks, and Fiddlesticks" issue. Indeed we have heard these very words the past week when bowlers haven't bowled their average, so we added them to the article like madiibs. So this week we will insert such words into the hysterical commentary that needs no gimmicks. Let us begin:

## PINZ ADULTS

These fiddlesticking bowlers have elevated their eeking games to such new levels that we have to exclaim "forget anybody who doesn't appreciate it". She may not bowl here but man is she a real treasure. Be sure to book her for your next party, everyone will be there especially Tutti Frutti, make sure she doesn't blow a beauty; everyone may go for air. Good bowling, next week Michael Michael Motorcycle.
