Tri-Senates to Host 2nd Annual \$15K Weekend Tournament at Cal Bowl

by Dewann Clark

LAKEWOOD — Saturday and Sunday, April 13th and 14th, The Tri-Senates of Southern California of the National Bowling Association (TNBA) will be hosting the second annual \$15,000 Tri-Senates of So CA Championship Tournament!

There will be five big squads to choose from and this tournament will be paying a whopping \$15,000 (based on 165 paid teams) to the first place team with only a \$65 per bowler entry fee!

In addition to the grand prizes, there is an added incentive to attract “the average bowler” (teams with an entering average of 900 or less) as well as “seniors” (teams with all bowlers aged 55 and over).

The tournament will be paying bonus prizes to the top teams in each of those two categories! The tournament will be held at the 68 lane Cal Bowl in Lakewood, CA. As with all of the Tri-Senate tournaments the first squad on Saturday will feature a special match up between the four core senates of the Tri-Senates for bragging rights and trophy.

All the other squads will be open to all bowlers but they must have a TNBA membership (membership dues may be purchased separately if not already a TNBA member) from any senate (or local chapter).

Each squad will also have

an optional round robin sweepstakes doubles event as well as lots of side pots, brackets and the exciting “Team Eliminator” to start off each squad. Nothing but pure fun and lots of prizes and side monies to be earned! With this tournament the Tri-Senates of So. CA. is reaching out to all bowlers from everywhere to participate - all you need is to be a current TNBA and USBC member, both membership must be purchased prior to bowling in the tournament.

Last years tournament paid out \$10,000 to the first place team and an additional 15 places plus bonus’s to the top low average team and all seniors teams with 126 paid team entries.

We have been receiving this past year so much interest in this 2nd annual tournament that we highly anticipate nearly 300 entries for the 5 scheduled squads. Therefore, we have increased the top prize to a whopping \$15,000, which matches and/or exceeds the payout for many other tournaments that have entry fees nearly double our \$65 per bowler fee!

The Tri-Senates of Southern California was founded in 2006 with the goal and purpose of creating match game competition originally between the three bowling senates of the National Bowling Association

located in the Southern California area: Los Angeles, San Diego and the Inland Empire. Since then, the Antelope Valley (Palmdale) Senate has been added. These four bowling senates rotate the hosting of these match game tournaments four times per year.

These events have grown to become very popular events showcasing the best that TNBA has to offer in the Southern California area. New bowlers are becoming TNBA members as well as old members are renewing their membership status to participate in these ever popular tournaments which often sold out several months in advance.

For more information on this tournament and how to become a member of TNBA you may contact tournament director, Mr. Eugene Richardson at the Tri-Senates of So. CA. office at 310-846-4596 x 450. Please see the ad in this issue for additional information and the entry form. Also, you may visit the Tri-Senates web site at: <http://tri-senatesofsoca.tnba-inc.org>.

Andres Gomez Wins Back-to-Back PBA Carmen Salvino Classic Titles *Native Colombian denies Archer's bid for first PBA Tour title*

ALLEN PARK — Colombia native Andres Gomez, who won his first Professional Bowlers Association Tour title in the 2012 Carmen Salvino Classic at age 38, successfully defended his title with a 246-197 victory over top qualifier D.J. Archer of Friendswood, Texas, at Thunderbowl Lanes.

The Salvino Classic, conducted during the PBA Detroit Winter Swing, aired Sunday on ESPN.

Gomez, a long-time international competitor before deciding to become a full-time PBA Tour competitor, started the title match with six strikes and was never seriously challenged in winning his second career PBA Tour title.

“It’s incredible,” Gomez said. “I knew it was going to be a tough match, but I started striking and that was it.

“I don’t know if the second title feels better than the first,” he added. “Everyone says winning the first title is the toughest. I bowled against one of the best in the world (Wes Malott) to win the first time, but this

Carmen Salvino Classic Champion Andres Gomez

one — because there were only two spots just to get to the TV shows — was very tough as well.” Archer, who made his second career television

appearance, has never won a PBA Tour title. His best previous finish was fourth in the 2004 United States Bowling Congress Masters.

Passing the Tradition

Jean Adkins (L) accepts the bowling mojo from (pops) Frank Modica who had to retire a couple of years ago. Bowling News looks forward to reporting birthday #100 next year.

DOWNEY — Frank Joseph Modica celebrated his 99th birthday at Del Rio Lanes last week.

Born in Monroe, Michigan in 1914, Frank was introduced to bowling “from the back-end” as a pin boy before he even got to roll a game. Frank would have to set 3 games (at 5 cents each) before he could buy a game at 15 cents. Frank told me that gasoline was 12 cents and bread was 4 loaves for a dollar.

Frank and his wife Leonora were married for 78 years, having 3 children—Jean Adkins (in picture) and 2 sons, Bob and Jim.

When Frank and family moved to California he became a meat cutter for “Farmer John”. He cautioned me to ONLY buy Farmer John!

Bowling (and shooting pool) were his favorite sports

and his favorite lanes were Pasquale’s Arena Bowl, Gage Bowl, Trianon Bowl, and WonderBowl. Gage is where he registered a big 708 series which was shouted loudly in the Bowling News in 1994.

Not a great bowler, only averaging in the 180’s, he still knows his stuff. He is a con-course conductor who can still talk ball speed, lane conditions, foot positions and good concentration.

Daughter Jean bowls twice a week, and is in the 180’s herself. Next comes her son Jerry to carry on the tradition.

Frank really enjoyed his birthday! After blowing out the candles, he was asked what he wished for. His answer? “Just to bowl one more game”!

Me too Frank! It would be heavenly if you invite me to bowl on your team one day.

National Notary Association Names Local Businesswoman A Finalist For Its Prestigious 2013 Notary of the Year Award

LOS ANGELES, February 4, 2013 -- The National Notary Association (NNA), the leader in best practices, training, and advocacy for the nation's community of 4.4 million Notaries, has selected Santee, California resident Marissa de Luna — a certified signing agent — as one of five honorees for the Association's 2013 Notary of the Year Award. The five honorees were selected from among hundreds of nominations nationwide. One honoree will be named "Notary of the Year" at the NNA 2013 Conference in June.

"The Notary of the Year designation is the highest honor bestowed upon Notaries Public in the United States," said Phillip Browne, the NNA's Director of Communications. "As an honoree, Ms. de Luna exemplifies the ideals of integrity, impartiality, selflessness and public service—all important qualities of a Notary Public as they protect Americans from ID theft and document fraud."

The NNA's [Notary of the Year awards program](#) recognizes Notaries whose actions and accomplishments go above and beyond their basic commissioned duty, and who have served to elevate the trust and integrity associated with the American Notary Public office. Honorees are chosen based upon their achievements in notarial performance, community service, providing notarial services to the less fortunate, working to enact needed legislation, and promoting the role of a Notary Public.

De Luna is recognized for her outstanding efforts to promote education and training in the notarial profession, and extensive community service including volunteer efforts with track and field organizations, and the Leukemia and Lymphoma Society.

De Luna will be profiled in the Association's March 2013 issue of *The National Notary* magazine. The 2013 Notary of the Year will be announced at the [NNA's 35th Annual Conference](#) in Austin, Texas June 2 – 5.

Citrus Belt's THERESE LLOYD Scored Big In Military Mixed Doubles

by Frank Weiler
LAS VEGAS — Therese Lloyd rolled a scratch 622 (203 - 198 - 221) at the Orleans Casino Bowling Center a week ago to lead her mixed doubles team to a 19th place finish against 92 other teams. Partner Frank Weiler also rolled a scratch 622 (203 - 171 - 248) but it wasn't enough to beat the kids. While Lloyd and her partner each have seven decades of life experience under their belts, the opposition included many teams fifty years their junior. Therese used her Frantic to score while Weiler relied on his "old" Radical Inferno. This years fifty-sixth annual Military Championships were a great success. Bowlers from all over the planet converged on Las Vegas to compete. Storm was the tournament sponsor and it was great having RANDY PETERSON and BOB HART their representing Storm. The BOWLING NEWS is proud to support our military bowlers. I would like to thank Carol and Dean for doing so.

Keystone Saturday Juniors

NORWALK — In the Bumper Buddies, we have Delvon Dawson with an average of 55 who shot a 74 in his second game, Sanaiya Hammond who bowled a 100 with an 82 average, Charisma Carranza who bowled a 97 with an average of 64, and last but not least, we have Alyssa Ayala who shot a 116 with an average of 84. Keep it up Bumpers! Next, in the Preps, we have Zachary Johnson with an average of 63 bowling a nice 95 game, Joshua Mayes, an average of 71, with a 112 in the third game, and finally, Cameron Portillo with a 63 average who shot a nice 104 game and a 268 scratch series! Nice bowling Preps! Following the Preps, we have some great scoring from our Minors. First off, we have David Howard with a 154 average bowling a nice 193 game. Adam Sarti shot a big 209 in the third game with an average of 142! Nice game Adam! Peter Ruiz bowled a 176 with a 135 average and scratch series of 474. Last but not least, we have Diego Aguinada, with a 135 average shooting a 164. Great job Minors! In the Majors, Patrick Brumfield shot a 160 with an average of 159, Marissa Cross with a 184 game and 159 average, Rebecca Williams with a nice 163 game and 127 average, and Eric Thompson with a great 154 game with a 95 average! Our 200 bowlers in the Majors include David Schneider with a 210, Michael Henderson with a 222, Daniel Contreras with 215 and 211 games, Anna Ramirez with a 211, Lee Galvez with a 216 game, and finally, Emilio Cruz with 225, 208, and 204 games and a scratch series of 637. Great job Majors!

BOB CORRIGAN Just Misses 800

by Frank Weiler
REDLANDS — It looked like Bob Corrigan would bowl the first 800 of the season in Empire Bowl's Noonlighter senior scratch league recently. After rolling strike after strike and one time stringing seventeen in a row, it seemed that Mister Corrigan might finish the day with a whopping 890! Then a ten pin stood, then another. A few more strikes followed by a couple of four pins and before anyone knew it Bob needed to finish his third game with a four bagger to top 800 by one pin. Bob did what he had to do but things didn't finish the way they should have. He drilled the pocket his last three shots but left single pins each time. After converting his spares he finished at 770 (290 - 258 - 222) for the second high series of the season in the league. His set was just four pins shy of DAVE HILL'S 774.

Bob is a stroker with perfect form and supreme skill. I pull for him and all competitors like him. Guys and gals with impeccable form, the ones who depend on precision over power, who depend on brains over brawn. These bowlers earn their scores by consistently making good shots. No speeding messengers, no flying pins, no wood off the side boards for help. Accuracy and consistency is all they have. A 770 by someone like Bob is equal to a two handers 850 if you ask me. Why, because they don't get the help mentioned above like the power players do.

Anyway, Bob used his Brunswick Evil Siege, drilled by CORKY De MAIO, to roll his super series. His high series to date is a 835 bowled in Germany in 1969. Bob was stationed there while serving

MIKE RICK Rolls 827 In Senior Trio League

by Frank Weiler
FONTANA — Mike Rick is one of the best bowlers produced by the Citrus Belt. He has been around for decades and was one of our first bowlers to average 230. He is a Citrus Belt Hall of Famer. Recent years have been challenging for Mike as he advanced to super senior status. It had been awhile since he had an honor score. Now within a month he has rolled two perfect games and an 827 (259 - 268 - 300). His big scores were registered in LEE FITZGERALD'S Senior Trio League at Foothill Lanes. Mike used his "old red" Motiv to score these recent honor scores. Mike said it was very satisfying to know that his tank isn't empty yet. Mike said that the "new stuff" doesn't work for him. He likes his older equipment. Mike wants to thank CORKY DeMAIO for giving him "OLD RED" and drilling it to perfection. My question is: when is Corky going to give me a ball? Mr. Rick is also grateful to the BOWLING NEWS for recognizing his accomplishments. Finally, he wants his wife JANISE to know that he loves her.

as an X-ray technician in the Army.

This Army veteran has fourteen perfect games and several eight hundred series. He currently averages 215 with a book of 220.

Not bad for a guy with six plus decades under his belt. Great bowling Bob, the BOWLING NEWS salutes you and the many seniors like yourself.

(With thanks to Ed Abakumoff for the printed copy of the schedules he took from computer.)

VISTA—The February 16–17 Southern Nevada-California Deaf Bowling Association 29th annual tournament under sponsorship of San Diego Deaf Bowlers Association at Vista Entertainment Center drew 20 mixed teams, 76 singles and 38 doubles. Also its prestigious Deaf Eliminations had 39 entrants and Deaf Senior Eliminations drew 21 bowlers.

The tournament starts with Singles on Saturday 16th at 9 AM and followed with doubles. The Deaf Eliminations' 4 games Qualifying Round will be in the afternoon after the double event. The foursome Team event starts at 8 AM Sunday 17th and the Deaf Eliminations' Match Play starts after end of team event.

BOB JONES' 3 SHORT 259-876 TOPS DEAF TRAVEL AT COVINA LANES

COVINA—After 3 weeks sojourn, So. Calif. Deaf Traveling League resumed with its second position round stop at Brunswick Covina Bowl. The action showed Bob Jones' 876 came 3 pins short of season high series and 2nd place Team Whittier went all out with a new season high team series 2202 and regained the ground it lost 3 weeks ago by beating the leader OC County 14-6. But OC County is still the leader 12 points ahead of Whittier.

Other changes are fourth place LA County with a 14-6 win over 3rd place Anaheim, replaces Anaheim's 3rd place and 6th place Riverside with a near sweep 17-3 over 5th place Covina, replaces Covina's 5th place. Mid City and S F Valley remain in their respective positions in spite of S F Valley's near sweep 17-3 win.

Bob Jones finally got in striking mode only in his first and 4th games to lead a honor roll of 10 bowlers. Jones sandwiched games of 259 and 247 between 188 and 182 for the day's high 876 series. Finally after 9 sessions, League's President Ed Abakumoff hit his season's first 800, 811 with games of 193-193-179-246. Average leader Leroy MacMonagle came up with 6 pins short of 800, 794 with games of 188-220-191-155.

The roll list included Whittier's trio of Randy Salazar's 741, Andy Lorenzo's (201) 735 and Robert Audette's (201-212) 726 that made its season high team series 2202. The rest were 200s by Francisco Navarro 205, Wesley Kay 205 and two women Pat Morford 205 and Celia Salcedo 201.

A special note: Anita Lorenzo bowled near quadruple games of 158-158-157-158. Also the day's high team game 602 made by Riverside trio of Dennis Vigil155, Celia Salcedo 201 and Abakumoff 246. Team Covina holds the season high team game 631.

This 53 years old all deaf scratch traveling league thanks Brunswick Covina lanes management and staff for the high scoring conditions. Next travel stop is at AMF Cerritos Lanes on February 24 at Noon.

9 YRS OLD DEAF ENRICO MILLER WILL BOWL IN ARROWHEAD DISTRICT FINAL

RIVERSIDE—An email was received from Edwin Miller with the news that his son Enrico finished his youth league season with 115 average and will participate in the March 16-17 District Finals at AMF Arrowhead Lanes. Enrico, a 9 years old student at California School for Deaf at Riverside, had bowled high games in 180s and a couple of 163s.

It will be a good experience for young Enrico to bowl in this tournament and we wish him good luck in it. Also we hope his father Edwin who averages in 210's, will wisely guide Enrico to average higher in future and enter him in junior tournaments of his peers.

For example, Mark Fisser, in his youth in Buena Park had good guidance in youth leagues and junior tournaments. That as a result, was honored as the first deaf ABC Star of Tomorrow. Also hearing impaired Lindsay Coulles, Centerville, Ohio in her teens, a star bowler on Morehead University's bowling team was as first hearing impaired WIBC Star of Tomorrow. There were other good deaf and hearing-impaired bowlers who could follow them but unfortunately did not get that good guidance in their youth.

In 2000 one young Rhode Island deaf bowler Rai Doblmeier was 11 years old with a 147 average came with his mother to Rochester, NY for the Deaf Team USA Tryouts I was conducting there at AMF Olympic Bowl. The tryouts are for men bowlers with 170 and over averages and women with 150 and over average. For that reason I had to regretfully turn down his entry. His mother understood but not Rai as he argued that he hit some 200s and averaged 170 in practice.

Frankly I felt bad turning him down because they came to the tryouts for nothing. After his mother told me Rai loved to practice ten games a day, so I made an agreement with AMF Olympic Lanes general manager to let him bowl free on a vacant lane all day.

Four years later I was surprised that the same Rai Doblmeier as 15 years old made the Deaf Team USA in the Tryouts under Ed Abakumoff's direction and participated in the Deaflympics in Australia. Not only that, on the two years I followed up Lindsay Coulles' bowling for Junior Team USA in USBC Trails at Reno, I was surprised that Rai Doblmeier also participated in it. Lindsay made the team and Rai did not. So I figured that Lindsay had good guidance and Rai probably did not.

NORWALK

— There are many steps bowlers can use walking on the approach up to the foul line- three, four, five, six. Most of the new bowlers use the four step approach as this is the one that feels most comfortable. The three step is where the ball swings out before the walk. This creates an unconventional (and off timing) walk with bowling ball on the approach. The whole concept of number of steps is walking on the approach, swing synchronize with the steps, create a pendulum swing, and delivery of the ball down the lane.

Beginning bowlers have a hard time putting all the components together in number of steps to be used walking down the approach together. For beginners- the four step is the easiest to learn. Question is where to start on the approach. The best way is go to the foul line and walk four steps in opposite direction from the foul line.

On the initial step- you will push the ball at the same time- right leg with right arm. On the second step, its important to remember use the ball as a pendulum swing, then move to a swing-and-slide approach, and ultimately a full approach.

The five-step approach is basically the same as the four-step approach. The difference is that the first step starts with the left foot and theres a slight "pause" before actually starting the four step approach. The ball is not pushed away until the start of the forward movement of the right foot, as in the four-step approach. This extra step prior to the push away is done to can be a relaxing motion.

Recap: its important to learn how to do each step before proceeding to the next part. First step - push away. Push the ball forward as the right foot steps straight ahead. The ball is over the forward foot at the end of this step. Second step- left foot walking, and the ball arm begins the swing down and back while the opposite arm extends to the side for balance. At the end of this step, the ball is on its way back - visualize this as the pendulum swing. The third step - the ball-side foot steps forward (right). At the end of the third step, the ball is at the height of the back swing. Fourth step- as the left foot slides forward, the ball descends from the back swing and is released over the foul line.

Until next time- high scoring and keep on striking!

Greg Velarde Wins ABTA Title at Mission Hills

3-6-9 will be \$2,500 & Match Series Estimated at \$600

Match Game IS NOW \$5,000 Begins Saturday

ABTA at Westminster Beat the Board Semis

MISSION HILLS — We returned to Mission Hills where we had a decent turnout of 146 entries despite the many regulars who couldn't participate due to the Chinese New Year. Belated HAPPY NEW YEAR Folks!! Cut scores were + 49 for the men and + 13 for the women, on a medium shot this week. The Super Seniors added to the board (two men and one Woman) Leo Tartamella +39, Ely Cruz +38, Jack Trongale +38, Veronica Boone -14. Super seniors are men 63 and over. For the women you just need to be a young 55. That would give us 42 bowlers making it to the semi-finals.

The High qualifiers for the tournament were Robert (LB) Banaag for the men with a +157. For the women it was Carla Sanchez with a +64. They will get a paid entry into a future regular ABTA event. Banaag, the top seed would draw for the Match Series. This time it was worth \$250. Robert would draw the score and he drew a 649. We had no bowler that bowled their score. We will estimate the Match Series at \$600 at Westminster Lanes Saturday event.

This week it was our pal Cezar Marcella that would shoot for the 3-6-9 pot. He would miss on his second shot. He got a \$50 consultation, and we will go for \$2,500 next

week at Westminster.

In our optional doubles, finishing in first was Ferdinand Alona and Ricardo Baca with a 1424 for \$100 Second were Greg Velarde and George Parker with a 1400 for \$80. There was a total of \$920 paid out in doubles and 19 paid spots with low to cash of 1331.

After our 3 game semi-finals, finishing in first was Jonathan Gonzales with a +141, second was Rey Josafat, Jr at a +118. He sat out the first round. Our top seed had the honor of drawing the Match Game worth \$3,500. Jonathan drew a 238. After a review of all the scores bowled, we had no one match that score.

We will now Implement our NEW MAX for the Match Game at \$5,000. We will have \$5,000 at Westminster with reserve of \$900. Good Luck Folks!!

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Charles Weeks, Robert Banaag, Veronica Boone, Chris Marquez, Amy Galsim, Kristine Soliman, and Jeremy Paulsen. Each got \$100. In round two, the four losers were Edmond Del Mundo, Sun Sundara, Freddy Zamora, and Carla Sanchez with each getting a check of \$105.

Now down to the final five

bowlers. The weekly horses are paying a low of \$30, Greg Velarde, to a high of \$263, Tim Austin. In one match, the fourth seed Greg Velarde versus Tim Austin the sixteenth seed. This was another of Gregs run at trying to get to the title match where he showed he was on his game this week. He would take down Tim and advance to the semi-final match with a 254/269 to 162/213. In the other match, it was Marvin Galsim, Sr the fourteenth seed versus Rey Josafat Jr. the second seed. This match was a close match that would go down to the wire. It was Marvin who would come out on top with a 168/208 to 159/206 to advance. Rey and Tim finished in fourth and fifth getting checks for \$110 each.

Our semi-final match was set and would pit Greg paying \$30 and Marvin paying \$112 if they would win their match. This was again another good match that would go down to the tenth frame before it was decided. Greg started out with a spare and that brought up Marvin who opened and then got a strike. Greg came up in the second with his own strike and then another spare. Marvin would spare and open in his two frames to cut his lead to 3 pins after four frames. Greg would open in the sixth and seventh frames and that

Velarde is ABTA Champion at Mission Hills (L—R) Ruben Gonzales, His son Jonathan (Runner up), Greg Velarde Champion \$2,700, Marvin Galsim 3rd, and Tim Austin 5th.

would put Marvin back up by 15 pins. Another open by Marvin in the eighth made this match seem like a match that neither could figure out the lanes. Greg would strike in the eighth to only trail by 5 pins. But another open in the ninth set it up for Marvin as he came up to finish out the match. Marvin would get a strike in the ninth and needing only to mark in the tenth for the victory he would leave the 6-7-10 split and give Greg a chance. Greg came up needing a double to advance and he would get all three to finish out with a 170/185 to 139/179 and advance to the title match. Marvin would take home \$200 for his third place finish. For those lucky "investors" that had Greg as a horse, he paid \$30.

The title game was set and would be our top qualifier Jonathan Gonzalez going against Greg Velarde. Greg would start out with a strike. Jonathan left a split in the first frame and spare in the second. Greg came back up with a

spare and a strike in his next two frames. Jonathan would spare and strike in his next two frames and have a 21-pin lead at this point. Greg would get another spare and strike in his next two frames. Jonathan came up in the 5th and would open again to cut the lead down to 6 pins. He got another spare in the sixth. Greg came up in the sixth and seventh with a double. Another open in the seventh by Jonathan would put him down by 18 pins. Greg would get two more strikes in the 8th and 9th frames to put the match away. Greg would finish out with a 212/227 to Jonathan's 153/201 and take his sixth ABTA title. He would take home \$1,000 for the victory and an additional \$1,700 for Cash and Carry, to give him a total of \$2,700. Jonathan would take home \$300 for his second place finish, bowling on the reduced entry.

MURTISHAW and REED Post 800's

by Frank Weiler
MURRIETA — Under normal conditions an 800 series by Jim Murtishaw or Nick Reed would not be news. Each has plenty. Last season alone Jim had three just in the 640 Scratch League at Cal Oaks.

This season is different. Until these two big scores, there was only one 800 series after twenty-two weeks of scratch bowling, RAY WINKOWSKI'S 811 last October.

So, these two eight hundred sets are special. Nick Reed's 831 (290 - 300 - 241) is the season high in Cal Oak's two scratch leagues, while Jim Murtishaw's 815 (278 - 258 - 279) is second best.

Averages are down this season in Cal Oak's scratch leagues, with no one averaging 230! Something's haywire when even PBA National Champion Jim Murtishaw is bowling at a 224 clip. That's a ten year low for the man who many believe is the best the Citrus Belt has produced.

The top average in Cal Oaks scratch leagues so far is 229, by two-hander JAMES HAWKINS and one of our top portsiders Dewaine West. Other top scorers include KEN CLAY (228), KEVIN GAGNON (226), and JEFF LEWEN and SCOTT LaRIVERE (225). The top lady scratch bowlers are PAULA VIDAD (202), DINADURAN (200), ANITA MURTISHAW (199) and NANCY ZAK (192). Great bowling guys and gals. The BOWLING NEWS salutes you for performing like champions. My thanks go to league secretaries DAVE COOK, SHERRY and SCOOT FILIPI.

BURBANK — This is that lull time where the holidays are past and the only thing to look forward too is the Presidents Day holiday. Gone is the time when school kids got both Presidents birthdays off school. Much smarter to have one day added to a weekend, right? Not so much for the school kids!

However, they do have Martin Luther King to thank for an additional holiday in January. I suppose it balances out in the long run. Now, what to do with that extra day? How about bowling a few games at Pickwick? Pack up the kids, get a lane, order a pizza and sodas and let loose like it's...oh yeah, a holiday!

HAPPY VALENTINE'S DAY TO ALL!

Bowling News is proud to bring you....

Chuck Pezzano

Dean of Bowling Writers, PBA & USBC Hall of Fame

One of the greatest feats in bowling history unfolded more than 50 years ago.

It was the TV winning streak piled up by the late Lou Campi of Dumont, NJ, a member of the ABC Hall of Fame and half a dozen other Halls. Campi rolled with the top teams, won the national doubles with Andy Varipapa, and again with Lindy Faragalli, and more than 100 assorted titles. He gained special attention as "Wrongfoot Lou" because he finished on his right foot even though he was a righty, and according to the books, that's the wrong foot.

A mason by trade, Campi was strong physically, but even stronger mentally, and early acquired the reputation as one of the best clutch bowlers in the game. That, and his pride and confidence in his ability, made him an almost perfect performer for TV. Prior to the streak he had established himself as an outstanding TV performer, winning a couple of cars, pretty fair cash for the times, and all kinds of merchandise. He made constant TV appearances across the country.

No score or record bothered him, and he never worried about how high scores might be. He often said, "If a man bowled it, a man can beat it."

The TV shows were aired live from New York City when Campi was 52. Two years later Campi made history when he won the first official tourney conducted by the PBA.

The show was called, "East Vs. West" and was scheduled for 13 weeks. The format was simple. A list of bowlers from the East and another of bowlers from the West were compiled, and when a bowler lost he would be replaced the following week by the next man on the list. The winner would return.

Campi didn't give his fellow Easterners a chance to bowl. He won all 13 scheduled matches.

In order he defeated Therm Gibson, Johnny King, Bill Lillard, Tom Hennessey, Ed Lubanski, Ned Day, Dick Weber, Don Carter, Steve Nagy, Ed Kawolics, Buzz Fazio, Dick Hoover and Joe Wilman.

That completed the 13 week run. But the producer and announcer, Lou Marks, the owner of the host center, Nick Gianos of Bowlmor Recreation, and the main sponsor, Kitchens of Sara Lee, all knew they had a big hit, and extended the show. Campi beat Buddy Bomar, and an additional week was added, the 15th, when Campi lost to Lillard, 665 to 662.

The Bowlmor Lanes were known as the most difficult around, and the best in the East struggled to average close to 200. Campi averaged 232 plus for his 45 games, and only four were under 200. He made a number of last game comebacks in the three game tests, and thrice threatened 300 games, for which a bonus prize of \$100,000 had been posted.

If the names of the bowlers seem familiar, they should. All were elected to the ABC Hall except King. Kitchens of Sara Lee, now a giant firm involved with dozens of products, featured just cheese cake and coffee cake.

Pat McDonough, then the statistical genius and bowling writer on the sports staff of the New York World Telegram, figured the odds against Campi winning 14 straight matches were 16,383 to 1.

Sadly, no film or tape of any portion of the shows were preserved, because in those days the tape was erased, and used over again. Some recordings and home movies do pop up now and then.

New Sponsor 'FINANCIAL ADVISORS' is Adding
Money to Super Pots and Sweepers

The Financial Advisors Super Sweeper Sidepot

\$10 weekly entry fee per bowler, with half of the money being paid out each week, and the other half going towards the huge payouts on sweeper night at the end of the season.
With 47 entries on Monday, the Financial Advisors sidepot is looking at \$235 in the weekly sidepot and \$9000 estimated for sweeper night. The top three series will get paid, as well as the top 16 games bowled that night. Bowlers are eligible to cash in each game.
Financial Advisors Super Sweeper Sidepot, will be adding \$1,000 to the total collected. If you win 2 Super Pots all season you'll be ahead before we even get to sweepers with the \$9000 payout. 100% of all money collected will be paid out for the season.

BOWLIUM BAGS 3rd ROUND

DOWNEY — Team BOWLIUM has secured a spot in the end of season roll-off, joining KEGEL and SYSCO.
They had hoped to increase their over-all number of wins Monday night, but dropped all five points to PRO APPROACH. Lead-off man Jeff Seesholtz couldn't make it — and no subs were allowed — so BOWLIUM came up short.

I have touted the talent of the PRO APPROACH team all season and have predicted them to win a round. Guess the ole crystal ball is getting foggy.
Next week starts round four and a new oiling pattern — not revealed to me at this time! A fresh start — a clean slate — another chance — to be humbled.

In the over-all wins column we find PRO APPROACH with 71, BOWLIUM 67, CLYDES VIDEO GAMES 63, SYSCO with 59, HERZOG INSURANCE 58 1/2, and KEGEL 56 rounding out the top six. Game ON!!!
Side-pot scores were down a tad and the \$\$\$ was up a tad. Game #1 went to Bobby Campagnale 235. Game #2 snatched up by Albert Chen 247, and Game #3 was cashed in by Jared Lawrence 242.

The Financial Advisors Pot was put in Billy Myers Jr.'s piggy bank. 255 was a winner.
Matt Schermerhorn registered the high game and high series of the night — 258/690. Charles Weeks threw a 256 just for kicks. Herbert Jones racked up 674 for air. But knowing Herbie, he wouldn't "lay down" just because his team was "in". (He told me to say that.)

PRO APPROACH had a 964 team game and 2598 series. Sounds good? HERZOG INSURANCE has Season High Series of 2950. That sounds better!

TIFCO INDUSTRIES and LINDER INSURANCE had a fun Game 3. LINDER "tramped on" TIFCO 720 to 715. But when the total pins were added up — TIFCO tallied up 2358 to LINDER'S 2342. Sweet revenge.

Another squeaker was Game 2 between ULTIMATE HDPC. BOWLERS TOUR and DIFFERENT LOOK CABINETS. U.H.B.T. had to use 2 absent scores but Kevin Peterson and Butch Jackson took on the CABINETS and whipped 'em good 707 to 705. 'ULTIMATELY' they tabbed the low series of the night 2123.

The next round takes us to the April 15 cut off date for booking averages. Always an interesting round. Let's see — "Shall I try to lower my average" OR "Shall I bowl my best and be a team player"?? Stay tuned!!
