## Belmonte Wins Barbasol PBA Players Championship for Seventh Major Title

*Australian defeats Anthony Simonsen 221-204 in championship match to end two-year winless streak*

COLUMBUS, Ohio — Three-time Professional Bowlers Association Player of the Year Jason Belmonte of Australia captured his seventh major title and ended a two-year streak without a Tour win by winning the Barbasol PBA Players Championship Sunday at Wayne Webb's Columbus Bowl.

In a championship match between two players who use the unique two-handed delivery, the top seeded Belmonte defeated Anthony Simonsen of Austin, Texas, 221-204, to notch his second Players Championship win and 13th PBA Tour title overall.

Belmonte's win broke a dry spell that started af-

ter he won his record third straight USBC Masters and his second consecutive PBA Tournament of Champions back-to-back in February of 2015. Going into the Players Championship he had a string of 16 tournaments in which he made the top five but failed to win. He finished second in five of those events.

"It's a brand new start," Belmonte said of the new season. "I was successful staying focused the whole tournament from start to finish. I've learned that if you look ahead or behind you're not staying in the moment."

In the title match, Belmonte held a commanding 37-pin lead in the fifth

frame that was too much for Simonsen to overcome.

"It feels fantastic," said the 33-year-old Belmonte, who won his first major in the 2011 Players Championship. "Two years is a long

time to wait (for a win), especially considering all the times I had made TV.

"I've always believed in myself but I'll admit there's a lot of weight off of my shoulders now after all that

time because believe me, people will remind you," he added.

The 20-year-old Simonsen, who qualified second for the finals, was trying to become the youngest player to win two PBA Tour majors. He won the 2016 USBC Masters at 19 to become the youngest to win a PBA major.

"I didn't make my best shots in that match," said Simonsen. "There were probably a couple of shots where I should have reset myself. I'll just use it as a learning experience."

In the semifinal match, Simonsen beat Connor Pickford of Plano, Texas, 204-191, to advance to the title match. Pickford, who

was trying for his first Tour singles title, teamed with Simonsen to win the 2016 Roth/Holman PBA Doubles for his first title.

In the opening stepladder match, Pickford defeated Team USA member and former Wichita State bowling star AJ Chapman, 243-154. Chapman was trying to become only the third player to win a Tour title in his first tournament as a PBA member.

In the second match, Pickford defeated Martin Larsen of Sweden 266-182 to advance to the semifinal. With four career runner-up finishes, Larsen was trying for his first Tour win.

## Illinois Bowler Sam Esposito Records 900 Series

ARLINGTON, Texas — Prior to lacing up for league Friday evening at Strike N Spare II in Lockport, Ill., Sam Esposito of Homer Glen, Ill., had two United States Bowling Congress-certified 300 games to his credit.

By the end of the night, the 26-year-old right-hander added three more perfect games to his collection on his way to becoming the 31st bowler to roll a 900 series.

Sam Esposito connected on 36 consecutive strikes during the Friday Classic league at Strike N Spare II to join Andrew Mank of Belleville, Ill., as the second bowler from Illinois to achieve the score. Mank recorded his 900 series in March 2010.

After getting through the first two games, Esposito relied on his teammates and friends to keep the pressure at bay as he continued to get closer to having a perfect evening.

"After I got the second one, I thought if I could get the first few strikes of Game 3, I would be able to shake some of the nerves and have a chance at doing it," said Esposito, who had two 800 series with a high of 822 prior to Friday's performance. "My friends and teammates were trying to keep me calm, talking about work and keeping my mind off of what was happening."

Upon arriving to the 10th frame, Esposito stuck to the process that already had got him 33 consecutive strikes to start his set and was unfazed by his sur-

## 50th Anniversary of Jack Biondolillo's Historic Televised 300 Game Approaches

NORWALK — On April 1, 1967, the PBA's post-tournament news release reported, "Jack Biondolillo socked the biggest 300 in the history of the game. His came before the American Broadcasting Company's national colored television cameras for which he collected a cool ten grand (\$10,000)..."

The first nationally-televised 300 game in PBA history — witnessed by a

television audience of 25 million viewers according to PBA's release — occurred during the Firestone PBA Tournament of Champions at Riviera Lanes in Akron, Ohio, during a first-game 300-216 win over Les Schissler. Biondolillo then defeated Mike Durbin, 188-181, before losing in the semifinal match to Don Johnson, 228-172. Jim Stefanich then won the TOC, defeating Johnson, 43-36,

in a two-frame roll-off after they tied at 227.

As the 50th anniversary of his historic feat closes in, Biondolillo, a Houston native, attended the Main Event Terrell Owens PBA Super Clash on Super Bowl Sunday in Katy, Texas, where he posed with four other PBA members who also bowled nationally-televised 300 games.

Pete McCordic bowled televised 300 #4 in Tor-

rance, Calif., on Jan. 31, 1987. Parker Bohn III bowled #13 in the USBC Masters in Reno, Nev., on May 9, 1998. Norm Duke bowled #16 in Tacoma, Wash., on Jan. 5, 2003. Jason Belmonte recorded # 21 in Las Vegas on Nov. 19, 2011.

Including Biondolillo's historic 300, there have been a total of 26 nationally-televised perfect games in PBA competition.

## 2017 XF PBA Tour Storm Cup to Provide Added Incentives for PBA Players

*Season-long points competition gets underway March 17-19 in Tamarac, Florida*

CHICAGO – The Professional Bowlers Association's third full season of Xtra Frame PBA Tour competition, featuring a series of high-profile tournaments covered exclusively on PBA's live streaming online bowling channel, Xtra Frame, will include enhanced cash incentives, including a season-long \$50,000 XF PBA Tour Storm Cup competition points bonus program.

The eight-tournament series, which will include stops in Florida, North Carolina, Arkansas, Texas, Tennessee, Virginia, Delaware and Ohio, will offer PBA Tour titles and enhanced prize funds. It gets underway March 17-19 with the PBA Xtra Frame Reality Check Classic at Sawgrass Lanes in Tamarac, Fla., a tournament that was postponed from 2016 due to Hurricane Matthew.

"The Xtra Frame Tour was created for the PBA's fans," said PBA CEO and Commissioner Tom Clark. "The Xtra Frame Tour gets the PBA into more markets all around the country, offering more fans a chance to watch the PBA in person and bowl in pro-ams. The XF Tour also means more live coverage, start-to-finish including stepladder finals, of all the events on XtraFrame.TV, for all our subscribers.

"Also, the Xtra Frame Tour is for the best players in the PBA and for regional players to test themselves against the best with PBA national titles on the line. More great bowling centers and hosts, different conditions.

"We thank Storm for recognizing the value of the Xtra Frame Tour and for initiating and funding the Storm Cup, which will make for an exciting points race throughout the series. It will mean a competition within a competition throughout the series, and ensure the best possible fields as top players chase for the rewards of the Cup."

The new XF PBA Tour Storm Cup series will offer a \$20,000 first prize to the competition points leader for the 2017 tournament series, plus additional cash prizes of \$10,000 for second place, \$8,000 for third, \$7,000 for fourth and \$5,000 for fifth place.

Points will be awarded to the top 20 players in each Xtra Frame event, with the winner earning 25 points, second place 19, third place 18, etc., with points declining by one through 20th place. The points system will insure intense competition throughout the season. In 2016, the points race wasn't decided until the final event when Tommy Jones won by five points over EJ Tackett and six points over Ryan Ciminelli.

In addition to the new Storm Cup, Storm's support will enhance the prize funds of every XF Tour event and the live coverage quality on Xtra Frame.

"Storm is proud to present the best players in the world the opportunity to compete for more prize money and the prestigious Storm Cup perpetual trophy in 2017," said Storm Vice President of Business Development Gary Hulsenberg. "We are excited to see how the new Storm Cup points race will shape up in its inaugural year and encourage all bowling fans to subscribe to PBA Xtra Frame so they can take in all the action from any device. Enjoy the show!"

All XF PBA Tour Storm Cup events will offer a minimum \$10,000 first prize, with first prizes ranging to \$20,000. In 2016, players bowled for more than \$392,000 in prize money paid out for seven Xtra Frame PBA Tour points events. Including the DHC PBA Japan Invitational and the PBA-PWBA Striking Against Breast Cancer Mixed Doubles – tournaments that return to the live Xtra Frame schedule in 2017, but are not part of the points competition – PBA events covered exclusively by Xtra Frame allowed players in 2016 to compete for nearly \$650,000 in prize money in addition to PBA's nationally-televised events.

# For Adam Lew, His First 300 Was Definitely a Merry Occasion

by Fred Eisenhammer

WINNETKA – Adam Lew is still beaming over his first 300 game.

The powerful 34-year-old right-hander nailed his perfecto in his first game of league play in December at Winnetka Bowl, finishing with a flashy 766 series (300, 256, 210).

The final shot didn’t come easily for Adam. “Like most people, my heart was beating out of my chest and my legs were fairly rubbery. I was generally weak,” he said.

Still, Adam popped a strong shot that tagged the pocket. “It was a good shot,” said Adam, who sports a 220 average. “It was a hair high, but I tripped the 4 [pin].”

It was the first time Adam had a shot at his first sanctioned 300 on his 12th and last ball. Previously, his best start was 10 strikes.

He is now proudly wearing his United States Bowling Congress-issued perfect-game ring.

Said Adam: “Some people ask me why I wear it on my wedding finger and I’ll say, ‘It’s because I got married to the game.’”

Adam bowls in three leagues a week. He said bowling a perfect game satisfied one of his goals. His next target: his first 800 series.

It appeared Adam might duplicate Scott Englehart’s effort of two-and-a-half years ago by bowling his first 300 and 800 series on the same night.

Adam needed a 244 in his final game to reach the coveted 800 level and he seemed well on his way when he drilled strikes on his first six shots. But back-to-back opens in the seventh and eighth frames derailed his 800 attempt.

Still, Adam – who has blasted a 788 – is confident it’s just a matter of time before he reaches 800.

He was asked what he would do with a USBC 800 series ring.

“It will go on my pinkie,” said Adam, tapping his little finger on his left hand. “They [the rings] will go side by side.”

# One Final Thought About That Doomed Thousand Oaks Bowling Center

by Fred Eisenhammer

THOUSAND OAKS – So trampoline enthusiasts are overjoyed. A trampoline center is coming to Janss Marketplace in Thousand Oaks, perhaps as soon as May.

Meanwhile, bowling fans who were expecting a bowling center to be built in the Ventura County retail center instead of a trampoline business are dismayed. After all, plans had originally been announced for a 20-lane bowling house to be built where Padavo Home Furnishings now resides – not a trampoline center.

Interestingly, one longtime Thousand Oaks resident has an interesting take on the retail center’s decision. This woman has a rich advertising background so she speaks as someone who knows what she’s talking about. She asked to remain anonymous. Here are her thoughts:

“Personally, I do not believe this new business will do well here. Not enough kids whose parents will pay to have them jump more than one time. Maybe a birthday party once. Movie theaters are struggling.

“A bowling alley had the best chance because leagues bring frequent visits. Thousand Oaks does not have the population of Los Angeles or Ventura to pull from, and their people will NOT come here. Never have, never will.

“Local housing costs, mortgages and upkeep are way too expensive here, chewing away entertainment-spending abilities for families with little kids. There aren’t that many teens.

“Even the [Thousand Oaks] Teen Center and Recreation Center struggles to bring people in for regular classes. Big FREE events do well. Conejo Valley Days prices went up and attendees dropped way down. That is the Conejo Valley!”

Janss has recently signed a 10-year lease with Provo, Utah-based CircusTrix to open a 37,000-square-foot trampoline center at Janss.

We’ll see if Janss and CircusTrix will be jumping for joy once the business gets under way.

As for a bowling center in the Thousand Oaks area, it appears the idea is gone . . . but not forgotten.

## A man and a woman are standing on a sandy beach, smiling and holding beach balls. The man is on the left, wearing a dark short-sleeved shirt and white shorts, holding a gold beach ball. The woman is on the right, wearing a light-colored tank top and dark shorts, holding a colorful beach ball. The background shows the ocean and a clear sky. The text "1st Place" is overlaid in the top right corner in a large, bold, black font.

For this current season, we continue to bowl separately and everything is perfect. I found myself on a Wednesday night league and unexpectedly, it had an open spot on another team. Once again, the bowling alley gods have a way of guiding Lawrence and I towards each other. Lawrence joined the following week. We can't wait until we bowl each other.

We always bowl on the anniversary day of when we met. We will continue to bowl on a league together as it is kind of our guaranteed night out.

~Deborah A. Dubose~

We are now bowling in two leagues at Saddleback and have been bowling at least twice a week our entire relationship. We were married last November and had a bowling pin as a guest book for our engagement party (supplied by one of our teammates).

1967 – PART 2

by Carol Mancini

● A fun tourney at **MERCURY BOWL** was the “Snake Bite Mixed Doubles”— which means all splits becomes strikes. Tell THAT to your auto-scorer!

● Monday night matches from **KONA LANES** were still being televised. And in 2017 we can’t get ONE! When the Pros do come to town it’s a secret.

● **HARRY GRANT** had the same portrait painter as **DORIAN GREY**. Somewhere in a closet was a picture growing older, because **HARRY** never lost his lust for life. What a guy.

● Team sponsors were disappearing. No more shirts, entry fees, trophies, sponsor fees and advertising. Main reason?? No one said a simple “THANK YOU”. Dress codes went out the window along with prestigious leagues.

● Whatever the ‘**WOODMEN OF THE WORLD**’ was, they had a tournament in Fresno. Forest Rangers???

● **RESEDA BOWL’S** Manager offered his bowlers an eight day Alaskan Adventure to go salmon fishing.

● **BUD HORN** thrilled the crowd in Fort Worth with a 300 game at the P.B.A. stop. Twas his fifth. How many more did you shoot before you retired??

● **EAGLE ROCK LANES** was advertising leagues for “Swingers”. I believe their slogan “Be A Swinger” didn’t mean what it means today.

● Another slogan I like “The Action’s at **JACKSON’S**”.

● “Relax in clean, cool, comfort at **MAR-LIN-DO**.”

● “Hot lanes at **HOLIDAY BOWL**.”

● “Beat the House” at **BOWLING SQUARE**.

● “Stab The Sticks On Route 66”.

● “Pound the Potent Pile of Pins”.

● “Bag Bags of Bucks”.

● “Rich Gets Richer”.

● **BOWL O-DROME** The House of High Scores.

● **JEFFERSON CULVER BOWL** - “Only Minutes From Everywhere”.

● The above slogans were samples of “snappy sayings” in the sixtys. No nudes, loud commercials, lying actors or fake promises.

● 200 centers were using “sheet service”. H & M Publications was nationwide. No more hanging a single league sheet on the wall for all league bowlers to read. H & M ran a \$100,000.00 Open Play Summer Singles. Don’t ask --- rules? ---- payoffs? --- Winners?

● **MERL EASH** rolled a 214 triplicate. Sorry, no award for triplicates in 1967.

● Two female bowlers from Santa Barbara were among 142 pilots competing in the 1967 Powder Puff Derby Air Race. They came in 6th after a 2493 mile trip from Atlantic City to Torrance. They were sponsored by **ORCHID BOWL** of Santa Barbara.

● **WEST VALLEY BOWL** was the latest to be remodeled. **HERB ROTH** (The Judge) was at the helm.

● Does anyone remember “Adjust-A-Sight” By Manhattan Rubber? A gadget was inserted anywhere on a ball. It helped to judge tracking, identify your ball and check ball balance. Another idea that didn’t catch on. But “somebody was using their noodle!”

● **BERT STRAIN** (Eventual DonKee Tour Owner) received a high average award for the year for her 190 — but she was second to Rosa Peck’s 192.

A full page ad from **DEL MAR LANES** depicted 3 cartoon characters: Washout Willy, Backup Bertha and Bantam Bobby. I give it “Three Smiles”..

● **FRESNO** — home of the “Prime Rib Singles” at **CEDAR LANES**, was centrally located in California. Bowlers from all over called **CEDAR LANES** their favorite tournament house for decades. How many Thanksgivings did YOU spend in Fresno?

● **GEORGE ARAKI**, San Diego, posted a 300 on the first day of the Coast Guard Festival Open. The Araki’s could beat you with a smile if not with a ball!

● **BETTY MIVELAZ** won her first PWBA in Philadelphia in August. We were so proud of her for years! What a lady.

● **IMPERIAL BOWL** re-opened August 30th after a major remodel. NEW — seating, pin finders, lane, and foul lighters. They predicted these improvements and came thru!

● Re-printed from Ladies Home Journal. “Bowling has come to be the most popular winter amusement. It is true that the exercise tends to develop but one side of the body. Don’t over-do-it, and the exercise is beneficial.

● What is a “catola”??

● **GUS NELSON**, Hollywood, bowled three 297 games in one season. Every 12th frame he left the 6-7-10 split.

● **JACKSON BOWL** held a “Bum Bowlers” tourney. Must dress like a bum to enter!

● The San Gabriel Valley had 25 centers in their association. Each center had a director which made for a big Board of Directors (plus officers).

● **ROY DUNN** defeated **BARRY ASHER** to win State Masters. He carried home a hefty trophy and \$800.00.

● The Bowling News was sent out Second Class. Second Class mail was established in 1879. (Just in case the question comes up on Jeopardy!)

● 57 series over 800 were posted in 1964-65 season. 769 rolled 300 games. Reported by A.B.C., the average age of male bowlers was 34.

● **DON ADAM’S** (Maxwell Smart Secret Agent 86) favorite saying was “Get Smart and Go Bowling”. He swore he didn’t have a phone inside his bowling ball!

● What??? Ad for Nite Desk Man Wanted. “Experience Preferred. Must have god references.” Oops. Somebody find an “O”??

● In New Orleans a “blind score” is a catola. A Joe Catola did not show up for the first two games on league night. The team, using a blind score won the first 2 games. Joe showed up and bowled a 300 in game three — but the team lost. Now they call blind scores “catolas”.

● The latest craze? Sunday morning Coffee Clubs were perking everywhere. You could bowl Pot Games all night and catch a C.C. at day break. Action 24 hours a day!

● Bowling Supply and Pro Shops? To name a few: **OTTO’S, ROBERTS, EASTWOODS, BADES, KAJIMOTO’S, EDDIE JOSEPHS, NALLICK’S, SCOTT’S, MAX ROSS, FRONTIER, FESSLER’S, MARZICH’S, JIM’S, DOUGHERTY’S, DUNIVAN’S, “300”, PENNINGTON’S, PACIFICA, BACH’S, PARRA, SAKATA’S, LOS ANGELES B and B, PHIL’S, AL’S, GEVERZ**, plus the ones that DIDN’T advertise. Who was your favorite?? Who improved your scoring ability? Who gave you blisters??

● **JOHNNY CARSON** was the spokesperson for AMF’s “Bowling Swing Stakes”.

● 2,900,000 women were sanctioned for 1967.

● **MIKE DURBIN** listed his home town as Costa Mesa, Calif. while he was on P.B.A. tour.

● Popular Managers of 1967: **ANDY MARZICH, ART GODDARD, DICK STOEFFLER, HERB ROTH, FOY BELCHER, HARRY GRANT, BERNIE KNOTT, PAUL HERMAN, NICK MANCINI, DICK MARQUIS, BILLY MYERS SR., JIM BLUE, DON CECIL, GEORGE FINE, KEN DEL CONTE, DICK MCGREW, RED MORSE, LOU DELANEY**, (Am I triggering your memory switch?) **JIMMY PAYNE, RON SAPUTO, JULIE KANNER, JACK PENTRACK, JERRY LASH, VINCE REHERS, DICK SNOW, JACK CALIG, and HANK MARINO**. Did you notice the absence of women managers? I didn’t list where the men were managing — because they rotated from bowl to bowl until they wore out or found other occupations. Few lasted more than 3 years in any one bowl.

● Another fun trek thru the pages of the 1967 issues. Thanks to all of you who have enjoyed the safari and sent me a response.

1968 was Great! Just wait and see!

BURBANK — Hey, Pickwick Bowlers! Where are your City Tournament entries? Yeah, I'm talking to you...all of you. Put a team together already! You don't have to bowl all the events, just bowl team. You only need four on a team (most of you do that every league night) and all of you are on sanctioned leagues, have paid your dues and *should* be bowling the local annual tournament.

The team event is only \$30 per bowler! Ladies! Be bold and enter the women's division! We need more female teams in order to keep our division intact! Come out and represent our center. I'll be there, not only bowling but working the event. Get the lead out people!

## 900 Series

roundings.

“I knew I had a chance to do something that very few people get the opportunity to do, and my mind kind of went blank,” Esposito said. “I just wanted to do the same thing that had worked all night, not change a thing and let my body take over.

“All 38 lanes had stopped, and you could’ve heard a pin drop. There was absolute silence, and everybody was watching.”

Despite the final shot getting right of target, the result for Esposito was the same as he entered the record books.

Esposito was greeted at the foul line after the final shot by friends and teammates, and he’s appreciative of the bowling community for getting to share in the experience.

“I was worried about the final shot,” Esposito said. “I got it right from where I was all night but luckily it came back and struck. I took a big, deep breath afterwards and said thank you. I got tackled by everybody, but that was amazing. It honestly still hasn’t hit me that I shot three perfect games in a row. I’m still in shock, but to have everybody cheering for me and congratulating me was amazing. It shows what a great bowling community we have, and it was special to be able to share that with everybody.”

Esposito’s achievement is pending approval from USBC and would be the 32nd USBC-approved 900.

The first USBC-approved 900 occurred Feb. 2, 1997 when Jeremy Sonnenfeld rolled three consecutive perfect games in Lincoln, Nebraska.

## Teams Take On The 2016 Nationals Pattern In Round 4

by David Yamauchi

DOWNEY — The Brunswick Invitational was back on the lanes to start the fourth round. The 2016 Nationals Team Event pattern was on the lanes with the tight 1.6:1 ratio keeping scoring in check as the league averaged just shy of 180. Teams were matched by overall wins for the first week action.

Overall league leader and third-round winner **Keystone Lanes** took on first-round champs **Parkin's Bowling Supply** in the "A" match. Keystone won the first game easily, dropped game 2, but came back huge with a 896 game to take totals. Eddie VanDaniker lit them up for a nice 696 set to lead the league while Buddy Lucas led Parkin's at 608.

**Linder's Insurance** and **DV8** were 3-4 in total wins though both teams are still looking to bag a round win. Linder's came out with a strong first-game win but DV8 came back to form to take the next two and totals. Brandon Grant led Linder's with a 532 set while Kevin Valmonte led the pair with just a 540 series.

Second-round winners **Western Pacific** matched up with 6th overall **Forest Lanes**. Western Pacific started out strong taking tow close games but Forest Lanes came back to take game three by 43 and totals by 4 for a 3-2 win. Chris Hefner was solid for Western Pacific with a 626 set while Jon Diso's 601 series paced Forest.

**Smirnoff** and **Cal Bowl** matched up their 58 win records in the 7 vs. 8 matchup. Harry Wong's 661 set for Smirnoff was only good enough for one win as Cal Bowl stayed consistent to take four points. Carl Labayan led Cal Bowl with a 588 set.

**Herzog Insurance** and **Bowlm** battled in the 9th vs. 10th matchup. Herzog took game one, three and totals for a 4-1 win. Sub Nacho Vega led the pair at 618 while Ramiro Garcia was high for Bowlm at 611.

**Sysco** met up with **J.A.T.** who was trying to bounce back from their tough 1-win loss of the round the week before. Sysco won the first game by triple-digits and though J.A.T. came back to take the next two their first game cushion was enough for totals and a 3-2 win. Steve Brode had a great look for Sysco with a 617 set while Anthony Santos once again paced J.A.T. with a 588 series.

**Erickson's Food Supply** met up with **Los Altos Trophy** in the 7th match. Erickson's snuck out the first game by 23 then rolled to a 5-0 sweep. Mikey Villarreal paced Erickson's with a solid 632 set while Daryl McCloud was high for Los Altos at 565.

**Threadworks** was trying to build on their 4 wins last week against **Century 21** who was trying to rebound after a ½ point outing. Century 21 got back in the win column with a 5-0 sweep of Threadworks. Threadworks was led by sub Clint Meche's 514 set while Joe Jimenez paced Century 21 with a 545 series.

**Professional Approach, G.J.C. Janitorial, Crown Royal** and **Gym W.R.A.T.T. Fitness** rounded out the matches. Pro Approach swept the Janitorial crew 5-0 led by Juan Zavala's 633 series and Crown Royal took a 4-1 win over the Gym gang led by Dave Schiada's 563. Greg Goldstein was high for G.J.C. at 517 and sub Nathan Phongprasort led Gym with a 477 set.

Sidepots went to Mike Mellick (225) and Eddie VanDaniker (266) for \$60 each while the second game Super Pot went to Harry Wong (256) for \$180. Financial Advisor's third game pot went to Eddie VanDaniker (266) for \$200 and second to Buddy Lucas (247) for \$100. Strikeout pot was carried over again and now sits just over \$3,700. Come out Monday night at 8:30 and watch the best scratch league in the area take the lanes at Del Rio as the bowlers battle the flat USBC 2016 Nationals Team pattern.
