Mika Koivuniemi's Missed 10 Pin Hands Norm Duke Lumber Liquidators U.S. Open Title

Stunning final frame gives PBA Hall of Famer his 34th career major, \$80,000 top prize

NORTH BRUNSWICK, N.J. (Feb. 27, 2011) – Norm Duke of Clermont, Fla., won his 34th Professional Bowlers Tour title and seventh career major in the 68th Lumber Liquidators U.S. Open at Brunswick Zone-Carolier Sunday with a stunning 225-216 victory over Mika Koivuniemi of Hartland, Mich., when Koivuniemi missed a 10 pin spare in the 10th frame.

Duke, the tournament's top qualifier, closed his game with four consecutive strikes, to force Koivuniemi to mark in the 10th, but the Finnish native, one of the best spare-shooters in professional bowling, uncharacteristically missed the single-pin spare attempt.

With his victory, Duke earned \$80,000 and moved into a tie for fourth place on the Lumber Liquidators PBA Tour's list of all-time title-winners with fellow PBA Hall of Famer Mark Roth.

"You'd like to say to yourself I just won the U.S. Open, and maybe I'll grow into that, but right this minute, I feel like Mika lost the U.S. Open," Duke said. "But I'm sitting here, holding the trophy. I had conceded the match. I knew the last four strikes were important, because you never know what'll happen. But missing the 10 pin is like having your ace pitcher on the mound and he throws four straight balls, and you lose."

Duke knew exactly how Koivuniemi felt on his spare attempt because in 2008, when Duke won his first U.S. Open title to complete the PBA Triple Crown and Grand Slam, he had to convert the 2-4-5-8 "bucket" in the 10th frame to win.

"I couldn't feel my legs on the approach on that shot," Duke said. "That's what happens under pressure. That's why guys miss three-foot putts. And it's fatigue. I'm exhausted. If I had to make a 10 pin to win, it would be suspect at best."

"It's not like I didn't deserve to win," Duke added. "I was the top qualifier. I did throw four strikes in a row,

after leaving a solid 8 pin in the eighth frame. I did what I needed to do"

Koivuniemi, the No. 3 qualifier for the U.S. Open stepladder finals, eliminated Ryan Shafer of Horseheads, N.Y., 236-222, in Sunday's first match. The key shot in that match was a pocket 7-10 split by Shafer in the eighth frame, following a double that ended his hopes for his first major title in a record 12 appearances in major championship television finals.

Koivuniemi, the only player in PBA history to reach the television finals in all four PBA major championships in a single year, eliminated Tommy Jones of Simpsonville, S.C., in the semifinal match, 241-158. Jones left splits and failed to convert in the fourth, sixth and eighth frames.

"Duke is one of the greatest players ever. I knew it was going to be a tough match," Koivuniemi said. "I took the biggest shot of my life in the 10th frame and left the 10 pin, but unfortunately I didn't make my spare. It was my nerves, I

U.S. Open Champion Norm Duke

guess. I was thinking about the wrong things. This is the first time in my life I've lost a title like that."

"I sat there stunned, shocked," Duke said. "I can't remember ever winning a PBA title sitting on the bench. I knew I had just won the U.S.

Open, but at that moment, my only thought was Mika had lost. I was just like a fan watching in the living room. How could you not feel badly for him?

"Mika will be fine, he'll bounce back. He's going to be

BOB JONES WINS 2ND SN-CDBA ELIMINATION TITLE AT TREVI ZONE LANES

LAKE ELSINORE—It took tenacity and lot of coming from behind by striking out with like 9, 8, 6 and 5 strikes in rows in match games for Bob Jones to win his 2nd SN-CDBA Deaf Eliminations title last Feb. 19-20 weekend. Previously the Simi Valley lefthander had won his first in 2006 at Las Vegas and he also was the runner-up in 2004 at Las Vegas.

Southern Nevada-California Deaf Bowling Association held its prestigious 27th annual Deaf Eliminations as part of its regular team, doubles and singles tournament at Trevi Zones Lanes in Lake Elsinore. The event, which drew 37 male and 11 brave female entrants, started with 4 games qualifying round on Saturday afternoon. Smooth stroking Jones led all bowlers with scratch games of 215, 243, 278 and 216 for 952. But he was beaten by 5 pins for the high handicap qualifier honors by John Buhay, San Diego who rolled 221-247-258-292 for 915 plus 144 hdcp for 1059 to Jones’ 952 with 102 hdcp 1054.

The eventual runner-up James McDonald, Las Vegas with 296 handicap for his 144 entering average rolled 190-214-171-142/ 717 for 1013 total to place 3rd. Valarie Henderson a 139 average right-hander who came down from Castro Valley placed 4th for the match plays with 1007 from 155-215-141-195 for 703 plus 304 handicap. The top tied 31/32 cut-off score for 1st round 3 games match play was 849 tied by 1987 champion Gorman Low, Huntington Beach and Kathy Seymour, Whittier, winner of PCDWBA Senior Queens and DSBA Senior Queens trying to make her 3rd title in a year.

On Sunday afternoon after completion of the first round 3 games matches, BIG brawny McDon-ald grabbed lead with 1851 total from his way over his average scratch 556 series (sorry, no games scores) plus 192 handicap 748 total winning all his 3 matches for extra 90 bonus pins. Former 2005 champion Francisco Navarro, Fontana who qualified 5th with 995 total, also won his 3 matches scored 1809 total to move 2nd. Navarro had scratch 640 plus 84 handicap 724 plus 90 bonus.

Losing one of his matches, Jones fell to third with scratch 606 plus 75 handicap 683 plus 60 bonus 1797 total. A 1993 runner-up looking for his first title Mark Fisser, Aliso Viejo who qualified 8th with 917, shot this round’s high scratch 689 plus low 33 handicap for 722 plus 75 bonus 1714 total to jump to 4th. Also losing one of her matches Henderson fell to 5th with 1705 total.

Qualifying leader Buhay bowled poorly with 444 series, winning only one match for 1641 total pins with bonus dropping him down to 10th. The field was cut in half to top 16 bowlers for another round of 3 games match play with 2008 champion Rudy A. Martinez, Phoenix in 16th with 1596 total.

At end of this round of 3 games matches, Big lefty McDonald took the top seed for the championship finals. Although losing one of his matches, Big Mac again rolled way over his average 576 set plus 192 handicap 748 plus 60 bonus 828 for a new record 2679 total. The old 10 games record was 2633 in 2007 by Carl Malucci.

Albeit losing two matches, Jones scored well with a 643 set plus handicap and bonus for 2nd seed 2545 total. Navarro also lost two but finished with 2478 total for 3rd seeded position. The lady Henderson also lost two but totaled 2440 to move up to 4th seed. Fisser lost two too but his round’s high 656 helped him to 2433 total good for 5th seed. Philip Smith Jr. of Castro Valley took sixth and last seed for the championship match plays with 2403 total. Qualified 7th with 919, Smith Jr. dropped to 8th with 1646 in 1st round and sot 577 with winning two matches helped move him up to 6th.

The quarterfinals for the championship had #6 Smith, Jr. against #3 Navarro and #5 Fisser against #4 Henderson. Smith, Jr. had 3 splits and two opens for 124 while Navarro won with one split in his 181, final scores with handicap Navarro 209 Smith, Jr. 164. Fisser was hurt with two wide splits and his 7 strikes in between could not catch up with Henderson with her 65 handicap advantage. She tried to stay clean with 7 spares, a strike and two splits too and won with her final score 234 to Fisser’s 216.

The semi finals had winner Navarro against #1 McDonald and winner Henderson against #2 Jones. Big Mac with 36 handicap advantage jumped with 3 strikes and a miss while Navarro was hurt with two opens, a spare and tried to catch up with a 4 baggers. But Big Mac kept ahead with spare, strike, spare, strike, open, spare and strike for 183 while the best Navarro could finish was with 3 spares for 183. Big Mac won with 247 - Navarro 211.

Like Fisser-Henderson match, Jones-Henderson was a classic with Jones giving Henderson 51 pins advantage and being able to come from behind. After double and a split and miss, Jones ran 5 strikes in row but Henderson was not fazed, she doubled and 9 in tenth, forcing Jones to mark in his tenth. Calmly Jones struck out to win 265 to 245.

So the winners McDonald and Jones met in the championship finals with Jones giving McDon-ald 39 pins advantage. Big Mac went ahead with spare, strike, spare and Jones fell behind with spare, miss, a 4 baggers but missed again in 7th. Big Mac went ahead but misses in 5th and 8th hurt him. Jones struck out 5 in row for 224 to shut Big Mac out. McDonald finished with 155 and Jones won with 249 - McDonald 219.

Jones will get \$600 for his 2nd title and McDonald \$300 for his runner-up finish. Henderson and Navarro each gets \$230, Fisser \$200 for 5th and Smith, Jr. \$180 for 6th. At 1-5 prize ratio the prize money goes to 10 places.

This writer thanks SN-CDBA Secretary-Treasurer Stan Booth for all the result sheets, which helped, in creating the two SN-CDBA articles.

ABAKUMOFF’S 758 TOPS DEAF TRAVEL POOR DAY AT AMF CERRITOS

CERRITOS—So. Calif. Deaf Traveling League had a poor day at AMF Cerritos Lanes with Ed Abakumoff leading a small 4 honor roll list of 4 bowlers when he closed with a 225 for 758. Pablo Yoma also ended with a 227 for his 738 and Bob Jones who hit 278/758 in his Wednesday league and another 700 in his Thursday league at Canoga Park, started poorly but finished with a pair of 204s for 708. Gorman Low had a 703.

Jones’ S.F. Valley beat Mid City 14-6 to extend its league lead to 8 games over Low’s L A City which tied Yoma’s Lake Elsinore 10-10. Chino beat Abakumoff’s Riverside 13-7 with Abakumoff not getting help from teammates with his 4 of the team’s 7 points.

The league thanks AMF Cerritos management for taking in the league on short notice. The league bowls again on March 6 at AMF Bowling Square in Arcadia at 1 PM.

CHUCK DAWSON and Son Added to Citrus Belt List

by Frank Weiler

RIVERSIDE — The list of Citrus Belt Fathers and Sons who have bowled perfect games continues to grow. I was contacted last Monday & advised that Chuck Dawson and his son TY bowled 300s in 1980 at Town Square Lanes.

Both Dawson's rolled their perfectos in the same league, but not on the same team. As far as I know, the 1980 date made them the first father and son combo to bowl 300s in Citrus Belt history.

Since 1980, TY DAWSON has done big things in the bowling universe. He led the Citrus Belt in high average in the 1980's. Then came the PBA, several regional titles, and many other tourney titles.

I saw Ty Dawson bowl in the USBC Masters, in Reno, a few years ago. He is very smooth, silky smooth. He is a bowler in the mold of DAVID OZIO: accurate, stylish, and smart.

The Dawson family wants to thank the BOWLING NEWS for recognizing their bowling achievements and I want to thank MARY DIAZ for reading every week.

Jason Jones 2nd ABTA Victory at Westminster Durham Hits Match Game of \$3,500

Match Game estimate of \$2,500 • Match Series estimate of \$900 next week

ABTA Returns to Bowling Square This Weekend 3-6-9 is \$1,500 at Bowling Square

WESTMINSTER—In our return to Westminster, we had a decent turnout of 180 entries this week. Cut scores were a +69 for the men and +57 for the women. The Super Seniors added to the board (2 men and 1 woman) were Vic Garcia (+67), Howard Smith (+64) and Janine Ditch (+26) for the women. That would give us 46 bowlers making it to the semi-finals this week.

For all qualifying squads our top qualifier for the Men was Chris Kelly with a +177, and for the women it was Jessica Diso with a +119. Each will get a paid entry into a future regular ABTA event. Each week our top seed overall draws the Match Series, and this week it was worth \$582. The top seed drew a 584 and we had no bowler match that score, so it would be carried over to next week.

This coming week at Bowling Square we will estimate the Match Series at \$890. For the 3-6-9 qualifying this week, we had Som Seng outlasting the field of qualifiers. He missed on the 4th shot and received a \$50 consolation. We will add another \$100 at Bowling Square giving us a total of \$1,500.

In the optional doubles finishing in 1st was Dom La Guardia and Danny Eguilos with a 1492 for \$190. In second place, was Dom La Guardia and Jeff Taino with 1466 for \$170. We had a total of \$1,780 paid out in doubles with low to cash of 1371.

In the semis this week we saw Richard Samson bowl a big second and third game to capture the lead with a +146 to

sit out and bowl for the title. In second place we saw Jason Jones finish with a +111 to sit out the first round and come in during the 2nd round. It took a +43 for the men and women to make the top 16.

This week, our top seed in semi-finals had the honor of drawing the match game worth \$3,500. We already have started a back up pot and it is at \$900. Richard drew a 235. After a review of all the scores bowled, Stephen Durham was the only bowler that Matched that score and he happily took home \$3,500. He is well-deserving! We will estimate the pot to be \$2,500 at Bowling Square. This week we had four new bowlers join us. Let us welcome these new bowlers to the club, Richard Beajkovic, James Iriye, Rhiannon White, and Chris Kataoka.

This would bring us to our Match Play finals. In the first round the seven losers were Bryan Moore, John Armenia, J. J. Soon, Joshua Navarro, Julie Nguyen, Kelly Wynn, and Ngheim Tran. They would receive checks of \$100 each. In the second round, the losers were Greg Reed, David Godinez, Faye Josafat, and Danny Eguilos. Each would get checks of \$105. This would get us down to the final four bowlers. At this point, our horses would be paying anywhere from a low of \$25 (Jason Jones) to a high of \$152 (Andrew Toro) depending on who would win. In this round we saw Jessica Diso (10th seed) bowling Joenito Soon (15th seed). In this match, Joenito got hot, and would get the better of Jessica with a 261 to 229

finish. In the other match we saw Jason Jones (2nd seed) bowling Andrew Toro (13th seed). In this match, Jason would get the better of Andrew with a 224 to 200 finish. Jessica and Andrew finished in 4th and 5th getting checks for \$110 each. Our semi-final match was set to be bowled on 35 and 36. We had our 2nd and 15th seeds into the top 16 bowling each other. In our horses this week we would see Jason paying \$25 and Joenito paying \$126 if they win their match. In this match, both men would start out strong, with Jason being the first to open in the 4th frame and that would give Joenito a lead of 18 pins at that time. But Joenito would open the door by having back to back splits in the 6th and 7th frames, while Jason would have a turkey during the same period and put Jason in front by 26 pins. That would be enough as he would finish with a 211/254 to 191/231 and send him onto the title match. That would give Jason the victory and for those lucky “investors” that had Jason as a horse, he paid \$25. Joenito finished 3rd, his best to date, and received \$200.

The title game was set and bowled on lanes 37 and 38 this week. Richard being the top seed elected to have Jason begin the match first. Both bowlers would start out with opens, and this would not be the only ones. This would be a match to see who could get the better count, as each bowler would get only 6 marks. It would prove to be Jason that could get the better counts as he would finish with a 152/195

LAKEWOOD — We have some interesting news to share with our bowlers here at Cal Bowl. Steve Clark, subbing in the **Gobs & Gals League** was a “wizard” on the lanes a couple of weeks ago. If the bowlers do something special to share, let us know about it so we can put in print.

LONG BEACH CITY EMPLOYEES LEAGUE

Anderson strikes the gavel many times on President’s Day with a second high league series of 763! Approved by Matt Mosley. On Monday 2/21/11, 63 yr. old Steve Anderson, who bowls once a week and carries a 201 average, started out with an “oh so close” 278 game with 10 strikes, then the 2nd game he missed a ten pin in the 1st frame, his only open for the night, then strung 7 strikes, then had two spares and ended up with a 246. He finished the 3rd game with a spare, strike, spare, strike, spare and then six strikes in a row for a 239 game and 763 series, which was his 2nd highest sanctioned series in his bowling life. Needless to say, his team Reno’s Five, won all 4 games that night.

He was rolling an Ebonite Total NV, a 4 yr. old ball, that Frank Bellinder had drilled for him out of his former Pro Shop inside Saddleback Lanes, Mission Viejo. He wishes his new son-in-law, Drew Parkin and his daughter, Missy, well in taking over his pro shop business there.

He owes his interest in bowling to his dad, Norm, also known as the “Silver Fox”, who first taught him to bowl, who is now 91 yrs. old and still bowls with him in league. He has fun bowling with other family members in the league such as his brother, Gary & his wife Kathy, his niece Jaclyn, his 2nd cousin Tim and his nephew Rick. His other nephew, Rob, had to drop out of bowling since his wife had twin baby boys on 2/3/11. His oldest son Brian wasn’t able to bowl this year due to buying and fixing up a home in Long Beach. Steve would like to dedicate his good scoring to his fellow bowling enthusiast, Mike Toledo, who lost his job last year due to budget cuts and also to Rick Medina, who lost his wife to cancer last year.

LAKE FOREST—If the bowlers in the **FRIDAY VEGAS LEAGUE** get as lucky in Las Vegas as they are at Forest Lanes, Vegas may have to close up. Well, a little laugh never hurt anyone.

Ray Rubio laughed all night this week when he shot a 277 game and a whopping 759 Series. Then Robert Villa did a lot of snickering himself, when he shot a 259 game and a terrific 721 series. Then along came Rick Lange close to the 700 mark with 692 and Jim Barnes, 258/ 658 series. Other bowlers “feeling lucky” were Edward Dante with a respectable 648, and Jim Smith rolled the dice for a 246 game. Two of the ladies who showed off a bit, were Anita Kleiman with 535 and Sheri Glass shot 503. Weekly high games in the **LOS AMIGOS** were 226 shot by Per Montensen, 225 by Larry Johnson and for the gals it was Helen Whelan with a 206. High weekly series was Tom Imler for the guys with 609 and for the gals it was Carol Cooley with 500. Congratulations to Dan Moreno for a big 268 game for a 716 series in the SVUSD 2011 LEAGUE, Howard Stephens 269 game and a 643 series followed by Stephen Robitaille with a nice 625 series.

Our **DUTCH WELLS SENIOR SCRATCH LEAGUE**, Saw Don Capobianco scoring a nice 623 series, followed by Chuck Conrad’s 604. The only lady over 500 this week was Eloise Boortz with 507. In the **SUNDAY PRACTICE** teen ager, Tylar Patchen shot a nice 224 game and Matt Martinez shot the league high series with a 246 game and 615 series.

THE BUSINESS NETWORK LEAGUE ENDED THIS WEEK AND WILL START AGAIN NEXT TUESDAY.

Congratulations to MV TRANSPORTATION for taking first place, team members are Chris Tiboni, Carol Mieszer-ski, Fred Fouts and Sam Cummings. Fred Fouts is the newest member of the team and was quite an asset when he shot a 279 game and a 736 scratch series. Second Place, YOUR NETWORKING GROUP, ended up only one game out of first, and BEST COM COMMUNICATIONS was only one game behind them. Two members “shot season highs” with Gary Armstrong’s 280 game and 758 series along with Chuck Le Vasseur’s 251 and 704.

For the ladies Erin Aaberg scored ladies high scratch series by shooting 592 and Kathryn Martin held second high scratch game of 189 with team mate Luran McClure shooting 188. Other great sponsors are SERVPRO, LIT-TLE EXPRESSIONS AND CLAMPITTS CARPENTARY This is a great league if you are in business; want more advertising and a net work that works for you.

Sysco Back on Top

DOWNEY—Sysco started in a familiar way, sweeping fellow round winner Zavala’s Taquerias. Vernon Adams 248-225/646, Charlie Kinstler 266-201/646 and Harry Wong 205-225/621 led the way for Sysco as Zavala’s missed their regular man, and could not bowl without him.

Katie Jakes made a huge comeback against Bowlers Depot but fell a stick short of making it a 4-1 night, tying totals. Jon Brandon 202-226-247/675, Kevin Yamauchi 222-230-211/663 and Linnette Ling 212/602 led Katie Jakes while Raul Rosales 278-234/697, Steve Gurrieri 224-249-209/682 and Jeff Carr 237-226/662 tried to win for the Depot.

Storm Products took four from Brylaw Accounting using Paul Varela 226-264/654, Leonard Ruiz 23-220-227/650 and Chris Porter 225-223/601. Charles Zelaya 225-220/633 led Brylaw to a second game victory.

Clyde’s Video Games swept Bowlm thanks to Greg Jackson 269-259-213/741, Dave Bartlett 266-201/656 and Ramiro Garcia 204-213-221/638. Mark Fisser 228-215-205/648 and Arnold Cheesman 201-227/627 led Bowlm, but not to any wins.

Threadworks took four from Linder Insurance because of some great bowling by Eric Snow 277-248-204/729, Ryan Okamoto 244-267/679, Jon Reyes 212-218/605 and Gary Wright 231/600. Keith Klagge 226-243/664 and Shane Soper 244/623 helped win the third game and avoid the broom.

Junior Amateur Tour is thankful to have had Jared Lawrence 234-223-247/704 and Larry Campbell 235-212-214/661 lead the way to four wins, one pin away from a sweep, over Herzog Insurance’s Danielle Schilling, who led her team yet again, 220-231/650.

Pro Approach got four from ABTA after a great set by Sherman Joseph, 235-258-208/701. Armando Zavala 204-202-222/628 was the only one over six for ABTA.

Tifco won four from Key Container. Super sub Jeff Seesholtz 219-236-234/688 and Devron Lindsey 247-209/645 led Tifco as Key Container had another tough night.

Take care and see you all soon.

DOWNEY — High scoring Del Rio Lanes produced another season high game, for 156 and over average bowlers, Monday when Dee Phipps fired 244 in a 606 series. Margo McClain broke the previous 234 high game the week before with Myrt Owns but now she tied again with Dee. With Position Round, and the final week before sweeps, all individual games, series and team high game and series, are still up for grabs.

Fountain Bowl # 2 has 52 wins going into Position week and runner-up team and Cal Bowl #1 at 49 wins, must win all three to force a tie an immediate roll-off. Unless Betty finds an error in doing the sheets this week, the following will be paired: Bowling News and Keystone #2; Keystone #1 and Cerritos; Cal #2 and Fountain Bowl #2; Linbrook and Del Rio; Valley View #11 and Valley View #1.

Dee Phipps topped the weekly honor roll with 244-606, followed by Hedy Schoner 217-593, Bernice Bennett 223-587, Kathy Parrish 206-556, Terry Jackson 543, Vi Wilson 533 and Vi included the necessary strike (after a dozen names were called) to win the \$100 and over strike pot.

Also, Roberta McNaught had 524, Aresia McGee 224-523, Tracy Koolmees 223, Marilyn Robinson 521, Nancy Soto 516, Cil Moons 514, Jerry Whitehurst 512, Barbara Robarge 507, Linda Kinney 505 and Karen Mauricio 503.

NEXT WEEK: Monday 10 a.m. March 7 at Fountain Bowl.

Chris & Brittany Hillman – brother-sister duo bowl 300 – same game.

Just Rush In and Bowl and Set a State Record at Cloverleaf Bowl

by Mary Lynly, California Bowling Writers

FREEMONT—Brittany Hillman didn’t plan to bowl this night – she plays softball for top ranked Ohlone College and had just finished practice. BUT – the urge to bowl took over and the 19-year old rushed to the bowl in her uniform including black smears under her eyes. Her 22-year old brother Chris bowls on the same team as well as their brother Brandon and cousin Mandy.

It was the last game and both Chris and Brittany began to strike at will. After five strikes Brittany said, “I really began to get nervous and I wanted to avoid eye contact with anyone so I started to sing – the song – “Go Girl.”

Strikes continued for both and Chris said, “It was just one of those nights when everything was going great, I was loose and the pins continued to fall.” He was not unaware of the fact that he was pacing Brittany strike for strike and he said he was thinking more about her than himself. Brittany said she just kept moving around and tried to keep her head in the game. She also kept singing “Go Girl.”

Brittany etched her name in the record books first and the league went ballistic congratulating her on her first ever 300. Chris was thrilled for her and now, he needed to strike out to match the fete. He said, “I thought wow, I had better strike out or I’ll never hear the end of it!” This would be his 17th perfect game. The first ball didn’t come off of his hand too well but he struck and two more followed. The league erupted again congratulating the two. Brother Brandon and cousin Mandy were no slouches either, rolling 268 and 233 respectively giving the team an 1101 game.

The thing they were not aware of was Chris and Brittany Hillman having tied a National Record of a brother and sister shooting 300 on the same team in the same game. Darren and Nicole Downey, Springfield, Ill., were the first ones to accomplish the fete on March 18, 2005. The high game nationally for a two women – two men foursome is 1110 and Chris and Brittany’s team is second with 1101.

Both of these accomplishments are records for the state of California.

Women’s Bowling Exhibit Scheduled to Open June 2011

ARLINGTON—Plans are underway for 50 years of Women’s Pro Bowling Exhibit scheduled to open in June 2011 during Bowl Expo.

This exhibit is long overdue. Women professional bowlers have played a major role in promoting the game and richly deserve an exhibit that features their accomplishments.

The 50 years of Women’s Pro Bowling Exhibit will display rare photographs and artifacts from the greatest bowlers of all time, including moments that made a difference and the impact on television.

It will remember the pioneers that made all that followed possible and will celebrate the tremendous contributions of the key people who created the organized tours.

The exhibit will honor the female legends by showcasing the top bowlers from each decade including Hall of Fame members, Bowlers of the Year, Bowlers of the Decade, and significant record holders.

The individuals most responsible for over-seeing this great project are Chairman of the committee, Jim Goodwin, Fran De-ken, John Sommer and none other than Joan Romeo, who, in my opinion is the most successful, most energetic, and certainly the most UNDERPAID promoter of events in all of bowling. Romeo leaves no stones unturned in her relentless effort to further the growth of bowling, both in America, as well as other foreign countries. Nonetheless, the aforementioned work closely with Pat Cinello, Chairman of the Executive Board, Keith Hamilton Vice Chair, and Kelli Briscoe, the new curator of the museum. All are involved to some degree and all provide input.

Joan Romeo spearheaded the fundraising and promotion. She is never shy in her presentations to any casino, bowling manufacturer, major corporation, or any bowling related business. More often than not, she succeeds in selling her product.

Romeo is no neophyte in public relations or promotional undertakings. From 1985 to 1987, she was Director of Client Services for Pearlman Wohl Inc in Century City, a suburb of Los Angeles. Pearlman Wohl’s clients included Air New Zealand , Lamps Plus, and Buick Motor Division.

From 1988 to 1995, Joan became Vice President of The Pearlman Group, Incorporated, a company that represented Chevrolet Motor Division, Permanent Charities Committee of the Entertainment Industry, Sterling Vineyards, and Ticketmaster.

In 1995,she started her own company, concentrating principally in bowling related projects. Her clients include Master Industries, Twelve Strike, CWBA, Corbin Bowl, USA Bowling, and FIQ. She is currently President of the California Bowling Writers, is a member of the Bowling Writers Association of America Board of Directors, a member of BPAA International Committee, and, as previously stated, a member of the International Bowling Museum and Hall of Fame committee for the new exhibit, 50 Years of Women’s Pro Bowling.

Perhaps there is added incentive to Joan Romeo’s passion for the aforementioned exhibit. She is the mother of Robin Romeo, one of the greatest female bowlers in the history of the game. Robin is an absolute cinch for a spot in the exhibit. Robin’s record includes17 National Professional titles, (including two majors) four WIBC titles, (two All-Events, one doubles, one team) seven California State titles, two New York State titles and one USBC All-Events. Additionally, Robin is in seven bowling Halls of Fame, including the USBC Hall of Fame. Robin’s resume’ hardly requires her mother’s influence.

Donations to the exhibit are certainly in order. For further information regarding 50 Years of Women’s Professional Bowling, contact : International Museum and Hall of Fame web site or 50 Years of Women’s Professional Bowling face-book page.

Date Change For Summer TAT & High Roller

LAS VEGAS—FOR YOUR BOWLING CALENDAR - Please note the slight date changes for both the summer TAT and High Roller. Make your plans now as we are anticipating higher flying expenses over the next 6 months. Both Orleans and Sam’s Town are cooperating to the fullest by offering bowlers the best possible hotel room rates. Call Orleans at 1-800-675-3267 and call Sam’s Town at 1-877-593-5993.

The Finals of each event are on separate days so you can bowl both! Each tournament will provide entry fee packages that bowlers can take advantage of for multi-squads plus take home high performance bowling equipment.

30th annual July High Roller - Wednesday, June 29th through Monday, July 4th

11th annual TAT- Tuesday, June 28th through Sunday, July 3rd

Also - the Senior Easter Classic brochures were mailed out later than anticipated so the early entry date for extra Tune-Up squads and lower prices has been extended to postmarked March 15th.

So come out for the 4th of July Fireworks and participate in 2 great events, the TAT and High Roller.

A Visit With Old Friends Is Always Fun

by Carol Mancini

NORWALK — Last Sunday I trekked to Oak Tree Lanes to root for a few former teammates. (We bowled at least 10 local, state and national tournaments together.) Charlene Gamble, Jo O’Dell and Linda Johnson (all San Gabriel officers at one time) still have the spirit. Linda Johnson is once again our California State President, so I don’t get to see her often.

Linda and her current officers were hosting the San Gabriel Valley Ass’n tournament, with men, women and Juniors all bowling at one time. What a sight! The sad situation was the amount of participants. Four weekends for each association (men, women, youth) has shrunk to 6 squads total.

Speaking of old friends: I sat next to Keith Kenworthy (Rollin Donkee daddy) who was there supporting his lady Bert Strain (Donkee Tour mama). The three of us met at Alhambra Valley Lanes in 1973!

That was before the Donkee Ball Carrier was a dream or the Donkee Tour had a concept. Mr. Kenworthy gave away so many Rollin Donkees that a number of struggling Bowling Associations were able to survive by raffling the bags!

The Donkee Tour was the warmest, friendliest tournament around — lit by the smile of Bert Strain.

During our 3 hour “rooting for the ladies” Keith relayed the following story to me.

“Back in December of 2010 I spent 12 days in the hospital and when they sent me home I still needed to be checked on. So the “doctor” came to our home and gave me the once over. When he started to leave, he said, ‘I can see you are in good hands, it’s so nice to have your daughter here to take care of you!’ “I said Doc, this is my friend of 40 years and she’s 85 years old.”

Bert, you are the greatest! There were other stories shared — but those will wait for another issue.

PBA Mark Roth Plastic Ball Championship Focuses on Player Skill Rather Than Bowling Ball Technology PBA Tour Players will be put to the test March 2-6 at AMF Thruway Lanes in Cheektowaga

CHEEKTOWAGA, N.Y. (Feb. 28, 2011) – With all the options that today’s high-tech bowling balls offer professional bowlers, choosing the right equipment to complement the player’s ability is often the key to success.

But when the Lumber Liquidators Professional Bowlers Association Tour returns to Cheek-towaga, N.Y., for the third annual Mark Roth Plastic Ball Championship at AMF Thruway Lanes March 2-6, any advantage that can be gained by choosing the right equipment will be thrown out the window because all of the competitors will be required to use the same type of bowling ball.

The Mark Roth Plastic Ball Championship, which requires players to use identical “throwback” polyester ball technology, is named in honor of the PBA Hall of Famer who dominated the so-called plastic ball era, winning a PBA-record eight titles in 1978 followed by another seven-title season in 1979. Roth’s total of 34 PBA Tour titles ranks fourth on the all-time list of PBA champions behind Walter Ray Williams Jr. (47), Earl Anthony (43) and Pete Weber (35).

The inaugural Plastic Ball Championship, held in Wheat Ridge, Colo., in 2009 was won by Jeff Carter of Springfield, Ill. Last year’s event, the first held in Roth’s honor, was held in West Babylon, N.Y., and was won by Brian Ziesig of Levittown, N.Y., who became the first amateur ever to win a standard PBA Tour event.

The concept behind the plastic ball tournament is to put a premium on knowledge of changing lane conditions, subtle adjustments in hand positions and delivery techniques, and other skills rather than relying on advanced bowling ball technology.

“It’s definitely a totally different mindset because you can’t rely on technology,” said Carter, who won the 2009 Plastic Ball Championship by defeating Hall of Famer Pete Weber in the championship match, 235-213, for his first and only PBA Tour title. “The emphasis moves from a reliance on technology to mechanics and being able to repeat the shots the way you want to. The adjustments you make are more subtle and have to come from your physical game.

“I started bowling in the plastic ball era and have experienced the evolution of technology and I’m one of those who have been a proponent of new technology in the sport,” Carter continued. “So winning that tournament was kind of a surprise for me because I really didn’t think I was going to do that well. I actually thought about taking the week off.”

Ziesig, a sales representative for a bowling equipment distributor who bowls only occasional Tour stops, feels that a tournament such as the Plastic Ball Championship levels the playing field for players like himself who don’t compete regularly on Tour.

“If you want to be successful on Tour you really have to know your equipment and what it can do for you under different conditions you’ll experience week-in and week-out,” Ziesig said. “With two or three weeks practice using a plastic ball similar to what we’ll be using in the Plastic Ball Championship, I can be as ready as the guys who bowl every week on Tour.

“If they’re going to beat me, it’s because they bowled better than me – not because they have better equipment or better knowledge of all the equipment choices that are available.”

The Mark Roth Plastic Ball Championship also is giving the PBA an opportunity to support the sport’s official charities. A series of plastic balls have been produced as a special fund-raising event, support Bowlers to Veterans Link (BVL), Bowl for the Cure (benefitting Komen for the Cure’s battle against breast cancer), the International Bowling Museum and Hall of Fame, the new YES Fund youth bowling initiative, and other charities supported by The Bowling Foundation. All of the individual balls are available to the public through OnTheBallBowling.com or by visiting pba.com. The official tournament ball – which also is available – features logos of all of the participating charities.

The tournament itself will get underway on March 2 with a seven-game Tour Qualifying Round where non-exempt players will compete for a minimum of 10 spots in the 64-player field. The 64-player field will bowl 14 qualifying games on March 3 with the top 32 advancing to round-robin match play on March 4. After a nine-game morning round, the top 16 will bowl another nine games in the evening to determine the top four for the live ESPN stepladder finals at 1 p.m. Eastern on Sunday, March 6.
