AMF NATIONAL BOWLING

TOURNAMENT WINNERS ANNOUNCED

Californian Wins \$50,000 in prize money in this year's richest bowling tournament

RICHMOND, VA — So who are the best AMF league bowlers in the country? Thousands competed, but only the strongest of the strong were crowned champs at this year’s \$600,000 AMF National In-League Tournament. After two-days of elimination-style competition, AMF Bowling Centers is proud to announce the four winners among each division with the highest pins-over-average or closest to average score.

“We just wrapped up our second National In-League Tournament and, once again, our league bowlers demonstrated an impressive level of skill and sportsmanship,” AMF CEO and President Fred Hipp. “It gives us great pride to award these top finishers for their hard work and support of AMF’s league bowling.”

The chase for bowling glory begins with 108 finalists, each an AMF league bowler, divided into four divisions. The divisions are based upon the skill level of the bowler and their qualifying bowling average. Competitors were whittled down through an elimination-style format to determine the national champions. Although only one person in each division was crowned the \$50,000 grand prize winner, every national finalist walked away with prize money, ranging from \$25,000 for second place to \$250 for the bowlers finishing in 17th to 27th place.

“The nature of the pins-over-average format creates excitement through each round of competition and illustrates the competitor’s ability to

perform under pressure and compete at a level above their qualifying average,” said Kathy Hart, tournament director. “These talented participants are competing against themselves in essence, and you can truly feel the excitement.”

Division winners worked their way through a nine-week qualifying period, followed by two weeks of in-center finals at each AMF location and 27 district finals events at select AMF locations nationwide. AMF already has awarded approximately \$300,000 in prize money to center and district finalists.

To see what happened in Las Vegas during the National

In-League Tournament, be sure to check out the tournament stats at www.tournament.amf.com, on Twitter at @bowlatAMF and on Facebook at [facebook.com/AMF-bowlingcenters](https://www.facebook.com/AMF-bowlingcenters). AMF will announce details of the 2012 tournament in early summer. Bowlers interested in participating can sign up for a league at any AMF location this coming fall.

BOWLERS JUNCTION PRO SHOP

TEAM Sets National Record

by Frank Weiler

REDLANDS—The Bowlers Junction Pro Shop mixed foursome set a national USBC record just over a week ago. Bowling in EMPIRE BOWL’S “Odds N Ends” League, this group of scratch bowlers torched the lanes for a 1120 game (280 average).

This single game score is the highest ever bowled by a team of three men and one woman. The previous high was a 1112 rolled by the Triple Threat Team, of Union City, Georgia, on December 10, 2006.

The “Junction Juggernaut” set their record in the second of three games, on a cold night in southern California. Fortunately, they had enough tape available to keep their thumbs in the ball and a firm grip while on the lanes.

The names and scores posted by our record-setters follow:			
JOE CASSIDY	(220 average):	266 and 691	
JENNELLE JELLSEY	(215 average):	278 and 712	
ARMAND MILLER	(227 average):	276 and 778	
ZACH JELLSEY	(230 average):	300 and 804	
		---	---
		1120	2985

The teams 2985 series came close to the national record of 3162. To break the series record for a mixed team of four bowlers, each team member will have to average 790, for three games!

What’s next for our record breakers? Maybe bringing home an EAGLE?

That is, winning a USBC national tournament title. Why not? Zach Jellsey has already bowled on two teams which have placed high on the leader board, at the USBC national tournament.

The BOWLING NEWS would like to congratulate the “Junction” Team and remind all CAL-NEV bowlers that we look forward to telling the world about your on lane accomplishments. Keep reading, and let the Bowling News know that you appreciate what it does for us bowlers.

NATIONAL DEAF BOWLING NEWS

by Connie Marchione

SO. CALIF. DEAF BOWLERS CASHED IN GREAT LAKES DEAF TOURNAMENT AT LAS VEGAS
LAS VEGAS—This writer regretted not being able to get complete results of the 75th anniversary Great Lakes Deaf Bowling Association tournament. Only the Doubles and Singles results were posted for all to read but too high for this writer with poor sight to catch the top names and scores. The people who ran the tournament did not furnish copies to the press or bowling writers so we will have to wait 30 days to get the complete results by mail.
Therefore, while we wait, there is some news and scores to mention here. Although this writer did not see it happened, he was told that a guy named Carter rolled a 300 and another guy hit a 299. In the companion Great Lakes Deaf Women Bowling Association tournament, Deaf Team USA star Lindy Decker, PA tied the GLDWBA high game record with her 279.
Also someone hit 779 for the tournament high series which means that California's Carl Malucci's 766 (279-268-219) was not the high one. There were many 700s but the only ones mentioned were Paul Kuplicki, Jr., Detroit's 726 (233-219-274) in singles and Paul Trayner, Detroit's 706 in team.
No one mentioned who won the singles, doubles and team events but Nicholas LoGreco said his Detroit 'Strike Villains' got the high scratch team score 3297 but another team scored the high team handicap total to beat his team's 3 handicap 3300 total. So the unknown team scored 3300 plus for the \$5,000 first place prize. Then LoGreco's team is in line for the handicap 2nd place prize of \$2,500.
There were two or three teams scoring in 3200 and a couple in 3100s before Pablo Yoma's So. Calif. Deaf Bowlers' 3134 and Malucci's Storm Deaf All-Stars' 3113. They probably cash in 8th and 9th places respectively.
Interesting to note that of the 46 teams entered, 11 were over 1000 (200 average per bowler) in this handicap tournament. No teams over maximum cap of 1025 were allowed to enter. So one team with exactly 1025 (Malucci's Storm Deaf All-Stars) and other with 1024 (Rod Hood, Jr's No Sideburn but Still Good) bowled with zero handicap per game. LoGreco's Strike Villains with 1023 bowled with 1 handicap per game.
Back in 2007 LoGreco's former team 'Always Pockets 1st & 3rd' set GLDBA all time high scratch record 3348, breaking his older team 'Fast'N Furious' 3334 made in 2005. The team handicap record is 3572 set by Chicago's West Suburban Association of the Deaf in 2009.
So for now, we wait for the full results to be written in this column later.

CHARLES DAWSON Is Our "Newest - Oldest" Perfectionist

by Frank Weiler

REDLANDS — Here we go again! Another older senior Citrus Belt bowler has rolled a perfect game. Just after writing about JAMES CAMPBELL bowling 300 at the age of 79, I heard about BOB URBAN having rolled a perfect in 2009, at the age of 80. Guess what? Just over a week ago CHUCK DAWSON bowled his fourth and latest perfect game, at the age of 82 years, two months, and nineteen days. He is now the oldest known Citrus Belt bowler to roll a perfect game. Any older perfectionist should contact me.

Why did I refer to Chuck as Mr. Charles Dawson? Because he has earned my respect over the years, as a genuine gentleman. He is always courteous, calm, and collected. A great guy, with integrity and intelligence.

Chuck has been bowling for nearly sixty-one years, with a high series of 767 and a best average of 207 in 1995. He used his Ebonite NVS to roll his recent perfect, in EMPIRE BOWL'S Vegas Invitational league. He would like to thank MARV SARGENT and CORKY DeMAIO for drilling his bowling balls.

Mr. Dawson reads the BOWLING NEWS every week and recommends that you do the same.

He is grateful for what the Bowling News does for all senior bowlers.

Brandon Grant Wins a ABTA Thriller at Keystone

David Emrich shoots 300 and 823 on Sunday

Eide, Sargent, and Crowder Share \$935 Match Game

Match Series estimate of \$600 — Match Game estimate of \$1,300

3-6-9 is \$2,100 at Westminster

ABTA Returns to Westminster this Saturday (One Day)

NORWALK — We returned to Keystone Lanes this past weekend for a two day tournament and had a fair turnout of 154 entries.. The shot was quite easy due to Keystone having multiple events this weekend. Cut scores on Saturday +112 for the men and +94 for the Women. On Sunday in our 1 squad, the cut score was +128 for the men and +48 for the women. The Super Seniors added to the board (3 men and 1 female) were Rollie Ebilane (+111), Victor Paolucci and Joe Nolan (+110), and for the women it was BJ Jemison (+12). That would give us 40 bowlers making it to the semi-finals.

For all qualifying squads, our top qualifier for the Men was David Emrich with a huge +283, and for the women it was LaSandra Chaney with a +114. David also started out Sunday Morning with a 300 game, and followed that up with 257 and then a 266 for an 823 scratch series. Each will get a paid entry into a future regular ABTA event. Our top seed draws the Match Series, and this week it was worth \$270. Emrich drew a 631 and there were no matches. Next week at Westminster, we will estimate the Match Series at \$600. For the 3-6-9 qualifying this week, we had Anthony Jilek survive the roll-off to go for the pot, but he would miss on his 1st shot, getting \$50 consolation. We will add another \$100 at Westminster giving us a total of \$2,100. There is a reserve pot of \$1,000 also.

This week the doubles finishing in first were David Emrich and Alex Castillo with a 1629 for \$130. Finishing second was David Emrich and Mike J. Moore with 1545 for \$110. We had a total of \$1,060 paid out in doubles with low to cash of 1433.

In the semis this week, we would see the Ladies jump out and lead the pack during each round. Winding up with the lead after 3 games was Annaliza Agoncillo with a big +199. Close behind was Alex Castillo with a +198. We would have a tie for the final spot at +91. Don Eide and Aaron Hodges had the 9th and 10th frame roll-off to see who would make it to the Match Play and Aaron advanced.

The top seed in semi-finals had the honor of drawing the match game worth \$935, and Annaliza drew a 192. We had 3 bowlers who matched that score, they were Don Eide, Jeffery Sargent, and 1 of our fine directors Marvin Crowder. Each would take home \$311. We will estimate the pot next week at \$1,200 at Westminster Lanes. This week we had three new bowlers join us. Let us welcome these new bowlers to the club, Steve Moreno Sr, Jic Opiana, Sirinya Boonyindee.

Match play would begin, and in the first round the seven losers were Aaron Hodges, Renoir Land, Richard Lim, Kelly Wynn, Cleve Johnson, Talia St. Angelo, and Joe Torre, Jr. They received checks of \$100 each. In the second round, the losers Alex Castillo, Butch "Snake" Hobbs, George Parker, and Michael Villarreal received checks of \$107.50 each. This would get us down to the final four bowlers. At this point, our horses would be paying anywhere from a low of \$48 (Jennifer Grant) to a high of \$410 (Jesse Lane, Jr) \$410 on Jesse? OMG "hehe" depending on who would win. In this round we saw Brandon Grant (3rd seed) bowling Jesse Lane (15th seed). In this match, Brandon would get the better of Jesse with a 241 to 181

finish. In the other match we saw Jennifer Grant (7th seed) bowling Jun Tumacy (13th seed). In this match, Jennifer would get the better of Venturito with a 225 to 187 finish. Jun and Jesse finished in 4th and 5th getting checks for \$115 each. Our semi-final match was set with our 3rd seed against our 7th seed, plus better yet it would be a little battle between husband and wife. In 30 years this is only the 3rd time this has happened, so it is neat folks-)and of course the Grants are neat people so it fits !! Brandon would start by giving his wife a lucky kiss to start the match. They would both start off with strikes, but in the 2nd frame Jennifer would leave the 6-7-10 and missed all on the 2nd shot. Brandon would continue to strike in the first 4 frames. At this point Brandon was in the lead and would not look back, but continued to offer support and help to his wife. Brandon would finish with a 248/264 to 164/212. That would give Brandon the victory and for those lucky "investors" that had Brandon as a horse, he paid \$54. Jennifer finished 3rd and received \$200. She is a past champion by the way!

The title game was set on Lanes 43 and 44 this week. Annaliza being the top seed elected to have Brandon begin the match first. In the first frame Annaliza would open up with a missed 10 pin, had torn her thumb a bit so had to adjust her tape which is frustrating. She then had another open in the third frame to put her down by 5 pins after 3 frames with handicap. Both would get strikes in the 4th and 5th frames, but Annaliza would not get a strike in the 6th frame. After the 7th frame, Brandon had a 2 pin lead, and both

Brandon Grant is the ABTA Champion at Keystone. The Grants bowled well at Keystone with the husband Brandon Grant the Winner and wife Jennifer in 3rd place. Brandon edged top seed Annaliza Agoncillo in the title game that went to the final ball. Pictured (L-R) are Brian Moore ABTA Dir. Jennifer Grant 3rd, Brandon Grant (Champion) \$1,850, Annaliza Agoncillo (runner up) \$500, and her fans ABTA Members Arnold Tria and Alvin Francisco, the past Las Vegas Champion.

bowlers would have strikes in the 8th frame and Brandon would get his 9th frame strike. That would bring Annaliza up to finish out the match first. She would get a strike in the 9th frame and the first one in the 10th frame but left the 9 pin (pocket) on her second shot.. That would bring up Brandon and he had to have the first strike and 8. He threw a great shot, carried to finish with a 235/251 to 216/248 for his 1st ABTA Championship. Brandon has been with the ABTA since 2008 and admittedly has had some let's say trying times. I will say I have never heard him complain. In fact he always had a great attitude! His wife had a much better record in the ABTA but now he is the Champion and deservedly so. He is one of the Good Guys

Brandon would take home \$1,000 for the win, and an additional \$850 in Cash & Carry total of \$1,850 for his win. Annaliza received \$500 for 2nd place.

Champion Brandon Grant is from Bellflower and used a Mission drilled at Keystone. He is a Coach in High School Football coach at Dominguez and the Track coach at Mayfair High also. (Busy guy) And of course he is married to our 3rd place finisher Jennifer who used a Mission drilled by Al at Keystone. They have 3 children. Special thank you to the MAN above for all His blessings, each other of course, keeping them grounded and all their friends for the support and cheering during the title, semi-final matches and "Lucky", their dog. He thanks the ABTA Staff for friendliness and a great job. Annaliza Agoncillo (2nd Place) is from Long Beach and used a Storm Rapid Fire drilled by Josh at Cal Bowl. She is married to Arnold and have 2 children Aren and Anne. She would like to thank her Cousin Alvin, another fine ABTA bowler and past Champion, her family, especially her brother Arnold who just got back from San Francisco in time to see her match. Great people here!! You bowled so great, what a performance by a sweet lady who bowls most every week!!

This week, the weekly ball sponsor winner of a 900 Global Ball was a regular member Jeffrey Sargent. He received the Long Shot bowling ball. The full results are in the payoff column in this paper.

This week we will be at Westminster, squad times are back to normal with 12 pm, 1 pm, 2:30 pm, 4 pm, and 6 pm final squad. Semi-finals will be at approximately 7:45 pm. Please be on time to avoid the long line. See our ad for address and directions, or check our website (www.abta1.com) to link to address for directions.

Will Bowlers Depot Calm the Storm?

by Aimee Gomez

DOWNEY—Storm Products swept Katie Jakes, and showed how much they want to win the round. They used Paul Varela 226-211-253/690, Ramon Torres 214-226-226/666, Chris Porter 222-228/626 and Leonard Ruiz 215-202/615 to down Katie Jakes. Kevin Gallagher 278-212/681 tried to hold Katie Jakes up, but the team suffered without a couple of their regular bowlers.

Bowlers Depot kept themselves in the race by taking four from Clyde's Video Games. Steve Gurrieri 235-258-221/714, Jeff Carr 225-247-226/698 and Raul Rosales 211-227-205/643 paved the way as Ramiro Garcia 214-231-248/693 and Dave Bartlett 254-207/644 tried to hold them off, only managing to win the first game.

Sysco swept Linder Insurance thanks to Vernon Adams 215-205-300/720, Paul Barraco 255-213-212/680 and Harry Wong 257-212/636. Linder Insurance must have realized the date, and no one broke six.

Zavala's Taquerias broke ABTA's winning streak. Jeff Garrison 229-246-219/694 and Greg Neuer 235-209/607 led Zavala's to a sweep.

Threadworks' Darrion Tipton 204-213-236/653 and Gary Wright 256/613 took four from Bowlium's Arnold Cheesman 275/637 and Mark Fisser 212-203/607.

Brylaw Accounting swept Key Container, as all four bowled well against Joe Torre's lone sixer, 247-224/665. Billy Myers Jr. led the league, 236-280-279/795, while Charles Zelaya 267-233/670, Larry Stephens 207-203-259/669 and Garcell Bullocks 23-235/629 all contributed.

Tifco took four from Pro Approach using Tom Jackson's 246-235-204/685 to do so. Sherman Joseph 227-231/645 and Alex Garcia 222-213/632 led Pro Approach, but they only got the third game win, a nail biter that they won by one.

JAT got four from Herzog Insurance, dropping the last game thanks to clutch Danielle Schilling, who struck out, yet again for the win. Deeronn Booker 218-201-231/650 led the way for JAT, while Herzog had a bit of a tough go.

Looks like this round will also be a fight to the finish! Take care and see you all soon.

LAKE FOREST—Bowling the **DORIS OZMENT** Ladies Monday afternoon league, Yoshiko Pitkin was high bowler again this week, with a 504 scratch series. But, it was Loisanne Sage who hammered out the highest game for the ladies, a super 199! The next highest series was Joyce Myers with 502, and the next highest game was Jean Huffman with a huffy 190. Third high series was bowled by Linda Imler who almost hit the 500 mark with a 185/490 and third high game was rolled by Jo Palmer, 187.

The **GIL JAY MEN'S LEAGUE** bowl down-wind from the Doris Ozment League, so as not to get distracted by the lovely fragrances the ladies wear. (Well, that's what I heard anyway.) This week nothing could distract Cliff Miller, he stayed focused on his game and shot 202/521, next high series was Don Capobianco 190/521 and third high series was Hans Kratz with 499. Tom Ballew and Lou Johnson both had nice 191 games.

The **NELSCRATCH LEAGUE** doesn't worry about whether they are up-wind or down- wind, they just “shoot the eyes out of em.” Mike Pardue shot the high series this past week with a 932, and close behind was Joe Campos with a 929 followed by Dan Murray's 912. High games were certainly worth observing too, as Butch Hewett shot 277, Kevin Kwan 270 and Steve Zimmerman 268. (Wish I could shoot like that.) The ladies certainly weren't left out of the lime light when Laura Conklin shot a terrific 855, Michele McKovich 793 and Sherry Merrifield 757. High games were 223 by Melisa Gould, 221 by Tia Chang and Kristi Zimmerman 214. There are 25 men averaging over 200 with Jim Cameron leading with a 224 avg for 120 games. Every gal in the league averages over 175 with Laura Conklin leading with a 201 for 112 games. “That's not too shabby.”

TUESDAY MIXERS Larry Anderson scored the highest scratch series this week with 243-200/609, next was Ray MacLean 233-202-604, and third high was Tiden Cheng 547. The highest scores for the ladies were shot by Simona Harrison 203-187/567. Connie Barnes 198/522, Sheri Tateyama 503, and Rilla Brown 199/501.

HITS AND MISSES is no longer the quiet little social league it once was. No sir! Averages have climbed and scores are getting higher every week. Drew Sebilian knew what it was all about this week with 246-235/671, Brent Evans was no slouch either, and he blasted 245-218/648. Lovell Krisher was consistently good too with 219-215-213/647.Then along came Mike Johnson 11222/613. Ladies, ladies, ladies, ye be so right and I promise to list your scores first next week. Sonia Sabado scored 181/489, Merly Croox 473, Banny Ramos 469, Debbie Taylor shot high game 189, and Sally Hunter bowled a nice 180.

3 Game **SCRATCH CHALLENGE**. Congratulations to our top five men bowlers who all scored over 700 this week. Our own Pro Shop owner, Jeff Carr 279-268/745, Bill McKee 276-257/744, Bill Brossart 257-243-233/733, Steve Zimmerman 269-227-226/722 and Mike Cacace 256-227-224/707. Ladies who bowled like the pros were Kimberly Martin 243-216-205/664, Alma Reyes 236-201/630, Carole Reese 219-202/614. Great bowling gals!

DUTCH WELLS SENIOR SCRATCH. It's no surprise that Don Capobianco was “top dog” this week, when he scored 245-241/ 670 When he gets going, there is no stopping him. Other top bowlers were Chuck Conrad 581, and Bob Modzik 566. The ladies showed their stuff too and Junita MacMorris shot high series with 513, and Barbara Korthase shot 505. High games were Edna Sides 194, Juanita MacMorris 194 and Lois Gebler 191.

SVUSD What does that stand for, you ask? Well, I don't really know but I'll find out and let you know next week. Anyway they sure can bowl! Howard Stephens shot 268-213/ 678. Dan Moreno 211-205/580. Ed Valdes 204/571, Jack Opkins 206, Ed Valdes 204. In the ladies side it was Jackie Kelly 201/526, Laura Blackie 158/415 and Dianna Harrison 412 high this week.

MEGA VEGAS. If you say you have never heard of Sam Hitchcock, then you're not reading the California Bowling News often enough. This week Hitchcock shot 279-224/712 Yikes! Then Ernie Nietzke almost hit the 700 mark with 257-226-214/697 and Ed Regehr 248-225/671 Chris McDonald 636, Keith Klagge 624, Giancarlo Zappala 612 and our own Dave Snow squeaked in a 247 for a 600. We're very proud of our gals this week also; Lisa Ross 247-21-627, Kristi Zimmerman 214-207-205/626, And Sandy Rosenblum 220/600. Other “Honorable Mentions” are Paulette Cox 242/589, our own Kathy McCollom 221/569 and Lorrie Coppock 523.

FRIDAY VEGAS. Can you believe this guy Lou Dietrich? He's the envy of Forest Lanes, I bet. This week he shot 279-225-203/707. Holy cow! **AND** Robert Villa shot a step ladder (sort of) with games of 236-234-232 for a whopping 702. Michael Johnson stood proud with 247-224 and 223 for a great 694 and the other two highest men bowlers this week were Jim Barnes with 664 and Steve Zimmerman 652. High ladies were Jenny Dingle with a fantastic 219-216/ 618, Debbie Lange 226/587, Kristi Zimmerman 210/562, Lucy Cabrera 214/530, Jacki Burns 204/503 and Anita Kleiman 500.
