## It Was All About Fun At First USBC Bowling With The Stars

*Hollywood's rising young stars teamed with top woman bowlers for charity exhibition*

GREENDALE, Wis. — With popular television shows such as “Skating with Celebrities” and “Dancing with the Stars,” could a similar formula work for bowling?

After a positive reception from rising young celebrities and Los Angeles-area bowling fans, the United States Bowling Congress Bowling with the Stars charity event held on May 8 could be the start of something big.

Some of Hollywood’s popular young television and movie stars teamed up with three top woman bowlers in a Baker format competition to benefit USBC’s Bowl for the Cure®, a fund-raising initiative in partnership with the Susan G. Komen Breast Cancer Foundation. The event was held at Corbin Bowl in Tarzana, Calif.

Former Professional Women’s Bowling Association stars competing were Kim Terrell and Carolyn Dorin-Ballard along with amateur standout Diandra Asbaty. All will be contenders for the title at the 2006 USBC Queens - the only major event in women’s bowling - to be conducted June 17-21 at the National Bowling Stadium in Reno, Nev.

One woman pro and three celebrities comprised each Bowling with the Stars team, named after three major USBC bowling programs:

Team USBC Youth Captain Diandra Asbaty is the official spokesperson for USBC Youth bowling. She is the reigning women’s U.S. Amateur champion and an eight-time member of USBC Team USA.

Stars: Tequan Richmond, 13, stars as “Drew” in the acclaimed Chris Rock show “Everybody Hates Chris;” Chloe Suazo, 14, stars as “Zoey” on ABC’s sitcom “Freddie;” and Michael Alan Johnson, 15, hosts The Disney Channel’s “Mike’s Super-Short Show.”

Team USBC High School Captain Carolyn Dorin-Ballard is the official spokesperson for USBC High School bowling. She is a 20-time PWBA titlist and is the 2001 Queens champion.

Stars: Max Prado, 14, recently appeared on “The Tonight Show” with Jay Leno and plays “Nelson” in the hit film “The Benchwarmers;” Shelbie Bruce, 13, starred alongside Adam Sandler in the film “Spanglish;” and Alex Solowitz, 26, former star of MTV’s “2Gether,” stars in the upcoming Bruce Willis and Justin Timberlake movie “Alpha Dog.”

Team USBC Collegiate Captain Kim Terrell is the official spokesperson for USBC Collegiate bowling. She is a nine-time PWBA champion and won the 2002 Queens.

Stars: Alyson Stoner, 12, star of the films “Cheaper by the Dozen” 1 and 2 and featured on The Disney Channel’s “Mike’s Super-Short Show;” Robby Bruce, 11, vocal performer for films including “Stuart Little 3” and “Into the Blue;” and Shawn Parr, a host on KZLA 93.9 FM in Los Angeles, the voice of the Golden Globes and costar in the upcoming film “Lucky You.”

The event’s Baker format required each bowler on the team to alternate frames with the pro woman bowler bowling the second, sixth and 10th frames, respectively. The team with the highest three-game total score was crowned the first USBC Bowling with the Stars champion.

Prior to the event each star received a complimentary specially-fitted Storm bowling ball, bowling shoes from Etonic and a retro-style USBC bowling shirt.

“This is like Christmas,” Shelbie said. “I can’t believe how cool this stuff is.”

For the “Dancing with the Stars” and “Skating with Celebrities” shows, celebrities undergo weeks or months of training prior to competing. The celebrity bowlers had to rely on a 30-minute crash course with the woman pro bowlers prior to competition.

“Kim was a great coach,” Alyson said. “The most important thing I learned was to make my spares.”

After guidance from the pros the celebrities were soon learning how to throw effective hooks and developing a much improved form.

“At first I thought it was best just to throw the ball down the middle of the lane,” Robby said. “But after learning how to curve it, I could knock down more pins.”

“I definitely gained an appreciation for everything that’s in-

Wilma Garrett was first introduced to the game of bowling back in 1968 when she joined friends at Cove Bowl in Wilmington. Although Wilma was pregnant with her first daughter, Tonya, she agreed to participate and as the old saying goes, “she was hooked on the game”!

In fact, it was during these years that Wilma recorded in “Open Play” her highest game of 286. However, her returning visits to the bowling center became very sparse having to turn her attention to raising her three daughters, Tonya, Angela and Eunika. Although the girls were youth bowlers, basketball turned out to be their choice of sport.

In 1980 Wilma’s suppressed desire to get back into the bowling game came to fruition when she joined a league and it wasn’t long before she was averaging 206 and recorded a 277 game, for which she collected a trophy from the league.

In 1986, Wilma joined the

## Hosting USBC Events Takes Time, Dedication & Preparation For Hopeful Cities

CORPUS CHRISTI, TX— Hosting a United States Bowling Congress Open or Women’s Championships requires years of preparation and a city-wide cooperative effort. Bidding cities are usually familiar with the potential impact of the events and their possible contribution to the local community and economy.

During its 143-day run from Feb. 11 until July 3, more than 63,000 bowlers from all 50 states and four foreign countries will have converged on the American Bank Center Exhibit Hall in Corpus Christi, Texas, for the 2006 Open Championships.

At the same time, nearly 55,000 women will make their way to the National Bowling Stadium in Reno, Nev., for the 2006 USBC Women’s Championships, which began March 16 and will run until July 2.

Next year, the Open Championships will be held in Reno, while the Women’s Championships heads to Charlotte, N.C., but most bowlers don’t know how or why those locations were selected.

In most cases, it is the local convention and visitors bureau that initiates the process, often organizing a task force that includes city officials, dignitaries, local and state bowling association leaders and business owners.

The process starts years in advance as cities interested in hosting the event begin an in-depth bid process. As an example, in July of 2005, the process began for cities looking to host the 2010 and 2011 Women’s Championships and the 2012 Open Championships.

The interested cities were issued promotional materials and a DVD about the tournaments. If they were still considering a bid for one or both events, they were sent a bid package, which included more details about the requirements necessary for consideration.

“Hosting an event of this magnitude takes years of planning and preparation, but that long-term commitment is necessary to ensure that the city is

ready for nearly 100,000 visitors,” USBC Chief Tournament Officer Roseann Kuhn said. “We always need to keep one eye on the future, and the game has now changed a little since the Women’s Championships will begin using the arena setting in 2010.”

In 103 years of competition, the Open Championships has been held in 48 cities in 26 states, attracting participants from around the globe. The first tournament was conducted in Chicago’s Welsbach Building in 1901, as 41 teams competed for a \$1,592 prize fund.

The Women’s Championships was first held in 1916 in St. Louis’ Washington Recreation Parlor with eight teams and has since been held in 55 cities in 28 states.

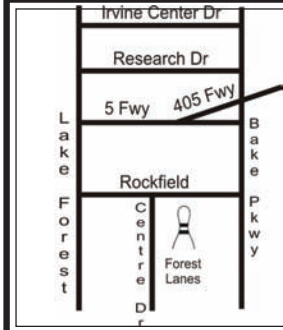

In order to even be considered, a host city must have a facility big enough to hold at least 48 lanes, which requires a minimum of 78,000 square feet. The event also needs an additional 12,000 square feet for vendor and office space, as well as room for seating for 800 spectators.

To put things in perspective, last year’s tournament used 93,685 square feet at the Baton Rouge River Center, while the American Bank Center Exhibit Hall in Corpus Christi was a little tighter fit at 90,176 square feet. After the venue was assembled for the 2006 event, there only was 3/16 of an inch to spare between the edge of the custom scoreboards and the wall.

“This year definitely was a tighter squeeze, but Corpus Christi was determined to have us back because of the impact we had during our first trip in 1992,” Open Championships tournament director Brian Lewis said. “We’ve really enjoyed our time here so far, but as we look down the road we have to consider how much the tournament has grown and the needs that accompany that growth. After Reno in 2007, we’re going to Albuquerque, N.M., and Las Vegas, which have larger facilities and will be able to accommodate more lanes and more bowlers.”

Aside from a large convention center which must be available for at least 200 consecutive days to allow for construction, competition and tear down, the host city also must be served by three major airlines with sizable aircraft and enough staff to handle the added baggage, which includes bowling balls. And with 600-800 new bowlers and guests

Instruction to Help Raise Your Scores

PUSHING BOWLING’S ENVELOPE  
THE VALUE OF NEW IDEAS

“Outside the Box” thinking can often generate new and unusual ways of attacking the problems we face in our attempt to stick our heads up above the rest, so to speak, and become winners. As we all know, there are always some among us who are inventive, innovative, original thinkers...those who constantly come up with new ideas; different, imaginative, maybe even strange methods to help solve the problems that plague us. While they sometimes fail, such imaginative new ideas occasionally lead to techniques which later become gospel.

But such original thinkers, no matter how ingenious, no matter how well their ideas work, are virtually always followed by the hordes of negative critics and nay-sayers who, with their feet firmly planted in the muck and mire of sameness and old fashioned ideas, will immediately turn thumbs down on anything new, often just because it is new.

Fear of this mindless kind of criticism is often the reason for such ideas dying before they get a fair chance, thus never getting fair exposure. As a result, many potentially great new concepts or techniques never see the light of day. Bowlers who would try something new are sometimes afraid to be embarrassed, so they often give up on their ideas rather than risk being laughed at when experimenting with something different and unusual.

To help declaw such negative thinkers and show how a bit of courage in the face of possible ridicule, can often solve even an industry wide problem, here’s a recent example of a tactic you won’t find in any current books or tapes, but which really works:

**THE BUN SQUEEZE...SOMETHING NEW**

Some time ago one of my students was wrestling with one of those all too common problems from which many bowlers world-wide suffer...the error of over bending from the waist during the release and follow through. This over bending is usually accompanied by a heavy cost in weak, inaccurate shots.

As a matter of fact, you may remember that some time ago I described a successful tactic for helping correct it...the technique of *dropping the left hip forward and downward* (left handers, right hip forward and downward) during the last step of the approach!

This technique creates a “leveraged” body position, from which the release will be much more powerful in terms of pin action.

At the end of such an approach, your chest should be *directly above the front knee...not in front of it, not behind it, but directly above it!* That ‘s the “Power Position” for the release.

**POWERLESS EFFORT, OR EFFORTLESS POWER?**

Anyway, after describing this to that student, I saw her very first try executed with perfect knee bend, form and position at the line. This amazed me, because the vast majority of bowlers need many tries before they finally master this technique. Surprised at her immediate and perfect response, I said, “Wow! You got that

problem solved pretty fast...my compliments! How did you do it?”

She gave me a totally unexpected answer. She said, “Rolf, as I hit the line on my last step, I just told myself to drop my left hip forward, then to *squeeze my buns together!* That’s all! That’s what made it work for me.”

Well, this was a new one on me. But I didn’t laugh at it nor shoot it down. Instead, I tried her idea myself and it really worked...creating a perfectly leveraged body position at the line, *but with less thinking*, which makes it easier to execute! Wow! Just go forward and downward with the left hip (right hip for left handers) and then simply *squeeze the buns together!* Easy and effective, because suddenly this leveraged body position at the line creates much more power at the pocket, much greater pin action and more strikes

Obviously, before writing about it I tried it with dozens of other bowlers, including professionals, juniors, seniors, all types. It worked for every bowler who tried it, so naturally I’ve been teaching it ever since. I’m describing it here, because it becomes so effortless with a little practice that the body soon creates just what the headline above says...a leveraged position from which the ball can be released with *effortless power!*

Many of you already know my philosophy of learning from my students. Bowling students are often an immense fund of additional ideas. So never be afraid to tell your coach of an idea that may come to you, or to try it yourself. If it won’t work, you’ll soon find that out, but it is nothing to be embarrassed about. Without new ideas, no sport could progress!

So from now on, let’s call this the “Bun Squeeze”. It really works!

**THE OFTEN MISUNDERSTOOD KNEE BEND**

All really serious students of modern bowling know and accept the importance of being “under the ball” for the release. I have been amazed, however, at how many supposedly high level players seem to believe that being under the ball refers only to the hand. It must be understood that for optimum arm position for a correct release *the body must also be under the ball!* The part so often misunderstood is the fact that no matter how much the knees are bent at the line, the instant the body bends forward from the waist, that body is no longer under the ball, but *over it!*

Well, it is easier to bend the knee on that last step, if you just tell yourself to “drop that hip” instead. Since you can’t drop the hip without the knee bending, you only need to think about one thing instead of two. So by following the technique described above, you are automatically “under” the ball, so to speak.

It works!

**THE VALUE OF THE EXPERT**

How many of you have ever heard of John Jowdy? Most higher level bowlers and *all PBA professionals*, know that name intimately. Jowdy is the only coach ever to be elected into the PBA Hall of Fame by the players, as a coach. He is generally known among top bowlers world wide, as “Coach of the Pros”.

Jowdy’s outstanding instructional book, “bowling eXecution”, is a huge best seller among bowling books, and in addition to working with many of the PBA’s top professionals, he teaches seminars to amateur bowlers world wide.

The reason I mention the great coach’s name here is because

Jowdy is the originator of the leveraged body position we’ve discussed this month. He refers to it as the “sitting” position.

Why? Because when we get the body into that position, it really does feel almost like we are sitting down for the release.

Jowdy is the acknowledged expert and that’s what I mean by the above headline about “the value of the expert”.

Be sure to remember that last important point. When the body is correctly placed into this position, your chest will be *directly above your front knee!* It won’t be in front of the knee and it won’t be behind the front knee...but directly above it.

And *squeezing those buns will keep it there!*

Try it. You’ll like it.

arriving each day during the tournament, the city must have enough available rental cars and at least 600 hotel rooms per day.

A monetary bid of at least \$750,000 for the Women’s Championships and \$1 million for the Open Championships also is required to help offset the costs of building the venue. With an estimated economic impact of \$13-\$15 million per month during the tournament, cities may bid more to increase their chances. This year’s event is projected to bring between \$75 and \$100 million to the Corpus Christi economy.

“It’s undeniable what kind of impact our events have on the host cities, and that’s why places like Syracuse and Baton Rouge have been eager to see us return,” Kuhn said. “With this process, we can always be sure that the cities really want us too.”

Once the bids have been submitted, the USBC makes site visits to the qualifying cities, and those selected are invited to make presentations to the USBC executives at the organization’s headquarters in Greendale, Wis.

In February 2006, representatives from Albuquerque, Baton Rouge, El Paso, Texas, and Syracuse, N.Y., made their presentations before the executives made their final selections.

In the end, El Paso earned the right to host the 2010 Women’s Championships, where the event will be held in an arena setting for the first time outside of Reno. Syracuse, which hosted

the Open Championships in 1999, will welcome the women in 2011. And finally, just one year removed from hosting its first Open Championships, Baton Rouge will prepare for the tournament again in 2012. Both tournaments also are contracted to be held in Reno’s National Bowling Stadium every third year through 2018.

“We’re excited about where we are headed,” Kuhn said. “These are all beautiful cities and have a lot to offer the bowlers.”

Bowlers and their families and friends spend an average of three and a half days in the host city, spending nearly \$200 per day on lodging, food and entertainment, according to an online survey of tournament participants randomly conducted by the USBC.

The 2005 event in Baton Rouge was the largest ever held outside of Reno, attracting 13,222 teams and more than 130,000 total visitors. The economic impact to the area exceeded \$75 million.

**“Telling It Like It Is”**  
by Bob Allender

I first heard this comment at the Leadership Workshop in Milwaukee when I went back there to the meeting. USBC wants to have the average age in the USBC to be 39 years old. I am now 74 years old. I have bowled since 1937 and been an ABC representative on three different Association Board of Directors and was President of all three Associations. I became very upset about that comment.

Then in the Bowlers Journal February 2006, was an article by USBC President Michael Carroll, on page 44 and on page 47. He stated, “How would you define success in the long range period? I also think that if we got the average age of out membership down to the mid-30s, that would be another sign of success.” Doesn’t that make you, and all seniors feel good?

Then the article in the Bowling News, “New USBC Structure on the Horizon”. I was so upset, I had to write this article.

First dues increase in six years, which is true, only because delegates to the National Convention always voted them down when the ABC Board wanted to raise them. The new organization has the same people running it. They had all the say with ABC and now to make things worse there will be no legislations this year to vote on. That’s how they get by with it.

They changed the procedures so that the convention location would not coincide with the National Bowling Championship Tournament. That cuts out a lot of Delegates that attended the convention and bowl in the National Championships the same weekend. How many Associations can afford or how many people can afford to pay the price of 2 separate trips??

For instance this year, Convention was in Orlando, Florida and the National Bowling Championship Tournament is in Corpus Christi, Texas. That means 2 round trip airline tickets, 2 accommodations for people that would like to be involved and attended both.

“Dues structure will help USBC address what is expected to be \$5 million budget deficit in the 2005-2006 season.” Then they say, “That’s a \$3 million savings from the more than \$8 million projected deficit.” If that is true, why did Roger Dalkins get a big raise in salary and some of staff get raises? Because they love the sport of bowling? They say they cut some of the staff. But yet, they are adding many new people and doing many things for the youth when the youth have had a healthy organization for many years. Raising of the youth dues, what a shame! I know of youth that had to quit bowling juniors because they couldn’t afford the price of bowling and the dues.

How many of these people fly

all over the United States on our money? I have seen an awful lot of this over the years and it doesn’t make sense to me. What a waste of our money! Sending two or three people from Greendale, Wisconsin to where ever to attend the same meeting. I guess when you are spending other peoples money it is okay to do that.

I have a lot of Questions”

1. Why create a team of spokespeople to travel and spread the word about high school, collegiate, youth and sport bowling? Just put it on the web and in publications. They send out to bowlers and centers through the United States.
2. Since when do the youth need protection by a registered volunteer program?
3. Why are they—The USBC—sticking their noses into State, City and County Parks and Recreation programs? Bowlers, you are paying for it!
4. Developing Sports Bowling? Just how many average bowlers bowl in Sports Bowling league? USBC uses bowlers’ money to support it.
5. Creating the USBC store with USBC Merchandise so they can make more money?
6. Increasing awareness with other youth non-sport organizations?
7. Partnering with bowling proprietors to increase youth participation in youth programs? For many years, I have been bowling,

I can say every proprietor that I have known has always worked toward getting youth to bowl junior leagues in their centers. Let the proprietors foot the bill. They make the profit!

8. Using elite athletes and celebrities to promote USBC? They don’t need this. If USBC does thing right, the bowlers themselves will promote it.

9. Developing programs to prepare youth bowlers for active participation at the Local, State and National levels? I have asked many adults and youth to come on our local board. I have explained what the job is but no one wants the hassle. Some get burned out before they are eligible for adult leagues.

**NOW THIS IS MY COMMENTS ON THE DUES INCREASE**

It is just another thing that will drive more people away from bowling in California. We have enough bowlers in leagues right now that won’t sanction because of the dues they have to pay and cost lineage.

We all think the lineage cost is high but I will be the first one to tell you that there isn’t one owner getting rich off of the centers.

Maybe I can shed a little light on that subject. Here is just a few things that the lineage pays for.

- 1st. Liability Insurance to cover people on their property.
- 2nd. Workman Compensation Insurance for employees.
- 3rd. Repairs to buildings.
- 4th. Repairs of lanes and equipment.
- 5th. Utilities, Electric, Gas, Telephone and Computers. Computers upgrades and maintenance and of course Air Conditioning.
- 6th. Lane Cleaning, Stripping and Oil for conditions set down by USBC.
- 7th. Paper, pens and pencils, scotch tape and all printed material for leagues, light bulbs and much more.
- 8th. Pinsetters, Pins, Balls, Shoes and Shoe spray for inside of shoes.

I say let’s tell the USBC we just don’t need to support all the extra things. We just want to bowl and have fun.

**YOU HAVE TO REMEMBER THAT THE DELEGATES OF YOUR LOCAL ASSOCIATION DID NOT VOTE FOR THIS RAISE IN DUES. IT WAS DONE ONLY BY THE BOARD OF THE USBC.** Watch out for the next dues increase.

*Editor’s Note: The views written by Mr. Allender are his own. The Bowling News welcomes opinion columns. Even if we disagree! This is America and you have the right to an opinion.*

volved,” Michael said. “There was so much I had to learn just about my arm swing.”

Dorin-Ballard’s Team USBC High School took home the first Bowling with the Stars title, racking up a 483 three-game total with a clinching strike on the first ball in the 10th frame of the last game. USBC Collegiate took a close second place with 453 and USBC Youth finished with 320.

“They were just great,” Terrell said of her celebrity teammates. “The stars took the event very seriously and wanted to learn. I think they saw some results — they were good students.”

So with the first Bowling with the Stars in the books, could this be something to build on for the future?

“Judging from the enthusiasm of the participants and fans I think this is something we can do more of,” Asbaty said.

Each fan attending Bowling with the Stars made a \$10 donation to Bowl for the Cure®, ultimately raising more than \$1,000 for the Komen Foundation.

Wilma carried her talents and 168 average to a winning team in the “Vegas Bandits” league at AMF Cerritos Lanes, Cerritos. Although she and her teammates have earned numerous achievement awards, the one that beats them all was on January 2, 2006, when Wilma fell short of 2-pins for a perfect game, settling for a career high of a 298 game.

The presentation of Wilma’s USBC Award Ring and CWBA 14K Gold Necklace took place just before sweeps play for the “Vegas Outlaws” league, which brought her teammates to their feet and a round of applause.

## Obrar Wins 2nd ABTA Title at Premiere

Abilar Hits \$1,100 Match Series Roger Romero Fires 299 Game

Match Game is \$3,500/ 3-6-9 is \$3-6-9 is \$2,200

Handicap is FROZEN in 1-day Event at Bowlm Saturday

BIG Memorial Event \$8,150 1<sup>st</sup> Possible at West Covina Next Week

SANTA FE SPRINGS— Butch Obrar is now back in top form as he won his second ABTA title in fine style downing the “tough” Terry Smith in the title game to take a nice top prize of \$1,120 to his home in Buena Park, and proudly so.

Butch who returned to ABTA action two months wasn’t the only happy bowler at Premiere as ABTA regular James Abilar hit the Match Series for \$1,100 a great \$2.00 investment! :-) And regular Roger Romero tossed a 299 game with some great bowling at Premiere.

Butch topped another nice turnout of 232 bowlers at Premiere, which produced cut scores of +35 (men) and +25 Ladies. The added Super Seniors at Premiere were Dale Strader, Leo Tartamella, and Anita Smith making a total of 55 semifinalists in the cash line at Premiere.

Terry Smith got hot and led the semis. He was tops in the Semifinals with a fine +128 to be able to sit out and bowl in the title game, besting Mamerto Jablan at +107. Mamerto would receive a first round bye in the single elims and enter in round two. It took a +46 Men, to make the sweet 16 single elims which included the three guaranteed women.

The Bowlers took to the lanes. In the first round single elims, losing their matches were Brent Loya, Alan Basto, Alan “The Dragon” Aguilar, Tony Rodriguez, Bart Sanchez, and Dan Alcaide. They got checks of \$106 in 10-16th places.

In round two being eliminated

were Speedy Bryant, Dave Brogdon, Raul Aldaz and David Jones Jr. They cashed in 6-9th places and \$115 each.

Round three saw Butch Obrar bring his strike ball in downing “pretty” Danielle Carter 277-192. Bheth Alcaide got to Mamerto Jablan 216-193. Danielle and Mamerto were 4<sup>th</sup> and 5<sup>th</sup> and checks of \$130, with Butch and Bheth to meet for the right to bowl Terry Smith for the title. This game was also a good one for Obrar who was firing strikes in a big 266-197 win over the Pretty lady Bheth who bowled well and was 3rd and \$212.50 with Butch off to the title game vs Smith.

The title game was on and Terry elected to have Butch lead off and he did with a strike, spare, strike. Terry was clean also until frame four where he split. Neither could double on the tough condition until the 10<sup>th</sup> frame where Butch doubled to ice the title in a 207/227-181/213 win. His second ABTA title was in the books and the affable gentleman pocketed \$1,100 including \$100 bonus for using the Columbia “300” Bully Ball. Great bowling by a nice man who until this week, hadn’t fared too well in his return to tournament action, but he put it all together at Premiere. Butch is back!! Great Bowling by a great guy!

Fine bowling again by one of our finest members Terry Smith who really was on his game til the finale. With a little luck could have been the winner! Terry is one of the “Good Guys” nice to

all. Great showing! Great bowling in third was steady Beth Alcaide, one of our fine women bowlers. She had fun at Premiere!

ABTA Notes: Tourney Hi Qualifiers were Roger “299” Romero +157 for the men, and Tessie Sosa led the gals at +90. They will get paid entries to our next regular event.

The 3-6-9 worth a big \$2,100 saw Romy Bautista and Dan Lorey get five 9’s but couldn’t eliminate one another. They split the \$50 consolation pot and we will go for a sweet \$2,200 at the Bowlm this Saturday in our one day event there.

The Match Series was Matched as Romero drew a 438 and was worth a \$1,100 to one of our finest James Abilar who was buying the beer at Premiere.

We will estimate the Match Series to be \$300 this week and for only a \$2.00 entry fee.

The Match Game worth \$3,500 WAS UNMatched as Smith drew a big “266” score. We will go for \$3,500. At Bowlm this week. Even if hit will still have \$3,500 in the big Memorial event Fri-Sat Sun May 25-26-27. BIG Money\$\$ again this week!

The optional doubles were taken by Tony Rodriguez and Champ Obrar. Their big 1441 paying \$110. Tony also placed 2nd and 3rd with Matt Fukuda and “Iron Man” Julian Conwi. We paid 10 places in the doubles.

The Columbia 300” ball of the week went to ABTA Regular Danny Reece Sr. He will re-

ceive the ball of the week a fine Columbia 300 Action. He thanks Columbia for the Sponsorship. He is most deserving.

Champion Butch Obrar hails from Buena Park, and used a Columbia Bully drilled at Cerritos Lanes by Mike Wahl ABTA Member!. He is married to a beautiful gal Cyndi who is very supportive and thanks the ABTA and Staff for a great job, and “Barkada” and Premiere for hosting the event.

Roger Romero flirted with perfection in the 5:30 squad as he got tapped in a beautiful 299 game. Left the 8 pin and he is a lefty! He will receive a special award for the fine feat! Nice Bowling Roger!

Terry Smith is from Baldwin Hills, and single ladies! He used Columbia EPX drilled by Tony at Gardena Bowl. He thanks John B. Kim, Reggie Brown for help and His kids Quincy and Terry Jr. and girlfriend Dana.

Bheth Alcaide is from Long Beach and also used a Columbia Ball drilled by Anthony at Cal Bowl. All three using Columbia this week :-). She is married to ABTA member Danny with 4 kids Justine, Jasmine, Jessica and Jade. Thanks Danny, and family for support.

We again had several new members at Premiere. First time cashers were Beth Alcaide, Dan Lorey and Alan Basto. Thanks to Chia Sao and Connie Huston Chia Sao of San Diego way for bringing some new members to the club. Getting more and more ladies in there and this is a good thing! Women have their own board in the ABTA and the top 3 (min) in the semis, are guaranteed to the top 16 single elims.

We return to Bowlm Lanes in Montclair, this week with Squads at 1-2:30-4:00-5:30 & 7:00 with semis at 8:40. There are guaranteed pots at 5:30 \$100 per game. At 7:00 PM they go for \$150!

Next Week, is our Memorial Special Event May 25-26-27 at West Covina Lanes. This is a 3 day event, Friday- Saturday-Sunday!! Prepay by May 20 for a \$150 Bonus. This event pays \$4,000 Min 1st and up to \$8,150 can be won with bonuses. It is history as Butchie Obrar wins his second ABTA Title at Premiere Lanes.

It was great to see Resty Sanchez return to ABTA action after his mild stroke! He is a fierce competitor and liked by all who know him. Welcome Back Resty. Thanks to Premier for hosting us we return there end of June

Until Bowlm (Check In Early!!!!!!) and see our ad and related story and make plans for the big Memorial Event. Get those Vegas rooms in early We are going to sell out!

Don Jackson Wins Forest 6-Gamer \$300 With 246 Average

by Frank Kietz  
LAKE FOREST — “The lanes are tough!” Most of the players believed it except San Diego Hall of Famer Don Jackson. He won the \$300 title with a 1476 (averaging 246) and picking up three high game \$16 sidepots and a \$32 block prize (797).

Back in the 40s, Don set pins for his dad at one of the Navy’s pin spas. Don said, I got to love the game and improved watching the pros and local pin stars. He opened cashing on games 249, 279 and 269 and the 797 set. Don coasted with games of 229, 257 and 193/679 for the 1476.

He couldn’t hear the “tough lanes” remarks. Hearing impaired Hall of Famer Carl Malucci coasted the first three games, got rolling the second three games, 278-213-240/721, second 1291, going home to Downey with \$138.

Steve Zimmerman waited until the sixth game unloading with his best game, a 276 and a third place 1283 pocketing \$86.

Doane Cole was fourth with a 268/1264 with \$58.

Greg Neuer tied with Cole’s 268 getting an \$8 high game share. According to tournament director Mario Marquez, the prize fund totaled \$670. The next Forest Lanes Six-Gamer will be June 24. Watch the Bowling News for more information or call 949-770-0055.

As a sidebar, ten of the players stayed on for an old fashion pot game. Evan Castillo won the first pot with a 253.

The naysayers admitted the lanes were not that tough — Jackson just figured ’em out before we did — he’s older than we are, 67. Jackson plans to compete in the Las Vegas PBA US Senior Open in June.

Bill Brossart Catches First S’Back 820 300

MISSION VIEJO — With one Tuesday to go in Saddleback Lanes’ 820 Classic, Bill Brossart rolled the 12-team league’s first 300 game. Bowling for So-Cal Notary, Bill fished with a tight line noting floating hooks were catching few, very few, strikes.

After the opening 222, Bill felt that tug, I got a strike!

Yes, off the sheet for a perfect, then reeling in a 227 for a record catch, a 749.

### Vince “Mr. Invincible” Wood Leads League with HUGE 782!

by Randy Myers

DOWNEY—Vince Wood was invincible again as he led his **G.H.C.** team to a 5-0 sweep over **Al’s Bar Supply**. Wood rolled games of 269/265/248 on way to his league high 782 set while Victor Arteaga paced Al’s with 631. I mentioned last week to expect some bigger scores and the bowlers didn’t let me down. Such as the battle for the Wild Card lead, it was a clash of titans as Steve “*Great White*” Gurrieri took on Scott “*Surfer Boy*” Norton. The Great White won the individual battle 761-759, but it was **Overboost.com** taking down **Bowlers Depot – West Covina** 4-1. Steve came out firing with a spare/sheet 290 to lead BDWC to the night’s high game of 966, but it was Overboost behind Scott Surfer Boy 279 and Lauren “*Lava Girl*” Brifman 263 coming back to take control in Game 2 and going on to win Game 3 and end the night with the leagues high team series with 2621. Paul Varela shot 642 for BDWC and Lava Girl Brifman ended the night with her season’s best 683. Greg Neuer “*and Improved*” led the pair for **Boulevard Brakes** with 279/706, but it was Jason Hoppe 679 and Dean Sanderson 689 leading **Family Amusement** to a 4-1 victory. Family Amusement will take on Overboost.com next week for the lead.

The rest of the Wild Card side went down like this: **Western Pacific** took down **Forest Lanes** 4 to 1 behind Ken “*Delirious*” Dilorio with 705, and Ed Regehr’s 642 paced Forest Lanes. **Pro Approach – Lakewood** got a sweet set from Emerson “*Chocolate*” Wafer with 668 to win 4 points, while David Van Gaston and Norm Black Sr. both shot 633 to lead **J.C. Spas**. **MoneyNet Residential Loans** got a pair of solid efforts from Marcus “*No Sour*” Lemons 673 and Vernon Adams “*No Eve*” 704 to lock up 4 points over **Team Storm** to remain in contention. **Reback’s Plumbing** wasn’t plugged up this week as they *Roto rooted* their way to the night’s 2<sup>nd</sup> best team set with 2604 and a sweep over **Clyde’s Video Games**. John Mongillo 700, Raul “*Spanky*” Rosales 678, and Ramon “*The Terror*” Torres 643 led the winners, while Clyde Lumpford paced his team with 628. Steve “*Wild and Crazy Guy*” Martin 655 and Gary Duran Duran 640 led

**Roto Grip** to a 3-2 win over **Erickson’s Food** who were paced by Scott Filipi 630. The final match saw **Pro Approach – Downey** gaining a sweep as Johany “*No Bologna*” Polony 735 and Chris “*Smoka*” Rocha 634 paved the way.

On the Round Winners side, despite the gunning of Nick Smith “*& Wesson*” with 279/701 for **Linder Insurance**, it was the Dynamic Duo again for **Ebonite** as Billy “*Batman*” Myers Jr. 651 and Paul “*Robin*” Smith 637 led them to a 4-1 victory and within 8 points of the #1 seed. Arnold Cheesman sizzled his way to 689 and led **Tangeo.com** to a 3-2 defeat of **Tri-Star Vending**. Jon Brandon “*IRON*” and D.A. Smith paced Tri-Star with 669 & 646 respectively. Larry Hanken was doing some spanking as he rolled 721 to sew up a 4-1 win for **Threadworks** over **Freek Racing** who got a solid effort from Paul Barraco with 640. Ramiro Garcia looped his way to a 655 to lead **Columbia 300** to a close 3-2 win over **Prudential Real Estate**. John Chapman 642 and Danny Ontiveros 629 were tops for Prudential.

The side pots continued their upward climb from last week’s scores as everyone got a second look at the 3<sup>rd</sup> round shot. One of those who adjusted the best was Steve Gurrieri who fired 11 straight strikes for 290 to win Game 1. Vince Wood was just behind with 269 for place money. Game 2 was a tie with Scott Norton and Greg Neuer were nearly perfect as they both finished with 279 to split the pot. Game 3 had 3 winners as Nick Smith won the Super Pot with 279, Steve Gurrieri took Game 3 with 268 (thanks Nick!), and Vernon Adams rolled 256 for 2<sup>nd</sup>. Series Pot went to Mr. Invincible as Vince Wood rolled 782 to collect the cash. Congratulations to all the Side Pot winners!

Expect to see the scores stay hot (like the weather!) as we move to the Round 1 condition. Lots of time yet for things to change as we *still* have 4 weeks to go. But as always, we have the **CLIPPERS** still alive plus **NHL** and **MLB** all on a HUGE screen in the Lounge here at **DEL RIO** in Downey. Watch the game and then the hot action on the lanes. See you next Monday and thanks again for checking in!

## 299 Awards Presented to Jolene Lewis

by Sue Mellott

LAKE FOREST—Monday evening May 28th, 2006 awards were presented to Jolene Lewis for the 299 game she rolled in the 7:00 PM, NFL Scratch Trio at Lake Forest Lanes. Three awards were presented to Jolene that evening.

Jolene Lewis

The persons making the presentations were; Orange County USBC Association Manager, Cheryl Huntington, who presented Jolene with a USBC 299 ring, CWBA District Director, Sue Mellott, presented a 299 Gold Pendant, and Orange County USBC Director, Arlene Gagan, presented a Silver Butterfly Necklace. Our Congratulations to you Jolene for a great game!

Jolene and her husband moved out here from Wichita, Kansas where they bowled together. Upon arriving here they joined leagues in Orange County, bowling at Saddleback Lanes and Forest Lanes. At the present time Jolene bowls twice a week at Forest Lanes. Jolene has worked with Bill Del Monte, on her bowling skills. She carries an average of 174, and rolls a 14 pound "Smokin Inferno". This is the ball she rolled when she scored her 299 game.

I asked how she felt when she rolled her 299 game and she replied, "I felt comfortable till the last ball, then I felt I had no legs". To make the evening complete a friend, of Jolene's, in the league, gave her the bowling pin she left on her last ball. CONGRATULATIONS from the whole league! I hope you get a 300 next time!

It was my sincere pleasure to meet you, and I had a good time talking with you. Good Luck in all your bowling endeavors.

## National Deaf Bowling News

### Deaf Pro Frank Gallo Cashed in Opening PBA Senior Tournament

by Connie Marchione

MANASSAS, VA—Frank Gallo, Jr., Landam, MD who in the early 1970's. is the first deaf member of Professional Bowlers Association, has a good start in the first PBA Senior tournament of this year. He cashed for \$1,100 in a tie for 18th place in PBA Senior Manassas Open held two weeks ago in Manassas, VA. The tournament drew 161 entries.

Gallo rolled a good round of 1664 (208 ave.) in the Sunday opening 1st block of 8 games but it was not enough as he placed in 45th. So on Monday morning 2nd block of 8 games he improved with 1699 (212 ave.) for a total of 3383 to jump up to 20th place of the top 32 bowlers cut off for the match plays.

In the first round best three of five match play, Gallo was against PBA Hall of Famer Johnny Petraglia. NJ and won in 5 games 3-2 with 199-204, 234-179, 216-195, 202-206, 216-168. Then Gallo moved into Tuesday morning's 2nd round of best 3 of 5 game match play against Bill Argenbright. VA.

Gallo lost the first match 183-214 and evened by winning the 2nd match 196-184. Then Gallo lost the next two 205-243 and 195-223 and was eliminated.

Besides placing in tie 18th for \$1,100, Gallo got a good start with 6,715 points. He also placed 17th in average list with 208.32 for 35 games.

Unfortunately, things was not rosy for Gallo in the next Senior tournament, PBA Senior Chillicothe Open at Chillicothe, OH which turned out as a high scoring event.

Gallo started poorly with 1572 for his first 8 games to place 49th out of 163 entries. On Monday morning he improved with 1637 but his 3209 total put him in 84th place. His score was hardly enough as it took 3284 total as last to cash out of match play.

Now Gallo is resting till next month's Senior Masters at Sun Coast in Las Vegas.

#### LINDSEY COULLES VOTED FEMALE MVP AND RUNNER-UP IN FEMALE POY

#### STOGRYN 981 LED SCORING OUTBURST IN DEAF TRAVEL AT CANOGA PARK BOWL

WINNETKA—Since failing to get a 300 with leaving 2-8-10 split in his 11 strikes in row 297 game in his league at Cal Bowl last February 15, Darrell Stogryn had fought doldrums in So. Calif. Deaf Traveling League which had his average dipping down to 194. Finally Stogryn cleared up and found his mark in the travel league's final season stop at Canoga Park Bowl, rolling games of 249-268-206 for 723 and finishing with 258 for 981, his best showing in a long while.

Not only Stogryn scored well at Canoga Park Bowl which will be the site of Pacific Coast Deaf Bowling tournament this Memorial Day week-end, he led four other bowlers who crushed the 800 barrier in this season ending session. Ed Abakumoff had 169-247-211-224 for 851, Dan Flores, 186-198-215-224 for 823, Pablo Yoma 184-268-172-196 for 820 and Bob Jones 195-236-163-214 for 808. Andy Lorenzo came 11 pins short of making the 5th 800 with his 214-203/789.

Stogryn's timely heroics along with Paul Taffolla's 226-204/772 and Mirna Aranki's 195/621 gave their El Camino Village the league's season high team series 2374. Four other teams crushed the 2000 barrier giving the league a new record 180.3 average per bowler as 11 out of 14 present made the honor roll.

The league thanks GM Barry Gurney, Mike Willis and the staff for being excellent host and will return to Canoga Park Bowl for an encore in its season closing sweepstakes on May 21.

# Cerritos Weekly Mike Foley Tops Senior Boys – Shoots 702

by Tom Ferry  
CERRITOS—Mike Foley, 17 of Fullerton, broke through the 700 barrier last Saturday with games of 208-246-248 and earns the much coveted “700 towel” and hearty attaboys from friend and family. This Pizookie lovin’ senior has bowled in the Cerritos program for years and is posting high scores on a regular basis lately. Congratulations Mike.

Not far behind Mike was teammate, Shaun, “Shamu”, Morad, scoring a steady 222-225-235/ 682. Also posting high scores for the Senior Boys, Will Jackson 236/ 652 and Chris Hefner 247/ 600 exactly, with honorable mention going to Mike Mallari with handicap scores of 258/ 693.

On the girls side, Ashlee Raya struck often, dialing in a 210 third game. Theresa Rusas came in from the left and scored 204 in her second game. A name not seen too often, but very worthy, is Aprwil Delmundo. A 96 average bowler gets on the board with terrific 246 / 673 handicapped scores.

The Striking Force was not short on high scores either. Breaking through the ceiling, Terrence Lowe goes to room 222 at the top of his class, also good for series high of 587. Always a strong deliverer of the ball, it’s good to see Terrence have success. Now let’s see that smile.....yes!!! Be looking for more from Jeff Conwi. His 204 second game is just a sample of what this talented bowler is capable of.

If you want to have fun in competition, Jason Ito is someone you want to have near. He’ll keep you loose and show you how to have fun watching pinfall, whether it be strikes or crazy spares. Jason topped off a 553 scratch series with a 200 game. Eric Hefner covered a lot of boards and scored a nice 174 scratch game – 67 pins over his 107 average. Nice shootin’ Eric.

The Striking Force girls are always ready to put up the numbers and last week was no exception. Case in point – Kiana Jansen’s first game – 218 and a 500 series.

New comer, Akayla Basto, shows how practice pays off. She seems to love the game and puts in the work to improve. Her scores? 224/ 625 handicapped. Akayla’s average is 93.

Rookie of the week is Sean Dantes and he had some close followers. Sean shot 110/ 289 scratch 209/ 586 handicapped. Nipping at his heels, the brother team of Ryan and Randy Hruska. Ryan led everyone with a 213 handicapped game while Randy also hit the 200 mark. Their series, 578 and 573 respectively. Throw into the mix Taylor Flores’ 204/ 597 and you’ve got quite a full morning of terrific bowling.

The girls were also neck-n-neck for weekly honors. Savannah Ratliff, 198/ 570 – Kaila Chen, 198/ 560 and Kris Liberatore 180/ 512. Way to go girls.

Lil’ Raider boys climbed the ladder, so to speak, with Jason Villa’s 102, Jared Dee’s 103 and Chase Matheney’s 104. Ayden Matheney also made a showing with his 144/ 282 handicapped series to top all bowlers.

Always look for these two girls to be at the top of the Lil’ Raiders list. Jameshia Gaddy 132/ 260 and teammate, Kaitie Johnston 125/ 229.

# West Coast Jr. Elims

by David Gordon  
NORWALK—Welcome to another summer full of junior action with high scoring and competition. This is the West Coast Jr. Elims at Keystone Lanes, where opening day gave us 24 bowlers to start off the summer long tournament. And there is still time to join all of the fun.

Lots of high scores to report in this 4-game scratch format, so let’s get to it. Jeremy Glover led the way with a very impressive 224-279-225-278/1006. Ouch!, that’s a 728 for the first three and sets the bar for the summer. Way to go Mr. Glover.

Next we have the starters of the 800 club. Leading off is Dayton Crossley with 223-243- 217/ 879, John Lawson 230-244/868, Darren Hawkins 242-249/857, Eric Milne 217-220- 241/846, Matt Harris 201-222-221/835, Kevin Jones 220-247/818, J.D. Pelow 245 206/817, and James Hawkins 237-245/801. What a list!

And in the 700 club we have more high scoring from Ryan Calhoun 218-211-201/782, Preston Fukumizu 213/769, Samantha Jimenez 235-209/759, Marquis Brooks 213/756, Eddie Sayles 212/751, Michael Gaylor 202/742, April Urban 200/737, Joey Marino 211/722, Vernon Caraway 213/701, Brent Stern 231, and Natalie Jimenez 205. Very Good.

As mentioned, there is still time to sign up for the West Coast Jr. Elims at Keystone Lanes, either as a single or with a teammate. New sign-ups will be taken through the 3rd week. Nine(9) qualifying sessions of 4 games per session. The cost is \$14.00 per session and there will be opportunity to make-up missed sessions.

The schedule this year allows time to take part in all of the various tournaments, both local and national. With week 1 behind us, the remaining schedule follows.

Week 2 on May 20, week 3 on May 27, and week 4 on June 3rd (with make-ups and/or pre-bowls following the normal session. Then we have a double session on June 10th (weeks 5 & 6) and week 7 on June 17.

We then have extended byes for holidays and tournaments. During that time, there is two days that make-ups and pre-bowls can be done for those still in town. We resume with week 8 on July 15 and will be the last opportunity for make-ups or prebowls following this session. We end our qualifying round on July 22nd with match play starting on August 12th.

We will accept signups for the Junior Eliminations this Saturday May 20th. Bowling begins at 2:30PM. So, if you missed the first week you can still participate and make up your bowling for week number one.

This league is sanctioned Junior Gold but Junior Gold membership is not required to join. If you have any questions regarding the ELIMS please call Canoga Park Bowl 818-340-5190.

The Elims program is a great way to keep up your skills through the fun of summer and a chance to master one of the key stops of our traveling winter season. For more information please contact me at 310-665-9536 (w) or at David\_Gordon@sonyusa.com. Hope to see everyone there.

# Asato, Coronel, & Williams Lead Gable House Juniors

by Chris Graves  
TORRANCE—They were coming out of the woodwork this past week. Our familiar faces shot well as usual, and a few names you may not be so familiar with came up big with some really good scores. Are they getting ready for Summer leagues? Maybe getting their games in order for our upcoming Youth Memorial Day Scholarship Tournament? Let’s get to this week’s scores!

Talia Asato led all juniors in the Family Feud with a fine 219-592 series. She was joined by Andrew Fontenot 194-553 and Tyler Cooke 194-524. For the old farts, uh...I mean adults, we had Ron Range lead the way with a respectable 246-243/629 set. We also had Wendy Cooke 199-580, “Coach” Randy Beigle 195-522, Doug Ayers 201-517, and Crystal McInerney 192-502.

We have two weeks worth of the Battle of the High Schools. The April 28 session was Patrick Brown pull down top honors with a 155-453 series. Joining him were Shelby Goforth 167-439, Brianna Hom 154-429, and Sean Paine 142-352. Cinco de Mayo saw Andrew Fontenot limp into the top spot with a 150-415 set (he averages 185 folks). He was joined by Sean Paine 151-412, Boris Han 164-412, Patrick Brown 146-404, Shelby Goforth 173-390, Brianna Hom 129-364, and Christina Diaz 111-328. In addition, kudos to Randy Pittman on his 100-100-100 triplicate series. Enjoy the patch!

The Plush Pee Wees saw Garrett Kasai once again take top honors with a fine 102-189 series. Joshua Inouye had 93-185 and Corey Slater added a 67-124 set.

Sebastian Coronel took charge and came out swinging to lead the Junior Jammers after a nice 177-470 series. Douglas Meyer added a 145-403 set, followed by Catherine Shepard 140-397, Scotty Meyer 156-390, Daniel Montoya 150-374, Mallory Champlin 136-364, and Ryan Gabaldon 117-333.

Speaking of coming out swinging, Thomas Williams came straight out of the “Where did THAT guy come from?” sector to lead the Classic Highs. The 142-average bowler fired games of 170, 173, and a huge 257 for an even 600 series. Teammate Matthew Simon also had a strong showing with a nice 228-593 set. They were joined by Jonathan Shepard 233-548, Joshua Cooper 172-507, Talia Asato 178-475, Sean Martin 175-462, Matthew Wardour 183-452, Jared Gabaldon 168-450, David Williams 174-448, Blake Lubben 179-438, Misha Stevenson 180-434, Brandon Mullikin 162-432, Amanda McInerney 156-413, and Colleen Mae Tin 152-386.

We have a lot on tap here at the ol’ Gable House. Our annual Youth Memorial Day Scholarship Tournament coming up on Monday, May 29. We have a Youth Learn-To-Bowl on Saturday, June 3. Of course, we have Summer leagues now forming. Information on any and all of this can be found at our Service Counter or at www.gablehousebowl.com. Have a great week.

# Junior Elims At Canoga Park Week 1

by Matt Jones  
The Junior Elims got off to a start this past Saturday at Canoga Park Bowl. Leading the first session of the summer was Matt C-Mack with a nice set of 929. Following Cormack was Matt “Big M-Dizzle” Jones with an 831 and Scott Englehart with an 808. We only have one girl after the first week and that is Sharon Weger shooting a 765. More bowlers are expected to join this week so hopefully we will have some more high scores to report. Have a good week and catch you at Canoga Saturday.

# JAT Kicks Off 2006-07 Season This Sunday

by David Yamauchi  
WEST COVINA—The JAT and JAT Farm Club kick off the 2006-07 season this Sunday at Brunswick West Covina Lanes. Summer check-in time of 8:30- we will take the lanes at 9:00. Come early to check in as we need to fill out membership forms and collect membership fees for the upcoming season.

Just wanted to let all bowlers and parents know that Mary Smith regrettably is retiring from the Executive Director position at JAT. She will remain a part of the organization in a lesser capacity. She misses all the bowlers but unfortunately cannot continue in her past duties. Beginning this season, David Yamauchi will assume the Executive Director position as well as the paperwork and financial responsibilities of the club. Dave Gordon will of course continue his fantastic job as Director of the Farm Club division.

We will be discussing some changes to the organization this Sunday immediately following the tournament and we encourage all parents and bowlers to stick around and join in on the conversation. We believe it is time to make fundamental changes to keep the clubs going strong and to attract new bowlers.

Come visit our new website at www.bowljat.org and see the new layout. We'll be adding pages for stats, schedules and results in the near future also! You can also contact the directors at yamo@bowljat.org and dgordon@bowljat.org. Hope to see you all this Sunday!

Tom Leigh Secretary for the SFVYBA presents Will Jackson with his 298 ring bowled 2-12-06 at Fountain Bowl in JAT. Presented 4-30-06 at AMF Rocket Lanes.

# Citrus Belt's St. Peter & St. Paul Ladies Charitable League Completes 35th Season

by Frank Weiler  
RANCHO CUCAMONGA  
The St. Peter & St. Paul Ladies Charitable League will complete its 35th consecutive season on May 18, at Deer Creek Lanes in Rancho Cucamonga.

The league was started at Thunderbird Lanes in Ontario in the fall of 1971, its first season being 1971-72. Many of the first ladies to join the league came over from the St. Joseph Ladies League which started at Thunderbird Lanes in 1966 for the 1966-67 season. The St. Joseph Ladies League is no longer in existence. The St. Peter & St. Paul Ladies Charitable League bowled at Thunderbird Lanes from 1971 to 1985, at Upland Bowl from 1985 to 1996, and at Deer Creek Lanes from 1996 to the present.

As a charitable league, each lady bowler contributes ten dollars to a fund to be donated to the St. Vincent de Paul Society for the poor. We should commend these lady bowlers for helping the poor while enjoying the sport of bowling. I wonder why there aren't more charitable bowling leagues?

Some of the ladies bowling today have been in the league for many years.

June Seidel, a charter member of the league, joined in the fall of 1971 after bowling in the St. Joseph League in the 1960s.

Other long time league members and the season they joined the league: (1975-76) Lucy Herber; (1981-82) Linda Lam; (1986-87) Mary Carniello, Mary Hughes, and Sharon Tait; (1988-89) Paula Dauber and Dorothy Nigliazzo; (1990-91) Irma Hogue; and (1996-97) Gloria Miller. Currently, there are 48 ladies in the league, ranging in age from thirty-two to eighty-two years. Three members are currently over eighty years of age, three are in their seventies, six in their sixties, eleven in their fifties, twelve in their forties, and thirteen in their thirties.

Does anyone know of a Citrus Belt certified (formerly sanctioned) league that is currently operating and started up before the St. Peter & St. Paul Ladies Charitable League, in the fall of 1971? Does anyone know of a sanctioned/certified Citrus Belt league no longer operating, that operated for more than thirty-five consecutive seasons?

Send information on long-running Citrus Belt leagues to CB Historian, 2415 Willow Drive, San Bernardino, CA 92404.

I would like to thank Paula Dauber, Secretary of the St. Peter & St. Paul Ladies Charitable League since the 1988-89 season for helping me research this article. Also, my thanks go out to the Western Bowling News for publishing this article and supporting the Citrus Belt and its bowlers.
