LIFE'S LESSON

By Phyl Knoll

NORWALK — The time had finally come to leave for our annual participation in the National USBC Women's Championship Tournament in Reno, Nevada. We were scheduled to bowl Team on Wednesday, May 8th and Singles and Doubles on Thursday, May 9th.

While I drove and my friend and former Teammate Lupe Burke rode along. The other gals flew. On Wednesday following our Team Event squad, the entire team, Johnnie Mendez, Letha Lawson, Juanita Jackson, Tina Hall and husband Joe Hall, myself and of course, Lupe, headed for the Atlantis Hotel nearby for an early afternoon brunch. It was a most enjoyable 2-3 hours of food and conversation. Our once a year opportunity to just take time to enjoy each other.

On Thursday, immediately following the Singles and Doubles squad, Johnnie Mendez, Letha Lawson, Tina Hall and her husband Joe Hall were catching the shuttle to the airport to return to L.A. I, Lupe and Juanita Jackson were leaving for home Friday. I gave each a hug and wished them a safe flight. Johnnie was the last person I said "Goodbye" to and knowing she had a tentative schedule for surgery on her back next month in June, I gave her an extra hug, a kiss on her right cheek and whispered in her ear, "Please call me and let me know when you go and I'll BE THERE! She agreed and off they all hustled into the shuttle.

On Saturday, May 11th, Tina called me and after a bit

Johnnie Mendez

of a lull in her conversation.... She broke the news.....

"Johnnie passed". I screamed "What?" and she repeated..." Johnnie passed". And proceeded to fill me in on the details. Well, you can well imagine that it didn't sink in for several days; for remember, it had only been a little over one week since we said our "Goodbyes". Of course, it all came to light when I attended the Celebration of Life for Johnnie on Saturday, May 25th.

Having been given the opportunity to offer a few words to the family and attendees, I could only relate how we had closely shared each other's company on Wednesday and again our final farewells on Thursday and remarking "You know folks, losing Johnnie is a perfect example of one of Life's Lessons; that we really have to be careful how we speak with people, regardless of where they rate on your "friendly list"...because, for whatever reason, we may never see them again.

Rest in Peace Dear Friend.

DINO "DYNAMITE" DENNIS Explodes Again!

by Frank Weiler

FONTANA — I wonder how many bowlers have rolled an 800 series with a house ball? How about borrowing a bowling ball from a teammate and bowl 800?

That's what Dr. Dino Dennis did several nights ago at Foothill Lanes. How can someone bowl 800 with a borrowed bowling ball? My guess is that Dino was able to do so because he is a good bowler. Change that to "DINO DENNIS IS A GREAT BOWLER."

When someone does what Dino did he must have superior mental faculties, the ability to focus and a gift for being able to adjust to unfamiliar circumstances. Dino has all of these and more. That is why Dino is a Doctor. He has his PH. D. in Education and had a wonderful career as an educator and administrator.

Dino didn't tell me why he borrowed RICHARD HENDERSON'S DV8, but it must have been for a good reason. He didn't even tell me which DV8 he used. He may not know! I wonder how long it will take Dino to purchase his own DV8? Dino's 812 (266 - 279 - 267) was the result of thirty-one strikes, three spares, one open (missed ten pin), and a nine count fill ball to end the first game. This was Dino's fourth 800. He has a high of 847 (300 - 268 - 279) bowled at Landmark Lanes in 1985. He has fourteen perfect games to his credit.

Dino is grateful to Richard Henderson for loaning his ball, continued on page 8

Michael Kong Wins \$8,350 in ABTA Memorial Special at Covina Bowl

Guavarra, Morgan, Hilvano Share \$5000 Match Game Pot

ABTA at Chaparral" 300" Saturday Handicap Bonus Event 3-6-9 will be \$1,400 and Match Series est at \$5,000 Match Game still \$5,000

Michael Kong Wins ABTA Memorial Event at Covina Bowl (L-R) Lord Ferguson 4th \$735, Freddy Zamora 8th \$335, Randy Sanicolas 3rd \$1,250, Michael Kong Champion, \$8,350, Tomas Chavez (runnerup) \$2,500 & Emilio Flores Finalist.

COVINA — Covina Bowl was our host this year for our Annual Memorial Event and they did a great job. The staff is friendly and accommodating to all and helped make our event a success.

The shot was consistent, semi-tough but very fair to all every day. If you hit your mark you can score. 469 entries came out to compete and had fun in the process.

The cut scores were +66 on Thursday, +74 on Friday, +75 on Saturday, +70 on Sunday for regular qualifying and +65 for the re-entry for the men. For the women the cut scores were +65 on Thursday, +34 on Friday, +71 on Saturday, +47 for regular qualifying.

The Super Seniors added to the board (two men and one Woman) Emma Soliman

+46, Bobbie McCollum +45, Edilberto Arcelona +69, Ben Bagaioisan +62, and Dino Cantoria +60. Super seniors are men 63 and over, and for the women a young 55. That would give us 94 bowlers making it to the semi-finals.

High qualifiers for the tournament Victor Hilvano for the men with a +149 and for the women it was Wendy Soo Hoo with a +119. hey get a paid entry in a future regular ABTA event.

Victor, would draw for the Match Series Pot worth a cool \$3,440. He drew a 617. We had no bowlers who match that score so we will estimate \$5,000 this Saturday at Chaparral "300".

In the 3-6-9 roll off (\$1,300) we saw Shed Smith miss in the final round. He got \$100. The

pot goes for \$1,400 Saturday at Chaparral "300".

In our optional doubles, finishing in first were Emilio Flores and Jeff Taino with a 1445 for \$160, second place was Deborah Sanders and Kelly Wynn with a 1426 for \$140.

There was a total of \$2,180 paid out in doubles and 29 paid spots with low to cash of 1334. The semifinalists took to the lanes and after the three games the leader was Tomas Chavez with a +170. In second was Randy Sanicolas at +135. Mr. Chavez, our top seed had the honor of drawing the Match Game worth \$5,000.

He drew a 205 this week. After a review of all the scores bowled, we had three bowlers who shot that score. And after review of their number of squads bowled, we had three winners of different amounts. Danny Guevarra would take home his full share of \$1,666, Angelito Hilvano would take home 75% of the pot or \$1,249 and Michael Morgan would take home 50% or \$833. With that we have a full pot of \$5,000 and a backup pot that is at \$555 next week.

Now to the top 32 Match Play finals. In the first round, the fifteen losers were Ted Villaroman, Christine Smith, Fel Garcia, Kristine Soliman, Dino Cantoria, Tim Tran, Marina Suos, Cleveland Johnson, Emily Yeung, Errol Geralde, Ed Palma, Emilio Flores, John Phan, Justin Ziegler, Mamerto Jablan. Each got \$225. In round two, eight losers were Eugene Haynes, Sol Cericos, Rey Josafat, Fred Go, Sarah Magno, Du continued on page 5

NORWALK — What would be the Scratch Bowler's Utopia? The scratch player's Ultimate "Pot" Game, if you will? Wouldn't it give multiple opportunities to cash? Not just winner take all. Wouldn't the ideal "pot" game pay for consistency over time, i.e., totals for numerous games? Not just on a flash-in-the-pan, one game, bowl well, get compensated or bowl bad, tough luck kid, hit the road result. Wouldn't a great "pot" game give a bonus for

any exceptional or outstanding individual performance? Not just a nominal, token amount of remuneration.

The normal "Pot" game will cost you around \$20.00 a game. It should have a minimum of ten players to make it worth a bowler's time. The payout would be something like this: \$100.00 for high game, \$50.00 for second high game, \$20.00 for third high game, after paying for lineage. If a player is bowling well and cashing, he or she would stay

and continue to play. If the player cannot maintain being the top two or three bowlers, the money dries up and the bowler usually will pack up for an early exit. Payout for series or for an exceptional performance is not only unheard of, but it is non-existent in normal "Pot" games.

Welcome to SKINSBOWLING.COM! I wanted to design a scratch bowling tournament that would not only answer the above question continued on page 3

THEYKEN PLANS TO BOWL WITH FRANK GALLO IN USBC SENIOR MASTERS

SAN DIEGO — An email was received from Jim Theyken, San Diego saying that he will fly to Las Vegas early Sunday morning June 9 to bowl in USBC Senior Masters at South Point Hotel and Casino Bowling Center. He added that Frank Gallo, Jr. Jacksonville, FL will be there and asked if I could be there. I regretted not being able to travel alone at my age but assured him that I will be watching the event on bowl.com’s YouTube each day.

USBC Senior Masters is a major tournament for USBC and PBA bowlers age 50 up being scheduled on June 9-14 at South Point Hotel Bowling Center. Theyken is entering for the first time and Gallo, Jr., a veteran deaf PBA member had entered many times in the past. So this year may be the first time for this Senior Masters to have two deaf bowlers entered.

Theyken wrote he is averaging 214 in Jake’s Monday MatchPlay Singles League in San Diego along with hearing-impaired Robert Ellison at 213. Ellison is a Bronze Level coach, who writes occasional bowling tips in this column in California Bowling News.

At this writing Floridian Gallo, Jr. is bowling in PBA50 West Regional tournament at Johnson Lanes in Sun City West, AZ.

Both Theyken and Gallo, Jr. had experience and titles in Deaf Masters events, which used fewer games than USBC Masters and Senior Masters. Theyken, a left-hander won the 1989 Pacific Coast Deaf Masters. Gallo, Jr. won more with titles in 1980 & 1985 Pacific Coast Deaf Masters and 1984, 1985, 1987 and 1990 National Deaf Masters. In these years both Deaf Masters drew over 100 entrants. GOOD LUCK TO Theyken and Gallo, Jr. in the USBC Senior Masters.

NO 900 FOR BILL O’NEILL

NORWALK — Bill O’Neill admitted visions of duplicating Joe Scarborough’s 900 series danced into his head, but not until after the fact.

The four-time PBA Tour titlist from Langhorne, Pa., kicked off the PBA Lucas Oil Badger Open, the first event in the GEICO PBA Summer Swing presented by Lucas Oil, with 21 consecutive strikes before leaving a solid 8 pin on the new, untested 52-foot Badger lane conditioning pattern on natural wood lanes at AMF Waukesha in suburban Milwaukee. Scarborough, of course, recorded the first 900 series in PBA history with three perfect games kicking off his opening qualifying round in the PBA50 Tour’s Sun Bowl in The Villages on April 21.

“Yeah, I thought about 900 after the round was over, not while I was bowling,” O’Neill said, and then smiled. “And then I remembered Scarborough didn’t make the cut, so I didn’t feel too bad about losing my chance.”

BARNES, WEBER TO PARTICIPATE IN CHRIS PAUL CELEBRITY EVENTS

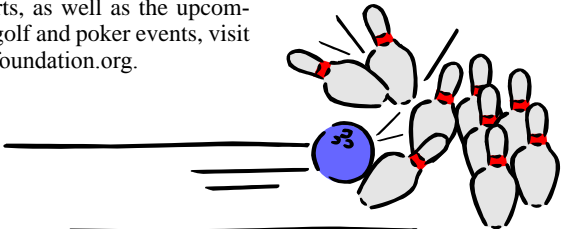

NORWALK — PBA stars Chris Barnes and Pete Weber have been invited to participate in Chris Paul’s Celebrity Poker Tournament at Club Nokia/LA on July 7 and the Chris Paul Celebrity Golf Classic benefiting CP3 Foundation at Sherwood Country Club in Thousand Oaks, Calif., on July 8. Both events are fundraisers for the NBA all-star point guard’s charitable foundation, which he founded in 2005 in memory of his late grandfather.

Paul, the owner of the L.A. X team in the new PBA League and host of the annual Chris Paul Celebrity All-Stars bowling event, is a two-time winner of the National Basketball Association’s Community Assist Award for his numerous charitable programs. For more information on his community efforts, as well as the upcoming golf and poker events, visit cp3foundation.org.

PBA’S FIRST TOURNAMENT DIRECTOR MORRIS CRAMER DIES

NORWALK — Morris Cramer, an Albany area resident who served as tournament director for the first three PBA tournaments held in upstate New York, died Wednesday of complications from cancer. He was 87.

Cramer, an outstanding bowler in his own right, was a former proprietor in the Albany area. He ran the 1958 Empire State Open, catching the eye of the founders of the newly-formed PBA, and when the PBA awarded its first ever tournament to Schades Academy in Albany over Memorial Day weekend in 1959, Cramer served as its director.

tions and concerns, but also fulfill the needs and wants of the bowlers. It was a daunting and challenging task. But, the end result produced excellent numbers and the potential for financial success, spreading the wealth deep and wide for the bowlers. Let's take a look at the numbers and benefits.

With six games to capitalize your winnings, a good bowler can stock pile money from each game. Each game builds up equity towards three (3) series payouts in the tournament: First 3 games, Second 3 games, and Total 6 game series. The payout for each games and series is: \$100.00, \$75.00, \$50.00, \$25.00. Each game carries a \$100.00 Skin that is earned when a player (or players) bowl a game that is 20 pins above the field. If two or more players should tie for the Skin, the Skin is shared.

There are 42 ways to cash with a minimum field of thirty-five bowlers. As more bowlers enter the tournament the payout will go deeper and deeper. With multiple opportunities available for a player to cash, it is likely that most players will not go home empty handed. The tournament maximum field is 80 players.

EXTRA CASHING OPPS: BEAT HALF THE FIELD BRACKETS

Brackets are available for games 1 through 3 and 4 through 6. The payout ratio is 1 to 4. The "Beat Half the Field Brackets" is simple, fun and very forgiving. Just bowl better than half the field. It's that simple! The first game eliminates the lowest games up to half of those who entered the Bracket. The second game does the same, eliminating the lowest games up to half of those remaining. The third game, for the remaining one fourth of the players, is the money maker! Bowl well and you will finish higher in the money. The payout, rules and cost to enter the tournament and brackets can all be viewed at skinsbowling.com.

Reservations are highly recommended and discounted entry fees are available for those that do. This format has proven to be exciting, lucrative financially and challenging for the scratch bowler looking for a place to use their skills. Please call Joe Coleman at 310-872-8428 or go to skins-bowling.com for more information. See ad to the right.

Quach, Deborah Sanders, and Holden Au. Each getting checks of \$265. In Round three the four losers were Tom Mazzula, Beth Borci, Art Windsor, and Freddy Zamora with each getting checks of \$335. (Not losers.)

We are now down to the final five bowlers. The weekly horses are paying a low of \$47. Randy Sanicolas to a high of \$438 for Lord Ferguson. In this round, we saw the 16th seed Jeff Taino bowling the 30th seed Michael Kong. It would be Michael who would advance in this match. In the other match we saw the 27th seed Lordan Ferguson bowling the second seed Randy Sanicolas and it was Randy who would advance in that match. Finishing in 4th and 5th place this week were Lord Ferguson and Jeff Taino. They each got a cool \$735.

Our semi-final match would pit the 2nd and 30th seeds with Randy paying \$46 and Michael paying \$196 if they would win their match. This was again another good match from both bowlers. In this match, Michael was out to win as he started with a turkey while one open by Randy in the third frame saw Michael jump out in front by 39 pins. Both bowlers would continue back and forth with spares. Randy was not able to double, and Michael would go on to win, 211/245 to Randy's 180/204 to advance to the title match. Randy would finish in 3rd place for \$1,250 and Michael advanced to the title match and was your horse winner for \$196. :=)

The title game was on at Covina Bowl. Tomas Chavez vs Michael Kong. Both bowlers started out with strikes to open up the match. In the second, it was Tomas who got a spare while Mi-

chael would leave a split and open. In the 3rd it was Michael who stayed clean on the left lane but it was Tomas who only picked up two of the three pins on the 2-4-5 leave he had. At this point, it was a slim 12 pin lead for Tomas. A missed 6 pin by Michael in the fourth frame and strike by Tomas saw the lead jump back up but then in the fifth a missed five pin by Tomas gave Michael a shot and he would strike again on the left lane. In the 6th he found his line on the right lane and started a string of strikes to finish out the match and send him onto his fifth championship with a 234/268 to Tomas 162/209. He would take home \$5,000 for the victory and an additional \$2,300 for Cash and Carry, \$150 for bowling in the last three events, \$900 for bowling in 33+ squads in the last year, and an additional \$100 for wearing his ABTA Shirt to give him a total of \$8,350. Tomas would take home \$2,500 for his second place finish.

Champion Michael Kong is from Arcadia and used an IQ Pearl Storm drilled by ABTA Member Billy Chao. He is single and would like to thank his brother Samson, Billy for taking care of his equipment, the Bowl-Mania, Jimmy, Ada, John Phan, Andrew, Bennett, Benjamin, and friends that stayed behind to cheer for him, along with the ABTA and its Fine Staff.

Tomas Chavez, is from Fontana and used a 900-Global Bank Roll. He is married to Joseta, and they have three kids Naomi, Steven, and Benjamin. He would like to thank his family specially his wife Joseta and his three children, along with Emilio, Galdino, the ABTA and its staff.

Randy Sanicolas, Third Place, is from Chula Vista and used a Theory Roto Grip drilled by one of the best.Teddy Turner at Kearney Mesa Bowl. He's single and would like to thank his family and friends, Covina Bowl for hosting the ABTA tournament, the ABTA and its staff.

PBA FANS DISCOVERING
LIVE FRAME-BY-FRAME
SCORING ON PBA.COM

NORWALK — Ever-evolving technology continues to provide new-and-improved ways for bowling fans to follow the Professional Bowlers Association, live in real time.

One of the special features that more and more fans are discovering is the live frame-by-frame coverage of PBA Tour events on pba.com, the PBA’s official website. A function of the live scoring includes mapping of pin leaves, which provides fans with a way to follow the action as it happens in a way never before available. It’s more comprehensive than even television or radio could possibly provide.

To experience the depth of detail, visit pba.com during the next live round of coverage (especially during match play rounds), click on the “live scoring” link and then open the “live links” to specific players or matches.

Live scoring on pba.com is free, and provides a great supplement to the live online video coverage and commentary provided by the PBA’s subscription-based bowling channel, Xtra Frame.

The next rounds of PBA Tour competition on pba.com will include the GEICO PBA Summer Swing’s Lucas Oil Wolf Open qualifying rounds Thursday at noon and 6 p.m. ET followed by round-robin match play rounds Friday at 11 a.m. and 6:30 p.m. ET.

NEW MULTI-PLAYER
VERSION OF PBA
BOWLING CHALLENGE
NOW AVAILABLE

NORWALK — Concrete Software, developers of PBA Bowling Challenge, one of the most popular electronic games for mobile device users, has launched a new multi-player version on Google Play that allows users to play against each other.

The new multi-player version was announced at Google’s annual developers’ conference, Google I/O.

Following an outstanding initial release in 2012, leading to over 2.8 million downloads and a rating of 4.7 out of 5 stars on the Google Play store, the long-awaited multi-player update to PBA Bowling Challenge has arrived.

“Multi-player was the obvious next step for the title,” said Keith Pichelman, CEO of Concrete Software. “It was by far the most user-requested feature and something we had intended to include from the beginning, but finding a multi-player service that would meet our needs proved to be difficult. We were very fortunate that the release of Google Play game services happened to coincide with our plans for the game. We were able to integrate quickly and easily with their services to give our users the ability to bowl in one-on-one, real-time matches against their friends.”

In addition to multiplayer functionality, the integration of Google Play game services will provide Concrete Software with other features, such as cloud saving, that will be incorporated into future updates to PBA Bowling Challenge, Pichelman said.

The new version is available at Google Play.

California Bowling News is proud to bring you....

Chuck Pezzano

Dean of Bowling Writers, PBA & USBC Hall of Fame

IDLE BOWLING THOUGHTS

... Injuries, in most sports, particularly football and baseball, can often be the biggest factor in a winning or losing season. Bowling injuries rarely cause long layoffs, though anyone who has lived and bowled through hand, wrist, arm and shoulder problems can attest to the pain and frustration. Proper sympathy should be given, except when the aches and pains are the result of a temper outburst, a fist against a wall, or the kicking of a ball return.

...Doug Schmidt's published book, "They Came To Bowl; How Milwaukee Became America's Tenpin Capital" is a monumental work that traces the history of bowling in one of the solid root cities of the sport. Schmidt, longtime writer and publisher from Milwaukee, shows he also is a first class historian well worth a wide audience.

...Since the dawn of the 21st century, opportunites for pro level female bowlers have decreased, yet, in a strange turn of events, the top talent is better than ever. Maybe it is because they must compete against the top men in many cases. Maybe it is because they have the patience and heart to try to keep moving forward, as they have for more than a century.

...Jane Wyman, long one of Hollywood's stars, was also the first wife of President Ronald Reagan. When the late Andy Varipapa, the first bowler to make movie shorts (he was featured in 25) in the 1930's, one of his favorite precision shots was to line up a number of people on a lane, roll the ball between their legs, and score a strike. In Hollywood he did it with as many as nine starlets—and Wyman was one of them.

...On the first night of fall league play many bowlers who didn't practice much in the summer wished they had.

...Though it makes for plenty of heated discussion, trying to compare the stars of the past and the current, usually decide nothing. There are teenagers today who have higher averages and more 300 games, 700 and 800 sets than fabled Hall of Famers. The one fact seems evident. Any real great in any era would also have been great in any other era.

...The best advice to any league or tournament bowler is simple—read all the rules carefully.

...Mika Koivuniemi, a Finland native, lives in the United States and makes his living on the US Pro Tour. The universality of the sport continues to grow. One of the first to show it big time is Amleto Monacelli, an Italian who lives in Venezuela, makes his living on the USA Tour and won his first title in Japan. Koivuniemi and Monacelli are the only two international players to win PBA Player of the Year honors and Amleto is the only international bowler to gain PBA Hall honors. Both speak more than one language but what they speak best is bowling.

...Kevin Dornberger, former USBC CEO, is one of the world's top experts on international bowling. He was one of the first to predict the spread of two handed deliveries by top bowlers and the trend already is making an impact on the world scene. It is the largest change in bowling style since they started drilling holes in bowling balls and when bowlers switched from two to three fingered balls.

...Bill Hoffman has often said, "It's time to find out how good you are." He's right on the ball. Don't hesitate to step up in competition the minute you feel you are ready.

...Bowling can be a funny game, but it's not meant to be that way, though it should be a fun game.

LOCAL USBC ASSOCIATIONS

MONTEBELLO – Here is the tournament update for the last two JAT Farm Club events, sorry. A few weeks back, we were at AMF Beverly Lanes with a low 15 bowlers in attendance. That led to a second round cut of the top eight. The low turnout was a little surprising, as this was also our last of three PBA Challenges. The winner of the season’s challenge (high qualifying pins for all three) was Daniel Martinez with 2,776 pins and the reward of a gift card.

In the qualifying round though we had some pretty good scoring for those that did make it out. The tournament high game was put up by Shane Pierson with a 255 and leading the qualifying round was William Benson with games of 225-222-247-243. Good bowling gentlemen. High scores also came in from Joseph Velick 247-234, Michael Ma 240, Ben Gaster 234, Victor Jackson 227, and Matthew Zweig 221. Benson’s lead was a plus 138, while last to advance came in at minus 85.

In the match play round some other notables from Patrick Rodriguez 236, Benson 234-227, and Daniel Martinez 221-222. Rodriguez made the most of the round by jumping six positions into the finals.

The finals then started out with the 4th seed Jackson (-39) against Martinez (-28), with Martinez taking this squeaker of a game 212-211. Next up for Martinez was 2nd seed Rodriguez (+22), who took this game 193-186. Now we had Rodriguez (veteran) going against the tournament leader Benson (+346), who took the first game 204-190. But the experience showed as Rodriguez captured the next two games straight 235-185 and 228-175, for his 4th career Farm Club title. Congratulations Patrick.

That brings us to our most recent tournament at Brunswick Deer Creek Lanes. Being the last regular tournament of the season we had 20 bowlers take part trying to gain those last few highly important JAT points. Here they were treated to the Open division format of six qualifying followed by best of three - bracket eliminations for the top eight.

In the qualifying round we had highs from Ryan Weitzel 238-269-236 (tournament high game), Daniel Martinez 257-235-266, and Joseph Velick 262-234. Excellent bowling you three. Others were Victor Jackson 236, Shane Pierson 229-229, Ben Gaster 226, Dusty Bogaert 233, Dylan Cowling 222, and Anthony Brough 220. The leader after six games was Martinez at plus 138, while 8th spot to advance came in at minus 69.

In the round of eight eliminations we had Martinez going three games to fight off Ryan McBride. McBride posted a 225-224 win on the opening game, but Martinez two the next two to advance. Also advancing to the semi-final round, each with two straight wins was Pierson, Gaster (227 game) and Jackson (248 game). The next round had Martinez again going three games against Pierson. Pierson took the first game with a reportable score of 238 and Martinez fought back once again for two straight including a 243 game. Nothing like doing it the hard way. Also advancing into the final pairing was Gaster in two games which included a 238 game.

And the final match also went the distance of three games. Game one went to Gaster 207-191 while game two went to Martinez 232-203. In the final and deciding game the gas was gone (no pun intended) as Gaster took the last game 208-171 for his first JAT Farm Club title. Congratulations Ben.

Now to update everyone on those special JAT points. Why so special or important? Because only the top 20 in JAT points (alternates considered) are allowed to bowl in this Sunday’s JAT Farm Club Invitational Tournament, which is also our last tournament of the season and my last tournament as Director with this outstanding tournament club. The top twenty bowlers invited (in order) are: Daniel Martinez (6723), Patrick Rodriguez (5500), Matthew Zweig (4490), Stephanie Zavala (4115), Bert Dominick (4030), Ryan McBride (3715), Javier Zavala (3550), Ryan Weitzel (3240), Julian Zavala (2920), Joseph Velick (2508), Michael Ma (2400), Kylie Shishima (2345), Eric Torrence (2010), Shane Pierson (1790), Ben Gaster (1680), Matthew Krull (1540), Heather Morkes (1470), Victor Jackson (1420), Matthew Green (1175), and Eric Schuksta (1000).

I need to hear from Rodriguez, all three Zavala, Dominick, Weitzel, Torrence, Pierson, Green, and Schuksta, to confirm your attendance. I need to know by Friday noon, otherwise the alternates will start to be called in this order: Jordan Davis (965), Patrick Lofgren (945), Eric Mandzuch (715), Anthony Brough (670), Leah Zweig (660), and William Benson (650). You can do so by phone 310-665-9536, text message 626-975-7782, email David.Gordon@am.sony.com or Facebook me.

The invitational tournament will be this Sunday at Cal Bowl. Check in begins at 8:30 and bowling to start around 9:00. The format for this tournament will be 10 games of match play with position round in games 5 and 10. That will be followed by the top 5 TV-style roll-off finals. Scholarship payout will be for only the top three bowlers.

Therefore get your rest and practice, make sure you’ve confirmed your attendance to me and I’ll see everyone at Cal Bowl.

Knapp Strikes To First JAT Title

RANCHO CUCAMONGA — The JAT headed east to Brunswick Deer Creek Lanes for the final regular event of the 2012-2013 season. A field of 19 took the lanes in the Open Division to compete for the title.

Scoring started off strong as the lanes were playing soft to start. Luke Holley led qualifying coming out of the gate with a 257 then finishing with an impressive 255-275-254-784 series to get to +249. Close on his heels was Brandon Pekins with a 290 5th game pushing him to +217, followed by Open Division guest Matthew Zweig at +173. Blake McBride used a 258-290-239-787 set in games 3-5 to get to +171 and Wesley Low Jr rounded out the top-5 firing a 277-242-247-766 set to start but hobbling in at +163. Low to qualify for the bracket was Ashley Dunn at +92.

In the bracket, the top-4 took a bye while the other 8 bowled the play-in round. On the left, (9) Kevin Jones took out (8) Joshua Taylor in two straight while (5) Wesley Low Jr. swept past (12) Ashley Dunn to advance. On the right, (10) James Knapp took 2 from (7) Cory Koyanagi and (11) Brian Hernandez needed three games to dismiss (6) Joe Grondin.

In the quarterfinals, the top-4 jumped back into action but the layoff was not kind as all 4 bowlers lost their matches. (1) Luke Holley fell to Kevin Jones 201-199 and 203-174. (4) Blake McBride went the distance before bowing out the Wesley Low Jr. 224-187, 198-215, 237-160. (2) Brandon Pekins went three shootout games with James Knapp before falling 280-256, 235-248, 251-234. (3) Matthew Zweig was swept out of the second round by Brian Hernandez 220-187-198-184.

In the semifinals, James Knapp kept on his striking sweeping past Brian Hernandez 184-179 and 248-159 for his first-ever trip to the Championship Match. On the other side of the bracket, perennial finalist Wesley Low Jr. stayed strong sweeping past Kevin Jones 257-237 and 214-205 to advance to meet Knapp.

In the Championship Match, James Knapp came out striking and stayed clean while Wesley Low Jr. uncharacteristically missed a couple 7-pins and dropped game one 202-185. With pressure mounting, Knapp kept up with Low frame to frame and defeated Wesley 224-218 for his first JAT Open Division title. Congratulations James!

The JAT Invitational is this Sunday, June 2 at Cal Bowl in Lakewood. The top-14 bowlers are invited to attend this event. The Invitational is worth Major Points and is the last event of our 2012-2013 season. See you top-14 bowlers at Cal on Sunday!

New Sponsor ‘FINANCIAL ADVISORS’ is Adding Money to Super Pots and Sweepers

The Financial Advisors Super Sweeper Sidepot

\$10 weekly entry fee per bowler, with half of the money being paid out each week, and the other half going towards the huge payouts on sweeper night at the end of the season.
With 47 entries on Monday, the Financial Advisors sidepot is looking at \$235 in the weekly sidepot and \$9000 estimated for sweeper night. The top three series will get paid, as well as the top 16 games bowled that night. Bowlers are eligible to cash in each game.
Financial Advisors Super Sweeper Sidepot, will be adding \$1,000 to the total collected. If you win 2 Super Pots all season you'll be ahead before we even get to sweepers with the \$9000 payout. 100% of all money collected will be paid out for the season.

TOP SIX READY FOR \$52,000 ROLL-OFF

DOWNEY — The “Ebonite” challenged 64 bowlers for 36 weeks. Now the top 5 round winners plus a wild card team will have their roll-off on the first week-end of June. The winning team will skate away with \$16,000. The Ebonite ad showing dollar amounts has been like a neon beacon. Win Me, Win Me, Win Me!!!

Monday, the PRO APPROACH team captured the fifth round title by out-scoring GJC SERVICES 4 to 1. Checking scores: Ken Dilorio 652, David Cogswell 684, Jared Lawrence 618 and head cheerleader Billy Myers Jr. 495. Was tough on GJC SERVICES to see the games slip away...BUT Lee Liu split the “Strike Pot” with Ray Torres. “\$685 each. That pays for all next season? Sign up now guys.

Back to the WILD CARD winner. Before this year started, team captain Leonard Ruiz was checking averages, personalities, historys, and reliability of many bowlers. He was given CLYDES VIDEO GAMES as a sponsor, and floored his hand picked team of Ramon Torres, ChauneY Merritt and Joe Jimenez. Week after week they watched OTHER teams climb to the top and win a round. Chances of CLYDES winning the wild spot were getting slim. Monday produced a 5/0 win against LINDER INSURANCE and they are now in the roll-off!

Sweepers this coming week and the 6 team roll-off for the \$ \$ \$ the following week-end. No reservations—Open Seating!!

Arnold Cheesman and Mike Montana both shot 258 to win sidepot #one. Kevin Peterson pocketed pot #two with a with 264. Anthony Barone’s 264 claimed big pot #three. Dean Sanderson’s 268 was tops for the FINANCIAL ADVISORS POT. GIANT POT NEXT WEEK GUY!
