# The 2009 International World Games Rolls In July

by Page Dew for the Bowling News Network

The International World Games 2009 Kaohsiung will be underway in Chinese Taipei July 16-27. Over 3500 athletes will proudly represent their countries, yet most American bowlers do not know about The World Games and how they play a significant role in the world of sports.

Here is a brief overview of its history and organization:

The International World Games Association (IWGA) was founded in 1981 in Seoul, Korea and currently has 32 member international sports federations. (IFs) IWGA member sports include sumo, rugby and ten pin bowling. Without going into a minutia of detail, let's just put it this way- the IFs in IWGA are Olympic "wannabees." Although not absolutely necessary for inclusion into the Olympic program, membership in the IWGA often helps a sport attain Olympic status, and Olympic status can mean money, lots of money, along with major "face time" on television. Where does bowling fall into this equation? Bowling would love to experience the prestige and resources that come with a place on the Olympic Programme, so participation in IWGA can be helpful towards Olympic status.

As a sanctioned member of USBC you are actually a member of a number of sports organizations beginning with your league, your local association, your state association and your national organization, USBC, however, it does not end there, USBC is the National Governing Body (NGB) for bowling in the United States and therefore is one member of an international organization called the Federation Internationale des Quilleurs (FIQ) and FIQ is one of those 32 IFs in the IWGA group. FIQ has a total of 137 members, 112 ten pin and 25 nine pin NGBs. (Nine pin is a discipline of bowling found mostly in Europe)

To confuse you more, FIQ is recognized by the International Olympic Committee. (IOC) Several years ago, many people in the United States became confused when the IOC recognized the IF for Sport Dancing. Many believed, and still believe, Sport Dancing is an Olympic sport, which it is not. The IF has simply been authorized to be the international representative for Sport Dancing to the IOC. You might want to think of the IF as your lawyer who represents your interests to a court of law. (IOC)

The Olympic Games are held every four years and the last Olympic competition was in Beijing, China and the next Olympiad will be in London, England in 2012. The 2016 Games site will be selected in Copenhagen, Denmark October 2, 2009 from impressive bids presented at Sport Accord in Denver last March by Chicago, Madrid, Spain, Rio de Janeiro, Brazil and Tokyo, Japan. The World Games also takes place on a quadrennial schedule. In 2005 the Games were in Duisburg, Germany and this year they are Kaohsiung, Chinese Taipei. Chinese Taipei is also called Taiwan and Formosa.

Who will represent the United States in the World Games? Stephanie Nation and Chris Barnes will compete for our country. The US does not get an automatic spot in the World Games. Eight men and eight women from each of three FIQ Zones across the world are selected through a competitive process. Will Stephanie and Chris each win a gold medal? Although they are both excellent and experienced players, don't underestimate the quality or determination of their opponents. We have seen such international players as Cara Honeychurch, Carol Gianotti, Mika Koivuniemi, Ameleto Monacelli and others do well on the professional circuit. Such countries as Malaysia, England, Australia, Japan, The United Arab Emirates, Denmark, Colombia, Canada, Chinese Taipei, the Philippines and many others have represented themselves well over the years in world and regional amateur competition.

If you wish to send Chris and Stephanie a note of encouragement it is easy, both are on the Facebook social networking site and I'm sure they would welcome your message.

Next month I'll have some of the results of the Games and some insight into whether or not bowling will ever be included into the Olympic Games. Stay tuned! Links:

## Quon Carves Out A Win At The Bowlum

All Pots are a Carry Over to Las Vegas this week

Match Game will be \$3,500 Match Series est \$2,200 3-6-9 is \$1,500

Las Vegas THIS WEEK Thurs/Fri/Sat/Sun at the South Point

\$7,500 1st Min. \$12,000 1st Possible

Each Day is a separate Qualifying Day Onsite entries are welcome.

MONTCLAIR—I talked to David Quon during the 6:00PM squad and he said the lanes are tough but very fair. Little did he know that he was on the way to the title at the Bowlum. He made the Semifinals and was tops in the Semi Finals to be able to bowl for the title. And bowl he did, winning in the end vs upstart Robert Mercado.

The scoring was lower as Men +16, and the women +7 made the cut to the semis. The nice turnout of 277 bowlers saw 71 bowlers advance to the semi finals, and super seniors Janice Meloon, Mike Bousquet, Jerry Fagan and Adam Drozd.

The scoring in the semis was still on the tough side with Men +32, and the women -27 \*Ouch\* making the top 16 single elim finals and having the chance to win it all.

David Quon got hot to say the least firing a big +108 to be seeded tops and bowl for the title. In second was Danny Reece Sr. at + 76 who would

sit out the first round of the single elims and enter in round two.

Losers in round one were Beth Borci, Shannon Kokanour, Jerry Fagan, John Samson, Justin Taino, David Emrich, and Angela Lung. They got checks of \$110 in 10-16th place. Round two had Danny Reece Sr., Ngheim Tran, Jun Tumacay, and Donovan Chung. They got paid \$120 in 6-9th places.

Round three saw Robert Mercado edge Vic Garcia 222-210. and Erik Volk took out Joevin Bolanos 204-184. Joevin and Vic bowled well in 4th, and 5th places and \$140 each. Now It is Erik Volk and Robert Mercado meeting for the right to bowl for the title vs Quon. Mercado won out in a big way 226-179. Erik was 3rd with fine bowling and Robert off to the title game against a ready David Quon.

The title game was on. Quon led off with a spare and Mercado the same. Both opened in frame 2. Quon, after

a spare, split in four (count em 4) straight frames and had 75 in the 7th Frame and guess what he was only 15 pins down!! Mercado then opened in the 7-8 frames and it was within count. Both marked the 9th and Mercado finished first and split the 10th frame to finish 137/162. Quon needing only a good count to win finally struck and doubled to win at 141/179. Folks, it just goes to show anything can happen and do not give up. David Quon will attest to this theory as he won in that fashion. David is one of most passionate ardent supporters, always willing to help and be nice at all times. He has many friends in the ABTA and always has some good, and funny things to say. He has brought many new members to the ABTA also and we are appreciative in all facets. Congrats David on winning title #4. You are most deserving to say the least.

Tourney Hi qualifiers were Tim Tran (men) +97. Angela Lung led the ladies +75. They

Quon Wins Title at the Bowlum - (L-R) Robert Mercado (Runner up) David Quon (Champion) \$1,900, Glen Tse, ABTA Member, Erik Volk 3rd, ABTA Director Bobbie McCollum, Justin Hannon Bowlum Assistant Manager, Lily Gumban, and Vic Garcia 4th.

will get paid entries to any regular event.

The doubles were taken by Tim Tran and Derek Lee 1324 \$180. Tran teamed with Vuong Do 1302 and \$160. We paid 28 places and \$2,080 in the doubles.

The Match game was not hit due to a 273 game pulled by David Quon. The Match series was also not matched as no one had the drawn 584 series so Big Bucks to carry over to Las Vegas for sure.

The 3-6-9 was a carry over and three bowlers shared the consolation of \$60, Conrad Amado, Gref Velarde and Alan Basto.

David Quon is from Alhambra, married to a Great Lady Clara with kids Jonathan, Jacqueline, and Zoey. He used a Danger Zone drilled by Dave Edis at West Covina Lanes. He thanks pals Glen Tse, Jason Chiu, and Victor Lee and the Mou Liu League Bowlers for support. Spec Thanks to the ABTA and Staff esp Bob for the best tournament.

Robert Mercado is from Ontario, married to Violeta with kids Daisy, Jeremy and Natalie. He used a Buzz Bomb drilled at Oak Tree Lanes. He thanks ABTA and Staff for a great event, family for support and God for all his blessings

Erik Volk hails from Fullerton, he is single and used a AMF Radar drilled by Harry Wong at Friendly Hills Lanes. He thanks family Mom Irma, Dad Gary and sis Jennifer and Bro In Law Fernando for support, and the Bowlum for a great place for a tournament!

Thanks to Herbert, the fine Bowlum Staff who were very helpful, and Big Thanx to Fast Ed Regher who set a Very Fair and Very tough tournament shot on the lanes. The Bowlum is growing immensely in popularity and it is nice there with a friendly atmosphere. We will return soon.

David Quon enters the archives as our latest Champion.

Las Vegas! Here we come this weekend. South Point is the place for us this weekend in a four day event. This is our Annual Summer Event. \$12,000 1st place is possible and \$7,500 min. guaranteed. Please see our ad and front page story in this paper for info. South Point is easy to find and is freeway accessible from Interstate 15. On the way in from LA just take Silverado Canyon Road (first big Exit) and right 2 blocks at 9777 Las Vegas Blvd South. See the website at www.abta1.com for information.

On a sad note we regretfully hear of the passing of Paul Geyer, past ABTA member

and ABTA Champion. Paul was one of the good guys and was in his day a fine bowler. He moved to California from Oak Park Illinois in 1976! He won an ABTA Title at Premiere Lanes and was a fine ABTA supporter. A Bowling and Horseracing enthusiast. He is survived by one brother Bill Geyer. Paul will be missed by all who knew him and is now up above with his forum. Handicapping the hors-

es and working on that perfect game. God Bless!!

We will have a bye July 11. July 18 we are hosted by CAL Bowl and then for our long awaited return to Del Rosa Lanes in a Frozen Handicap event style.

A new Schedule and Pamphlet is in the works, so if You have a new address, get it to us ASAP. Hope to see You in Las Vegas this weekend. Until then!

## Carry, Carry Carry!

SAN DIEGO — The final NABI tournament prior to NABI Week 2009 was wrapped up June 27th at Admiral Robinson Center. Brian Watkins bowled exceptionally well & earned his third title. The lane conditions were a little less challenging this weekend, so carry was important in the finals. Brian's power game really helped, as even the normally stubborn ten pin dove for the pit when his ball flew by! He collected \$1200 in prize money & is now one of the first bowlers eligible for the Tournament of Champions during NABI Week 2010! Way to go, Brian!

The other top 5 bowlers were Tim Knight, Jonny Long, Mike Castleton, & Harold Weisbecker.

N.A.B.I. Champion  
Brian Watkins

Taking home the guaranteed \$50 sidepots each qualifying game were Chad Hill, Larry Esguerra, James Sylvester, Ed Lomibao, Tim Knight (2), Mike Castleton, Brian Watkins, Jeff Greer (2), Steve Slezak, Homer Bautista, David Santos, Phil Horn, James Rostello (2), Jonny Long & John Tanja. Sharing the 3-6-9 Perpetual Pot were Dwaine Streater, Mike Castleton, Tim Knight & Jonny Long (who also collected for 9 in a row on the second weekend).

Since we're heading for Las Vegas for NABI Week 2009, there will be no local tournaments in July. The next local NABI tournament will be August 1st & 8th at Mira Mesa Lanes. Details will be included in a late July edition of Bowling News. See you in August.... we'll save a cookie for you!

# Fred Thompson Speaks at 2009 Bowl Expo

by Page Dew for the Bowling News Network

LAS VEGAS—Former Tennessee Senator Fred Thompson addressed a receptive audience at the 2009 International Bowl Expo, held June 22-26 at the Mandalay Bay Resort in Las Vegas. Thompson's conservative view of political, social, and economic policies resonated well with his listeners.

An unsuccessful candidate for the Republican Presidential nomination in 2007-08, the Senator's resumé is diverse. He is a politician, actor, attorney, lobbyist and radio host. As an actor, he is best known for his appearances as District Attorney Arthur Branch in the popular television series, Law and Order, while his movie career has brought him to the screen 23 times including the films No Way Out, The Hunt for Red October, Days of Thunder, Class Action, In the Line of Fire and Cape Fear.

Speaking without notes or a prepared script, the Senator acquitted himself well, entertaining the mostly small business group with his personal story, interwoven with his self-described common sense opinions. He described his journey through life as full of "happenstance" with no regrets.

All of his issue positions were predictable with strong supporting arguments. The 67- year-old Thompson seemed to enjoy the Bowling Expo venue where he presented himself as a "friend of freedom." A strong believer in federalism, he has been quoted as saying, "federalism provides a basis for a proper analysis of most issues."

In his press conference after his public presentation, Thompson sat at a long table with reporters and amplified his keynote remarks. At times, it felt like a friendly chat with Andy Griffith in Mayberry. Both Thompson and Griffith give the feeling of being in a room with someone with a slow Southern drawl who is extremely intelligent. His personal journey through life highlights strength of character, perhaps derived from his parents and the environment of his hometown of Lawrenceburg, Tennessee.

The recent election of President Barack Obama and the majority rule of the Democratic Party in Congress prompted Thompson to opine that the passage of increased federal regulations and taxes will stifle small businesses, including bowling centers. Additionally, the Senator said that such "liberal" policies will cause "the chickens to come home to roost." He described Obama as "naïve," if he believes these policies will prove to be productive.

On foreign policy, Thompson presented an interesting take on the current unrest in Iran. He pointed out that the young population in Iran certainly has taken notice of the way the United States has encouraged free elections in Iraq. As a result of this policy in a neighboring country, Iranians long for the same right to determine their government.

As a bowler, the Senator recalled how he bowled in a league with a local civic organization many years ago, but did not have his own ball or shoes. Like many bowlers, he could not remember his highest game, perhaps by design.

Currently Thompson is a radio host, along with his wife, Jeri, on 170 stations on Westwood One, succeeding Bill O'Reilly when O'Reilly ended "The Radio Factor." He is represented by the prestigious William Morris Agency and will most likely be seen again in television and the cinema, but expressed no future political aspirations.

### 73rd Annual Great Lakes Deaf Tournament Results

CLEVELAND — A month ago I gave you some news supplied to me by Ken DeGroff about the 73rd Annual Great Lakes Deaf Bowling Association Tournament held in Cleveland last April 16-19 at Frereway Lanes. With that I reported the GLDBA's C-ahen Masters won by Ron Hood Jr. of Rochester defeating Allen Brooks, Indianapolis in finals and that defending champion Carl Malucci, Las Vegas placing 7th. Also that Ken's former team Overrated Bowlers won their 2nd team scratch title in a row with a near 3345 score. With such near record score, I had to wait till I got more info from GLDBA secretary-treasurer Mike Jasko, Cleveland on the scores.

Finally, I got them from Jasko but unfortunately Jasko was busy running two tournaments a month apart. He gave me just the series scores, not per game scores except the new record team game 1205 made by the Overrated Bowlers. Thanks Mike.

### Overrated Bowlers Hit Record 1205 Game In Winning 3345 Scratch Series

Last year's defending team champion Overrated Bowlers composed of bowlers from Maryland, Indiana, Ohio and New York rolled a new record high team game 1205 in coming 3 pins short of the team series record with 3345 to repeat as the scratch champions for the \$800 prize. In that 1205 game (so far the first 1200 team game ever made by a deaf team in a deaf tournament) each bowler contributed almost as evenly DJ Powell, IN 246 (727 series), John Taylor, NY 234 (625), Josh Phelps, OH 248 (707), Jim Morris, MD 234 (653) and Kevin Moran, MD 243 (633). This is a fine group as a team as in last year's tournament they won with 3311 score.

Second place \$350 went to Smashin' Pins, Detroit with 3202 and third placed \$200 was taken by The Power of Storm's (Calif.) 3199. Due to the economic crisis the team event drew an all time 60 years low of 50 teams with the scratch prizes going to 7 places and the main handicap prizes to 12 places.

### Chicago Team Scored Record Handicap 3572 For The Grand \$3500 Team Prize

Overrated Bowlers failed to defend its team handicap title, coming in 3rd with 3432 total as WSAD (West Suburban Ass'n of Deaf), Chicago rolled 3122 plus 450 handicap for a new record 3572 total. Dennis O'Brien led WSAD with 771 handicap series, Kevin Murray had 736, Michael Mangialardo 716, Kenny Watts 707 and Edmund Folerzynski 646 as the team won the team handicap grand prize of \$3500. WSAD broke the old record of 3545 made in 1989.

Second place \$1750 prize went to Shut Up and Bowl, Ohio's 3175 plus 303/3478 and Overrated Bowlers' 3432 got them 3rd place additional \$900 prize.

### Host Club's Duo Of Dudasik/Harwood Takes Scratch Doubles With 1344

The Host Club's chairman James Dudasik took time out from his work to bowl a 656 series to add to his partner Bob Harwood's 688 for a 1344 to take the scratch doubles prize of \$250. Tom Cramer, NY and Ron Zuchegno Sr., MI combined for 1309 to place 2nd for \$160 and Rochester's duo of Chuck Silco Jr. and Scott Weston scored 1308 for 3rd place \$120.

### Rochester's Duo Of Silco/Weston Takes Doubles Title With 1473

Rochester's Chuck Silco Jr. rolled 617 and partner Scott Weston added 691 for 1308 plus their 165 handicap for 1473 to take the handicap doubles title and \$1400 prize. Second place \$700 went to Albany, NY pair of I. Mincker and T. Ohea with just a pin back 1472 and J. Brown, LA paired with M. Carter, IL for 1440 record.

The scratch doubles prizes ran to 7 places and the main handicap prizes went to 29 places.

Next week we will show the singles event which had 8 700's.

## Yard Sale & Treasure Hunt

The San Gabriel Valley USBC will be having a “Yard Sale” Fundraiser on July 11 & 12. We all have things in our closets or packed away in the back of our garages we haven’t seen or used for years, well now is the time to clear them out and donate them to your local bowling association. We could really use your support.

If you have any items; large or small you would like to donate to the event it would be greatly appreciated. The smaller items can be brought to the local association office. Larger items like desks, dressers, etc would need to be taken to the yard sale site. Then on Saturday, July 11 and Sunday the 12th from 6:00 A.M. till? The yard sale will open at 6:00 A.M. and you are all invited! Come and browse. You might find something you have been looking for; as they say “Some one else’s trash maybe your Treasure” The location for the yard sale is Bill & Lynda Lapp’s residence; 2658 Bonita Ave, La Verne – East of White Ave. Open from 6:00 A.M. till?? For any additional information feel free to contact the SGVUSBC at (626) 859-6216.

## Mark Roth Update

This is an advisory for all Mark Roth fans: Mark’s wife Denise has advised that Mark was transferred today to St. Luke Health Services, 299 E. River Rd., Oswego, NY 13126 where he will continue his battle to regain body functions in the wake of his recent stroke.

Denise Roth noted St. Luke is a “sub-acute” rehab center. During Mark’s three-week stay in the “acute” center in Syracuse, his treatment was focused on regaining as much function as possible. Denise said that as of Monday, Mark had regained a little movement in the fingers on his left hand, and a little movement in his left arm, where there had been none. He also has been able to walk up to 100 feet with the assistance of walking devices.

She noted there is no long-term prognosis at this time about the level of function Mark will regain, but his doctors are hopeful because he is relatively young and athletic. But, she said, “It’s going to be a long, slow process.”

## Baker Whips Up A “Perfect” Dozen in Rocky Marsh Doubles

by Joy McGregor

ANAHEIM—Dan Baker started his morning session at a moderate 214. Now, with his thermostat turned up a notch, Dan started cook’n and I think it was pre-set at 300 cause he made it look soooo darn easy with every shot programmed to hit the pocket. After the final shot was fired, a Perfecto was baked; what a treat!! Dan added a 194 for 708 and then tossed a 216 to register 924. Mighty fine bowling partner!

Smoothie E.J. Rogers is still King of his neighborhood and reclaimed his crown on games of 228-255-258 for 741 and added 203 to score high series of the day at 944. You rule E.J.!

“Super Sub” Lenney Huber shows he’s got all the right “stuff” and strokes games of 215-248-259 for 722 and added 216 to post 938. Lenny and E.J. opposed one another so, as you can see, it was a very interesting and exciting match!

Tim Blough is baaaack ... He jumped right into his spot in the 900 Club on games of 258-258-192 for 708 and added 207 to sport 915. Nice to see you back on track Tim!

Tony Chaco, just back from Vegas, found the left hand side of the lanes to his liking as he stroked 219-232-237 and 220 to chalk up a 908 set. Better than Vegas huh Tony?
