ZACK KING Wins Grudge Match

by Frank Weiler

SAN BERNARDINO — I am nearly sixty years older than Zack King but that fact doesn't keep us from competing against each other. We both look forward to our weekend bowling matches. Only the sport of bowling allows a senior to be able to compete successfully against a youngster. It is the only sport that allows athletes of all ages to compete evenly against each other.

Well, Zack's day has finally come. For the first time he beat me and did so convincingly. He averaged 201 for six games and won two consecutive matches. With sets of 608 (215-182-211) and 600 (177-210-211) he beat me 3-0 and 2-1. What's an old guy to do? But I will be back.

Zack is just thirteen and has been bowling only since September. Nonetheless, with coaching from LEE FITZGER-ALD, TERRY HODGSON and BOBBY LYONS and a new IQ ball from JOHNNY VALENTINE, his game has taken off. His league average is up twenty pins.

Zack averaged seven strikes a game against me but had seven single pin misses. Those open frames kept him from averaging 215! YOUNG **BOWLERS**: PRACTICE YOUR SPARES. Spares are important especially those corner pins. Thank you BOWL-ING NEWS for supporting California's youth bowlers.

PBA Waives Eric Forkel's \$100 Fine

LAS VEGAS — Eric Forkel's \$100 fine stemming from an altercation with Professional Bowlers Association Hall-of-Famer Pete Weber has been waived.

Forkel, a five-time PBA Tour champion and perhaps the top bowler to come out of the San Fernando Valley, had appealed the PBA fine.

Forkel and Weber, who also was fined \$100, got into a brief heated exchange about a month ago during the Suncoast PBA Senior U.S. Open in Las Vegas. Weber believed that Forkel got into his "line of vision" when Weber was preparing to bowl, according to insiders at the event.

Weber, known for his fiery personality, shouted at Forkel after he believed that Forkel distracted him when the latter grabbed his bowling ball. Forkel fired back and the incident was caught on bowling channel Xtra Frame.

"It was a relief to me," said

Eric Forkel said the PBA "did the right thing" in waiving his fine.

Forkel, after hearing the decision this week from John Weber, the director of the PBA50 Tour, and PBA Commissioner "Why spend a

hundred bucks when you don't have to? I'm glad they did the right thing. It was really 99% him. All I did was react."

Scroggins won the Johnny Petraglia BVL Open and UnitedHealthcare Sun Bowl In the Villages presented by Radical. He also has a fifth-place finish in the Fountain Valley Open

presented by Track.

Bohn also ranks third in points (118,020) and LeClair is fourth (105,408). California USBC State Convention Recap

2015 CUSBC State Convention – Ontario Radisson, Ontario, CA • Sat. & Sun., June 13-14, 2015

by Bette Addington, California Bowling Writers

Workshops - Sat., Jun. 13, 2015

Idea Share Workshop with USBC's Mike Larsen & CUSBC President Rosie Parker

Concerns and questions shared by State Delegates attending this workshop included:

- 1. USBC Women's Nationals. USBC awards for this event are cut down and now women must bowl a 240 game or better for a pin award.
- 2. Building Youth program idea. The Monterey USBC is trying to run their youth bowling like youth baseball where the participants pay a fee at the start of the season for a season packet. Then the participating center will issue these youth bowlers a VIP status which gives them extras like free practice games throughout the week. An 8-10 week session would cost \$100-\$150 for the package. Include coaching programs.
- 3. Youth & Adult Coaching. Put on a coaching clinic for your association. Cost would be \$20 per person with a limit of 50 people in this clinic for maximum.

 Also on bowl.com, USA Bowling Clinics run from July through October with coaching conference.
- 4. Bowling Book Averages. I posed the question that how can USBC accept a book average if it is from one date in one association and a totally different date from another? USBC understands that the date submissions are not the same throughout the US. Some still do April 15th; others are going with May 31st or the end of winter season. Others voiced similar concerns as I have that this needs to be standardized in some way.
- 5. USBC Rule Books. Several delegates were upset that the number of Rule Books that will be distributed to the associations has been cut down so much. Mike said this was a way that USBC felt they could cut down some of their spending and questioned who uses these books as USBC felt it was a waste to send out that many. They will now be sending out only 5 books per center and 3 books for associations. For everyone else, you have the option of looking at the Rule Book online or downloading the mobile app.
- 6. Bowling's bid to get into the Olympics. Mike shared that bowling is on the short list to be considered for the Olympic Games in Japan for 2020.

USBC Jamboree with Mike Larsen

<u>USBC Promise</u> – Celebrate the past - Be mindful of the present - and ensure bowling's future.

- Main concern is getting and keeping sanctioned bowlers.
- Promote what the future of our sport is.
- Power that bowling has is the people (membership). We need to tell our bowlers all USBC does and that we offer to make them bowlers.
- Talk to people about our sport outside a bowling center
- Promote our associations through images—pictures, create images and share these on Facebook and websites that best embody your association.
- It costs you just 40 cents to have your image on bowl.com each year, isn't that worth it?

Why join USBC?

- --Rules & Bonding Department value
- --Lane certification
- --1895 was when organization started/120 years of bowling
- --BVL (started in 1942), and was started right here in CA
- --Halls of Fame
- --Celebrating achievements and services
- --Tournaments (10,000 tournaments certified annually).1946 was when CA started holding state tournaments.
- --Junior Gold members up 75% since 2005
- --64,000 students received scholarships through SMART last year
- --250 colleges have bowling teams
- --300,000 users per month on bowl.com

For your association's web page, you need to be updating it regularly or those who use it and see no changes will lose interest. This year was also the 10th anniversary for USBC.

 $\underline{\text{O \& A}}$ Will Junior Gold ever come back to the West Coast? Mike replied not in the next two years.

Awards Banquet - Saturday evening hosted by CUSBC

The Awards Banquet had fewer in attendance than the one last year in Sacramento. This is the second year that CUSBC has tried this event. It is put on to honor any CUSBC Hall of Fame inductees as well as any other individuals being honored by the CUSBC. Honorees this year included Carlos Alestra/Strikes Unlimited in Rocklin for Coach of the Year; Hall of Fame inductees Donna Morales for Meritorious Service and Debbie Ayers for Superior Performance; and, three youth bowlers – Wesley Low from Palmdale, Mia Singletary from Daly City and James Knapp from North Hollywood who each received \$500 youth scholarships.

2015 California USBC Association Annual Meeting - Sun., June 14, 2015

Annual Meeting was called to order at 9am by President Rosie Parker. Following Roll Call, the 2014 minutes were approved. We were handed an excerpted version of the 2014 minutes as we entered the room for this meeting and were told that the complete minutes, which was like 112 pages from last year, are available on the CUSBC website. There were a total of 95 adult delegates and 29 youth delegates for a total of 124 eligible to vote.

Under "Committee Reports" The Budget and Finance report drew the most interest because of the proposed increase the State dues from \$1 to \$2. Chairman Andre Eubanks explained that State has had a \$42,000 loss and in a position where they really want to help associations by providing some much-needed awards that USBC has stopped giving and said their intent is to develop more for youth and investing in our future.

Next we went into the Championship Tournaments report. The event was held for thirteen weeks in Oroville. Entries for both events are down this year for the Open and Women with 265 for Women and 375 entries for Open to date. The Youth State takes place in July for two weekends in Dublin & Fremont.

BVL Tournament had 218 registered to bowl and only 183 bowled in Modesto this past March. For 2016, they are moving the date to May 14 and the event will be at Keystone Lanes in Norwalk. There is a proposed change for the 2016 BVL to change the Men's Classic division from 190 and up to a higher number to help even out the men's divisions more since this top Classic division has had so many participants. Stay tuned!

CA State Singles is scheduled for Oct. 17-18 at Winnetka Bowl (formerly Canoga Park Bowl). It was reported that 42% of the entries for this event are walk-ins. And, now Youth can also bowl in this event!

Diddy Watts State Youth Singles Challenge (State Scratch.) Finals are Aug. 1-2 at AMF Visalia Lanes.

New Business-Legislative. The first Proposal (By-Laws Proposal B-1) to be voted on was for the State dues increase to be raised from \$1 to \$2. The delegates rejected this proposal and it was not passed.

The next Proposal (By-Laws Proposal B-2) was to eliminate the 3rd Vice President on the CUSBC Board that was to be filled by a youth member of the association 14 years or older. This proposal was not passed by the delegates so this position will remain and be filled by a youth. The third Proposal (By-Laws Proposal B-3) was to change what constituted a quorum for the CUSBC board from 12 to 10 and this proposal was passed.

Nominating/Election. All incumbents were voted in to serve on the CUSBC Board.

President Rosie Parker and Assoc. Manager Larry Peppers were elected to serve as State Delegates for the 2016 USBC National Convention which will be held in Las Vegas, NV. The date and location for the 2016 State convention was not mentioned. The 2015 USBC National conventions will be held in Las Vegas.

It was not known whether Weber had appealed his fine. John Weber, in an email, wrote Monday that "the PBA doesn't provide comments on the resolutions regarding player punishment fines.'

John Weber had said at last month's Fountain Valley Open in Orange County that Weber's and Forkel's actions had represented a "conduct" violation.

=John Weber added that the incident happened in the "heat of the moment" and that he "didn't think there was a [continuing] problem between the two." Forkel, who works part time in the pro shop at Texas Station Hotel's bowling center in Las Vegas, has said repeatedly that he and Weber have gotten over the incident. "He's not that way," said Forkel about Weber on Saturday. "Outside the lanes, he's a really cool guy.

"So we're good. It's not that big of a deal."Forkel added that the incident has been "put to sleep where it's supposed to be until the next time and the next crisis.'

Forkel, co-host of Bowling Evolved, joked on the June 21 program's video broadcast over the Internet that Pete Weber was welcome to appear on the show so "we can discuss the event one more time." Forkel added during the show that "there are no hard feel-

The incident took place while Weber and Forkel were bowling in adjoining lanes against different opponents.

Forkel, a Van Nuys High School graduate who had spent most of his life in the San Fernando Valley before moving to Nevada, defeated Weber twice during match play at the Suncoast event.

As luck would have it, the two bowlers wound up in the Suncoast championship match. Weber, of St. Ann, Mo., won the title match, 224-212, and earned \$12,000. Forkel picked up \$7,000 for his second-place finish. Forkel, a Henderson, Nev., resident, said he wasn't thinking about the incident when he faced Weber in the championship match.

Weber got the first two strikes in the 10th frame to seal the win and join Norm Duke as the only players to win U.S. Open titles on both the PBA and PBA50 Tours.

Forkel will compete next in the 12th annual New Mexico Open, a scratch event, to be held Aug. 14-16 at Tenpins & More bowling center in Rio Rancho. A record \$10,500 is guaranteed for the winner. A field of 240 bowlers is expected and more than \$65,000 will be paid out.

The Biggest Bowling Story of the Year & This Reporter Missed It!

by Fred Eisenhammer

WOODLAND HILLS -Kim was there. So was Khloe. Same with Kourtney. They were all making the rounds last Wednesday at AMF Woodlake Lanes in the west San Fernando Valley community of Woodland Hills. It was all part of the filming of their reality TV series, "Keeping Up With the Kardashians." And they were bowling, along with one of Kourtney's sons.

Word got out to this reporter about 5 that night, an hour or so after the Kardashian group had made their entrance.

But by then, it was too late. This reporter never got a chance to rush over on the 30minute trek to the bowling center. After a phone call went out to Woodlake Lanes, a bowling center spokesperson revealed that the Kardashian gang had come and gone. No photos and not much of a story.

A Woodlake Lanes insider later reported that the Kardashian group stayed for an "hour or two. They were just regular people, regular folks."

The Kardashian group pops up at Woodlake Lanes "every so often," the insider said. And it usually takes about six months after the group's appearance before the show goes on the air. One tidbit about the Kardashians' bowling visit: One of the servers at Woodlake Lanes was doing cartwheels soon after the Kardashian gang had left the scene. That was a woman named Robyn, who was able to land Kim's used water bottle as a souvenir and was savoring the moment.

Perhaps the next time this reporter will get the scoop!

BURBANK — It's official. I have surpassed my own addiction and have moved on to pushing. Actually, I've been tempting the youth for years and it's high time I accepted my role in this glorious business.

It's true. I have one Team and three sets of Doubles going to Northern California for the Youth State Championships! I will not lie, I am delighted to see the excitement and pleasure coursing through their not-yet-developed brains.

My first trip to the Youth State tournament is a blur. Drunk on the excitement and being scared out of my mind took the details from my not-yet-developed brain. I do know I felt honored and appreciated.

With this in mind, I encourage all to participate in any of the major tournaments that you are able, whether you are 8 years old or 80 years old. You meet incredible people, sharing the same passion for the sport you love. Who knows? You might even win!
