Paula Vidad Wins Senior U.S. Women's Open Title

COLUMBUS — Paula Vidad of Sun City, Calif., defeated Lucy Sandelin of Tampa, Fla., 234-215, on Wednesday to win the 2013 Bowling's Senior U.S. Women's Open presented by BPAA and Storm.

Vidad stepped up in the final two frames and closed out the title match with four clutch strikes to lock up the victory at Sequoia Pro Bowl.

"It's amazing to win my second major title," said Vidad, who won the USBC Senior Queens in 2011. "We don't have a whole lot of tournaments for the senior women, so it's always special. There's nothing like winning a major and holding up that trophy." Sandelin led the event throughout qualifying and match play leading up to the stepladder finals, but was unable to pick up the victory in the high-scoring finale. Sandelin also finished as the runner-up last year.

Vidad, who entered the stepladder as the second seed, easily won her semifinal match against Tish Johnson

Paula Vidad

of Colorado Springs, Colo., 238-177. Johnson took down Kristy Witcher of Belfair, Wash., 178-147, in the opening match.

The Senior U.S. Women's Open was the second leg of the Senior Women's Triple Crown presented by The Orleans. The Triple Crown includes the National Golden Ladies Classic, won by Johnson in March, and the Senior Queens, which will take place at the International Bowling Campus from Oct. 24-29.

PBA Hall of Famer and Coaching Pioneer John Jowdy Dies at 93

EL CAJON — PBA Hall of Famer and pioneer bowling coach John Jowdy of El Cajon, Calif., died August 1 of natural causes. He was 93.

Jowdy, a native of San Antonio, Texas, was inducted into the PBA Hall of Fame in 1988 primarily for his coaching contributions but was also a prolific bowling writer and bowling industry advocate.

"John Jowdy was one of the greatest minds in the history of our sport," said PBA Commissioner Tom Clark.

"He cared about bowling and its greatest players as much as anyone ever has. Anyone who had the chance to meet or know him is better for it, and will never forget him, his humor, his vast knowledge or his cigar."

Jowdy began his coaching career by instructing youth bowlers in San Antonio, Texas, in the 1940s and '50s. Since the late '60s he had coached more than 100 professional and amateur men and women bowlers.

He joined bowling ball manufacturer Columbia 300 in 1962 and worked for many years as the company's traveling salesman, public relations spokesman and PBA Tour

representative. He is credited with the development of Team Columbia, a forerunner of the "pro staff" concept now utilized by all major bowling ball manufacturers.

Most recently he was inducted into the Bowling Coaches Hall of Fame in 2010 in recognition of his coaching contributions to the sport.

He also was inducted into the Texas Bowling Hall of Fame, the San Antonio Bowling Hall of Fame, the Bowling Writers Association of America (IBMA) Hall of Fame, and the United States Bowling Congress Hall of Fame (2001). In 2006, he was chosen as the International Bowling Coach of the Year by the World Bowling Writers.

"John was an all-round pioneer in the sport," said fellow Hall of Famer and good friend Chuck Pezzano. "He was an expert in many areas of the sport and probably coached more professional bowlers than anybody."

I remember seeing him at tournaments where players would line up to get advice from him. He was an advocate for women's bowling and what a lot of people don't know is that he was also a very good

Hall of Famer John Jowdy

bowler."

Jowdy also was instrumental in starting the John Jowdy Scholarship for high school and college bowlers, which Columbia 300 continues to sponsor in his honor.

As a writer, Jowdy's columns appeared in dozens of bowling newspapers and magazines and he was the author of two books on the sport, *Bowling Execution* and *Bowling Execution, Second Edition*.

As a bowling writer he earned numerous awards. He served as BWAA President in 1996, and was the recipient of the sport's Flowers for the Living Award in 1985.

It's a great loss to the bowling world and the bowling industry," PBA Hall of Famer Pete Weber said. "John was a

dear friend of our family. My father (the late bowling legend Dick Weber) and mother loved him. I had the utmost respect for John. He helped me a great deal throughout my career, with little tips here and there. It's a really sad, sad day for bowling."

"John had made peace with his life and was ready to move on," said Hall of Famer Marshall Holman who had recently talked to Jowdy.

Jowdy is survived by his wife Brenda and his children John Jowdy Jr., Mary Ann Yamin, Steve Harris, Lori Millard and Andrew Harris; grandchildren Gina, Lisa, Stephen, Tera, Kelly, Ryan, Austin, Landon, Rivers & Robby and great grandchildren Pia, Addy, Hudson, Nicole and Ali.

Tom Daugherty Wins PBA South Region Players Invitational Title

First of six PBA Regional Invitational titles includes berth in PBA World Series of Bowling V

TAVARES, FL — Tom Daugherty of Wesley Chapel, Fla., defeated Jason Sterner of McDonough, Ga., 219-209, to win the Professional Bowlers Association South Region's Regional Players Invitational title Sunday, concluding two days of live coverage from Break Point Alley on PBA's Xtra Frame online bowling channel.

Daugherty, who earned \$6,000, a paid entry into the PBA World Series of Bowling V in Las Vegas in late October and a berth in a new PBA RPI Finals which will be televised on ESPN. Daugherty won his only PBA Tour title in the Bowlers Journal Scorpion Championship during the 2012 WSOB, ironically defeating Sterner, 199-177, in winning the first of his three matches en route to the Scorpion title. Sterner earned \$3,500 as the RPI runner-up.

"The best part about it was this event was on a grueling lane condition and I had to bowl against the best 48 guys in our region, so it was definitely a good win," Daugherty said.

"(The new RPI program) gives players a reason to bowl a couple more regionals," he added. "Any time you've got a \$6,000 prize and other benefits, it's really an incentive. I've had this tournament circled on

my calendar for a long time. I bowled a couple of additional regionals I probably wouldn't have bowled because of it.

"I bowled in the World Series last year and come away with my first (PBA Tour) title," Daugherty continued, "so I'm looking forward to going back."

The South Region RPI was the first in a series of six PBA Regional championship events. The PBA East, Central,

Midwest, Southwest and combined West/Northwest Regions also will host RPI events in the coming weeks, with each RPI winner advancing to the PBA RPI Finals that will be taped for delayed airing on ESPN as part of the World Series of Bowling V at South Point Casino, Hotel and Bowling Center, Oct. 26-Nov. 3. Each RPI is open to 48 players who have qualified through a season-long points competition in their respective regions, and each RPI will be covered live from start to finish on PBA's exclusive bowling channel, Xtra Frame.

Sterner started the tournament with a 300 game and had a chance to win it by throwing three strikes in the 10th frame of the title match, but only threw the first strike.

Sterner defeated Scott Newell of Deland, Fla., 185-

What? No Awards?

NORWALK — Somebody set me straight!!

I hear (and read) that local associations, state associations, and youth associations will not be giving awards for the 2013-2014 season. Plus, U.S.B.C. has limited their awards.

I called 22 centers on Monday (not one manager was in) and asked if they give trophy's to their leagues when they sweep. 80% did not give awards, 200 pins, certificates, towels, or any kind of a "thank you for bowling" token. Most independently owned centers still honor their champs.

My question is — If bowlers in the future won't know how to keep score, no awards will be earned, CHAMPS will not be honored — then what IS certified bowling?

Will our game become just a SOCIAL AFFAIR, a DRINK and BOWL FEST, an EXERCISE SESSION, or "MANDATORY BIRTHDAY COSMIC MUSICAL BALL ROLLING"???

I walked into a small bowl in Kansas in 1952 and was infested with the bug. It was my game! I've loved it, worked it, wrote about it and delivered it ever since. To see the changes over the years is like losing my blood a drop at a time. The "thrill of victory" and the "agony of defeat" is gone! Somebody out there must have a message of hope. Write to me. Shout your opinion, Pro or Con. Bowling News readers are avid bowlers and we are losing our game.

FRANK WEILER BOWLS
Record Series at
Temecula Lanes

by Therese Lloyd
TEMECULA, CA — Temecula Lanes has been open about six months. The house caters to open bowlers and hosts only three leagues. As a result, there are few opportunities for certified honor scores. In addition to the limited number of opportunities for honor scores, the lane conditions are difficult for the average league bowler.

None of these circumstance have affected Frank Weiler. Last week he rolled a solid 752 (230 - 268 - 254) series in the Senior 560 Scratch summer trio league. It is believed to be the highest certified series bowled at Temecula Lanes to date. A review of all league sheets for this summer reveal no other 700 series. The previous high was a 699 rolled by DEL ANDERSON.

I spoke to DARRON PETERS, owner of the ROLLIN' ROCK PRO SHOP within Temecula Lanes and lane man there. Darron was not aware of any higher series to date, including the scores rolled during the brief winter season.

Frank used his Brunswick Radical Inferno to establish the house record.

Frank is currently averaging 210 at Temecula Lanes, a league high. No one else is averaging 200! Thank you BOWLING NEWS for supporting Citrus belt bowlers.

Editors Note: Frank, you gave The Bowling News staff a hearty laugh. Now if you could just double check "name spelling" in your stories... you would be perfect!! :)

Stan Por is Perfect “300” During 4 pm squad

3-6-9 will be \$2,500 • Match Game est. at \$3,850 • Match Series est. at \$2,850

LAKEWOOD — We returned to Cal Bowl where we saw a Semi-Tough but “Fair to all Shot” throughout the day, and a total of 222 entrants come out for a Super day of bowling. The cut scores were +73 for the men and +44 for the women. The Super Seniors added to the board (two men and one woman) Ed Palma +66, and Rick Llaneta +62. For the women it was Gwen Harris +20. Super Seniors are men 63 and over. For the women you just need to be a young 55. That would give us 51 bowlers making it to the semi-finals.

The High qualifiers for the tournament, Stan Por for the men with a +235 after shooting a 300 during his second game of the 4 PM squad. For the women it was Deborah Sanders with a +113. They will get a paid entry into a future regular ABTA event. Each week our top seed draws the Match Series, and this week it was worth \$5,000. Stan drew a 400!! We had one bowler who shot that so he would take home the \$5,000. It was one of our MOST Faithful Members Darrow Tiongco. He was on his way home, we called him, and he drove back to celebrate. Most Generous also!! Darrow was Buying the Beer and more. Congrats to one of the Good Guys ! We have \$1,665

in the back up that will carry over to Chaparral Lanes where it will be estimate at \$2,650. This week in the 3-6-9 Roll-off we saw Darren Garcia miss in the final round on his second shot. So he got \$50 and next week we will go for \$2,500 at Chaparral Lanes.

In our optional doubles, finishing in first were Stan Por and Mike Moore with a 1559 for \$120. Finishing in second place was Stan Por and Ben Bagaoisan, with a 1516 for \$100. There was a total of \$1,280 paid out in doubles and 24 paid spots with low to cash of 1377.

The semi-finals took the floor and finishing in first was Freddie Catamisan with a big +160. In second was Mike Moore at a +154. The cut scores for the top 16 were a +65 for the men and the women at +53. Our top seed had the honor of drawing the Match Game worth \$5,000. Freddy drew a 136. After a review of all the scores bowled, we had four bowlers who shot that score so they will split the pot four ways and each get a share of \$1,250. Getting full shares were Teddy Villaroman and Armand Garcia; getting 50% was David Chavez so he takes home \$625. Getting 25% was Enrique Castillo, so he takes home \$315. We will have \$2,665 Reserve carried

over to Chaparral lanes.

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Beth Borci, Wendy Soo Hoo, Edmond Del Mundo, Ed Palma, Christopher Eguilos, Alan Basto, and Matt Garcia. Each will get \$102.50. In the second round, the four losers were Carlos Umana, Stan Por, Louis Evans, and Mike Moore, with each of them getting checks of \$107.50.

This would get us down to the final five bowlers. The weekly horses are paying a low of \$59, Adam McKenzie and Val Wise, to a high of \$149 for Manny Loria. In one of the matches, we saw 10th seed Val Wise bowling the 15th seed Joyce Esguerra. This match would go down to the wire with Val Wise doubling the 10th pulling it out with a 189/208 to Joyce 170/200 to advance to the next round. In the other match, it was 6th seed Manny Loria bowling the 7th seed Adam McKenzie. In this match, it was not close as Manny would struggle at times with his spares and Adam was on a roll finishing with a 213/244 to Manny's 167/222 to advance. Finishing in 4th and 5th place this week were Manny Loria and Joyce Esguerra. They each got \$112.50.

Our semi-final match was

Likeable Val Wise Won The Latest ABTA Event at CAL Bowl \$2,700 1st — (L-R) Eric Snow - Cal Bowl Manager, Manny Loria 4th \$115, Freddie Catamisan (Runnerup) \$500, Val Wise Champion \$2,700 ,Vals #1 Fan ABTA Member Lennia Juarez, Bobby Campagnale (Vals Friend) and Adam McKenzie 3rd \$205.

set, and would pit Val Wise. and Adam Mc Kenzie!! In the weekly "horses", we would see both Val and Adam paying \$59 if they would win their match. This was a great semi-final match that was back and forth. Early on it was Adam that led by a mere 10 pins, but a late double by Val cut that lead down to 3 pins going to the final two frames. Adam would get a strike and a spare in the tenth frame to force Val to double in his half of the tenth to advance. Val got the first strike, then came

up for his second shot, buried it, on his fill needing only good count, and wound up getting his third to finish with a 204/223 to 185/216 to advance to the title match. Adam would finish in 3rd place for \$205 (he Bowled Lights out and could have won) but it was Val who advanced to the title match and was your horse winner for \$59.

The title game set at Cal Bowl. It was top qualifier Freddie Catamisan vs Val Wise. Both are long time members

NATIONAL DEAF BOWLING NEWS

DEAF TEAM USA RETURNS HOME EMPTY FROM SOFIA DEAFLYMPICS

For the first time since the sport of bowling was played in the 1997 World Games for the Deaf, our deaf Team USA came home from the Deaflympics in Sofia, Bulgaria without a single medal. Our teams were good and tried their best against the other countries’ best deaf and hearing-impaired bowlers. They failed because they are not our country’s best deaf and hearing-impaired bowlers.

Bowling originally was turned down as a new sport in 1981 World Games for the Deaf and again in the 1985 Los Angeles World Games. The officers of International Committee for Sports of the Deaf cited the reasons as not enough countries having deaf bowlers and USA deaf bowlers were semi-pros getting money from leagues and deaf classics.

Four years later in the 1989 World Games in New Zealand, ICSD finally accepted bowling as one of the sports but it was put in as one of the winter sports with curling for the 1991 Winter World Games at Calgary, Alberta. I was one of many who yowled that Winter Games sports are played on ice or snow and Bowling is not one of them.

At Calgary ICSD realized their mistake and asked the Sofia 1993 World Games Committee if they could possibly include bowling as one of the sports in spite of short time. Sofia Committee happily accepted. Then near end of 1992, the ICSD officers went to Sofia to inspect the sport venues and much to the dismay of the Sofia Committee, ICSD cancelled bowling out of the Games. The reason was not enough lanes.

In 1992 I directed the Deaf Team USA Tryouts in Fremont and got the bad news. Upon finding out that the center had 12 lanes, so I pleaded to ICSD to keep bowling in and offered my expertise in scheduling the events. ICSD rejected my letter and told USA Deaf Sports Federation to tell me that they only accept letters or complaints from National Deaf Sports Organizations.

To make this story short, World Games for the Deaf with Olympics’ permission, changed its name to Deaflympics in 2001 at Italy.

DEAF TRAVELING LEAGUE MEETING AT 1 PM SUNDAY AUGUST 11 AT KEYSTONE

Lorri Scott Bowls Her First 300

by Frank Weiler
SAN BERNARDINO — Lorri Scott bowled her first 300 recently at Del Rosa Lanes. Her big game came in the Happy Gamblers League, using a Columbia Freeze Hybrid.

Her perfect game was the middle game of a great 722 (245 - 300 - 177) set. Lorri’s previous high game was a 298 at Deer Creek Lanes in 2011.

Lorri rolled a 736 at Del Rosa Lanes about two years ago.

Ms. Scott has been bowling for over forty years. She started bowling at the age of five, when she bowled Saturdays with her siblings. Lorri started bowling because her parents not only encouraged her but went further and pushed her to participate. They recognized the value of bowling as an educator and character builder.

In 2005 GREG RAMIREZ started coaching Lorri and before long she was able to roll 200 games regularly. Greg changed Lorri’s style and equipment, and then introduced her to the “SCIENCE OF ADJUSTING” in the world of changing lane conditions. As an “EDUCATED BOWLER” Lorri started rolling 220 games regularly.

Since 2011 LARRY MCKEEHAN has been working with Lorri and has elevated her game to the next level. Now she has gone from bowling 220s to rolling personal highs of 279, 298 and 300.

Lorri is a big bowling fan and her favorite professionals are Kelly Kulick and Walter Ray Williams, Jr. She likes Kelly because she was the first female to win a PBA title and Walter Ray because of his consistency and longevity.

Lorri asked me to thank her parents, WILLIE and BETTY SCOTT, for getting her started. She is grateful to Greg Ramirez and Larry Mckeehan for coaching her and MARV SARGENT and KENNY JOHNSON of Bowlers Depot Pro Shop for their help with her equipment.

Congratulations Lorri and thanks to the BOWLING NEWS for supporting Citrus Belt ladies.

ABTA continued from page 5

and Have Championships under their belts. The match saw Val start out with a strike, then Freddie matched that and then picked up a spare. Val got a spare and strike that started a string of three strikes to take a slim lead of nine pins after five frames. An open by Val in the seventh frame gave the lead back to Freddie by a mere five pins. It was that way until Freddie came up in the tenth frame. He would leave the 6-7-10 split in the tenth, to open, and that would bring up Val. He got a second strike and that was enough as he only needed a mark. He would go on to win his fifth ABTA championship finishing with a 211/230 to 188/211. He took home \$1,000 for the victory and \$1,700 in Cash and Carry to give him a total of \$2,700. Freddie took home \$500 for his second place finish.

Champion Val Wise is from Riverside and used a Storm Frantic drilled by Mike Devaney. He is single and would like to thank “Bouncin Bobby” Campagnale for the ball choices, Linnea Juarez for cheering him on, Bob Smith and the ABTA for running a great tournament. Val has been with the ABTA for 25 years and always nice and respectful to all. Great Bowling By One of the Good Guys to be sure!!

Runner-up Freddie Catamisan, One of the Good Guys!! He is from Long Beach and used a Storm IQ drilled by ABTA Member Ben Mach at Westminster Lanes. He is married to Theresa they have four children. He would like to thank “Barkada”, Cal Bowl, a special thank you to his wife and kids, along with the ABTA and its staff.

SOME MODEST THOUGHTS

Bowling is an amazing sport, and an amazing business and should be proud of all the amazing people it has produced and continues to attract in its wide world of interests. But bowling never seems to gain the recognition it should. Bowling has long been one of the best friends of charity.

And the fabulous figures raised never have been fully counted, from the most pins over averages to donate some relatively small change that adds up to millions, from the grass roots bowlers to the executive suites.

I don’t know of any bowling group or organization that doesn’t have one or more charity affiliation, and been there in good economic times or bad, whether it was fashionable or not. If there was a need, some bowler would find a way to help fill that need.

The sport never has fully accounted for all that good it does and ways could be developed to give full charity association reports. So many sports, in a much easier atmosphere to raise funds, shout it from the rooftops. Bowling has created a cloud of love for all.

A bowler’s life span can reach from competition starting at first steps of walking to fragile steps to the line some 90 years or more later. Bowlers cross all lines of age, size, professions and society. Bowlers can learn to love a two inch trophy as much as a two foot award. Not everyone can be a pro, but all can develop a pro attitude, as amateurish as they may be.

Volunteerism has suffered in recent decades in practically all areas, including bowling. We have done a poor job of keeping interest high among former bowlers and officials and they in turn have lessened theirs. There are many who would again volunteer genes if only someone would ask. The merger has not gone exactly according to the script visioned and the unrealistic attitudes when it comes to reality are caused by thoughts of a past no longer here and a future with too many question marks.

With the lower number of centers we have situations where too many associations consist of one or only a few, less than five centers, and is right next to another association on more than one side, in the same unenviable position. And though logic tells all that the way to go is to join forces, seemingly a fate worse than death to some of the local movers and shakers.

Compromises, giving and taking, weighing the plus and minus factors, are vital. Integers of the sport must hang together or they will all hang separately. The emphasis on big money prizes in local and state tournaments must give way to an almost lost pride in winning whether its a hundred or a thousand or the million dollar dream payoffs.

We must be stronger in our protests against sponsors who don’t give back nearly enough in support of the sport that gives them so much and that a people’s sport such as bowling has long staying power and a modest type of glamor all its own. The main point to always remember is that anyone who helps bowling anywhere helps bowling everywhere.

DID YOU KNOW?

Bowling boasts tournaments that have been around for more than a century and draw from some 5,000 teams to nearly 20,000, that adds up to as many as 100,000 individuals with family and friends who bring the sport and economic impact to all cities visited.

One of the prime destinations for birthday parties is a local bowling center, well prepared with bowling for all, help for beginners, food, and often a surprise or two.Bowling rules have changed since their establishment in 1895 by the American Bowling Congress, and continued by the Women’s International Bowling Congress and the United States Bowling Congress, but only after extensive study and research.

Though bowling has had a presence in the Olympics it never has been accepted as a medal sport. It has however been fully accepted by many other all-sport competitions and more than 100 countries or federations make it one of the most organized sports in the world.Tournaments of all kinds in all places combined with many types of leagues and groups make it an all season sport. What is the number of tournaments? An educated guess might be 10,000 or more. The first televised bowling show hit the air in 1947 in New York City and it has been featured on most national and cable networks for more than 50 years.

Bridgette Hoskins is one proud wife/mother, her husband Doug (left) shot a perfect game on May 12, 2013 in the Vegas Longshots league at Del Rio Lanes. Then on June 2, 2013 her son Jonathan had a monster night posting a 852 set in the same league. Great bowling guys!.. and Go Angels!!

Four Bowlers Take National Titles at Junior Gold

STERLING HEIGHTS, Mich. - Four youth bowlers rose to the occasion and captured national youth titles Friday as the 2013 North Pointe Junior Gold Championships presented by Track, Columbia 300, Ebonite and Hammer came to a close.

Wesley Low of Palmdale, Calif., Julia Bond of Aurora, Ill., Cortez Schenck of Phoenix and Taylor Russell of Tupelo, Miss., all came away with championships in their respective divisions at Sunnybrook Lanes. A record 2,078 athletes took part in the event and competed for more than \$275,000 in scholarships.

Low, 16, went undefeated in the double-elimination match-play bracket with a 5-0 record to claim the 20-and-under boys title. The two-handed lefty knocked off Ryan Zagar of Kenosha, Wis., 456-425, in the two-game title match.

"It feels like I accomplished something really big today," said Low, a current Junior Team USA member. "All the hard work I put into my spare shooting and practicing on the patterns really paid off and helped me."

After leading 25 games of qualifying by more than six pins a game on the field, Bond, 17, also went undefeated in match play to win the U20 girls title.

She defeated current Junior Team USA member Sarah Lokker

of New Baltimore, Mich., 386-339.

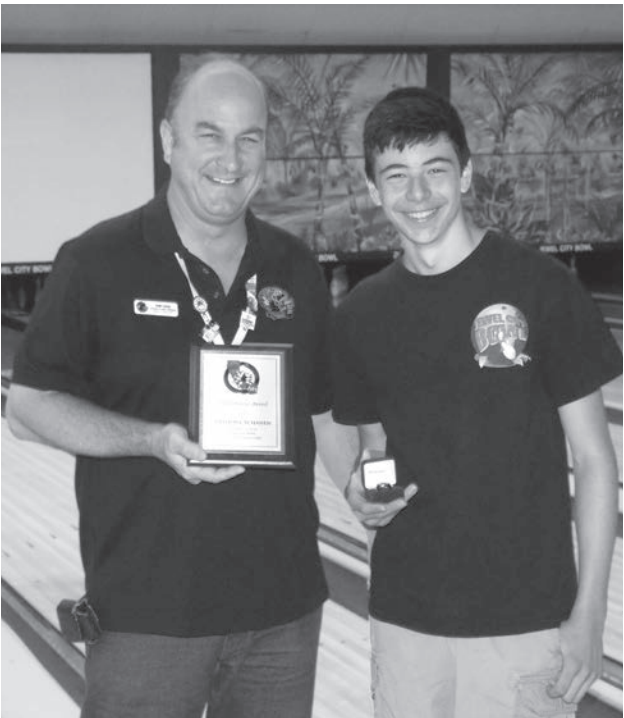

"It's all overwhelming - the ceremony, the people, the awards," Bond said. "The fact that I made it this far and was so successful means a lot. To be on the same level as all of the other great bowlers is amazing."

The top two players in the U20 boys and girls divisions after 25 games of qualifying earned automatic spots on Junior Team USA in 2014. Those spots went to Nick Kruml of Downers Grove, Ill., Andrew Anderson of Holly, Mich., Liz Kuhlkin of Rotterdam, N.Y., and Bond.

In addition, the players who advanced to the U20 championship match also earned automatic spots on Junior Team USA with Low, Zagar and Lokker earning those spots. Since Bond had already earned a spot, an additional section went to the National Selection Committee.

The selections to Junior Team USA were Matt Farber of Plainview, N.Y., Kamron Doyle of Brentwood, Tenn., Natalie Goodman of O'Fallon, Ill., Elise Bolton of Merritt Island, Fla., and Breanna Clemmer of Clover, S.C. Clemmer is the first player to be selected from the U15 division onto Junior Team USA.

Schenck, 14, who lost in the U15 boys title match last year,

Anthony Schanen youth bowler at Jewel City Bowl receiving his 300 ring and 300 state plaque game bowled 6/22/13 in the Sat. Juniors. Tom Leigh NLAC Director presenting 8/3/13

claimed the 2013 U15 boys title in dominating fashion. He lead qualifying and went undefeated in match play, taking the title with a 417-390 victory over Michael Martell of Brooklyn, N.Y.

"After finishing second last year, I just wanted to make sure I didn't choke, and I wanted to put on the best show that I could," Schenck said. "I just can't believe that I won Junior Gold. It's a great feeling and not every kid gets to do this."

In the U15 girls title match, Russell had to knock off previously unbeaten Ashley Channell of Morris Chapel, Tenn., in back-to-back matches. Russell, 15, won the first match 370-353 and took the deciding match 373-338.

"It's crazy because I never would have thought I would make it this far," Russell said. "It was a very challenging week, but I pushed myself through it."

Four U15 bowlers who were age eligible earned spots to compete in the Tournament of Americas in 2014 and to join the Team USA development team program. Those players were Schenck, Sean Wilcox of Altamonte Springs, Fla., Leah Glazer of Henderson, Nev., and Channell.
