## Bellinder Takes It To The Wire In Palos Verdes Bowl WWPB Open Presented by Class Seven Clothing

by Lori Yamasaki

PALOS VERDES—Last weekend was certainly one to remember for the WWPB!

Missy Bellinder, Laura Hardeman, and Pam Pancoast were within pins of each other going into Sunday's match play final position round game. Missy had a slight lead over Laura and Pam, who were only separated by one pin. With 30 bonus pins going to the winner of each match – each of these three players had a title within their reach! With the tournament still on the line and just one frame to go, Missy stepped onto the approach needing a mark in the 10th to secure victory. She calmly threw yet another strike in her march to victory. Saturday's 10 game qualifying leader, Laura Hardeman, finished second and local hero, Pam Pancoast collected third place prize money.

Missy, who is a member of Brunswick regional pro staff, used a Scorchin' Inferno and an Ambush for this title. She has been traveling quite a bit lately, bowling overseas. Most recently she bowled well in both Malaysia and Indonesia. In September, Missy will travel to England and Germany for the European Bowling Tour. Missy also teaches bowling classes at Cal. State Long Beach. She wanted to be sure to thank her family for all of their love and support – her father, Frank; mother, Pat; and sisters, Dawn Pasol and Cindy Schultz. "I also want to thank all of my friends and Frank Bellinder's Precision

Pro Shop" (which is now located at Saddleback Lanes).

In reflecting upon her victory, Missy continued, "I had to stay relaxed and make sure I kept my swing in close to my body while still making moves on the lanes".

The WWPB would also like to thank Charlotte Melsh and her staff at Palos Verdes Bowl for their hospitality and continued support. Huge thanks and kudos to our sponsor, Mike Anzivino of CLASS SEVEN CLOTHING, who provided tank tops for all finalists. Mike and his business partner Kory Thompson own and operate Classic Card Shop as well as CLASS SEVEN CLOTHING, which was established in 1994. CLASS SEVEN CLOTHING specializes in cargo shorts and also has wonderful hats, beanies, t-shirts, and polos available via internet sales (check them out on ebay!) as well as their retail location in Ventura.

They will be launching their ladies apparel line in the first part of 2007. Their products can also be seen on the Warp Tour. Bands including Lag Wagon, No FX, and New Found Glory all feature CLASS SEVEN CLOTHING products.

Our next WWPB events will be October 7 at Keystone Lanes and October 8 at Del Rio Lanes. Entries and details are available on our website, [www.wwpb.com](http://www.wwpb.com). Information for our annual Mission Hills Mixed Doubles event as also available on our website.

## Tom Cristi Team No-Tap Fri., Sept. 1st

SANTA CLARITA — Tom C — called the Bowling News to say there are still a couple of spots available for his great Labor Day weekend team tournament.

This event is the "darndest" thing. Always a sell-out — always fun — and always a challenge.

The \$100 entry fee (for the team) makes for a tidy prize fund. The optional sidepots get the juices flowing. Plus Mr. Cristi usually has a surprise or two tucked in his bowling bag of tricks.

Call 661-254-0540 to reserve that last team spot for Friday, September 1. The action starts at 7:00 P.M. so hit the freeway early!

If you REALLY need more details, check the Santa Clarita ad on page 4.

## Adult/Youth No-Tap Doubles Corbin Bowl

TARZANA — Here's a new name to remember, North Los Angeles County U.S.B.C. This lengthy name includes the men, women and youth to be certified and serviced in the Los Angeles area.

The merger offers lots of opportunities for individual or mixed activities.

Sunday, September 3, the U.S.B.C. is offering an Adult/Youth No-Tap Doubles at Corbin Bowl.

Check-in at 9:00 A.M. Bowl at 10:00 A.M. The pre-paid entry is only \$12.50 per bowler, or \$15 on-site. More information is available by calling the office 818-718-0193 or email at [SFVYBA@gmail.com](mailto:SFVYBA@gmail.com).

Corbin Bowl is located at 19619 Ventura Blvd. in Tarzana, 818-996-2695.

## \*\* Scrambler \*\* Keystone August 26

NORWALK — Seems like the Scrambler gets more popular every month. This month the three games are No-Tap, 3-6-9 and the same ol' regular 10 pins. What fun!

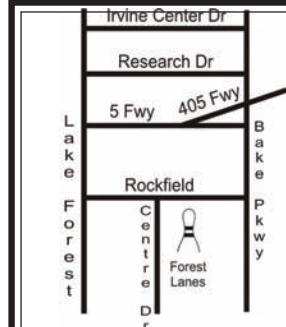

Bring a partner, sign in at 12:30 P.M. Saturday, August 26 here at Keystone Lanes. Entry fee is \$35 per team. And the winning team receives NEW BOWLING BALLS!

A team is one adult and one junior. Mary Lou will be looking for you.

Keystone is freeway friendly, easy to get to by the 605 or the 5. 22459 East Imperial Hwy., 562-868-3261.

ROBERT VAN LOON, rolling in the Ventura Men's League Tuesday, August 15, put together a beautiful 277-300-266/843. Keystone Lanes deskperson Herbert Jones made the announcement and immediately grabbed his camera. Robert said Barry Asher drills his equipment (whoever that is!).

LAS  
VEGAS  
TRAVEL  
LEAGUE  
By Alice  
Meglemre

LAKEWOOD—The Vegas league returned to Cal Monday and B.J. Jemison was high scorer with 528, followed by Alta Duke 210-518, Cathy Wyatt 518 and Joan Roper 510. Westminster #3 is league leader with 6 wins and the rest of the loop follows with standings from 5 down to 1. We got rid of those three no win O's posted opening day.

The new league sheet format made it's debut and though there may be more information than needed, Betty Phillips did a fine job creating it with a computer program. She would have preferred to change some of the terms (like “current average” instead of “real average”) but the program is set and the format can't be deviated. I'm sure we will get used to it in a few weeks.

Hopefully, league averages are now confirmed and we have 13 teams over 600 and only 3 teams under. The highest entering team is Keystone #1, with 663 and highest individual average is 190 posted by Patti Givenchin.

President Bernice Williams returned from Ohio and reported the flight was a nightmare due to the security alert, however she and Charlie survived the ordeal and she was on deck Monday to support her team. She won't be able to bowl for a few more weeks but Jeani Ruff is filling in for her, and Jeani is still hoping to sign on as a regular member if a team comes up with a vacancy.

Finally, thanks to Betty McDiarmid, who was acting Cal MOD on Monday, for her concern and help with a lane problem. She's sure one classy lady and oozes diplomacy in resolving any bowling problem. On behalf of the league, we appreciate her concern and help.

NEXT WEEK: Cal Bowl, August 28, and then a “bye” for Labor Day, Sept. 4. We will return to bowling September 11 at Cerritos Lanes.

Hello bowlers

I'm sorry Youth bowlers that it took so long to get the results for the Youth/Adult No-Tap tournament. Here are the final results and I promise in the future the results of tournaments will be listed in the Bowling News within 2 weeks of the tournament ending. First, I would like to thank the 29 teams that came out on Tuesday night July 11, 2006 at BRC West Covina Lanes to bowl. There were several 300 games and everybody had a good time. With the help of the 50/50 drawing we are able to give an extra scholarship for each group.

In the Bumper we start with Tony Camba & Dominic Puga with 1109 from Action Lanes, for a scholarship of \$ 15.00. Then division 1- 1<sup>st</sup> place from Turtlebowl Youth Program with a 1565 for a scholarship of \$ 35.00 is Rene Lopez Sr. & Rene Lopez Jr. From the same group for 2<sup>nd</sup> & 3<sup>rd</sup> place we have Mark Parker & Tim Magnuson with a 1535 for a scholarship of \$ 30.00. Tim Hansen & Austin Bailey with a 1501 for \$25.00 scholarship.

Division 2 – 1<sup>st</sup> place with 1592 from Chaparral Lanes for a scholarship of \$ 35.00 is Cyndee Kamrath & Kevin Kamrath. 2<sup>nd</sup> place is Mark Barbato & Silvia Vasquez from Action Lanes with 1567 for \$ 20.00 scholarship.

Division 3 both from Turtlebowl Youth Program taking first with a 1519 for a \$30.00 scholarship is Michael Carr & Erik Carr, 2<sup>nd</sup> place with a 1448 for \$15.00 scholarship was Stephanie Loucks & Addison Hansen. There will be more tournaments coming for both youth and adults. Watch the paper and your bowling center for fliers and information.

The next tournament coming up is a fundraiser for “Bowl for the Cure” which is research for cancer. It will be held on Saturday September 9, 2006 at AMF Friendly Hills bowling at 1 pm. Check in at 12:30 pm. The cost is \$ 20.00 per person and is a certified tournament. So you must have a current registration card. It is a singles tournament for adult and youth. The adults will have 2 divisions bowling for a small prize fund. The youth have 3 divisions with scholarships being awarded to the winner. Come out and support a good cause along with helping your local association. This tournament is open to all certified bowlers. You don't have to have a membership card from San Gabriel Valley.

The next big event will be the 1<sup>st</sup> Annual San Gabriel Valley USBC Association meeting on Sunday September 10, 2006 starting at 10 am. All certified bowlers of the San Gabriel Valley are encouraged to attend to hear what is happening with the new association and what is in the plan for the future. This is for Youth and Adults. After the meeting is over, there is going to be a workshop for league officers. Those interested in becoming an officer or those bowlers who just want to learn more about running a league, should attend. Youth Directors are encouraged to come to this workshop and learn more about what is happening with youth bowlers and their awards.

Soon our association directors will be coming to each center collecting donations for the BVL (Bowlers for Veterans Link). It will be a little different than in the past. They will be down while you are bowling, asking for a donation of your choice. Depending on the amount of donation, there will be gifts given out at that time. There will also be a table set up with goodies for sell to help this cause and the association. As the campaign comes to an end at the bowling centers, there will be a BVL tournament on Veterans Day, Saturday November 11, 2006. There will be several divisions for both the Adults & Youth and the scratch winner of each division will advance to the State level being held in San Diego. Watch for fliers coming to your center.

Until next week, enjoy your bowling and bowl some great scores. Make sure your league secretary and Youth Directors certify your league and files for your awards. There are several awards for the low average bowlers besides the high average bowlers. Learn more about the association by going to our new website: SanGabrielValleyUSBC.com.

Eric Forkel Wins The Regular Division

WCST Ebonite Singles At Orleans

Ski Hetkowski Wins The Super Senior Title

Big Turn-Out of Super Seniors For This Tournament

by Dick Sanders

LAS VEGAS—National PBA Champion, Eric Forkel (Las Vegas), won his 2<sup>nd</sup> WCST Championship last week-end at the Orleans Casino Lanes in Las Vegas. Orleans had put in new lanes this year, and they were also installing their new Brunswick Scorers, which were not ready yet for the top screens, and only the bottom scorers were on for the tournament. This did not affect the bowlers bowling, but it was a little difficult for the spectators watching. Eric, led the qualifying with 2391, and never gave up the lead in the finals to eventually run away from the field by 325 pins to 2<sup>nd</sup> place. Eric is a class act.

He bowled 2482 for the 10 games of the finals. He won 7 and one half of his matches, as he averaged for the two days of bowling 243 per game, with his highest game of 289 in the qualifying. The fight for 2<sup>nd</sup> place was a good one between Joe Merrill, and Mike Rick, finishing in 2<sup>nd</sup> to beat Joe by 30 pins. Although the scores were very high in the finals, there were a couple pairs of lanes that did not score that well. Gerry Chinn now a super senior but qualified high enough to bowl in the regular division finals finished the qualifying with a big 298 game, and ended up in 5<sup>th</sup> for the qualifying, and ended up in 9<sup>th</sup> in the finals, also super senior Stan Winters, finished 6<sup>th</sup> in the finals.

Another big game bowled in the qualifying, Andy Grimes 297. TOP 3: 1<sup>st</sup>, Eric Forkel, \$1000.00, 2<sup>nd</sup>, Mike Rick (Redlands), \$735.00, and 3<sup>rd</sup> to Joe Merrill (Boulder City, NV), \$615.00 The tournament paid out \$8950.00 in prize money, as 66 bowlers entered, 28 of them super seniors. 22 checks paid out. For the year, 12 tournaments bowled, \$95,891.00 paid out, and for 241 tournaments, \$2,699,239.00 has been paid out.

The Sweeper on Friday, won by Bob Belmont (N. Las Vegas) had 25 bowlers, and paid 6 places, along with two places for super seniors out of higher cash. Bob's victory was good for \$300.00. It was good to see Ron Garr, a PBA Member, and also one of our members from many years ago, when he lived in Northern California, and now resides in Ridgedale, MO.

Our thanks to Mr. Mike Monyak, the General Coordinator of the Coast Bowling Centers, and to all of his employees for their great cooperation, especially the lane mechanics, who hung up our banners and had a very competitive bowling lanes condition.

The Orleans added \$500.00 to our prize fund. Thanks to Ebonite International, our Coverage Sponsor for all of our tournaments. We have met the \$2500.00 goal for the final WCST Ebonite Singles Tournament to be held in Laughlin for current WCST Members only, that had bowled in 3 WCST Tournaments or more this year. Thanks to Harold Mountain and Brenda Blandina for their work in the Brackets.

SUPER SENIOR NEWS

Ski Hetkowski (Las Vegas) won his first WCST Super Senior Championship in fine style, by beating the nearest bowler to him by 156 pins, and that 2<sup>nd</sup> place finisher was PBA and WCST Champion, Ron Winger. Ski doesn't get to bowl many tournaments with us, as he works at the Orleans. He bowled 1917 for the 8 games, including the only 300 game in the tournament.

What a recovery Ron Winger made. After rolling a 135 in game #2 of the finals, he rebounded in Game #4 with a 298 game, and still bowled 1789 for the 8 games. The 28 super seniors that entered this tournament is our biggest turn out of this group in 6 years, and the prize fund pay-off was a good one. TOP 3. 1<sup>st</sup>, Ski Hetkowski, \$800.00, 2<sup>nd</sup>, Ron Winger (Las Vegas), \$600.00, and 3<sup>rd</sup> to Vaughn Doody (Las Vegas), \$500.00.

Michael Garcia Wins Better Bowlers

Tournament No. 3 The Hard Way!

RIVERSIDE—Michael Garcia is the perfect example of a bowler who does not give up. Michael a 205 average left-hander from Westminster, CA, using a Stingray Urethane Ball, had 74 in the 5<sup>th</sup> frame of the 5<sup>th</sup> and final game of qualifying and then struck on the next 6 balls, finishing with a 7 count, for 221 scratch. That vaulted him into 2<sup>nd</sup> place, just 7 pins ahead of 4<sup>th</sup> place qualifier, Liwei Liu of Pasadena. It also knocked Tony Bowman into 5<sup>th</sup> place. In Michael's first match, in the finals, he bowled a 207 handicap score to win over 3<sup>rd</sup> qualifier, Memo Rosales, of Arcadia with a 171 handicap score.

Meanwhile, Jeff Garrison, who used a Columbia Yellow-dot Ball to become the high qualifier, with a handicap total of 1196, was bowling against Liwei Liu. Jeff won his match with a handicap score of 249 to Liwei's 202 handicap score. Jeff had 246 scratch. In the final match, Jeff took an early lead with a turkey but Mike finished strong with a four bagger, to win the match 239 to 220, including handicap.

Michael took home the first place prize of \$1,000. Jeff received \$500 for finishing in 2<sup>nd</sup> place. Memo Rosales, a PBA member, entered the tournament with our 225 minimum average for PBA members, and tied for 3<sup>rd</sup> place with Liwei Liu. Both bowlers took home \$250. Bob Koenings had the high tournament game of 287 scratch. Jeff Garrison had scratch scores of 268 and 279 out of the gate. The top two finishers were left-handed while the next five places went to right-handers. Arlington Lanes gave, 8<sup>th</sup> through 12<sup>th</sup> place, each a Gift Certificate for \$10.

It appears that the top two bowlers accomplished their goals by using less aggressive bowling balls. There were 9 left-handers and 17 right-handers in this tournament. Left-handers, who had an average entering average of 217.89, averaged 198.49 in this tournament. Right-handers, had an average entering average of 211.35 and they averaged 200.76.

We thank Anela Pule, Arlington Lanes Manager for having us and helping us at their beautiful center. As always, Sheri Dyer did a wonderful job of handling the side pots and brackets. Our hats are off again for our sponsor, Jan Niblett of Luster-Cote, Inc. for his generous added money.

Our next tournament, Better Bowlers Tournament No. 4 is scheduled for September, 17, 2006 at ABC Bowl in Moreno Valley. **Luster-Cote, Inc.** will again add \$200 to the prize money. Hope to see you there!

Ping was using a Columbia Full Throttle bowling ball drilled by himself for his win this weekend. Ping would like to thank his wife, Celia, grandson and granddaughter for all their love and support. Ping plans on using the prize money from his win this weekend to buy special gifts for his grandkids and to bowl more ABT tournaments. Ping wanted to thank Del Rio Lanes for hosting the tournament this Saturday, and also thanks the Amateur Bowlers Tour-Orange County Branch staff and Directors for running an outstanding tournament week after week.

Andres Moran was the winner of the optional 4-game Scratch Sweeper and \$125 dollars with an 896 scratch series. Jeff Taino was second with his 851 series, good for \$75 dollars. And in third, was John Daily with his 848 series and \$60 dollars. We have had many positive comments about the optional 4-game Scratch Sweeper, and will continue to run this optional Scratch Sweeper at each upcoming tournament.

The Mystery Game Pot of Gold game number and score were drawn after our final squad. Game #1 and 261 (possibly good for \$500) were drawn for this week. There was no winner. ## National Deaf News

by Connie Marchione

HOUSTON—During a break in NDBA tournament near Fort Worth, John Wukasch, Jr. one of three current deaf PBA members told me that Lindy Decker the Deaf Team USA Member will come to Texas in 3 weeks to bowl doubles with him is a mixed doubles tournament laden with lots of Texas Pro stars. That I would like to see Decker, the gold medal-winning star of the 2003 Melbourne Deaflympics women's Masters, bowl with him, making for the first time a deaf twosome entry.

In reality on August 12-13, Lindy came to Houston to bowl with Wukasch, Jr. to bowl in the 7th annual Luci Bonneau Mixed Doubles tournament, a popular annual event for top ranking Texas bowlers. This year's event drew 64 doubles teams including Pro and Team USA stars like the Ballards (Carolyn Dorin & Del not together), the Barnes (Lynda & Chris), Scroggins brothers (Mark & Mike not together), Chris Johnson, Wes Malot, DJ Archer and Sean Rash. Even Liz Johnson came from New York to bowl in it.

The event started with 6 games qualifying round and top 16 qualifiers went in 3 rounds of match plays with the losers eliminated. Pros Tiffany Stanbrough (1930) and Chris Johnson (1790) rolled 3720 total as the top qualifiers.

Karen Stroud (1714) and DJ Archer's men's top score 1990 (248.8 ave.) for 3704 was second. Stanbrough's 1930 as 241.3 ave. was the women's high

The Decker-Wukasch duo made the top 16. qualified with 3548 for 11th, thanks to Decker's 1815 (226.5 ave) and Wukasch's 1733 (216.6). The low to qualify was 3499 by Amanda Beck (1643) and Mike Fagan (1856).

No scores were printed in the match plays. In the round of 16 Decker/Wukasch, both lefthanders eliminated #6 qualifier Team USA Jen Petrick and Pro Jay Ashbaugh. In the round of 8 Decker/Wukasch eliminated #14 qualifier Heather Jones and Mike Scroggins.

Then in the semi-finals round of 4, Decker/Wukasch were defeated by #15 qualifiers Donna Connors and Mark Scroggins. Top qualifiers Stanbrough/Johnson wee defeated by #4 qualifiers Carolyn Dorin-Ballard and Marc Laracuente.

In the championship final for the \$7,500 first place prize Dorin-Ballard/Laracuente defeated Connors/ Scroggins.

Connors/Scroggins received \$3,800 for 2nd, Stanbrough/Scroggins as high qualifier got \$2,300 for 3rd and Decker/Wukasch got \$1,900 for 4th.

The is the highest placing a deaf doubles partners ever made in a tournament like this one. Also Decker rolled her 4th career 300 in it, her first on the PBA long oil pattern the tournament used.

### MALUCCI HITS 772 IN SINGLES, 768 DOUBLES 2114 ALL-EVENTS IN CAL-STATE

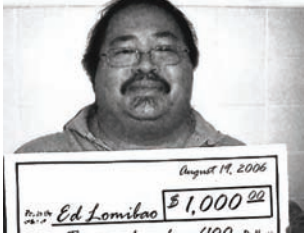

BAKERSFIELD—In the California State Championships on Saturday August 12 at Regency Lanes for singles and doubles events Carl Malucci was torrid and his partner Daniel Vasquez was doing well. In singles Malucci rolled 257-279-236 for 772 and Vasquez a 604. Then in doubles Carl continued with 279-277-212 for 768 and Vasquez added 637 for a 1405 and plus handicap 1493.

Malucci had good chance to take over top scratch all-events with just a 655 but on Sunday in the team event at Southwest Bowl the lefthander ran into trouble with four pocket hit 7-10 splits and several 7s, ending up with a disappointing 574. Vasquez continued well with a 610 for a respectable 1851 in all events. Malucci's tally is 2114, his third 2100 series in Cal-State tournaments as previously he had a 2141 and 2144 back in the late 1990s.

What is magnificent was his one-day run of 257-279-236-279-277-212. The first five games (1328) averages a remarkable 265.6.

## Determin—Ed!

SAN DIEGO—The NABI San Diego tournament this past week was hosted by Admiral Robinson Center, & Ed Lomibao out scored some hefty competition on his climb up the ladder to victory. Ed bowled exceptionally well in qualifying & was the top qualifier in the second squad, & therefore automatically seeded into the semi-finals. He once again has qualified for the Tournament of Champions next July during NABI Week in Las Vegas, a goal many bowlers strive for during the year. Congratulations, Ed... the pressures off!

Rounding out the top 5 were Tony Nunez, Manny Mayo, Curtis Huffpower & Homer Bautista.

Guaranteed \$50 sidepots went to Greg Amrine, Sixto Santos, Jose Bautista, Fred Johnson, Phil Diaz, Homer Bautista, Nunez, Mayo & Huffpower.

Sixth place finisher, Sixto Santos, also received a complete ball rejuvenation & resurfacing, courtesy of Bowlers Depot.

Perpetual Pot action included \$125 to Norm Rauch for 9 strikes in a row, & the 3-6-9 was shared by Aivren Antonio, Phil Horn John Hatch, Roger Rabanal, Santos & Mayo.

The next NABI tournament will be the Labor Day Tournament September 2<sup>nd</sup> & 3<sup>rd</sup> at Parkway Bowl. Details will be included in the next edition of the Bowling News. See you at Parkway on the 2<sup>nd</sup> &/or the 3<sup>rd</sup> .... we'll save a cookie for you!

## PINZ SENIORS

One of the fundamental lessons in bowling is to relax Your Grip & Swing. This is the real secret to a free flowing arm swing! But it's no secret our seniors have this down and some secrets of their own, yet they do seem to have a firm grip on some high scores!

**Joslyn Seniors:** John Dobson 203-551, Gary Olsen 170-491, Gas Sumampong 195-486, Sol Stein 167-484, Art Abell 169-473, Audrey Bales 173-460.

Bowler of the Week: Damond Taylor

Damond, in his quest for a 700, came close with some of the best bowling this week. He bowled a 227 245 226 for 698 set then followed that on the Funseekers with a 260 218 for a 677! His humility, good humor and kindness makes these scores that much sweeter!

Sweetness Quote of the week: The first test of a truly great man is his humility. By humility I don't mean doubt of his powers or hesitation in speaking his opinion, but merely an understanding of the relationship of what he can say and what he can do.

# 300- 823 Tops the 610 Scratch Trio

LAKE FOREST—Mike Tucker's 300 - 823 seemed to have taken the highlights in the 610 Scratch Trio @ Forest Lanes last Thursday night. But, the real show was between teams 6 and 8. These two teams have set themselves apart from the rest of the league this round in the point's race for the second round.

Going into week #15, position round, Tm #6 had a 2.5 point lead. It was guaranteed to be a quite interesting duel between the two teams. Team #8 lead by Luis San Juan has owned R.E. of Team #6 this season. Bowling in the hole for Team #8, is Chris Solar, who has had P.D.'s number all year as well. Then there is the match of pure physical size, Chris D.B., against the mouthy M.T.

Team #6 thought they would get clever and change the line-up around. Putting the mouthy M.T. against the sold gem of consistency, Luis San Juan. In the hole spot Tm 6 decided to put Randy Erickson against the quiet striking machine. And in the anchor spot, they figured the comical but experienced Pat Danforth could trip up the BIG Chris De Boer. This matching tactics didn't phase Tm #6 at all.....

Game 1 was taken by Tm #8. 683 - 663. Tm 8 took 4 points while Luis sacrificed his 246 game to MT's 289... Solar's 210 beat Erickson's 182. And De Boer's 227 beat Danforths 192.

Game 2 was just the same as in points won by Tm 8... 4 points again.

Luis's 236 beat MT's 234. While Erickson edged Solar 212 - 202. And De Boer put his foot down once again, by beating Danforth 227 (his second) to 212.

Game 3 appeared to be drastically different at the midway point. As MT seemed to be

AWWWSTRUCK (no pun intended) while showing off for his Love Brenda.

Luis and LIL Chris pounded out 255 - 256. And as it may have looked like BIG Chris was loosing his composure and feeling the heat of those difficult single pin spares.

Tucker closed with a strong finish of 300, achieving the tough 800+ series, in the chase of the team total 2 points to help Tm 6 keep the lead for the round. By the time the two teams finished, Chris De Boer came through under pressure striking out in the 10th frame with three solid strikes to capture the totals points and take the lead for the FINAL POSITION round.

These 2 teams will duel it out once again this coming Thursday Night the 24th of August.

Team 8 will need to win 6.5 points of the possible 17 to capture the second round and have a chance to bowl Tm #7 (first round winner) for the \$1500 first place prize.

There is also a wild card race to make the roll offs....

Tm #3.....149 pts  
Tm #8.....146.5pts  
Tm #6.....138.5pts  
Tm #1.....137.5pts

Other notable scores are as follows...Bill Brosard 713, Rich Gilman 686, Mike (UFC) BeLair 673, Steve Zimmerman 665, Franky Trejo & Ashkan Tahvild both threw 629, Leslie Hayman 614, James Mowrer 612. Tim Timmerman 602, and last but not least Bowlers Depot's OWN JEFF CARR with a 601.

If you are interested in bowling in a scratch match point league for \$20 wk and a chance to win \$5000 (based on 16 teams) in the next winter season, see next weeks ad for more details.

If you want to see some fun and competition, please come down and watch the DUEL between Tm 6 and Tm 8 once again this Thursday the 24th of August.

CERRITOS WEEKLY  
Spencer Makes Some Noise

by Tom Ferry  
CERRITOS—Spencer Van Rijsberger definitely has a name that’s a mouthful, but very seldom does this nice young man say anything. A newcomer to our program, he has remained very quiet until last Saturday, when he was raising a ruckus with the pins. Leading his team on the Striking Force with a108 average, Spencer found a new level, posting games of 154, 160, 141/ 455. Overall, he lead all bowlers with his 674 total score. Keep up the good work Spencer.

Improvement is this next bowlers middle name. John Elston Jr. continues to score at a very high clip. His high game, 217 and 582 series led the boys, with Bobby Hornacek close at 206/ 533 and Chris Eguilos at 204/ 568.

Mann-Rou Kuo held scratch high game spot for the Striking Force girls, 182, while Lizzy Raya put up high scratch series 170/ 472. However, overall scoring highs went to Kim Eberle with 217/ 628. We know Kim is a very capable bowler, now, I hope, she knows it too.

In the Rookies, it was the “Special K’s” – Kris, Kyli and Kaila. High scratch game, 123

was owned by Kris Liberatore and high Series went to Kyli Selley, 331. Kaila Chen was also near the top in every scoring column – her total, 205/ 566.

Rookie boys saw Jacob Hardin put up the high game at 120, but Joseph Ash’s 226/ 630 total score was high on the day. Kevin Keseloff also deserves a pat on the back for his 205/ 584 total score.

Highlights from the Senior boys include many high scores. The lanes must have been ripe for the picking as evidenced by these performances. Jared Lawrence – 259 / 720. Glenn Gemino 244/ 640, Mark Newberry – 238/ 641, Casey Burroughs – 237/ 686 and Joshua Navarro – 233/ 560. Notables; Mike Foley – 227/ 571, Ryan Cunningham – 214/ 598, Buddy Lucas – 212/ 553, Kyle Jacobowitz – 212/ 592 and Andrew Navarro – 203/ 511.

For the Senior girls, there was one name at the top of every scoring column, Candice Galvan. Her 237/ 629 was good for a 725 total score. Jaime Ferry came closest with 224 scratch game, with Ronalee Abbago nearing with a total score of 251/ 676.

New Lil Raider, Devonte Emmert, must be liking it, as he captured top honors with 103/ 92 scratch score. High overall scoring went to Jason Villa, 136/ 267.

JAT Farm Club

by David Gordon  
LOS ANGELES —The JAT Farm Club saw action at Southwest Bowl this past Sunday.

This was the first time to Southwest for many of the bowlers, but I’m sure they left with good memories, as the scoring was exceptional. Twenty-six bowlers were on hand with 7 regulars missing out on the fun (shame on you). That gave us the cut for the second round to be top 12.

In the qualifying round the numbers were big. Deanna Carrillo gave us the tournament high game of 278 and added a 248 to her mix. However, like clockwork Natalie Jimenez jumped to the front of the pack behind postings of 276-227-227-225. Nice bowling ladies. Other reportable highs came in from Justin Foster 265-227, A.J. Garcia 257-245-229, Daniel Williams 254-234, Shane Peck 253-238-246, Jon Hogan 221-247, Candice Galvan 246-227, Mark Curtis 243-236, Amanda Manoly 243-224, Charlie Hair 237-223, Justin Sims 237, Albert Fernandez 221-235, Steven Sensebaugh 233, Dee Dee Ho 227, Aaron Steinberg 225, Thomas Hogan - Keyon Lemus - Susy Monteith with 224 each and Patrick Smith 220-221. Leader came in at plus 141 while the 12th spot (and only minus) was minus 8.

In match play we had more of the same high scoring. High game during match play was from Hair 267-245-231 and big time came in from Peck 225-246-254-

225-259. Other highs from Fernandez 252, Carrillo 248, Ho 244, Justin Eubanks 223-241, Foster 222-236 222, Jimenez 226-220, Williams 224, Garcia 222, Curtis 222 and Galvan 220. The big jump was from Hair going 9 positions from 11th to 2nd. My O’My.

The finals started out with 5th seed Foster (+183) vs 4th seed Garcia (+190). In a very close match, the veteran Garcia edged it out 178-176. Now against 3rd seed Jimenez (+200) Garcia knew the reputation and didn’t waste any time putting it to Natalie. His win 224-198 advanced him to meet Hair (+247). Garcia kept up the intensity to a 223-167 victory and on to meet top seed Peck (+419). This was a battle in the best of three matches. Peck took the first 203-187, Garcia the next 182-178, and then the final match - 237-202 for his first Farm Club title - winner Garcia. Congratulations A.J.! And Shane, you’ll have your first one soon in your new division.

Bowlers, our next tournament will start the winter portion of our season on September 10th. The site is Palos Verdes Bowl in Torrance. Please remember that the winter portion starts an hour earlier. Check-in begins at 7:15 and bowling around 8:00.

Also contact your directors for signing up on those winter travel leagues - Greater L.A. Jr. All-Stars, Girls Jr. All-Stars, SED Jr. Travel, and SED Youth Leaders. A scratch travel league is the best way to develop your skills, learn the higher aspect of the game, and make new friends and competitors that’ll last a life-time. See you at PV.

West Coast Jr. Elims  
Keystone Lanes

by David Gordon  
NORWALK —The West Coast Jr. Elims at Keystone Lanes ended their summer long tournament this past Saturday with some very high scoring and lots of surprises, some good - some not so good. For the fellows, their format was another 8 games of match play and a top five finals round. The ladies went six straight games of match play.

The guys started off early and during the first block of 4 games, Jeremy Glover started to make his big move. Starting in the 12th spot Jeremy put up 257-263-202-200/922 to lead the round. Keeping pace and retaining his top seeding was Preston Fukumizu with 258-235-213/ 899. Other highs came in from Kevin Jones 261-224/867, Gabriel Martinez 228-205-225-204/862, Joey Marino 204-201-255/852, J.D. Pelow 235-211-214/852, James Hawkins 221-207-215/831, Matt Harris 221-201-226/826, Eddie Sayles 250-201-205/821, Bryan Osborne 209/782, John Lawson 203-201/ 764, Michael Gaylor 221/762, Brian Gonzales 214/739, Darren Hawkins 203-206/736, and Dayton Crossley 201-226/734.

Aside from Jeremy jumping all the way to 2nd seed in just four games, most of the other position movement was slippage of the top seeds. But this was just the beginning as the next block of four games added that all important endurance factor and just as important desire to win.

Here Harris claimed the honors with numbers of 203-222-279-230/934. He started the day 10th, move up one spot in the first block and jumped into the top 5 during this block. The tournament leader Fukumizu just kept doing what he had to do behind games of 267-227-202/ 889 and Glover stayed in position with 226-247-224/860. Other highs (and not so high) came in from J. Hawkins 213-209-246/853, Osborne 212-206-215-219/852, Martinez 243-219-203/844, Eric Milne 210-231-205/838, Marino 225-201-205/802, Pelow 204-212/756, Lawson 202/743, Gonzales 204/ 735, Crossley 724, Sayles 201/ 702, and D. Hawkins 700.

On the girls side we had six games of match play to report

on with highs coming in from Natalie Jimenez 218-222-216-238, Samantha Jimenez 222-217-257, Deanna Carrillo 221-213-215-202-212, Kim Ferdnance 224-204, and Sadia Ward 200. For the Jimenez sisters it came down to the last (position) match with older sister Samantha up by 18 pins. However, the younger Natalie put it together when need and ended the day with a 266 and match win giving her the center Elims title. Samantha claimed runner-up while Carrillo took the third spot. All five ladies will be meeting once again this coming week-end to determine the state level champion. Do I hear payback?

As for the guys, they now started their finals round with 5th seed J. Hawkins (+325) taking on Milne (+340). Hawkins got in to the top five on the last game of match play and it must have taken some out of him, as Milne put it in high gear for a 255-183 win. Now it was Milne’s turn to have his sail deflated as he met the 3rd seed Harris (+398) 205-146. Next up was 2nd seed Glover (+404) and Harris knew he needed to do better. Here he cranked up with a 268-185 victory to meet up with the top dog Fukumizu (+655). The final pairing was a best two of three matches, but it didn’t need to go that far. Behind wins of 231-191 and 233-214, Harris claimed title of Keystone center champion 2006.

Congratulations to Natalie and Matt. Again, they will be joined by the other finalist for the boys and all of the girls, in a two-day state level finals here at Keystone Lanes. The girls will have the luxury of competing amongst themselves, while the guys will be taking on the five finalists from Canoga Park.

Check-in for all bowlers will be 11:00 on Saturday - in full dress code. After introductions the action starts around 12:00. The format for the boys will be 4 blocks of 5 match play games. The girls will have their choice of 4 blocks of 3 games or 4 blocks of 6 games as a vacant score will be added to even out the field. Also both divisions may vote to have a finals round.

Therefore, I suggest that everyone get that equipment cleaned and tuned and get plenty of rest. I think you’ll need it. See you on Saturday keep up the great bowling.

Geoff Maurer’s  
270/752 Paces  
Team 8’s Saddleback  
615 Trio’s Lead

MISSION VIEJO — Geoff Maurer’s 270/752 paced his Team Eight to a 5-0 sweep to take Saddleback Lanes’ 9:00 p.m. Tuesday 615 Scratch Trio League lead. Frank Street and Steven Saltz helped with 600 series.

Geoff’s 270 wasn’t the evening’s high. Tony Conti’s 279 for Team One was the best.

With a couple of weeks to go, it looks like Team Three (Tim Hall, Michael Harrigan and John Chapman), Team Four (Bill Brossart, Paul Danforth and Vacant), and Team Two (Drew Parkin, Eric Del Conte and Kyle Kenton) have a shot at the title.

League director John Chapman thinks Saddleback’s 615 is one of Orange County’s best. He invites the area’s bowling fans to drop in late any Tuesday night and watch the stars compete. Here’s the power — high averages: Maurer 232, Luis San Juan 230, Danforth 229 and Mike Head 228.

West Coast Junior  
Elimination Finals

WINNETKA — After a short summer season of single competition, the Canoga field of Eliminators ended their season with the final roll-off.

In Match One, Matt Cormack steamed over Daniel Williams 471 to 390 (two games). Match Two was a little closer with another win for Matt over Scott Englehart, 485 to 410.

Match Three was the squeaker of the day. Aaron Steinberg 494 to a tiring Matt Cormack 491.

Aaron Steinberg found lanes 27 and 28 to his liking with 245-262/507, only to be outdone by Matt Jones 256-258/514.

In the Girls Division, Sharon Weger popped a 204 starting game and finally downed Jennifer Pyka 381 to 297.
