Leanne Barrette-Hulsenberg Breaks Fireside Lanes Record with 843 series!

SACRAMENTO—The Steve Cook Classic League was the venue Wednesday evening, October 1, 2008, for Leanne Barrette-Hulsenberg to bowl her highest career series. The evening started out with her throwing the first 12 for a perfect 300 game.

She continued her streak with another 11 in a row and finishing game #2 with a big

299. Game #3 she continued to bowl well and shot a very nice 244 for a new Fireside Lanes House Record for Women of 843, shattering the last house record by Jeanette Menacho.

Leanne is a true professional and always a class act to watch. We couldn't be happier for her and this couldn't have happened to a nicer person. Way to go Boomer!

Citrus Belt's JOEL RICKETTS Bowls 279 Triplicate Series

by Frank Weiler

HEMET—Using a Columbia Momentum ball JOEL RICKETTS bowled 279 - 279 - 279 = 837 in the SOBOBA VEGAS LEAGUE at Hemet Bowl.

The series was just three pins shy of tying MARK LEVY'S house record of 840.

The first 279 was the result of starting with nine consecutive strikes and finishing with a ten pin spare and another strike. The second 279 came as a result of eleven strikes combined with a four pin spare in the seventh frame.

The third 279 came via eleven strikes combined with a seven pin spare in the sixth frame.

Ricketts rolled 32 strikes out of 35 shots, playing between the second and third arrows out to the five board and back to the pocket.

This was Ricketts sixth certified 800 series and the highest he has ever bowled. His previous high was 829. Joel has thirteen certified 300s, two of which were bowled in PBA regional tournaments.

Ricketts is a member of the Columbia Pro Staff and would like to thank COLUMBIA for supporting him while he competes on the PBA Western Regional Tour.

He would also like to give special thanks to his lovely new wife JENNA for her years of unconditional support. He also wants Jenna to know he loves her very much. They were recently married in Cherry Valley, on September 6. Jenna (maiden name KATSURA) is a great bowler herself, carrying a 205 book average. THANK YOU Bowling News for supporting Citrus Belt.

Young Do Wins ABT Back-to-Back Tourneys

ABT at Linbrook (L-R) Champion Vuong Do, 4th place Terry Hlebasko and runner up Jeffrey Taino.

ANAHEIM—Our tournament at Linbrook Bowl this past weekend saw our first back-to-back tournament winner in over 2 years. The cut score after our squads on Saturday was +137. The cut score on Sunday was +168. After our semi-finals, the top five finalists included Jeff Taino, David Smitson, Vuong Do, Terry Hlebasko and Chris Munoz.

The second through fifth seeded finalists drew for their lane assignments for the first round. The first round saw David Smitson take on Vuong Do and Chris Munoz took on Terry Hlebasko.

In the match between Chris and Terry, Chris started the match by stringing strikes in the first through fifth frames while Terry opened in the first frame, marked in the second through fifth frames before opening in the sixth frame. Chris continued with alternating strikes and spares through the rest of the game. Terry marked in the last four frames, but could not catch up to Chris. Final score in the match was 217 for Terry and 257 for Chris.

In the match between David and Vuong, David started his match with two strikes and two spares before opening in the fifth and seventh frames. Vuong spared in the first two

frames before throwing strikes in the next two frames. Both bowlers marked in the last three frames. Final score in the match being 213 for David to Vuong's 231.

The semi-final match between Chris Munoz and Vuong Do was close until the sixth frame. Vuong threw strikes in the first three frames before leaving a split in the fourth frame and an open in the fifth frame. Chris did not open until the fifth frames and then threw alternating spares in frames 6-8, and struck in frames 9-11. Vuong threw a double in the sixth and seventh, spared in the eighth frame and then went off the sheet. Final score was 222 for Chris and 236 for Vuong.

The final match between top seed, Jeff Taino and Vuong Do was also close in the first few frames. Jeff started with alternating strikes and spares before opening in the fifth frame and leaving a nasty split in the sixth frame. Vuong started with two spares, two strikes and two more spares before leaving a split in the seventh frame. Final score of the match was 208 for Vuong to Jeff's 192.

Our newest champion, Vuong Do, 24, has been bowling for about two years. Vuong has a 300 game to his credit and a high series of 796 and does his league bowling at Westminster Lanes, Yorba Linda Bowl and Fountain Bowl. Vuong was using a Storm Dimension drilled by Ben Mach. Vuong wanted to thank his girlfriend, Julie Nguyen for her support and encouragement. Vuong also

State of The Bowling Game

by John Jowdy

What is the true state of the bowling game today? The state of the game, in financial terms, would render conflicting answers, depending on whom you question.

USBC membership continues to decline. Yet recreation bowling is on the rise. Numerous proprietors are profiting from glow bowling, birthday parties, and other type catering services that keep the registers clicking.

Nonetheless, older bowling centers continue to close, some from declining business or, in numerous cases, land values have become so lucrative, proprietors prefer to accept offers they can't refuse. This is primarily prevalent in states like California, New Jersey, New York, Michigan and Florida, plus other areas.

Nonetheless, bowling centers in Las Vegas and in the Phoenix are prospering. Las Vegas is easily the bowling capital of the world and features some of the country's largest and most elegant bowling facilities. During the past several years, Las Vegas presented the game with the plushiest bowling center in the world, the Red Rock Lanes, a facility that was erected at a cost of approximately thirty million dollars. Suffice to say, it is paying itself off with monthly incomes in excess of \$300,000.

Additionally, the greater Phoenix area features over 30 successful bowling centers, possibly more than that of many states.

What do these cities have that others lack? I'm sure it can't be attributed to a lack of other recreational activities in these two areas. For example, Las Vegas offers more favorable recreational opportunities than any city in the world.... warm weather, golf courses, sports events, casinos, live entertainment, lakes, and practically anything other than winter-related sports.

Phoenix, the sixth largest city in he USA, can boast of professional baseball, football, basketball, and hockey teams, as well as leading college sports teams. Equally important, Phoenix features a slew of some of the country's greatest golf courses.

Nevertheless, for the less fortunate proprietors who are barely holding on, there's a bright light looming at the end of the tunnel. In order to recover some of the lost membership in the USBC, bowling has to begin at the grass roots level.

So where is the most opportune area for this development to take fruition? Of course, in high schools, the training ground for ALL sports... baseball, football, basketball, and track. And how does bowling fare against other high school sports? VERY WELL, thank you. According to the National Federation of State High School Association's survey, bowling was the largest-growing high school sport in the 2007-08 school year, continuing a decade-long trend.

More than 52,000 students competed at the 4, 656 schools offering high school bowling competition in 2007-08, a 16 percent increase over the previous year.

Perhaps the addition of freshman teams could further increase the numbers in high school bowling programs.

Participating states offer varsity bowling for boys and girls, guiding all levels of high school bowling, providing rules and instructional opportunities. USBC High School offers a free membership program, which enables coaches to nominate outstanding bowlers to the national Dexter/USBC High School All-American Team, and provides high-score recognition to student-athletes. Coaches also receive resource materials such as USBC Coaches Guidebook and USBC High School Guide

Bowling not only offers inexpensive start-up and maintenance costs but also allows students an opportunity to get involved with their schools. Size, height, and brawn are inconsequential. The smallest boy or girl can be just as successful at bowling as seven-foot basketball players, football behemoths, track speedsters, or any other type athletes that require inordinate size or brawn. Additionally, bowling lays the foundation for a lifetime sport and helps athletes earn scholarships to an abundance of colleges featuring big-time bowling programs.

USBC, as the national governing body, ensures the integrity and protects the future of the sport as it continues to increase in numbers, year after year.

Most assuredly, the yearly increase in high school bowling participation can only serve to insure a bright future for the sport of bowling and, consequentially, a financial boom for bowling proprietors.

National Deaf Bowling News

by Connie Marchione

Stogryn 247/790 Tops Deaf Travel at Pickwick

BURBANK—There were no big scores in So. Calif. Deaf Traveling League's stop at Pickwick Bowl. Darrell Stogryn finished with a 247 for a 790 four games total to top the league's honor roll of nine bowlers (half of the league). Darrell had a slow start with 161-178 and finished strong with 204-247 in his 790.

After Stogryn on the roll was Ed Abakumoff with 771 from games of 194-203-193-181, then the series drop to 5 bowlers in the 714 to 717 ranges. Teammates Andy Lorenzo and Robert Taylor were tied with 717's followed by a pair of 715's by Paul Taffolla (206) and Pablo Yoma (200) and Bob Jones with 714. Gardy Rodgers's 214 and Emad Aranki's 202 completed the roll list.

Abakumoff's first place Riverside with help of Taffolla (5 points) and Aranki, bounced back form its dismal showing in the last session, with another near sweep 17.5-2.5 win over Tri-Cities. Sharon Caldwell's 2 points and Robert Audette's half point prevented Tri-Cities from a shut out. Riverside scored 2146 for the day's only 2000 team series.

Stogryn's late surge helped his El Camino Village took the 3rd and 4th games and the team series to edge out Yoma's S. F. Valley 10.5-9.5.

That win kept the Villagers in 2nd place 10 points behind Riverside.

Also Lorenzo and Taylor's Glendale turned on their firepower in the 3rd and 4th games to win the games and series to beat Rodgers' and Jones' Los Angeles 13-7. Glendale moved up to 3rd, 12 points back of Riverside.

This 49 years old all deaf bowlers league thanks Pickwick Bowl's management and staff for being excellent hosts that day. With some of the bowlers bowling in the Deaf Seniors of America Tournament in Las Vegas the following week, the league is taking a two weeks bye and will resume at Keystone Bowl on October 26th at 1 PM.

Abakumoff Rolled 278/929 in his PBA Experience League

MORENO VALLEY—Curiosity got best of Ed Abakumoff as he joined a PBA Experience league at Brunswick Moreno Valley Bowl. He wanted to learn what it is like to bowl on lanes each week with one of the 5 different PBA oil patterns. So in his early weeks' start Ed could not do well on two other patterns, averaging 20-30 pins below his average.

Then on Sept. 25 with the league using the PBA's Chameleon oil pattern, Ed tried using his Columbia 300's Action Max ball and caught on, rolling first 3 games of 234-226-191. Then in his fourth game he rolled first 2 strikes, and in 3rd frame left two standing, spared and struck out for a (in his words) TWO SEVENTY EIGHT and a 929 series. In this series Ed had a total of 4 opens the whole night, one was a split and three were ten pins where he missed them by a mile.

In the following week, the league was using the Cheetah oil pattern (short oil), Ed said he started poorly but shot 200 plus in other three games for 800 plus series. So Ed better work on solving the other three patterns, Scorpion, Viper and Shark (all long oil patterns) to see if he could run up a bunch of 200's.

For those who do not know.... PBA Experience League is part of USBC Sport Bowling Leagues. To bowl in either (Sport Bowling or PBA Experience) leagues bowler first pays USBC Sport Bowling dues of \$25.00. Then his average on Sport Bowling will be kept separate from his regular league average. Visit your bowling center and ask if they have one and what day or night their league is on, then watch the bowlers like Ed try their best on the tough oil patterns.

After the first game, Abe Morales with a +80, was closely followed by Tim Tran with his +78. There was a surge of excitement in the 2nd game when Anthony Dancel rolled a perfect 300 game, earning him the top spot at +127 with Abe Morales trailing him by 30 pins at +97. Tim Tran got his burst of energy finishing with a 263 game but it wasn't enough to catch up with the top two. Abe finished with a 249 game/759 series and Anthony with a 262 game/776 series to cinch him the championship. Great bowling everyone! Anthony Dancel would like to thank his Mom and Dad for watching the game. He would also like to thank Danie's Italian Deli, Philip, Kim, The Cordero's and LSBC for throwing a great event for a good cause.

We at LSBC would like to thank Cal Bowl and the management for hosting this inaugural event. We thank all our fellow bowlers who showed up for support. We hope to see you all this weekend at AMF Valley View lanes for our next event. We will be starting our newest pots - LUCKY Game 2, LUCKY Series and LUCKY Strikes! See our AD for details.

Inland Empire NABI Champion Randy Powelson

LAKE ELSINORE—We want to thank Trevi Lanes for hosting our last tournament. Trevi is always a fun place to bowl with a fantastic management.

Our champion, Randy Powelson has only been bowling for 6 months, but you would never know it to watch him bowl. He won with his Morich N’Sane, drilled by Monty Mock at Trevi. Randy bowls in the Adult Practice Leagues, Monday & Wednesdays at Trevi. He also works there part time, while attending Mount San Jacinto College. Besides bowling, he likes basketball, and played in high school. Randy wants to dedicate this win to Kenny Ballard. We will see Randy in the Tournament of Champions at the NABI 209 Nationals. Congratulations Randy!

Our stepladder began with: (all with hdcp) Donna Connary bowling Brad Lecount. Brad bowled a 162 to Donna’s 227. Donna then bowled Brad’s wife, Dana Lecount. Donna bowled a 201 to Dana’s 232. Dana went on to bowl Randy Powelson. Dana bowled a 221 to Randy’s awesome 302. Randy then bowled the high qualifier of the semi-finals, Michael Gray.

Michael bowled a 203 to Randy’s 291 for Randy to become the champ.

Our high qualifier for the day & winner of the new Ebonite ball was Steve Schroeder, bowling a fantastic 776 series. The high woman’s qualifier was Donna Connary, bowling a great 696 series. She won the beautiful Anne Klein watch. Congratulations to you both!

Our sidepot winners were:

Randy Powelson (4), Jay Shackelford, Steve Schroeder, Brad Lecount, Jerry Runnals & Pat Perinich Our next tournament will be held at Arlington Lanes on Sat., Oct. 11. See our ad in this week’s Bowling News!

Cunanan Wins Second ABTA Title at Bowlm

Match Game Est. \$1,200 • Match Series est \$600 • 3-6-9 is \$1,400

Keystone Lanes This Week Sat/ Sun \$2,500 1st Possible

Qualify 12:00-1:30-3:00-4:45 Saturday \$200 Bonus 1 in 4 1/2 to board

Sunday One Big Squad 10:15 AM • Semis 11:45 AM

MONTCLAIR—Kmel Cunanan was at it again at his favorite house as he won his second title at the Bowlm Lanes in fine fashion winning four straight matches in the single elim finals to take the crown, knocking off Chris Kelly in the title game by a 201-181 score to take home a tidy \$1,800.

Kmel topped a decent turnout of 163 entrants on which saw nice cut scores on the new synthetic lanes of +90 men and +42 for ladies. Added Super Seniors to the Semis were Ping Tubera, Art Lindsey, Anita Smith and Lucille Phillips making 51 bowlers advancing to the Semi finals in hopes of making the top 16 single elims.

The semis began and ended with Chris Kelly top the field at a +164 followed by Kmek Cunanan at +158. We had Kelly top the field and sit out to bowl the title game, with Kmel receiving a first round bye in the top 16. It took a nice +73 to make the top 16 on the sweet lanes plus 3 guaranteed ladies. Round One was on. Losers

were Jim Smith, Fel Garcia, Deb Sanders, Kimberly Stephens, Ray Salazar, Demetrius Cash, and Margie Coronado. They got checks of \$100

Round two had Desiree Herrera, Marc Levy, Erick Lam and Erik Volk lose out, in 6-9th places and \$115 each.

Round three got Interesting as Kmel eliminated Mr. Super Sr, Lonzell Burnett 231-195. Aubrey Chelsea certainly aced a trying Bart Sanchez 264-214. Lonzell and Bart were 4th and 5th at \$130 each. Nice bowling with Kmel and Ace to meet for the right to advance to the title game vs Chris Kelly. This game was a good one until Kmel pulled away in a 237-217 win. Chelsea was 3rd. \$200 with fine bowling and Kmel off to the title game.

The title game now underway. Kmel led off, and in a good close match after four frames Kmel was clean. Chris suffered a 3 count and open and we had a good match. Neither could muster a double. After 7 frames it is near tied and Kmel was clean with

Chris disintegrating, unlikely opening in the 8th 9th and 10th frames. The title went to the gentleman from Anaheim 201-181 inc handicap, and deservingly so. He is one of our finest supporters and got title #2. Since joining us years ago has improved immensely. A Greater guy you cannot find. Congrats Kmel!

Great bowling by Chris Kelly who almost got his first title at the Bowlm. Who is also one of the good guys.

Aubrey Chelsea also a good guy really bowled well in 3rd. A title is next for him.

Tourney Hi Qualifiers were David Godinez +221 (men) and Desiree Herrera led the gals at a big +179. Both get paid entries.

The doubles were topped by "El Presidente" Danny Guevarra, and Jun Cadenas at a huge 1552 for \$150 edging Mary Levy and Jeffrey Fouse 1546 \$130. Cadenas again 3rd with Minh Dang at 1534 and \$120. We paid 14 places in the doubles and \$1,040 to our members.

Cunanan Wins ABTA Title At His Favorite House... The Bowlm (L-R) Bottom: Velinda Kelly Chris' wife, Adrian, Son of the Champion, and Champion Kmel Cunanan. Top: Chris Kelly (runnerup) Ace Chelsea 3rd, Butch Obrar (Las Vegas Night South Point in January winner) and supporter, and Lonzell "Mr. Super Sr," Burnett 4th.

The Match Game was Matched at 222 by Champ Cunanan and Demetrius Cash. They shared \$930 and \$465 each.

The Match Series was UN-Matched at 477. We estimate the Series at \$600 this week with our \$154 carryover and for only a \$2 entry fee.

Jeffrey Taino was last up in the 3-6-9 rolloff but missed on shot 4. We go for \$1,400 this Saturday at Keystone. He got a \$50 Consolation for beer money.

Winning a night at the South Point for our Las Vegas Event was Butch Obrar who will be gunning for \$8,000 1st place there. Winning ABTA Shirts were Jun Contreras, Blandino Atienza, and Julian "Iron Man" Conwi

Kmel Cunanan hails from Anaheim, married to the beautiful Mia, His # 1 Supporter. They have 2 kids, Adrian and A.C. Adrian was on hand with dad and got in the pictures with him. He used a Storm Gravity drilled by Mikey Wahl also an ABTA member at Cerritos Lanes. He thanks The ABTA and Bowlm staffs for the tourney and also Alan Basto Ronnie, Rina, Danny Eguilos and Alan for support. His stunning cousin Jhoy Asarte joined the ABTA last week at CAL but missed this one. Jhoy, your Cousin did it up good at the Bowlm :-)

Chris Kelly is from Diamond Bar, married to Velinda with sons Scott and Brandon. He used a Lane #1 drilled by Chris Makroglous at Chaparral lanes. He thanks family and friends for support.

Aubrey "Ace" Chelsea is

from Montclair and used a Hammer Psycho drilled by Chris at Covina Bowl. He thanks the Beautiful Bartender Christina Ramirez of the Bowlm, Daughter Andrea, Chris and Carl at the Pro Shop in Covina Lanes and the super staff at Bowlm.

Thanks to the fine Bowlm Staff who were very helpful. We will return soon. Kmel Cunanan enters the archives as a two time Champion. Keystone Lanes is the place for us this weekend in a two day event. BY NICE AND SWEET

STUDIO CITY — As always we are ready to bring all of you our verbose creation that is the weekly high scores. You may be a first time reader or a steady constituent, yet we offer up enough prose about pin counts that it may hurt the cerebellum. We need to now show our excellence in bowling.

PINZ ADULTS

This week we have seen many high scores and too many low scores. There is a resolve in the waiting; practice. Remember all LEAGUE bowlers get a discount Monday through Thursday before 6:00 p.m. and Sunday from 9:00 a.m. until 11:00 a.m. Join our Sunday morning that just continues to grow with league bowlers and better games aboard. You may discount this but please look at these scores:

SED Jr. Travel

by David Gordon

ROSEMEAD—Welcome back to another update of SED Jr. Travel. This update will cover the last two sessions, before the State Scratch Tournament this past weekend.

A few weeks back the group took to the lanes at La Habra 300 Bowl. We had a few locals pace with us, just adding to the very nice scores posted by the regulars. Leading the day of league bowlers was Mark Curtis posting up 255-235-225/896. Right behind him was J.D. Pelow with a 269-204-220/892 set. And rounding out our 800 club for the week was Max Slevcove going 223-260/848. Way to bowl gentlemen. Other high scores on the day came in from Jasmine Morales 205-226/773 and Kim Ferdnance 218-209/747.

As for the "house bowlers" who was pacing, we had Mark Myers go 236-274-246/945, Brandon Kraye with 266-226-247-233/932, and Kevin Jones 744.

The following week put us at Cal Bowl on the higher good lanes (a first for us). The leader of this session was Slevcove with 237-204-268/899. Excellent Max. Just missing the 800 club was Pelow 258/795, followed by Deanna Carrillo 235-212/754, Chris Blankenship 743, and Jasmine Morales 212/708.

This coming Saturday (10/11) we take to the floor of Gage Bowl. Practice will begin at 2:00. Also, we are still excepting new bowlers who want to test out their skills and try this scratch travel league. Hope to see everyone there.
