The cut score on Friday was +117, +90 on Saturday and +66 on Sunday morning. After our semi-finals, the top four finalists included Rey Cabatbat, Tiffany Morita, Vuong Do and Tim Tran.

The four finalists drew for their lane assignments for the first round. The first round saw Tim Tran take on Vuong Do and Tiffany Morita take on Rey Cabatbat.

In the match between Rey and Tiffany, each began their match with strikes. Tiffany struck in the first two frames while Rey struck in the first three frames. In the match between Tim Tran and Vuong Do, Tim start-

ed with a spare and a strike before opening in the third frame. ## Southern California Bowling Proprietors Elect New President

by Carol Mancini

SHERMAN OAKS — Scott Frager, the Executive Director of the proprietors group, announced recently the election of TOM CRISTI to the presidency.

Tom has been a very successful proprietor for many years and an active member of BCSC.

Santa Clarita Lanes now flourishes under his tutelage as did Sports Center and Del Rosa.

Tom is a "team player", always working for the good of the whole. And certainly his unique "Team Tournaments" are a sample of bowler team work.

The very aggressive independent proprietors have closed a "Get 'Er Done" guy who is looking forward to new ways of operating and new ways of communicating.

Congratulations, Mr. Cristi.

## Missy Bellinder Hired By PBA

FULLERTON — Missy Bellinder of Fullerton, was recently hired by the PBA to assist in the public relations department.

Bellinder was the first woman to join the PBA, as well as the first to win two PBA Regional titles, and has quite an impressive resume in the sport.

Bellinder, who has a degree in communications and is pursuing the public relations field, will help to serve as an expert on bowling.

## USBC Begins Research on Bowling Ball Entry & Exit Angles

*Study seeks to find out how modern bowling environment affects pin carry*

GREENDALE—When a heavy bowling ball rolls down a lane, it hits the pins and knocks them over. That's all there is to it, right?

The United States Bowling Congress knows there's more to it than that.

That's why the sport's national governing body has started a multi-phase study to expand on earlier research and gather data about how bowling pins the 3-plus pound, 15-inch tall objects that stand at the far end of a lane interact with bowling balls in today's bowling environment, which has changed dramatically over the years.

For 25 years, the USBC and its predecessor organizations have studied how the an-

gles that bowling balls hit the pins affect a bowler's ability to strike. That alone, however, doesn't tell the whole story.

USBC researchers now are venturing into new territory by examining what happens to pins when balls enter the pocket, roll through the pins and off the back of the pin deck.

The other part of USBC's expanded research is to study how the modern bowling environment plays a part in pin carry. The combination of recent advancements in lane oiling machines, lane conditioners and cleaners, bowling balls, lane surfaces and player skill allows today's bowlers to create steep angles of entry into the pins, resulting in

## Team USA Sweeps Singles Medals at PABCON Women's

SANTIAGO, Chile - Team USA exuded its dominance in the opening event of the 2008 Pan American Bowling Confederation Women's Championships, sweeping the medals Monday in singles.

Liz Johnson of Cheektowaga, N.Y., took the gold medal with 1,482 for six games, an average of 247. Carolyn Dorin-Ballard of North Richland Hills, Texas, won the silver with 1,449, while Lynda Barnes of Double Oak, Texas, earned the bronze with 1,448.

Competing on the opening squad, Johnson got off to a strong start with games of 258, 279 and 224 and finished with 248, 215 and 258. She led from the first game and never looked back.

"I guess it's a little bit of a confidence booster bowling on the short pattern for me," Johnson said. "I had a good shot and made good shots. There's a lot of games to go and it's all about team play right now to just get our feet going and see what happens."

Heading into the final game, Dorin-Ballard was mathematically eliminated from gold medal contention but closed with a 279 game to edge Barnes, who finished

with 227.

"This is a great team, and for us to sweep the medals in the opening event is amazing," Dorin-Ballard said. "This puts us off to a good start, but there's a lot of work left to be done. We've all got our eyes on the team gold medal."

Team USA's Kelly Kulick of Union, N.J., just missed earning a medal, finishing seven pins behind Barnes with 1,441. Diandra Asbaty of Chicago totaled 1,338 and finished in 10th place, while Wendy Macpherson of Henderson, Nev., took 29th place with 1,254.

Action next shifts to the doubles event Tuesday with Dorin-Ballard and Johnson pairing up for the morning squad. Kulick and Macpherson are together in the afternoon, and Barnes and Asbaty will take to the lanes in the evening.

The 2008 PABCON Women's Championships features 16 countries from the American Zone competing in singles, doubles, trios, team, Masters and all-events. The top 16 players in the all-events standings after 24 games advance to the Masters match play competition.

TRAVEL  
LEAGUE  
By Alice  
Meglemre

GARDEN GROVE- The league returned to Valley View for the second of four visits and Ann (Manager) was on deck to greet us. So was Bob at the control desk and he was especially helpful throughout the bowling session at the desk and on the lanes.

Karen Mauricio led the scoring report with 209-533, followed by Roberta McNaught 213-528, Gladysce Perrin 520, Cyndie Martin 518, Cic Moons 517, Margo McClain 500, Melba Knight 499, Iaine Todd 201-491 and Jamie Vallier 491.

David McNaught CPA continues league leadership with 21.2 wins, followed by Westminster #1 and Doris' Hair Designs tied at 18, Keystone #2, 17.2; Cerritos #2, 17; Keystone #1 and Cerritos #1 tie at 16; Westminster #2, 14; Valley View #2, 13; Cal Bowleros, 12.2; Keystone #3 and Fountain Bowl tie at 12 and the rest of the league trails at 8, 7.2, 7 and 6 wins each.

It's BVL collection time and again, for the past 51 years, the league voted it's annual donation. Hopefully, some of our members will participate in the OCUSBA roll off for a berth in the State roll-roll off. More later about the local BVL tourney dates and site.

Highlight of the day was the Strike Pot, topping \$100 which required a payoff. Nan McGill managed it for absent Sue, and had to call 12 names before a strike was registered. We are pleased to report Nan was the 12th name drawn and hooray, she nailed it!

NEXT WEEK: Monday 10 a.m. October 27, at Keystone Lanes. One team still needs a bowler and we also need more subs. Please call Alice at (562) 423-1567 if you are interested or know a bowler that may want to participate in this super 16 team Classified league. All you need is a book average, or current average of 21 games or more.

L-R: Our LUCKY bowling ball winners - Rico "Bong" Cayton and JR De Guzman

**Greg Barron, 1st time CHAMPION for \$1,800 at CAL!**

LAKEWOOD - After 2 days at Cal, Greg Barron emerged a Champion amongst 64 other bowlers. 16 bowlers advanced to the semis and fought their way to the beat the board finals. Greg led the way with his 293,220,233/746 performance. Stan was behind Dominic after the first game but stepped up his game for his 223, 281,236/740 series - a few pins shy to over-take Greg. Dominic shot great games - 225,267,236/728 that earned him third honors.

The weekend showed us high games with cut scores of +93 for men and +44 for women for Saturday and +121 for men and +101 for women for Sunday. But our LUCKY Game 2 showed us that there's no such thing as a "bad" game since Ronnie Cordero, Rick Llaneta and our own Chris Abing took home \$174 each for their 159 scratch games. Next week, LUCKY Game 2 starts off with \$100 while the LUCKY Series (781) and the LUCKY Strikes pot is a carry-over with a minimum price fund of \$150 and \$200 respectively. Congratulations to our happy bowling ball winners - Bong Cayton and JR De Guzman!

Greg Barron, a Long Beach native, would like to thank friends Dan Munzon, Peter Wong and Bong Cayton. Special thanks to Alan Aguilar for the support and to his Bacoorian Family and Friends League. Because of them, he found the strength in him to focus and bowl his best.

Time and again, Cal Bowl proves to be one of the best! Thank you for hosting our event. To all our fellow bowlers who continue to support us, you have our deepest gratitude and appreciation. The following week finds us at Westminster Lanes for our NO-TAP event. Please see our AD for details.

Marc Levy Wins Senior Division, WCST Ebonite Singles at La Habra “300” Jim Thurmond - Super Senior Champion

by Dick Sanders

A great week-end for Marc Levy (Cathedral City), winning his 1st WCST Ebonite Singles Title, and he did it in a big way, with a 241 pin victory over the 2nd place finisher, Marlow Dinger. Marlow was the qualifying leader with 2447 for the 10 games, and started the finals with a 166 pin lead over Marc.

After 5 games, Marlow led Marc by only 19 pins, Marc already won all of his matches, and bowled 1247 and did not lose a match until he bowled against Marlow in the Position round, and Marlow won that one, with a 263 to 255 match. Marc ended the 10 games bowling 2485. Marlow won only 4 and 1/2 matches. TOP 3: 1st, Marc Levy, \$900.00, 2nd, Marlow Dinger (La Habra), \$625.00, and 3rd to Jeff Garrison (Hawthorne), \$425.00. 22 checks were paid out, and a total pay-off of \$8,435.00, and for the year, \$144,537.00 paid out, and over-all for 279 tournaments, a pay-off of \$3,390,098.00. One 300 game in the qualifying by Dean Carr.

The WCST would like to thank La Habra “300” Bowl, for their cooperation in hosting our tournament.

This is the 19th WCST Tournament we have had at the center, since 1993. Thanks Mickey Curley, GM, Gary Korwarsch, and Mr. “900”, Glenn Allison, and the workers of the lanes. Thanks to our coverage

Sponsors, EBONITE INTERNATIONAL CO. & GEORGE ABRAHAMSEN, REALTOR, for Tarbell REALTORS, 949-812-9990, and to Martin Brooks, a good job doing the brackets, and to WCST member, Dave Smith, helping me get the scores for the finals.

\*\*\*SUPER SENIOR NEWS\*\*\*

Jim Thurmond (Hemet, won his 12th WCST Title, with a big win, and if you looked at the final results, you would think the way that Dave Wilson, the 2nd place finisher bowled, that he would have won this tournament. Jim won only 4 of the 8 matches, and Dave won all 8 of his matches. Their scores for the 8 games in the finals, were only 10 pins apart. The difference of this 69 pin victory over Dave, was the qualifying scores, Jim, 2359, and Dave, 2190. Another key to the victory for Jim, that he rolled a 299

In game #2 of the finals. Jim is now the 5th in the All Time WCST money list with over \$41,000.00 won.

## Ngheim Tran Wins Second ABTA Title \$2,200 at Del Rio Colian, and The Champ Tran share \$935 Match Game Match Series Carries over est \$600 at Linbrook Bowl Saturday 12:00-1:00-2:30 & 4:00 • \$1,000 min 1st 2,500 1st Possible New Special Programs and ABTA Co-Sponsor (SOON)

DOWNEY—Ngheim Tran, who NEVER misses an ABTA Event made it pay off at Super Del Rio Lanes, as he won his second ABTA Title. He won from the top position as he led the semifinals with a fine +123 to be able to sit out and bowl for the title.

The Chameleon, a tough but fair shot was put in for our event by Del Rio and on Friday Night it took men +59, and the ladies +40. Saturday Men +26 and ladies +3 also added to the semis. Super Seniors Ping Tubera, Rico Cayton and Bobbie Mc Collum and the field of 45 was now set. Mitch Lesh was runner up in the semis and would sit out the first round of the single elim finals to enter in round two. The ladies -2 to make the top 16 single elims.

In round one of the finals Single elim losing out were Theresa Maloles, Anna Bautista, Jason Chiu, Roland Suase, Ronnie” Ace” Cordero, Je Je Gabriel, and Glen Dantes. They received checks of \$100 each. Round two saw Vicente Rivera, Alan Basto, Lebi “Happy Birthday” Pascual, and J. T. Jackson lose out. They got checks for \$110 in 6th thru 9th places.

Round three saw Bedell Vasquez get hot in a 233-183 over the Pretty Jerilyn Morales. Manny Natividad edged Mitch Lesh in a tight one 236-235. So Mitch and Jerilyn were 4th and 5th with great bowling and \$120, with Manny and Bedell to meet for the right to bowl Tran for the title.

This game was another su-

per one. Going to the final ball Manny whiffed a 10 pin by a 1/4 to tie the game. Then in a 9-10 frame roll off, Bedell advanced and the likable Natividad was 3rd with a great showing and \$200. Bedell off to the title game vs Ngheim Tran.

The title game was now underway. Bedell led off with a strike but Tran answered with a turkey. Bedell opened in frame 3 and Tran then fired another double and now had a big five bagger. Bedell was in a hole with two opens. Tran coasted to the title in a 194/224-162/212 win. It couldn’t go to a finer man. Ngheim is here every week and tries his best. He is a true supporter and true champion. It is nice to see him gain title #2. He is very deserving! He didn’t wear his ABTA Shirt or would have had another \$100 but he says \$2,200 is fine with him. Great Bowling!

Great bowling by Bedell who was bowling with his left hand in this one; he did very well! Also a great guy for sure. He got \$500 for Las Vegas.

Mitch Lesh bowled well in 3rd and his Mom Rhoda was on hand to watch as she hadn’t seen him bowl for 14 yrs. He surely could have won this one as he performed so well.

Tourney Hi Qualifiers were “Mr. October” Pilbert Colian with a big +151 which included a nice 277 scratch game. Jerilyn Morales led the ladies +64. Both get paid entries.

The doubles were topped by “Mr. October” Pilbert Colian, and Leo Tartamella.

Their 1477 got them \$150. They delighted the field as in second were Leo and Bedell Vasquez 1368. We paid 13 places and \$1,000 in the doubles.

The Match Game was Matched at 205 by the Champ Tran, and “Mr. October” again. They shared \$935. Pilbert also won 1st week’s Match game at Keystone! When we hit Las Vegas in January, we will have him (and perhaps Tran roll the dice for us :-)

We estimate a \$1000 pot this weekend at Linbrook. The Match Series was UNMatched at 612 so we estimate the Match Series to be \$600 at Linbrook and only \$2,00 to enter.

“Ace” Cordero was last up in the 3-6-9 roll-off but missed on shot 2. We go for \$1,500 this Saturday at Linbrook. He got a \$50 Consolation for beer money.

Champ Ngheim Tran hails from Fountain Valley, and used a CELL drilled by ABTA Member Ben Mach at Westminster Lanes. He’s married to Huyen and has kids Vivian and Vincernt. He thanks Joe, fellow ABTA bowlers for support and John Birkhead, his boss at Balboa Water Group. He thanks the ABTA and staff for the most fun, and fairest Club.

Bedell Vasquez is from El Monte, and used a Hammer drilled by Memo at Bowler’s Image. He congrats Nheim for the win and Manny Natividad for an exciting, unforgettable game.

Tran Wins ABTA Del Rio Event. Ngheim Tran (L-R) won the latest ABTA Event at Super Del Rio Lanes last weekend and \$2,200 top prize. Top:Aleta Lesh, Mitch Lesh 3rd, “Iron Mike” Cammarata Del Rio GM, Manny Natividad 3rd, and Mary Grabinski ABTA Fan. Bottom: Rhoda Lesh (who came to Del Rio to see Son Mitch bowl for the first time in 14 yrs) Champion Ngheim Tran \$2,200 and runner up Bedell “Lefty” Vasquez.

Manny Natividad hails from Cerritos and used the Rule Drilled by ABTA member Mike Wahl at Cerritos Lanes. He’s married to Gilda with 3 kids Robert, Jeremy and Ginny. He thanks Bob and the ABTA Staff for a great job and to Bedell for the exciting game also.

We had 10 new members and first time cashers were Sonia Coronado (about time) :-and John Grieco. Sonia is ready now :-) Thanks to the Del Rio Staff and “Iron Mike” Cammaratta for a superb and ABTA Member and friend Dean Lopez for all the help there.

It’s History folks as Ngheim Tran enters the archives as a two time champion. This Saturday, we are hosted by Linbrook Bowl In Anaheim in an early four squad event. Qualifying squads are 12:00-1:00-2:30 & 4:00 PM. \$1,000 Min

1st always guaranteed. There is a \$200 Bonus if qualifying at 12:00-1:00 or 2:30 PM and wining the event making it worth \$2,500.

Eighty five men with averages ranging from several with 150 up to Maryland's Bobby Fuller's 206 and Californian Ed Abakumoff's 209 entered in this handicap double elimination event. The seniors, 55 years and older came from 23 States and Alberta, Canada.

After the Wednesday's 4 games qualifying round, hometown bowler Sammy Sain led with 214-247-227-179 for the event's high scratch 867 plus 80 handicap 947 total. Followed by Larry Berke, AZ in 2nd place with (203-223) 781 plus 144 hdcp 925 and Allan Sellman, MN in 3rd with (249-203-204) 846 plus 76 hdcp 922.

The eventual winner Mike Landry, Louisiana scored the tournament high game 250 in his 821 plus 84 hdcp 905 placing him 4th. Top average seniors Fuller and Abakumoff placed 20th and 29th with 861 and 846 respectively. Fuller had (236-233) 849 plus 12 hdcp while two-time Deaf Team USA member Abakumoff's was (211-233-213) 846 with no handicap. The low cut-off score for the 32 places match play was 838 by former Deaf Team USA member Joe Ed Thompson, TX with his (200-205-222) 798 plus 40 hdcp.

In the Thursday's all day one game match plays, 56 years old Landry in his first Deaf Seniors tournament and Abakumoff who lost in the 2006 title finals by one pin, were the only two, winning all their matches without a loss and faced each other in the 5th round.

Abakumoff gave Landry his first loss 218 to 172, sending Landry into the loser bracket's semi-finals round. Abakumoff as 1st seed waited in the championship finals for the winner of the semi-finals match.

Through the match plays, all including Sain, Berke, Sellman, Fuller and Thompson suffered two losses and were out. One dark horse, Jack Sickinger a 150 average Californian who qualified in 27th place with 850 won his first match and got his first loss in the 2nd round.

Then Sickinger won four straight matches to move into the semi-finals against Landry and lost 159+48/207 to Landry's 204+21/225.

In the title finals against the rested Abakumoff, Landry got even by jumping into lead with 4 strikes from 5th thru 8th, giving Abakumoff his first loss 225 to 188. Then in the Championship match while Abakumoff struggled with early two wide splits in 2nd and 5th frames, Landry again jumped with 4 strikes from 3rd to 6th frames and never looked back. Landry beat Abakumoff 235 to 159 for his first Deaf Seniors title. Landry averaged 206 plus for his 12 games. He will receive \$850.00 and Abakumoff \$425.00 in the mail. Jack Sickinger might get \$220 and the rest of 32 will get their prize money all in the mail.

Next week there will be the Singles and doubles results and also the senior women's elimination results.

## MALUCCI ROLLS 300/780 AT RED ROCK BOWLING CENTER IN LAS VEGAS

LAS VEGAS—During the Deaf Senior tournament I got the news from Melchora Lee that Carl Malucci who now works and bowl in Las Vegas, rolled a 300 game in the new bowling center at the Red Rock Hotel. I asked her about his series and got 780 from her also that Carl will come and tell me more.

The following day Carl stopped by and gave me a copy of his team "Team Nation" results in the 7670 Sunday Mixers League at Red Rock Lanes. It showed Malucci at anchor of his foursome shooting games of 235-245-300 for 780.

So that is his 41st career 300 game. He said it was not pretty because he had three open frames, missing two 7 pins and a split. That hurt his chance of hitting 800 but that is bowling and that's the way it counted. Right now he is at 237 average.

More important, let look at the team result sheet. Carl has Melchora Lee at leadoff, Joey Harris in 2nd sport and Barrett Lee as third man. In the first game they hit 910, a lofty score for a deaf 4 players mixed team (I have to check my records and report later). In this game Melchora had 213, Joey 248, Barrett 214 and Carl 235.

In the next game the team dipped below 800 with a 793 but bounced back with 882 for a 2585 series. That is a big one for a deaf foursome mixed team, which I will look back to find one. In addition to Carl's 780 series, Melchora had 587, Joey 642 and Barrett 576. The team clicked well together and should enter in the USBC National Mixed Tournament.

Hopefully Carl will report back to me with the team's better scores. Congratulations to him for his 41st 300.

# Congratulations

Animal Friends of the Valleys**

LAKE ELSINORE—On Sunday, October 26, 2008, Trevi Entertainment Center in Lake Elsinore, CA will be hosting the first of six Watch and Win Bowling Events. The interactive game show tournament format (written for television) allows bowlers and spectators to win bowling balls, shirts, towels, shoes, a three day, two night stay at Don Laughlin's Riverside Resort and free games of bowling when the player they picked wins the game. Spectator tickets and admission are Free! (Must be over 18 to play)

Twenty finalists (10 handicap and 10 scratch) play four games beginning at 2 pm. Each game spectators receive three free tickets to select one of five bowlers that they think will win the game. When the player they picked has the highest score their entry will advance to the random drawing to win sponsor prizes (3 winners each game). During all four games, spectators will also be able to purchase \$1.00 tickets to select either the Scratch Champion or Handicap Champ who compete during the Charity Match. The 50/50 drawing will benefit Animal Friends of the Valleys.

On February 28, 2008, AFV suffered a tragic fire that took the lives of 39 animals and totally destroyed the modular unit in which they were housed as well as all kennels and supplies. Much has been done to repair the damage, but they still need to raise more funds to purchase additional kennels.

So come on down to watch competitive bowlers play for cash, play for free to win sponsor prizes and contribute to a worthy cause that helps to place dogs, cats and other animals into loving homes. You can also bring dry dog food, dry cat food and toys for the animals. higher strike percentages as balls roll through the pins after impact.

The aim of USBC's research is to find new ways to precisely measure how modern bowling balls rolled with different amounts of speed and hook enter and exit the pin deck and how those ball paths influence how pins fly upon impact.

It's important that, in today's setting, USBC better understand what exactly happens when a bowling ball hits the pins from different positions and angles, said USBC Technical Director Steve Kloempken.

We have never before studied a bowling ball's impact on the pins after it goes through and off the pin deck. In the big picture, this research is important because it impacts scoring levels in our sport.

Wilson Wheels A Wonderful 671 In Linbrook Juniors

by Stacy

ANAHEIM — I would like to start off this article by congratulating one of our Junior bowlers for winning his first JAT title. Congratulations goes out to Aaron Wilson for all the hard work and practice he has done and for this great achievement. I am sure this is the first of many! Congrats Aaron!

In the Thursday Linbrook Juniors, Andrew Stewart, who also made the semi-finals in the JAT, bowled terrific scores of 234-266 for a fabulous 671 series. Robert Albrecht tallied a fine 215, Giovanni Ortiz ordered 208-201, Jesse Gwyn grabbed 206-201 and Matt Clark clipped 201.
