Wayne Webb Wins Columbia 300 Traditions Bowling Classic – Reno

Claims \$4,000 1st Prize, Largest In TBC History

RENO, NV—PBA Hall of Famer Wayne Webb of Sacramento captured the title at the Columbia 300 Traditions Bowling Classic held at the National Bowling Stadium in Reno on October 21-22 2006. The event was presented by the RSCVA and the National Bowling Stadium.

Webb, the 1980 Firestone Tournament of Champions Winner, defeated Leo DiBenedetto of Rancho Cordova, CA, Lance Lopez of North Highlands, CA, and Richard Martinez of Yuba City, CA in the tournament championship match to claim a Columbia 300 TBC record \$4,000.00 first prize.

In the championship match, DiBenedetto gave Webb an opening in the 9th frame and Webb took full advantage shutting out all other opponents. Webb finished with 235 to best DiBenedetto (226), Lopez (225), and Martinez (193). In winning the Columbia 300 TBC Reno event, Webb became the first bowler in Columbia 300 TBC history to shoot a 300 game during the tournament. Webb's 300 took place during the Cashers Round on Sunday afternoon.

The tournament paid out \$9,450 in prize money, an amount greater than collected entry fees, demonstrating the Columbia 300 commitment to competitive tournament bowling. Out of the 42 entrants in the event, 18 of the bowlers cashed, a ratio of almost 43%.

The Columbia 300 Traditions Bowling Classic moves to Middletown, OH (Dayton / Cincinnati area) for its next tournament to be conducted at Eastern Lanes on November 4-5, 2006. The Columbia 300 TBC circuit then heads for a November 18-19 tournament at Sunnybrook

Cal State Seniors Invade Southland

DOWNEY/NORWALK — Every year the “Over 55” bowlers are treated to a tournament of their own here in California. North one year and South the next.

This year Del Rio Lanes is hosting four weekends of the team event — 389 teams, while Keystone Lanes houses the singles and doubles.

What a great event! Seniors; still enjoying competition, travel, and mutual friendship. What a pleasure! No foul language. No temper tantrums. No one spilling drinks or complaining about lane conditions.

Pete Milton, director, runs a tight ship (years of experience) so the tournament is running a smooth course. Good Job, Pete!

Next years's tournament will be in Fresno and Clovis. So watch the Bowling News or check your local center for entry forms. Better yet, visit either Del Rio or Keystone the next three weekends and pick-up an entry form. Introduce yourself to Pete and he will be very glad to tell you about the Cal State Seniors. Brackets, 50/50 and team pictures are all part of the fun.

No Trick For Nick!

SAN DIEGO—The NABI San Diego Halloween tournament was hosted by Parkway Bowl this past weekend, & Nick Inganna was “treated” to another NABI title. Nick was seeded #2 in the finals & faced #1 seed, talented bowler Paul Phounsavath in the title match. Both bowlers were marking, but couldn't seem to put strikes together until the end of the match. Nick dug into his bag of “tricks”, & when the final score was tabulated, he had squeaked out a five pin victory & a trip to the Tournament of Champions next summer during NABI Week 2007 in Las Vegas. Nick was in the optional upgrade, as well as a “Frequent Bowler”, so his “treat” was a check for \$1150.00.

N.A.B.I. Champion Nick Inganna

The other qualifiers competing in the finals were John Maier, Randi Diato & Jeff Knopov.

“Treated” to \$50 guaranteed sidepots were Ed Lomibao, Mike Castleton, Steve Simmons, Gene Walker, Jonny Long, Knopov, Maier & Diato (2). Perpetual pot action saw Jeff Greet & Jonny Long split the 3-6-9 for \$50 each, & Castleton shot 9 in a row worth \$125.

The next NABI tournament will be a two Saturday event the 11th & 18th of November at Admiral Robinson Center. The 11th will be qualifying only, & the 18th will include qualifying, semifinals & finals. Complete details will be next week's edition of the Bowling News. See you on the 11th or the 18th we'll save a cookie for you!

Kent Be Stopped

WISCONSIN—Doug Kent became the first third-seed in history to win a USBC Masters as he won three matches Sunday to capture the 2006 USBC Masters at the Wisconsin Exposition Center.

Kent knocked off top-seed Jack Jurek in the title match, 277-230, to win his second career Masters title and his second Denny's Professional Bowlers Association (PBA) Tour Major title.

Doug Kent won his second career Masters on Sunday.

The Newark, N.Y., native was unstoppable in the title match, overcoming an early deficit by striking nine consecutive times after opening the match with two spares. The key in that stretch was a late break in the 6th frame when the headpin came across the deck and barely knocked over the 10-pin.

Kent earned a two-season Denny's PBA Tour exemption with the win along with \$100,000.

“It's an honor to be in the company of so many great bowlers who have won this tournament, and it's an honor to be in that category,” said Kent, who captured his eighth career Denny's PBA Tour title. “The two-year exemption for me is big because I've kind of been in the middle of the pack the last couple years.”

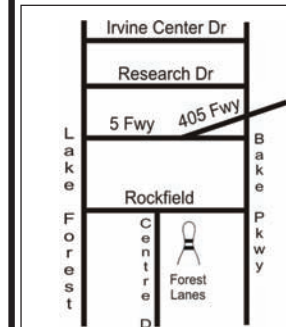

Jurek, who had started the match with four consecutive strikes, let Kent back in with spares in the 5th and 6th frames. He bounced back with strikes in the 7th and 8th, but a 1-2-4-10 washout in the 10th all but ended the match.

Kent advanced to the title match with a 246-190 win over amateur George Lambert IV (Hamilton, Ontario), who was making his first appearance in a PBA championship round.

In the first match, fourth-seed Tommy Jones had a chance to beat Kent with a strike on his first shot in the 10th, but he left a 2-pin. The 2005-06 PBA Player of the Year then struck to tie Kent at 248 through 12 frames which sent the match to a one-ball, sudden-death roll-off. Kent, as the higher seed, elected to bowl first and rolled a nine count. Jones then left a 2-4-8-10 split giving Kent the 9-6 win.

Jurek (Lackawanna, N.Y.) earned \$50,000 for his second place finish while Lambert earned \$25,000 for third and Jones (Simpsonville, S.C.) won \$15,000 for fourth.

The Denny's PBA Tour moves to Taylor, Mich., for the 2006 Motor City Classic Nov. 1-5 at Taylor Lanes. The nationally televised ESPN finals take place Sunday, Nov. 5 at 1 p.m. EST.

Mark Lewen Wins Forest Lanes 6-Game \$300 Title

by Frank Kietz

LAKE FOREST — Everything was nice; scores, 27-player field and an exciting finale. A nice guy from San Diego, Mark Lewen, won the Forest Lanes Saturday Six-Gamer \$300 title plus two \$27 high game pots, going home with \$354.

Lewen has been bowling “all his life” here in Southern California but he was a bit sad dedicating his victory to a friend, Casey Beasley, who died recently.

Casey, a frequent six-game visitor, took an occasional flier. After losing he would say, “I bowled pretty good but not good enough to cash”.

Lewen remembered when Casey was a junior tournament “Angel” buying dinners, paying their entry fees, at times sponsoring junior teams and events.

Many of last Saturday’s field also remember Beasley learning their ABCs in the JAT, All-Star Junior Traveler.

According to director Mario Marquez, the Six-Gamer was worth nearly \$1,100. Most of the cashers came out of our Southland junior ranks, from Ventura, San Diego, Los Angeles, Riverside and San Berdoo.

Lewen rolled a 299 high game and a pot winning 267 to make his 1427 series averaging 237. Jeff Garrison was second five pins under, 1422, cashing with a 266 game (\$27) and 737 series (\$54) winning \$281. Vernon Adams didn’t win any sidepots but came close with a 257/720/1413 set settling for third (150). Paul Danforth was fourth, 1404 for \$100, while Mike Belair’s first three 232-256-279 gave him the event’s high series, a 767 and \$114 for his 1385. Others cashing \$27: Jeff Gordon 268, John Sowell 264 and Mark Wehrli 258.

Writing about “Angel” Beasley, there’s really hundreds of Angels that spent much money, time, love, love of the game in Southern California and thousands nationally.

Beasley started bowling in the 1960 boom days. Perhaps at Pro 300 Bowl in San Pedro with a 159 average and rolling his last ball here in the Six Gamer,

breathing his last in Lakewood.

It was nice Lewen reminded this writer about “Angel” Beasley. I knew he liked tournament competition and was acquainted with many of the players. I didn’t know his involvement with young bowlers. I hope Lewen keeps bowling and wins many sweepers, regionals and a few pro events.

Team Two Gets Forest Trios Segment Rolloff Spot

by Frank Kietz

LAKE FOREST — They, Mike Belair 300/800, Jeff Copeland 300/706 and Mario Marquez 279/743, worked hard to win Forest Lanes 615 Trios first segment rolloff spot and a chance at the \$5,000 title.

Team 11, consisting of Randy Erickson, Pat Danforth and Mike Tucker, nabbed 14 points from Team 14 to head the second segment race. Teams 8 and One are tied for second with 12 wins.

Teams to watch 9:00 p.m. tonight (Thursday, November 2) are Team One (Mike Francis, Frank Street and Jason Kubanis) and Team 11, bowling on lanes 33-34.

According to center manager Allan Mac Duffee, besides the \$5,000 title, the 14-team 615 Scratch Trios has its share of sidepots and high scoring.

Yes, the public is invited to watch our stars compete. It gets exciting when a player, or players start their strings, seven is the turning point. The concourse fills behind the hot pair.

So far this season, five guys have hit 300s and three blasted 800s. Jeff Carr is highest with 300/814.

Thinking back over the 16 years I served as a Director on the CWBA, it is difficult to determine the total number of awards I had the pleasure of presenting. Of course, included in that category would be the trophies to the first place winners of the Annual Championship Tournament.

I have always felt so much gratification from this assignment, because the winners receive the recognition they deserve from their fellow bowlers. And, of course, everyone is always in awe when they see the beautiful genuine pewter and marble trophies. Although a few loose ends are still being tied up to "close the book" on the CWBA, I completed my final assignments on Sunday, October 22nd.

My first stop was at Midtown Bowling Center, Los Angeles. The CWBA Championship Tournament "A": Division Team Event winners were members of the Sportsman's Tournament Club and they were competing against host Inglewood Tournament Club. Thanks to Willie Young ITC Tournament Chairman arrangements were made to make the presentation to winners, Donna Jones, Delores Perkins, and Jamie Brown, Capt of Sportsman Team #1, prior to tournament play. Felecia Tripp was not present. Members of both clubs gave the gals a wonderful ovation.

The end of the day took me to Del Rio Lanes, Downey at 7:00 pm. for presentation to the "A" Division Doubles winners, Carrie Wolfe and Patti Brode. Our host, Del Rio manager, Mike Cammarata graciously allowed us time for the ceremonies just before the 8:00 pm league opened the first night of their new season. The gals not only received a wonderful round of applause but were immediately surrounded by the bowlers, many who had never,

California USBC Offers \$1000 Scholarships

by Phyl Knoll

It is time for you all to visit your youth leagues and search for the boys and girls who would fit the eligibility qualifications for the California USBC 2007 "Star of Tomorrow" \$1,000 Scholarship Award. Each year we strive to find the "best of the best" in both the male and female youth bowlers but, we need the help from you, as parents, coaches, association officials or bowling proprietors to spread the word or perhaps you will take the initiative to nominate an eligible candidate. The qualifications are quite simple:

(1) They must be a high school graduating senior who has applied to an accredited University, Junior College or Vocational Institution – OR – currently attending an accredited University, Junior College or Vocational Institution.

(2) They must be younger than 22 years of age as of November 15, 2006.

(3) They must have a current season's minimum average of 175; with an outstanding record of bowling achievements in the past and current seasons.

(4) They must have a minimum of 2.0 GPA or equivalent.

An application was mailed to all local associations (merged/non-merged). You might obtain a copy there or you can visit the calwba.org website and download one from there. If you have no success with those two options, email me at phylbowls@sbcglb.net or telephone me at 310-675-6034 and I will see that you receive one. We are hopeful you all will put this on your "priority list", keeping in mind the application must be postmarked no later than JANUARY 15, 2007.

ever, seen a presentation such as this and wanted to "touch" that beautiful award.

So, my friends, that's that for the CWBA. Now.... we turn our attention to future activities of the California USBC Association. CUSBC Championship Tournament (formally CWBA) will open May 22, 2007, with teams at Parkway Bowl, in El

Cajon and S/D at Brunswick Premier Lanes, Chula Vista. Advance entries were given to all team captains at the 2006 tournament. A supply of forms will be shipped to each association office in November 2006. So, mark your calendar and keep your eyes open for future publication and entries in your bowling centers.

National Deaf Bowling News Malucci's 983 Wins Kansas Deaf Classic \$1200 Prize

by Connie Marchione

OLATHE, Kansas—Deaf Bowling Association held its 5th annual Deaf Individual Bowling Classic at Olathe Lanes East last October 21. My beloved correspondent from Olathe Don Ketter emailed me simply, "Carl Malucci won the \$1200 first place Kansas Deaf Classic with 983, runaway. He really bowled great and I bowled 901 plus 8 handicap for 909 to place 2nd for \$450.00."

Ketter continued, Sorry I don't have his 4 games scores. Mine were 231-242-194-234. The third game did not go my way. I did have a good "strike area" but got a 7-10 split, oh well, sometimes you win, sometimes you lose, ha. But in no way I can catch up with him for he had a hot hand.

"Of course, Ketter wrote, Carl entered again in the next squad and rolled a 965 (I think). Well, he deserved it!" He added, "Hmm, Kim Wroldsen entered in the men's division and placed 4th with 888 including handicap. Also Jerilyn Keller won the women's division. Again sorry I don't have their games and you have to ask Stacey for the complete results."

So, thanks to Ketter and while I wait for Stacey Thompson to respond, we knew that few weeks before this one, Carl Malucci won NDMBA's "Battle of Greatest Deaf Bowlers" against Detroit's Pete Kaczmarczyk in Las Vegas, I want the Whittier, CA hotshot Malucci to tell his story.

Malucci said, "the Kansas tournament had only two squads, 11:45 AM and 2:30 PM, so I entered in the first squad and shot games of 260-249-227-247 for 983. I didn't think my score of 983 was good enough to hold, so I entered again in the 2nd squad and shot 248-248-233-244 for 975.

My first score of 983, Malucci continued, was good enough to win the \$1,200.00 guaranteed first place prize.

Also I took about \$250.00 on the side for high game and series pot and brackets. Don Ketter who bowled with me on the first squad shot 909 for 2nd place and another bowler whom I did not catch his name came in 3rd with 901. Kim Wroldsen who also bowled with me on the first squad, shot 888 to finish 4th".

Malucci added, "I think there were 39 entries which was small for them this year, maybe due to bad weather or other conflict. I want to thank Kansas Deaf BA the host of this deaf bowling event and they all did a wonderful job inside and out. I also want to thank Jennifer Vasquez and her daughter Samatha for coming along and for their moral support on this trip. I told myself that I wanted to come back and bowl in this event again after I bowled in it, I think 3 years ago when it was the 2nd annual tournament at that time".

Thanks, Carl for your interesting input. Hopefully that Stacey will send me the results to finish up the story.

NAVARRO ROLLS 255/904 IN DEAF TRAVEL AT AMF BOWLING SQUARE

ARCADIA—At AMF Bowling Square, Francisco Navarro had his best day in So. Calif. Deaf Traveling League when he led the honor roll with his first 900 series, a 904 from 247-255-194-208. There were three 800s and one by Ed Abakumoff was was short by 6 pins. Darrell Stogryn had (213-220-226) 828, Bob Jones (216-209-203) 804, Dan Flores (213-201) 802 and Abakumoff (210-207) 794. Gardy Rodgers closed with a 203 for 753.

The league's powerhouse leader South Bay had an off day but was lucky that Darrell Stogryn's El Camino Village was short a bowler and no help as his 828 alone accounted for all of the Villagers' 6 points in its 14-6 loss to South Bay. Pablo Yoma with 703 had help with 5 points each from Paul Taffolla and Rick Pennington in South Bay's 14 points.

That added South Bay to a runaway lead of 60 points with S F Valley in 2nd place with 39 points and Riverside, El Camino Village and Los Angeles tied at 36 each and, Hollywood 33 at the bottom. The league thanks the host AMF Bowling Square and travel to another AMF house, AMF Cerritos Lanes this Sunday.

ANAHEIM—Jeremy Pearson was the best Saturday at Linbrook Bowl. He won his first ABTA title in fine style downing upstart Alan Basto in the title game to take home a nice \$1,600 for his fine effort.

In our Early Event we had a nice turnout of 142 entrants in the four squad event. It took a nice +53 men and -2 (ouch) ladies to make the cut to the semis. Also added were Super Seniors, Al Williams, Dale Strader and Carol Martinez to the board.

Leading the Semis was the pride of North Hollywood, Jeremy Pearson and his +117. He would sit out and bowl the title game. Right behind was Leo Tartamella at +87 who would receive a first round bye in the single elims and enter in round two. It took a +21 (men) and +10 for the 3 guaranteed ladies to make the sweet sixteen single elim roll-offs.

The bowlers took to the lanes. In the first round single elims losing were Hermie Lebaquin, Art Lindsey, Freddie Manansala, Esther Tambio, Debra Sanders, Anthony Borci and Al William. They got checks of \$100 in 10-16th places.

Round three had Alan Basto tapped by E. J. Rogers 225-213. Marv Crowder got to Oliver Esmejarda 211-175. E.J. and Oliver, 4th and 5th with fine bowling and \$110 each. Alan and Marv met for the right to bowl for the title

against Person for the title. Both missed too many spares. Alan survived 182-174. Marv was third with fine bowling and \$200. Alan was off to the title game.

The title game was set and the horses were paid! Basto returned \$54 for everyone who had him at the \$5.00 fun bets. One happy lady was the pretty waitress Antoinette who selected Basto as her horse :-)) We would see who would become the latest Champion. Two of our best supporters would now meet for the title. Jeremy elected to have Alan lead off. He did with a double to take a nice lead. Jeremy opened then tossed a double, then a spare, three bagger to take the lead. Basto had opens in frames 3-7 & 8 and couldn't recoup. Jeremy punched out all the way in a big title win 237/245 to Basto's 162/207. He won the coveted title, his first! Great bowling Jeremy! You surely deserved this one! Great bowling by Alan Basto, a fine guy also. He is a past champion at West Covina Lanes. Marv Crowder in 3rd bowled just great also.

Tourney Hi Qualifiers were Mike Hase +138 for the men and Lynn Waldie led the ladies at +37. They will get paid entries.

Carlos Vejar eliminated the field in the 3-6-9 roll-off and missed after shot #3. We will go for \$800 this week at Chaparral. He got a \$50 consolation for beer money:-).

The Match Game was again Unmatched at 198 drawn by Mike Hase. With the carryover of \$1,525 we should have close to \$2,700 in the pot at Chaparral Satur-

day. Match Series worth \$196 was Unmatched at a 540 drawn by Champion Pearson. We will estimate the Series at \$350 this week .

The weekly winner of the Columbia "300" Ball, was pretty Mitzi Martinez who was excited and very happy. She wins the Track Ball of her choice. She thanks the ABTA, and sponsor Columbia 300 for the fine ball.

Champion Jeremy Pearson is one of our fine members from the Valley as he hails from No. Hollywood. He used a Lane-1 Cobalt drilled by ABTA Member Sharon Kapsimallis. He is single with a daughter Ellie. He would like to thank pal Tim "Shope" Shorty, Mom and Dad, Vickie and Bernie for support.

Alan Basto is from El Monte, an ABTA Regular and a past Champion. He used a Thunderstruck drilled by Memo at Action Lanes. He is married to a pretty lady Pinkie and they have a daughter Akeyla . He thanks Hermie, the Dragon, Ronnie Cordero and his ABTA friends for support.

Marv Crowder is from Whittier and used a Columbia Icon 300 drilled by Dick Braasch. His two sons Marv Jr. and Tim are fine young men and also bowl in the ABTA. He thanks his sons for support and the ABTA Staff which he is a part of and the cheering squad.

We had several new members at Linbrook. First time cashers were Johnny Tran, Danielle Rodriguez, and David Haskell who returned to ABTA action. We hope to

return there soon. Thanks to John, Stacy and the superb, helpful staff.

"Spider Man" aka Claude Dottin won the Las Vegas Room Drawing for our Las Vegas Open Jan. 11-12-13-14 at the Orleans. A new raffle will start Saturday; win yours for only \$1.00.

It is history folks, as Jeremy Pearson enters the archives as our latest Champion!

Make plans for this One Day event at Chaparral Lanes. Saturday there will be qualifying at 12:00-1:00-2:30 & 4:00 PM with Semi-Finals 5:45PM with one in five making the cut!

The following Saturday we are hosted in a One Day Event at Bowling Square Lanes in Arcadia with Squads at 12:00-1:00, 2:30 & 4:00 & 6:00PM. Finals at 7:45.

Nov. 18 we are hosted by AMF Bowlium in Montclair with handicap frozen in that one for our Big Thanksgiving Event, Nov. 23-23-25 at Brunswick Covina Bowl. \$6,100 First Place in that one.

See you all at Chaparral for a good one! Until then!

The new schedule was mailed. If you didn't receive one, let us know and we will send one to you.

To get to Chaparral Lanes, it's freeway close, near the 10-57 and 210 freeways located at 400 Bonita in San Dimas. Take 57 frwy. to Arrow Hwy. go straight ½ mile on the right or 210 freeway to 57 off at Arrow Hwy. left to Bonita then left. The phone there is 909-592-2772.

Bring in a new member and bowl for a Buck this week.

Condolences Casey Beasley

We of the ABTA are sorry to hear of the passing of Casey Beasley. Casey was One of a Kind and will be missed by those who knew him. He was an ABTA Member and Supporter and a very giving man. He was a fan of Bowling and loved the game!

Years ago Casey donated a trip to Cabo Lucas for a week to the ABTA and it was won by Eileen and Naning Bumanglang who used it for their honeymoon. He also backed and paid for many bowlers and was very generous. All he asked for was that things be right and he'd support that to the max. He had a Dry, sense of humor, either he liked a situation, or not, he was consistent with who he was. He was exceptional and special folks, and well-liked by many .

Casey was ABTA Sportsmanship Winner and Supporter winner in our Annual Awards Presentations, and deservedly so.

He will be missed by this writer and those knew the real Casey! God Bless, Bob Smith (ABTA).

CERRITOS WEEKLY

Treats and Bowling Tricks

by Tom Ferry

CERRITOS—Each year we invite our bowlers to dress-up in Halloween costumes as a fun diversion to begin the Holiday Season. Last Saturday we were treated to an array of characters from Pirates to Princesses, Cow-boys to Convicts and, of course, Ghouls, Vampires and Goblins. Everyone put a lot of creativity in their costumes and should be congratulated.

Befitting the Halloween spirit, Ashlee Raya, whose birthday just happens to fall on October 31st., was top scorer of the Senior girls, posting a 718 total, including a 209 scratch game. Trick? Not at all. Ashlee is no stranger to high scores and this week her competition didn't have a ghost of a chance. Individual high games for the girls included Kathy Liberatore and Candice Galvan - 243, Jaime Ferry - 220, Jennifer Hefner - 210, and Theresa Rusas - 203.

The Senior boys were lead by Tyler Findel's 285/ 739 total with Dayton Crossley taking scratch honors for his 246 / 556 series. Notable scores were also posted by Shaun Morad - 232, Kyle Jacobowitz - 221, and Jeremy Glover - 205. Lance Neavitt and Charles Thompson also posted impressive totals of 681 and 672 respectively.

Striking Force's Bobby Hornacek held top position in all scoring categories with his 218/ 555 scratch performance while the continuously improving, Spencer Van Rijsberger closed with a nice 645 total.

In the Striking Force girls, if Lizzy Raya is not at the top, she is never very far away. This week she is the high scratch bowler with 180/ 468. Effort wins out as two girls who show improvement on a weekly basis post high marks - Kim Eberle - 231 HGH and Taylor Stahr - 605 HSH.

Rookie honors go to Kevin Keseloff for his 168 scratch game and 607 pin total. While on the girl's side, Savannah Ratliff stayed consistent and finished with a terrific 615 total. Congratulations also go out to

Jameshia Gaddy on a nice 213. One of the most energetic Lil' Raiders is Kaitie Johnston and this week she converted energy into power as she blasted a 122 scratch game. Later, Kaitie was overheard saying, as she pointed to her bicep, "You don't want none of this."

For the boys, Vincent Bisco was the top dog at 123/234 followed by Jarred Dee 117/224 and Danny Eguilos 112/219.

SED Jr. Travel

by David Gordon

HUNTINGTON PARK—SED Jr. Travel took to the lanes at Gage Bowl this past Saturday. Halloween treats and some Baker matches made the day a real fun one.

High shooter of the day was J.D. Pelow, saving our club with the only 800 plus series. J.D. went 234-243-211/865 to show all it can be done. Way to go J.D. Next in line was Felicia Mara returning to her true form behind 233-214/768, followed by James Hawkins 214/761, Eddie Sayles 206-215/757, Bryan Osborne 725, and Eric Milne 200-211/728.

In the Baker matches we had three teams of four bowlers, rolling two games per team. The top two teams would then bowl one match for the quick claim to fame. This was our first Baker session of the season and to get everyone involved, yours truly made up the three teams. I won't go into details, but congratulations to all members of Team A, captained by J.D. Pelow. Must have been his day. We will do this as often as possible, but make-ups and pre-bowls take precedence over being on a Baker team. I hope you all had fun, got to learn the format and got to meet some of the more reserved bowlers of our group. Reserved?, not for SED Jr. Travel.

Our session this coming Saturday will be at Brunswick West Covina Lanes (south of the 20 fwy). Our start time has been pushed back to 3:00, so we may not be able to get anything extra in. Also remember, that the first round of Pepsi qualifying starts this weekend. You'll be asked what division (scratch or handicap) you'll want to bowl in. Think it over, please be on time, have a good week and I'll see on Saturday.

BY NICE AND SWEET

STUDIO CITY—Anybody who has not seen our latest video system should partake in a viewing. As of now we not only play the best music but we have the music videos to match.

This week was full of spooky delights and scary hauntings but our bowlers ghostbusted away those evil doers with their benevolent scores. Their abilities were better than Egon Spangler capturing slimmer (if you are under 30, you won't get this reference). Anyways, here's the latest scores:

**Bob Grant
Inland Empire
NABI Champion**

By Quinn

MONTCLAIR — This past Saturday's Inland Empire NABI tournament was hosted by AMF Bowlm.

Our top five started out with Guy Clear bowling a 156 to a 189 bowled by Lito Dizon. Don bowled a 196 to Lito's 243. Lito then took the lead to bowl Jeff Taino. Jeff bowled a 183 to Lito's 201. Lito Dizon then met our top qualifier, Bob Grant. Lito bowled a 178. However, Bob Grant bowled a 227 to win the tournament.

Rounding off our money winners was Kerry Lucka, who came in sixth place.

Bob was very excited! Although Bob has been bowling about 25 years, and a NABI member for 15 years, this was his first win. He won \$800 with optional upgrade, a champion shirt, and a "Tournament of Champions" entry into the Las Vegas NABI Nationals held in July 2007.

Bob won with his Storm Extreme. His highest game ever bowled was a 290 bowled in a sanctioned league at Hemet Lanes. Bob stated that he had to drive 80 miles to compete in our NABI tournament. But certainly worth every mile.

Our next NABI competition will be held at ABC Moreno Valley Bowl on Saturday, November 4th. First squad begins at 12:00 sharp!

Editor's Comment:

After last week's notice of Casey Beasley's passing, I received MANY comments on the Bowling News message center. Plus comments were made on the P.B.A.com (Regional) Forum.

Positive remarks were given by people who left their names. Negative comments were left by NO NAMES. Except for one gentleman.

I truly appreciate all of your comments. Obviously a woman's remembrance is different from the guys who bowled-with-for-and against Casey.

Last week the paper was ready for print when a bowler said, "Did you know Casey Beasley died"? He only knew that Casey had been hospitalized. I should have reserved the notice for more details.

I apologize to all of Casey's friends. I am totally responsible. Carol Mancini

Figuiera Leads Gardena Bowl Pro Shop To Victory In The 6th Annual Gardena Bowl Nikkei Invitational

GARDENA — Tony Figuiera, the owner of Gardena Bowl Pro Shop led his team to repeat championship in the 6th Annual Gardena Bowl Invitational on Sunday. Eighty bowlers participated on 16 teams for the 6th annual competition which included three regular games, two Baker games and then a four team Baker stepladder final.

Figuiera averaged 244 for the event. Along with teammates Steve Tokeshi (235 average for the tourney), Dwayne Kumura, Kurt Arakaki and Scott Zeidman, Figuiera's team qualified second. They defeated Gardena Bowl featuring Glenn Kawate, Kent Murayama, Craig Yamasaki, Ross Kapuy and Juan Esparza in the two-game Baker format final, 406-351.

CCS Distributing, led by Victor Camou (695 series), Dale Hovey (681 series) and Derek Taira (675 series) qualified third. Butch Nitahara, Mike Larson and Marshall Himebauch led Busted & Disgusted to a fourth place qualification.

CCS Distributing smoked Busted & Disgusted 458-392 in the first step of the stepladder finals. CCS then ran into the Gardena Bowl Pro Shop machine and fell, 399-354, setting up the final match between Gardena Bowl and Gardena Bowl Pro Shop, won by Figuiera's Gardena Bowl Pro Shop.

Over \$12,000 was paid out in prizes during this one-day event, with Russell Young (296 game), Jay Culver (279 game) and Hugh Butler (266 game) taking home the largest prizes.

The 80 bowlers (who traveled from as far as Las Vegas and San Diego to participate) averaged over 210 for the tournament. James Kuschner led the way with a 750 series. Laura Hardeman led the women with a 267 game and a 665 series.

Figuiera and Zeidman joined Phil Kapsimallis as the only two-time champions of this prestigious event. Next year's event is scheduled for October 21, 2007 starting at 9:00 a.m. at Gardena Bowl, 15707 So. Vermont Ave. in Gardena.

Marathon Man Bowls For The Blind

NORWALK — Rob Hartley, Activities Director at Keystone Lanes has developed a league of "legally blind" bowlers.

Rob started with two bowlers and now has 40-some. You can bet they never miss a league day, because the challenge and fun is just waiting for them.

Rob and the group have decided to bowl the state tournament. Where are the funds coming from? From the sale of "Ice Cream Cones" made of cellophane wrapped chocolate mix topped by mini-marshmallows. That didn't satisfy the bank account.

Now, Rob is scheduled to bowl a 24-hour marathon this Friday, November 3, 8:00 a.m. to 8:00 a.m. Saturday. 90 people have already signed up to bowl a game with him at \$35 each.

There are prizes for guessing how many games he will bowl, how many pins he knocks down, etc.

The word spread on the internet about this event, and he has invitations from Chicago, Florida and Northern California to come bowl.

We wish him good luck, and his blind bowlers a great trip to the state tournament.
