New General Manager at La Habra 300 Bowl

LA HABRA—The New Year brings a new General Manager to La Habra 300 Bowling Center. Gary Kowarsch, the former Operations Manager of Cal Bowl in Lakewood has assumed responsibility of the day to day operations of La Habra 300.

"Cal Bowl is corporate owned and I felt it was time to make a change", remarks Gary. "I heard about a possible opening at La Habra." "The CEO of La Habra 300, Mickey Curley, and I seemed to hit it off from the start sharing several of the same ideas about the future of the bowl."

"La Habra is a family of bowlers and I'm very excited to be working in the center."

Kowarsch has been in the bowling industry for several years starting as a lane porter at Century Bowl in the 70's. Since then, Gary has worked several positions in many different bowling centers including La Mirada Bowl, Friendly Hills Lanes, Pioneer Bowl, Clark Center and managed ARC Cerritos Lanes and Cal Bowl. **continued on page 11**

Advantage: Jones

RENO, NV.—Tommy Jones and Patrick Allen have enjoyed a friendly rivalry the last few years, needling each other about which star has more Denny's PBA Tour titles.

With both players owning 10 titles heading into Sunday's ConstructionJobs.com Championship, Jones took over bragging rights by defeating Allen, 254-214, at the National Bowling Stadium (NBS) to capture victory No. 11 and become the second bowler ever to win on all five of the PBA's oil patterns.

Jones redeemed himself for a sluggish first half of the season just like Allen did in last year's event at the NBS. Allen did not make a championship round the entire first half of the 2006-07 season before running the table in Reno in the first event following the holiday break, winning what was his eighth career title. Allen would go on to win again in 2006-07 while Jones would cap the season with a win in the PBA Tournament of Champions to set a PBA record for shortest time between his first and 10th titles, while also earning an advantage over Allen in their personal battle.

The tables turned in the first half of this season as Allen made three championship rounds and won his 10th career title in December to pull even with Jones, while Jones suffered one of the worst slumps of his career. He failed to make a championship round in the first half for the first time since his rookie year in 2001-02.

Jones surprised even himself by turning things around this week on the Shark pattern, the only one of the five standard patterns he'd never won on, and one he hadn't even made a championship round on since 2002. He took advantage of a lower scoring pace, which forced players to make good shots every frame.

"I definitely like it when the scores are lower," Jones (Simpsonville, S.C.) said. "The good players are going to win no matter what but when the pace is lower you get rewarded for throwing the ball better instead of just grabbing a ball and guessing right."

Jones definitely got reward-

Tommy Jones won his 11th career title and became the second bowler to win on all five patterns.

ed on Sunday, getting break after break against both Allen and his semifinal opponent Ryan Shafer. Shafer hurt himself by missing the head pin three times in the first five frames and Jones took advantage by throwing a turkey in frames four through six to take the lead and win the match, 223-210.

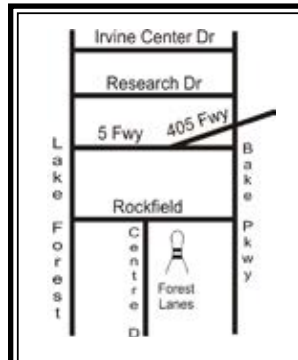

In the title match, Allen lost his carry after looking solid in defeating Danny Wiseman 248-192 in the first semifinal. After a strike in the first frame, Allen left six consecutive single-pins, including three straight 7-pins at the end of the string. Jones, meanwhile, was locked in, striking six times in a row to run away with the victory and more importantly take over bragging rights between the two, who are the only bowlers to win at least two titles in each of the last three seasons.

"P.A. and I joke back and forth about who has more titles so it's nice to have the edge now, but it's just one of those deals," Jones said. "It's a good start to the New Year and maybe it's the start of another trend like the last couple years."

The 2005-06 PBA Player of the Year joined Mika Koivuniemi as the only bowlers to win on all five patterns.

"It's definitely an accomplishment to know you can bowl well on all the patterns, but I was pretty fortunate today," Jones said. "Shafer got some bad breaks and P.A. just missed a ball change. If he makes that change he would have bowled a lot better. It's been a year of struggles and fortunately I got a lot of breaks today."

Jones earned \$25,000 for his win. Allen (Wesley Chapel, Fla.) earned \$13,000 for second while Wiseman (Baltimore) and Shafer (Horseheads, N.Y.) took home \$6,000 each for third and fourth, respectively.

Mark Payne Wins Third ABT Championship at Linbrook Bowl

ANAHEIM—Mark Payne won his third Amateur Bowlers Tour (ABT) championship at Linbrook Bowl on Saturday, January 5, 2008 during our one-day 4-game Beat-the-Board tournament. Mark bowled in our 4PM squad and shot games of 237, 257, 286, and 275 for a handicap series of 1055 on his way to winning the \$750 first place prize. Chan Stevie Hou from Long Beach came in second shooting a 1042 handicap series and took home \$375. Art Lindsey from Glendora came in third shooting a handicap series of 1039.

Mark Payne is a past champion having won his other two tournaments at Linbrook and is celebrating his 51st birthday on Monday, January 8. Mark has a 279 game and 715 to his credit. He was using an Ebonite Clash for the win this weekend. He wanted to thank God for His blessings, his wife Nora for her love and support, and the

Kozitsky clan for their support and encouragement. Mark wanted to thank Teddy Junanto and Marcel Tedjasukmana for helping him with his game and John Daily and Lowell Thompson for their encouragement while bowling the tournament. Mark plans on using his winnings for bowling in upcoming Vegas tournaments. Mark also wanted to thank Linbrook Bowl for hosting the tournament and to the ABT Staff and Directors for running an outstanding tournament. Mark also wanted to send his thoughts and prayers to Troy, Valorie and Vanora Sucatre on the death of their wife and mother, Nora Sucatre on December 30.

Second place this weekend went to Chan Stevie Hou. Stevie has been bowling for just a little over a year and has a 258 game and 715 series to his credit. Stevie was using an Ebonite GameBreaker drilled by Charles at Cal Bowl during

the tournament this weekend. Stevie wanted to thank Som Seng for getting him started in the ABT and his son, Chandler, for supporting him during the tournament. Stevie plans on using his winnings for more bowling. Stevie also wanted to thank Linbrook Bowl for hosting the tournament and to the ABT Staff and Directors for running a great and fair tournament.

The Mystery Game Pot of Gold game and score were drawn after our final squad. Game #4 was the game drawn, and 169 (possibly good for \$300) was drawn for the first chance. The second chance score of 109 (possibly good for \$150) and third chance score of 174 (possibly good for \$75) were then drawn. There were no winners. Remember, the Mystery Pot of Gold is available to all members (Classic and Masters) and only costs \$5.

The ABT staff and membership would like to thank the management and staff at Linbrook Bowl for hosting our tournament. HANDICAP IS FROZEN FOR THE LAS VEGAS EVENT

Marc Montelongo was the best as he won his first ABTA title in fine style topping a Beat the Board Semis/Finals to take a nice \$2,300 home to Apple Valley.

Our return to La Habra was just great. 215 entrants produced nice cut scores of +74 for the men, and +50 for our fine ladies. Super Seniors added to the board were Bud Zagorski, Adam Drozd, and Denita Burton. Due to the nice turnout we had 53 Bowlers make the Semi Finals/Finals (beat the board). What you score is where you will finish.

Marc Montelongo did his thing and had bowled well all day at Las Habra. He surely lit up the lanes, Battling with several shooters for the lead. But a big 251 game-3 put Marc with a huge +176 to lead the Finals, with Steven Hower with a great +117 runner-up for \$500. Gordon Brogdon +96 3rd, Chan Hou +91 and Conrad Amado rounding out the top 5 +91.

Ladies bowling well Janine Ditch, Reina Flores, Michele Tucker, Marife Catalasan,

Tomeika Lemons and Kimberly Stephens.

18 of the 53 places paid \$100 or more and a nice \$5,320 Prize fund was generated alone. Optional Doubles paid 13 Places, and \$980. El President, Danny Guevarra celebrated his birthday in winning the top four places with Anthony Borci 1474 \$140, Romy Cajucom 1448 \$120, Don Quintagaon 1445 \$110 and Chris Kelly 1430 \$100. He had a nice time :-)

Super Seniors in the hunt Bobby Pearson, Art Lindsey, Leo Tartamella, Bud Zagorski, Adam Drozd, Angie Nillo, and Denita Burton all performed well.

Great bowling by Marc Montelongo in winning the title. His pretty fiancée Yolanda was on hand for the win. He is from Apple Valley. We have many from the Victorville area. He used a Monster drilled by Ed Hanson at Victor Bowl. He thanks Yolanda and his parents (Financial) for support in his bowling and especially Ed for the fine drilling of his bowling balls. Great Bowling Marc. He is one of our nice young men

in the club for sure.

Fine bowling also by long time ABTA member Steven Hower, a past Champion in the runner-up position. He hails from Garden Grove, is Single and taken By Raquel a pretty ABTA member. He used an Evolution drilled by Ben Mach at Westminster Lanes. He thanks Raquel for her support and Bob and the ABTA for allowing him to bowl.

Much of the same can be said of Gordon Brogdon in third place. He really bowled well at La Habra. I've had the pleasure of knowing him and the Brogdon family for years Great people and fine Bowlers they are. Great Bowling Gordon! Gordon bowls at Premiere, and Ceritos Lanes two of our stops on the ABTA

Tourney Hi Qualifiers were Vien Tran +238 for the men and Janine Ditch led the ladies at +84. They will get paid entries.

Kevin "don't call me Keith" Nahan outlasted Natalie Perenishko in the 3-6-9 Roll off and then Broke the pot, getting the 5 9's or better to take a tidy \$1,300 home to the Valley.

Montelongo Cops 1st ABTA Title at La Habra (L-R) Chan Hou 4th with #1 fan, son Chandler, Kimberly Stephens (Semi-finalist), Steven Hower (runnerup) \$500 with his #1 Raquel Vergara (ABTA Casher) and Conrado Amado 5th. Bottom is Champion Marc Montelongo and girlfriend Yolanda Zuniga.

Kevin thanks Rusty Bryant at the Pro Zone /Mission Hills for taking care of his equipment

We were glad to meet our Newest Member a cute little guy Fernando Ramon Alatorre two months old. He was watching Proud Dad Fernando with his pretty Mother. His parents are Fernando Alatorre, and Melissa Rocha ABTA members (regulars). Great addition to your family and the ABTA. Congrats to all.

The Match Game was again UN Matched at 270 drawn by the Champ. It will be worth est. \$2,400 this Saturday.

Match Series worth \$346

was also UNmatched at 708. We will estimate a \$700 Match Series for only \$2.00 to enter.

Thanks to New GM Gary Kowarsh, and especially Alvin and Glen "Mr. 900" Allison who were very helpful.

Make plans for our Big LAS VEGAS event Jan 17-18-19-20 at the Orleans. \$8,150 1st with Bonuses and \$4,000 Min 1st place.

STUDIO CITY — Welcome back bowlers, we surely missed you. Hi, it's us. Hello again.

PINZ ADULTS

Even though bowling has been the subject of satire in such movies as *Kingpin* and *The Big Lebowski*, it is certainly a genuine sport. And, believe it or not, it may be one of the oldest sports in the history of the world. Over 100 million people in more than 90 countries practice the game, making it one of the most popular and universally loved forms of recreation on the planet. It has been the game of kings (literally), and the startling facts behind the origins of bowling may surprise even the most dedicated kingpin. Tune in next week for more, until then look at these scores:

PINZ JUNIORS

In the 1930's, British Anthropologist Sir Flinders Petrie became the first to discover evidence of a bowling-like game. He found ancient objects in a child's grave in Egypt that were allegedly used for a primitive form of the game. The artifacts have been dated back to 3200 BC, effectively making bowling over 5,000 years old! Well juniors, we are looking forward to a great season.

Adult Junior Doubles: Adult—Tyler Bensinger 180/471, Tina Hackett 218/596. Youth—Adam Lander 280/676, Jamie Spector 161/481.

Senior Scratch: Molly Gruber 223/801, Nikolai Berk 211/772, Adam Lander 225/753, Nathan Honda 230/732, Treven Goldsmith 721, Natalie Kato 191.

Senior Galaxies: Brian Ingoldsby 176/445, Rachel Acacio 148/417, Billy Lander 133/363, Stirling McCulloch 144/351, Michael Gans 86/139.

PINZ SENIORS

The first written mention of a bowling-like sport can be traced to the year 1366 in England. Allegedly King Edward III outlawed the game in order to keep his troops focused on their archery practice, but it was most certainly in vogue (and legal) during the reign of King Henry VIII. Many variations of bowling have come from Europe including Italian bocce, French pentanque, and even Britain's lawn bowling, but the question of who introduced bowling to the United States is much more uncertain. What is certain is the great scores our seniors have bowled:

Happy Timers: Ken Burkenheim 227/624, Gary Olsen 227/609, Sylvia Good 145/386, Cynthia Burkenheim 137/376.

Coffee & Donuts: Sharon Lawrence 203/555.
Senior Social: Gary Olsen 179/483, Gas Sunampong 160/453, Charlene Gaffney 197/480, Christine Stark 396, Teri Bonato 152.

Senior Social: Gary Olsen 180/484.
Pin Pals: Shelly Djerjian 177/486, Diana Bassi 158/440, Karen Collier 168/438, Marcia Shourt 181/418, Barbara Weissman 146/393.

Joslyn Seniors: Gary Olsen 254/625, Lee Waldorf 215/553, Yolanda Dragotta 166/466, Barbara Abell 455, Joyce Rabinowitz 168.

Breakfast Club: Elayne Klein 180/504, Alba Donohue 181/497, Pam Vaughan 174/496, Myrna Schiffman 170/482, Roz Levitt 467, Donna Klein 171.

Sweetness quote of the week: History, we can confidently assert, is useful in the sense that art and music, poetry and flowers, religion and philosophy are useful. Without it—as with these—life would be poorer and meaner; without it we should be denied some of those intellectual and moral experiences which give meaning and richness to life. Surely it is no accident that the study of history has been the solace of many of the noblest minds of every generation. — Henry Steele Commager.

Inland Empire NABI Champion Jerry Fagan

SAN BERNARDINO —We want to thank AMF Arrowhead Lanes for hosting our tournament of Jan. 5; especially to their staff who are always so friendly & attentive to us.

We are having a "bye" this Sat. Our next tournament will be at A.B.C. Moreno Valley Bowl in Moreno Valley on Sat Jan. 19. Our ad will be in next week's Bowling News!

Our newest champion, Jerry Fagan, is originally from the Las Vegas area. He was a 2 year NABI member in Las Vegas, about 7 years ago. He then moved to Apple Valley, and after an extended 5 year time-out, came back to bowling. He bowls in the Wed Night Vegas league at Gold Strike Lanes in Apple Valley. He also loves to to golf & recently shot a hole in one (188 yards) at the Hesperia Golf Course Par 3.

Jerry wants to dedicate this win to his wife, Laverne, married 36 years, for his inspiration to begin bowling again. He won with his Ebonite Total NV, drilled at Victor Valley Bowl Pro Shop. We also want to congratulate Patrick Ambrose for his fantastic 298 game. Staring in the 1st frame, he bowled 11 strikes in a row to win a 11 in a Row Plaque from USBC.

With Jerry's 1st place prize, he also wins a champion shirt & an entry into the Tournament of Champions at the NABI Nationals, July in Las Vegas.

Our stepladder began with Jerry Fagan bowling Gregory Ralls. Greg bowled a 196 to Jerry's 208. Jerry then bowled Jerry Starkey. Starkey bowled a 153 to Fagan's 209. Jerry Fagan then bowled Dino Dennis. Dino bowled a 169 to Jerry's 206. Jerry then met Patrick Ambrose, the high qualifier. Patrick bowled a 221 to Jerry's 239 for Jerry to win the tournament.

Our sidepot winners were:
 Dino Dennis (2), Jerry Starkey, Antonio Johnson, Michael Gray, Greg Ralls, Patrick Ambrose (2), Pierre Taylor, Leticia Taylor & Mike Vredevoogd.

We will see you Sat., Jan. 19 at Moreno Valley Bowl in Moreno Valley. See our ad in next week's Bowling News.

James Hawkins climbed from the 3rd seed to finish second while Cory Koyanagi and Jeremy Glover earned free entries for their semifinals appearances. It is the first title for Charlie- congratulations! Video highlights of most events can be found at www.bowljat.org or by searching "Junior Amateur Tour" on YouTube.

First Event of 2008

Our next event is this Sunday at ABC Moreno Valley Bowl. Hope to see all you Inland Empire bowlers out here as we travel east to Moreno Valley!

JAT T-Shirts and Sweatshirts

The Tiger Strikes Again!

NABI San Diego—The annual year end tournament was held at Sea & Air Lanes over the weekend, & Tony Nunez felt like he had emerged from a "jungle", after fighting his way through 9 tough games to win his fourth NABI title. The conditions were exceptionally demanding, & sometimes left many bowling "tigers" feeling "sheepish" as they missed easy spares & the pocket. All agreed picking up spares was the most important (as well as the most challenging) element of success. Knowing that bowling your average would qualify you for not only the semifinals, but also the top eight elimination round, had the successful participants concentrating on spare shooting, rather than fretting over lack of "carry". The final match between Tony & Sue Greer was one of those "You take it", no "You take it" affairs, & at the end a missed single pin was the difference, as Tony won by 10 & collected the \$1000 top prize. He wants to thank center manager Gerry Sagen for a lane condition that really tested a bowlers ability (no gimme's this weekend!)

The rest of the eliminator finalists were Steve Slezak, George Evans, James Smith, Homer Bautista, Paul Willey, Jr. & Norm Rauch.

Guaranteed \$50 sidepots

were in effect, & were gladly collected by Jim Rostello, Phil Horn, Rodney Demetrio, Bert Chadwick, Jim Nunnally (2), Greer, Evans (2), Bautista, Rauch & Nunez.

N.A.B.I. Champion Tony Nunez

Once again we want to thank Gerry Sagen for allowing us to use his center for the tournament. With the shrinking number of bowling centers in the San Diego area, being able to add this beautiful venue to our rotation is appreciated by all. Thank you!

Our first official tournament of 2008 is January 19 at Kearny Mesa. Check the Bowling News next week for complete details. This also kicks off the count down to NABI Week 2008 in July, so be sure to start early to get in your games & tournaments to qualify for this annual event in Las Vegas. The dates are July 11-18 at The Orleans.

See you the 19th at Kearny Mesa we'll save a cookie for you!

Bowler Nixon Born In Yorba Linda In 1913

by Frank Kietz

YORBA LINDA — President Richard Nixon was born here January 9, 1913 (95 years ago), a short distance from Jim Hornung Sr.'s 30-lane center where, today Thursday, the Orange County Bowling Council is holding their first 2008 meeting.

Yesterday Wednesday, was a city employee holiday, free to visit the Nixon Library or bowl.

You see, Nixon was a 180 average Truman White House lanes bowler. Joe Taylor, White House caretaker said Nixon enjoyed bowling. Time Magazine published a front page action photo of the two-term president.

A good campaign question to ask Hornung: "Did the house "comp" any lineage fees while he was a two-term rep, senator or president?"

At one time the Library had a Nixon bowling booth. Ask when you visit the 18001 Yorba Linda Blvd. historic site.

MALUCCI MAULS OUT 40TH 300 AT BRC WEST COVINA BOWL

WEST COVINA—The most prolific deaf perfect game shooter Carl Malucci ended his 2007 bowling year with his 40th career 300 game. Last Dec. 27 the Whittier lefthander just returned from a short hiatus, resting his sore back carefully testing by rolling his warm-up balls to see if he can continue to bowl or not.. So he decided to go on and shot his perfect game in the first game and finished with 268 and 189 for a 757.

That is his 2nd 300 in this Flamingo Vikings League at Brunswick West Covina Bowl. So Lets see if he hits some more in this new year.
