PBA Star Chris Barnes Offers Analysis of Team USA Trials Lane Patters

RENO, NV—With a mix of four distinctly different lane patterns at the 2007 United States Bowling Congress Team USA Trials, Denny's PBA Tour star Chris Barnes expects the most versatile players will rise to the top.

The USBC Sport Bowling spokesperson and five-time Team USA member is all too familiar with the lane conditions the nation's top amateur bowlers will see when competition begins Monday at the National Bowling Stadium.

All four patterns have been used on the Denny's PBA Tour this season and are certified by USBC Sport Bowling, a program that uses lane conditions to emphasize skills such as accuracy, consistency, the ability to read lanes and spare shooting to achieve success.

"I think you'll end up seeing more versatility out of the team and the players who survive these four days," Barnes said. "You won't get caught off guard with a team that's one dimensional and catches a pattern at the world championships they aren't able to handle. You are trying to build a team that can handle anything and this will do it."

The 156 men and nearly 80 women at the Team USA Trials will battle for U.S. Amateur champion honors and spots on Team USA, which will compete in international competition in 2007 including the Pan American Games this July.

The competitors will face the Cheetah, Shark, Viper and USBC Masters patterns starting Monday. All competitors will bowl 10 games on each pattern with the top four men and top four women earning automatic spots on Team USA. Another four men and four women will be selected to join the team.

Barnes offered the following analysis of the four patterns:

- * Cheetah: "I would use a ball with some surface, stand just inside the oil line and let the ball burn up some energy to let it smooth out as it gets to the gutter so you can control the friction off the gutter. The other way is to use lots of speed and not very much axis rotation to keep it on line."

- * Shark: "The Shark is a tough one for me, and I don't think it's going to be any bargain in this place. You'll play an inside line. The furthest right anyone will be is in the track area and people will move left from there. This year's Shark pattern is pretty slick so it's tough to get real deep and create any entry angle down the lane."
- * Viper: "This pattern can play a lot of ways. The field will determine how it will play and the guy's pattern will play much different than the women's pattern. The women will play out and the women who can move in and open the lanes up a little it the last four or five games will have a chance to put up some numbers. If the guys start by throwing the ball straighter, the lanes will get really high scoring. If they start too deep, the lanes could become a mess."
- * Masters: "This is a shot-makers pattern. You'll pick a spot and survive a little bit and wait for the lanes to transition. The women's pattern should break down a little better because they have a tendency to play the lanes closer alike. The guys will mess them up a little bit, and they'll have to chase quite a bit further left quicker, which will keep scores down. Guys who can line up in the track and can deal with the transition will score the best."

Of all four patterns, Barnes said he expects the Shark pattern to be the most challenging for the competitors with the Cheetah playing the easiest.

"The Shark is the toughest match-up for most people because what we see on a regular basis, including myself, is friction when you practice and there's just not very much friction on that pattern," Barnes said. "It requires more physical game adjustments than people are used to. From that standpoint, it will probably keep the scores the lowest."

Graphs and additional technical details of all four patterns can be found on the Team USA Trials page at bowl.com. Visit bowl.com for complete coverage of the 2007 USBC Team USA Trials, including results, stories, photos and player blogs.

Lynda Barnes Elected To World Bowling Writers Hall of Fame

RENO, NV—When Lynda Barnes of Flower Mound, Texas, returned to Team USA three years ago, she had a couple of things she wanted to accomplish before officially finishing her career as a competitive bowler.

One of those goals - winning the team gold medal at the World Championships - is still a work in progress, but another was realized Sunday when she was selected to join the World Bowling Writers Hall of Fame. Barnes and fellow Team USA member Diandra Asbaty are the only two American women to earn the honor.

"It's a little overwhelming," said Barnes, who won U.S. Amateur titles in 1995 and 2005 and has been a member of Team USA 10 times since 1989. "Being selected for the World Bowling Writers Hall of Fame is very much an honor and something I will always treasure."

Barnes, who will begin her quest for a third U.S. Amateur title when the 2007 United States Bowling Congress Team USA Trials begin Monday at the National Bowling Stadium, was selected by earning two-thirds of the votes of the World Bowling Writers selection panel.

In 2005, Barnes, 39, turned in several stellar international performances and was selected as the World Bowling Writers Female Bowler of the Year.

She won the prestigious QubicaAMF World Cup and brought home four medals in the Women's World Championships in Aalborg, Denmark. However, at the World Championships, Barnes and her teammates settled for the silver medal in team event, an event Barnes wants to win before she retires.

"Winning the team gold medal at the World Championships is everything to me," said Barnes, who will get another shot at the 2007 Women's World Championships in Monterrey, Mexico. "It's the reason I came back to start with and it's a goal I know everyone on Team USA shares with me."

Also announced Sunday was the selection of Asbaty as the 2006 World Bowling Writers Female Bowler of the Year. In addition to winning the 2006 U.S. Amateur title, she won the

Taylor Sew's Up A Victory

NABI San Diego—The NABI Year End Tournament this past weekend was hosted by Parkway Bowl, & George Taylor won his second title as the victor in our top eight eliminator format finals. The final match was between George & Phil Horn, who had rolled a perfect 300 game in qualifying. Both bowlers had been very consistent in their matches, & the final match was also close scoring, but George prevailed.

Also finishing in the top 8 were James Smith, Frank Menchaca, Steve Lanning, George Hebert, Corey Ayers & Peter Nash.

Guaranteed \$50 sidepots were collected by Bob Ulery, Jim Nunnally, Anita Smith, Tom Brophy, Arlene Bautista, Brian Watkins, Mike Tangonan, Ayers & Horn.

The winner of the raffle for an entry into the NABI National Tournament during NABI Week 2007 (worth \$200!) was Fred Johnson.

The next regular NABI San Diego tournament will be at Mira Mesa on January 20th. Watch for details in the next Bowling News. Join us on the 20th we'll save a cookie for you!

Malaysian Open and the QubicaAMF World Cup in Caracas, Venezuela, last year.

"There are a lot of great bowlers in the world and to be considered among the best is an incredible honor," Asbaty said. "It's a great feeling to follow in the footsteps of Lynda in winning the World Cup and being selected for this award."

On the men's side, Mexico's Tito Reynolds was selected to join the World Bowling Writers Hall of Fame while Finland's Osku Palermaa was chosen as the Male Bowler of the Year.

LAS VEGAS TRAVEL LEAGUE
By Alice Meglemre

LAKEWOOD—The new year got off to a good start for the Vegas league Monday, at Cal Bowl, and the Birthday Girl, Tracy Baldwin led the honor roll with 222-573.

Cil Moons had 215-571, followed by Karen Mauricio 207-558, Audry Thibodeaux 202-557, Bernice Bennett 222-541, Doris Lewis 206-532, Patti Givechin 204-529, Joan Rope 522, Wanda Weaver 521, Norma Payne 515, Kathy Phylow 509, Dutch Sullivan 503, Vi Wilson 501, Jeani Ruff 202, Teri Hefner 201 and Betty Phillips 200.

Team standings indicate 2007 will be very competitive, as always. Top nine teams, in the 16-team loop, spotlights Cerritos #2, 36 wins; Westminster #2, 35; Keystone #2 and Cal #4 are tie at 32 wins; Del Rio #1, 31; Keystone #1 and Keystone #3 tie at 30 wins; Westminster #1 29 and Cal #5, 28.2.

A reminder that OCUSBC Annual tournament and the BVL tournament deadlines are due and we remind members that entry forms for both events are available now. Cheryl sent entry applications, via Wanda Weaver, and we urge our members to enter. Choice for dates and squad times are still open.

POT POURRI: For the first time this season, I did not have a single request for a sub and we also noted Nan McGill returned to bowling after many weeks of

recovery from injury sustained in a horrible auto accident a few months ago. Finally, Happy New Year from the Vegas League bowlers and thanks to the Bowling News staff, Carol, Lillian and Dean for keeping our league in the news. We especially loved the GIANT TURTLE head last week.

NEXT WEEK: Westminster Lanes at 9:30 a.m. Monday, January 15. Also, remember that final payment is due this month for the charter trip to Vegas in April. We still have two openings available for members or guests.

Orange County

The \$15 entry fee pays for bowling plus a donation to the State B.V.L. fund. Orange County has historically donated more monies to the state fund than any other association, thanks to the volunteers who collected, and the bowlers who donated.

The winners of each scratch division will be eligible to compete in San Diego in the State B.V.L. tournament.

All Orange County sanctioned bowlers are eligible. Sign-in early. Our hospitalized veterans need your continued help.

All Pots Carry Over Match Game Est. \$3,500, Series \$900, 3-6-9 is \$1,600
Onsite Entries For LAS VEGAS Are Available Each Day

SAN BERNARDINO—Dino Cantoria, long time ABTA member is really on a roll and won back to back as he starred again in our latest ABTA Event at Arrowhead Lanes, taking home another nice \$2,200 for his stupendous effort. He had another great performance winning the title from the top seeded position to become the third back to back Champion in the 28 year history of the club, of which he has been a faithful member for nearly 20 years.

The Arrowhead Event had 160 entrants and a great shot. We had nice cut scores of men +97 and the ladies at a nice +40 to make it to the semis of 43 Bowlers. Also added were Super Seniors Bobbie Nakunz Paul Passarino, Dominic Tambio and Art Lindsey.

Leading the Semis was a hot Dino Cantoria at +141. He would sit out and bowl for the title. In second was Angel Chau at +115. He would enter in round two of the single elims (top 16). It took a +57 (men) and the 3 guaranteed ladies +18 guaranteed to make the sweet 16 single elims.

The bowlers took to the lanes. In the first round single elims losing were Danny Guevarra, Greg Velarde, Gina Velarde, Cleve Johnson, Ronnie

Cordero, Ben Mach and Michele Tucker. They got checks of \$100 in 10-16th place.

In round two being eliminated were Charles Ha, Paul Passarino, Marc Levy, and Bobbie Nakunz. They got checks of \$107.50 in 6-9th place.

Round three had Robert Mendoza slay the Dragon Alan Aguilar 204-190. Errin Robinson likewise blitzing Angel Chau 270-205. Alan and Angel were 4th and 5th and \$115 each with Errin and Robert to meet for the right to bowl for the title against Dino. In this match Errin had a double and turkey in a 252-207 win over the likeable, gentlemanly Mendoza who was third in his highest finish thus far and \$200 with a great showing. Errin off to the title game vs. Dino Cantoria.

The title game was set and the horses were paid! Errin returned a whopping \$375 to two of our faithful lady bowlers Lynn Waldie and Beth Borci, who happily shared the cash!

In the title game. Dino decided to lead off. He doubled, as did Errin. The match was so close til Dino caught fire and a five bagger in frames 6-10. Errin was also dead in the pocket but left two 10's and a 7 pin and opened in the 9th. The title again went to the Gentleman realtor from

Fontana and \$2,200 and deservedly so. He is a Fine Guy, a Friend and faithful ABTA Member, for so many years. Dino is one of the Good Guys to be sure !!Great Bowling!

Great bowling also by Errin Robinson who returned to ABTA action at Arrowhead and bowled so well. With carry he could have been the winner. Great Bowling Errin! Robert Mendoza really bowled well in 3rd and could have won this one. Nice bowling by another one of the Good Guys!

Tourney Hi Qualifiers were Erik Volk +187 for the men and Beth Borci led the ladies at +128. They will get paid entries

Ronnie "Ace" Cordero, and "The Dragon" Alan Aguilar were high in the doubles with a 1541 good for \$140. Cordero teamed with Romy Cajucom 1505 and \$120! We paid \$820 and 11 places in the doubles.

Jeremy Pearson was last up in the 3-6-9 roll-off. But he missed on the first shot, so we will go for \$1,700 this week in Las Vegas. He got a \$50 consolation for beer money:-).

The Match Game was drawn by Cantoria and there were no matches at a 273 game. With the \$860 carryover and the Las Vegas Event we estimate the Match Game to be \$3,500 this

weekend.

Match Series worth \$902, was drawn by Erik Volk. He drew 612 with again No Matches. We estimate the Series to be \$1,600 in Las Vegas for only a \$2.00 fee to enter.

Champion Dino Cantoria hails from Fontana, and used an Inferno! Dino gets his bowling balls at Impact Bowling Ball.com & drilled by Memo Rosales at Action Lanes. He is married to Nancy (ABTA Member) and has 5 kids Robert, Steven, Vanessa, Michelle and Jennifer who all have bowled in the ABTA along with their husbands. They are super ABTA Supporters. He and Nancy have 56 Grandkids! He owns his own Realty Co. Country Homes Realty in Fontana. He thanks the ABTA Staff for a great tournament.

Errin Robinson is from Salton City and used a Zome drilled by Corky De Maio. He's married to Angela and thanks God and wife for the ultimate support, and J. J. for all the tips to succeed.

Forest Lanes' Scratch 615 Trios In Third Segment

by Frank Kietz

LAKE FOREST — Fourteen Trios are in hot pursuit for the 9:00 p.m. Thursday league's \$5,000 title. Yup, Teams 9, 10, 5, 7 and 4 are running a tight race for the third segment roll-off spots, a shot at Forest's \$5,000 title.

After the mid-point mark, Team 9, composed of Tim Timmerman, Donald Malapas and Brent Ilagan have at least a 10 point edge over the top seven trios.

Malapas paced the Forty-Sixer's 716/2011 team set with his evening high 280-279/747, while Brent and Tim helped with big 600 series.

Ashkan Tahvildar helped the 10-pinner with a 278/700 to fashion a 12-5 point victory over Team 14. Jeff Carr and Allan MacDuffee contributed nifty 600s to the victory.

Center Manager MacDuffee commented, "I guess tonight's action will be on lanes 29-30 where position leaders 10-9 are scheduled to compete".

Allan added, "In fact, any of the lanes the trios are scheduled for will produce honor scores. The standings sheet lists seven 300s and five 800s. Look where the high average players are on: Mike Tucker 236.55, Carr 232.25, Paul Danforth 231.80, or Kristi Zimmerman 195.62. They have to get big scores to keep their ratings."

Vaughn Doody and Kevin Gannon SST Champs at Yorba Linda Bowl

by Barb McFadden

The Super Senior Tour held their first event of the year in Yorba Linda, January 6/7, 2007. After sixty-six SST players bowled 10 games of qualifying, the top ten seniors and top eight juniors advanced to Sunday's Match Play Finals.

In the senior division, after 10 games, Fred Cole from Visalia, CA had a 49-pin lead over Terry Brent in second place and an 83-pin lead over Vaughn Doody in fourth. After 10 games of match play Doody and Brent won six of their ten matches, Fred won five, but Doody outscored everyone to take a commanding first place lead of 157 pins ahead of Brent. Vaughn would like to thank K&K Bowling Supply in Las Vegas for drilling his equipment.

Joe Staton from Upland, CA qualified in first in the junior division with a narrow 23-pin lead over Bob Brady from Santa Monica, CA while Kevin Gannon trailed in fourth by 50 pins. During match play Joe won three matches, Gannon and Brady each won six of their eight matches, but Gannon outscored Staton and Brady to win the SST Junior title by 106 pins. Kevin would like to thank the SST staff and Tony from Gardena Lanes for providing his equipment.

In the King of the Hill, Super Senior, Vaughn Doody had a 264 to win the match against Junior, Kevin Gannon.

Added to BVL
Bowling
Ambassador
Staff

Washington, D.C.— Kim Terrell, one of the nation’s top female bowlers, has recently joined the Bowlers to Veterans Link (BVL) family as a professional clinician. In this capacity, Terrell will conduct “Learn to Bowl/Learn to Bowl Better” clinics on the lanes for veterans recovering in VA Hospitals and Vet Centers throughout the country. This program, part of BVL’s activities for more than 30 years, has featured some of America’s most beloved bowlers including Frank Clause, Don Russell, Earl Anthony, and Nelson “Bo” Burton, Jr., as well as current clinicians Helen Duval and Johnny Petraglia.

“We couldn’t be happier that Kim has agreed to be part of the BVL mission to serve our nation’s veterans,” remarked BVL Board Chair Elaine Hagin. “Kim will be a wonderful addition to our clinician staff and a fabulous ambassador for our organization.”

The 2001 Women’s U.S. Open and 2002 Women’s International Bowling Congress Queens champion has nine titles in her distinguished 16-year professional career. Terrell established herself in the bowling world as a collegiate bowler at San Jose State University, earning All-America honors twice. Following her collegiate success, the California native represented her country internationally for two seasons as a member of Team USA. Since 2004, Terrell has served as an assistant coach for Junior Team USA.

A three-time winner of the Robby Award, given to the Professional Women’s Bowling Association player that best exemplifies the most positive image of women in professional bowling, both on the lanes and off. With the WIBC Queens title under her belt, Terrell went on to appear on national television a career-best nine times in 2002.

The BVL is located in Metropolitan Washington, D.C. and is guided by representatives of the United States Bowling Congress and the Bowling Proprietors Association of America.

The organization provides a range of recreational and therapeutic programs and services for active duty troops as well as veterans being cared for in Veteran’s Affairs Medical Centers, out-patient clinics, Readjustment Counseling Centers, and State Veterans homes nationwide. BY NICE AND SWEET

STUDIO CITY—Well it’s seven years since the supposed “end” but we’re all still here and bowling. Come in and enjoy your new year with our terrific bowling alley. We not only offer state of the art “Rock-n-Bowl” but we have billiards and video games.

Not many adult leagues have been present this past week, but those who were here we salute you. We are anxious to have every-one back in the bowling spirit after the holidays. Besides at least you can sweat away a few of those added pounds by throwing a few games.

National Deaf Bowling News First 2007 Deaf Tournament Jan. 20 at Keystone Lanes

by Connie Marchione

NORWALK—Get ready for the first deaf mixed singles classic of the new year on Saturday January 20th at Keystone Lanes with squads at 12 noon, 2:00 PM and 4:00 PM. The entry fee is \$35.00 each try.

Southern California Deaf Bowlers is hosting its 44th annual Classic and the first place prize is \$1,000 based on 100 entries. This year’s classic features higher handicap to help lower average and women bowlers.

44 years ago the First Annual was held on November 30. 1963 at old Santa Anita Lanes. I have the first flyer and I felt funny because I headed a committee of eight, seven of them, Frank Bush, Ernest Holmes, Charles Hart. Vinton Conant, Bob Grinde, Ora Baldwin and George Forfar were deceased.

The first place prize was \$150.00 and a trophy won by Albert Garbett. Entry fee was only \$7.50 with prize fee \$5.00, bowling fee \$2.00 (yes 50 cents per game) and .50 for expenses.

We do not know about other deaf Classics but our So. Calif. Deaf Bowlers Classic flyers always lists its last 25 champions as a tribute to them. So come and enter in our Classic, try to win it and get your name on the list.

STOGRYNAGAINLEDWITH&61INDEAFTRAVELATKEYSTONE
NORWALK—Darrell Stogryn did it again leading the honor roll with a lone 800 in So. Calif. Deaf Travel’s stop at Keystone Lanes. He blasted out of the gate with a 267 and 235 then eased up with 175-184 (sbging??? just kidding)for 861.

Matched against Stogryn was Francisco Navarro who after a 180, managed to tie him with his 235 and after a 153 third game, won the 4th game with 224 for 792. Ed Abakumoff placed third on the roll with his 788 including games of 232 and 2003. Bob Jones had 223-210/731, Rick Pennington 714 and Paul Taffolla 202-210.

For the 2nd straight time Abakumoff and his Riverside team beat first place South Bay team 11 to 9 to gain some ground. South Bay salvaged 3 points in 4th game to prevent a worst defeat. Jones’ S F Valley beat Hollywood 16-4 for a big gain. Don Millwee’s 5 points helps Stogryn and their El Camino Village beat Los Angeles 13-7.

The league thanks Mike Piazza, Mary Jo and the Keystone staff for hosting. It was great to have tough lane condition.

Fabian Johnson Wins His First ABT Championship at Westminster Lanes

WESTMINSTER—Fabian Johnson won his first Amateur Bowlers Tour (ABT) championship at Westminster Lanes on Saturday, January 6, 2007 during our one-day 4-game Beat-the-Board tournament. Fabian showed up for our 2PM squad and shot games of 250, 241, 271 and 249 with handicap good for a series total of 1011 and the \$800 1st place prize. Joshua Boone of Mission Hills had a fine day shooting a 988 four game handicap series to finish in second place for \$400 dollars. In third place was Joshua James of Cypress. Joshua shot a 975 handicap series and got \$150 dollars.

Our newest champion, Fabian Johnson is 41 years old. He has two children, Tamyia and Corie. Fabian has been bowling for about 30 years and has just become a member of the Amateur Bowlers Tour (ABT). Fabian currently bowls at AMF El Dorado Lanes and was using a Hammer No Mercy drilled by Billy Meyers Jr.. He would like to thank his two children for their love and support. Fabian plans on using the prize money for more bowling. When asked for other comments, Fabian says that practice does help. Fabian wanted to thank Westminster Lanes for hosting the tournament, and also thanks the Amateur Bowlers Tour-Orange County Branch staff and Directors for running an outstanding tournament.

John Daily was the winner of the optional 4-game Scratch Sweeper and \$120 with an 889 scratch series. We have had many positive comments about the optional 4-game Scratch Sweeper, and will continue to run this optional Scratch Sweeper at each tournament.

The Mystery Game Pot of Gold game and score were drawn after our final squad by Joe Balboa. Game #4 was the game drawn, and 194 (possibly good for \$200) was drawn for the first chance. One bowler shot a 194, but was not in the Mystery Pot. Our second chance score (possibly good for \$100) was 285 in game #4. There was no winner. The 3rd chance score (possibly good for \$50) was 140 in game #4. There was no winner. Remember, the Mystery Pot of Gold is available to all members (Classic and Masters) and only costs \$5.

The ABT staff and membership would like to thank the management and staff at Westminster Lanes for hosting our tournament last Saturday. Our next scheduled event will be on Saturday, January 13th, 2007 at Cal Bowl. This will be a special 4 game Beat-the-Board Classic and Masters Combined Singles tournament format. All members (Classic and Masters) are eligible. Handicap will be 80% of 225 for this tournament. Special Squad times are at 12:30 PM, 2:00 PM, and 4:00 PM only. We will offer \$100 sidepots on each squad with just 20 entrants, as well as optional brackets for each squad. First place will be \$800 with 100 entries for only a \$55 dollar entry fee. First place with full Progressive will offer an estimated 1st place prize of \$1,300 with 100 entries. We recommend you arrive early (at least 30 minutes before squad time) to guarantee your spot. We hope to see you Saturday, January 13th at Cal Bowl.

Inland Empire NABI Champion Mario Banuelos

by Quinn
RIVERSIDE — We want to thank AMF Riverside Lanes for hosting our Inland Empire NABI January 6th tournament. We always enjoy their warm hospitality.

Mario Banuelos, our newest champion, who was also our high qualifier, won his first NABI tournament. He won the tournament with his Storm Hybrid, drilled by Chris Hagen at Custom Fit in Deercreek Lanes. Besides bowling, Mario is an avid sports fan. He especially enjoys snowboarding, and working out at the gym to keep fit.

Mario would like to dedicate this win to his grandmother-in-law, Rosie, who passed on not too long ago.

Mario won \$900 with optional upgrade, a champion shirt and an entry into the Tournament of Champions that will be held in Las Vegas at the Orleans, July 2007. (Only six months away.)

Our stepladder started out with a few new members. Devin Demartino, Diane Torres' daughter, bowling Ed Worthley. Devin bowled a 173 to Ed's 202. Ed then bowled Jeff Swanson. Ed bowled a great 224, however, Jeff bowled a fantastic 273. Jeff went on to bowl Noli Valdeleon. Noli, a previous champ, bowled a 171. But Jeff came through with a 174. Jeff continued to bowl great, bowling a 220 against Mario. Mario knew what he had to do, and bowled a 222 to win the tournament. Great bowling, everyone!

We want to thank everyone who participated in our NABI tournament. Our club is growing. Thanks to all of you!

Our next NABI tournament will be held on Saturday, January 13 at AMF Arrowhead Lanes in San Bernardino.

Girls Jr. All-Stars

by David Gordon
CANOGA PARK—Welcome back faithful to the Girls Jr. All-Stars update. The ladies return from a couple of weeks off for the holidays, but there did not appear to be any rust with them on this day. Even following the JAT tournament, the ladies mastered these lanes quite well.

Today we have two in the 800 club and each deserves great props. Deanna Carrillo rushing over from the JAT Farm Club tournament finals posted up a set of 233-202-204-244/883, wants a re-match with Kevin Hale and slept most of the way home. And then we have Lindsay Hannasch jump starting the session with a near perfect 298 game. After hugs and high-fives, Lindsay later added a 245 game for an 878 set.

We also had high scoring from Melissa Pena 214-202/759 and Jasmine Morales 213-203/742. Congratulations ladies.

Now midway through our season and looking good with their sponsored shirts we have Brunswick West Covina Lanes (Deanna Carrillo) leading the group with 128 points. Second place is currently a tie between Brunswick West Covina Lanes (Melissa Pena) and All American Coaches (Lindsay Hannasch) with 119 points each. The rest of the league lines up as follows: Pro Zone (Tabetha Reynolds), Premiere Youth Bowlers (Jasmine Morales), Edison Sports Club (Jillian Gaddison), Jewel City Bowl (Katheren Ross) and Jewel City Bowl (Nicole Perrenoud).

I would also like to mention that the Bowling News is overall sponsoring the entire league this year, and we greatly thank you.

Bowlers, our next session is this Sunday in Anaheim at Linbrook Bowling Center. Start time is 2:00. Get in your practice, rest and I'll see you there.

JAT Farm Club

by David Gordon
CANOGA PARK—Welcome everyone to the JAT Farm Club update as we start 2007 from Canoga Park Bowl. Thirty-seven bowlers came off of the holiday break to give us some outstanding scores and a great tournament. I'm glad to see everyone made it back safely and congratulations to those that did well in Vegas.

Before I start, I will apologize up front if I seem depressed or stray too much. I will try to stay focus on this sport, but I'm writing this article while watching my favorite football team (Ohio State) fall flat on their face and have the most disappointing display of a top rank team that I've ever seen. The Gators totally dominated on both sides of the football and Matt Jones, I bow down to you and the Gators.

Now on to our tournament. In the qualifying round, we had several tie for tournament high game. Top honors start with Patrick Smith 279-240-224, Aaron Steinberg 245-279, and Amanda Manoly 279. Now normally you would look at this opening list and figure that Mr. Smith was your leader, nope! I'm sorry, but this is Canoga Park Bowl, please read on. Not far behind these three we have Arisha Piper 224-257-278 and Eddie Sayles 277-232-227. Excellent bowling to all of you. Now the remaining high scores come in from Mark Curtis 257, Kevin Hale 255-234-245, Eric Kilgore 246-224, Kevin Jones 235-245, Deanna Carrillo 244-225, John McCullin 241, Brent Shern 226-236-232, Felicia Mara 225-236, Albert Fernandez 235-221, Virgil Hilvano 234-224-222, Jerome Jordan 227-233, Charlie Hair 233, Alex Warnick 232, Max Slevcove 221-230, Jon Hogan 230, A.J. Garcia 229-227, Robert Smith 226, DeeDee Ho 225, Gary Smith 223-224, Justin Sims 224, Rashad Sandridge 223, and Aaron Williams 222. Very nice

list, and as for the top seed after five games, Mr. Steinberg. Aaron came in at plus 157 while the cut line for match play (top 16) also was plus at 23.

In the next round things started to calm down a bit, but we did have some nice notables. Hale starts off this match play list with 225-269. Followed by Carrillo 264-225, G. Smith 258, Steinberg 257-223, Garcia 247, Hair 234-235, Sayles 233, Mara 232-232, Piper 225, Hilvano 224, and Sandridge 223. Those taking advantage of match play for position movement was Hilvano with a six position jump and Mara with a five spot move. Most of the movement was the opposite for the top 16 as a few fell out of place, allowing these two to move up quickly. However, taking the most advantage was Hair with four spots and into the top five.

The finals then started off with 5th seed Hair (+157) taking out 4th seed Sayles (+199) big time 256-166. Look just like Gators over Buckeyes, sorry Eddie. But then Hair was removed by 3rd seed Steinberg (+256) 215-200. And just as quickly it was Steinberg's turn to exit against 2nd seed Carrillo (+320) 245-194. Now against the top seed Hale (+348) Carrillo looked to jump out quickly. She took the first game in the best of three 196-130. But then comes Hale to claim the second game 215-191. And in the tie-breaker it was Hale 230-197 to claim his first title. Congratulations Kevin.

Our next tournament will be on January 21st at AMF Friendly Hills in Whittier. Check-in begins at 7:15 and please be prepared to pay an additional \$5 for this tournament. The directors will discuss this possible increase and let you know on our web site and in next week's advertisement.

So there you have it. A great tournament and a terrible football game. Again congratulations to all Gator fans. I'm out and crying myself to sleep.

SED Jr. Travel

by David Gordon
ANAHEIM—SED Jr. Travel returns from their holiday vacation, where many venturing to Vegas, glad to have you all back safely. The group took to the lanes at Linbrook Bowling Center with near perfect attendance. A mixture of ups and downs and the group struggled at bit with the conditions. Well you bowlers know me that just means we'll be back until you master this center.

Now bowling is just like any other sport and its funny how quick emotions can change. I started this article at the beginning of the BCS National Championship football game. I'm a life-long Buckeye fan and was riding high when I started typing. By the end of this article I was shell-shocked and stunned as the football game end the first half. Congratulations Gators.

On with bowling. Again the bowlers scoring was a little below their average for the day. However, there were some scattered high games that give hope and promise. Bryan Osborne led all with 215-235/786. Not far behind we have Delano Ross 243/783 and J.D. Pelow 233-203/780.

Other reportable highs included Eric Milne 212-203-212/761, Jasmine Morales 200-215/749, Kevin Jones 201-208/739, A.J. Garcia 209/722, James Hawkins 213/719, Felicia Mara 711, Eddie Sayles 214/710, and Darren Pascual 211.

This Saturday will be different, in some way. We will meet up again this week at AMF Friendly Hills in Whittier. Please be on time. Have a good week, practice and I'll see you there.

“A Game” Kicks Off High Roller

Double-Header Increased Guarantees in February High Roller

LAS VEGAS—We can’t wait! We are extremely excited about the 2007 February High Roller & “A Game” Double Header! Many guarantees have been increased from the July High Roller. We have never been afraid to use the word “guarantee” because we have always stood behind ours. So make your plans now for February 3rd - 10th at Sam’s Town - presented by Storm Bowling Products! High Roller, Storm & Sam’s Town are working hard to re-build the megabucks!

Start by calling Sam’s Town Hotel toll free for great room rates at 1-877-593-5993. Then sit back and read about the improved guarantees in the February High Roller! They include:

- 1) \$25,000 top prize, INCREASED 25% from \$20,000
- 2) Minimum \$10,000 prize, DOUBLED from \$5,000, for each of the 4 qualifying divisions
- 3) Minimum \$2,000 prize, INCREASED 60% from \$1,250, for advancing to the Grand Finals
- 4) \$1,500 prize, INCREASED 50% from \$1,000 in all Quick Cash Sweepers
- 5) \$10,000 Recruiters Prizes, INCREASED 30% from \$7,500

Compare the number of \$1,000 prize to any other tournaments held in conjunction with High Roller and you will be amazed! This year, compare the number of \$2,000 prizes & \$10,000 prizes!

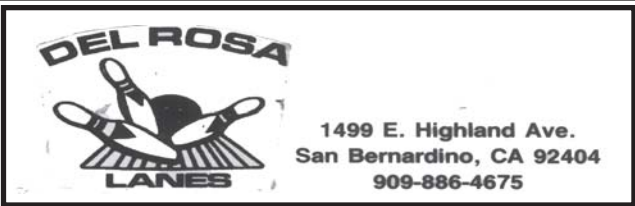

Also, check to see exactly what is - and what isn’t - guaranteed in the other Vegas tournaments. PBA members won at Orleans (again) and at Sunset last year - won’t happen at Sam’s Town!

This year, entry fees have been slightly increased to \$260 for your 1st entry and \$190 for each re-entry. But the accumulated prize money will create a lot of great prizes!

For those that like to bowl more games, another “A Game” will get High Roller week off to a big start. The big change this year is that the “A Game” is for amateurs only. No PBA members are allowed. They will be in town to bowl at Orleans and Sunset but not Sam’s Town! \$10,000 Guaranteed top prize in this quick 2-day tournament, February 3rd & 4th. And, with just 200 entries and re-entries combined, the bottom prize is double the \$250 entry fee!

Do you have unlimited entry fees in your pocket?? Well, most players don’t and have to “shop” for the best tournament value. The choice is obvious once again. We’ll see you soon at Sam’s Town!

High Roller has paid over \$77 MILLION to bowlers since 1982! For more information and brochures, call toll free 1-800-257-6179 or visit us at www.high-roller.com. Enter online, its fast, easy and secure!

Willy Welcomes The New Year

by Roberta McNaught

The New Year found most of the bowlers in the So. Cal. 590 Classic searching for the right line. Two hundred games weren't easy to reach and 800 series were at a premium. Then there was Willy Bordenave!!! Willy's ability to conquer the difficult lanes netted him a 908 series shot on 4 great games of 236, 224, 236 and 212. Nice bowling Willy.
