Missy Parkin Averages Over 260 For A Six Game Block at the 2017 USBC Team USA Trials

287, 256, 205, 279, 257, 278 / 1,562

HENDERSON — Parkin moved into the lead at Sunset Station's Strike Zone Bowling Center after claiming the top spot for the second consecutive day, giving her a total of 17 ranking points through three rounds.

The players earn points based on their finishing positions in each qualifying round. The top bowler of the block earns one ranking point, second place earns two points, etc., with the lowest total of ranking points after the five six-game blocks determining the 2017 USBC Team USA Trials champions.

Missy Parkin

After averaging more than 241 to lead Thursday's second round, Parkin continued at a torrid pace Friday, averaging better than 260 on the 45-foot Rome oil pattern to take the over-

all lead. The seven-time Team USA member rolled games of 287, 256, 205, 279, 257 and 278 for a 1,562 total.

"I think yesterday definitely loosened up my swing quite a bit," said Parkin, who rolled a 300 game to start Thursday's round. "It's nice to capitalize on yesterday's block and come in today with another great start. It allowed me to stay consistent, allowed my swing to stay relaxed and allowed me to bowl well the rest of the block."

Parkin now is setting her sights on holding onto the top spot and earning a trip to the 2017 QubicaAMF Bowling World Cup in Hermosillo, Mexico. The men's and women's Team USA Trials winners will represent Team USA at the event.

"I had a lot of motivation going into this week, but my goal definitely is to go to the World Cup," said Parkin, who finished 15th in Wednesday's opening round. "I've never been to the World Cup, and it's definitely on my bucket list. After a slow first day, I knew I would have to bowl really well in order to do that."

USA Beats "The World" in GEICO PBA World Series of Bowling VIII Team Finale

Dick Allen's strike in one-ball sudden-death roll-off clinches victory for American stars

Champions (L-R) Mitch Beasley, BJ Moore, Matt O'Grady, III Dick Allen, EJ Tackett & Manager Tommy Jones

RENO, Nev. -- In a five-player team showdown involving top U.S. performers vs. a team of the best international performers during the GEICO PBA World Series of Bowling VIII presented by Silver Legacy Resort and Casino, the American players claimed bragging rights by beating a talented international squad in the USA vs. The World challenge match to conclude WSOB VIII at the National Bowling Stadium. The team finale aired Sunday on ESPN.

In the non-title special event which concluded the

eighth annual World Series, all 10 players earned their way onto their respective teams after a combined 32 games of qualifying in the four animal pattern championships (Cheetah, Chameleon, Scorpion and Shark) that led into the PBA World Championship. The top five U.S. qualifiers represented the USA while the top five international players from the 169-player field earned berths on The World team.

Competing on the 41-foot PBA World Championship lane condition pattern in a best-of-two-game

Baker format team match, the USA team of Dick Allen, Columbia, S.C.; Matt O'Grady, South Amboy, N.J.; 2016 Chameleon Championship presented by HotelPlanner.com winner Mitch Beasley, Clarksville, Tenn.; BJ Moore III, Greensburg, Pa., and 2016 PBA World Championship winner EJ Tackett of Huntington, Ind., took the early lead by defeating The World team, 253-224, in game one.

Undaunted, The World team, with Australia's Sam Cooley, England's Dom Barrett, 2016 PBA Shark

Championship winner Francois Lavoie of Canada, Mexico's Arturo Quintero and Sweden's Martin Larsen came back to win the second game, 223-210, which set up a one-ball sudden-death roll-off to de-

This Master Passes Muster When It Comes to 300s

Johnny Englehart

WINNETKA — If you can't afford to hire a coach at some point in the New Year, perhaps there are other ways to maximize your bowling talents.

One can always read a bowling book and survey all the suggestions — one of my favorite books is Steve Felege's "The Essentials of Bowling. Approaching the Perfect Game."

It's no-nonsense, only 65 pages, cuts to the chase and California Bowling News editor / publisher Carol Mancini heartily endorses it.

Or one can talk to a bowling master. And what better person is there than elite bowler Johnnie Englehart, he of the 66 perfect games and 67 800 series?

Talking to him recently, continued on page 1

BRIAN MARKOWITZ - Bowling's Renaissance Man

“Markowitz - Mozart - Buffalo Bill”

by Frank Weiler

LAUGHLIN, NV - Brian Markowitz started bowling at the age of six and now 50 years later he’s still at it. During the past five decades Brian has been involved in every aspect of our sport: bowler, coach, pro-shop operator, pro-bowler, tournament promoter and bowling center manager. That’s what I call a Bowling Renaissance Man. A man with broad experience and involvement in every aspect of our sport.

It all started when Grandpa Bill (William Shapiro) taught Brian how to bowl. Brian started with a nine pound “alley ball” but soon had his own ten pound AMF Three Dot. Once he had his own ball, Brian’s bowling skills improved exponentially. He soon was rolling 200’s and became a bowling junky. He was the kid who wanted to bowl rather than play ball. He was the kid who analyzed and evaluated his bowling game and strived to find better ways to score. His analytical approach to our sport made him the perfect candidate for a bowling career.

Brian was a bowling prodigy. A bowling MOZART. Mozart wrote symphony’s as a youngster and Brian authored honor scores at a young age. His first perfect game was as a junior bowler at a tournament at Fountain Bowl. He now has twenty-seven perfectos to his credit with several 800s with a high of 856. He has averaged 200 for thirty-seven consecutive years now with a high of 228.

Over the years Brian has had numerous accomplishments as an amateur: JAT (Junior Amateur Tour) titles, California state titles, house records and scoring firsts. With such incredible numbers as an amateur bowler it was a natural next step for Brian to turn professional.

Brian has been a PBA member for twenty-eight years and is a PBA Champion with two PBA Regional Titles. He currently is on the Regional Staff with Storm and Roto Grip. In the past he has been on Staff with Brunswick and Hammer. We all have bowling memories. Fond memories of big games, big wins and friendships made and maintained for years. Brian has many of such memories but has two favorites that involve bowling legends Steve Cooper and Glenn Allison. Steve Cooper developed the first reactive resin bowling ball for X-Caliber (Purple X-Caliber) and drilled one of the prototype’s for Brian to roll. It made Brian part of bowling history, a player with a role in the development of a new generation of bowling balls.

Glenn Allison is a living legend, Mr. 900. The first person to bowl 900. Brian and Glenn are friends. Friends for nearly forty years. On Glenn’s record night Brian was there. Brian was also bowling that night in “Glenn’s league”. While Glenn was perfect that night (July 1, 1982) Brian rolled the second highest score of the night, 699 (232 - 237 - 230). If you ask, Brian will tell you: “Glenn Allison bowled his 900 on a legal lane condition that night and his score should be certified”. Brian used a Columbia Yellow Dot that night, a ball many experts consider to be one of the best ever produced.

Brian Markowitz

Brian transitioned from bowler to pro-shop operator with ease. His knowledge of equipment and extensive bowling experience made him well qualified to own and operate a pro-shop. He owned three shops before becoming a bowling center manager. Over the past two decades he has managed bowling centers in Arizona, California and Nevada. For the last eighteen years he has managed Riverside Lanes in Laughlin, a mecca for sweeper bowlers. During his tenure as manager of Riverside Lanes Brian proved himself to be a super promoter, in a league with “BUFFALO BILL CODY”, COLONEL TOM PARKER, BARNUM and BAILLY. He has an eye for opportunity and is willing to take risks. A real entrepreneur and one of the best bowling managers I have met.

Some of Brian’s ambitious managerial endeavors include hosting PWBA Tournaments and over three hundred other professional events, co-creating and promoting two different tournament clubs (Fun Time Bowling and Laughlin Blast) and hosting hundreds of league sweepers.

Because of his many contributions to the sport of bowling, as bowler, coach, technician, executive and promoter he is the only person I know elected to a USBC Hall of Fame both for superior performance and meritorious service. I tip my hat to Brian for all that he has done for the sport of bowling. He not only is an outstanding problem solver he also is a great guy. I think “BIG BOWLING” (BPAA, Bowl-Mor and USBC) would be wise to recruit Brian for one of their top level management positions. Our sport needs new blood and an innovator like Brian Markowitz.

E.J. Tackett Was Not Playing Games With This Conquest

by Fred Eisenhammer

E.J. Tackett finished the World Championship with six strikes en route to a 246-180 victory over Tom Smallwood. Courtesy of PBA

RENO, Nev. – Did you happen to see ESPN’s telecast of last month’s Professional Bowlers Assn. World Championship at the National Bowling Stadium?

E.J. Tackett, only 24 but already a dominant player on the PBA Tour, won the title with a decisive 246-180 victory over Tom Smallwood.

It was Tackett’s first major championship of his career after many near-misses and his fourth PBA title of the 2016 season. I had written about Tackett a few years ago when he was performing for the L.A. X in the PBA League, bemoaning the fact that he was prone to erratic shots. But the 5-foot-7, 130-pound right hander was totally in control in the World Championship title match, popping strikes on his final six shots en route to his fifth career PBA title. To me, the most watchable moment came after Tackett’s victory – when he jumped into the stands and hugged his dad, Ed, in a long tearful embrace.

That touching moment stirred this thought: Remember that age-old debate about whether bowling is a game or a sport?

I was thinking that I never acted that emotionally when I won a game of Scrabble or Monopoly against my son Eric. And I’ll wager E.J. Tackett never raced to his dad with tears in his eyes after winning a game of Parcheesi.

But after claiming the \$60,000 top prize in the World Championship, E.J. and his dad did some well-justified celebrating in front of the world.

Interviewed after the show, Tackett said: “This is an amazing feeling. It’s unlike anything else I’ve felt in my life. To have my dad here I couldn’t ask for anything more. It’s euphoria right now.”

Tackett was exulting at his good fortune and the viewers undoubtedly were exulting along with him. There was no doubt that on this day Tackett had made an indelible mark in his sport. It’s difficult to find anything that was more enjoyable to watch.

E.J. Tackett is honored after winning the World Championship, the first major title of his career. Courtesy of PBA

- The sixtys. Good music, great friends, lots of bowling action and I was smarter than my telephone.
 - **CROWN BOWL** installed a wall of vending machines labeled - - - - Cold Milk, Cold Food, Snacks. Hot Coffee, Ice Cream, Candy and Bowling Needs.
 - The Silver Slipper and The Parkchester Motel offered a bowler special. A room for two \$3.88, Buffet dinner for 2 plus 2 breakfast and cocktails \$6.62, and 40 nickels for the slots for a total of \$12.50. Want more? They added "Minsky's Burlesque".
 - 24 Lane **SAN PEDRO BOWL** was repossessed by Sports Arena Inc. and put on the auction block.
 - **MAJOR BOWL** offered a Suzuki Motorcycle for their first 300 game.
 - BAR TULANIAN and DICK STROBRIDGE won \$125.00 First Place at **VICTORY BOWL**.
 - **SUNSET BOWL** got a million dollar make over and celebrated with a Grand Re-Opening starring BILLY MYERS on the lanes with free instructions. "Twas the free food that drew a crowd and BILLY made them think.
 - Even though HANK LAUMAN was one of the greatest Southland bowlers in the 50's and 60's, he never tooted his own horn or gloated over his many wins. He was a "gentleman bowler" on the lanes and off.
 - ART GODDARD and DAVE LEE opened a pro shop inside **ARCADIA BOWL**. Their new drilling machine took only one minute to punch out three holes.
 - JOHN JENNINGS rolled the first 300 game at **CAMARILLO LANES**. Remember??
 - **ROSEMEAD BOWL** came up with a "goody". They called it "All Splits Are Strikes". Entry fee \$2.00. Splits were counted as strikes. Is that what we call "Snake Bite" today??
 - JOE LYOU wrote an article about proprietors bad mouthing bowling biz. Proprietors cried that bowling was going down hill. Sure enough, 50 years later we are losing bowlers by the thousands. Thanks Bowling Proprietors for your negative thinking.
 - February 20, 1966 headline and story. "BETTY MIVELAZ shoots 300 Game." The "Women's All Star League" at **CENTURY BOWL** had ladies of the highest caliber in California; DONNA ZIMMERMAN, BOBBE LIPMAN, CONNIE PICK, BRENDA GILLIS, JUDY LEE and GWEN MIRILLO.
 - Question - - - "What is the highest game on record without a strike, spare, split or foul?" Answer - - - 88 rolled by Jim Dunn of Chicago on May 7, 1964.
 - Asher and Knipple clashed on T.V. Channel 5 from **MONTEREY PARK**. Guess who won! Weekly local competition! What a treat.
 - Blind bowlers received special instructions at **CIVIC BOWL**, the only center equipped to do so.
 - The BOWLING NEWS was 10 cents a week and had 22,000 subscribers. Now it's free folks - - - turn on your computer, phone or IPAD.
 - Long Beach had a Southpaw Club! Ladies only. Talk about fun! Are lefties really smarter than righties??
 - What was the lowest score shot with nine strikes? No fouls or gutters. Answer ????? Send us your answer!!!
 - How many 298, 299, 300 awards were given out in 1934? How many in 1964? 433 was reported for 1934. 1964 was better - - - 1690, nationwide.
 - Shooting. Murdering. Hangs. Strikes. Bangs. Booms. Hammers. Splits. Chips. Topples. Romps. Our game sounds dangerous and exciting - - - agreed?
 - In the good advice column - - - "The best place for your bathroom scale is in front of your refrigerator". Not bowling related, I just like it! - - - Carol
 - Blue Chip bowling was making bowling fun again. And worth enjoying on a Saturday night. Save up the stamps, paste them in a book, check the catalog and head for the Blue Chip Redemption store. P.S. I got arrested and taken to El Cajon jail one Saturday night for running Blue Chip bowling at **PARKWAY BOWL**. Of the 300 bowlers, 4 happened to be El Cajon police officers that didn't know about the raid! They issued me a permit and I promised not to speed in the parking lot! Carol
 - The L.A. area ladies went mad over Wigs! Yes, blonde, brunette, or redheads. Crews would canvas a neighborhood. Sign up ladies for "Wig Leagues". At leagues end, every gal got a wig. The crew came to the **PARKWAY BOWL** area. El Cajon was virgin territory! 2500 women took 4 weeks of lessons. 28 new daytime leagues were floored. Wigs were delivered by the truck load. Biggest promotion I ever saw!
 - ANDY MARZICH won a PCCB at **ARROW LANES**. FRANK KIETZ asked ANDY about going back on tour. At 30, ANDY was tired of the tour and was about to become one of the Southland's top Center Manager. Quote "My deal in California is guaranteed. A great future, steady income, and no travel, that's for me." Andy continued to be a "Maple Mauler" for 40 years.
 - A few stats: 19% of sanctioned leagues were 5 man teams. (All Male) 81% were mixed trios, 4's and 5's. What is the percentage today???? One all male league per association??
 - Anybody ever hear of **TOPA BOWL**? It was in Ojai. Anybody ever hear of Ojai???
 - NBC-TV presented "Sports in Action" featuring baseball stars on the lanes. Check these names: Clete Boyer, Jim Fregosi, Harmon Killebrew, Brooks Robinson, Carl Yastrzemski, Lou Brock, Pete Rose and Joe Torre. Wish we could find a copy of that show

SMART Re-Distributes To Providers More Than \$1 Million From Expired Accounts

ARLINGTON, Texas – The Scholarship Management and Accounting Reports for Tenpins (SMART) Corporation will distribute more than \$1 million from expired accounts to providers by the end of 2016.

The SMART Board of Directors unanimously voted to have all expired funds returned to providers to be used for more scholarships.

“SMART is able to put these expired funds to work by placing them in the hands of providers, who can provide more scholarships for their events and hopefully increase the number of participants,” said SMART Corporation Board Chairman Wally Hall.

Under its terms and conditions, SMART can suspend or terminate a user’s account if a provider account becomes inactive, meaning a deposit or a funded list is not entered into the account during any five-year period. Activity does not include the return of expired funds from a recipient or earnings allocated to a provider from SMART.

While SMART has made income earnings distributions in the past, including a \$450,000 distribution to providers’ funds earlier this year based on 2015 earnings, this is the first time for SMART to allocate expired funds to providers. The SMART Board previously determined that income distributions would take place each May.

The SMART program was started by the United States Bowling Congress in 1994 to provide a centralized location to manage bowling scholarship funds, as well as providing USBC members with a resource for inquiries about bowling scholarships.

The SMART Bowling Scholarship Funding Corporation was created in 2010 as an independent entity dedicated to the management, protection and promotion of the SMART scholarship funds. USBC staff oversees the daily operation of the program.

Visit BOWL.com/SMART to learn more about the SMART program.

BURBANK — Another year has past by and I, once again, have a fresh start. Or so they say. I am reaching a time in my bowling career where things just aren’t as easy as they used to be. Still, I am maintaining a decent average and seem to be improving. All good, right? Maybe.

I keep forgetting I’ve been at this sport for over 50 years. Yes, I just said that out loud. I’ve learned a lot about the game though it’s often hard to put into action. I am amazed at all the bowlers who are still rolling an easy deuce at the age of 80 and beyond. They are my heroes.

What saddens me is that these bowlers are most likely bowling in non-sanctioned senior leagues. I know what it’s like to be on a fixed income and the cost of a USBC sanction seems like a lot of money but think about it.

The bowler pays \$20 for 12 months of sanctioned bowling, is entitled to awards, is qualified to bowl in some really great tournaments (many that are strictly senior based) locally, statewide and nationally. A fairly inexpensive proposition overall.

However, there is good news on the horizon. The local association, NLAC-USBC, is working to get a senior membership approved for bowlers in senior leagues only, at a reduced rate.

I urge all senior leagues to take advantage of this when it happens. Senior bowlers should take their bowling careers to the next level and stay in the competitive game. I know I am.

NEW LEADERS IN THE BRUNSWICK INVITATIONAL THIRD ROUND
PARKIN’S BOWLING SUPPLY AND DV8 LEAD THE WAY AT 12-3

by Mike Cammarata

DOWNEY — Round three of the Brunswick Invitational has completed the third week. After two weeks, J.A.T. appeared to be the team to beat, but after a disappointing series on Monday night, coupled with some big nights from the teams chasing them, there are new teams on the top pair heading into next week.

J.A.T. came into the night the proud owners of a 10-0 record to start the round, with a two game lead over four teams. The first of those four teams was **Parkin’s Bowling Supply**. J.A.T. started quickly, winning the first game by 43 pins, 683-640. Parkin’s came back though, with games of 725 and 754 to take the final two and total pins. With the wins, Parkin’s Bowling Supply improves to 12-3 and is the new leader for the round. Dave Kovach led Parkin’s to victory, shooting a 224/597 series.

DV8 will move up to second place and bowl against Parkin’s next week, following the 4-1 victory over **Forest Lanes**. Forest took the first game of the match by 13 pins, but DV8 beat them by quite a bit the next two, winning totals easily. Andre Eubanks led DV8, subbing for Kurt Arakaki, with a 585 set. Gip Lentine had 209-208/611 for Forest in defeat.

Western Pacific improved to 10-5 for the round, with a 4-1 victory over **Keystone Lanes**. Keystone got the final game, but couldn’t overcome their deficit to get total pins. Raul Rosales was the top scorer, with 233/614 for Western Pacific. Eddie Van Daniker had 224/583 for Keystone Lanes in defeat.

On the next pair of lanes, **Bowlum** matched up against **Erickson’s Food Supply**. And, while a couple of the games were decided by only a mark or two, they all swung in favor of Erickson’s. DeeRonn Booker and Mikey Villarreal led the way for Erickson’s, with 608 and 607 respectively. Dean Sanderson topped Bowlum, but his 541 wasn’t enough to earn a win for his squad.

Smirnoff took four out of five from **Herzog Insurance** to improve to 9-6 for the round. Herzog got the last game by eight pins, but it wasn’t enough to make up their deficit for totals. Arnold Cheesman led Smirnoff, shooting a 208-202/609 series. Danny Ly added a 609 for Herzog in a substitute spot.

Threadworks took the first two games from **Century 21—My Real Estate**. The Century 21 team came back to win the last game, but came up about 40 pins short for totals. Eric Snow had the big series of the night in the league, with a very nice 222-212-233/667 set. Joe Jimenez led Century

21 with 592, and Bobby Campagnale finished well with a 236, to help Century 21 to their lone win.

Linder’s Insurance won a close first game in their match with **Crown Royal**, and then rolled over them the next two, to sweep the set. Jeremy Glover was tops on the pair, shooting a 226/578 set for Crown Royal. Substitute Ryan Cunningham added a 227 to finish the set well for them also. Dave Schiada was tops for Crown Royal, shooting 221/555.

Cal Bowl took four out of five games from a struggling **Sysco** squad, to keep their hopes alive if they can stay hot the remaining weeks. Ramon Torres led the pair, helping Cal Bowl to the victory, with his 204/584 series. Paul Barraco topped Sysco with 207/559.

G.J.C. Janitorial squared up against **Los Altos Trophy** in the next match. G.J.C. took the first two games easily, but Los Altos came back to win the final one. GJC Janitorial stayed in front for totals, to take the match 4-1. Mark Curtis subbed for GJC, and led the way early with a 203 and a 232 before falling off badly in the third. Kevin Jones added 578 for the wins as well. Michael Lindsey finished strong for Los Altos, closing with a 211 to lead them to their one win.

The Professional Approach had started the round 0-10, but got well on this night, sweeping all five games from **Gym W.R.A.T.T. Fitness**. Herman Ferguson led the pair, with a 201/582 series for Professional Approach. Matt Schermerhorn added a 218 and Juan Zavala a 214 in the third game to help them pull away from Gym W.R.A.T.T.

The first sidepot of the night went to Spanky Rosales for his 233 game. Mark Curtis took the super pot in game #2, shooting a 232 game for \$162. Eric Snow won the third game pot for a nice 233 game.

Bobby Campagnale won the Financial Advisors Pot for the 2nd consecutive week, shooting a 236 game for \$200. Eric Snow got \$100 for 2nd place with his 233.

Next week will see Parkin’s Bowling Supply battle DV8 on the first pair, and many teams are now in contention with J.A.T. showing they can be beaten. The third round is shaping up to be very close and exciting, and we hope to see everyone down here cheering on their favorites in the best scratch league southern California has to offer. The action starts at 8:30 p.m. next Monday.

THE PHYSICS OF WINNING.

The new Quantum Forest Green Solid and Quantum Fire Pearl feature the return of single density cores along with thicker shells using 3.5 times more coverstock. This improves durability, increases performance longevity, and creates more hitting power! Through the use of controlled dynamic integrity, the core shapes for each weight have unique designs in order to control the core dynamics and the resulting hook potential in the 14, 15, and 16 pound balls.
