## Holman, Terrell-Kearney Elected to USBC Hall of Fame

ARLINGTON, Texas — A pair of two-time U.S. Open champions, one from the 1980s, the other from the 2000s, have been elected to the United States Bowling Congress Hall of Fame in a worldwide ballot of the Superior Performance category.

Marshall Holman, 55, of Medford, Ore., and Kim Terrell-Kearney, 44, of Grand Prairie, Texas, will join John Handegard and Betty Barnes, who were elected in November by the USBC Hall of Fame Committee in the Veterans and Meritorious Service categories, respectively. All will be inducted May 12 at the International Bowling Campus in Arlington, Texas. It will be the first outdoor induction ceremony in USBC history and will be preceded the previous night by a special dinner in downtown Fort Worth. The public is invited to both events with free admission to the inductions.

Holman won all but one of his 22 Professional Bowlers Association titles between 1975 and 1988. Among his victories were the Firestone Tournament of Champions in 1976 and 1986 and the Bowling Proprietors' Association of America U.S. Open in 1981 and 1985.

"This is something," said Holman, now owner of sev-

eral income tax franchises in Southern Oregon. "It really feels good because it comes at a time when I can look back and reflect on what I did as a bowler. It seems so long ago that I made my living as a bowler."

"I knew I would receive the news one way or another around the first of the year. While my credentials in the nationals, the old American Bowling Congress and now United States Bowling Congress championships were not stellar, my body of work as a professional was pretty good."

He earned more than \$1.7 million during his 23 years as a PBA touring player. He won the George Young High Average Award in 1982, 1984 and 1987, the latter year also being named the PBA Player of the Year. He was inducted into the PBA Hall of Fame in 1990 and also is a member of the International Jewish Sport, Oregon Sports and Medford Halls of Fame. He has bowled in 15 American Bowling Congress/USBC Open Championships and Masters, averaging more than 200. His best finish in USBC competition was fourth in the 1986 Masters.

"I'm very appreciative," said Holman. "This is something that I can say at age 55. I was 35 when I was elected into

## Simi Valley's Devin Bidwell Selected To Junior Team USA 2010

LAS VEGAS — After a grueling week of bowling on a variety of difficult oil patterns, local junior bowling standout Devin Bidwell was selected to the Junior Team USA 2010 after an outstanding outing at the Team Trials in Las Vegas. Devin will join the other 9 boys selected to represent the United States in international competition this year. They will have the opportunity to travel to the Olympic Training Center in Colorado Springs and the newly-opened USBC Training Facility in Arlington, Texas. Most exciting is the fact that 2010 will be a big year for international competition with Team USA traveling to the Tournament of the Americas in Orlando, Florida and the World Tenpin Championships in Helsinki, Finland.

When asked about the week, Bidwell said, "It has been a dream of mine since I first started bowling competitively at the Junior Gold event in Reno in 2001. It was also nice to be selected with my friend Kyle King from Arizona". Bidwell was also very grateful to the people in bowling who have supported him.

"I have to thank all the people who have helped me succeed through the years especially David Yamauchi, Mason Sherman, Art Leseberg, Mark Baker, Jeff Massey, Robert Smith and Rhino Page. Each of them has been a part of my success in bowling. And of course, I want to thank my dad who has taken me to all these tournaments and always believed in me." Bidwell joins a long list of bowlers from Southern California that have been named to represent the United States in bowling competition. David Yamauchi, director of the JAT said, "I am impressed with how California has developed some of the best youth and adult bowlers in the nation. The representation of California in the Team USA system has been strong throughout the years. Devin definitely has the support, character, and talent to proudly represent the USA on the lanes next year".

Note: Devin Bidwell is a 20 year old from Simi Valley who grew up on the lanes at Harley's Simi Bowl. He joins Robert Smith and Jackie Edwards as Harley's juniors who have been honored with Team

Devin Bidwell

USA selection. He was the first junior ever to roll a perfect game at the Junior World Team Challenge at age 13 and also has the distinction of being the first amateur to shoot 300 on two different sport patterns at the Teen Masters

event in Las Vegas. He is also the 11th alumni of the Junior Amateur Tour to be honored with Team USA membership. He has multiple JAT, JST and JBT youth tour titles as well as 26- 300 games and 8- 800 series.

## Scroggins Wins Pepsi Red, White and Blue Open for Seventh Career PBA Tour Title

WICHITA—Mike Scroggins of Amarillo, Texas, flirted with a perfect finish, but settled for an easy victory in winning his seventh career Professional Bowlers Association Tour title in the Pepsi Red, White and Blue Open presented by the United States Bowling Congress at Northrock Lanes.

Scroggins ruined 42-year-old rookie Wayne Garber's bid for his first PBA Tour title, 278-229, to conclude the highest scoring tournament in PBA history. The finals aired Sunday on ESPN.

Scroggins, who struggled in two preliminary matches leading up to the title contest, started the championship match with nine strikes before leaving a 7 pin on his first shot in the 10th frame. He made the spare and left another 7 pin on his fill ball, but the match may have been decided before it even started because the in-

experienced Garber made a decision that played right into Scroggins' hands.

Garber, making his first television appearance, earned his berth in the title match by upsetting PBA Hall of Famer Walter Ray Williams Jr. of Ocala, Fla., 9-7, in a one-ball, sudden-death roll-off after they had tied at 237-237 and threw matching strikes in the first roll-off frame. As the highest ranking survivor in the ESPN finals, Garber then had the right to select which pair of lanes would be used for the championship match.

Normally, one pair of lanes is used for all TV matches, but because of the unusual six-player format used in the Red, White and Blue Open finals, two pairs of lanes were in use. Garber decided to remain on the right pair of lanes where he had just defeated Williams,

LAS  
VEGAS  
TRAVEL  
LEAGUE  
By Alice

NORWALK — The Vegas league returned to Keystone Lanes Monday and David at the desk had the welcome mat out and took real good care of our needs.

Doris Lewis exploded another 600 series, 212-621, followed by Myrt Owens 203-573, Karen Mauricio 234-567, Shanta Pittman celebrated her return to the league, following many weeks absence, with 200-537, Wanda Worrall 525, Charron McKnight 512, Tracy Koolmees 505, Dottie Lawn 501, Aresia McGee and Faye Billinger tied on 500 clusters.

Keystone #2 continues to top league standings with 45 wins, followed by Fountain Bowl #2, 42; Cal #2, 39; Valley View #2, 38; Cal Bowl #1, 36; Doris' Hair Designs, 35.2; Keystone #3, 34, and Keystone #1, 30 while the rest of the league trails from 29.5 down to the cellar at 15.5.

The Strike Pot hit \$100 Monday so Sue McGill began calling number and names of those entered in the optional event. After five failed, Cil Moon was called and she got the big strike for the big payoff.

Anne (Hubanks) Trigwell dropped by for a visit. She was secretary-treasurer of the Long Beach 600 Club ( Roberta McNaught was president) and though the Club did not officially fold, the failing interest and inactivity of it's membership resulted in it's demise.

Pat Willmore also visited Monday to pay the balance for her bus transportation and room when she travels with league members to Vegas in March. Others that still owe a balance are reminded that February 1 is deadline and we sure don't want to see them cancelled and lose deposits.

**LOCAL MEMORIAL FOR SANDY CARLILE**

Tim Carlile has asked Roberta McNaught to conduct a local Memorial for Sandy so their many bowling friends over the past years could pay final respects in her memory. Roberta has scheduled 3 p.m. Sunday, January 24 at Linbrook Bowl. More details will be provided by Roberta elsewhere in this issue of the Bowling News.

NEXT WEEK: 10 a.m. Monday, January 18 at Fountain Bowl.

DIAMOND BAR—Victor Fabian was surely at his best in our Special Event at Oak Tree Lanes as he won our latest ABTA Event with a great performance and a thrilling finish. He went by a Hot Shooting Anthony Dancel and Birthday Boy Minh Dang in the final game with a huge +241 to win his first ABTA Title.

Anthony Dancel was right there at a big +214 and Dang 3rd +188.

The scoring was huge as it took Men +105 and the Ladies +70. Added to the board, Super Seniors Manny Loria, Ping Tubera, and Karen Wade +41.

With a great turnout of 279 bowlers we had 66 bowlers advance to bowl three games in a Beat the Board Finals. The top 16 still guaranteed \$120 minimum.

We would now do a “Beat the Board Finals”. It is a Finals where you Finish will be your cashing position. Still 3 women min guaranteed to the top 16.

The bowlers took the floor and the scoring was quite con-

tentious with many bowlers starting out well. In game #1, Vic Fabian was tops in a big way with +111, Butch Hobbs 2nd +64 and Tao Yang +49. Chae Kim led ladies +28. Game #2 had Fabian still lead +182. Anthony Dnancel +141, Minh Dang +140, Mark Fisser +129 and Butch Hobbs +104. Many others doing well on the easier condition. Game 3 saw Dancel finish. Fabian came back with a big +62 to top the board and win his first title. What a great performance!

It was Fabian +231, Dancel +214, Minh Dang +188. They topped the 66 Finalists.

Game two had Bedell Vasquez get hot and was leading with +110 with Danny Nguyen second +83.

Congrats to Victor, our latest Champion, who bowls in most every event and has improved in his 4 yrs with us. Victor is a great supporter of the ABTA, a good sport, nice to all who know him and all who bowled well there including some new members. This format was different but fun

and we use it a few times per year.

The doubles were topped by Ely Cruz and Romy Cajucom 1505 good for \$150. 2nd Jun Contreras and Vicente Rivera 1504 \$13. Contreras and Fel Garcia also 1504 \$130. We paid a great 25 places and \$1,690 in the doubles.

The Match Game was Matched. Art Windsor long time member was the winner of \$1,620 for his fine 132 scratch game in game 3. Best 132 Art has ever had! :-)) Estimate Match Game at \$1600 this Saturday at Westminster Lanes.

The Match Series was also matched by Lord Ferguson and his 610 Scratch Series got him a tidy \$984. Serie is estimated at \$600 Saturday.

Mark Fisser eliminated the field in the 3-6-9 and missed. We go for \$1400 this Saturday at Westminster Lanes.

### Herzog Hurdles From Sixth to First

DOWNEY — The “Herzog Insurance” team made a giant leap from 6th to 1st with their 5-game win over “Gano Excel Coffee Monday night. To insure a great night, Lee Liu shot 557 with a 244 game; Chris Marquez’s 567 was kicked off with a 210; Raul Rosales 160-210-240/610; and anchor Steve Gurrieri rolled the league high series of the night, 682.

The “Coffee” makers perked along at a steady pace. Rob Hartley (recovering from brown spider attack) 508, James Tipton 536, Darrion Tipton tapped out a 572 and David Bartlett came up with a pair of deuces for a 609.

Billy Myers Jr. made the top score list again this week with his 674 followed by Nick Wilson 674. A few top single games included Larry Stephens 261, Sherman Joseph 257 and Kurt Arakaki 246.

The three teams sitting in 2nd will all be in the hunt for first next week. Even 5th place “Brylaw” with seven wins is within shooting range.

With the “Position Every Week” format, predictions are worthless. Pinfall is powerful. The “Western Pacific” guys will be bowling their make-up sometime this week, but the outcome will not effect the top 8. Clyde’s Video (their opponents) will be on the look-out.

The “Ebonite” has a couple of side actions as do most scratch leagues.

1. The Strike Pot. This Pot has been broken twice this year — by the same guy! Matt Jones has collected \$975 plus \$420 — that should take care of this year’s league fees.
2. “Clean 30” began when round three started. Each bowler (optional) puts up \$10 and the first one to go clean, 30 frames, wins the Pot. Sounds easy for Ebonite caliber bowlers? Well, someone has always won in years past. But with the unusual oil pattern, there are more spares to shoot at, more splits, and fewer strings of strikes.

Just ask Nick Smith! Game one was clean, game two was clean, game three was looking great. Lord, he’s got 29 clean frames! Nick has a lot of confidence — and in frame 30, he left a solid seven. To hear the rest of the story...

Come on down to Del Rio Lanes on Monday nights, the teams look great in their matching shirts. I’ve heard that this is the classiest league in Southern California. They admit it might be the most challenging one for sure.

**BY NICE AND SWEET**

STUDIO CITY — Pinz celebrates many holidays with its patrons throughout the year and this Monday’s upcoming holiday, Martin Luther King Jr. Day is no different. The staff at Pinz respects and admires the accomplishments made by Mr. King Jr. and in his name for civil rights. Please read the following as more of a homage to the man and we apologize now to the poetic licensing we took with one of the greatest and most meaningful speeches within our life time!

PINZ ADULTS

As Martin Luther King Jr. had a dream so do our Adult bowlers. As the new year starts they have a dream that one day the valley shall be exalted, every bowling lane filled and scores shall be made high, the rough places will be made into strikes, and the crooked places will be made splits, and the glory of Pinz, shall be revealed, and all bowlers shall see it together. “A strike at last! A strike at last!”

PINZ SENIORS/LADIES

Nice & Sweet watched our seniors bowl this past week and witnessed “A whole lot of shakin’ going on uhhhhuuu” and we couldn’t help but notice that many had the same moves as Elvis. Was it just coincidence we had just passed what would have been Elvis’ 75th birthday or does the heart of a young rocker beat in the bosom of every senior on our lanes? As Elvis himself once said, “If you like it, if you feel it, you can’t help but move to it. That’s what happens to me. I can’t help it.” As we have heard many seniors say as they bowl up a storm as these scores will shake, rattle and roll you...

**Happy Timers:** Joel Margolis 171/471, Ruth Swick 169/455, Russ Romo 164/454, Yolanda Dragotta 144/395.

**Pin Pals:** Karen Collier 160/458, Sharon Brooks 166/447, Ellen Engel 183/423, Shelly Djergian 154/398, Judy Kautz 161/391.

**Joslyn Seniors:** John Dobson 183/497, Kathy George 149/417, Sol Stein 182/479, Teri Bonato 414, Joyce Rabinowitz 168.

**Bowler of the Week:** Dane Price has always been a staunch bowler and an even bigger advocate of quality bowling here at Pinz. Well, his time has come because he bowled a 232 for a 608 series during the Greenlighters. Great job Dane and we all appreciate your contributions.

**Sweetness Quote of the Week:** “Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.” - Martin Luther King Jr.

rather than move to the left pair of lanes where Scroggins had left a steady stream of 7 pins in edging Mike Fagan of Patchogue, N.Y., 218-197, and then fellow left-hander Patrick Allen of Wesley Chapel, Fla., 227-215, in his preliminary matches.

“My biggest mistake was choosing that pair of lanes,” Garber said later. “I threw four practice balls on the left pair and had no look at all, but if I could do it over, I’d pick that pair.”

Scroggins, the reigning U.S. Open champion, said a silent “yeah” to himself when Garber announced his choice. No left-handers had bowled on the right pair other than a few practice balls, so Scroggins had fresh conditions which meant better odds his ball would finish hard and carry strikes.

“I was glad to get off the pair I was on,” Scroggins said. “The back ends got so tight, we had no carry at all. Then we got a little practice on the right pair and I never missed the pocket, so I felt pretty good. And I got some lucky strikes along the way.”

Despite his runner-up finish, Garber had the tournament of his life. “I’ve bowled for local titles, but this was a lot different,” he confessed. “I’m ecstatic. If there are nine clouds, I’m on cloud 15.”

In the other first-round match, Williams eliminated Michael Machuga of Erie, Pa., 257-244, in his PBA-record 171st television appearance.

The Pepsi Red, White and Blue Open presented by the USBC was conducted on three different lane conditioning patterns the USBC plans to introduce on an optional basis to American league bowlers in cooperation with the Bowling Proprietors’ Association of America for the 2010-11 winter league season. Similar in concept to golf’s tee system, the USBC Red condition was the most forgiving pattern, the White condition was a medium challenge and the Blue pattern – which was used for the ESPN finals – was the most challenging.

The Lumber Liquidators PBA Tour’s next event is the Earl Anthony Memorial Jan. 12-17 at Earl Anthony’s Dublin Bowl in Dublin, Calif. The Anthony Memorial will include a PBA

Exempt Tour event and the final PBA Women’s Series presented by BOWL.COM singles event of the 2009-10 season. ESPN will televise the finals live at 1 p.m. Eastern on Sunday, Jan. 17. Wes Malott of Pflugerville, Texas, is the two-time defending Earl Anthony Memorial champion; Wendy Macpherson of Henderson, Nev., is the defending Earl Anthony Women’s champion.

Malucci Caps Fantastic 2009 Year With Honor Scores 300/813

LAS VEGAS — Unbelievable but it regularly happened to Carl Malucci before. Malucci’s back injury flared up again and curtailed his bowling for 5 weeks. When he felt well enough to return to bowl last December 30 in his Mountainsiders League at Red Rock Bowling Center, he amazingly shot 300 and 813 series that night.

His games were 300-279-234 for 813. Oddly, Malucci e-mailed, he had 13 strikes in that 300 game and that happened in the 8th frame. He rolled a strike on the wrong lane. When that was discovered, he had to do it striking again on the correct lane and finished striking out the right way. Also that his 279 was all great shots except for the solid 7 pin spoiling his back to back 300 try. The third game was rocky with two solid 7 pins and an open frame split in his first 5 frames and managed to put a string for strikes together to end up with his 813.

So that is Malucci’s 42nd career certified 300 and 18th career certified 800, the most ever by a deaf bowler in U.S. or in the world.

Surely it is amazing that Malucci finished his fantastic 2009 year with the honor scores to go with his entry in USBC record books which included his two records, most consecutive 700 series in two leagues 17 and most consecutive in one league 17. He was also the top average bowler 247in his Las Vegas USBC Association for the 2009-2009 season.

Bad back or not, Malucci is still looking for new barriers to break.

Like Malucci, DeGroff Caps

His Own Amazing Year With 809

MISSION HILLS — On the same night Malucci rolled his double honor scores, Ken DeGroff shot an 809 series in his Wednesday NBAC league at Mission Hills Bowl.

I first read about in the Bowling News, and DeGroff insisted that he e-mailed me on the night of the news but somehow my internet provider left out his news. So I apologize for that but am glad that DeGroff showed me proof of his message and the scores.

In his 809, DeGroff had games of 265-276-268 which had 30 out of possible 36 strikes. His 265 had a run of 7 strikes spoiled by a 7 pin split which he only picked up two pins in 8th frame and struck out. The 276 had two strikes start and left 3 pins standing in third which he spared and ran 8 strikes in a row ending with a 9 count in his 3rd fill ball. The 268 had four front strikes, 10 pin tap spare in 5th, five more strikes and ended with another 10 pin tap spare.

That 809 is DeGroff’s 8th or 9th career 800. At present he is averaging 246 for 48 games at Mission Hills Bowl. His goal is to break Malucci’s 247 record.

Navarro Tops Deaf Travel

At Keystone With 267/833

NORWALK — With the 8 lanes of Keystone Lanes dressed at 40 feet oil for the 50th Anniversary So. Calif. Deaf Traveling League made it a tough challenge for the deaf bowlers. The top three average bowlers failed to hit 800 for 4 games but the other bowlers managed to pick up the slack for 15 names on the honor roll list and two new season high for team high game and series.

Francisco Navarro battled the oil condition for a 139 opener and conquered it for a 200-267-227 finish for 833 to lead the list. Pablo Yoma rolled 216-212-172-207 for his 2nd consecutive 4 813 and teammate Jeff Stansell hit his third 800 after struggling with a 145 opener and finished with 200-252-215 for 813. Leroy MacMonagle hit 218-194-172-215 for 799, one pin shot of 800 and Andy Lorenzo had 201-206/766. Lonnie Jones Jr. closed with a 243 for 743, amazing Arnold Freedman hit 244-202 for 741, Ed Abakumoff started well with 225-222 but finished with 733, RandySalazar had 727, Darrell Stogryn managed to close with a 206 for 721, Bob Taylor hit a 715, Paul Taffolla 223/713 and Connie Marchione 204/700. Gardy Rodgers got on the list with his 209. Linda Hernandez became the first woman this season to hit the honor roll list with her 204/704.

Sixth place team Quad Cities with Bill Cozad’s 182, Freedman’s 202, Lorenzo’s 202 and Jones Jr.’s 243 scored new season high team game 289 and the team scored 724-699-584-829 for the new season high 2936 team series replacing league leader Beach Cities’ 2924. Beach Cities continued to dominate the league with a 17.5 to 7.5 win over Navarro’s Orange County.

The 50 year old league thanks Keystone’s GM Dave Piazza and his staff for hosting with tough lane conditioning.

Next stop is at AMF Cerritos Lanes where the travel league is hosting the So. Calif. Deaf Bowlers Singles Classic on Saturday, January 16 with squads at 12:00 noon, 2:00 p.m. and 4:00 p.m.

the PBA Hall of Fame but I was too busy being an aggressive competitor to know what it meant then.”

Terrell-Kearney owns 10 professional titles, most recently the 2008 U.S. Women’s Open. Her other major victories came in the 2002 Women’s International Bowling Congress Queens and the 2001 Women’s U.S. Open. She also has finished in the top 10 of the WIBC/USBC Women’s Championships 16 times, nine of them in the 2000s. And she has placed in the top 10 in the Queens nine times.

“It’s always been dream of mine to be elected to this hall of fame but I wasn’t sure if it would be a reality,” said Terrell-Kearney, the assistant coach at the new International Training and Research Center. “Staying active certainly helped my cause and getting to 10 wins helped my chances. I’m entirely proud of what I’ve done.

“To go in with Marshall given what he’s done and being such an icon in our sport is special. It’s almost surreal being mentioned in that category.”

Terrell-Kearney first came onto the national bowling scene in 1987 as a collegiate All-American at San Jose State University. That same year she qualified for Team USA, repeating the feat the next year. She was a collegiate All-American in 1988 and later that year was all-events champion in the Federation Internationale des Quilleurs World Youth Championships. She joined the Professional Women’s Bowling Association Tour in 1989 and was named Rookie of the Year. She returned to Team USA in 2008 and 2009, winning gold medals in the 2009 Pan American Bowling Confederation Championships Masters and team events and a silver medal in the 2009 World Tenpin Bowling Association World Women’s Championships team event.

“It’s going to be neat,” said Terrell-Kearney, who was elected in her first year of eligibility. “I’m excited. My family is excited. They are all looking forward to coming out.”

She was the leading vote-getter among the nine candidates considered by USBC’s panel of veteran bowling writers, hall of famers and board members, named on 163 of 188 ballots cast for 86.70 percent to easily exceed the 70 percent majority needed for election. Holman received 160 votes for 85.11 percent.

Other men’s candidates were: Del Ballard Jr., Keller, Texas, 109 votes (57.98); Amleto Monacelli, Barquisimeto, Venezuela, 73 votes (38.83); Dave Husted, Milwaukie, Ore., 70 votes (37.23); Wayne Webb, Sacramento, Calif., 62 votes (32.98); and David Ozio, Beaumont, Texas, 28 votes (14.89).

Other women’s candidates were: Carol Gianotti, Morley, Australia, 130 votes (69.15); and Dede Davidson, Buellton, Calif., 39 votes (20.74). Gianotti missed election by just two votes.

The USBC Hall of Fame was created in 2005 by merging the former ABC and WIBC Halls of Fame. With the two new inductees selected by the committee, there are now 379 members of the USBC Hall of Fame – 249 in Performance, 111 in Meritorious Service and 19 Pioneers.
