Chris Barnes Enjoys Rewarding Day with 300 Game 18th Career Title in DHC PBA Japan Invitational

By Bill Vint

TOKYO, JAPAN – Future Professional Bowlers Association Hall of Famer Chris Barnes of Double Oak, Texas, enjoyed one of the most rewarding days in his career Sunday, winning the DHC PBA Japan Invitational at Tokyo Port Bowl for his 18th career PBA Tour title after rolling a 300 game in his semifinal round match.

The championship round was video streamed live on PBA's Xtra Frame bowling channel, completing start-to-finish online live coverage of an international PBA Tour

event for the first time.

Barnes, 44, won the \$43,032 (5 million yen) first prize with a 206-196 victory over top qualifier Mike Fagan of Fort Worth, Texas, who was trying for back-to-back titles after winning the PBA World Championship seven days earlier in Las Vegas. Barnes also won a \$43,032 bonus for rolling a championship round perfect game in eliminating England's Stuart Williams, 300-225, in the semifinal match. For the day, Barnes earned 10 million yen, or \$86,064 U.S. dollars.

Williams, the No. 4 qualifier, ended the first-title hopes of two-handed player Shawn Maldonado of Houston, Texas, 242-237, in the first stepladder match, and Liz Johnson of Cheektowaga, N.Y., 245-222, in the second match.

Earlier Sunday, Australia's Jason Belmonte and partner Yang Hyeong Kyoo of Japan won the \$5,164 first prize in the Scotch Doubles special event with a 236-204 victory over England's Dom Barrett and Manae Kameshima of Japan. The doubles competition paired a member of the international contingent with a PBA Japan player.

International Team B (Fagan, Sean Rash, Dom Barrett and Barnes) won the Baker team special event with a 239-184 victory over International Team A (Wes Malott, Williams, Eddie Van Daniker and Belmonte), and shared a \$10,328 bonus prize. The team event involved four International teams and four Japanese teams bowling eight Baker format games with the top two advancing to the final match.

Barrett won a \$4,303 prize in a special "last man standing" event that closed the tournament program.

Monacelli Avenges PBA50 Tour Loss to Williams in PBA Challenge Finals Missy Parkin, Josh Blanchard, teenager Michael Coffey win special-event matches

By Bill Vint

LAS VEGAS – Venezuelan native Amleto Monacelli defeated fellow Professional Bowlers Association Hall of Famer Walter Ray Williams Jr. of Oxford, Fla., with a near-perfect game, 277-219, to win the PBA50 Tour Finals as part of a four-match PBA Challenge presented by the International Bowling Museum and Hall of Fame at the new South Point Bowling Plaza.

The PBA Challenge Finals presented by the International Bowling Museum and Hall of Fame aired Sunday on ESPN. The PBA Challenge was a GEICO PBA World Series of Bowling VI showcase for

four different aspects of PBA competition – youth, seniors, women and regional. PBA50, PBA Women's Regional and PBA Regional qualifying events were held earlier in the World Series, with the top two players advancing to the finals. The Teen Masters boys' and girls' division winners were decided during the summer in Tamarac, Fla.

In the opening PBA50 Tour Finals match between 2013 finalists, Monacelli avenged his 224-204 loss to Williams. Monacelli just missed a perfect game, leaving the 3-6-10 in the eighth frame, for his only mistake.

"I told myself this morning that I should shoot 300 on TV," Monacelli said. "That would have been nice. I shot 287 against Mark Roth one time, but I was really focusing on what I needed to do to win the match. It's a nice way to end the season."

Monacelli said he lost his focus in the eighth frame when he rushed himself to avoid a shot clock violation.

"But I don't use that as an excuse because I know what I was supposed to do when things like that come up," he said, "and I just didn't do what I needed to do. It's my own fault." Continued on Page 8

Contributed by Ghost-Writer

Devin Bidwell who grew up in Simi Valley bowling juniors tournaments in JAT, JST and JBT. In 2010 made Junior Team USA where he was selected to compete for the World Junior Championship in Finland. He brought home 2 Silver Medals, now made it on a bigger stage by leading The USA Team Trials 3 of the 5 days of competition held Jan 3rd - Jan 9th at The Orleans in Las Vegas.

Devin ended 5th at the Trials but was an easy coaches choice to make this years Team USA which includes PBA Members Chris Barnes, Mike Fagen, Tommy Jones, Sean Rash, Bill O'Neil, John Szczerbinski, Marshall Kent amateurs John Janawich, AJ Chapman, Chris Colella and Trials winner 16yr old Kamron Doyle.

TERRY HODGSON (The Intelligent Bowler) Strikes Again

by Frank Weiler

FONTANA - The day Terry Hodgson explained to me the difference between oncoming and upcoming was the day I recognized that he was a WISE GUY, a.k.a. intelligent, smart, knowledgeable. You know, like Solomon not the Godfather.

Since that day I always go to Terry when I need an answer. You might say he is my ANSWER MAN.

In addition Terry is a great bowler. In the past I have expounded on his exploits including his propensity for rolling 300 GAMES, especially as a super senior (over 60) bowler.

Well, Terry has done it again. He rolled his sixteenth perfect game at Foothill Lanes as he continues his march to 70. While any kid using two hands can roll a big score, who cares. It happens every day. This story is special because Terry is a super senior rolling 300s the old fashioned way: with focus, accuracy and consistency. Most of the kids bowling today won't even be on the lanes when they are Terry's age, let alone be bowling 300s.

Terry Hodgson is a gifted bowler. He has a GOD GIVEN talent for bowling. He is a super senior and is still performing at a high level. This is a great bowling story.

Congratulations Terry and thank you BOWLING NEWS for supporting Citrus Belt senior bowlers.

EL MONTE — Congrats are in order as Henry Sanchez won his first ABTA Title at Action Lanes.

Henry from La Puente used an ABS Nono drilled by ABTA member Memo Rosales, to edge top seed Andy Yu of Monterey Park who used an ABS drilled by Billy Chao. A 251 to 206 margin to take home \$1,000 for his win put a smile on his face.

The Insurance Agent Makes All the Difference

By Cameron Linder

In the world of insurance, you have many options: talking geckos, good hands, quirky spokeswomen, catchy jingles and funny commercials to grab your attention. Most of them claim they want to save you money! Price is important, but as someone who works in the industry I can tell you: it's the agent that makes ALL the difference.

I have a client in Huntington Beach, CA—Rich Paulin who owns The Specialist Complete Carpet Care. He's one of the best carpet cleaners I've ever met—it's why he's called "The Specialist." I had some serious stains in my carpet and he came back at least 3 times to retreat the spots until they finally disappeared for good—all for no extra charge. He went above and beyond for me and treated the job as if the carpets were in his own home.

When Rich called me and asked for advice about an insurance problem he was experiencing, I of course wanted to help. For the first time in his company's history, Rich had accidentally damaged a customer's carpet. His agent at that time assured him over and over that his insurance would pay for the damage. While Rich waited for the company to settle the claim, Rich paid out of his own pocket to have the carpet replaced (because that's just the kind of businessman he is). But, as any good insurance agent might expect: the company denied the claim. They told him that insurance isn't meant to act as a warranty on a businessman's work and there isn't any significant coverage you can buy that would pay for that kind of accident!

Rich's agent gave him the runaround and kept encouraging him to contest it with the company. I had to break the bad news to Rich that in reality, the insurance company was absolutely right! The company would pay for pretty much ANY thing else BUT damage to a customer's carpet he was working directly on. However, because his agent was wrong and had given Rich erroneous counsel as a licensed professional, I pointed out that his agent should in fact, be responsible for paying the claim under the CA insurance laws!

I helped Rich write a demand letter to his agent. Within 30 days, the agent's employer paid Rich the full value of the claim! By thinking outside the box and not accepting no for an answer, I helped Rich get paid on a claim that the insurance company NEVER would have paid!

As you can imagine, Rich has entrusted me to handle all of his insurance. I even saved him money. Ultimately, it wasn't about how much money Rich paid in insurance premiums, what really made the difference was the insurance agent.

My name is Cameron Linder and I'd like the opportunity to prove to you that it's the agent that makes all the difference. As a broker representing multiple companies, I have the guts and the know-how to fight for your best interests.

Monacelli Avenges PBA50 Tour Loss to Williams

Continued from Page 1

In the Teen Masters Grand Championship that followed, Michael Coffey, 19, of Melbourne, Fla., defeated 18-year-old Kelly Skalacki of Corem, N.Y., 202-156, in a match that involved a long oil pattern on the left lane and a shorter application on the right. In addition, all Teen Masters players are limited to using one "old-school" plastic ball and/or one urethane ball, placing emphasis on player skill over technology.

Coffey, who is bowling for Lindenwood University in St. Louis, started with three strikes and had only one open frame – a missed 10 pin in the sixth frame. Skalacki, a member of the Webber International collegiate team in Lake Wales, Fla., struggled with the demanding environment and didn't strike until the eighth frame.

Both Teen Masters gender division winners were making their national television debuts.

"I was a lot less nervous than I thought I would be because I prepared really hard and this is something I want really badly," Coffey said. "It's like being around family; you're not nervous when you're around family and I feel like this is where I belong."

Is PBA competition part of his future plans? He answered emphatically, "Yes."

Parkin won match three easily, 266-202. Parkin, who represented the PBA West Region in the inaugural PBA Women's Regional finals, defeated PBA Southwest Region representative Clara Guerrero of Pflugerville, Texas. Parkin struck on nine of her first 10 shots, while back-to-back 4-6-7 splits in the seventh and eighth frames ended Guerrero's hopes.

"I was extremely excited when I heard about the PBA Women's Regional program," Parkin said, "so I jumped on the opportunity right away. I actually cancelled a big trip to Costa Rica in order to bowl one of the regionals, so this definitely made it worthwhile. It was really a great opportunity to be able to come to the World Series."

"On top of that, my focus was on making the TV show," she continued. "I practiced a lot getting ready and I bowled really well to make it to TV. That's the grandest stage of all, the reason we all bowl. Today, I came out remembering why we bowl – because we love our sport. I wanted to have fun and I did and the pins cooperated, so it all worked out."

Match four pitted 2012 PBA Rookie of the Year Josh Blanchard of Gilbert, Ariz., representing the PBA Northwest Region, against 2013 Rookie of the Year EJ Tackett of Huntington, Ind., represent-

ing the Central Region, in the PBA Regional Finals.

Blanchard took the lead with a spare followed by three strikes while Tackett struggled with pin carry in the early frames. Tackett made a ball change in the sixth frame and got lined up, but Blanchard was lined up as well, putting the match away with a late string of five strikes to win, 258-236.

"I had a good ball reaction the whole match," Blanchard said. "I used a ball I hadn't thrown until my last shot in practice. I struck with it and made all the right moves, so it made it easy to bowl. I knew (EJ) was going to bowl a good game and the other balls I used in practice, it seemed like I'd bowl a 210, 200, so I needed something different. After that one shot, I knew I was going to stick with it the whole match."

Blanchard also made it into the PBA Regional field by winning the final Northwest Region event of the season.

"I was supposed to go to (fellow PBA competitor) Andres Gomez's wedding, but I cancelled – and I ended up winning the regional to get into the field," he said.

While winning the Regional Finals wasn't the same as winning his first PBA Tour title, Blanchard feels like he's get-

ting closer to that goal.

"I've been out here for two years and I'm still working at it," he said. "I change my game every year trying to find the 'it' factor to get my first win. Usually when guys do that, they'll win two or three times, and keep moving along. I'm still waiting for that 'it' factor."

Closing the telecast, the four winners participated in a special one-shot, low-player-out Bonus Knockout Round. Parkin won the event with a strike in the third round to eliminate Blanchard, who left a 10 pin. Coffey was eliminated in the first round and Monacelli was knocked out in the second.

The World Bowling Tour Men's and Women's Finals presented by the PBA, the final event conducted during the GEICO PBA WSOB VI, will air Sunday, Jan. 25, on ESPN2 at 1 p.m. ET. The WBT event will be contested using an experimental "best frame" scoring system that is being tested by World Bowling. Finnish native Mika Koivuniemi of Hartland, Mich.; Sean Rash of Montgomery, Ill., and Jason Belmonte of Australia will bowl for the WBT Men's title. Kelly Kulick of Union, N.J.; Liz Johnson of Cheektowaga, N.Y., and Sandra Andersson of Sweden will compete in the WBT Women's final.

Welcome to the 2014 – 2015 Bowling Season

The Bowlers of California have proved yet again that **“WE ARE THE BEST”** when it comes to supporting our Veterans. From 1950 thru 2012-13, the California BVL Fund has donated a total of \$8,940,328.55 to our veterans. The 2013-2014 year’s efforts, totaling \$125,564.00 brings that total to \$9,065,892.55. The committee **Thanks** all of you on behalf of the Veterans of California.

As you know, these funds are used to purchase recreational equipment, field trips, coffee, and office equipment for use by the veterans, and to help with social events and special outings. The California BVL Fund was recognized by the National BVL Organization for making the largest donation by a State Association at the USBC Convention in Reno, Nevada this year. We know none of this would be possible without your continued dedication, resourcefulness, hard work and again, **We Thank You.**

Unfortunately, our Military is currently in conflict and we are again asking for your continued support and assistance in helping our veterans return to the way of life they left. We urge you to remember the BVL Creed, as follows:

“For the good things of life at hand for millions of us, thousands gave their lives. In our service and Veterans Administration Hospitals are other thousands who escaped death fighting with the same spirit for the same cause. Our debt to them is profound. The least they might expect is that all of us accomplish everything within our means to restore them to normal existences.”

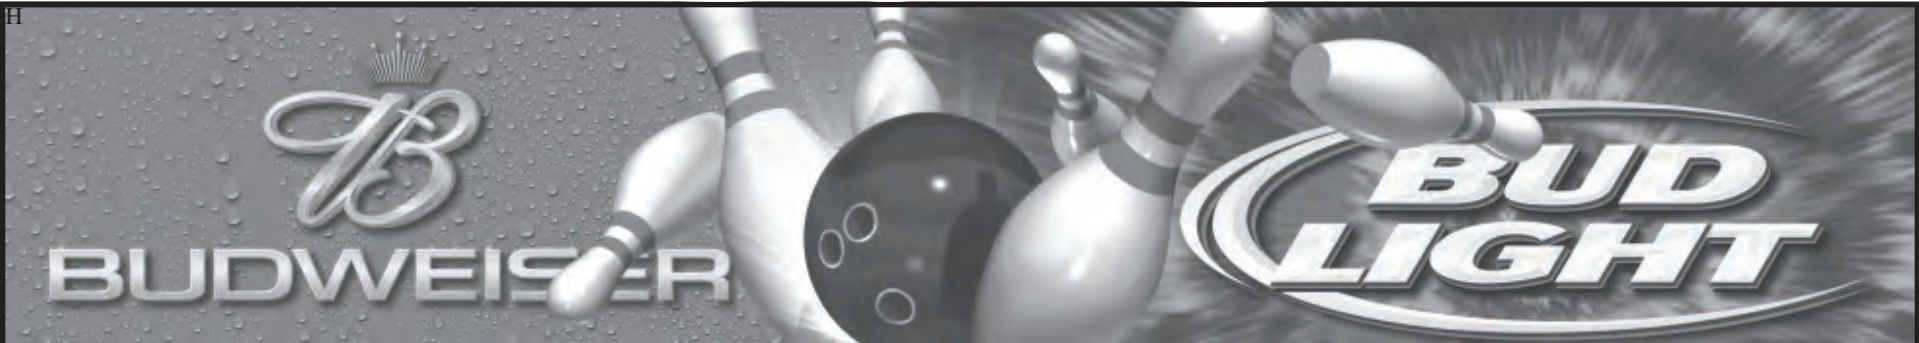

The bowlers of California have kept the promise made to our Veterans in 1950, “We won’t forget you”.

Awards will be presented to the local associations that donate the three highest amounts. Awards will also be presented to the associations who have donated \$2.00 or more per member. All of the Awards will be presented during the California USBC Annual Meeting in Ontario, June 14, 2015.

Association Managers, please make a copy of the packet for BVL Chairman and President.

- Youth bowlers in California will continue to be a part of the Fundraising as well as participating in the Championship Tournament event. All the information needed to include the Youth is in your packet.
- The California USBC Helen Duval Veterans Tournament will be held on: Saturday, March 21, 2015 at McHenry Bowl, 3700 McHenry Ave, Modesto, CA 95356.

Two Teams Remain For Third Round Title

by Randy Myers

DOWNEY — Erickson Foods had a chance to wrap up the Third Round and automatic seeding into the end of the year roll-offs, but came up short in Game 3, getting 3 splits in the 10th, and allowing Pino's Pizza to not only win that game by 11, but also Team Total by 39. With the 4-1 win, Pino's is now tied for the league lead at 23 wins, so these two will square off again next week for the title. Ramon Torres 245/694 led the winners, while Bobby Campagnale 255/620 & Brian Main 603 were tops for Erickson. The next match saw David Yamauchi shoot 243/650 to lead J.A.T. to a 3-2 win over SYSCO, but it wasn't enough to keep them in the hunt. Gabriel Martinez 257/669 continued his hot bowling this round, and he was helped by Paul Barraco 247/626. Linder Insurance rebounded nicely after last week, and swept past CASAMIGO'S Tequila 5-0. Kevin Valmonte 641 and Kurt Arakaki 619 were on for Linder, while Harry Wong managed to shoot 621 in a losing cause. Mason Sherman "Tank" rescinded his 2 week notice and then blasted his way to a nice 691 to lead his Forest Lanes team to a 4-1 win over Tifco Industries who were led by Gary Duran's 619. Keystone Lanes was able to extend their overall points lead a bit, as they defeated Power House Video Games 3-2. Arnold Cheesman paced Keystone with 633, while Eddie VanDaniker returned from Japan with a very nice 244/687 effort.

BOWLIUM relied up their anchor, Scott Poddig and he provided the strikes as he shot 650 to lead his team to a 4-1 win over Blizz Yogurt. However, the top honors went to his opponent, Greg Neuer, who shot the leagues high set of the night, 704 as he finished strong 248 – 269, but only managed the 1 team win. Los Altos Trophies continued to move up the standings, as they won 4-1 over Alhambra Coin Center. Buddy Lucas 259/650 and PJ Yarns 595 provided the punch for Los Altos, while Alhambra's Doug Kempt shot 626.

Team DV8 got sixes from 3 of 4 bowlers as they shot the league's high team series in winning 4-1 over Herzog Insurance. Ashkan Tahvildaran 256/624, Jeff Carr 614, Sam Hitchcock 242/611 broke the 600 barrier for DV8, as did Justin Ziegler with 640 and Mikey Villareal 256/604 for Herzog. Threadworks sewed up a 5-0 sweep over American Harvest Vodka as Paul Varela 656 and Butch Jackson 644 provided the 1-2 punch. Miguel Garcia with 259/619 was high for American Harvest. The Professional Approach overcame a horrible Game 1 start, and went on to win 4-1 over Cook's Bowling Supply. Billy Myers Jr. 268/639 provided the big gun for his Approach team, while Cook's was led by Matt "Big B" Schermerhorn's 571. The final match saw GJC Services struggle once again on this pattern, as only Juan Zavala was able to break 500, with a 547. GJC lost all five and remain in the bottom spot.

Sidepot winners were Game 1 Gabriel Martinez 259 Game 2 Bobby Campagnale 255 and 3rd Game Super Pot went to Mikey Villareal 259. Mikey would like to thank Greg Neuer and his former boss Billy for not getting in!! The Financial Advisor's 2nd game pot went to Miguel Garcia 259 (\$240) besting the 255 bowled by Bobby Campagnale by 4 pins. The True Anchor Award was again close as 13 bowlers failed to crack 500. Mike Cammarata once again escapes, as his 452 (tying Vernon Adams!?!?) was only 2nd, the True Anchor King returned to his throne, Derek Remijio 437.

Six weeks are in, one week and two teams remain. Will it be Erickson Foods bouncing back to slice up Pino's Pizza, or will Pino's have the right ingredients for the perfect pie that breaks the tie! We shall see... should be a great match and lots of exciting action with so much on the line. Come down and watch it unfold live at Del Rio in Downey, this Monday at 8pm. Who knows, I may even show up! Have a blessed week everyone!!
