USBC SCHOLARSHIP APPLICATION DEADLINES APPROACHING

Almost \$40,000 to be awarded in three national scholarship competitions

GREENDALE, Wis. - Three national scholarship opportunities are available for United States Bowling Congress members this spring, offering a total of \$39,500 in awards.

"One of the best advantages to being a young USBC bowler, besides tournament opportunities, is the ability to apply for some serious scholarship money to pay for college," said Brian Graham, USBC's director of youth development. "USBC offers several scholarship opportunities throughout the year, providing thousands of dollars in awards to bowlers in high school and in college."

Students should act now - April 1 is the application deadline for USBC's Gift For Life Scholarships and Annual Zeb Scholarship competitions. Up to 12 Gift For Life Scholarships of \$1,000 each will be awarded to USBC Youth members who are high school students and demonstrate financial need. Two of these awards are reserved for a son and a daughter of fire department, emergency rescue or police personnel.

"USBC's annual Gift For Life Scholarships competition began in 2002 in honor of the Sept. 11th heroes who risked their lives to save others," Graham said. "Since the Gift For Life awards are based purely on financial need, bowlers who are freshmen, sophomores, juniors or seniors in high school can apply each year they are eligible, even if they have already won a Gift For Life Scholarship in a previous year."

The Annual Zeb Scholarship - a \$2,500 award - recognizes a USBC Youth member who is a high school junior or senior, achieves academic success and gives back to his or her community through service. The award also includes an expense-paid trip for the winner and a parent or guardian to attend the awards ceremony held in conjunction with the USBC Junior Gold Championships this July in suburban Detroit. "Since the Annual Zeb Scholarship is named for Jim Zebehazy, who was executive director of USBC's predecessor youth organization during the launch and rapid growth of the Junior Gold program, it's fitting that the Annual Zeb Scholarship is presented at the championships," Graham said.

High school seniors and college students have until May 1 to apply for USBC's Earl Anthony Memorial Scholarships, a competition which recognizes five USBC members for their community involvement and academic achievements. Financial need also is considered. These awards are \$5,000 each. "Earl Anthony did so much to encourage youth bowlers during his professional bowling career and in his later years," Graham said. "These awards are provided in his memory to uphold the ideals that Earl held dear: good citizenship, fair play and dedicated action to achieve goals."

Application forms for these and other USBC scholarship opportunities may be downloaded from bowl.com (follow the "Youth" and "Scholarships" links). Paper copies of the applications also may be requested by phoning USBC's SMART Scholarship department at (800) 514-BOWL, ext. 3168.

DOWNEY—David Hui Hui is our new champion at Del Rio Lanes as he out strikes his fellow competitors. Seem like a lot of people where very happy with the lane condition as they where stringing strikes.

David from Santa Clarita was happy he came out to compete as he felt that his day was coming to earn a SCABA title. Runner up was Sam Seng from Lakewood as he fell just 30 pins shy of first place..+189. 3rd was Jeff Garrison who made a early trip home from vegas so he could compete at +181. 4th William Jackson Jr +178 is enjoying what he can as he just turned adult to compete for higher payouts. 5th place Paul Varela +173 keeps putting up those good scores so he could stay in the top five. Low to cash was +146 here at Del Rio.

Please stay tuned for our next tournament in march. As for scratch it will be at Cal bowl on the Feb. 23.

Barnes Bounces Back

Chris Barnes took over the lead in the 2007-08 PBA Player of the Year race.

EL PASO, TX —Many people predicted after his latest disappointment in a title match that Chris Barnes would break out of his slump in a big way. They were right.

Just two weeks after one of the biggest mistakes of his career, Barnes responded with his ninth career Denny's PBA Tour title, defeating Tommy Jones, 241-158, to win the 2008 Bayer Classic at Oasis Lanes. The victory also gave Barnes the lead in the 2007-08 PBA Player of the Year race.

Barnes has struggled throughout his entire career in televised championship rounds despite appearing in the finals more times than any bowler on the Tour since 2000. This season has been no different as he came up empty in seven championship round appearances coming into this week, the biggest heartbreak coming in the H&R Block Tournament of Champions two weeks ago. Against Michael Haugen Jr., Barnes lost a 52-pin lead late in the match and missed a single-pin conversion which cost him his third career Major title.

The 37-year-old bounced back by making his fourth consecutive championship round and Tour-leading eighth of the season.

"Getting away from all the drama was the most important thing. You can make a lot of what you see in 20 minutes on TV and forget about the 15 hours during the week it took to get there," Barnes (Double Oak, Texas) said. "It was important to concentrate on that. The mistake I've made a lot has been losing focus for a couple frames here and there

and that cost me. I did lose my focus a couple times today but fortunately I got it together and made some good shots."

Barnes knocked off his Tour roommate, Mika Koivuniemi, 240-198, in the semifinals in a rematch of last year's title match at Oasis Lanes. He then took on Jones who is Barnes' polar opposite on television. Jones came in with a Tour-record .811 winning percentage in his career on TV (30-7) and an 11-2 record in title matches compared to Barnes' 8-18 record when a title is on the line.

In the title match Sunday, Barnes jumped out to an early lead with strikes in the first three frames while Jones had two spares and an open in the first four frames. Jones started to climb back in the match after Barnes had three consecutive spares in the fourth, fifth and sixth frames, but after Jones doubled he left the 2-8-10 split and opened.

Playing the outside part of the lane compared to the other finalists who played inside, Barnes struck in the seventh, eighth and ninth to clinch the victory.

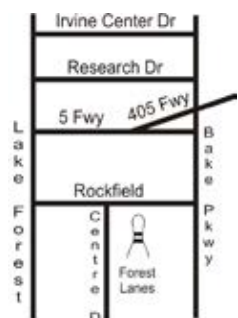

"Tommy doesn't give a lot of people second chances and fortunately for me today he did," Barnes said. "I looked at playing the lanes inside because typically I like to play where everyone else is playing and try to beat them shot-for-shot. Friday night I moved outside the last game and I felt good there so it was in the back of my mind."

With his first win of the season coupled with two sec-

LAS VEGAS TRAVEL LEAGUE
By Alice Meglemre

NORWALK—Keystone Lanes hosted the league Monday and it was a good day for the Cerritos Lanes #2 team, bowling against Westminster #3. They had a three game sweep against opponents and claimed league leadership with 44.2 wins. Westminster #3 is now runnerup at 44 followed by Westminster #1, 43; Bowling News, 42.2 and Keystone #1, 39. Five other teams are in the 30 win column and the rest in the 20's..

Patti Givechin led the honor roll with 222-567, followed by Gladcyce Perrin 201-561, Darlene Waken 518, Jean Morby 204-517, Carolyn Anderson 212-212-512, Alta Duke 505, Nancy Soto 504 and Betty Phillips 501.

Jan Jones had to call several names to try for the over \$100 strike pot and Aresia McGee, finally answered the call with a solid strike. A new strike pot starts next week.

We are happy to report Lu Colussi is ok after a recent heart problem sidelined her bowling. However, she will still be absent the next two weeks to travel to Canada for her mother's 100th birthday.

Among visitors Monday was former longtime member Tracy Koolmees and Wanda Weaver was back to root for her team. Carol Mancini, Del Rio sponsor and Bowling News editor, was on deck to see Marge Miyoda, whom was subbing for Weaver, her teams and other friends that bowl in the league.

NEXT WEEK: 10 A.M. Monday February 18 at Cal Bowl.

Inland Empire NABI Champion Jerry Fagan

LAKE ELSINORE—We want to thank Trevi Zone for hosting our tournament this past Sat. We want to especially thank Don Veicy, the manager, for all his help & to his team, Adam Williams & Lauren Hazlett, for a terrific tournament Everyone, come out to Trevi Zone in Lake Elsinore! You will not be disappointed.

Jerry Fagan certainly was not disappointed. He won \$500, a champion jacket, & the Ebonite NVS ball. Jerry is already entered into the Tournament of Champion for July 2008 at the Orleans in Las Vegas, for this is his 2nd win. Jerry won with his old standby, his 20 year old Columbia Ticor, drilled at the Sams Town Pro Shop in Las Vegas. Jerry is such a personable guy & is really just happy to bowl & compete.

Winning the tournament does not hurt, of course. He is now retired, but did own a furniture store at one time. Jerry wants to dedicate this win to his wife, Laverna, of 36 years who is his rock and his valentine. He likes to golf, besides bowling & plays baseball (pitcher of course). He has been a NABI member for 6 months.

His highest game bowled was at this tournament, a 275 scratch. Everyone, get your games in for the upcoming Nationals. We are getting ready to form our teams for the Team Event, which is always very exciting. Our stepladder began with:

Monty Mock bowling Lauren Hazlett. Monty bowled a 171 to Lauren's 259. Lauren, then bowled Adam Williams. Adam bowled a 208 to Lauren's 238. Lauren then met Jerry Fagan. Lauren bowled a 210 to Jerry's 239. Jerry then bowled the high qualifier, Mike Rasmussen. Mike bowled a 244 to Jerry's 263 for Jerry to win the tournament. Our \$50 sidepot winners were:

Mike Rasmussen, James Doolen, Monty Mock, Michael Gray, Jeff Welker, Adam Williams, Jerry Fagan, Rob Kasprzyk & Todd Wolsten Our next tournament will be at the beautiful Arlington Lanes in Riverside on Sat., Feb. 16. See our ad in this week's Bowling News! See ya there!

Inland Empire NABI (L-R) Laverna Fagan - Jerry's Wife, Guy Clear - Director, Jerry Fagan - Champion, Adam Williams - 4th place, Lauren Hazlett - 3rd place & Mike Rasmussen - 2nd.

\$10,000 GUARANTEED IN PCDBA/PCDWBA TOURNAMENT THIS MAY

ONTARIO—Riverside Silent Bowlers will host the 67th annual Pacific Coast Deaf Bowling Association and 61st annual Pacific Coast Deaf Women Bowling Association tournaments with a \$10,000 total prize fund this coming Memorial Day weekend. PCDBA secretary Treasurer Ira Krauss, Moreno Valley who mailed out the entry forms, said the men and women's tournaments will be bowled side by side in one house, Brunswick Deer Park Lanes in Rancho Cucamonga, which is few miles from Ontario Airport.

The RSB host chairman, Howard Sultan stated that Ontario Airport Marriott hotel will be the headquarters for May 22, 23, 24 & 25, 2008 and for you to make your reservations early for the PCDBA special group rate. Also that there are many restaurants from the bowl to the hotel.

PCDBA President Ed Abakumoff reminds the men bowlers that there were rule changes made last year at Denver. The changes are (1) 4 men team tournament instead of its traditional 5 men, (2) CODA, hearing spouses and interpreters, all fluent in American Sign Language will be allowed to compete and (3) must pick one of either Masters or Senior Masters to enter.

Those who did not get entry forms, can contact Ira Krauss at 951-787-0927 TDD or get it from website, pcdba.org. Women can contact PCDWBA secretary-treasurer Elizabeth Grigsby at 925-443-1363 or email: egrig21@yahoo.com.

STOGRYN AT THIS YEAR'S BEST 276-930 IN DEAF TRAVEL AT CAL BOWL

LAKEWOOD—Darrell Stogryn was at his best this year with a seven in row 276 start and finished with 198-246-210 for 930 on So. Calif. Deaf Traveling League's stop at his home lanes in Cal Bowl. Stogryn, who bowls on Tuesday and Thursday in Ca; Bowl leagues, hit light on his 8th toss leaving 3 pins standing, spared struck 4 more and left a 10 pin on his last ball. He led only three other bowlers on the honor roll while others had no success on the dry lanes

Stogryn's teammate Robert Audette helped with 199-195-158-213 for 766 as their El Camino Village beat S F Valley 16-9. Bob Jones had 210-189-203-163/763 for Valley. In other low scoring match which only one of the bowlers (Andy Lorenzo 201) made the honor roll, Los Angeles managed to beat Lorenzo's league leading Riverside 19-7 and took over first place by one pin. Riverside was hurt by the absence of league President Ed Abakumoff who had a prior commitment. His sub. Pable Yoma struggled with the dry condition.

The league thanks Gary and his Cal Bowl staff for hosting and hope that the lanes will be well conditioned for the coming week-end's deaf tournament.

Big Crowd At O.C. Bowling Council Meet

by Frank Kietz

FOUNTAIN VALLEY — An eager constructive group attended the February meeting of the Orange County Bowling Council held here at Fountain Bowl. The big noon-time gathering chaired by Gary Forman and Dave Osborn went through a five-point agenda starting off with guests Melissa Ade and Linda Johnson of the Cal-State Women's Association who reported on their 2009 tournament site tour.

Secretary Cheryl Huntington took the roll, minutes and kept the meeting interesting.

"It ain't easy to get multi-weekend tournament sites." "And, not easy to get competitive bowlers, even for four-player teams."

An interesting observation from center reps. They had a dream, "Hope For Rain". They all had full centers during our "rainy" season.

The "USBC Registered Volunteer Program" received major attention hoping for answers: Committee chairpersons, duties, responsibilities, all agreed we need clean houses; other sport organizations are doing it.

USBC playing rules, one award program (changes), dues and membership promotion programs got attention and questions.

O.C. Bowling Trailer captain Bill Huntington reported the County's promotional bowling lane is being renovated; will be land-worthy and ready for action introducing the public to ten-pin bowling.

For more information regarding any of the above topics, call the secretary at 714-554-0111.

The next meeting will be held Thursday, March 13th here at Fountain Bowl at noon.

WESTMINSTER—Jeff Juckett won his first Amateur Bowlers Tour (ABT) championship at Westminster Lanes on Saturday, February 9, 2008 during our one day with finals tournament. After the semi-finals, we cut to the top five. The top five finalists included Jeff Juckett, Bob Marshall, Joan Jordan, Garrett Kakishita and Paul Passarino.

Finalists seeded in second through fifth then drew for lanes. At the end of the first matches, Bob Marshall and Joan Jordan remained. They bowled against each other to see who would go against high qualifier, Jeff Juckett. Bob won the match against Joan 241 to 213 with handicap. In the final match, Jeff started the match with two spares and a strike before opening in the fourth frame. Bob started with a strike and spare before opening in his third frame. Jeff continued marking until the ninth frame while Bob opened in the sixth and tenth frames. Final score of the match was 214 to 203.

Jeff Juckett has been bowling for over 30 years, and about six years with the ABT. Jeff was using an Awesome Hook drilled by Jim at the pro shop at AMF El Dorado. Jeff bowls in leagues at AMF El Dorado and Gable House. Jeff has a high game of 279 and 692 series to his credit. Jeff wanted to thank his dad, Gene, for helping him with his game. Jeff also wanted to thank Westminster Lanes for hosting the tournament and the ABT Directors and Staff for running an outstanding tournament. Jeff plans on using part of his winnings for the Spring Nationals at Sam's Town in April.

Jan Fishburn was the winner of the optional Scratch Sweeper and \$145 with a 663 scratch series. Josh Montgomery of Costa Mesa came in second for \$80 with a scratch series of 621 and Mike Malinick of Garden Grove came in third shooting a 615 scratch series.

The ABT staff and membership would like to thank the management and staff at Westminster Lanes for hosting our tournament. NOTE: SCHEDULE CHANGE: Our next scheduled event will be February 16, 2008 at AMF Carter Lanes. This will be a 4-game beat the board tournament with squad at 2, 4 and 6PM. The entry fee for this tournament is \$55. This will be a Classic and Masters Combined Singles tournament. First place with 100 entries will be \$1000. First place with 100 entries and full progressive will be \$1900. We look forward to seeing you at Carter Lanes!

ABT Orange County (L-R) Champion, Jeff Juckett, ABT Director Ernie Rahm and runner up Bob Marshall.

SAN GABRIEL VALLEY USBC ASSOCIATION

by A. A. Turtle - February 12, 2008

Lets start this week with thanking the 42 bowlers who came out to BRC Covina Bowl this past Sunday and help raise money in the Bowl for the Cure tournament. The winners will be on our web site by the beginning of next week. Our next event coming up is the final collecting and award presentation for the BVL where we hope to hit our goal \$10,000.00.

The BVL Luncheon will be on Sunday February 17, 2008 at BRC West Covina cost is \$20.00 at 2:00 pm which \$5.00 will go BVL and we will also be doing a cent raffle. The way this works is you pick a piece of paper that ranges from \$0.00 to \$3.00 and that is how much you pay for a ticket and you can get as many tickets as you like.

If you are interested in helping us meet our goal please call the office 626-859-6216 by 2 pm Saturday 2/16/08 so that we can have a count of how many meals will need to be made.

The deadline has come for City Tournament will open on Saturday, February 23, 2008. The 1st squad being the adults at 11:00 am. If you did not sign up this year please take a moment of your time either 2/23/08, 2/24/08, 3/1/08 or 3/2/08 between 11 am and 4 pm come down to BRC West Covina Lanes and see the improvements your San Gabriel Valley USBC board is doing to improve the City Tournaments and other things.

We have done two things this year in hopes to help, One was, we went out and did a chance to win a free team event entry. We gave away 5 free entries. The other thing is asking businesses to help support and improve the prize fund with donations. We raised an extra \$500.00 to be spread out between the men, women and youth. You can go on our web site and see which businesses in the San Gabriel Valley USBC that are supporting you the bowlers.

After City is done then we will be hosting the 2nd Annual Singles Tournament qualifying on Saturday March 8, 2008 being held at BRC Covina Bowl. There is the Queens Scratch for adult females all averages, Masters Scratch for adult male all averages, then the Princess HDCP adult females 175 and under, the Masters HDCP adult male 195 and under.

The Youth will be taking their singles scratch from the city tournament and moving it with the adults trying a new approach and hopes to get more bowlers. They will have 3 divisions for both boys and girls, Kings & Queens all averages, Prince & Princess 121 to 149 average and the Duke & Duchess 120 & below. These tournaments are open to all USBC card holders. Flyers are available at the centers, in the office and online. We are hoping to start a new era of bowling back into the San Gabriel Valley so mark your calendars and bring on your talent and show off on Saturday March 8, 2008.

We are providing the tournaments you the bowlers are asking of us but, we still don't have the support or turnout why? Well some say it's the center we hold it at, others say the prize fund and others is it's always at the same centers. Well those that say the prize fund is too low, if you don't come out and show your support and bring a friend or two NO it will never grow. Those that complain it's always at the same center they are the only centers willing to host the event/tournament. Those who complain that you don't like the lanes or it's too far to drive.

Well, we have 10 centers in our association we do our best to try and get each center to participate unfortunately most of them rather have open play and parties than help the association with a tournament. Those few that in the past who have helped by hosting a tournament AMF Bahama Lanes, AMF Friendly Hills and AMF Bowling Square you the bowlers complained it was to far to drive or don't like the lanes so we don't get a good turn out.

If you want a tournament at your house then you need to speak up and talk with the manager and/or owner telling them you want

to see tournaments and be willing to bowl in them.

The board can only do so much we can not tell the centers how to run their business but, if you as a supporter of their business let them know how you feel and what you would like to see then maybe between the bowlers, the association and the centers we can all become a team as the way it should be and help each other out rather then competing against each other.

Our Open Meeting is set for April 6, 2008 another big day for you the bowlers to come and vote for those you want to represent you on the board along with voicing your concerns and complaints. We have openings on both the main board and the youth committee.

If you have a couple of hours a week, a weekend or two, interested in building the sport of bowling, like to volunteer and willing to help then turn in a nomination form to be elected on the board. We are looking for dedicated bowlers present and past to come out and help. If you just want to help when it fits in your schedule you can do that without being on the board just call the office and see if anything is going on or needs to be done. REMEMBER YOU DON'T HAVE TO BE ON THE BOARD TO HELP OUT! WE ALWAYS NEED VOLUNTEERS.

To be a board or youth committee member you will need to be able to do the following:

Not participate in non-certified leagues, attend regular board meetings, committee meetings, help present high recognition awards, work and/or bowl tournaments, help 2 to 3 nights during BVL collection time, visit your assigned center monthly, work city tournament, help promote bowling and certifying leagues, deliver supplies, call the office weekly and help with fundraising. If this sounds like something up your alley then get that nomination form in ASAP. Until the next time lets keep bowling and having fun. Learn more about the association by going on our website: SanGabrielValleyUSBC.com.

STUDIO CITY

STUDIO CITY — We all missed Groundhog’s Day this year. It is such a national holiday that we forget; well wake up. Punxsutawney Phil fans say that there is only one Phil and that he has made weather prognostications for 122 years. This also assuming that normal wood chucks live for 10 years, yet Phil is the yoda of ground squirrels. “More winter it is, cold weather say will be I do.”

PINZ ADULTS

Sorry Valentine’s we are supplementing our usual rap about the cupid holiday with Phil commentary; not the Dr. but the marmot. The Club President of groundhog day does speak “groundhogese”, if you want to learn this language please visit www.lampsyhotic.com.If not then take a look at your shadow of scores:

Tavern Guild: Rick Kondo 235/639, John Cisneroz 602, Tina Hackett 257/599, Ben Brees 225, Scott Shives 225.

Twilighters: Kelly Perdue 674, Scott Brutz 243/644, Mark Spiwak 256/614, Arnel Adordionice 246/611, Phil Cody 604, Denise Maiman 184/506, Dan Coffelt 268, Peter Berger 240.

Kings and Queens: Kevin Collins 257/655, Brett Himmel 233/646, Gary Beiger 259/615, Donald Osborne 608, Dana Lytle 246, John Harnois 233, Jon Schell 233.

Funseekers: Chuck Alexander 672, Doc McCoy 257/669, Dane Price 244/668, Isabelle Vincent 216/571, Charity Wiley 208/549, Lynda Palau 502, Jeff Pifko 254.

S.C.B.L.: Tony Laanan 278/709, Neil Inman 246/703, Scott Spande 243/677, Dave Yamamoto 648, Larry Day 244/641, Walt Bost 247.

PINZ JUNIORS

Maybe you have a special somebody but our attention should be paid to the most important February reciprocated; Phil. He not only tells you if a coat is necessary for 6 more weeks, but he does it with so much love. Mr. Punxsutawney will be mine; or at least consider these scores:

Adult Junior Doubles: Youth—Nikolai Berk 256, Andre Stojka Jr. 682. Adult—Tina Hackett 226/571, Brad Lander 201/552.

Senior Scratch: Nikolai Berk 881, Nathan Honda 245/847, Jamie Spector 246/837, Adam Lander 235/828, Treven Goldsmith 817, Natalie Kato 240, Brittan Halpern 234.

Senior Galaxies: Billy Lander 222/529, Stirling McCulloch 165/471, Mario Vargas 159/408, Noah Lander 149/386, Brian Ingoldsby 137/363.

Junior Stars: Nicole Martinez 121/285, Nicholas Martinez 94/261.

Pee Wees: Kayla Arriaga 91/165, Samantha Vargas 95/163, Jeffery Lim 81/142, Brandon Beck 63/122.

PINZ SENIORS/LADIES

You may remember Spanish Joe, Dunkirk Dave, or even Holtsville Hal, but these imposters are pure shams compared to Phil. But in our leagues we have a credible witness that winter will continue. Mr. Gas says that the scores could not be any better unless the winter season was winding down. Well thank you Gas and here are the scores:

Happy Timers: Ken Burkenheim 203/532, Sam Marion 205/516, Cynthia Burkenheim 181/447, Ruth Swick 158/428, Gary Olsen 203.

Joslyn Seniors: Bob Garrick 244/630, Gary Olsen 218/594, Teri Bonato 193/532, Marge Snyder 451, Joyce Rabinowitz 161.

Bowler of the Week: This week we do not offer up a wood chuck but a sweet, sweet valentine, Arleen Wiener. She bowled a 220 game during **Coffee and Donuts**. This wonderful lady did not need a card or a sign from a woodland animal to bowl such a great game. It was just her natural vigor and poise. Great bowling. Hope winter keeps up so you can keep getting strikes.

Sweetness Quote of the Week: This week’s quote is translated from goundhogese, “GRTFGV GD\$REDR LK TE :IEUD\$ optlro.” Which means, “Keep bowling at Pinz.”

Junior Bowlers Tour

Saturday JBT Champions Devin Bidwell and Jeremy Davis

Devin Bidwell and Jeremy Davis captured Junior Bowlers Tour titles in exciting Southern California Conference action on Saturday, February 2nd, at Indio's Fantasy Lanes.

The PBA Shark pattern really challenged the field, as it took only a 170 average to qualify for the semifinals. The semis used our low-man-out Survivor format, adding extra pressure on everyone, since they could be eliminated in any game, no matter how high they qualified.

This format can often be brutal on top seeds, but Bidwell had the answer all day long in the scratch division, leading the 5-game qualifier at +121. The 21 semifinalists were eventually whittled to four, and in those semifinal matches Bidwell defeated Joey Chu, who nonetheless enjoyed his high finish in a JBT event, and Forrest Holland beat Bear Wiltfang, to set up the title match.

Devin and Forrest are two of the best JBT bowlers without a JBT singles title, though Devin has a doubles title. That anomaly had to change for one of them, and Bidwell's opening five-bagger left no doubt as to who it would be, as he rolled the high game of the tournament en route to a 253-162 win over Holland for the title. A good day in brackets and an extra \$100 from Ebonite for using their brand new Complete NV ball resulted in a big \$465 scholarship payday for the talented rightly.

San Diego's Kirk Chui led the handicap division qualifier, and survived as 21 semifinalists were whittled to eight before losing in that round. In the round of four, Jeremy Davis edged Wesley Low 202-197, while newcomer John Wright got past veteran Drew Stern 234-187, setting up the finale.

In the title match, Wright struggled early, allowing Davis the space he needed to claim his first JBT title with a 221-188 victory.

Big thanks to Mr. Doug Schmidt and everyone at Fantasy for another great job hosting us. Over \$2,000 in scholarships were awarded to bowlers of all ages and averages.

The following day, Matt Cormack and Michael Unger captured JBT titles at Morongo Casino's Canyon Lanes.

No 300 game has yet been bowled at the spectacular new center, and lots of bowlers had a crack to be the first, with Cormack's 299 opening effort proving to be the closest call. After briefly losing the lead, he ended up qualifying first for the stepladder finals.

The scratch finals opened with Matt Jones squeaking by Arizona's Kyle King 203-180. 26-time winner BJ Baker then defeated Jones 227-201, then followed with a 259-198 walloping of Jeff Spiesman to get to top seed Cormack.

Matt won his first JBT title on Feb. 4, 2007, and is now 2-for-2 on that date, as a ninth frame Greek Church from Baker gave Matt the edge for a 223-206 win and his 4th career JBT title.

On Super Sunday, no adjective was better to describe Unger, who after a string of forgettable JBT results, destroyed the field en route to the top seed. His 5-game qualifying score (+288) and his 330 game with handicap were both the 5th best efforts ever in our 500+ event history.

Four other handicappers fought it out for the right to dethrone Unger, beginning with Chris Tucker, who opened the stepladder finals with a 203-180 win over Drew Stern. Tucker then snuck by Kyle Frederick 204-198, before red-hot Eddie Sayles beat Tucker 244-221, to reach the title match.

No opponent could have been scarier for Unger than Sayles, who has already won three times in So Cal this year. However, Eddie's carry suddenly disappeared, as he left a solid-8, solid-9, solid-10, and two 7 pins in the title match, while Unger kept on doing what got him to the top seed, giving Michael a 229-203 win and his first career JBT title.

Big thanks to Mr. Randy Johnson and everyone at Canyon for a great job hosting our Tour- if you haven't seen this beautiful new center yet, please check it out soon! Over \$1,900 in scholarships were awarded to bowlers of all ages and averages. Want in on the fun? Come on down to the next JBT event, it's as simple as that! Approximately \$300,000 is expected to be awarded this season alone, and much more information can be found at the best website in junior bowling, www.bowljbt.com.

JAT Farm Club

by David Gordon

WINNETKA – Here we are once again, ready to review the JAT Farm Club's most recent tournament. This past Sunday 35 bowlers took part in the event, held at Canoga Park Bowl. This was a very good turnout and add in support to junior bowling by Canoga – gave us one of our highest scholarship payouts to date. And if that wasn't enough, we had with some exciting (possibly record setting) action all the way to the end.

The scoring was a mixture of up and downs and it took awhile for the bowlers to adjust. Leading the way in qualifying was Justin Foster with 236-220-233-234 and a plus 78 after five games. Wesley Low gave us the tournament high game with a 268 which came right after his 229. Good bowling gentlemen. More qualifying highs came in from Darren Pascual 245, Brian Le 243, Virgil Hilvano 241, Esteban Llamas 223-236, Mark Myers 226, Melissa Pena 226, Keyon Lemus 225, and Patrick Smith 224-223. The cut at the 16th spot for advancement to match play came in minus 107.

Things slowed down a bit in match play. Highs this round came in from Teddie Carter 238, Low 224-236, Lemus 224-236, Jerome Jordan 231, Frank Pacheco 228, Smith 227, and Max Slevcove 221. Noteworthy jumps in match play was from Carter with seven positions only to wind up as alternate and Jordan going eight positions from his 10th spot beginning.

The finals then started off with the 5th seed Smith (+67) taking on 4th seed Lemus (+75) with Lemus taking the match 248-138. Next it was 3rd seed Low (+103) getting by Lemus 183-172. The next match was a little bit easier as Low continued his march against 2nd seed Jordan (+115) 180-149. Now up against the top seed Foster (+166) destiny played its hand. In the best of three games, Low took the first match 208-194. Then Low proceeded to crank it up a notch to the tune of a 215-178 victory for his first title. Unofficially (it'll take some time to verify decades worth of records) Wesley Low (age 10) becomes the youngest title-holder in any division

of the JAT. Congratulations Wesley.

Bowlers our next tournament will be at AMF Carter Lanes on February 24th. Based on today's results, you can see that everyone has a chance for a title. Get in your practice and rest as Carter can be a high scoring house. Let's get everyone out here for our biggest Farm Club tournament yet. I'll see you in a few.

SED Jr. Travel

by David Gordon

MONTEBELLO – Hello once again from SED Jr. Travel corporate offices. This past Saturday we posted scores at AMF Beverly Lanes. It seems the bowlers had high expectations of scores that did not become a reality. We'll have to work on that.

Eric Milne gave us our high series on the day going 224-242/831 and bettering his average. Eric was joined by Max Slevcove with 252-218/819 for the only two 800 series. Very good bowling you two. Other reportable scoring came in from Bryan Osborne 223-217/795, J.D. Pelow 200/764, Mark Curtis 757, Michael Gaylor 222/739, Kim Ferdnance 728, and Marty McDonald 204.

We also had an opportunity to get in some make-ups as long as we didn't mind the Cosmic setting that Beverly had scheduled. Here is a good lesson to you higher average bowlers. Your game is at the level that instinct plays a big part of your game. Turn off the lights and you "feel" your mark, approach and delivery. We had three such bowlers doing make-ups (no lights, loud music, video screen and kids all over), who posted well above their averages, based on instinct.

This coming Saturday, the group will be at AMF Bowl-O-Drome in Torrance. This is the center that is located at 21915 S. Western Ave. If you need directions call the center at 310-328-3700 or contact me.

Also remember that most of you will be bowling on Sunday – February 17th as well, in the NLAC City Tournament. The Singles/Doubles event will be held at AMF Midtown Lanes and check-in for your squad is 11:15, preferably in a respectable uniform. Have a good week and I'll see you this weekend.
