## Eight is Great

NORTH BRUNSWICK, NJ—Tommy Jones leaped to the front of the line in the race for the 2006 PBA Player of the Year award after winning his first career Major event, the 63rd U.S. Open Sunday at Brunswick Zone Carolier.

Jones, who leads the Tour with four victories this season, defeated top-seeded Ryan Shafer in the title match, 237-223, clinching the \$100,000 top prize and securing a spot on the Denny's PBA Tour through the 2008-09 season.

"You go out and do your best at every tournament. You want to have the chance to win. That's what you bowl for," said Jones, the No. 2 seed who converted a 4-pin in the 10th frame to capture his eighth Tour win over the last two seasons.

Shafer, who finished 2nd in a Major for the third time in his career, applied pressure late by striking in frames 7-9, but it wasn't enough.

Jones, who used an Ebonite "The One" strike ball, dispatched of Michael Fagan, the No. 4 seed searching for his first career title, in the semifinal, 231-226. Jones struck in frames 6-9 to help seal the win after opening on a 1-2-4-10 split in the 5th.

In the first stepladder match, Fagan defeated Robert Smith, looking for his second career U.S. Open title, 216-214. Fagan converted the 6-7-10 split to start the 10th then followed with an eight count. Smith, a six-time Tour title winner, needed to strike to start his 10th, but instead left the 3-6-10.

Shafer earned \$50,000 for his 2nd place finish while Fagan (Greenlawn, N.Y.) earned \$25,000 for 3rd. Smith (Thousand Oaks, Calif.) took home \$15,000 for 4th.

The Denny's PBA Tour heads to Cheektowaga, N.Y., for the 2006 GEICO Classic, Feb. 22-26 at AMF Thruway Lanes. The live ESPN finals take place Sunday, Feb. 26 at 12:30 p.m. EST, with the winner taking home the \$40,000 top prize and a exemption for the 2006-07 Tour season.

**Notes:** Jones is the first bowler to win the U.S. Open as anything other than the top seed

**Tommy Jones**

since Dave Husted won the 1996 U.S. Open as the No. 3 seed.

With the win, Jones completed the first part of "The Jackson Hewitt \$1,000,000 Challenge." If he can win the 2006 Denny's World Championship and the 2006 Dexter Tournament of Champions, he will take home an additional \$1,000,000 in prize money.

## Davidson Continues Winning Ways in 2006!

by Lori Yamasaki

CAMARILLO—Dede Davidson had quite a weekend at Harley's Camarillo Bowl! Celebrating the Western Women Professional Bowlers opening event for 2006, The 2nd Annual Harley's Camarillo Bowl WWPB Open was another one to remember. Not only did Dede capture her 19th WWPB title, she was also crowned our 2005 Bowler of the Year!

Saturday's qualifying saw one spectacular game after another. Michelle Silver and Tammy Sibley shot perfect 300 games, with Michelle on her way to a tremendous day averaging over 250 for the 10 qualifying games. "Having come from bowling and to present such a great display of bowling is truly a pleasure not only for me but for all of our bowlers at Harley's Camarillo Bowl", Scott reflected upon having the WWPB.

Saturday evening was equally eventful with Scott Poddig and staff hosting a Fab 5 pro-am that featured a WWPB player bowling the 5th and 10th

**2nd Annual Harley's Camarillo Bowl WWPB Open champion - Dede Davidson and Scott Poddig**

frames with their team in 10 baker format games. Definitely a fun event and night had by all!

Sunday morning the ladies returned to the floor for their match play finals.

Dede went undefeated in her quest for title #19. Laura Hardeman kept things close all day, with only 45 pins between these two great bowlers and just the position round game to go. Needless to say, Dede took the match and the tournament.

Dede, along with all of us from the WWPB, wanted to be sure to thank Scott Poddig and his tremendous staff for hosting a wonderful weekend of competitive women's bowling. "It was so much fun meeting really nice people," Dede commented on the weekend.

Dede threw her Masterpiece and Kong in her route to victory. Be sure to look for Dede and all the ladies of the Western Women Professional Bowlers at our next event, April 8-9 at Yorba Linda Bowl for our annual Jim Lee Memorial Mixed Doubles Championship Tournament. As always, details and entry information are available at [www.wwpb.com](http://www.wwpb.com). Teams and/or individuals seeking a partner may also contact Laurie Soto at 661-713-4945 or Lori Yamasaki at 310-473-0548 for information.

Following our April event, we will be at Santa Clarita Lanes for two separate events. May 6 the ladies of the WWPB will host a clinic, please contact Santa Clarita Lanes for details. Then over Memorial Weekend the WWPB will return to Santa Clarita for a 2-day tourney.

## Eva Mason Retires As Los Angeles W.B.A. Secretary

by Carol Mancini

BELLFLOWER — If you have been a female bowler in Los Angeles, a league secretary, a delegate to a state or national convention anytime during the past 45 years, you have probably met Eva Mason.

Eva Jenkins-Mason was a real competitor in 1958, bowling Pot Games at Downey Bowl. One Saturday night she was invited by Hazel Borthick to attend a L.A.W.B.A. open meeting. She was elected to the board! In a very short two years Eva was elected association secretary. A position she has held for 45 years.

Can you imagine the pride and responsibility of being the heart of such an organization, 106 bowling centers, 40,000 women members?

As association secretary, Eva saw many changes, the loss of centers, and now the merger of W.I.B.C. and A.B.C. The loss of

**Eva Mason**

centers and bowlers created a financial burden on the L.A.W.B.A. They were not able to provide the services and awards that bowlers were accustomed to in the hayday.

Fewer ladies were willing to be on the board, once they did not get the free ride to state and national conventions. But Eva attended! She has represented the L.A.W.B.A. year after year. And who was the gal that scheduled, and ran the yearly tourna-

LAKEWOOD—The Vegas league returned to Cal Bowl Monday and there is still only 1.2 games difference between the top two teams, Cal Bowl B and Rossmoor B.

Traditionally, the Vegas league championship has not been claimed until the final week of Position Round and this year sets the stage again. The only exception, during the 48 year history of the league, the title was claimed a week prior to the Position Round, was via Nan McGill's Clark Center team. Nan's team, under the banner of Cal Bowl, won the league last year.

Doris Lewis topped the honor roll Monday with 200-565, followed by Vi Wilson 559, Jamie Vallier 220-548, Berneice King 200-545, Roberta McNaught and Ada Burri tied on 522. Bernice Williams 519, Betty Klemin 518, Joan Lumpford and Ramona Rocha had 500 series and Sue McGill's 232 was only 4 pins short to tie season high game for the 156 and over class.

Happy Birthday to Darlene Waken. and surprise visitors, Tim and Sandy Carlile, was present to say hi to all their friends. Lu Colussi reports Tracy Koolmees, double knee replacement six weeks ago, is doing well and even driving her car. She hopes to return to bowl team sweepstakes on March 20 and that is truly mindboggling.

NEXT WEEK: 10 a.m. Monday at Cal Bowl. ALSO, March 6, league meeting in the conference room at 9 a.m. to elect officers and set team sweepstakes rules. Optional Vegas Doubles and Singles sweepstakes rules will follow the league meeting.

# Homer at Home!

NABI San Diego—Admiral Robinson was the host center for the NABI tournament this past Saturday, & Homer Bautista was very comfortable bowling in his home center. The scores for Homer & #1 seed Jeff Greer had been close all afternoon. Homer was the #2 seed after the semi finals by a slim 5 pins, & in the title match, that margin was to become even slimmer. Jeff was on a roll, & with a solid finish he forced Homer to double & get good count in the 10<sup>th</sup> to claim victory. Homer responded to the challenge, & when the final score was computed, he became the champion by just two pins.

N.A.B.I. San Diego Division  
Champion Homer Bautista

Nervous wives were watching the seesaw battle (Jeff's wife Sue had finished 4<sup>th</sup>) & when it was all over a happy Arlene Bautista dashed off to the Bingo room to share the news with their friends (and fellow bowlers). Congratulations to both bowlers & a big thank you for providing the spectators with such an entertaining & quality finish. Also finishing in the top five were Tony Nunez & Fernando Ubaldo.

To help ease the pain of finishing #2, Jeff Greer was the only bowler to roll strikes in frames 3, 6 & 9 of qualifying game #2, so he collected the \$100 from that pot & didn't have to share with anyone else. Guaranteed \$50 sidepots went to Mike Lopez, James Smith, Roger Rabanal, Dan Eide, Bautista, Bert Chadwick, Bob Selner (1/2), Jose Bautista (1/2), Nunez & Ubaldo.

Our next NABI San Diego tournament will be at Kearny Mesa Bowl on February 25th. Plan to join us on the 25th.... we'll save a cookie for you!

## Final Entry Count In For 2006 USBC Women's Championships

GREENDALE, Wis.—Nearly 55,000 women will descend upon the National Bowling Stadium in Reno, Nev., for the 2006 United States Bowling Congress Women's Championships. The Women's Championships, formerly the Women's International Bowling Congress Championship Tournament, will feature 10,976 teams from across the country. The event begins March 16 and concludes July 2.

"Reno is always a big draw for all of our events and this year is no different," USBC Chief Tournament Officer Roseann Kuhn said. "In addition to visiting one of the country's top resort areas, our bowlers will have the opportunity to compete in a newly renovated bowling stadium."

The National Bowling Stadium recently underwent several renovations, including new lane surfaces, new carpeting and a new scoring system.

Conducted for the first time in 1916, the Women's Championships is the largest participatory sporting event in the world for women. The 2006 tournament will mark the fifth time it has been held in Reno.

The most represented state in the 2006 Women's Championships will be California with 1,182 teams. Rounding out the top five are Texas (716), Illinois (612), Michigan (538) and Minnesota (433).

# Citrus Belt's Paula Vidad Bowls 300 Again!

by Frank Weiler  
RIVERSIDE—Citrus Belt great Paula Vidad bowled her third perfect game in our association on Tuesday, February 14. The association record for women is four perfect games. Overall, this was Paula's tenth 300 game. She still holds the national record for the most perfect games bowled in a twenty-four game tournament - three. She accomplished that feat in a 1994 Western Women's Professional Tour event in Palo Alto, California.

This latest perfecto was rolled at Arlington Lanes in Riverside, in the Tuesday Ladies League, using a Columbia Detour ball. It was the second game of her series, after struggling in her first game using a Storm Paradigm. Paula shot 699 for the night, but who knows how high her series might have been had she used the Columbia Detour that first game.

Paula may be the greatest female bowler ever produced in the

Citrus Belt. She is the product of a bowling family, rolling her first game at the age of ten. Her Mom (Elisa) and Dad (Juan) were very good keglers in their own right, with dad bowling two perfect games. Her sister Jeanne carries an average close to 200 in league play.

Vidad earned her scholarship at Cal State Los Angeles by leading the bowling team to a top ten national ranking. After graduation, Paula bowled professionally on the national ladies tour (Ladies Professional Bowlers Tour) for four seasons, 1984-1987. She was rookie of the year on the national tour in 1984. As a result, Paula was elected to the Southern California Bowling Writers Hall of Fame after being named to the groups all-star team twice in the mid 1980s.

Locally, Paula has led our association in average two times (1990 and 1991), in high series two times (1990: 778 and 2002: 802), and won our annual Queens Tourney in 1990.

Paula wants to thank her early coach Bobbe Norris for making her a better bowler, John and Linda Davis of Cal Bowling Supply for helping her with her equipment, and Corky DeMaio for drilling her bowling balls. It was the Davis's who recommended Paula use the Columbia Detour ball which was used by her to bowl this latest of her 300 games.

## California Women's Bowling Association

by Phyl Knoll  
Beverly Vishnevsky has always been inspired by her father, Joe Stahl, who she proudly admits is now 98 years old. But, of course, there's always those special moments she enjoys sharing with others. She remembers when she was 15 years old, Joe was bowling competition at Palos Verdes Bowl and scored a 276 game to win a trip to Honolulu, Hawaii. The love of the game started with her father's influence and has remained her passion all these many years. However, it has not always been easy. Bev worked for years as a bartender at South Bay Bowling Center, which was owned at that time by Active West. She was perfect for the job. She enjoyed the atmosphere and loved the interaction with the bowlers and... they liked her. And even though Bev made a pretty good life for her and the

children, along the way, she fell upon some hard times, and the question of her continuing to bowl was a big issue. Bev says she will always be indebted to her many bowling friends; "they kept me going and are the reason for my current existence".

For as far back as I can remember, Bev has been a "high average" bowler and very, very, competitive in any group of bowlers. All these many years, the love for the game, and her tenacity finally paid off. In the 760 Mixed 4 league at Palos Verdes Bowl, where Bev currently holds a 188 average, she finally got her first "300" game. On February 6th. I had the pleasure of presenting Bev with her USBC "300" engraved Ruby/Diamond Ring and our CWBA White Gold Necklace set with a Black Pearl and Three Diamonds.

To this day, Bev continues to be coached by "the love of her life", Carl and her "best friend", Richard.

# Esquivel is ABTA Champ at West Covina

## Lavoie Bowls Perfect “300”

*All Pots again Carryover Match Game is \$3,500/ 3-6-9 is \$2,800*

*West Covina Lanes hosts us again this week*

WEST COVINA—Luis Esquivel performed the best Saturday night as he won his first ABTA title in fine style downing upstart John Kim in the title game to take home the title and proudly so.

Luis was not the only bowler performing well on the lanes as young Jason Lavoie fired a perfect game in the 7:00 PM Squad. Speedy Bryant added another honor score award with his 11 in a row 290. Many others hit the lanes as it took men +94, and the ladies +41 to make the semifinals. Also added Super Seniors Adam Drodz, Dan Stokes, Cliff Higgins and Karen Wade.

Luis won from the top seeded position as he was tops in the Semifinals with a fine +124, besting a great turnout of 246 entrants (four squads) and 56 semi finalists.

Following Luis who would sit out and bowl for the title was Nathan Domingo at +112 who would receive a first round bye in the single elim and enter in round two. It took a +61 Men, to make the sweet 16 single elims and a +52 for the three guaranteed women.

The bowlers took to the lanes. In the first round single elims, losing their matches were Roger Wrase, Jack Wade, Scot Westreicher, Ada Wong, Tess

Cruz, Mamerto Jablan and David Jones. They got checks of \$115 in 10-16th places.

In round two being eliminated were Veronica Santa Maria, Claude Dottin, Jason Fowler, and Mike Tambio. They cashed in 6-9th places and \$130 each.

Round three had John Kim finish strongly to down Michael Tambio 247-211. Marvin Galsim downed Alex Castillo 237-213. Alex and Michael were 4<sup>th</sup> and 5<sup>th</sup> and checks of \$145 with John and Marvin to meet for the right to bowl Esquivel for the title. This game was a great one also with Kim pulling it out at the end in a 248-233 game. Marvin who bowled so admirably was 3rd and \$240 with John off to the title game vs Luis Esquivel.

The title game was on and Luis elected to lead off. He did with a spare/strike. John then opened to take the big lead with a four bagger. After four frames led by 30 pins. Luis then magically found his shot. Ater a Brooklyn in frame five, zeroed in with three pocket hits and a four bagger and John left and missed a seven pin and when Luis opened in the ninth John had hopes but he couldn't double after a perfect shot and finished at 217/228. Luis would need a mark for the win. He got a strike and another one to win 223/250 and the title was his. Great bowl-

ing by Luis, a fine young gentleman and a title well deserved. The Esquivel family are great supporters of the ABTA. Dad Rogelio, and Mom Maria are also ABTA shooters. Luis and Rogelio bowl most all events. They are two of the Good Guys to be Sure!

Great bowling by another fine bowler John Kim who really was on at West Covina, eliminating four straight opponents before losing in the title game. I have known John for some time and he never ages, and also bowls as good as the old days. He is a great competitor and a fine guy also. Great performance John, and also Marvin Galsim could have been in the title match with a little more carry. Good bowling Marvin!

ABTA Notes: Tourney Hi Qualifiers were White Hot Bret Fowler +229 (men) and pretty Tess Cruz led the gals at +190. They will get paid entries to our next regular event.

The 3-6-9 worth a big \$2,700 saw Jason Fowler eliminate the competition only to miss on ball #3 as he needed just 3 more 9's or better to take the Pot. He settled for a \$50 Consolation. The pot is worth \$2,800 this Saturday at West Covina and has \$1,000 in the reserve pot.

The Match Series was UNmatched as Bret Fowler drew a 454 and was worth a \$620. We

will estimate the Match Series to be \$900 this week and for only a \$2.00 entry fee.

The Match Game worth \$3,500 also was NOT matched due to a 299 drawn by Champ Esquivel so the Match Game will be \$3,500 cap this week, with the \$740 Carryover it will be worth est \$3,500 two weeks in a row or more .Big Money\$\$ again t.this week!

The optional doubles were taken by the Champ Luis and father Rogelio Esquivel with their big 1474 paying \$120.They edged Scott Westreicher and Bedell Vasquez 1460 \$100. We paid 7 places in the doubles.

The Columbia 300" ball of the week went to last week's Champ Roland "Pacquo" Suase who is still punching away. He will receive the ball of the week, a fine Track. He opts for the Track Arsenal Re- Active. He is a great guy and great supporter of the ABTA, and most deserving.

Champion Luis Esquivel hails from Huntington Park, and used a Punisher drilled at Gil's Pro Shop. He is married to Gabriela and 2 kids Ricardo, 11, and Evelyn, 7. He thanks his dad (Coach) and Mom and family for support and everyone who has ever helped him. .

John Kim is from Sun Valley, and happily married! He used a Columbia Scout drilled by himself. He thanks his friend /ABTA Member Irene Kang for support.

Marvin Galsim is from Sun Valley, he used a Columbia Bully drilled by Jeff Escobar at Jewel City Bowl. He is single parent and has a son Marvyn who is also an ABTA member. He thanks pals Angel, Vic Hilvano , the ABTA and staff for a great tourney.

We return to West Covina again this week (back to back) and same times first squad is 2:30PM.

Big Pots AGAIN with Carryovers! We surely enjoyed ourselves again at W.C.! It is history as Luis Esquivel wins his first ABTA Title at West Covina Lanes.

SPECIAL NOTICE! This weeks Event at West Covina (back to back ) was due to the fact of unable to find a center for the event and we can't think of a better place to go back to back. March 4th is a One day at Premiere Lanes in Santa Fe Springs, and Mar. 11 will be a bye! The temporary schedule passed out at W. Covina was in error for Mar. 11 which is definitely a BYE.

Please See our ad and story for information CHECK IN EARLY".

# Tri Star Vending Secures Roll Off By Capturing Division B

by Randy Myers

DOWNEY—Tri Star Vending came out firing and bombed Erickson’s Food in Game 1 by nearly 100 and then held on to win totals as Erickson’s made a late charge. By taking 4 of 5 points, Tri Star moved into the 3<sup>rd</sup> seed for the roll-off as we move onto Round 4. Tri Star Vending got solid performances from each member as D.A. Smith led the way with 704, Jon Brandon 669, Larry Campbell 653, and David Yamauchi was low with 645. Vayle Floria’s 702, followed by Jeff Carr 662, and Scott Filipi 278/642 led Erickson’s. Reback’s Plumbing overcame a blind score to blast Freek Racing 4-1. Reback’s remaining 3 were laying plenty of pipe as all made the top ten, headed by Raul “Spanky” Rosales 280/749, Alex Castillo 729, and Ramon “The Terror” Torres 706. Freek Racing got solid efforts from Paul Barraco 715 and Anthony “Droopy” Drapeau 660.

Overboost.com used a consistent team attack in nearly sweeping Bowlers Depot – West Covina 4-1, losing Game 2 by only 2 pins. Overboost had all bowlers over 600 as Chris Williams 683, Randy Myers 672, and Scott Norton 660 paved the way, while Paul Varela 691 and Leonard Ruiz Jr. 670 paced Bowlers Depot. Pro Approach – Lakewood came back from a Game 1 loss to win 4-1 over G.H.C. as Greg Jackson 279/695 and Emerson “Chocolate” Wafer 681 provided the power. Vince Wood continued his “Invincible” bowling with 716, followed by Derek Lee with 665. Roger Wrase 725 and Ken Dilorio 655 powered Western Pacific to 4 points over Forest Lanes who were led by Mike Belair with 685. In the final matches in Division B, Pro Approach – Downey swept past Clyde’s Video Games, and Chaune Merriitt stroked 664 to lead Team Storm to four points.

The “A” Division was already settled, but someone forgot to tell Division Leader Columbia 300. They came out strong versus Prudential as Jeff “Spins” Garrison spun his way to a 688 set and a sweep of Prudential Real Estate. Speaking of sweeps, Family Amusement did one of their own as Jason Hoppe 668 and Dean Sanderson 652 overcame the 695 rolled by Victor Arteaga of Al’s Bar Supply in winning 5-0. Not to be outdone, Greg Neuer looped his

way to 719 to go with J.C. “Train Keepa Comin” Craine’s 672 for Boulevard Brakes, who cooled the jets on J.C. Spas and ended the night with 5 points also. Vernon Adams continued his hot bowling by stroking 289/748 to lead Moneynet Residential Loans to 4 of 5 points from Roto Grip. Vernon received help from Alonzo “No Sour” Lemons with 694 while Gary Duran Duran rocked for Roto Grip with 665.

In a match up we’ll see again next week, the top two seeds squared off in a good tight match as Tangeo.com continued to roll as they beat Linder Insurance 3-2. The “CHEESE” was again sizzling as Alex and Arnold Cheesman led Tangeo with 713 & 658 respectively, while Linder got huge sets from Nick Smith 707 and Frank “I could bowl” Barefoot Jr. with 696. The final pairing had round winners Ebonite and Threadworks squaring off with Ebonite coming out on top 4-1. Paul Smith led Ebonite with 679, while Tony Rodriguez was the sharpest needle for Threadworks with 681.

The side pots had a lot of familiar names, although Vince, “IRON”, and Ho Hum Jones failed to make the board. Greg Neuer pulled out Game 1 with 263 while Emerson Wafer garnered 2<sup>nd</sup> with 240. Game 2 was much better as we had a tie for 1<sup>st</sup> and 2<sup>nd</sup> between Greg Jackson and Nick Smith with 279 each. Game 3 came down to the 10<sup>th</sup> frame, and the smooth Mr. Vernon Adams came through with the first strike to beat Raul “Spanky” Rosales 289 to 280 to lock up Game 3 and Super Pots. Spanky exacted a little revenge as he squeezed by Vernon by 1 stick to take home the Series pot. Congratulations to all the Side Pot winners!

Next week is a new round, new hope and a new challenge. We’ll be going to a Sport condition, which at the time of this writing has yet to be determined. One thing for sure is that there will be plenty of adjustments to be made, and the teams that make them the quickest will prevail. Strikes should be tougher to come by and accuracy will be rewarded. It should be exciting and humbling all at the same time, so be sure to come down to Del Rio Lanes in Downey and catch it all live! Thanks for checking in!

# Paul Passarino Wins ABT at Del Rio Lanes

DOWNEY—Paul Passarino of Lakeside is now a five-time champion due to his win at Del Rio Lanes on Saturday, February 18, 2006 during our one-day 4 game beat-the-board tournament. Paul showed up for our first squad at 12:00 and bowled what he felt were mediocre scores, so he re-entered on our 2:00PM squad and shot games of 274, 254, 254 and 241 with handicap good for a series total of 1023 and the \$800 first place prize. Paul also entered our optional Win, Place & Show Pot and won an additional \$300 for a total of \$1,100 dollars. He beat out his nearest competitor, Don Quitangon, who came in second with a fine 980 four game handicap series. Don won \$400 plus \$200 from the Win, Place and Show Pot for a total of \$600. In third place was Frank Meronk of Long Beach. Frank shot a 970 handicap series and got \$200 for his efforts.

Our newest champion, Paul Passarino, is 64 years old and retired. Paul has three grown children: Marc, Ryan and Amanda. Paul bowls in the Aloha Vegas league at Premiere Lanes in Chula Vista and has been bowling for 50 years. Paul used a Storm Trauma ER bowling ball drilled by Bill McAlister at San Diego Bowling Supply. He thanked his friends, Ed Lomibao and Jared Evans, for their friendship and support. Paul has a high game of 300 and a high series of 775 to his credit. ## Nat Nat and Jones Lead At Canoga

by Matt Jones

CANOGA PARK-GLAJAS took a trip out to the valley this Sunday for a double session at Canoga Park Bowl. Leading this session was Nat Nat Jimenez with a very nice 965. Other high scores were Samantha Jimenez 889, Brandon McBeastnes 884, Brian Gonzales 871, Matt "Big M-Dizzle" Jones 849, and Matt C-Mack 831.

Professional Approach took 11 from Pin-Point Bowling, La Habra took 10 from Specialized IMS, Team 5 took 15 from Tri-Star Vending, and Kids Ministry took 12 from Keystone Lanes. After we hit up Pizza Connection inbetween sessions we returned to some freshly oiled lanes. Leading this session was Matt "Big M-Dizzle" Jones with a 960.

Other bowlers over 800 were Brandon McBeastnes 912, Brian Gonzales 873, Big Willis Jackson 854, Preston "P. Did-E" Fukumizu 849, Alex Warnick shot his high series this season with and 845, and rounding out the 800's was Matt "Smokey" Harris with an 832.

Now for team results, Team 5 took 10 from Specialized IMS, La Habra takes 10 from Tri-Star and Professional Approach almost sweeps Kids Ministry taking 15 from them. In the premiere match of the session Pin-Point Bowling was bowling Keystone Lanes to determine the round in a very exciting match. Pin Point Bowling went into the match with a slight lead but only taking 2 points the first two games the lead went right back to Keystone.

Halfway through the second game the pair broke down for about half an hour due to a pin in the ball return. In the third game Cormack's shoe basically fell apart forcing him to bowl in tennis shoes. Pin Point took 3 points that game to take a 1 point lead going into the last game of the round. But Keystone was determined to win this round and came out firing with games of 227 by Arisha Piper and 244 by Big Willis Jackson to sweep the game and take the round.

Congrats to Keystone lanes in winning the third round u are going to the ship. We are not bowling this upcoming weekend due to the high school open at Buena Lanes, good luck to everybody participating and see you in a couple weeks.

## SED Jr. Travel Girls Jr. All-Stars

by David Gordon

LAKEWOOD - Welcome to SED Jr. Travel central -your way of finding out how your favorite junior bowler did. This past Saturday, the group took to the wood of Cal Bowl. This was the first time for many bowlers, even seeing the 68 lane center that seems to go on forever.

However, not to be intimidated we have some very nice postings coming from the members that were in attendance. Claiming the top spot this week was Brian Gonzales with the only 900 series going 248-269-213-206/936. Just as impressive Brian as the center.

Three bowlers put up 800 series with J.D. Pelow 213-206-234/830, Bryan Osborne 224-222/812, Eric Milne 223-220/812 having their fun of the day. Nice bowling guys.

And making the paper this week we also have Javier Hernandez 214/735 and Michael Gaylor 222/710. Alright!

Bowlers, we are taking a bye next Saturday for the JAT Invitational (Farm only) tournament.

We will resume at another center that is new to all of you except one. Kevin Jones may have the upper hand as we visit (first time ever) Oak Tree Lanes.

Oak Tree Lanes is located in Diamond Bar, off the 57 freeway. Exit Temple heading east to Diamond Bar Blvd. and head south to the center. The center's number for those destine to get lost is 909-860-3358.

by David Gordon

WINNETKA—Canoga Park Bowl, the answer to many slumps. Hello there and welcome once again to the Girls Jr. All-Stars weekly update. This past Sunday the girls took to the lanes feeling good and ended their session feeling even better.

The leader of the day was none other than Lindsay Hannasch as she got in the groove and stayed there posting 225-224-210-206/865. That now sets a new season high series mark. Way to go Lindsay, and Jim - we aren't kidding.

But wait, there's more as all 5 girls in attendance made the paper. Joining Lindsay in their own version of the 800 club was Melissa Pena 255-221/841 and Deanna Carrillo 222-205/803.

They are followed by Tabetha Reynolds 201-210/764 and Jillian Gaddison 221/760. Excellent bowling ladies.

This coming Sunday, we will be JAT Invitational (Farm Club only) tournament at AMF Beverly Lanes. A change in our start time, as we are projecting 1:00. Please past the word and I will be calling everyone as well.

Remember Beverly is another Canoga Park, gear in and expect high scoring.

Have a good week and I'll see you on Sunday.

by Connie Marchione  
LAS VEGAS—With thanks to So. Nevada- California Deaf Bowling Association Secretary-Treasurer Stan Booth who submitted the results sheets.
