## ELLIOUT EASLEY Self Made Man & Bowler

by Frank Weiler

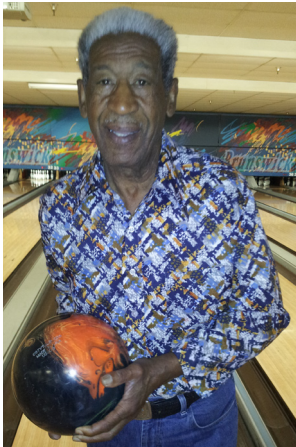

NORCO — Family, business, bowling - Elliout Easley has done it his way. He overcame and succeeded in every endeavor.

A wonderful family man, Elliout has been married to wife Rosetta for fifty-seven years. A father of two grown daughters, he speaks proudly of his six grandchildren and their pursuit of college degrees and professional careers.

A business success is another way to describe Elliout. After serving in the Air Force (1953 -1956) Mr. Easley worked for Lockheed Corporation as an aircraft mechanic. Following a stint in the Post Office and operating a landscaping business, Elliout opened EASLEY AUTO PARTS. He operated his successful auto body shop for thirty years at 190th and Central in Los Angeles. He retired in 1998 a A SELF MADE MAN.

Bowler supreme. Any bowler who averages 216 at the age of eighty is a darn good bowler. Elliout's 2013 book average is 216! On top of that Elliout rolled his eighth perfect game, a couple of weeks ago, just four months shy of his 81st birthday.

Mr. Easley began bowling in 1949 when seventeen. He started as a pin boy working for seven cents a game. He loved bowling but growing up in Waco, Texas made it difficult to participate in those

Elliout Easley

days. The "COLOR BARRIERS" precluded his competing in a league. However, pin setting allowed him to bowl before or after hours. He took advantage of the opportunity and made himself into a scratch bowler.

During his middle years he stepped away from our sport to concentrate on family and career. Bowling was always on his mind and dear to his heart.

Then after twenty-five years he was able to get back on the lanes, in 2003.

He restarted at Riverside Lanes and before long rolled his first 300 at age 70! The perfecto was part of his personal high series 785 (245 - 240 - 300). That's when Elliout got serious, started practicing regularly and joined three leagues. His game took

## 900 Series Rolled in Delaware

by Matt Cannizzaro USBC Communications

ARLINGTON, TX — Todd James of East New Market, Md., added three memorable perfect games to his resume as he rolled 36 consecutive strikes for a 900 series at Bryan's Bowling Center in Laurel, Del., on Tuesday night.

The 31-year-old right-hander was bowling as a last-minute substitute in the Tuesday Night Mixed league and struck on every shot he threw to become the 23rd bowler in history to record a perfect series. The achievement is pending approval from the United States Bowling Congress and would be the 24th USBC-approved 900.

"I don't usually have any problems finding the shot there, but last night, I just couldn't get lined up in practice," James said. "I didn't throw a strike until the last shot, but then I was in the pocket the rest of the night."

James' longest string of strikes previously was 20, and once he got past that point, the nerves started to set in. As he got closer to the end of the third game, he also was in position for the center's strike jackpot, so everyone took notice.

"Once I got through the eighth frame of the third game, people started to realize I hadn't missed all night," said James, whose daughters, Chloe, 11, and Alyssa, 7, got to see him shoot 300 for the first time. "It's not a big place, just 14 lanes of four-person teams, but no one left."

A break in the ninth frame of the final game collapsed the 4-6-7-10 split, but James felt good about his last three shots, despite being more nervous than ever before. His final offering briefly left the 10 pin standing, before a messenger

# Philadelphia Hitmen Sweep Pittsburgh Jack Rabbits Roll into PBA League Semifinal Round

by Bill Vint

ALLEN PARK — Bill O'Neill and his Philadelphia Hitmen recorded the first sweep in the 2014 Professional Bowlers Association League Elias Cup eliminations, knocking the Pittsburgh Jack Rabbits out of the tournament at Thunderbowl Lanes and atoning for a disappointing finish to their 2013 campaign.

A 235-225 victory in the five-man Baker team finale completed Philadelphia's 6-0 sweep of the singles, alternate ball doubles, Baker trios and Baker team competition and landed the Hitmen, owned by actor/comedian Kevin Hart, a berth in the semifinal round against the Silver Lake Atom Splitters. The battle of Pennsylvania, the fourth and final single-elimination quarterfinal round match in the eight-team PBA League competition, aired Sunday on ESPN. It was a redeeming performance for the Hitmen, presented by High 5 Gear, who were in position to make the Elias Cup finals in 2013 only to fade in the final qualifying round to finish sixth.

"It bothered me a lot that we did as bad as we did last year," O'Neill said. "We had a bad last day. If we had avoided that, we would have been fine. But we're back this year with a couple of different guys and it's turned out well because they've done nothing but strike so far. We didn't lose a game, so that's about as good as it gets.

"Now we have the supposed 'dream team' next, so hopefully we'll be able to beat their butts," O'Neill added, referring to a Silver Lake team loaded with past PBA Players of the Year Chris Barnes, Tommy Jones and Wes Malott as well as 2013 POY contender Dom Barrett and 2003 USBC Masters champion Bryon Smith.

O'Neill started the sweep of the Jack Rabbits, presented by HotelPlanner.com, with a 215-212 win in the singles match against Jack Rabbits' team captain Osku Palermaa, taking advantage of a pair of splits and open frames by the Finnish two-handed player in the second and third frames. Palermaa recovered from his mistakes with a string of five strikes. Needing two strikes in the 10th frame to complete his rally, he left a 10 pin on his first shot.

Dan MacLelland and Ryan Ciminelli kept the Philadelphia momentum rolling in the alternate ball doubles match, striking on eight of their first nine shots en route to a 257-239 win over Pittsburgh's Ronnie Russell and Eugene McCune. The Jack Rabbits, owned by newly-signed Oakland Raiders all-pro linebacker LaMarr Woodley, never wilted, however. In the Baker trio match, Philadelphia's O'Neill, Josh Blanchard and Mike DeVaney again set a torrid pace, striking on eight of their first nine shots, but led by only one pin heading into ninth frame. O'Neill's spare in the 10th gave Palermaa a chance to win for Pittsburgh with two strikes in his final frame, but he left the 4-9 split to end the threat and Philadelphia won, 256-251.

The Hitmen, who are managed by PBA Hall of Famer Jason Couch, completed the sweep with a dominating team effort. Open frames in the fifth and eighth frames hindered the Jack Rabbits, but they used a barrage of strikes to remain in contention until O'Neill's 10th-frame spare locked up the win. "They never gave us any breathing room," Pittsburgh team manager Tim Mack said. "It was a matter of one shot here and there that made the difference. We were in every match until the 10th frame, but it wasn't our day."

The PBA League now moves into the semifinal round where the defending champion New York City WTT KingPins, owned by women's sports legend Billie Jean King and led by team captain Pete Weber, will meet L.A. X, owned by Los Angeles Clippers star Chris Paul and led by captain Jason Belmonte, on ESPN on Sunday, March 30, at 2 p.m. The Hitmen will bowl the Silver Lake Atom Splitters, owned by "Nerdist" creator Chris Hardwick and led by Barnes, on ESPN on Sunday, April 6, at 10 a.m. The two semifinal round winners will battle for the Elias Cup on ESPN on Sunday, April 13, at 11 a.m.

## U.S. Collegiate Star Marshall Kent Wins Brunswick Euro Challenge in Munich

*Team USA, Robert Morris-Illinois amateur tops Sweden's Daniel Fransson for victory*

MUNICH, Germany (March 23, 2014) – Amateur Marshall Kent of Yakima, Wash., a member of Team USA and a collegiate all-American with the Robert Morris University-Illinois team, won the 11th annual Brunswick Euro Challenge at Dream-Bowl Palace Sunday, striking on 10 of his first 11 shots in a near-perfect 277-258 victory over Sweden's Daniel Fransson.

Kent, who reached the television finals in the 2013 U.S. Open and the PBA Scorpion Championship during the PBA World Series of Bowling V, where he competed on a special invitation, earned 11,111 Euros (US\$15,300), but he doesn't get credit for a PBA title because he is an amateur.

The Brunswick Euro Challenge is a World Bowling Tour, PBA International Tour and European Bowling Tour event.

Fransson eliminated the PBA Tour's last hope for the Brunswick Euro Challenge title when he defeated Chris Loschetter of Avon, Ohio, 255-226, in the semifinal match.

The tournament drew a field of 343 players from 33 countries, including a strong contingent of PBA Tour players. Twenty-one PBA members advanced to Sunday's 64-player final rounds.

The PBA Tour will resume competition in the U.S. May 18-25 with the Oklahoma's Grand Hotel Resort Summer Swing in Shawnee, Okla.

# NATIONAL DEAF BOWLING NEWS

by Connie Marchione

## FISSER'S 289-299/1046 HI-LITES DEAF TRAVEL'S GOOD DAY AT JEWEL CITY BOWL

GLENDALE — The bowlers of Southern California Deaf Traveling League wiped off the previous bad overall bowling at Brunswick Covina Lanes and enjoyed a spectacular striking exhibition by Dan Flores, Mark Fisser and Bob Jones at Jewel City Bowl.

The show began with Flores' closing 6 strikes in first game and 2nd game's front 7 strikes for a 13 strikes in row "Varipapa 300" in scores of 226 and 247. Then Fisser, who had 244 and 214 in his duel with Flores, gave a fine display of 10 strikes in row and a pocket hit 7 pin ruined a chance for a 300 game. The bowlers moaned along with Fisser as he spared for a 289.

Surprise! In the 4th game, Fisser was stringing strikes again and this time he had 11 in row all in the pocket. His 12th ball was right in the pocket like the others and the darn 7 pin refused to fall. No 300 for Mark, just a 299 game, the third 299 game in this league's 54 years history joining him with David Bright and Mike Moore.

Quietly and unnoticed by many, Jones who hit his third career 300 game a couple weeks ago in his Monday Night League at Harley's Simi Valley Bowl, strung some strikes in his 4th game for a 265.

For the league day's honor roll, Fisser's games 244-214-289-299 produced a possible league record 1046 four games series. Flores had 226-247-213-190 for 876 and Jones hit 195-190-201-265 for 851. Ed Abakumoff joined them with 189-182-214-199 for 784, Gorman Low too with 702 and Jeff Stansell with his 203.

Also Fisser's 1046 along with teammates Jim Mohr's 657 and Emad Aranki's 669 gave their team Anaheim season high 2372 team series possibly a league record. Anaheim's team games were 565-572-608-627. Previously Abakumoff's Riverside held the season high team series 2256 and Stansell's Mid City retains the season high team game with 640.

On this day the 3 strongest average teams dominated with near sweeps over 2 lesser average teams. Second place Fisser's Anaheim nearly swept Flores' 5th place S F Valley 18.5-1.5 to cut first place Jones' Eagle Rock lead to 9 points. Eagle Rock retains 1st place with 15 to 5 win over MacMonagle's 6th place Orange County. Fourth place Abakumoff's Riverside with a 14-6 win, exchanged places with former 3rd place Stansell's Mid City for the only change in the standings.

Overlooked by Fisser's dominating striking display in his last two games, was his winning the league's optional Masters title finals against Flores. Fate in scheduling had it perfect with the match of both on the same pair of lanes. In prior matches Fisser had no loss and Flores just one loss and after the first two exciting games Flores had a 15 pins (473-458) lead. Fisser made sure there was no need for a rematch of title finals at Gable House Bowl.

The league thanks Jewel City Bowl management and staff for having an excellent lane conditioning for the bowlers. Next stop on schedule will be at Gable House Bowl on April 6 at Noon. Gable House Bowl is the home of Dan Flores' 300 game last November.

## 900 Series continued from page 1

solidified his place in the record books.

"Standing there and waiting for that 10 pin to go down felt like forever, like in the movies," said James, who runs an early-morning snack route. "Afterwards, we were all pretty excited. I couldn't believe it."

Bryan's Bowling Center is about a 30-minute drive from East New Market, but James has been bowling there since it opened in 2009. He recorded a career-high average of 235 there last season and is on pace to beat that this year. He bowls regularly at Bryan's on Monday nights and bowls as a substitute when he can the rest of the week.

Henry Grabowski Jr. previously held the house record at Bryan's Bowling Center with 858, shot in January 2013, while the previous state record belonged to Ron Prettyman, who rolled games of 300, 299 and 300 for an 899 series at Holiday Lanes in Claymont, Del., in February 1996.

The first USBC-approved 900 occurred Feb. 2, 1997 when Jeremy Sonnenfeld rolled three consecutive perfect games in Lincoln, Neb. There never has been a Sport-certified 900 series.

## California, Missouri Bowlers Named Youth Ambassadors

ARLINGTON, TX — Irene Wilson of Pinole, Calif., and Richard Hochecker IV of Ballwin, Mo., have been named the 2014 United States Bowling Congress Youth Ambassadors of the Year.

Each year, one female and one male USBC Youth bowler are recognized for exemplary contributions to the sport, academic accomplishments and community involvement. The youth ambassadors, selected by the International Bowling Campus Youth Committee, each receive a \$1,500 scholarship and one of the winners might be selected to serve on the IBC Youth Committee.

Wilson, 19, is sophomore at Dominican University of California, where she is majoring in biology with minors in mathematics and music. She is on a music scholarship and has been on the Dean's List each semester.

"I am humbled to be selected because I know there are others who are equally deserving," Wilson said. "Being selected for this award is a huge honor; it makes me feel like the time and effort that I spend encouraging my fellow bowlers is worthwhile."

She is a volunteer substitute teacher at the Music Repertoire in Pinole, teaching seven students. As a member of the Sincerity Girls Ensemble for seven years, she traveled to the Philippines and Ireland to perform with the group. She had done volunteer work with the Alameda Food Bank, St. Joseph Church and served and distributed food at a soup kitchen in Fruitvale.

Wilson, who plans to attend medical school, has assisted with tournaments at AMF Pinole Valley Lanes, where she bowls.

"Helping others has taught me how important it is to have a positive mental attitude in all that you do," Wilson said. "Through bowling I learned that if I want to be a great bowler and doctor, it is going to take a lot of time, which is why persistence is an essential part of learning."

Hochecker, 16, is a sophomore at Parkway South High School. He has been a tutor at a middle school and has done additional volunteer work through the A+ program. He also helped run the bowling program during the 2013 Senior Olympics.

"It is a huge honor to receive this award," Hochecker said. "I am grateful that out of all of the applicants the committee felt that I was a good representation of what the award is about."

A bowler since age 4, he helped with lane certifications at six centers for the St. Louis USBC in 2012, and with inspections in nine centers in 2013. He wanted to become more involved in youth bowling and was appointed to a vacant spot on the St. Louis USBC Youth Committee.

He was elected as a youth director to the St. Louis USBC Board for the 2013-2014 season and also was appointed to the Missouri State USBC Youth Committee.

"In the time that I have been on the St. Louis USBC Youth Committee, I have learned more about bowling than I could have ever imagined," Hochecker said.

Wilson and Hochecker each will receive an expenses-paid trip to the 2014 USBC Convention in Reno, Nev., where they will receive their awards. BOWL.com will live stream the USBC Convention, including the awards presentation.

## Chris Slack Wins 1st ABTA Title

### & \$4,300+ at Oak Tree Lanes

*Slack Also Hit the Match Game and Split with Beth Borci and Samson Kong another \$4,530*

**Linbrook Bowl is our Host Saturday Big Pots on Hand 12:00-1:00-2:30-4:00 & 6:00PM Semi Finals 8:00PM**

DIAMOND BAR — Oak Tree Lanes was our host and lots of excitement Saturday Night as 197 Entrants came to bowl the event and Produced Cut Scores of Men +94 and the Ladies in +57. The Special Beat the Board SEMIS, (WHICH IS THE FINALS) became very exciting. 42 bowlers advanced to semi finals with cut scores of +91 for the men and +58 for the women. Super Seniors added were Lonzell Burnett +69, George Marquez +66 and Wendy Soo Hoo +21.

High Qualifiers were Richard Rodriguez Men +189, and Faye Josefatz led the Ladies +133. They will receive paid Entries into a future ABTA Regular Event.

Top qualifier draws for the Match Series. Mr. Ath drew an UN-Matched 401, so the Match Series pot is worth an estimated \$4,900 this Saturday at Linbrook. Our optional 3-6-9 pot of \$2,700 is a carry over with Kelly Wynn missing on shot 3. He got a \$50 Consolation. The 3-6-9 will be \$2800 at Linbrook. Big Bucks Loom Folks!!

Chris Kelly and Greg Kokanour topped the Opt Doubles at 1500 good for \$150 Tomas Chavez and Rich Rodriguez a close second at 1484 and \$130. We paid out \$1,650 in the Doubles and the tandem of Candy "Ms Sweet" Vitalich and Ben Bagaosian win the

Mystery doubles with a game 2/497 score and got \$110 low to cash score of 1376.

Now for the For the Beat-The-Board FINALS in which all qualifiers bowl 3 games and where you finish is Your cashing spot. Top 16 is guaranteed \$100 Min. 3 Women still included after Game1 to make the Top 16 was at +28 and women-2. Leaders were a tie. John Licauco and Chris Slack +70. After the 2nd game, Chris Slack hit it again and led the field +141 followed by Eddie Abarca +106 and Rey Josefatz and John Licauco both at +104.

Cut to make the Top 16 after the 2nd game was +55 Men and +38 Ladies.

Now the final 3rd got close as Rey Josefatz and Robert Contreras got HOT. They almost caught the front running Slack but in the end Slack dug deep and withstood Josefatz. Contreras on fire almost got there but the top 3 are Chris Slack +164, Robert Contreras a close 2nd +156 and Jovial Rey Josefatz +150. It was a long time coming for Mr Slack as he has been a faithful ABTA Member for 9 years.

He did it up big at Oak Tree taking home a nice \$1,000 1st, a Cash Carry Bonus of \$1,700 and a ABTA Shirt for \$100. So he nabbed a tidy \$2,800. More later on this guy! Robert Contreras who won a few weeks back took the runner-up

place worth \$500. Mr. Josefatz, 3rd, taking home \$200. Slack was also the Horse winner \$217 (wish I was there). Four lucky bowlers picked Chris in Horses. They each received \$217.

Chris Slack is from La Mirada, married to Lisa for 27 Years!! They have a son Chris Jr. of whom I had the pleasure of meeting once! Chris used a Storm drilled by Billy Myers. ## Oklahoma's Grand Casino Resort to Host PBA Summer Swing FireLake Bowling Center in Shawnee to host qualifying, match play in May

SEATTLE – The Professional Bowlers Association's 2014 Summer Swing, a multi-tournament event that will be televised by CBS Sports Network, will be hosted by Grand Casino Resort and FireLake Bowling Center in Shawnee, Okla., May 18-25, PBA Commissioner Tom Clark announced today.

The Summer Swing will include four PBA Tour title events – the Wolf, Bear and Badger Opens and the PBA Oklahoma Open – and the Oklahoma's Grand Casino Resort Summer King of the Swing special event involving four winners plus a "wild card" player. All five television finals will air on CBS Sports Network on Tuesday nights in June and July. Tournament qualifying and match play rounds will be held at FireLake Bowling Center and the stepladder finals will be conducted on specially-constructed lanes in the Grand Casino Resort Events Center.

"The PBA is really excited about returning to Oklahoma and giving the great bowling fans in that area an opportunity to watch a new generation of PBA stars compete in a challenging series of events in the awesome settings of FireLake Bowling Center and the Grand Casino Resort's Events Center," Clark said. "It's been nearly a decade since the PBA Tour had an event in Oklahoma, so we were extremely happy that Grand Casino Resort and FireLake have invited us back.

"It's going to be a fabulous event," Clark added. "We're going to bowl for four PBA Tour titles, conduct a King of the Swing special event, and provide PBA fans around the world with more than 50 hours of live coverage on Xtra Frame in addition to 10 hours of nationally-televised coverage on CBS Sports Network."

The Summer Swing concept, introduced in 2013 in Milwaukee, produced a pair of first-time PBA Tour titlists (Chris Loschetter of Avon, Ohio, in the Wolf Open and Jake Peters of Decatur, Ill., in the Badger Open) plus victories for Australia's Jason Belmonte (Bear Open), Chris Barnes of Double Oak, Texas (Milwaukee Open) and "wild card" Norm Duke of Clermont, Fla. (Summer King of the Swing).

The tournaments will be the first PBA Tour events held in Oklahoma since the 2005 Tulsa Championship at The Lanes at Coffee Creek, won by Tommy Jones of Simpsonville, S.C. The eight-day program also will include a PBA Southwest Region tournament over Memorial Day weekend.

The Summer Swing will be limited to a field of 120 players. Entry fee is \$750 for PBA members or \$850 for non-members. Entry fees cover all events; entries are not available for individual tournaments. The Southwest Regional event also will be capped at 120 players. Entry fee will be \$220 (\$285 for non-members).

All qualifying and preliminary match play rounds of the summer swing events will be covered live on PBA's exclusive online bowling channel, Xtra Frame.

Grand Casino Resort is a full-service complex featuring a 262-room Grand Hotel that opened in 2013, restaurants, a golf course and other amenities.

Air dates and times for the PBA Oklahoma Summer Swing will be announced at a later date.

CBS Sports Network is available across the country through local cable, video and telco providers and via satellite on DirecTV Channel 221 and Dish Network Channel 158. BURBANK — How many times have you heard bowlers complain about their opponent's handicap being so much greater than their own team? Handicap was created to level the playing field, right? The only way this can be effective, in my opinion, is the handicap must be 100% of the highest average. However, if you do that, you may as well bowl scratch.

Team averaging handicap seems to be quite effective though few leagues employ it. I've even heard scratch bowlers complaining about certain teams averages. A team max set in a league is a constant. Rules can be twisted to shift the equality, however. This is why it is important to attend the league meeting.

For everyone, not just the team captains. Be aware of the rules being proposed. My mantra regarding this (as well as governmental issues) is if you don't vote, don't complain. In a nutshell, attend your meeting and participate. After all, it is your league too.

# The Perfect Game

by Steve Felege

This article staged (Stooged) by Dean "Nyuck-Nyuck" Lopez

*Editor's note: Bowling is, and always has been America's sport. Fans don't go to a center to sit and watch; they go to participate. That participation is rewarded during the traditional, season-ending, award ceremony. During the "Golden Age" of bowling, the elaborate "1ST PLACE" trophies became family treasures, proudly displayed on mantles or other places of honor. For years they would serve as cherished reminders of achievement, teamwork, and fond memories of the bygone season. Woe to anyone who left so much as a fingerprint on that esteemed monument!*

### PROLOGUE

It is an uneventful day here at the normally bustling offices of the California Bowling News. Not a hint exists of the calamity awaiting the poor author of this column. (Is that a "dirge" I hear being played over the intercom?)

### Today's Story: A Tribute to Two Bygone Eras

**Steve:** Hey, everybody! Another nice day in sunny "Cee-Aye!"

**Dean:** Steve! You're early! Carol isn't here yet.

**Steve:** Well.....yeah. Someone just called and told me to get my butt in here! Whoever it was said it was important. I thought it was you.

**Dean:** Me? Uhhh, nooooo.....it wasn't me. But as long as you're here, how about doing this week's article with some friends of mine?

**Steve:** What about Carol?

**Dean:** Carol? Uhhhhh.....oh, yeah! I just remembered, Carol won't be in today.

**Steve:** Why not?

**Dean:** Uhhh... it's her birthday! Yeah, that's it. She always takes the day off when it's her birthday.

**Steve:** Didn't she just have a birthday a couple weeks ago?

**Dean:** Yep, she has seven or eight birthdays every year.

**Steve:** Wow! Makes you wonder how she manages to stay so young.

**Dean:** I knew you'd understand. So.....what about today's article?

**Steve:** Well, okay.....the show must go on, I guess. Where are your friends?

**Dean:** Wait right here and I'll go get 'em. Hey, guys! C'mon in! He fell for it!

**Larry:** OW! OW! OW! Awright, awready!

**Curly:** Hah! Ya missed me again! Nyuck, nyuck.....

**Moe:** DOINK!

**Curly:** OWWW!!!!!!EPILOGUE

Minutes pass. An eerie calm settles over the room. Steve stands alone amid all that remains of Carol's once elegant, "Lifetime-Dedication-to-Bowling" award; a carpet of shiny, broken crystal. He hears the office door creak as it slowly begins to open. Dean hadn't been totally honest when he said Carol wouldn't be in tonight.....

## Oscar Chan & Ralph Ramirez III Break the Badger

*Perfect Game on Tough Conditions by Kyle Duster*

by David Yamauchi

NORWALK — The JAT headed to Keystone Lanes for the finale of the PBA Challenge Series last Sunday. The last event was held on the very long 52' Badger oil pattern and the heavy oil didn't disappoint- hooking the ball was near impossible even for the stronger two-handers!

In the Farm Club the oil proved a huge challenge as strikes were hard to come by. Greg Adler led qualifying at -11 for 5 games while Stephanie Zavala rode a first game 230 to -38 for 2nd. Anthony Schanen and Dylan Cowling stayed consistent at -82 and -84 while Ralph Ramirez III was low-to-qualify at -153. Kylie Shishima qualified 6th at -125 and had enough sticks to hang on to the PBA Challenge pinfall lead and earned the \$100 bonus gift card.

In match-play, Stephanie Zavala only managed two wins but her 212-187 finish was enough to propel her into the top-seed spot at -61. Qualifying 2nd was Dylan Cowling at -76 and Ralph Ramirez III used a 5-0 match play record to jump from 8th to 3rd and take the final rolloff spot. In the rolloffs, Ralph Ramirez III continued his winning ways taking his 6th straight match 200-173 to advance to the Championship Match against top-seeded Stephanie Zavala. In the final, it was a back and forth match but in the end it was Ralph Ramirez III going undefeated 7-0 in his matches and earning the title 188-171. Congratulations Ralph!

In the Open Division, hooking the ball was still a challenge but Oscar Chan had a great look playing tight fallback en route to a +144 total to lead qualifying by 106 sticks over high-revving two-handed lefty Wesley Low Jr. at +38. Two-handers fell in the 3rd and 4th spots with Patrick Rodriguez at -2 and Kyle Duster at -17. Low-to-qualify were Bobby Hornacek and Tyler Salverda at -82.

In match play, Oscar Chan kept striking winning his first two matches but as his look faded Kyle Duster jumped all over the shot going 5-0 in match-play including an incredible perfect 300 game on the very tough Badger. Duster sat at +311 with Chan second at +95 and Jerome Jordan Jr. climbing from 8th to 3rd with a 4-1 record. Rounding out the top-4 finalists was Wesley Low Jr. hanging on at +53 with a 2.5-2.5 record. In the step-ladder rolloffs, Wesley Low Jr. had a better look on the fresher Championship Pair defeating Jordan Jr. 229-158 to advance to the semifinal verses Oscar Chan. Oscar continued his dominance of the oil taking down Low Jr. 200-188 for a chance to meet tournament leader Kyle Duster for the title. In the final, neither bowler was getting any kind of consistent reaction on the long oil but it was Oscar Chan grinding his way to a 189-167 win and the PBA Badger title. Congratulations Oscar!

The JAT heads to south Orange County for a visit to Saddleback Lanes in Mission Viejo. For more information log on to our website at [www.bowljat.org](http://www.bowljat.org). See you all Sunday!

**Week 1 - Round 5**

by Mancini the Great

**DOWNEY** — The bowling gods smiled on the Ebonite bowlers this week after humbling them for the past 27 weeks. FIST shaking and mumbling was replaced by high fives and congrats.

The first congrats went to Billy Myers Jr. for his game two 300 ..... add in 208 and 276 for 784. Teammates added in some nice numbers like: Mark Curtis 700, Art Jones Jr. 639 and Jared Lawrence 671 for one of the higher series of the night 2794.

**ZUNIGA'S PLUMBING** couldn't stop the flood of strikes on lanes 19 and 20 posting the high series of 2871 (they lost game three by 11 pins) and didn't sweep five wins into their column.

**TIFCO** snapped up **ZUNIGA'S** third game point (by 11 pins, 1 repeat). Tuff games by the TIFCO foursome; Gary Duran 197, Lee Liu 244, Danny Ly 245 and Mike Jennings 290. More about Lee Liu ... his 279 second game sent him to the bank twice; a side-pot and Advisors Pot.

More big games? Oh Yeah! 279 was the most popular number Monday. No, Leonard, 278 won't get any press! Forget 278 for Larry Campbell. Back to 279 for Herbert Jones, 279 for Lee Liu, 279 for Zack Jellsey ... each one picking up a few bucks.

That VanDaniker guy must have had a few "OH NO" moments to go with his 279, 234, 288/801. Yes Eddie, your 801 was definitely a beaut!

The league will be rolling on the same "house shot" this coming week. I'm predicting at least 3 more 800's.

**BOWLERS DEPOT** showed real talent and a big set, 2823. Contributors were Brent Ilagan 692, Rick Maldonado 698, Jeff Carr 695 and Joe Jimenez 738.

The average of scores bowled was 220.03. A dramatic leap from the 174 last round. One more week of the "house shot", so enjoy it.

Since all Book Averages will be going in on May 31 (or when the league ends) every week will count this year. No need to juggle for next season!

That May 31 date is for all USBC certified leagues! Every state had a different date and checking averages was a nightmare.

Watch this last round — eight weeks on four patterns — it will be the "games of the century"!
