LAWBA Gets Cal, Cerritos Bowls Say CEO Dalkin

By Frank Kietz

LAKE FOREST — Ever since 1744-1814 when Massachusetts Governor Gerry contrived regional political boundaries to fit his, his party's needs, we the people, some of the people, have been inconvenienced.

They call it "Gerrymandering!" It's nothing serious. In time, with a bit of politicking, it gets corrected.

That is what happened with the Long Beach Women's Bowling Association (Cal Bowl and AMF Cerritos Lanes). They wanted to join OCWBA, they voted to dissolve, crossed the border to Orange County and enjoyed a season of luxury.

Well, Los Angeles Women's Bowling Association (and Southern Los Angeles County Bowling Association) quickly, loudly and feeling a bit inconvenienced petitioned, first the ABC, then the USBC, for relief, for help, we've been Gerrymandered.

L.A.W.B.A. Secretary Eva Mason, mentioned, we've been in business here in L.A. since 1925 one of the first to be chartered by the WIBC.

As USBC CEO Roger Dalkin writes, "...I am pleased that this realignment will facilitate the merger of eight associations..."

Boundary problems are uni-

versal. So, while we are becoming a new organization, it is time to make corrections.

It's reasonable to think Governor Gerry couldn't use the bean field as a boundary, he had to use the Charles River.

Solving the SLACBA/OCBA problems will set precedence for similar USBC jurisdictional disputes, we hope.

Here's the official letter from CEO Dalkin:

March 23, 2005

To: Executive Directors, Presidents and Secretaries of the Los Angeles WBA, Southeast District LA County BA, Orange County BA, WBA and YABA Ladies and Gentlemen:

Thank you for your patience in this manner. Recent changes at Headquarters have resulted in some duplication of previous efforts, but we now have all of the information necessary to make a decision regarding the jurisdictions with-in the LA Basin.

After careful consideraton, we have decided to transfer AMF Cerritos Lanes, Certification Number 025599 and Cal Bowl, Certification Number 04485 from the Orange County WBA to the Los Angeles WBA.

Primary reasons for this change are that the centers are within LA County, have only been a part of the Orange County WBA for one season and are only misaligned on the WBA side. Both centers are part of a BA and YBA whose jurisdictions

align and, ultimately, it was felt this decision will cause the least impact on the members.

I would also like to add that I am pleased that this realignment will facilitate the merger of eight associations. The cooperation each of you has demonstrated is an example we will highlight when working with other associations. Thank you for your dedication to our great sport and good luck with the remainder of the your merger process.

If you need any further assistance, please contact the Association Relations Team at 800-514-2695, ext. 3158.

Sincerely, /s/ Roger Dalkin

Third Time's a Charm

YPSILANTI, MI—Patrick Allen certainly knew how to put the exclamation point on an already successful year.

The lefty claimed his third title of the season, and first career major, when he defeated the surprising Chris Loschetter, a 24-year old non-exempt PBA member, in the title match of the 2005 PBA Denny's World Championship, 235-210, Sunday at Eastern Michigan University's Convocation Center.

Allen, who captured the \$120,000 top prize and a four-year Tour exemption, struck and converted a 7-pin in his first two frames before striking on his next six shots.

Loschetter struck on his first three shots before converting three consecutive single-pin conversions, putting him behind for good.

The victory puts Allen, Tarrytown, N.Y., in the middle of the PBA Player of the Year Race. He captured the 2004-05 PBA World Point Rankings title this week and also leads the Tour with \$344,740 in season earnings, the second-highest mark in Tour history.

"I don't think anything has really hit me yet. I was just trying to throw the best shots I could and I got some breaks," said Allen, who also finished

Patrick Allen
2nd in the first two major events on Tour this season.

Allen advanced to the title match by striking 11 times to defeat two-time title winner Mike Scroggins, 279-198, in their semifinal. Scroggins, Amarillo, Texas, opened in frames 3 and 4 to open the door for Allen.

In the first semifinal, Loschetter defeated Brian Voss, Alpharetta, Ga., 231-165, as the second-year pro stuck in frames 3-8 while the PBA Hall of Famer suffered through five open frames.

Loschetter took home \$50,000 for 2nd place while Voss and Scroggins tied for 3rd and won \$20,000 apiece.

The PBA Tour concludes its regular season with the 2005 PBA Dexter Tournament of Champions at Mohegan Sun Arena April 8-10. The final rounds will be televised live on ESPN Sunday, April 10 at 10am.

Gable House Youth News

by Chris Graves

TORRANCE—Before you ask, I didn't forget about either of the items I promised to deliver on last week. However, there is business as usual first. We have a fairly light batch of scores this week as a few of our leagues were off due to spring break. Still, there is this to report.

Let's start this week's run-down with the Disney/Pixar Bowling Club II. For the juniors, we had Kelly Dunbar 89-163, Jacob Zimmerman 88-162, Josh Chamness 82-145, Jenna Chamness 60-111 Shawn Purdy led the adults with his 204-376 set, followed by Rebecca Zimmerman at 140-245.

South High School: Tyler Mitchell 140-400, Kelsey Mitchell 155-394, Jeff Samano 134-382, Patrick Brown 130-350, Damien Wright 130-346, Jeff Ahn 124-332, Julien Butler 102-270, Jaclyn Casey 95-260, Nicole Carlson 94-237, and Zach Lindenmuth 95-228.

Finally from the Pee Wees, we have Justin Rivera 78-150, Scott Meyer 88-149, Jeremiah Jones 74-146, Christian Capelouto 72-142, and Joshua Inouige 73-137.

In other news... For those of you that missed out on the first two editions of the Disney/Pixar Bowling Club, get ready for Round 3! The third installment of the Disney/Pixar Bowling Club will take to the lanes starting Monday night, April 25 and finishing August 11. The first night meeting will start at 4:30 p.m., with the league play starting at 5:00 p.m. Keep in mind that the league consists of two-member teams (any combination of men, ladies, boys, and girls). After a \$15.00 registration fee upon signing up, it's only \$12.00 per bowler per week. Pick up a flyer at our service counter and sign up today!

Finally, we have results from the District 8 Regional Finals of the Pepsi-Cola Scholarship Tournament at Action Lanes in El Monte. Needless to say, the Gable House youth bowlers did very well. Congratulations to Colleen Tin on her second-place finish in the 11 & under Girls division. For the 11 & under Boys, we had Daniel Montoya finishing 7th, Ryan Gabaldon in 8th, and Brooks Williams in 14th. Advancing to the State Finals in May: 12 & Up Handicap division—Alyssa Laxamana, Brandon Mullikin, Tim Eich, Andrew Fontenot, and Tommy Wilkinson. Also advancing to the State Finals in the 12 & Up Boys Scratch division through his first place finish, Gary McInerney. Congratulations to all on some very fine bowling, and best of luck to Alyssa, Brandon, Tim, Andrew, Tommy, and Gary as they tackle Fountain Bowl in Fountain Valley for a shot at the National Finals in Indianapolis this summer.

That will do it for another one. If you are seeking more information on our youth program, you can always check out our home on the web at www.gablehouseyouth.com. Everybody, take care and have a great week.

SED Youth Leaders Travel

by Will Jackson

Youth Leaders had a week off so most of us went to Sacramento to bowl in the TNBA Junior Western Regional Tournament. One of our teams that we took up there had a real good showing; finishing 3rd and missing out on first by only 36 pins.

There was good bowling by everyone who went, however, and despite six of us getting left at the hotel on Sunday, we all made it home in one piece.

Now to our session before the bye week, we made our way down to Del Rio Lanes. We had a lot of excitement the first game with two of our bowlers having at least the first 7 strikes, but Justin Eubanks went a little further and finishing with a career high game and a very nice 289 game.

Leading this session with a big 943 was Mr. Matt Harris with games of 244-255-210(709)-235 — nice set Matt. We had one other 9 coming from Jeremy Glover he shot games of 242-242-215(699)-204/903. Nice set guys.

We only had one 800 that goes to Justin! Eubanks 289-219/866. Topping our list of 7's was Sadia (Sa' Wa) Ward 223/783, Robert Vann 244-202/781, Jeff del Mar 230/758, Mikey Helferstay 213-207/750, Remy Mattison 210/746, Dayton Crossley 213/723, and Brittney Bryant 223/704.

In our team breakdown taking a big lead is Ms. Ward's Crew with 108 1/2 points and in second is the Next Bowling All Stars with 88 1/2 points. The second round is still up for grabs with 4 weeks to go. Our next session will be at Cerritos Lanes this Saturday at 2:00pm.

Major NEW Development for Human Energy and Performance

CRESTLINE, CA—A new energy performance enhancing product that utilizes the human body's electromagnetic field without using any harmful drugs is being used by World Class Athletes and Coaches. With this dual patch system, nothing enters the body. Unlike many products, there are no chemicals, drugs, or other harmful products entering the body. Clinical and university studies show an average 35-40% increase in energy, performance and stamina. The first commercially available product that is in the form of a patch, this product instructs the body to transport fats to the mitochondria for ATP production (promote the burning of fat as an energy source). Fat, as an energy source, is 2.5 to 2.9 times more efficient than proteins or carbohydrates. The end result is that users experience immediate improvements in energy and stamina."

The Energy Enhancer patches are now being used by many world class athletes including over 100 Professional Golfers on Tour, football, baseball, basketball, hockey and other high profile sports including colleges and Olympic athletes each striving for a competitive edge.

Super Senior Tour bowler Corky Demaio was recently wearing the patches on his way to victory at Sunset Bowl in San Diego.

For more information on this new technology call 1-800-359-8336 ext.4738 or visit www.Energy4Sports.com.

Pete Weber Withdraws From T of C

SEATTLE—PBA Tour Commissioner **Fred Schreyer** announced today that PBA Hall of Famer **Pete Weber** has officially withdrawn from this weekend's 2005 PBA Dexter Tournament of Champions due to a right shoulder injury.

Weber will be replaced by **Randy Pedersen**, who was the last bowler to be knocked off the 2005 PBA Dexter Tournament of Champions roster. Pedersen most-recently won the 2002 PBA Pepsi Open in Springfield, Pa.

"Even if I did bowl this week, I don't feel like I would have had the opportunity to win," said Weber. "Right now, the way my arm feels, its better for me to pull out now and give Randy the opportunity to bowl...I want to give a chance to someone that feels they can win."

Weber, a 31-time Tour title winner, had an MRI done on his ailing right shoulder on March 22. The results showed no tear in his right rotator cuff, but doctors recommended that Weber take two weeks off from all bowling activity.

Weber, who also withdrew from last week's 2005 PBA Denny's World Championship, is exempt through the 2006-07 PBA Tour season thanks to his 61st U.S. Open presented by Jackson Hewitt Tax Service victory last season.

Pedersen, current ESPN Color Analyst for the PBA, owns 13 PBA Tour titles and is 32-18 (.640) in 30 career PBA Tour televised finals events. He finished 2nd in the 2003 PBA Dexter Tournament of Champions, falling to Patrick Healey Jr. in the title match, 222-188.

The PBA Tour concludes its 2004-05 season with the 2005 PBA Dexter Tournament of Champions, April 8-10 at Mohegan Sun Arena in Uncasville, Conn. The final rounds will air live on ESPN Sunday, April 10 at 1 p.m. ET.

Thousands To Bid Farewell To WIBC In Tulsa

Final WIBC Convention will honor past, look to the future

GREENDALE, Wis. - More than 4,400 Women's International Bowling Congress members have pre-registered to attend the final WIBC Convention, which will be held April 22-24, 2005, at the Tulsa Convention Center in Tulsa, Okla. The convention will boast its largest attendance in 10 years.

WIBC ended its 88-year existence when it merged with the American Bowling Congress, Young American Bowling Alliance and USA Bowling to become the United States Bowling Congress on Jan. 1, 2005.

Attendees, many of whom are association leaders, may attend more than a dozen workshops aimed at improving communication with members and transitioning smoothly from WIBC to USBC. Because WIBC formerly dissolved as a corporation on Dec. 31, 2004, attendees will not vote on legislation and other matters as they have in past years. However, traditional events will continue such as Hall of Fame inductions, recognition award presentations and Meet for the CureTM. In addition, delegates will be the first to view WIBC Memories - a history video sure to become a collector's item for WIBC members and bowling enthusiasts - and see the retirement of the historic WIBC flag.

Convention attendees also may choose to visit Memory Lane, a collection of WIBC memorabilia; take in WIBC Nostalgia Theater, a viewing of organization and tournament highlights and training videos dating back to the 1960s; and contribute an association pin to a large WIBC display that will be donated to the International Bowling Museum and Hall of Fame in St. Louis. The Saturday night party, featuring dinner, entertainment and a special program, will be attended by nearly 3,000 WIBC Convention attendees.

The 2005 WIBC Convention is held in conjunction with the 86th annual WIBC Championship Tournament, a USBC Event, held April 9-June 24 at Riverlanes in Tulsa. Nearly 40,000 WIBC members will compete in the tournament, the world's largest participatory sporting event for women.

The United States Bowling Congress, as the national governing body, ensures the integrity and protects the future of the sport, provides programs and services and enhances the bowling experience.

USBC officially launched Jan. 1, 2005, as an organization serving more than three million adult and youth bowlers in the United States. It resulted from the merger of the American Bowling Congress, Women's International Bowling Congress, Young American Bowling Alliance and USA Bowling.

Carol Williamsen Tags Brossart 7-10, Dan Raidy's 300

LAKE FOREST — Secretary Carol Williamsen continues to keep her three leagues (68 teams) at bowler-friendly Forest Lanes well serviced on Monday (NFL), Wednesday (Slots Of Fun) and Thursday (Hot Tamales).

She added Bill Brossart's name to the Monday night honor roll because he picked up the 7-10 split March 28 sharing the list with Steve Zimmerman's perfect.

On Wednesday, Dan Raidy put a 300 next to Craig Shelley's perfect. James Hughes has a Thursday big 3-0.

Right now, team action has her attention.

Brossart said, this was his second 7-10 conversion, both bouncing off the cushion and ball, from the 10 to the 7.

Raidy's big game was his third, first in Jeffersonville, IN, second at Saddleback. He carries the league's best average.

Matt Edenhoffer has the best series, a scratch 770.

Teams, Pars and Strikes Forever, Dave Cox, Dianne Burdick, Charbe Bennenuto and Sheril Harshbarger and Team 2, Paul Johnson, Dottie Gilman, Rich Gilman and Oliver Burns, are tied for first place.

Bowler to Veterans Link Every Bowler in California

by Bob Allender

You should be very proud of the fact that you have once again contributed more money to the BVL than any other state in the United States. A whopping \$167,778.38 for our veterans in hospitals this state. 100% of the money is used to purchase items requested by veteran hospitals, usually games, T.V's, computers, and even vans. As you know all money raised by you stays in this state. All the BVL tournaments held in this state, fund raisers and just plain donations are contributed to this great cause.

Thanks to the BVL, our recuperating men and women are given the extras that brighten their days and speed their recovery; The BVL is our veteran's Link to a better quality of Life

You should be very proud of being a California Bowler; I know I am very proud of just being a part of it. Orange County Bowling association was third in taking in more money by association. Durango Colorado was first in membership category which has only 59 members but took in \$3,000.00. Which was \$50.85 per member. California was third on a membership basis by state, which was \$1.81 per member. Mississippi was first with \$3.86 per member

The Number two state was Texas with \$58, 203.21 Thanks to each and every one of you for your great support.

Ouzenian Wins Back to Back at Cerritos

All pots carry over to West Covina this Saturday

CERRITOS–Alex Ouzenian was at it again. He won five straight matches in the single elim finals. Then edged the top seed Rey Edrosa by one scant pin in the 10th frame in the title game to take home a nice \$2,200 top prize for two weeks in a row.

Alex bested a nice turnout of 191 entrants which saw cut scores of Men +69 and the Ladies doing a decent +6 to make the semi finals. Super Seniors added to the board were Louis Brooks, Leo Tartamella, and Imee Ahorro who looks no thing like a Super Senior. (much younger)

The 44 bowlers in the Semis then took to the floor, hoping to advance to the finals. We saw ABTA regular Rey Edrosa lead the way in the semis blasting a huge +90 to be the top seed, giving him the benefit of sitting out to bowl in the title game. Right behind (one pin) was Jimmy Wong with his fine +89. So he would get to sit out in round one of the top 16 Single Elim finals entering in round #2. .

After the Semis it took a nice +24 to make the top 16 finals which included four women. The bowlers took to the lanes and losers in round #1 were Anthony Borci, Anna Borromeo, Kevin Nahan, Mark Flores, Anthony Smith, Bret Rose and Beth Borci. They cashed in 10-16th place and \$100 each.

In round two we had Wong enter, and blast Alex Fiel 280-208. Deborah Sanders easily bested co worker Simon Rojas 229-156. Alex Ouzenian got to Heather Hoang 259-182, Fernando Allatorre bested Jose Borromeo 235-208. Losers of round 2 got checks of \$115 in 6-9th places.

Round three had Ouzenian down Alatorre 239-181 and Ms Sanders smacked Mr. Wong 207-180. Fernando and Jimmy were 4th and 5th with fine bowling and \$125 each with Alex and Deborah to meet for the right to bowl Edrosa for the title.

This match had Deborah lose her line that she previously had and Alex prevailed in a 200-158 win with the feisty Ms Sanders in third with a great performance and \$205. Alex off to the title game vs Rey Edrosa. Deborah, the crowd favorite surely performed well at Cerritos, Great Bowling!

The Title game was set and Rey led off, but opened, and Alex struck, then opened and after five frames both had opened twice. The score was

tied. Rey split again in the sixth and Alex was staying clean but couldn't double. Then Rey tossed a clutch double to again tie the game. They then went to the tenth frame where Alex got a spare /strike for a 171/194. Rey would need a double to win, or spare-strike to tie. He then left the four pin, picked it up and needing a strike to tie, buried the pocket leaving a solid 10 pin and a 168/193 count. Alex was a back to back ABTA winner and the 3rd to ever perform such a feat in the ABTA's long history. In the last two weeks Alex has won 10 (count em) 10 matches in a row, also a record. Can he Threepeat? We will see this Saturday at West Covina Lanes in our one day event there. Great bowling Alex!

Great bowling by Rey Edrosa and Deborah Sanders also! Many great games in this event on semi- tough tournament condition lanes!

ABTA Notes: Tourney Hi Qualifiers were Ryan Steaffens who led the men at +169, and pretty newcomer Michelle Tucker led the ladies at +101. They get paid entries.

El Presidente again? Yes! He teamed with the "Dragon" to top the optional doubles with 1401 good for \$110. The Pres. also teamed with Ely Cruz in 2nd and 1358 and \$100. We paid 7 places this week in the doubles.

Alvin Reyes was last standing in the 3-6-9. He missed on the second shot, so we go for \$1,000 this week in the 3-6-9 at Cerritos Lanes. Alvin took home a \$50 consolation.

Marvin "Happy" Crowder" was the lucky winner in the Vegas Room drawing and his ticket was pulled by Imee Ahorro making him even happier. Get those Vegas rooms in early this year. We are raffling rooms at the tournament sites now. Win your room for \$1.00 that way.

Las Vegas July 1-2-3-4 is our Big Event and pays \$8,000 min. 1st guaranteed and up to \$12,000 1st with full bonuses.

The Match Game 3 was Unmatched due to the 244 game drawn by top seed Edrosa so with the \$2,005 carryover we will have an estimated \$3,300 Match Game this week.

The Match Series also was also unmatched as a 523 drawn by tourney top qualifier Steaffens was not hit and with the carryover of \$250 we will estimate a \$550 Match Series Saturday.

The Columbia 300" ball of

the week drawn by ABTA Regular Marvin Crowder Jr., went to none other than Sundra Morris and she said he needed a new ball. She thanks our sponsor Columbia 300 for the fine ball.

Champion Alex Ouzenian is from San Gabriel and used a Time Zone drilled by one of the best Eddie Williamson at Bowling Square.. He is single ladies! His family are very fine people, and supportive, especially brother Art (ABTA Member) and pretty mom Aida! Aida will again be so proud when they hears the news of the two time , back to back champion. Alex thanks Cerritos Lanes, and Ed Williamson for the fine drilling, and brother Art for inspiration, and good friends Jo Jo, Rafe, Saro, Uncle Joe, and Joe and Michelle for cheering him on.

Rey Edrosa is from Corona and used an Absolute Inferno drilled by Chris Hagin. He is married to Maria with three kids Melissa, R.J. and Christopher. Rey thanks the ABTA staff for a good job, his friends, and family for support and Dino and Nancy Cantoria for friendship.

Deborah Sanders is from Long Beach, and used a Columbia Throttle drilled by Monty Stratton at Surf Bowl. She is single- with three kids and a granddaughter 4 yrs old Daejah. She thanks the ABTA Staff (her 2nd family) Bob, Nancy Brown, and Sundra Morris (ball winner) and the rest of the family and missed her friend Belinda Crowder at the tournament who was out of town, and the crowd who cheered lustily for her.

We had several new members join this week, and first time cashers were Michelle Tucker, Terry Tucker, Anna Borromeo, Jose Borromeo, Jesy Flores, Jess Platts, and Roland Suase and it is great to see Alex Fiel, and Kevin Nahan cash in their return to ABTA action.

This Weekend we will visit popular West Covina Lanes in a one day event!. There are five qualifying squads Saturday 2:30 PM through 7 PM (no 1 PM Squad) with the board frozen with 1 in 5 with the 3-6-9 and Semis 8:45 PM. The center is easily located by just taking the 10 freeway to Vincent and go 1 1/2 miles south on the right. The address is 675 So. Glendora phone is 626-960-3636. It's history folks, as Alex Ouzenian enters the archives as a back to back Champion.

For further info see our ad in this paper or call the ABTA 562-

868-7164 or the website at www.abta1.com

Last but not least, thanks GM Randy, and staff for the superb service and hospitality. We will return there soon, for another good one! We will implement a format to be done by 11:30 PM for the Center to be able to have a big Extreme Bowling Squad on that night also.

Super Senior Corky Demaio Dominates SST and Kevin Gannon Tops Junior Divisio

By Paula Vidad

SAN BERNARDINO—Corky Demaio of San Bernar-dino went wire to wire and se-cured his 8th title with a 5-3 match play record and 236 av-erage. Demaio started Sunday’s match play with games of 207-279-279-247 to distance himself from the field. He defeated Don Jackson of Bonita by 166 pins for the \$750 top prize. Demaio was also the high qualifier on Saturday with a 2374 for 10 games. Corky would like to thank John and Linda Davis of Cal Bowling Supply for the new Columbia Professional ball, www.Energy4Sports.com for the 12 hour energy and stamina patches, and Paula Vidad for her bowling expertise and instruc-tions in the few weeks prior to the tournament .

The Junior Division had an exciting two days of competi-tion. Qualifying saw only 45 pins separating the top 8 Final-ists and the position match saw the top 5 have a shot at the title. When the smoke cleared, Kevin Gannon of Lakewood was vic-torious over Terry Henson of La Verne for the \$650 prize. In route to his 4th title, Gannon used a 5-3 match play record and a 237 average. Kevin would like to thank Milt Galik’s staff at

Sunset Bowl and Tony Figuera at Gardena Bowl for drilling his bowling balls.

The King of the Hill saw Super Senior Corky Demaio defeat junior Kevin Gannon 236-202 for bragging rights and a \$50 prize.

The SST would like to thank Sunset Bowl GM Milt Galik and Marketing Director John Perry for hosting the tournament and staff for their hospitality.

Congratulations to guest bowler Tom Baker of San Diego. His name was drawn for a FREE Pair of Dexter Bowling Shoes. All entries mailed prior to the next tournament are eligible for the Storm/Dexter drawing.

Special thanks for continued support from Ricky Corona of Storm and Dexter Shoes and Dean Danner of J&P Trophies.

Our next tournament is May 7-8, 2005 at La Habra Lanes. Special starting time is 12:30PM.

Come join the best Super Senior Men 60+ and Women 50+, and Junior Men 45-59 and Women 40-49 in the West!

For more information con-tact SST President Dave Gulley at (949) 677-6424 or go to our website at www.supersenior.tour.ws.

Paul Smith is Perfect for Pro Approach – Lakewood!

by Randy Myers

DOWNEY—Paul Smith recorded the 10th 300 game of the season and led his team to a 3 games to 1 victory over round winner Reback’s Plumbing. Paul finished with a 719 series while Vernon Adams aided the cause with his 681 set. Reback’s wasn’t far behind with Gabriel Garza 286/686 and Levi Slocum 258/681. Pro Approach can lock up the round next week by beating Freek Racing two games. Speaking of the FREEKS, they moved into contention by defeating Etonic 3 to 1. Chris Makroglous came back strong after an opening 190 to fire 253/268 to finish with 711. Paul Barraco helped with his 645 while Terry Spoors was tops for Etonic with 626. Transcon Logistics maintained their lead for the overall #1 seed by stepping on Boulevard Brakes. Dan Cerio 257/718 and Larry Gray 664 were the stars for Transcon, while Greg Neuer paced his team to its lone win with 276/704.

The rest of the “B” side had Nick Smith leading his team and the league with a fine 726 series. Linder Insurance swept past Prudential-Picarelli 4 games to none and moved back into the 2nd Wild Card position. Walter Vasquez 672 and Terry Henson 626 helped Linder win while the Prudential team struggled most of the night. In the nights quickest match (3 blind scores!), Jerry Ernst paved the way for Exacticator Vise with a nice 257/682 set but failed to lead the pair as Stanley Taca fired 258/693 for Overboost.com. The leagues friendliest match was split between The Immel Team and Pro Approach-Downey as they swapped win for win to end 2 to 2. Missy Bellinder led The Immel Team with 639 and Pro Approach had two stars in Mike Calvillo 662 & Chris Williams 631. Threadworks stitched together 3 wins over the undermanned Drivers Insurance team as Anthony Carlton Jr. fired 290/716 to team with James “Strike” Maker and his 641 to overcome the hot bowling Andy “BIG MAN” Moran who paced the Drivers with 257/715.

In a rematch of the controversial battle of two weeks ago, Danny Ly stroked 275/715 to lead his “beans & rice” Family Amusement team to 3 wins over T.D. Rowe. Carlos Castillo led his T.D. Rowe team with 647. As reported earlier here, there was a protest filed two weeks ago followed by an appeal by T.D. Rowe which is now in the hands of the USBC. We are awaiting their final decision, and we will reveal that once it becomes available. Bowler Depot – West Covina had two bright spots while bowling blind vs. Strike Connection as Alonzo Lemons 278/722 and Rick Hunter 264/258/707 were on fire. Bowlers Depot – Lake Forest started strong as Don Johnson 267 & Pat Danforth 279 led their team to a huge 931 1st game, but couldn’t hold off J.C. Spas who came back to take the next 3 games. J.C. Spas used a 1-2 left/right punch as James

Cox 720 and Super Sr. Norm Black 707 forged the way for the high team series of the night, 2630.

Royal Alliance stayed in contention for the fourth round by taking 2.5 games from Western Pacific behind Ramiro Garcia 267/667. Danny “Corn on the” Cobbs was the lone bright spot for Western with 644. Al’s Bar Supply used a solid team effort in defeating Tri Star Vending 3 to 1. Ramon Torres 684, Raul “Spanky” Rosales 676, and Philip LeBaquin 665 supplied the strikes for Al’s, to hold off Tri Star’s best, Harry Wong Jr. 267/720. Team Storm got 3 wins from Circle Athletics as David Martinez 647, Arnold Cheesman 266/631, and Herbert Jones provided the Thunder for the Storm, and Kyle Asberry rounded out scoring for Circle with 623. The last match on the “A” side was between Parke Industries and America’s Lending and Parke came out on top with 3 wins. Jack Price 678 and Jim Burke 633 did the work for Parke while Myke Strafford fired 247/655 to lead America’s to their win in game two.

The side pots had a lot of new names this week as Pat Danforth stroked 11 of 12 strikes in Game 1 to win 1st with 279 and Larry Gray was 2nd with 237. Carlos Castillo took 2nd game honors and \$\$ with 259, with BIG MAN Andy Moran just behind for 2nd with 257. The third game and Super Pot went to the very fortunate Chris Makroglous with 268 as Paul Smith was not in the pot with his perfect 300 game. I think you owe him dinner Chris! Arnold Cheesman was a very pricey 2 pins behind with 266 for second place money. Congratulations Paul on your 300 and to all the side pot winners!

Six weeks down and only two to go in Round Four! At the time of this writing, no decision had been made regarding the status of the 4 games under protest/appeal between Family Amusement and T.D. Rowe. If the games stand, Family Amusement will hold a 4 game lead with only 3 teams mathematically alive on side “A”. A reversal of those 4 wins will put NINE TEAMS in contention with 2 weeks to go! WOW! On side “B” it’s up to Freek Racing to keep things interesting as they need to take 3 from Pro Approach-Lakewood next week or the Billy Myers Jr. bunch will lock it up. The weather’s getting hot, but the action will be even hotter next Monday. Come in from the heat and into DEL RIO on Monday at 9 Pm to watch it all live! Thanks again for checking in!

Attention High Average Ladies: Carol at the Bowling News would like to sponsor a team of gals for the Brunswick next winter. She looking for 5 or 6 (for rotating roster). Call Carol at Del Rio Lanes at 562-927-3351 for more information.

**Terry Tucker Wins ABT
Orange County Title at
AMF Cerritos Lanes**

CERRITOS–Terry Tucker won his first Amateur Bowlers Tour (ABT) Championship at AMF Cerritos Lanes on Saturday, March 19, 2005 during our one-day 4 game Beat-the-Board tournament. Terry entered our Noon squad and shot 264, 231, 253, and 221 with handicap good for a 969 four game series and the \$800 1st place prize. Terry was not in the Win, Place, and Show Pot, so we have a carry over of \$360 to our next tournament. Bob Selner of San Diego finished in second place with his 961 handicap set for \$400 plus an additional \$216 in the Win, Place, & Show Pot for a total of \$616. Finishing in third place for shooting a 939 four game set with handicap was Ronny Thompson of Anaheim. He got \$150 for his third place effort, plus an additional \$144 in the Win, Place, & Show Pot for a total of \$294.

Congratulations go out to our newest Champion, Terry Tucker. Terry is 37 years old and runs the Right Approach Pro Shop inside Palm Springs Lanes. He is married to Michele and they have two children; Alyssa, who is 9 years old, and Christopher, who is 8 years old. He has been bowling since he was very young, but quit bowling back in 1992. He recently started bowling again. Terry has a high sanctioned game of 276 and a high series of 689. He was using an Ebonite XXL ball he drilled himself for his win this weekend. Terry thanks the Lord for the abilities he has been blessed with; his wife Michele for bowling with him and all her help and support; his kids for being there to watch and support him during his winning effort; and his friend Bob Crane for helping

him with his game and getting him back into bowling again. Terry also thanks the ABT Orange County staff and Directors for running a great tournament and AMF Cerritos Lanes for putting out a fair shot for everyone.

We drew the Mystery Pot of Gold game number (game #1) after the final squad and also drew the first chance score (246 with handicap) after our final squad. After going through all the scores from this weekend, we found one bowler that shot 246 with handicap in Game #1, but that bowler was not in the Mystery Pot of Gold. The 2nd chance score was 181, and there was no winner. The 3rd chance score was 170, and there was no winner. Remember, the Mystery Pot of Gold is available to all members (Classic and Masters) and costs only \$5 for a chance at \$1,000.

The ABT staff and membership would like to thank Randy Johnson and the fine staff at AMF Cerritos Lanes for hosting our tournament last Saturday. Our next scheduled event will be this Saturday, April 9, 2005 at AMF Carter Lanes in Fullerton. This will be a special 4 game Beat-the-Board Classic and Masters Combined Singles tournament format. All members (Classic and Masters) are eligible. Handicap will be 80% of 225 for this tournament. Squad times are at Noon, 2PM, and 4PM only. We will offer \$100 sidepots at the Noon, 2pm and 4pm squads with just 20 entrants. First place will be GUARANTEED at \$800 for only a **\$50 entry fee**. We will offer an estimated 1st place of **\$1,600** with our optional Win, Place, and Show Pot. We recommend you arrive early (at least ½ hour before squad time) to guarantee your spot. We hope to see you this Saturday, April 9, 2005 at AMF Carter Lanes.

Degroff Hits 23rd Career 299

& 777 at Mission Hills Bowl

by Connie Marchione

MISSION HILLS—It looks like the West Coast newcomer who moved here from Pennsylvania Ken DeGroff got used to the lanes at Mission Hills Bowl. This writer thought after he got e-mail last Thursday from Angela Banks, who simply typed out, Ken hit 299. It was early in the evening and could be the first game in his league.

Anxiously, I waited for more details like his 3 game series and got it the next day from Bill Cozad who e-mailed that Ken rolled his career 23rd 299. Cozad added, the other games were 248 and 230 for a 777 series. Ken's 23rd 299 is the most ever by a deaf bowler and it is astounded that he had more 299s than 300s.

Just 3 weeks ago DeGroff, a native of Florida right-hander got his 21st career 300 in the same league and failed to hit his 13th 800 by 10 pins. Two of his 800s include a pair of back to back 300s, which landed him in the ABC record book as one of the several men who had done this feat.

TWO TOP DEAF TEAMS SCHEDULED TO BOWL IN ABC TOURNAMENT

BATON ROUGE...Bill Cozad, the head honcho of National Deaf Master Bowlers Association is having two teams, NDMBA #1 and #2 entered in the ABC Tournament on April 6 at Baton Rouge. Both teams are averaging 1000 plus.

This writer does not know who are on both teams except that the above mentioned Ken DeGroff is on one of the teams. Ken is determined to make up for his poor showing in last year's ABC tournament at Reno, which he shot in the low 500's.

STOGRYN ROLLS 867 IN DEAF TRAVEL AT AMF BOWLING SQUARE

ARCADIA—The 45 years old So. Calif. Deaf Traveling League made its stop at AMF Bowling Square in Arcadia, CA, which was remembered as the sites of the old PBA Don Carter Opens in the 1970's.

The Deaf Team USA member Darrell Stogryn who last January saved the USA men from embarrassment by finishing 2nd in the Deaflympics Bowling Masters at Australia, led the short honor roll with 867 from 4 games of 223-227-198-219. Another Deaf Team USA member Ed Abakumoff who is the league President rolled the day's high game 247 and 806. Bob Jones had 223-204-204/797 and Connie Marchione 223 and Jim Mohr 222 tossed other 200 games. Stogryn leads this 10-team league with 217 and his El Camino Village team retained its league lead and Abakumoff's Riverside is just 3 point's back. Next travel date is April 17 at Cal Bowl in Lakewood, which used to host the PBA tour.

The league thank AMF Bowling Square GM Norris Runnell and his staff for hosting it.

BOWLERS

By Don Cecil

ALHAMBRA — Just checking in with you bowlers to say “hi” and let you know I’m still on the hunt of past bowling leg-ends. I’ve got some “yes” answers and some “sorry can’t make it” answers. But I’ve got a dream and I’m going to do my best to make July 4th a day for bowlers to remember.

Shortly I’ll be printing my list of legends that will be taking part in my “Bowl With A Legends” competition.

I will be setting up “WIN-A-SPOT” sweepers at Forest Lanes, Keystone Lanes and Del Rio Lanes in the near future. So watch the Bowling News for my report.
