Frank Kietz Southern California's Bowling Writer Dies At Age 91

LAKE FOREST—Frank, the Bowling News Curmudgeon died last week of a heart attack (and complications).

Kietz shook the ABC into opening their "all white" organization to bowlers of all nationalities.

Frank made people think! He was a fanatic supporter of bowling and spotlighting the average bowler.

Family services were held on Monday April 7th.

Frank's stories will be missed. He has written stories for the Bowling News for over 30 years, plus many other publications.

Watch next week's paper for a more complete story.

Women's Series to Return in 2008-09

The U.S. Women's Open, a United States Bowling Congress event, will return this fall with five consecutive weeks of telecasts on ESPN, showcasing the world's best women bowlers on national television for the second consecutive year.

The event will take place July 31-Aug. 6 in the Chicago suburb of Romeoville, Ill., at Brunswick Zone XL. All five telecasts will be taped Aug. 5-6 and will air for five consecutive weeks beginning Sunday, Sept. 7 on ESPN at 1 p.m. Eastern.

The PBA Women's Series, presented by USBC, will also return for the 2008-09 Denny's PBA Tour season with at least seven events. The Women's Series field will be primarily determined through the PBA Women's Tour Trials, which uses the qualifying scores from the U.S. Women's Open.

In all, women's bowling will be featured on ESPN for at least 12 weeks between the U.S. Women's Open and Women's Series events.

The U.S. Women's Open, which was won in 2007 by Liz Johnson of Cheektowaga, N.Y., will follow a similar format as it did last year when it returned for the first time in four years. Players will compete in four eight-game blocks of qualifying over four days beginning Aug. 1 before the field is cut to the top 16 who will appear on television.

The first four telecasts will consist of the Round of 16 and quarterfinal matches. The final show, to air on Oct. 5, will feature the semifinals and championship match.

"We were very pleased with the success of the U.S. Women's Open last year and are proud to once again conduct this great event," USBC Chief Operating Officer Kevin Dornberger said. "Showcasing women's bowling at the highest level is important in sustaining our goal of growing the sport."

The U.S. Women's Open, which has an entry fee of \$250 and is open to any USBC female member, features the world's best professional and amateur bowlers and was a major on the Professional Women's Bowling Association Tour until that organization folded in 2003.

The Women's Series will again be featured alongside PBA Tour events, and most of the Women's Series stops will consist of a field of 16 players, however, one event will feature

32 players.

The 16-player field is made up of the four winners of last year's Women's Series events (Carolyn Dorin-Ballard, Shannon Pluhowsky, Joy Esterson and Diandra Asbaty) as well as 12 players from the Women's Tour Trials. Players who earn spots in the PBA Women's Series must become PBA members.

Players can enter the Women's Tour Trials for an additional \$750 and use their qualifying scores from the U.S. Women's Open to determine the top 12 players who advance to the Women's Series.

One Women's Series event will showcase 32 players with the additional 16 spots coming from the final standings of the Women's Tour Trials.

The Women's Series and Tour Trials debuted last year alongside the Denny's PBA Tour and U.S. Women's Open to create the first women's bowling tour since the PWBA ceased operations in 2003.

Joy Esterson earned an automatic berth in next season's PBA Women's Series.

SED Jr. Travel

by David Gordon

ANAHEIM — SED Jr. Travel posted up its last session of the 2007-08 season. A very tight race for first place started the day and an even tighter result finished the day. We took this battle to The Concourse (Entertainment Center) where we had not tried to find the center (well off the street) in over 10 years. As memories started coming back in the parking lot, once inside was like walking into a whole new world. I've seen a lot of centers, but none like this. Thank you to the staff and management for doing what it took to honor the booking and accommodations. I'm sure we'll be back next season.

After a quick reshuffle of lane assignments and reassurance to some that the boards were real wood, we were off to the sounds of battle. And taking the lead for the day was Bryan Osborne showing true veteran status. Leading in the team standings by a slight margin, Bryan knew his team needed a big day. On unsure conditions, Bryan figured it out with games of 247-203-207/856. Next in line was opponent Kevin Jones keeping pace himself with 227-220/825. The members of the third place team, well within striking distance of the top spot, comes up next with J.D. Pelow 227-221/816 and Max Slevcove 224-241/804 to round out our 800 club. Each knew what they had to do, and each did it to the best of their ability on this day. Regardless of the outcome, they have nothing to be ashamed of.

But this is a team race. What about the other supporting members. Next in line is Michael Gaylor, giving us excitement with the high game of the day, 263/787. We then have Jimmy Schmitzer 234/766, Mark Curtis 201/729, Eric Milne 232/711, Brandyn Roque 221/703, and Doug LaMere 202.

At the end of the day, Pelow/ Slevcove made a gallant run to take over the 2nd place spot, by almost sweeping our ladies team. I guess they didn't like last week's article. Osborne/Schmitzer won just enough points to hold off the challengers and take the league championship. Congratulations gentlemen.

Next week I'll write about all of the awards won this season. But for now, it's on to our awards sweepers this coming Saturday at Del Rio Lanes. This fun day will be 4 games of weird bowling, followed by our Squeezy's catered luncheon and the award presentations. The start time Saturday is 2:00, but feel free to come early and help setup the first game.

Therefore, have a good relaxing week and I'll see you at Del Rio Lanes.

ABAKUMOFF HITS 259-715/921 AT BRC MORENO VALLEY BOWL

MORENO VALLEY—Just after Ed Abakumoff finished with a 257 last Sunday to lead his deaf traveling league honor roll, he carried on his hot scoring in his Wednesday league at Brunswick Moreno Valley Bowl.

Like a robot, Ed shot games of 243-259-213 for 715 and finished with a 206 for a neat 921 series.

Ed is getting ready to get in form for the coming June Deaf USA Team Trails which he is conducting at Colorado Springs. He is aiming to make his 3rd Deaf Team USA after previously debuted on the teams in the 2001 Italy and 2005 Australia Deaflympics. The 2009 Deaflympics will be in Taiwan.

For more information on the June Deaf Team USA Trails, contact Ed at Abakumoff@aol.com or fax him at 951 653 4554.

DEADLINE CLOSES ON APRIL 10TH FOR PCDBA/PCDWBA ENTRIES

ONTARIO—The entry deadline creeps close on April 10 for both men and women Pacific Coast Deaf Bowling Associations' tournaments which will be held at Brunswick Deer Creek Bowl in nearby Rancho Cucamonga. The countdown will be focused on the number of men's team entries because this year the men will debut with 4-men teams instead of the traditional 5-men teams.

For the past 66 years PCDBA had 5-men team entries and last year at Denver they voted by majority in the general meeting to change to 4-men teams because of declining entries. Also claiming that it is easier to get 4 men teams than 5-men.

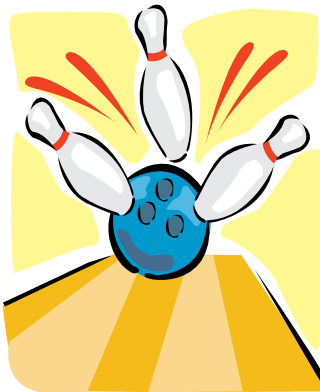

Personally to me this is a disappointment. As for long PCDBA had been the main deaf tournament on the West Coast using like USBC's tournaments with traditional 5-men teams, Doubles and Singles. With the 4-men team change, PCDBA is now a second rate tournament.

The Great Lakes Deaf Bowling Association which pride's itself as the nation's Deaf ABC/USBC Tournament, had conducted 5-men, doubles and singles for the past 71 years and will continue to do so regardless of declining entries. So is the East Coast's main deaf tournament, Eastern Bowling Association of the Deaf with it's 5-men team, doubles and singles.

It is my hope that this change is brief and PCDBA will regain its prestige by changing back to 5-men team soon.

Update on Juanita Blocker

by Phyl Knoll

For the many who have inquired about Juanita, I wanted to share that she is doing comparatively well. She is confined to a wheelchair because the muscle tone in her legs has given out and because of arthritis it's difficult and painful for her to walk but she tries.

She does manage to partake breakfast, lunch and dinner in the Dining Room, scrambles herself together and goes to the Activity Room to enjoy whatever is planned for that day. She's especially alert when they pay Bingo and wins a buck or two now and again.

You can bet on it that she's never going to miss a Dodger, Laker, or Angel game when shown on the local TV networks.

When Juanita first moved to Country Villa and had to get rid of or store so much of her memorabilia, in that collection were all her bowling shirts with the sponsors names embroidered across the back.

As you can well imagine, there were dozens and dozens of shirts. Good friend Marie Jaco begged Juanita to allow her to take the shirts and use the best of the lot for a handmade Quilt she intended to make for Juanita. Juanita consented.

Well, that was three years ago and now, low and behold, the prize-winning piece of art was ready for display. So, with special permission from Country Villa a Special Presentation was planned for March 18th.

All the residents in the facility were invited to the Activity Room to view the gorgeous Quilt which was displayed on a huge easel and I had the pleasure of revealing a resume of Juanita's wonderful career

in bowling and the numerous other sports she participated in.

As an added note, I showed everyone Juanita's infamous pair of "Leopard Skin Bowling Shoe" that she wore probably a couple of decades or better. Joining Marie and I was longtime friend Davin Green, currently a Director of the North Los Angeles County USBC and Juanita's cousin, Charlene Wilson.

The afternoon was topped off with the facility serving everyone a bowl of Strawberry Ice Cream.

You can visit Juanita at Country Villa, at 6050 W Pico Blvd., Los Angeles. Room 215 (corner of Crescent Heights) or telephone her at 323-867-2366. Send her a note and tell her "what's going on". She loves that.

Juanita will soon celebrate her 90th birthday on July 15..... Stay tuned!

Chuo Outstrikes Fukumizu For The Title

Congratulations to Joey Chuo on taking his second JAT title of the season by staying tough on the drying lanes of Keystone last tournament. Chuo qualified 7th and took down Brandon Kraye (2) and Aaron Wilson (6) en route to meeting Preston in the finals. With Joey’s better ball speed and reaction he was able to take the title easily 248-200/216-165. Chuo takes home \$180 for his win while Preston banks \$80 for second place. Nice bowling all!

Jeremy Glover Sweeps Brackets – Clean 50 Carries Over

JST Local Bowlers Devin Bidwell & Cort McPherson Roll 300 & 811 Respectfully, No Titles at Harley’s Simi Bowl

SIMI VALLEY—It was a beautiful Sunday, good thing Lenni and I got a taste of what Devin & Cort have been driving for years to come to a JST. We were up and gone by 5:30 am and arrived at Harley’s Simi Bowl at about 7:30. Other bowlers found out the same coming from Palm Springs area, San Diego. It was a great turn out mainly through hard working efforts of Mr. Dino Bidwell, making sure that all the local bowlers and bowlers from neighboring centers were aware of the tournament.

A great big Thank You Dino for your hard work and support. I would like to thank Harley’s Simi Bowl for hosting the tournament. We can never say enough or thank our sponsors enough for their continued support of the JST and junior bowling, Roto Grip Bowling, Pins & Needles, Sports Innovators you truly help us keep this program going. The bowling was great and as the titles says honor scores were shot by the two major locals but did get them the titles of their respective divisions.

Hdcp Novice division was very good with 13 bowlers, at the end of qualifying Jenny Phandanouvang had taken the lead with 1030. Craig Lamb was the cut at 790. High game points went to Javier Zavala for his 236, and high series point went to Jenny for the 1030. Remember points were double this tournament. After match play Jenny still held on to the #1 spot, Michael Ma moved to #2 and Javier to #3. In the first match Javier def Michael 166 to 152, Javier was now up to meet Jenny for the title and again Javier rolled a 171 to def Jenny’s 147.

Intermediate div. I am sorry but the results are being held do to some incorrect averages which could result In disqualifications, the final will be posted on the web site.

Advance div. came to bowls; Brian Le from Camarillo brought his A+ game today leading the pack into match play with a 1266 +266, Tabetha Reynolds in 2nd with +148 the cut was Samantha Meyers at -8. No high game points or series were awarded they were shot by non members. High Game was 266 by Tabetha and series 1266 by Brian Le. But match play the picture changed Cort a center bowler and long time JST bowler made his move by rolling a 811 for the 3 match play games which put him in 2nd seat for the roll off. Brian Le held on to #1 and Tabetha took over #3. Cort didn’t let up against Tabetha and rolled a 247 vs her 185. Brian was able to hold on as the lanes dried out rolling a 212 to Corts 191.

In the Open div. we were at Devin’s house and he showed you why the first round of qualifying by rolling a perfect 300 and to lead the field into match play with a 1239 +239, Brandon Kraye made the push in the final games to make the cut to match play at +102. Devin gets the points for the high game 300, plus bonus points for the honor score, and series points for the 1239 so it is looking like Devin’s has the title for sure. Do not ever think that when there are good bowlers still trying! After match play the tide turned Jeremy Glover jumped into the # 1 spot, Devin dropped to #2, Eddie Sayles moved to #3 and Brandon Kraye to #4. Brandon came out swinging rolled 253 to def Eddie’s 227, next Brandon rolls 278 to def Devin’s 226, the final match Brandon fires a 234 at Jeremy who returned fire with a 237 for the win. What a battle fought by all.

The Roto Grip Raffle ball was won by Jeremy Glover. Right at a \$1,000.00 was handed out in scholarship, that what it is all about, earning scholarship, meeting and making new friends, and doing your best at something you like.

There seems to be some major conflicts with our next date so please stay up with the web site and watch this bowling paper for any changes. Until the next tournament be safe and bowl good.

Too Tuff Tony Tosses 21, Scores 300

by Roberta McNaught

Tony Hale, super sub of the 590 Classic rolled 21 strikes in a row last week at Linbrook Bowl. Starting off a little slow for him, he had a 200 and 181. Finding his line in the 5th frame of the 3rd game he put 8 strikes in the pocket for a 267. In the 4th game he continued where he left off and threw 10 “with out a doubt” strikes. On the 11th ball, the 6 pin danced on the deck before it fell, just before the rack came down. His 12th ball, as they say, blew the rack, making 21 strikes in a row and a perfect 300 game. Way to go Too Tuff.

The leading scorer and President of the 900 Club last week was Juan Sandoval with a 238, 270, 228, 246, for a fabulous 982 series. Other members were: John Conway 277/960, Rob Roberts 268/944, and Bob Gosnell 246/909.

More highs were: Gino Vassallo 248/885, Steve Key 245/882, Dan Baker 237/879, Frank Bellinder 257/878, Ed Harris 246/878, Willy Bordenave 258/865, Don Lorentzen 233/852, Stan Guzy 241/838, Ron Mahler 257/811, Janine Ditch 246/806, E.J.
