## Bowling With Class

by Nathaniel McCall

MURRIETTA—Bowling has always been a passion of mine since I was 13 years old. My Mother and Dad taught me how to bowl, and once I started, I never could put the ball down. I was a scorekeeper for bowling leagues through out my high school years. Once I went to college I still managed to find a way to bowl even while being a starter on my college football team.

I say all of this just let you know how much I love bowling. One of the reasons I decided to have a tournament was I wanted to do something special for the bowlers that has never been done before.

We are geared up to make this a special event that will allow bowlers to have a unique bowling experience, and an All-Inclusive Vacation, for them and their families. We

will have Limousine service to and from the ship from a designated location. There will be cash give away at the awards ceremony for those who did not cash out in the tournament.

My plans are for this to be one of the largest tournaments of its kind in three years. The pay outs will only grow from here.

By making this an All-Inclusive tournament which means you can eat as many meals as you like and have all the non-alcohol beverages (excluding soda) you want, attend any of the shows on the ship, and for those that like casino action; well that will be there to. I look forward to seeing you on the cruise. Log on to [Mccallgroupcruises.com](http://Mccallgroupcruises.com) for more details.

## PBA Experience Showdown

by Jason Thomas

ARLINGTON—It was a tradition unlike any other... well, not exactly. But at least the star players of the PBA Tour didn't scream out profanities and berate themselves after each shot like a certain fallen from grace golfer during this Sunday's PBA Experience Showdown.

For the first time ever (how many times have we heard that phrase uttered this season?) the Lumber Liquidators PBA Tour invited the winners of each of the five animal patterns (Norm Duke - Cheetah, Bill O'Neill - Chameleon, Rhino Page - Viper, Mike DeVaney - Scorpion and Jack Jurek - Shark), plus one lucky (well, at least until the poor guy started bowling) amateur (Kevin Reuer) to participate in a unique special event.

PBA Experience Champion Rhino Page

Reuer, who survived the nationwide qualifying process that involved membership in one of the fast-multiplying PBA Experience leagues, was thrown straight into the fire (not sure how he got picked

to go first, but I am sure that it couldn't have helped his chances or his nerves).

The format was for all players to throw one frame on each of the five animal patterns (Shark, Chameleon, Vi-

per, Scorpion and Cheetah), then sit down and watch as the rest of the competitors took their turns doing the same. After two rotations, each player would have a complete game, with the top two scorers advancing to a five-frame championship match.

Mr. Reuer, who we learned had quite an interesting back-story of survival (a birth defect caused him to undergo numerous surgeries) got off to a poor start (an open frame after a washout on the Shark), but bounced back with a strike on the Chameleon. He then converted a 2-7 split before finishing with another spare and then a strike on the Cheetah.

The pros then each had their turns, with Bill O'Neill holding a slight lead over continued on page 11

## "Strive For Five" Should Be USBC's Rally Cry at Convention

by John Jowdy

RENO—The USBC convention is scheduled for April 27-May 1 in Reno. Membership has been waning at an alarming rate and something must be done to stem the tide.

In order to generate added revenue, the USBC board of directors decided to permit bowlers to drink during the USBC National Championships. The decision did not sit well with bowling purists. Besides that, it will do nothing to increase membership and it is doubtful if the sale of liquor can generate enough revenue to make it worthwhile.

It's time for a change of policy. We NEED to do something different, something refreshing to increase membership o four or five million sanctioned bowlers. However, it will require an all-out effort and total unification of the USBC, BPAA and principle integers of the industry. And what better time to start than this year's USBC convention. In Reno, April 27-May 1.

For too many years, we have been depicted in sport circles as a bunch of beer guzzlers with towels dangling from our hip pockets. To borrow a slogan from Phantom Radio, we need to do something to "Save Our Sport" It's continued on page 6

## Mike Clemence Wins WCST Ebonite Singles at Silver Nugget Lanes • Frank De Filippo Runs Away With Super Senior Title

by Dick Sanders

LAS VEGAS—Mike Clemence (Las Vegas), won his 3rd WCST Championship in the Regular Division at the Silver Nugget Lanes, in N. Las Vegas, NV. On Saturday, in the qualifying, Frank led the nearest bowler going into this 6 man finals, by 235 pins. The rest of the field closed up fast, as he lost his 1st two matches, and the rest of the finalists picked up over 100 or more pins on him.

Eric Forkel, actually passed him by 30 pins, after Game #4. Eric at the beginning of the finals, 223 pins down to Mike. John DeBenedetta, and Joe Wilhite closed in on Mike & Eric, along with Tom Spigelmoyer gaining ground, then going into the position round, it looked like a horse race with all bowlers trying to finish in the highest place possible.

Gary Emerson, although finishing in the last place of the finals, bowled the highest scratch for the 6 bowlers with a 1407. It shows you how close the finish was. Mike ended up winning by 54 pins, due to his best game of the finals of 258, beating Eric Forkel's 217. Eric's loss dropped him to 4th place, with John DeBenedetta ending in 2nd, while Joe Wilhite, finished in 3rd place. Joe also rolled a 300 game in the qualifying on Saturday. A difference of only 75 pins separated 2nd to 6th. A total of \$2,000.00 was out for 6 checks, as the Regular Division, had 14 bowlers. We are looking to build this division again with the age eligibility, dropping down to 40 years old. 38 Super Seniors, entered, with a pay-off of \$5,435.00. A total of 12 checks paid out.

For 5 tournaments this year, a total of \$44,145.00 has been paid out, and for 303 tournaments, a total of \$3,520,226.00 paid out. 27 bowlers for the 5 game singles sweeper last Friday. Thanks to the Silver Nugget Lanes, for being our host, and thanks to Mr. Joe Chattin, for doing the brackets, and to ShellyWooley for all her hard work, getting scores and posting.

He led the qualifying by 92 pins to the nearest bowler, and eventually a 242 pin victory in the finals. Only other places to mention, Hal Wilber beat Jim Moran by 1 pin, to finish 2nd, with Jim ending up in 3rd place. Top 3: 1st, Frank, \$1000.00, 2nd, Hal Wilber, \$750.00, and 3rd to Jim Moran, \$600.00.

## Tiongco Wins 2nd ABTA Title at Cerritos

San Pedro & Usi Share A Sweet \$3,500 Match Game

Kong and Garrett Fire "300" Games

Match Game Still \$3,500 • Match Series Est \$2,600 • 3-6-9 is \$600

Oak Tree Lanes is our Host Saturday (One Day)

Saturday 12:00-1:00-2:30-4:00 & 6:00 PM Semis 7:45 PM

Schedule Mailed This Week • Las Vegas Rooms Being Sold Now!!

CERRITOS—Darrow Tiongco, one of our most avid ABTA Supporters got his second win at Super Scoring Cerritos Lanes. He made a big comeback in the title game to win, with a strong finish to edge top seed Alan Basto in the final frame for the title.

Darrow was not the only bowler performing well at Cerritos. We saw Michael Kong and William Garrett bowl perfect games. Alan Basto also copped the nice \$1,300 3-6-9 pot. Bohner San Pedro and Manuel Usi shared a sweet \$3,500 Match Game pot due to a 164 game which was drawn by Alan Basto for the Match Game for a sweet \$3,500.

The scoring was very good (high) and it took a huge +118 (men) and +70 for the ladies. Super Seniors added to the board were Don Eide, Romy Cajucom, and Bobbie Mc Collum.

A nice turnout of 217 bowlers saw 58 Semifinalists take the floor, of which all would cash and the top 16 to advance to the single elim finals with 3 women min guaranteed to the top 16.

The bowlers took the floor and the scoring was quite contentious with Alan Basto blasting a +236 to lead the field and in second was Demetrius Cash at +184. So Alan will sit out and bowl for the title. Cash to enter into the second round

of the top 16 finals. It took men +102 and Women +69 (3 Guaranteed) to make the top 16 Finals. Mamerto Jablan, Bryan Moore, Greg Kokanour, Richard Kee, William "Mr. 300" Garrett, Debbie Barrette and Noel Sicat were eliminated and cashed in at \$100 each in 10-16th places. Round Two had Mark Andrews, Jeanette Chang, Bart Sanchez, and Anthony Dancel fall out and cashed in 6-9th places and \$110 each.

Round three had Tiongco step up and down Andrews 223-206. Dana Le Count took out Mikey Villarreal 228-226 in a nail biter. The losers cash in at \$120 in 4-5 places with Dana and Darrow to meet for the right to bowl for the title against Mr. Basto. In this game Darrow edged the pretty, fun-loving lady 210-192. Dana was 3rd \$200 with Darrow off to the title game! Dana bowled very well.

The title game was on. Basto led off with a double and Darrow spared and came back with double of his own. Basto chopped a spare in frame 3 but doubled. Darrow also tossed two more for a four bagger and held the lead. Then for good measure doubled in the 8-9 frames and spare, 9 in the 10th for a 237/265. But Basto answered the call and how with a big four bagger in frames 7-8-9-10. Needing the second in the 10th, but come

up light leaving a shaking 8 pin. The title went to Darrow in a good close match! Great finish by both men.

Darrow is one of the good guys and a man well liked by all he is a happy person with a great sense of humor, and competitive! He took home a nice \$2,200 to wife Jo Ann. Congrats Darrow!!!

Alan Basto almost got there if not for Darrow's finish and that shaking 8 pin he would have won this one. Nice bowling Alan.

Great Bowling by Dana, also who could have been our winner!

Tourney Hi Qualifiers were Michael Kong +274 (his high series) and Dana Le Count +164 led the ladies. They will get paid entries for the fine bowling.

The Doubles were headed by Jilly Wong and Michael Kong with a huge 1627 and \$170. Marv and Godfrey Galsim had 1551 and \$150. Matt Garcia and Mike Villarreal 3rd 155- \$140. We paid 15 places and \$1,360 in the doubles.

The Match Game was matched as said as Bohner San Pedro and Manuel Usi split the \$3,500 pot and we go for another, and the following week also!

The Match Series was NOT Matched at Cerritos as Kong drew a 400 and this \$2.00 pot has a carryover of \$2,254. We will estimate it to go for

Tiongco ABTA Champion at Cerritos (L-R) Dana Le Count 3rd, her husband Brad ABTA Member, Darrow Tiongco (champion) \$2,200 Alan Basto runner up & Albert Llamas, Cerritos Night Mgr.

\$2,700 Saturday, and for \$2.00 you can't top that!

The 3-6-9 Pot was hit this week by Alan Basto and he happily took home a tidy \$1,300 for his fine effort. He is most deserving and the 3-6-9 is still \$600 this Saturday per our backup cash.

The weekly raffle winners were Danny Guevarra. Deluxe Bag, Greg Kokanour. Hammer Sauce Ball and Andrew Lung won the room for two nights in Las Vegas. Tickets are 6 for \$5 and we have a weekly drawing for the Bag, Ball and Las Vegas Rooms.

Darrow Tiongco hails from Norwalk, and an ABTA Blue-blood. He is an ABTA League bowler! He is married to a pretty lady Mercy and they have three boys Chris, Dave and Danny Jr. He used a ball drilled by Mike Wahl at Cerritos Lanes. He thanks Kmel, Ace Cordero, the Lim and Alcayde families and the ABTA Staff and his pal Alan Basto who is in the Fils, the ABTA staff, Pete Dumpit also and Cerritos for hosting us.

Alan Basto hails from La Crescenta. He is single and used a Track drilled by Rusty at Mission Bowl.

He is a regular ABTA member and looks forward to Las Vegas in July.

Dana Le Count is from Montclair, and married to a good guy Brad who is a faithful ABTA member. She used a ball drilled by Dave Edis at West Covina Bowl. She thanks Cerritos for the hospitality.

It was so nice to return to Cerritos where the bowlers and staff are great! Special thanks to John, GM, Ronnie, Taylor, and Albert! There were many new interests as 10 new members signed up with us there. Special Thanks to the fine Staff. They are just great there and we hope to return there on the new schedule.

It is History folks as Darrow Tiongco enters the archives as our latest champion at Cerritos Lanes.

Oak Tree Lanes is our host this Saturday with a fair but tougher shot (lower scores).

Check in Early. Squad times are 12:00-1:00-2:30-4:00 & 6:00 PM, Semis at 7:45 PM.

We are at Linbrook Bowl in Anaheim, next week, April 24 and then May 1 Bowling Square in Arcadia.

Get those Las Vegas rooms early this year. We have great rates and the South Point is a Great place! Until then!! It is July 1-2-3-4, \$8,000 min1st, and \$12,500 1st with Bonuses

New schedules were mailed this week, and if you didn't get one let us know or check the website www.abta1.com.

## Strive For 5 continued from page 1

great to feature Glow and Cosmic Bowling but this does nothing to increase membership...unless we can succeed in signing up many of these recreational bowlers.

We can begin with a rallying cry of "Strive For Five Drive"; that is a goal of five million members. The USBC needs to increase income in order to operate properly. This can be done in several ways. But an increase in membership is the first step. It is the primary goal, a goal that can be reached. Here is a six-point plan to jump-start the project:

1. Seek a dues increase, even if only for one or two dollars. This will not increase membership but it will add dollars to the treasury. Those who object to this slight raise at such a ridiculously low rate should try to buy memberships for golf or tennis associations.

2. There are thousands upon thousands of seniors who are not sanctioned in every state. Give seniors a "senior" discount, even as low as two dollars. Two dollars times whatever number of unsanctioned seniors can run up a tidy sum. This is one area where the USBC and the bowling proprietors must absolutely work hand-in-hand. It would benefit both sides. Perhaps a few free games of practice at specified hours would be an incentive.

3. Entice youth bowlers with lower sanction fees. Also offer some sort of incentive to junior bowlers for soliciting new members. This could add additional bowlers to the membership.

4. Select committees in all areas to canvas neighborhoods, private clubs, churches, and businesses and present the advantages of belonging to an elite sports/recreational group. I'm sure that most proprietors have these programs on their agendas... implemented by their employees. Nonetheless, a concerted effort by ardent bowlers and proprietors could double or triple the possibilities of added membership.

5. Explore possibilities for a USBC lottery for members only. Bowlers are a different sports breed. They may object to a dues increase but willingly gamble on anything. Each state has its own gambling regulations and many states do not allow gambling. A lottery would need similar recognition from ever state and each state would want a hunk of the money. Nevertheless, it's worth a try.

6. Concentrate on soliciting new members during the Glow-Bowling/ Cosmic Bowling events held on weekends throughout the country. Demonstrate the advantages of "belonging" to a league.

A big portion of these incentives would be in the form of free games by proprietors. But it would be worth the price. MANY proprietors offer free games to "regular" customers. These freebies are all contingent on slow periods of operation and are hardly costly. Some short-sighted proprietors will refuse to "give away" any of their business. But is this not promotion? Can anyone doubt that Denny's gave away millions of Grand Slam breakfasts during Super Bowl week? The dirty little secret is they made up for it in charging for coffee... anywhere from \$1.95 to \$2.25 per cup. How about all the give-away and coupon promotions and "early bird menus" offered by many topnotch restaurants. Look at the never-ending promotions offered by Burger King, McDonalds, Del Taco,

Taco Bell, and so many other major corporations? My wife Brenda and I are regular Del Taco customers on Tuesday afternoon specials of three hefty tacos for \$1.29. ...a great buy! But if you want a drink, you pay the full price. It's called PROMOTION. And these corporations are far larger than the BPAA. In addition, these food establishments have to spend money for their give-aways. Proprietors need only furnish a playing field at his/hers bowling center during the dull hours of operation. As a matter of fact, many proprietors feature bargains on lineage, beer, and other specials from the food concessions during dull hours of operation.

Is this a pipe dream or just a figment of my imagination? NO matter what, something MUST be done to save our sport.

The rallying cry at this year's USBC convention should be "Strive For Five"!

PANORAMA CITY— This writer regretted missing last week's news because my wife Dorothy and I were overwhelmed with sadness over the death of our next door neighbor's 95 year old mother that took over the days of mourning. I completely forgot to write my column. For the past 15 years, this sweet old lady, a native of Bulgaria, watched over our house while we were away from home. We will miss her for that. Our condolences go to her son and family.

**Kim Wroldsen Hits 288/758 In Her Kansas League**

OVERLAND, KS — Ken DeGroff passed on this news that former (1997) Deaf Team USA bowler, Kim Wroldsen nearly bowled a 300 game in her Kansas league last April 8. Kim started with 10 in a row and spared for a 288 and finished with 268-202 for her best 758 series that raised her average up to 205 for this season.

Back in 1996 at St. Louis, MO, Kim won the Deaf Women World Championship in which she set the women's record two games 473 series in the semi-finals. Also in the companion tournament National Deaf Queens, Kim set the high 4 games qualifying record of 874 before losing out in the quarterfinals.

Kim made the Deaf Team USA by finishing 2nd to Stacey Thompson also of Kansas in the 40 games trials conducted by this writer in 1996 at Council Bluffs, IA. They won the silver medal in the 1997 World Games for Deaf in Denmark. The World Games for Deaf was changed to Deaflympics in 2001. In 2000 Kim was too far pregnant to try out for the 2001 Deaf Team USA also conducted by this writer at Rochester, NY. So having only 5 women on the Deaf Team USA, this writer asked Kim to apply for the 6th women on the team but it was turned down by her doctor who said she was not well enough to travel and compete in Italy.

Few years ago Kim reported that she hit a 270 in a league and reported back a week later with another 270 in another league. So with her recent 288 she may be warming up for a 300 soon.

**Deaf Travel Did Poorly As MacMonagle Led With 760 At Cal Bowl**

LAKEWOOD — After coming off a great scoring effort at Oak Tree Lanes, the 50th anniversary So. Calif. Deaf Traveling League hit a bump in its stop at Cal Bowl. Though Cal Bowl dressed its other side lanes well enough, the deaf bowlers never felt comfortable bowling on this short side. The result was a lowest scoring session of the season.

Only 8 bowlers made the honor roll and there were no 800s with Leroy MacMonagle leading for the 2nd straight time with his 760 including 213-209. Previously at Oak Tree Lanes, Leroy led with 266/924. Also there was no team scoring 2700 team series to make the team honor roll. The highest was 2655 by Mid City.

The powerful dominating league leader Beach Cities finally fell badly losing 19-6 to 3rd place Quad Cities which gained 13 points to shorten Beach's lead from 30.5 to 16.5 points. Second place Riverside also won 19 points from Sunland to gain 13 points and is now only 15 points behind first place with two travel stops to go. Other teams made gains were Mid City's 19-6 win over Orange County and S.F. Valley's 18 to 7 win over El Camino Village.

Behind MacMonagle's 760 were Pablo Yoma with 731, Ed Abakumoff 722, Ken DeGroff (200) 718, Lonnie Jones Jr. 708 and Connie Marchione 701. Frank Sotelo rolled a 209 and besides Beach Cities' surprising fall, the other bright star on the day is Celia Salcedo taking over the ladies season high game with her 217.

This writer thanks Cal Bowl manager Leonard Ruiz Jr. for hosting our league because he is one of the few who bowled over his or her average that day on that side of the house. The next travel date is April 25 at AMF Cerritos Lanes.

# HALL OF FAMER JOINS ELITE CLUB AT USBC OPEN CHAMPIONSHIPS

RENO—United States Bowling Congress Hall of Famer Les Zikes of Palatine, Ill., has a bowling resume filled with accomplishments at the USBC Open Championships, and he added another milestone to his legacy at the National Bowling Stadium on Thursday night.

The 75-year-old right-hander entered the 2010 USBC Open Championships needing just 272 pins to become the newest member of the tournament's elite 100,000-Pin Club, and he got there in the seventh frame of his second team game. As always, his wife, Mary Cay, was by his side, and he was joined on the lanes by his granddaughter Cathy Kipp and his son, Lyle.

Zikes posted games of 171, 178 and 150 for a 499 series as he became the 12th bowler in 107 years of tournament competition to eclipse the 100,000-pin mark. Late USBC Hall of Famer Joe Norris of San Diego tops the all-time pinfall list with 123,770.

"Tonight was very special," said Zikes, who is the proprietor of Beverly Lanes in Arlington Heights, Ill. "I was hoping to bowl better for my teammates, but it was a big thrill. I only needed 272 pins to get to 100,000, and for a minute, I thought it was going to take me all three games to get there. I do feel very proud and very fortunate to be able to bowl for that long."

Zikes began his Open Championships journey at the 1950 event in Columbus, Ohio, as a curious 15-year-old. Just 12 years later, he claimed the first of his six titles as he helped Strike 'n Spare of Chicago to the top spot in Regular Team at the 1962 tournament in Des Moines, Iowa. He added another Regular Team title in 1963 and Regular All-Events and Team All-Events crowns in 1964 to become the only bowler in history to win in three consecutive years.

The hall of famer later took home the Classic Singles title in 1975 and Classic Team in 1977. He also is a two-time Professional Bowlers Association national champion and a three-time winner on the PBA Senior Tour.

Over the years, Zikes also found international success, winning gold medals at the 1963 and 1967 World Championships and the 1964 Pan American Bowling Confederation Championships.

"I have had a lot of milestones," Zikes said. "To win three consecutive years against that many bowlers, you have to be at the right place at the right time. I have had so many big thrills, and tonight, achieving 100,000 pins and receiving a crystal pin was another one for me. I am so lucky to have been at the right place at the right time. Someone has been looking out for me."

Although Zikes has made 58 Open Championships appearances, every year seems like his first.

"I still get goose bumps when I walk down Center Aisle," Zikes said. "When a team walks down the Center Aisle, they may act nonchalant, but they are really nervous. There is something about this tournament that 70,000 bowlers look forward to. I still feel the butterflies when I walk down the aisle, and I hope I always will."

There aren't many milestones left for Zikes to achieve, but he does have his eye on making 60 Open Championships appearances. Only 13 bowlers have reached the 60-year mark.

"If I'm healthy, I will be back," Zikes said. "The last few years, I have had a few physical problems, which has not allowed me to practice like I normally would. I feel pretty good right now, and if I feel this good next year, I will be back. So if I am healthy, I hope to reach 60."

Zikes closed out his 2010 tournament campaign with 581 in singles and 513 in doubles for a 1,593 all-events total. In 58 years on the championship lanes, he has knocked down 101,321 pins for a career average of 199.8.

Presenting sponsors for the 2010 USBC Open Championships are Circus Circus, Eldorado Hotel Casino and Silver Legacy Resort Casino in Reno, Nevada. Other sponsors include Sands Regency Casino Hotel, official brackets sponsor, Kegel, official lane maintenance provider, US Steltronic, official scoring system, and supporting sponsors Storm Bowling Products, UPS, Nationwide Insurance, Atlantis Casino Resort and Spa, Harrah's Reno Casino and Hotel and Peppermill Hotel Casino. continued from page 1

Mike DeVaney (O'Neill went spare, four-bagger while DeVaney went four-bagger, spare) heading into the second half, with each of the other players holding onto a chance to qualify for the final.

The highlight of the first five frames for me was Norm Duke, who is always unfailingly polite in any social situation, giving a curt answer to Rob Stone's question, "Did you learn anything from watching (Reuer)?" Norm's one-word reply? "No." Oooooooooooooo-Kay. Moving right along then. Of course, why would he be considering Reuer is a lefty bowler for his first time on TV?

With O'Neill coasting to a 255 score, the second five frames came down to a battle between Duke, Page and DeVaney for the second spot in the final. Duke's chances were ended when he failed to strike out on the pattern he'd won on during the season, as his first shot in the 10th checked up early leaving a 9-pin on a tripped-4 hit for 213. DeVaney squandered his early four-bagger with a big-four in the 7th, then also failed to strike out on Cheetah when his first pitch in the 10th also hooked high, leaving him with 217.

Page, who actually went third in the rotation, had posted a respectable 223 score when he overcame some issues on the Shark and Chameleon by finishing with a late hambone in frames 7-10.

The score (unlike Anthony Kim's late heroics at the Masters) held up and Page, like fellow lefty Phil Mickelson, punched a ticket into the finale.

This five-frame showdown saw Page continuing his struggles on the Shark, as he missed the headpin for the second time in three shots (his other shot left a 3-4-7-9, which he converted). Page was able to right the ship, however, following his frame one spare with strike, spare strike.

O'Neill threw a quick double, then a nine-spares, but pitched one wide on Viper for a difficult 1-2-4-10 washout. After failing to convert, the best he could do in the end was post 104 with three strikes on the Cheetah, which he did.

Page then needed the first strike in the 10th and seven pins for the win, and he calmly stepped up, threw his urethane ball (designed not to overhook on the massive friction of the Cheetah pattern's outside boards) way out and back for a pretty strike.

He then hummed his spare ball down the middle for the necessary count and grabbed the \$25K first-place check for his troubles (O'Neill collected \$13K for second).

Overall, the telecast was a solid showcase for the PBA Experience program as well as the new USBC headquarters in Arlington, Texas and some in-show features provided us with a tantalizing glimpse of the new facility.

Personally, I was disappointed not to be able to make the trip. I would have loved to throw a few shots with the "glasses cam" and make everyone seasick watching my head bounce up and down like a PDW bobblehead doll. Or check my grip pressure to prove, empirically, how much I actually squeeze the ball.

And considering how golf's Masters ended a few hours later, Sunday was definitely a great day for lefties. Congrats to Rhino! And Phil! See you all next week for the Women's Series Showdown!

## “KATIE JAKES BAR AND GRILL” Takes Five From “THREADWORKS”

DOWNEY — That’s only half the story! By sweeping “THREADWORKS”, “KATIE JAKES” jumped into first place for round four, and ‘THREADWORKS’ dropped to fifth.

Next Monday two powerful top running teams will meet for the final time on the current lane condition — “KATIE JAKES” (25 wins) and “WESTERN PACIFIC” ( 23 wins). “WESTERN PACIFIC” is already a round winner and has secured a spot in the final roll-off for the big bucks. So “KATIE’S” crew will be out to win!

“HERZOG INSURANCE” (23 wins), “BRYLAW” (22 wins) and “THREADWORKS” (22 wins) are statistically still in the hunt.

The averages on the next league sheet are the ones being submitted for the 2010 average book. Jon Brandon at 218 tops the list, followed by Billy Myers Jr. 209, Vernon Adams 208, Paul Barraco 206 and Leonard Ruiz Jr. 206. All down 3 or 4 pins, except Adams who is up 6 pins. On the tough conditions, that’s pretty impressive Vernon!

Alan Mojado peeled off the best series of the week 243-278/755. Billy Myers Jr. knocked over a few pins himself 249/706. Raul Rosales was solid at 256/685. Paul Barraco banged out 246/668. Shane Soper socked a 230/664. Greg Neuer grabbed a 258, and Larry Stephens logged a 243.

Watch next weeks match-ups! Sparks will fly and scores will soar — that’s a guarantee!

## JIM MURTISHAW One League Three 800s!

by Frank Weiler

MURRIETA—From PBA Champion to CITRUS BELT senior striker...that’s Jim Murtishaw. After staying off the lanes for a number of years, Jim is back!

And like Jack Nicholson, back in a big way. Bowling in only one league, Jim just rolled his third certified 800 series (300 - 256 - 268 = 824) of the past three months. He has also bowled 807 and 811 this season. This latest “eight-sum” has raised Jim’s average to a league high 235.

Other recent high three gamers at CAL OAKS BOWL on Thursday night include a 801 (by ROD BASSETT), 758 (KEN CLAY), 756 (RYNE CUNNINGHAM), and 737 (DAVE COOK and FRANK WEILER).

The bowlers at Cal Oaks Bowl would like to thank the BOWLING NEWS for supporting them and their accomplishments on the lanes. BOWLERS - TELL A FRIEND TO READ THE BOWLING NEWS. This great newspaper is the only publication in SOCAL that supports us.

## Missed The Deadline?

NORWALK — The special box on the front page of the Bowling News was designed to honor any bowler shooting 300, 800 or 700 for the gals.

The only requirement is: The score must be verifiable, shot within the past 7 days, and e-mailed.

Today we received a great score from La Habra for Robert Stammerjohan, 300/815 shot on April 2, 2010. Sorry, John, too late for the front page!

## PHIL PERRETANO Passes On

by Frank Weiler

MURRIETA—Longtime local lane legend Phil Perretano headed for his eternal reward last week after 83 years on planet earth. Phil loved bowling and achieved excellence on the lanes, for over sixty years. At the time of his passing, he was averaging 202 at Cal Oaks Bowl. A two plus average at 83 years of age!!! He averaged 200 plus for years, had eight 300 games and an 803 series to his credit.

Perretano had a great personality, with a smile always on his face. He loved to tell jokes and reminded me of Bob Hope because of the way he could deliver one liners.

We will miss Phil on and off the lanes, and look forward to seeing him again in hardwood heaven. Thanks Bowling News for keeping our local bowlers aware of what’s happening on the lanes.
