Agnes "Rose" Duffy Passes at 92

by Mary Lynly

SONOMA — Agnes Duffy, a name synonymous with bowling passed away peacefully on April 8, 2013 in Sonoma, California. Responses to her passing brought numerous comments about all the lessons learned from "Duffy." Named Agnes Rose, she was born in Watertown, New York and eventually migrated to California where she made her home in Richmond and later in Sonoma. Most of her years in California were spent sharing her home with Dottie Schultz, a friend she met when both of their husbands were in the service.

What defines a person like Agnes Duffy? Among the many responses to her death were: "Great lady, dear friend, mentor"; "I thought she would live forever"; "Shared knowledge"; "When Duffy spoke, we listened"; "Fortunate she was in our lives"; "Special Person, great gal"; "You knew where you stood with Agnes"; "God has a very special angel"; "Great leader — full of knowledge and strength"; "No one like her!" "One of our absolute best and most enjoyable colleagues, friends and confidants during the "good bowling days"; "Intimidating, but turned into respect and admiration"; "Intelligent, humorous and caring.".....and Agnes Duffy was all of that. Memories were revisited about various adventures, among them when Duffy drove. They said sometimes the driving was good and sometimes — well, maybe not so good — usually got lost but all had a ball. She loved driving and we all wondered what her insurance was because of the number of fender benders she had. The CWBA office was one of her favorite places to assault a small metal pole over and over again! She would tackle anything and she fished, bowled and golfed with her long time friend Dolores Ruppel who came from Guaymas, Mexico to surprise Agnes on her 90th birthday.

In Sonoma she was delighted when the mobile home she purchased had 35 rose bushes and she loved tending them and sharing with anyone who visited. One of her greatest disappointments was giving up driving after she suffered a stroke. Being an indepen-

dent, but logical person — she accepted her fate and sold the car. She was a no-nonsense person and when Duffy spoke — everyone listened. She was never one to hog the conversation in a meeting. She would listen and then, when she did speak it was usually profound. As a leader, she kept her finger on everything going on and said, "I don't ever want to be embarrassed by my flock being unprepared because that reflects on me."

She was president of the California WBA served on the WIBC board of directors for 18 years. She is a Member Emerita of the WIBC, Life Member of four associations, a Hall of Fame member of

TOM SMITH BOWLS 805

by Frank Weiler

REDLANDS — Tom Smith rolled his first 800 last week after years of outstanding bowling, including averaging 200 plus for twenty years. His current average is 224 after posting a book average of 225 the previous two seasons.

Tom used his Hammer Infection to score 805 (268 - 279 - 258) and lead his team to three wins. The ball was drilled by MARV SARGENT using the Morich Dual Angle drilling system.

Sargent has been drilling Tom's equipment for years now and I believe has been very instrumental in the big upswing in Tom's game. Marv is an experienced PBA competitor and skilled ball driller. He is a close friend of Tom's and has taken an active inter-

NATIONAL DEAF BOWLING NEWS

by Connie Marchione

FORMER BOARDED-UP AMF BOWLERLAND GONE & LEVELED

VAN NUYS — In its 53 years, Southern California Deaf Traveling League had bowled a couple years or more at about 50 different centers in Los Angeles and Orange counties. Many of the centers were no longer in operation including the league’s favorite big centers Grand Central Bowl in Glendale, Wonderbowl Downey and South bay Bowling Center in Hawthorne. Also gone were centrally located Hollywood Legion Bowl, Hollywood Star Bowl and Holiday Bowl.

Now there is a surprise that AMF Bowlerland in Van Nuys, which had been closed and boarded up for nearly two decades, is at present gone and leveled. Before AMF Bowlerland was build, a mile north up the boulevard the former 48 lanes Panorama Bowl was changed to roller staking and ice staking rinks. The Los Angeles Kings Champion Hockey team once used to practice there.

DEAF TRAVEL STOPS IN CAL BOWL SUNDAY AT NOON

LAKEWOOD — So. Calif. Deaf Traveling League makes its scheduled stop at Cal Bowl this Sunday at Noon. Because the league rules do not allow subs on the last two sessions, all bowlers must be there.

League leader Leroy MacMonagle’s Orange County team with 22 points lead faces 8th place Bob Jones’ S. F. Valley team. This will be exciting battle because MacMonagle also led in average with 196 and Jones is second.

Second place Robert Audette’s Whittier faces 5th place William Golyer’s Anaheim which is 33 points behind leader. With only one point separating third place LA County and 4th place Riverside, their contest is for positions for next session’s season ending position round.

The league had decided to have its sweeper on May 18 at a center it never touched before, Yorba Linda Bowl.

Concentration

by Robert Ellison

During the game of bowling - we tend to either “under” concentrate or “over” concentrate. Under meaning we are not focusing on what we want to do; over meaning we’re thinking too hard on what we want to do. Theres a fine medium in focusing on our game.

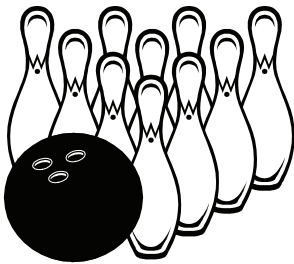

The term concentrate means “focus on the subject”. This is one of the most important aspect of bowling. Visualize your bowling form as if you are shooting a movie on your form in your mind. This is where you focus on your form: walk, approach, swing of ball, and release of ball. Watch the ball roll down the lane and enter the pocket and STRIKE! This is the power of positive thinking~

We concentrate and thinking about what we want to do prior, during, and after we throw the ball. When you are seated on the lanes- focus on what you want do on your next shot. When we’re on the approach- focus on each shot one at a time- focus on the execution and not the outcome. After we throw the shot, we go back to the sitting area and start the cycle again.

Remain calm and stay positive thru out the shot. By staying calm- use breathing technique and relax. Get rid of any negative thoughts- breath in the postive and breath out the negative.

Bowling is a game where we need to focus on each shot- frame- and not think ahead. Its important to remember we are not perfect all 12 frames (if we were - then we’d shoot 300 every game!). The greatest bowlers continue to strive on making each shot importation - Keep you mind focused on what you want to do- remain focused on your target- and finish strong.

Until next time - good scoring and keep on striking!

WIBC, California State and the Richmond and Alameda County local associations. Her employment years were spent working in the Import Export field in Europe and the Far East and Mid-East areas.

Agnes rose to the leadership ranks in every bowling association of which she was a part and continued to support any and all bowling endeavors. She began bowling in 1940 and bowled in the CWBA Championship tournament 56 years and the WIBC tournament 53 years - something accomplished by very few. She is also a two time trophy winner in CWBA tournaments

The California Golden Nugget newsletter was the brain-child of Agnes Duffy in 1950 and she was its first Editor. She originated California WBA sponsored Clinics; Chaired the Membership Promotion movement in California and from that the CWBA sponsored Instructor Course originated. She spearheaded the formation of the California Senior Women's Tournament and the California Princess Tournament and served as the first chairman of both. As chairman of the California BVL Committee she expanded the program to include the men's associations and did the oversight for gift purchases for the VA and Military hospitals.

In the formative years, Agnes was a WIBC State Service Representative for eight years organizing 20 local associations in California and later, National Coordinator of Membership Development and an ARC (Area Recruitment Coordinator.) She was an American Junior Bowling Congress (AJBC) director, National Bowling Council treasurer, National Bowling Hall of Fame and Museum director and president and a Young American Bowling Alliance (YABA) director.

She was Editor of the National Women Bowling Writers publication Knows for News and the recipient of two of their special awards: Mary Jannetto Award for Outstanding Bowling Promotion and the AMF Helen Dual Award for Contribution to Youth Promotion and Coaching. She was the first recipient of the WIBC Membership Development Volunteer of the Year - Agnes Duffy Award, named in her honor. She also served as a Director on the BWAA board of Directors and was President of the California Bowling Writers. She found no task impossible.

In her retirement in Sonoma it was no time at all before she was involved in the mobile home park's home owner's association. She became president and did all the work on incorporating the group. Everything Agnes Duffy was a part of was a success - a life well lived. Services will be held in the New York area on June 15, and later on in Sonoma, California. Cards may be sent to her niece Stacey Klimczak, P.O. Box 552, Yorkshire, New York 14173.

Why Do People Bowl?

Some people bowl because it is their way to make a living.

Some people bowl to be with their friends, mates or family.

Some people bowl to get away from friends, mates or family.

Some people bowl because they like being frustrated, bitter and unhappy, and bowling gives them a little of each.

Some people bowl because they like being satisfied and happy, and bowling gives them a little of that.

Some people bowl just because they were asked to bowl.

Some people bowl because it is an inexpensive entertainment.

Some people bowl because they like to throw things.

Some people bowl because they were lousy at every other sport and figure bowling is an easy game.

Some people bowl because they were good in other sports and figure when they can't cut it in football or baseball or other sports, bowling can still keep them competitive.

Some old people bowl to stay young.

Some young people bowl to learn how to mature.

Some people bowl because they like to talk.

Some people bowl because they like to listen.

Some people bowl so they can have something to brag or complain about.

Some people bowl because they have some excuses left over from other life encounters they lost.

Some people bowl because they found a bowling ball or pair of shoes in the attic or cellar.

Some people bowl because it gives them license to get out, have a drink, wear outlandish clothes, and yell a lot.

Some people bowl for exercise.

Some people bowl to get a away from the cares of work or home, then end up caring more about home and work because of the new cares bowling brings.

Some people bowl to make out.

Some people bowl because they saw a pro on TV and figure they can do better.

Some little people bowl because their mothers and fathers make them bowl.

Some people bowl because for a tiny sum they can use million dollar equipment.

Some people bowl to lose their inhibitions and some people bowl to put themselves on exhibition.

Some people bowl because they like to laugh, and cry, in no special order.

Some people bowl because bowling centers can be a home away from home.

Some people bowl because they want to win a trophy of some sort, and almost every bowler can win a trophy at one time or another.

Some people bowl to lose weight.

Some people bowl to throw their weight around.

Some people bowl because it's one of the only things they can do.

Some people bowl because it's the only thing they want to do.

But all people bowl because they enjoy it, gain something from it in some normal or peculiar way, and because bowling is truly the people's pastime.

Letter to the Editor

Dear California Bowling News Readers,

My name is Sheila Lawton and I am the mother of Del J Anderson II. The purpose for my letter is to inform your readers of the highest achievements a bowler could ever dream of, that is, a perfect game.

On Saturday, April 6, 2013, at approximately 10:30 AM (PT), at Arlington Lanes in Riverside, California, our son Del J. Anderson II bowled his first 300 game in a sanction USBC Youth League using a house ball. Del has been bowling since the age of four years old, and has participated in numerous youth tournaments. He was diagnosed with Autism at the age of four years old. Although he struggled with his speech, his academic studies, and socialization skills, he has always managed to do things his way. His determination is to be commended.

As a child in the world of Autism, there are many struggles that come with this disorder. But one of the challenges my son continues to face in this world, is the struggle of acceptance from his peers and adults. Over the years, we have introduced our son to many sport related activities. He has participated in basketball and baseball. Although he enjoyed the excitement of the sports, he did not find it as attracting than the sport of bowling.

We did not realize that our son had so much talent. As his parents, mentors and coach, my husband and I are also avid USBC Members and active bowlers and have always encouraged our son to excel in anything he wanted to do. Amazingly, he chose the sport of bowling and has become a great bowler, who has finally captured the attention of his peers and is highly accepted with the utmost respect.

Del has been inspired by many professional bowlers. His favorite PBA bowler is Jason Belmonte. He enjoys watching bowling every Sunday on ESPN. He is very savvy with his knowledge of the different lane conditions, how the ball reacts on the lanes and all the bowling lingo that comes with bowling. His favorite saying when he is competing is, "PEEL BALL" and "THAT'S WHAT I'M TALKING ABOUT BABY"!

Del is the joy and inspiration of our lives and he has touched so many people. We congratulate our son for such a great accomplishment and a job well done!

ABTA at Westminster Lanes 1 day Event Beat the Board Finals

FONTANA — We returned to Foothill Lanes where we saw a decent shot and 155 entrants come out on Saturday for a fun day of bowling. The cut scores were +74 for the men and +57 for the women, on a medium shot this week. The Super Seniors added to the board (two men and one Woman) Sierrrie Herradura +43, Glenn Matsumoto +37, and Walter White +30. Super Seniors are men 63 and over, and for the women you just need to be a young 55. That would give us 42 bowlers making it to the semi-finals.

High qualifiers for the tournament were Emilio Flores for the men with a +171 and for the women it was Kerry Lucka with a +154. They will get a paid entry into a future regular ABTA event. Each week our top seed draws the Match Series, and this time it was worth \$2,510. Emilio drew a 662. We had no one match that so it will carry over to Saturday and estimate the Match Series at \$3,900 at the Westminster Lanes event. This week we saw William Garrett be the last one standing for the shot at \$800 in the 3-6-9 roll off. He was not able to convert on the five shots and took home the \$50 consolation. We will go for \$900 next week at Westminster Lanes.

In our optional doubles,

finishing in first were Emilio Flores and Bryan Moore with a 1484 for \$130. Finishing in second was Emilio Flores and Lito Dizon with a 1440 for \$110. There was a total of \$1,660 paid out in doubles and 28 paid spots with low to cash of 1346.

The Semis took the floor. After the three games in first was Gerald Baker with a +137. Coming in a close second was Angela Lung at a +123. Angela would sit out the first round. Gerald had the honor of drawing the Match Game worth \$2,515. Gerald drew a 261 and after a review of all the scores bowled, no bowler shot that score. So we will estimate the pot at \$3,800 for our next event.

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Carlos Umana, Tomas Chavez, Go Go Brown, David Dittlinger, Sol Cericos, Darren Garcia, and Tip Jeensalute; each will get \$100. In the second round, the four losers were Angela Lung, Ed Palma, Lito Dizon, and Ada Wong. Each got checks of \$110.

Now down to the final five bowlers. The weekly horses are paying a low of \$36 Emilio Flores to a high of \$114 Pedro Cintron. In one match, the ninth seed Pedro Cintron ver-

sus Emilio Flores the eleventh seed. This was another of the good matches that saw both bowlers battle all the way to the end. Emilio would not shut out Pedro in the tenth frame. So when Pedro came up he needed to double and get a good count. He was able to get the first two strikes but a 5 count on the last ball would not be good enough. It was Emilio who would advance with a 150/198 to 171/196. In the other match, Justin Ziegler the fourteenth seed versus Don Quitangon the seventh seed. This match was again another good match that saw both bowlers bowling hot. In this one Justin who was hotter would finish with a 235/259 to 210/239 to advance. Both Don and Pedro finished in fourth and fifth getting checks for \$120 each.

Our semi-final match put the fourteenth and eleventh seeds. Emilio paying \$36 and Justin paying \$54 if they would win their match. This again was another good match from both bowlers. They would both battle, and it was Justin who had a couple of early opens that he was not able to recover from in this match. Nevertheless, this was a match that belonged to Emilio as he would finish with a 257/305 to Justin's 231/255 and advance

Gerald Baker Wins His First ABTA Title at BRC Foothill Lanes - Gerald Baker bowled well and took home a tidy \$1,850. Fom the left are Justin Ziegler 3rd, Champuion Gerald Baker, Janice Meloon the Pride of Foothill /ABTA Member and Emilio Flores (Runnerup) \$500.

to the title match. Justin would take home \$200 for his third place finish. For those lucky "investors" that had Emilio as a horse, he paid \$36.

The title game was all set with our qualifier the Gerald Baker going against house favorite Emilio Flores. Gerald would start out with a spare, but Emilio would match him . Gerald came back up for two more spares and a strike by Emilio in the third would give him a 21-pin lead. A spare in the fourth by Emilio would bring Gerald back up and he would get a double. Emilio would leave back to back splits in the fifth and sixth frames. Gerald came up with a spare and strike to take a 13 pin lead after six frames. Emilio would not be able to recover and Gerald would finish with a 230/261 to Emilio's 172/220 to win his first ABTA championship. . He would take home \$1,000 for the victory and an additional \$850 for cash and carry to give him a total of \$1,850. Emilio would take home \$500 for his second place finish.

Champion Gerald Baker is from is San Jacinto and he used a Storm Fiesta drilled by Aarik Torres. He is single, but taken by Heather his girlfriend, he has two children in Jaidon and Nevaeh. He would like to thank Billy Yount D. A., friends for all their encouragement, this win is for Tremaine Robbins, former ABTA Member who passed away in 2009.

Emilio Flores, Second Place, is from Fontana and used a Brunswick ball drilled by Marv Ssargent. He is single and would like to thank his friends at Foothill lanes, Peng-sean, Carlos, the ABTA and its staff.

New Sponsor 'FINANCIAL ADVISORS' is Adding
Money to Super Pots and Sweepers

The Financial Advisors Super Sweeper Sidepot

\$10 weekly entry fee per bowler, with half of the money being paid out each week, and the other half going towards the huge payouts on sweeper night at the end of the season.
With 47 entries on Monday, the Financial Advisors sidepot is looking at \$235 in the weekly sidepot and \$9000 estimated for sweeper night. The top three series will get paid, as well as the top 16 games bowled that night. Bowlers are eligible to cash in each game.
Financial Advisors Super Sweeper Sidepot, will be adding \$1,000 to the total collected. If you win 2 Super Pots all season you'll be ahead before we even get to sweepers with the \$9000 payout. 100% of all money collected will be paid out for the season.

PRO APPROACH AND TIFCO
DUEL FOR ROUND FIVE TOP SPOT

DOWNEY — This past Monday was April 15; Income Tax Deadline and Booking Day for 2013 averages. The Ebonite has their own book of rules on averages, so you need to read the fine print before building your team for next season. (6 teams have already signed up!) More on that later.
If PRO APPROACH and TIFCO had bowled each other THIS week it would have been a close call. TIFCO 2212 total pins / PRO APPROACH 2206 total pins! They seem to be pretty well matched with 9 points each this round.
POWER HOUSE VIDEO GAMES (8) will be taking on GJC SERVICES (6), while J.A.T. and A.B.T.A. with 6 points each face-off.
Time is growing short to capture that #5 spot!
Greg Neuer popped the high series of the night 229-238-227/694 but never got a sniff of a side-pot. Cash wise the pots are growing! Kurt Arakaki took game one with 254, Anthony Barone (who has been working on his game—practice, practice, practice) will bank the bucks for his game two 243. Matt Garcia corralled the big third game pot with a 240.
Ken Di Iorio knocked at the Financial Advisors door and collected \$245 for a 249 game.
Checking the high average list - - -. Bobby Campagnale wrestled the lanes for a 210. Keith Laing out lasted the oil to post a 209. Mighty Mikey Villarreal for 90 games nailed a 208. Billy Myers Jr., Greg Neuer and Ramon Torres were happy at 206.
Our "Thanks for hanging in there" this week goes to Ricardo Baca. He came into the league at 185, but for his 75 games he could only muster a 155. (Which I believe is close to national average for all male league bowlers, maybe 165?)
How about Jessica Diso! 178 for 84 games and Jamie Rovner 189. Way to go girls!
Jamie (636), Lee Liu (485), Greg Neuer (694) and Kevin Valmonte (544) just happened to slam the team high series this week for GJC SERVICES, a

proud 2359 against the VERY even CLYDES gamesmen.. Check this; Ramon Torres 539, Leonard Ruiz 539, Joe Jimenez 536 and Chauneu Merritt 542. Could have been a USBC AWARD winner!
Come watch — we got baseball, basketball, bowling and boxing; on the lanes and on the screens.
