## 3 More High Roller Senior Titles!

LAS VEGAS—Easter week at Sam's Town Hotel, Gambling Hall & Bowling Center was celebrated with 3 separate Senior Classics producing 3 more 5-figure champions! They were High Roller champs #162, 163 & 164. More than \$330,000 was disbursed!

The entire Classic series is sponsored by Roto Grip and 100 of the new Mystics were awarded to players during the 3 events. Many players had them drilled in the Sam's Town Pro Shop and cashed with them.

Jim Starks finally grabbed his long awaited 1st High Roller title as he bested a field of 170 players in the Age 60 & Over Classic. Starks, the 60 year old from Montclair, CA, asserted himself early in the week as the one to beat as he won the opening Sweeper and never looked back.

Actually, if he did look back, he saw former High Roller champ Ron Degroat chasing him.

Degroat, from Las Vegas, was making his 60 & Over debut and, like Starks, was having a great week, knocking down pins at a tremendous rate, winning a Sweeper along the way. So the 2 squared off in the title match, Starks winning 266 - 235. Starks took home \$10,000 and Degroat earned \$5,000. Year in and year out, Starks and Degroat have proven themselves as 2 of the best bowlers in the field and the large crowd was treated to a great match.

Chet Steengrafe and Dino Cantoria advanced to the Semifinals, just a game away from the Title Match.

Next up was the main event, the 15th Senior Easter Classic. Mark Estes, 58 years old from Grapevine, TX was only eligible for this Classic and certainly made the most of it by defeating 66 year old Curtis Cage for the \$15,000 top prize - his 2nd High

## Del Rio Lanes Scrambler Results

DOWNEY—Saturday, April 14th, 30 anxious Adult/Junior teams signed up early to SCRAMBLE! The games were fun, high scoring and all teams were competitive.

When the last pin fell and the scores were totaled — the first place bowling ball went to Jason Hoppe (adult) and his junior partner Kevin Jones.

Second place trophies went to Greg Jenkins (adult) and his junior partner Jesse Cortez.

Youth Director Christine "Teeny" Tarvin at Del Rio Lanes thanks all bowlers who participated and challenges more duos for the next Scrambler.

## Kent Rolls to Riches

**Doug Kent capped a dream season with a win in his first Motel 6 Roll to Riches appearance.**

COLUMBUS, Ohio—It's hard to top a season in which you win two Majors and set a career-high in earnings, but 18-year Denny's PBA Tour veteran Doug Kent added to what was already a dream season.

Kent defeated Norm Duke, six-strikes-to-three, to win the third annual Motel 6 Roll to Riches special event and take home the \$150,000 winner-take-all top prize.

The final round consisted of a Race to Six Strikes, with the first bowler striking six times taking home the title.

Kent jumped out to the early lead, striking with his first shot after Duke had missed on his first. Though Duke struck with his next shot, he got bad breaks in his next two frames and Kent capitalized to take a 3-1 lead.

After missing with his next shot, Kent struck twice in a row to put Duke on the ropes, but he missed in the next frame to give Duke another chance. Duke could have pulled within one, but the 5-pin wobbled and stayed up and Kent struck with his next shot to win in his first Motel 6 Roll to Riches appearance.

"It's a great finish to a great year. You come in here against five of the best players in the world and you think, 'what are your chances against Norm Duke, Pete Weber and Walter Ray Williams Jr.?' Kent (Newark, N.Y.) said. "It's just an incredible finish to a great year."

Though Kent's win does not count toward official PBA earnings or titles and does not factor in a wide open PBA Player of the Year race, few have ever topped Kent's 2006-07 season in which he became just the sixth bowler to win two Majors in a season and took home a career-high \$200,530.

Kent advanced to the Race to Six Strikes by winning a one-ball sudden death roll-off over

Walter Ray Williams Jr. in the semifinals after they tied at 116 through six frames.

All Semifinal Round and Elimination Round matches consisted of six-frame matches with a maximum score of 180.

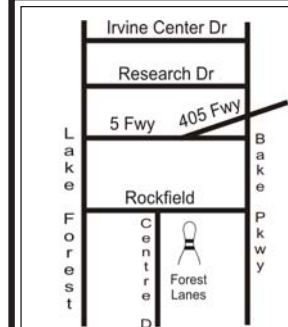

Williams could have won by one pin by striking in the 6th frame, but after doubling he left a 10-pin to send the match to an extra frame. In the roll-off, Kent struck while Williams could only muster an eight count.

The second semifinal featured a battle between the only two bowlers who have competed in all three Roll to Riches events. Duke (Clermont, Fla.) advanced with a 159-124 win over Tommy Jones in the first of the two Semifinal Round matches.

The event started with the Challenge Round, where bowlers participated in one-ball roll offs with the lowest score after each frame moving into the Elimination Round and the two surviving bowlers earning byes into the Semifinal Round. After all six bowlers struck on the first ball, Pete Weber (St. Ann, Mo.) and Jones (Simpsonville, S.C.) had eight counts on the second ball to drop into the Elimination Round.

The remaining four bowlers all got nine on the third ball and struck on the fourth ball, but on the fifth, Williams (Ocala, Fla.) and Wes Malott (Argyle, Texas) both left 7-10 splits to drop into the Elimination Round. Duke, who struck, and Kent, who had a nine-count, earned byes into the Semifinal Round.

In the Elimination Round, Jones eliminated Malott, 138-137, while Williams eliminated arch rival Weber, 138-115. Williams, who is 5-0 lifetime in title matches against his fellow PBA Hall of Famer, also eliminated Weber in last season's Motel 6 Roll to Riches.

## Bowling....Life after death

Up until two years ago, the only news regarding the bowling industry had been of the "Gloom and Doom" variety.

League membership continued to tumble; bowling ball sales began to dwindle; the Ladies Pro Tour collapsed; entries for megabucks tournaments were at an all-time low; the PBA was struggling to keep afloat; and bowling centers were closing at an alarming rate.

BUT, for the past two years, the bowling industry has taken a miraculous turn for the better and the future looks much brighter. What happened to reverse this trend?

Perhaps the unification of all integers of the bowling industry has begun to bear fruit.

Although the United States Bowling Congress has not fully succeeded in unifying all local associations into their organization, the overall cooperation of the USBC with the Bowling Proprietors Association of America and the Professional Bowlers Association has begun to indicate an upsurge in the game's future.

While membership figures are lower than in the past, perhaps the figures released by the USBC are greatly misleading. For instance, over one million seniors bowl in unsanctioned leagues. These bowlers play a major role in the success of bowling establishments. Also, we must presume that perhaps an additional million bowlers participate in leagues that are not included in USBC membership rolls.

Although some bowling establishments continue to relinquish their prime properties to "Offers they can't refuse", more and more bowling centers are being erected to replace them with state of the art facilities that feature the latest innovations in equipment. In addition to this, the new 40 to 60 lane centers include other enticing

means of entertainment, including theaters, game rooms, miniature golf, and great food facilities.

Despite the fact that USBC membership figures aren't overwhelming, bowling proprietors around the country have increased their overall income by open bowling, glow bowling, and private parties. For example, Mike Monyak, general manager for Coast Casinos in Las Vegas, (which include the Orleans, the Gold Coast, and Sunset bowling centers,) estimates that league bowling comprises about 22 percent of his total business. Birthday parties, business parties, and tournaments more than compensate for smaller league play. Even more surprising, Monyak's centers average around 40 lines per bed, a staggering figure when compared to the coveted 35 lines per bed during the game's booming era. .

Although I am not privy to other bowling establishment figures, these numbers seem to portray the overall picture in Las Vegas, undoubtedly the bowling capital of the world. For example, Frenchy Letourneau, editor/publisher of the Ten Pin Alley publication in Las Vegas, accepted a position at Santa Fe Lanes as Promotions Director about two years ago. In a recent conversation, Frenchy informed me he has conducted over 1500 parties during this period. Furthermore, he envisions no slowdown in the future for these activities and, although Santa Fe Lanes may be the leader in the "party" category, most other bowling centers in Sin City are profiting from their share of open bowling, glow bowling, and party bowling.

Currently, the most negative comments relative to any sport today are the numerous choices of recreational activity available to the public. Bowling must compete with movies, television, golf, tennis, soccer, football, baseball, basketball, and other forms of entertainment. Yet, with all these pastimes readily available in Las Vegas, bowling has more than held its own in a city that features the largest and most modern bowling facilities on the planet. Las Vegas investors continue to build more bowling centers, and, to date, no one has issued warnings of "over-building".

Fortunately, while the rest of the country's bowling atmosphere isn't quite as appealing as Las Vegas, the future of the game, under the combined efforts of the USBC, the BPAA, and the PBA, seems to be headed in the proper direction.

## HIGH ROLLER

continued from page 1

Roller title. Mark saved his best game of the week for last, beating Cage 279 - 229. Cage, a former Navy SEAL from Santa Clara, CA earned \$7,500. He was one of 10 players who made the cut in all 3 Classics.

Former Champs Charlie Gadd and Larry Hoffman were semi-finalists.

Sweepers in the 50 & Over were won by Phil Mann and Ron Degroat. Mann's \$1,650 was the largest Sweeper prize of the week and he also made the cut.

The newly formed Classified Classic made just its 2nd appearance and will definitely grow! Many players prefer not bowling against "the champs" but many strong bowlers were still around at the end. And when the smoke cleared, it was Jerry Calvin holding the trophy and \$10,000 winner's prize.

He defeated Paul McCordic, the 53 year old left-hander from Sugarland, TX, 208 - 195. McCordic took \$5,000 home.

Calvin, 60 years old from 1000 Oaks, CA was another of the 10 players who made the cut in all 3 Classics. It was his 1st title match appearance.

Roger Anderson and Michael Larson were semi-finalists. Jim King won the Classified Sweeper, his 2nd Sweeper of the week, firing a 300 game as well.

10 players made the cut in each of the 3 Classics: Roger Anderson, Jerry Calvin, Curtis Cage, Jim Micus, Jerry Smith, Chet Steengrafe, Bob Webb, Darwin Wimer, Stan Winters and Lee Taylor. Each Classic had its own Early Bird Tune-Up tournament. The "60" was won by Larry Hoffman, the "50" by Willie Wells and the Classified by Ron McDonald, each pocketing \$1,000.

McDonald's wife, Sherry, also won the Ladies Slot Tournament - for the 2nd time!

Up next is the July High Roller triple header which includes the Las Vegas Red Hot and A Game. Each of those events has separate qualifying and guaranteed prizes for senior bowlers. The next Senior Only event is August 27 - 31 which includes a Senior A Game, 60 & Over Classic and 50 & Over Classic. ## Mao Wins First ABTA Title at La Habra 300 Michele Tucker Steals The Show With A Perfecto

ALL POTS CARRY OVER / 3-6-9 is now \$1,200  
Match Game is \$3,500 this week Match Series est \$1,350  
Chaparral Lanes is our Host this week in One Day EarlyEvent  
Qualify Saturday 12:00-1:00-2:30 & 4:00 PM (1 in 5 to semis) Semis 5:45 PM

LA HABRA—Alex Mao did it up good finally downing up-start Super Senior Cliff LaPointe in the Title Game to win the event and take home the title to Glendora. It wasn't easy folks, as Cliff was right there in the tight game. Alex won from the top seeded position in the finals.

Our return to La Habra had more than we had bargained for. An excitement filled the air, as pretty Michele Tucker tossed her first perfect game on lanes 5-6 on the final qualifying squad. The crowd exploded with applause and pleasure. Michele is but the third lady to bowl 300 in the ABTA following Terry Chatreau, and Laura Lee Daniels.

Our return to La Habra was Super and in the two day Early Event we had 168 entrants. Due to the decent turnout 46 bowlers advanced to the semis. Leading the Semi was Alex Mao with a great +190. Katrina Fujikami was runner-up at +120. He would sit out and bowl the title game. Katrina would receive a first round bye in the single elims and enter in round two. It took a +60 for both men and women to make the Sweet 16 Single Elim

Finals.

The Bowlers took to the lanes. In the first round single elims losing were Jamie Rovner, Ed Barrett, David Jones, La Drena Boyd, Dave Godinez, Kevin Valmonte and Fernando Alatorre. They got checks of \$100 in 10-16th places.

In round two being eliminated were Katrina Fukikami, Adam Mc Kenzie, Geoff Henderson, and Tony Rodriguez. They cashed in 6-9 th places and \$107 each.

Round three had Carlos Vejar edge Super Senior Art Lindsay 204-197. Cliff Lapointe another Super Sr. got to Mark Mauna in a big way 229-137. So Mark, and Art were 4th and 5th with fine bowling and \$112.50 each with Cliff and Carlos to meet for the right to bowl Mao for the title. Cliff again was on his game in a 200/231-182-194 win over the well-liked Vejar, who was 3rd at La Habra with great bowling, his highest thus far. Cliff off to the title match vs Alex Mao. The title game was set and the horses were paid! Cliff returned \$82 in the horse bets for everyone who had him at \$5.00 entry. The title game was on Alex

led off with a spare and three bagger. Cliff an open, spare and three bagger so we had a game folks. Alex again dug deep with another turkey in frames 7-8-9. Cliff, with a double was within reach but he got tapped in frame 9. He then struck and got tapped in the 10th with a 217/248 game. Alex needing to mark spared and struck in a 237/261 game. The title went to one of our nicest members. Congrats Alex on a fine show at La Habra and on a title well-deserved. Alex is one of the Good Guys!

Great bowling by Cliff La Pointe, a sprite Super Senior at 81 yrs old to boot! He really let it all out at La Habra and had Alex not bowled such a great game Cliff would have been the winner. He was the crowd favorite at La Habra and they cheered every one of his strikes and loudly! I've had the pleasure of knowing this fine man many years. In fact he is my neighbor living just four houses away. He is a great guy. Great Bowling Cliff! Same can be said of Carlos Vejar in 3rd and Art Lindsay, and Mark Mauna in 4th and 5th places. Art is a very young 70 yrs old (looks 50)

Mao Wins ABTA Title at La Habra-300 - (L-R) Carlos Vejar (3rd), Art Lindsey (4th), Alex Mao (champion) and Cliff La Pointe (runnerup).

Tthe Super Seniors were very tough at La Habra. Great bowling by all in some fine matches.

Tourney Hi Qualifiers Adam Mc Kenzie who had a great +190 Friday nite and the "Perfect Lady" Michele "300" Tucker led the females +182 for lady hi qualifier. They both get paid entries.

Michele Tucker fired her first "300" game and thanks husband Terry, also an ABTA member who owns "The Right Approach" Pro shop in Palm Springs Lanes, her lord and savior, Jesus Christ for the ability and family for letting her go all the way to La Habra from Yucca Valley to bowl. Last but not least her friends in the ABTA and

loved the pleasure of talking with Glen Allison. She says Glen is just great! Great bowling by a Great Lady!

La Drena Boyd "one tough lady bowler, was last standing in the 3-6-9 roll off. She missed on the second shot so we will go for a sweet \$1,200 this week at Chaparral in the 3-6-9. She got a \$50 Consolation!

The Match Game was again UN Matched at 284 drawn by the Champ Mao, and will be worth \$3,500 this weekend with the balance going to a carryover pot. There is already a \$340 Carryover!

Match Series worth \$1,040 was also UNmatched at 616. We will estimate a \$1,350 Match Series. For only \$2.00 to enter.

Champion Alex Mao is from Glendora, and used a Zone drilled by Memo at Bowlers Image. He is married with one son. He thanks Bob and the ABTA for a Great tournament to bowl in. The ABTA Staff, friends Angel, Billy, and Jimmy and more who stayed to cheer the finals.

Cliff La Pointe is from the All American City:-) Santa Fe Springs, and used a hammer drilled by Tony Rodriguez of the Bowler's EXchange located in Oak Tree Lanes in Diamond Bar. Cliff says Tony is #1 and one of the nicest guys also! He's married 4 Kids, 8 grandkids and 12 Great Grand Kids. Cliff thanks the people who let him win :) and the ABTA, and staff for a fine event to bowl in.

Carlos Vejar, a regular comes from Tolleson, Arizona weekly to bowl. He is a fine guy and used a Radical drilled by Dynamics Bowling in Arizona. He is married to Nora with two kids Lillian and Karen. He thanks Nora for support and good friends Ben and Rene who rooted him on.

We had several new members at La Habra. First time cashers were Geoff Henderson, La Drena Boyd, Kevin Valmonte and Ed Barrett who made the finals, and Ellery Barrett. Thanks to Rob, and Especially Mgr. Alvin and to Glen "Mr. 900" Allison who were very helpful.

Make Plans for our Big Memorial Special at Cal Bowl May 25-26-27 and \$7,600 1st with bonuses! It is history folks, as Alex Mao enters the archives as our latest Champion.

## Inland Empire NABI Champion Michael Gray

RIVERSIDE — We want to thank Arlington Lanes for hosting last Saturday's Inland Empire NABI tournament. It is a fantastic house, with a very helpful staff.

Our newest champion, Michael Gray, is a young and very talented bowler. I'm sure we will see Michael's name appear from time to time in the Bowling News. He is an avid bowler, who bowls in three leagues; all at Del Rosa Lanes. He bowls in the Wednesday Vegas, the Friday Good Times and the Monday Beach Party. He also enjoys fishing, and bowling with his parents, Chuck and

Donna, who are also NABI bowlers. In fact, they were there to cheer him on!

Michael won the tournament with his Total NV Ebonite (a very hot ball) drilled by Mark Sargent at Del Rosa Lanes. He won \$500 and a beautiful NABI champion shirt.

Our stepladder started out with Brad LeCount bowling John Hafer. Brad bowled a 195 to John's 224. John then bowled Genka Cabatu (a new member). John bowled a 167 to Genka's 206. Genka went on to bowl Pierre Taylor. Genka bowled a 207 to Pierre's 211. Pierre then met Michael Gray, our high

Inland Empire NABI - (L-R) Leticia Taylor - Pierre's Wife, Pierre Taylor - 2nd Place, Brad Lecount - 5th Place, Michael Gray - Champion, Donna Gray - Michael's Mom, Chuck Gray - Michael's Dad & Terri Colunga - Director.

Bert Strain hands Keith Kenworthy his prize for hitting the mystery game.

## Ole Scott Cole Wins "Cosmic" 6-Gamer Crown

by Frank Kietz  
LAKE FOREST — It could'a been out of this world, fun for some. Yes, a savvy player, San Diego's Scott Cole, won Forest Lanes Saturday 1:00 p.m. "Cosmic" 6-Gamer \$300 crown. Thirty-three players signed-up for the \$1,320 event with optional sidepots and capped it with a, let's try it once cosmic potgame.

No bumpers, no 300s or any scores. Mike Johnston glowed the first block with the event's lone 700, a 268/701. Vernon Adams won the second block (682), each worth \$66.

Mark Lewin and Johnston posted 268s, the first and second games. Johnston backed his 268 with games of 235-212 and 222 for a 1322 third place series. High games were worth \$33 each. Cole finished with sparkling games of 256 and 244 for a winning 1351 series and a 225 average.

The 6-Gamer paid seven places: 1. Cole 1531 \$300, 2. Steve Gurrieri 256/1340 \$200, 3. Johnston 268/1322 \$160, 4. Adams 682/1271 \$120, 5. Mike Cacace 1271 \$90, 6. Paul Danforth 1262 \$70 and 7. Josh Montgomery 1261 \$50.

Also cashing for \$33: Ian Shirlock 245, J.T. Jackson 257 and Bill Machin 245.

Eighteen bowlers of the 33 field averaged 200-plus, probably says we don't need specially dressed tough lanes to lower scoring, just turn on the lights. On the other hand, good bowlers can bowl good on any condition.

The 6-Gamer is fair; the field travels across at least 10 pairs of lanes. For more info regarding Forest Lanes scratch leagues, tournaments or special events, call 949-770-0055.

qualifier. Pierre rolled a 172 to Michael's 207, for Michael to win the tournament.

We want to congratulate Brad LeCount for bowling a 710 scratch series. For that high series, he will receive a 700 Series Pin from USBC. Great bowling, Brad!

Our three high qualifiers, free entries into the April 21 Arrowhead Lanes tournament go to John Hafer, Jay Shackelford and Brad LeCount.

Remember NABI members, to get your games in to qualify for the July 2007 Nationals held in Las Vegas at The Orleans. Thanks to all who came out for our Arlington tournament.

Our next tournament will be held at AMF Arrowhead Lanes in San Bernardino on Saturday, April 21. We will see ya there! See our ad in this week's issue of the Bowling News.

WINNETKA — You know Spring is in the air when your nose is running, eyes are watery and you can't stop sneezing. Then on the good side, the new leaves are appearing on the trees, flower blossoms are releasing their fragrances and beauty of the new season. It's a wonderful time of the year! It also means Winter leagues will be ending soon and then the start of Summer Leagues here at Canoga Park Bowl.

During the meantime, let's see what the bowlers did last week.

## Southwest Bowl

by Wilfred Lewis

What's up, SoCal! It's me again, your friendly neighborhood reporter, telling who was puttin in work at Southwest Bowl, deep in the heart of the 323. Another week, another 300 (more on that later), more 700's (as usual), and expect a whole lot more, now that April 15 has passed (know what I mean?). Anyway, enough of that stuff, let's get down to buisness:

**CHRIS' ANGELS:** Frank(Rip) Berry 203-269/625, PJ Choyce 211-257/622, Millard Proctor 237, Horace Jackson 222, Ishel Robinson 222, Dorothy Berry 211, Ernest Dennis 209, Charles Williams 209, Cecil Moorings 206.

**555 SCRATCH TRIO:** Ricko Dyczewski 277-214/671, Willie (Sambone) Sanford 238-208-226/672, PH Metcalf 204-233-212/649, Sonny Dew 236-216/643, Byron Donatto 212-244/636. Ladies: Marian Carter 224, Mary McDonald 207, Tina Mosley 200.

**D.P.S.S:** William (Dub)Brooks, Jr. 246-230-234/710, Chris Brown 265-243/687, Sam Bevans 258-237/672, Lee Posey 237-208/627. Ladies: Ruby Blake 208-223-246/677, Pam (Mo' Money) King 243/643, Uracy Chatman 216-200-217/633, Deborah Sanders 233/617, Dorothy Moon 218.

**KINGS & QUEENS:** Arvo Dygert 267-256-200/723, Kevin (Mailman) Wilson, with a Tuesday night "special delivery" 286-237/705, Kevin (K-Mac) McCall 216-216/622, Willie (Sambone) Sandford 223-205/621, Ernest Chatman 246/610.

**L-1011 SENIORS NAD FRIENDS:** Ed Matthews 230-257/675 (just warming up), David (Shake-N-Bake) Smith 216-213/613, Gary Cox 211-244/609, Horace Jackson 256, Henry Goodman 236, Rufus Robinson 232, Robert (Sly) Sylvester 225. Ladies: Jessie (Mississippi Girl) Walker 209, Felicia Dixon 201.

**MARTIN LUTHER KING:** Joey Hickman 247-234/671, Clarence (Biceps) Bailey 222-235/634, Elvin (Smooth E) Walker 214-208-203/625, Mark Bruce 211-207-617.

**FANTASTIC FIVE:** Maxzile Gallow 243-224-222/689 (welcome back!), Sam Suber 208-266/638, Lee Posey 213-201-219/633, Ron Thompson 207-239/620, Ross (Fred X) Gibbs 233/610 (finally made it!), James DeVance 243/603, Christopher Dean 212-255 (I expect more from u!) **TAX MAN ON WHEELS:** Those of us who know Ed Matthews will say that he is a nice guy, but he's not happy unless he is complaining about lane conditions. But last Friday, he no room to complain in his third game. The first two were ok (210-210), no big deal. But in the third one, he went "wall to wall," for a 300! And, if that was 'nt enough, he was teamed up with Pam (Mo' Money) King in the mixed doubles pot of gold (who was no slouch herself with a 224 to go along with the winning score of 257 and a 647 series. Perhaps we should change her name from "Mo' Money" to "All Of The Money") and made "a nice bit of change." But, knowing Ed like I do, he'll find SOMETHING to complain about, that just what he does! Other nice scores that evening were posted by Prewitt Kinnermon 219-224/633, David (DB Smooth) Bryant 235/628 (and my bad for last week's oversight), Marc(Taz) Davis 217-233/626. For the ladies, it was Diana Giles 205-202, Monica Gadson 214, Jeanette Bryant 208, and Janice Wills 201.

**SOUTHWEST TRIO:** Prewitt Kinnermon 268-246-233/737 (typical PK), Jeff Hampton 244-235/673, Billy Foster 206-256-210/672, David (Shake-N-Bake) Smith 235-247/666, Daniel Johnson 235-242/659. Ladies: Bridget Wade 232/601, Cheryl (Ms Showtime) Durden 209, Beverly Fitzgerald 203, Diana Giles, 203.

**L.A. SOUTHWEST CLUB & FRIENDS:** For the third week in a row, a woman had the highest series in the league. This week, it

was Angela Williams, who is very capable of doing such things (I've seen it up close last year!). "Angie" led this week with 205-235/621. Other high ladies were Ruth Williams 212 and Dana (Slim Diva) Blake 200. For the men, Ed Matthews 213-209/619, Coy Porter 206-238/611.

**VEGAS IN MAY:** The league must have really enjoyed the week off, and came out with a vengeance! The scores were really high this week, but the highest was Chris Ridgeway. Chris, who has been unusually absent in this week's article, made up for it in a BIG way, by going 243-224-278 for a sizzling 745 series. But, CR did not have the only "7" in the house this night. Chasing him were Joe George III 266-245-210/721, Rod Lamar 220-298/706, David (DB Smooth) Bryant 219-226-245/690, Antoine Johnson 202-246-235/683, John Brenson 276, Johnny Bradley 265, Todd Austin 258. The ladies were also well represented, led by (as usual) Krischna Howard 276-236/682, Teriece Anderson 226-204/607, Katherine Cheatham 222, Jeanette Bryant 213, and Denise Russell 202. Well, that's going to do it for me this week. Good luck, good scoring..

## National Deaf Bowling News Malucci Hits 807 at West Covina Lanes

WEST COVINA—Another 800 in just 8 days in a different bowling center. That was what Carl Malucci did on Friday April 13, blasting games of 259-280-258 for a 807 in Flamingo Vikings League at Brunswick West Covina Lanes.

Previously last April 5 the marvelous lefthander rolled his 11th career 800, a 817 in Frank's Gold Cup League at La Habra 300 Bowl.

This 807 which is now Malucci's 12th, has an oddity to it. It was rolled without benefit of practice or warm-up.

Malucci was late for the 42 teams practice session and arrived just in time for the first frame to start. Luckily he was up and running right on the spot and left some solid taps that prevented higher score.

Malucci joined this 42 teams summer league that at season end will go to Las Vegas to bowl sweeps at South Point. This will keep him bowling through the summer months.

### STOGRYN HITS 865 IN DEAF TRAVEL AT AMF CERRITOS BOWL

CERRITOS—At AMF Cerritos Bowl, So Calif. Deaf Traveling League with Bob Jones recovering from his knee injury and back bowling and the last two weeks no subbing rules sidelining super-sub Mike Moore who was present, watching. Darrell Stogryn led with the only 800 of the day, 865 from 212-225-226-202.

Jones missed out a 800 by 11 pins as he duelled with Ed Abakumoff, losing first two games 188-190 to Abakumoff's 201-222 and winning the next two 224-187 from Abakumoff's 180-183. Then Jones took the series 789 from Abakumoff's 783. But Abakumoff's first place Riverside with Andy Lorenzo winning 5 points with his 175-158-197-210/750 for a total of 15 points from Jones' S. F. Valley.

Second place South Bay with Paul Taffolla's 177-235-166-164/742 helping win 11.5 to 8.5 victory from Hollywood. Stogryn's 3rd place El Camino Village also won 11.5 to 8.5 from Los Angeles. Don Millwee had a 204 for Villagers.

The league thanks AMF Cerritos Bowl for hosting us and with a week-end off for some of the bowlers to bowl in the Great Lakes Deaf Tournament in Milwaukee. It will resume travel on to Brunswick Covina Bowl on Sunday April 29.

## Bowling Trailer Visits Kidsfaire April 27-28-29

by Frank Kietz

COSTA MESA — Orange County's Bowling Council's "Bowling Trailer", a "real" ten-pin bowling alley, is expected to draw a big crowd of kids and adults to try the "big ball" game at the Orange County Kidsfaire, April 27, 28 and 29 in the County Fair Grounds.

The schedule is Friday 9:00 a.m. to 3:00 p.m.; Saturday and Sunday 10:00 a.m. to 4:00 p.m.

The Kidsfaire is an annual Costa Mesa event. Captain Bill Huntington said the trailer is very popular. We draw nearly a thousand kids and their parents every year. Each player receives a free game coupon.

Bill mentioned, get here early. Last year there was a 30-minute wait. It was kinda cute; it seemed each eligible player came with parents pushing baby-filled strollers — "an around the lane" stroller parade.

Bill concluded, when the sun comes out the trailer gets busy. It will be at school fundraisers for a few weekends.

For more Orange County trailer or volunteers information, call 714-554-0111. All volunteers must meet Megan Law requirements.

# Brett Bateman Wins First ABT Championship at Yorba Linda

YORBA LINDA—Amateur Bowlers Tour, Orange County Branched continued the spring round of tournaments this past weekend at Yorba Linda Bowl. The cut score on Saturday was +108 and +130 on Sunday.

After the semi-finals, our top five finalists included Brett Bateman, Kyle Elsbernd, Michael Dang, George Jacobs and Ping Romero. Finalists seeded second through fifth drew for their lane assignment. After the first round of matches, Ping Romero and Michael Dang were left standing and squared off for the right to bowl for the championship. Michael came out on top and then went against our top seed, Brett Bateman. Brett started the game with strikes in the first and fourth through seventh frames, while Michael opened his game with four spares before running into splits in the sixth and seventh frames with Brett beating out Michael 275 to 206.

Our newest champion, Brett Bateman has been bowling for about 3 years. He currently bowls his league at Bowl-O-Drome and has a high game of 269 and 675 series to his credit.

Brett used a Shock & Awe drilled by Gary at Del Rio Lanes. Brett wanted to thank his parents for their love and support. Brett also wanted to thank his teammates for their support and encouragement. Brett wanted to thank Yorba Linda Bowl for hosting the tournament, and also thanks the Amateur Bowlers Tour Orange County Branch staff and Directors for running an outstanding tournament.

We had 10 entries in the optional 4-game Scratch Sweeper. Damone Hale came in first with a 922 scratch series and won \$125. Gerry Hingco came in second with an 836 series and took home \$75. We have had many positive comments about the optional 4-game Scratch Sweeper, and will continue to run this optional Scratch Sweeper at each tournament.

The Mystery Game Pot of Gold game and score were drawn after our final squad. Game #3 was the game drawn, and the first chance score was 208 (possibly good for \$300). There was no winner. The second chance score (possibly good for \$150) was 221. There was no winner. The third chance score (good for \$75) was 218. There was no winner. Remember, the Mystery Pot of Gold is available to all members (Classic and Masters) and only costs \$5.

The ABT staff and membership would like to thank the management and staff at Yorba Linda Bowl for hosting our tournament. Our next scheduled event will be a one-day **Classic and Masters Combined** Singles tournament including semi-finals and finals on **Saturday April 21, 2007 at LaHabra 300**. All members (Classic and Masters) are eligible. Handicap will be 80% of 225. Squad times are at **12:30 PM, 2 PM, and 4 PM**. Semi-finals will be at 6:00 with finals to follow. We will offer **\$100 sidepots** on each qualifying squad with just 20 entrants, as well as **optional brackets** for each squad. First place will be \$800 with 100 entries for only a **\$5 dollar entry fee**. First place with full Progressive will offer an estimated 1st place prize of **\$3,300** with 100 entries. As lanes are limited, we recommend you arrive early (at least 45 minutes before squad time). We hope to see you Saturday April 21st at LaHabra 300!

## JST at AMF Hemet Lanes Algustoski, Brown, Jimenez & Glover Win

HEMET—It was a very brisk morning in Hemet, the clouds were on the ground, you would have thought it was going to snow. Every one got to the lanes in time and once we were started that is when the rain came. In the Novice division Dillon Algustoski was on a mission, he wanted his champion shirt and he was bound and determined that Travis wasn't going to keep it from him. It was close in every game but Dillon came out on top with a 1025 over Travis's 963. Travis got the points for high game with a 178, but Dillon won series with the 1025.

Intermediate division had Travis's brother Nick leading going into match play and Kyle Ready was the cut at -128. High game points and high series point went to Nick Travis with a 223 gm, 1155 series. Match play didn't change the top two Nick Fraser #1 Ryan Brown #2., Kyle Ready did some work by coming from #6 to 3<sup>rd</sup>. ending up 4<sup>th</sup> Daniel Hansen, 5<sup>th</sup> Randy Mathis, 6<sup>th</sup> Mike DeYoung. In the roll off match Ryan Brown rolled a nice 210 to defeat Nick Fraser. Winning extra scholarship in brackets were; Wesley Low winning 2 brackets, Randy Mathis won 1, Lesliann Katsura get 2 2nds, Ryan Brown won 1 2<sup>nd</sup>.

Advance division Jaime Ferry lead the field going into match play with +136, there was a tied for the cut spot with Arisha Piper and Aaron Williams, Aaron won the 9<sup>th</sup> and 10<sup>th</sup> frame roll off to advance into match play at -37. High game point went to Foster Phandanouvang, High series went to Jaime Ferry. Extra scholarship brackets were won by; Bradley Hansen won 2 and a 2<sup>nd</sup>, Jaime Ferry won 2 and a 2<sup>nd</sup>, Foster Phandanouvang placed 2<sup>nd</sup>, Kaitlin Mayall placed 2<sup>nd</sup>. Coming in 8<sup>th</sup> place Bradley Hansen, 7<sup>th</sup>. Foster Phandanouvang, 6<sup>th</sup>. Grant Surls, 5<sup>th</sup> Christina Fraijo, 4<sup>th</sup> Robert Sickles. In the roll offs we find Natalie Jimenez up to meet Robert Page in a close match Natalie got by with a 192 to defeat Roberts 181, Robert ending 3<sup>rd</sup>. Natalie was now up to meet Jaime Ferry for the title, even though Jaime carried the field Natalie was determined to win and went to work to roll a nice 247 to defeat Jaime's 190.

The open division bowler count was down but still was some good bowling. Jeremy Glover lead the field going into match play at +168, with Brian Ballard bring up the cut at +33. High game points went to Jeremy Glover with 258 and high series points at 1368. The scholarship brackets were won by Devin Bidwell, Jeremy Glover, 2nds by Matt Harris, and Ricky Brown. It was raining when we were done but not real hard. I would like to thank Debi Hardgraves and Joel Ricketts for their help and support. It was really good to see you again. We must all thank our sponsors, Roto Grip Bowling Balls, Pins & Needles Embroidery.
