“Were Coming Back” Wins OCBA 52nd Tourney Team Title
GARDEN GROVE — According to Orange County Bowling Association's V-P Alan Thompson, the association's 52nd annual tournament was a success. Bowlers went home smiling — the scoring was friendly, “Yes, this was a friendly event.”

The action took place at Tustin Lanes (team) and the doubles/singles at Fountain Bowl.

Alan was the guy working the computer. To win the team title the quartet, “We're Coming Back”, 3081, had to average scratch 217 per player. Second, OC Havoc, 2958 and third, Watch UR Back, 2926. Low to cash, 2834.

Steve Hooks won the singles crown and he averaged, scratch, 250. With his handicap (159) he posted an 828. Brent Ilagan was second with an 824. Sherman Joseph third 821 and fourth, Steve Netter 804. Low to cash 738.

Westminster Hosts OCBA Annual Meet
By Frank Kietz
GARDEN GROVE — Orange County Bowling Association at their April meeting selected Westminster Lanes to host their 2005 Annual Meeting Sunday, May 22 at 9:00 a.m. According to President Bill Huntington this is a mandatory meeting which league representatives take an active part. They have the power to approve or reject the actions taken by their officers or board of directors.

President Huntington said this could be the last meeting of the ABC chartered OCBA. We have signed all applications to merge with other entities and receive a United States Bowling Congress charter. USBC associations will have a similar mixed group of officers, directors, volunteers and proprietor reps.

This meeting will follow the “old” ABC format: League reps usually are presidents or elected delegates each carrying league valued proxies. In theory reps give the association guidance, elects officers, directors, delegates, study audits, approve/disapprove expenditures and ratify hired staff members.

Executive Director Robert Hartmann added, “All committees must have reports and the body can ask questions, make changes, the bottom line support or reject the report.”

This will not be an eating/meeting, no breakfast, just coffee and...?

Huntington concluded, “There will be a Q & A period regarding the new USBC, the new mixed association and the future of tenpin bowling in Orange County, California and nationally.”

For more information, call 714-554-1880.

Any questions? 760-241-7396 is the number. 12277 Mariposa Road in Victorville is the place.

Barnes Strikes it Rich!

FORT WORTH, TX—Chris Barnes, Flower Mound, Texas, took home the richest grand prize in PBA history, winning \$200,000 by defeating Tommy Jones in the finals of the PBA Motel 6 Roll to Riches presented by GEICO Thursday night at Main Event Entertainment in Fort Worth, Texas.

The final round consisted of a Race to Six Strikes, with the first bowler striking six times taking home the title. Barnes struck in all six of his frames to defeat Jones, who failed to strike with his first two shots.

Jones, Mauldin, S.C., started the match with a nine count. Barnes struck on his first shot, and after Jones had a seven count, Barnes struck five more times to end his 2004-05 season on a high note.

“I was pretty disappointed after the World Championship because up until then I had a good chance for Player of the Year. But I made a mistake and didn't strike in the 10th to lose my round of 8 match to Brian Voss,” said Barnes. “Maybe things like that had to happen for me to win today. Maybe I won't make that mistake again.”

Barnes advanced to the title match by defeating Danny Wiseman, Baltimore, 159-113, in the second of two elimination rounds. Jones defeated Steve Jaros, Yorkville, Ill., 146-103, to advance to the title match. The elimination rounds consisted of six-frame matches with a maximum score of 180.

The event started with the

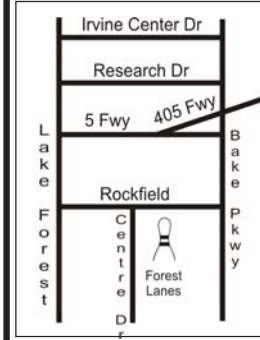

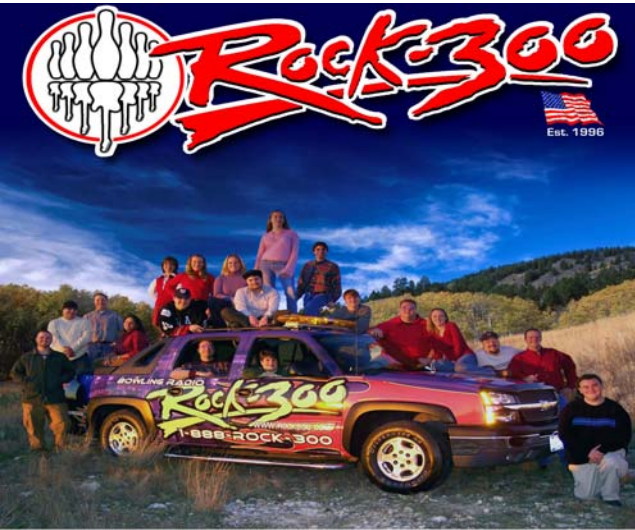

Chris Barnes

Challenge Round, where bowlers participated in one-ball roll offs with the lowest score after each frame moving into the first elimination round. Jaros had an eight count in the 1st frame and was the first bowler to move into the elimination round.

After the remaining five bowlers struck in their next two frames, Wiseman had a nine count in the 4th frame and Norm Duke, Clermont, Fla., had an eight count in the 6th frame to move them into the first elimination round. With three bowlers remaining, Jones struck while Patrick Allen, Tarrytown, N.Y., and Barnes had nine counts, giving Jones a bye into the second elimination round. Barnes then struck while Allen had a nine count to give Barnes the second bye into the second elimination round.

In the first elimination round, Wiseman eliminated Duke, 160-134, while Jaros eliminated Allen, 169-149.

The \$200,000 Barnes won does not count toward official PBA Tour earnings, but brings his total season earnings to \$394,300. Earlier this season, he captured his first career major title when he won the 62nd U.S. Open presented by Odor-Eaters.

High Roller Seeks To Distribute 350 \$1,000 Prizes!

LAS VEGAS—Sound like a publicity spin? Not if results of the very successful Super Bowl High Roller found its way into your mailbox. Thanks to 3 “innovations” introduced, that event recorded a 30% entry increase, leading to more than 300 prizes of at least \$1,000! The upcoming June 26-July 4 event at Sam's Town in Las Vegas, picks up where we left off but this time, with 7 “innovations”!

(1) 5 separate qualifying divisions creates a level playing field: ages 39 & under, ages 40 to 49, ages 50 to 59, ages 60 & over and 205 average and under.

(2) \$1,000 is guaranteed if posting a win in the 1st two Rounds, a great profit over the \$225 1st entry fee and \$175 re-entries!

(3) Everyone may cash each day for \$1,000 except for those who advance to the Grand Finals where they improve their earnings on the way to the tournament title and trophy!

(4) Everyone, at one time or other, has failed to cash because of one poor shot which leads to

the optional Scoring Insurance program. It can't help you score better but assists everyone who wants to try again! Via the optional \$20 entry fee, 350 re-entries (\$175 value) are awarded to bowlers who “just miss advancing” to the next round! These re-entries are awarded, in every squad, to bowlers with the highest games that fail to advance.

(5) The 5th innovation is the brand new Advantage Club which features a “Spend Less and Earn More” slogan! Players paying the one-time \$60 fee will receive a High Roller shirt; and “Spend Less” by receiving entry fee discounts, will “Earn More” by cashing for special prizes, receive Luck of the Draw benefits, like winning Storm balls and Etonic Shoes, \$5 nightly discount on Sam's Town Hotel rooms; can earn a complimentary Sam's Town Hotel room; can earn a complimentary car from Enterprise Rent-a-Car. For sure, the entry fee discounts, prizes and benefits easily exceed the \$60 cost to join!

(6) Want an extra way to cash? A \$7,500 purse is offered to Recruiters. Recruiters can cash by recruiting bowlers. And,

it's easier now to recruit, because of the special offer available mentioned below!

(7) Here comes the 7th innovation! Have you bowled a High Roller in the past but not since 2000? If so, you are considered to be an inactive contestant. Never bowled in any High Roller? You are considered to be a 1st Timer! And, “Here's An Offer You Can't Refuse”!

The 1st 200 inactive bowlers or 1st Timers who enter the July 4th High Roller are guaranteed to cash! If they do not win a \$1,000 prize, they will earn a \$100 consolation prize! If they win \$100 on their 1st entry, they keep it even if winning \$1,000 on a later entry.

7 great reasons why the July 4th High Roller will be the most talked about event of the summer! If that isn't enough, hundreds of Storm high end balls will be awarded!

High Roller has now paid over \$76 MILLION to bowlers since 1982! For more info, call toll free 1-800-257-6179 or visit us at www.high-roller.com. Enter online, it's easy, fast & secure!

Reflections of a Senior Mind

Contributed by Mary Lynly

I was thinking about how a status symbol of today is those cell phones that everyone has clipped on. I can't afford one, so I'm wearing my garage door opener. Now everyone thinks that I'm cool, too.

I was thinking that women should put pictures of missings husbands on beer cans!

I was thinking about old age and decided that it is when you still have something on the ball, but you are just too tired to bounce it.

I thought about making a fitness movie for folks my age and calling it, “Pumping Rust.”

I've gotten that dreaded furniture disease... that's when your chest is falling into your drawers!

You know when people see a cat's litter box, they always say, “Oh, have you got a cat?” Just once I want to say, “No, it's for company!”

Employment application blanks always ask who is to be notified in case of an emergency. I think you should write, “A good doctor!”

Why do they put pictures of criminals up in the Post Office? What are we supposed to do... write to these people? Why don't they just put their pictures on postage stamps, so the mail carriers could look for them while they deliver the mail?

Does a clean house mean there is a broken computer in it?

Why is it that no matter what color of bubble bath you use, the bubbles are always white?

Why do people constantly return to the refrigerator with the hopes that something new to eat will have materialized?

Why do people keep running over a string a dozen times with their vacuum cleaner, then reach down, pick it up, examine it, then put it down to give their vacuum one more chance?

Why is it that no plastic garbage bag will open from the end you first try?

Is it true that the only difference between a yard sale and a trash pickup is how close to the street the stuff is placed?

In winter, why do we try to keep the house as warm as it was in summer when we complained about the heat?

Why do old men wear their pants higher than younger men?

How come we never hear any “father-in-law” jokes?

If at first you don't succeed, shouldn't you try doing it like your wife told you to?

Why is it that men can react to broken bones as ‘just a sprain’ and deep wounds as ‘just a scratch,’ but when they get the sniffles, they are deathly ill ‘with the flu’ and have to be bedridden for weeks?

I was thinking about how people seem to read the Bible a whole lot more as they get older; then, it dawned on me, they are cramming for their finals. As for me, I'm just hoping God grades on a curve rather than pass/fail.

Kearny Mesa Bowl

7585 Clairemont Mesa Blvd., San Diego CA 92111 • 858-279-1501

SAN DIEGO—It was another month full of high scores and a month full of repeat highs at Kearny Mesa Bowl. Marcus Stermer, Nathan Bishop and Jason Wilt all bowled their second 300’s of the season. Rob Abella bowled two 300’s in successive weeks. Dave Billings bowled his third 300 of the season and the newly engaged couple of Josh Elhard and Rachel Einstoss both bowled a 300 on the same night in back to back games. For Josh that was also his third 300 of the year.

Sam Williams picked up the only triplicate award for the month while Cliff Smith was the only one to pick up the 4-6 split

There were actually four “Sour Apples” to report but I will save the names (you know who you are).

Kearny Mesa Bowl also held its first 40 Frame Game Tournament. Carlos “No thumb” Garcia and Scott Slocum tied for first place with a score of 1108. Look for another tournament coming up next month. Also look for the “PBA Oil Pattern Challenge”.

Once again, on a sad note, Carlos Garcia did not bowl a 299 this month.

The summer leagues are now forming and filling up fast at Kearny Mesa Bowl. Reserve a spot for yourself or your team today! See or call Woody for details. Now for the High scores:

El Presidente Rules in 2nd ABTA Win at La Habra “300”

Cheesman, Alatorre, Wayman Share Match Game, Match Series and 3-6-9 Carry Over to Keystone Lanes this week

ARCADIA – Danny Guevarra did it up good as he won his second ABTA title the hard way. He downed five straight opponents in the top 16 Single Elim finals to take home a nice \$2,200 top prize. He finally downed the “hot” top seed Michelle Tucker in the title game, the three squad early event at Hospitable La Habra “300” Bowl.

Danny bested a decent turnout of 134 bowlers (3 squads only) in the Special Event. Three members sharing a \$665 Match game on a tough but fair condition producing very low cut scores of +6 (men) Even-0 for the women. We returned 37 bowlers to the Semifinals. Also added to the Semis were the Super Seniors Ely Cruz, Leo Tartamella, and Karen Sargent.

Leading the Semis was pretty Michele Tucker of Mentone with her fine +84 to be top seed and sit out and bowl for the title. She was followed by Tri Vo +82 only 2 pins back, who would receive a first round bye in the single elims and enter in round two. It took a low +1 for the men and -9 for the ladies to make the finals which included three women in the top 16 finals.

The Bowlers took to the lanes, losing in the first round were Karen Sargent, Jesse Cortez, Stan Por, Donald Quitangon, Ping Romero, and Rowie Jucal. Todd Johnson left unknowing that he made the cut and they got checks of \$100 in 10-16th places. In round two, being eliminated were Tri Vo, Chris Romero, Brad Zentmyer, and Robert Page. They cashed in 6-9th places and \$107.50 each.

Round three had Guevarra strike often in a 231-181 win over Eddie Palma. Tim Crowder on a roll, edged Garrett Kakishita in a good one 209-207. Ed and Garrett were 4th and 5th with fine bowling and \$115 each. Tim and Danny met for the right to advance and bowl Michele for the title.

This match had Danny toss a key double in a 202-185 win. Tim couldn’t find his previous shot on the tough lanes and struggled a bit, so he was 3rd at La Habra and \$200. Danny was off to the title game vs Michele.

The title game was set and 29-30 was the pair. We would now see who would become our latest Champion. Michele elected to lead off and she opened. Danny then spared in frames 1-2 and Michele was now marking on four straight frames on the tough shot, Danny as a true champion dug deep, and fired a huge four bagger and with Michele opening in the 7th the margin was too great. Danny cruised to a 214/237-146/182 win. Title #2 is in the books for El Presidente. It is great to see Danny win and get title #2 as he is one of the finest gentlemen ever to bowl in our club. In fact everyone likes the man! That is why he was the President of the ABTA League hence the moniker/label El Presidente. The President pounded the gavel loudly at La Habra “300” Great bowling Danny!

Michele Tucker really bowled well and in the next scene she just may get her first win. She has become a regular ABTA supporter and is very competitive. It is nice to see this pretty lady perform so well at La Habra.

Tim Crowder, definitely one of the good guys also bowled very well in third; with a break or two could have been the champion this week. I have known this young man since infancy and he is now a great bowler. A title could be in his near future.

ABTA Notes: Tourney Hi Qualifiers were red -hot Dave Fairrow with his +82 and Bobbie Mc Collum led the femmes +54. They will get paid entries to our next regular event.

Terry Tucker, El Presidente, and Ron Chandler couldn’t eliminate one another in the 3-6-9 roll off and split the \$50 consolation so we will go for a nice \$1200 in the 3-6-9 pot this weekend at Keystone Lanes. This weekend is our two day event there. Saturday and Sunday.

The Match Game 3 was matched by three of our faithful members Mark Wayman, Arnold Cheesman, and Fernando Alatorre. They shared \$665 or \$222 each for their fine 211 game drawn by Mrs. Tucker. We will estimate a \$1,000 match game this week-

end.

The Match Series however was unmatched due to the 632 drawn by Dave Fairrow. We estimate a nice \$800 pot for \$2.00 entry fee this weekend.

The Columbia 300” ball of the week went to one of our coiffeurs who bowls in the club, none other than Minh Dang who opts for a Professional Ball. He thanks the ABTA, and sponsor Columbia 300 for the fine ball.

Champion Danny Guevarra is definitely an ABTA Blueblood, as he also bowls in our League. He hails from Carson, and used a Columbia Ricochet-Rebound drilled by Jim Mc Coy of Bach’s Bowling Supply in Torrance. He is married to Yolie with 3 kids Michelle, Rochelle, and Danny Jr. He thanks Yolie, his #1 Supporter and Manager, La Habra 300 for the nice atmosphere, and his friends Romy, Ely, Ed, and the “Pussycat Ladies”

Michele Tucker hails from Mentone and is married to ABTA member Terry who also drilled her Vertigo. She has two children Alyssa, and Chris. She thanks her family and the Lord for blessing her with her bowling ability. friend, Bob Crame and host La Habra “300” Bowl.

Tim Crowder hails from Whittier and used a Storm Tripleplex drilled by Dick Braasch. He is single (and available) ladies!

Tim is another ABTA Blueblood to be sure and is in our league and currently in the #2 seed for the roll offs. He is from a great family, and all are ABTA supporters. Father Marvin Sr. Mom Belinda, and brother Marvin Jr. and above all are all fine people. He thanks his family and buddy Matt Fukuda for support and the hard working ABTA Staff. We have many fine Young Gentlemen in the ABTA, and Tim is at top of the list in that regard.

We had several new members join this week. First time cashers were Brad Zentmyer, and Marilyn Shearman who by the way out bowled hubby, and ABTA Regular Dave at La Habra.

One of our Good friends and most supportive members Resty Sanchez is now at home recovering from a mild stroke. I visited him twice in the hospital

and he had improved and now on therapy for a time. He will be missed by all and it will be strange not having him at the tournaments for a while. God bless and Good luck to this fine man. He will return in time and as I say will be missed

Julian “Iron Man” Conwi had a lump removed from his throat and is now doing fine. We wish him a speedy recovery and Julian claims he will be there Thursday for the ABTA League. (Another Blueblood to be sure)

This Weekend we will visit popular Keystone Lanes in Norwalk in a two day event!.

“Yeah Baby” Strikes Again! Victor Jordan Wins ABT Orange County Title at Cal Bowl

LAKEWOOD—Victor Jordan won his sixth Amateur Bowlers Tour (ABT) Championship at Cal Bowl last Saturday, April 16, 2005 during our one-day 4 game Beat-the-Board tournament. Victor showed up for our Noon squad and shot games of 295-222-240-239 with handicap good for a series total of 996 and the \$800 1st place prize. Victor was not in the optional Win, Place, and Show Pot, so we do have carryover for next weekend. Gil Romero shot a fine 977 four game handicap series to finish in second place for \$400 plus an additional \$220 in the Win, Place, and Show Pot for a total of \$620 dollars. In third place was Chris Vance of 29 Palms. Chris shot a 975 and got \$200 plus an additional \$150 in the Win, Place, and Show Pot for a total of \$350 dollars.

Our newest Champion, Victor Jordan is 67 years old and is employed at USC as a Foreman. He is married to a wonderful lady-Joan, who also cashed this week. He has been bowling for 34 years and about 25 of those years as an Amateur Bowlers Tour (ABT) member. Victor has a high game of 290 and a high series of 687 to his credit. He used a Lanemaster “Yeah-Baby” bowling ball drilled by Butch Maxwell at Westminster Bowling Supply. Victor is a self-taught and self motivated bowler, because he said “it’s all in the head”, but gives much credit and thanks to his lovely wife, Joan for always being there with him. Victor thanked Cal Bowl for hosting the tournament this Saturday and the Amateur Bowlers Tour-Orange County Branch staff for running an outstanding tournament week after week.

Lifetime member Arnie Schroeder drew the Mystery Pot of Gold game number and score after our final squad. Game #2 and 254 were drawn for the second week in a row. One bowler shot the score of 254 with handicap in game #2, but they were not in the Mystery Pot. The second chance score drawn by Arnie was 238 in game #2, and we had two lucky winners. Veronica Boone and Ganie Cobarrubia both receive **\$250 dollars each** from the Mystery Pot of Gold.

Remember, the Mystery Pot of Gold is available to all members (Classic and Masters) and only costs \$5 for a chance at \$1000.

The ABT staff and membership would like to thank Cal Bowl Manager, Pat Liddy, and the fine staff at Cal Bowl for hosting our tournament last Saturday. Our next scheduled event will be this weekend, on **Saturday, April 23, 2005 at Brunswick Orange Bowl**. This will be a special 4 game Beat-the-Board **Classic and Masters Combined** Singles tournament format. All members (Classic and Masters) are eligible. Handicap will be 80% of 225 for this tournament. Squad times are at Noon, 2PM, and 4PM only. We will offer \$100 sidepots at the Noon, 2pm and 4pm squads with just 20 entrants. First place will be **GUARANTEED** at \$800 for only a **\$50 entry fee**. We will offer an estimated 1st place of **\$1,600** with our optional Win, Place, and Show Pot. We recommend you arrive early (at least ½ hour before squad time) to guarantee your spot. We hope to see you this Saturday, April 23, 2005 at Brunswick Orange Bowl.

Pro Approach-Lakewood/Bowlers Depot-Lake Forest Take Round 4!

by Randy Myers

DOWNEY—After finally getting a decision from the USBC (Unusually Slow Bowling Committee??) we were finally able to bowl the correct opponents on the final night of the Round on Side “A”. There were six teams with a mathematical chance at winning, but it was Bowler’s Depot – Lake Forest coming out on top with 19 wins. On Side “B”, Pro Approach – Lakewood took care of business by sweeping Freek Racing. Freek Racing needed to win 3 games to get past Pro Approach but Billy Myers Jr. dashed their hopes by firing 278 in game one to lead his team to the 28 pin win. In game 2, David Fairrow Jr. threw clutch strikes late to help seal the deal and down the Racing crew 863 to 836. With the two wins, Pro Approach locked up the round and went onto sweep. Billy Myers Jr. led his team with 721 and had help from David Fairrow Jr. 652 & Vernon Adams 644. Chris Makroglous whacked the pins once again by firing 242/247/279 for a super 768 set.

Bowler’s Depot – Lake Forest swept past a dejected Family Amusement team 4 games to zero and watched nervously to see who would win game 3 between J.C. Spas and Western Pacific. J.C. Spas managed to get past Western to win Game 3 and hand the Round to BDLF. Chris Oakes 258/686 & Steve Salzman 650 led the Depot crew while Gary Duran was tops for Family Amusement at 647. J.C. Spas went into the night with a half game lead over Western Pacific but that was gone after game 1 with Western winning 834 to 810. The next game was the best match of the night as Western built a huge 110 pin lead after five frames only to see J.C. come back with lots of strikes of their own. In the end, it was Western Pacific getting a crucial double in the tenth by anchor Danny Cobbs to lock up the win, 983 to 977! With BDLF and Western winning the first two games, it came down to game 3. If J.C. won by 31 to get totals, they would tie BDLF if Family Amusement won game 3. Western would win the round by sweeping J.C. Spas. The “beans and rice” Family team rolled up their tortilla and were never in the game, but J.C. and Western came down to the 10th frame with J.C. prevailing by 13 pins. Danny Cobbs led Western with 274/737 with some help from Larry Osterhoudt 278/697. J.C. Spas were paced by James Cox 280/694, David Van Gaston 684, and Norm Black Sr. 642. Congrats to both Round Winners!

The rest of the “A” side was SWEEPS night as Tri Star Vending blasted Royal Alliance 4-0 with everyone shooting six led by Ms. Jamie Rovner 257/699. Right behind Jamie was Derek Schilling 681, Harry Wong Jr. 657, and David Yamauchi 630. Royal Alliance was led by Ramiro Garcia with 682. Team Storm rolled the clouds over Circle Athletics with Herbert Jones leading the way with 712. Arnold Cheesman aided the Storm sweep by stroking 677. Joe Miles rolled 615 for the Circle team. Despite Alan Steinberg’s 694 for America’s Lending, Parke Industries was able to win all four this night. Jack Price “Is Right” led the winners with 659, followed by Jim Burke 630 & Mike Ashby 629.

With only two teams as possible winners for the round, side “B” bowled for position and a possible Wild Card entry. Linder Insurance improved their chances by taking 3 games from Etonic who still lead Linder by ½ game with 74.5 total wins for the first Wild Card spot. Linder got a total team effort as all four members hit six to easily defeat Etonic. Nick Smith 691, Walter Vasquez 680, Jason Fowler 665, and Terry Henson 632 were the scorers for the winners and James Mowrer 694 & Armando Zavala 637 got the lone win for Etonic. Boulevard Brakes moved up with 3 wins over Threadworks. Greg Neuer was tops on an apparently tough pair with 632. Another low scoring affair on the low side had Stanley Taca 633 lead his team to 3 wins over Pro Approach – Downey who were led by Anthony “Droopy” Drapeau with 626. Paul Noska 674 and Missy Bellinder 630 led The Immel Team to a sweep over Exacticator Vise. Jerry Ernst was the man for the Vise Squad with 662. Prudential Picarelli took 3 games from the Lone Ranger Paul Varela, who managed one win despite 3 blind scores of 170. Norm Smith shot a huge 259/279/740 set for Prudential with help from Everett Nishikawa 651. Paul was tops (DUH!) for Drivers Insurance with 264/697.

Round Winners started battling for position on Monday and T.D. Rowe cut into Transcon Logistics overall lead by winning 3 games from the league leaders. Derek Lee 702 & Jeff Hickenbottom did the most damage for T.D. Rowe while Steve Schroeder kept pace for Transcon with 684. All 8 bowlers broke the 600 mark in a high scoring match. Al’s Bar Supply moved into the 5th seed position by handling Bowler’s Depot – West Covina 3 games to 1. Raul Rosales “spanked” the pins once again for 278/262/753 with help from John Mongillo 665, Ramon Torres 655, and Phillip LeBaquin 640 respectively. BDWC got big sixes from Leonard Ruiz Jr. 698, Steve “Great White” Gurrieri 680, and Alonzo Lemons 676. Reback’s Plumbing had no trouble with Strike Connection as they blew past them for a four game sweep to move into the 4th seed position. Jason “Magilla” Carrillo 264/677 led Reback’s and the pair while Frank Barefoot Jr. had 631 for the losers.

The side pots had a familiar ring to it as Raul “Spanky” Rosales again won Game 1 with 278 with Steve Schroeder 248 capturing 2nd. Game 2 went to the nearly perfect Leonard Ruiz with 288 and Paul “Lone Ranger” Varela 264 getting place money. Spanky prevailed again in Game 3 with 262 (thanks to Chris!) and Paul Varela placing 2nd once again with 247. The Super Pot was won by Chris Makroglous with 279, and since Chris wasn’t in the series pot, it went to the biggest bridesmaid ever, Raul “Spanky” Rosales with 753. Great bowling and congrats to all the side pot winners!

See you next Monday at Del Rio Lanes in Downey as we start the final four weeks of positioning for the Wild Card and Seeding Position. The action will be like the weather, getting hotter and hotter as ALL the top teams square off. Come down and see it all live! And once again, thanks for checking in!

New Donkee Champion Imee Ahorra Pockets \$800.00

CERRITOS-To start with Imee tied Joe Garcia with a plus forty seven and necessitated a two frame roll-off to determine who would squeek into the shoot-out finals. Both started their two game roll-off with a split they didn't pick up and both missed their spares the second frame. Back to the drawing board. Imee having the advantage of a one pin more handicap than Joe happily took the win by one pin.

Imee presently is single and works as a Customer Service Representative for Peoples Choice Home Loans. It's also hard to believe that she has two daughters age 32 and 22 Roda and Rissa. For her big win Imee was rolling a Vertigo Storm Bowling ball drilled by Alan Bloom and Ginny Adams in Keglers Korner pro shop at Linbrook lanes. Need a ball drilled?? See Ginny. Imee's highest series is a 601 and her high game is a 234. Her hobbies are bowling and dancing. Imee also enjoys cooking. At this time Imee would like to thank her friend Beth Borci for introducing her into the Donkee Tour. Thanks Beth. Both ladies made the cut and it could have been a great ladies match. Maybe next time. Beth bowling well finished fourth.

Donkee Tour directors wish to thank Fred Galvan Beverly Bowl mystery game winner for our great lunch. Yummy Chinese. Thanks Fred. Fred finished sixth at Cerritos. Mystery game at Cerritos was a 252 with no winner so at Premiere it's \$700.

Donkee Tour sidepots in the 3:00PM squad were \$24. First game Joan Jordan posted a 240. Victor Jordan a 224 second game with Armando Zavala a 226 third game... In the 4:30PM Squad for \$18 Mike Pizarro swept all three games posting a 224, 238 and 246 game. In the 6:00PM squad for \$30. Joe Garcia shot a 248, John Grieco a 260 and Joseph Micheri Jr a

256 game. Sunday morning in the 10:00AM squad for \$24 Luis Diaz posted a 244 the first game, Fred Galvan a 244 second game and Luis Diaz a 263 third game. In the 11:30Am squad side -pots were \$87. Keith Kenworthy Sr posted a 247 first game, Esther Tambio looking good posted a big 290 game and Joe Baghdadlian a well shot 267 the third game. In the Semi's for \$48 Beth Borci on a roll posted a 274 first game, Joseph Micheri Jr rolled a magic 300 scratch 319 with handicap second game and shot a 255 the third game.

Joe Garcia and Imee Ahorro both posted a plus 47 for a tie for ninth place in the Semi's for a two frame roll-off. Imee took the win by one pin. She had one pin more handicap. The rest is history.

Top nine for the first round in the shoot-out finals were Victor Jordan, Imee Ahorro, Mike Pizarro, Fred Galvan, Donald Pullian, Beth Borci, John Grieco and Esther Tambio. High qualifier with a plus 246 lefty Joseph Micheri Jr sat out the first two matches. Four with the lowest games were eliminated from this first round of eight. Four for the second round were Beth Borci rolling a 238 game, Donald Pullian a 208, Imee Ahorro with a 222 and Victor Jordan a 219 game. From this round of four the Donkee member rolling high game would challenge top seed Joseph Micheri Jr for the championship. Stepping up to the challenge it was our little lady Imee Ahorro who just barely made the shoot-out but posted the high game a 228 for the final match. Victor Jordan was second with a 206 game, Beth Borci third with a 196 and Donald Pullian fourth with a 179 game.

Charting the final match our little gal Imee Ahorro came out on a strike, (On lots of applause) three spares, got an 8-10 split in the fifth frame she didn't convert,

managed a strike in the sixth frame but up popped a 6-7-10 split in the seventh frame she didn't convert, spared in the eighth frame, got a strike in the ninth and spared the tenth for the win with a 167/215 game. (Spare do count) Joseph Micheri Jr came out on a split not converted then spared the next four frames finally getting a strike in the seventh frame needing to stretch this strike but as fate would have it opened in the eighth frame. He came back on a strike in the ninth and spared in the tenth frame for a 166/185 finale to settle for second place. I see this often where when a bowler comes off a great game or a great series it's relaxing time and it just doesn't get it. Next time Joseph. Joseph's second place finish was \$400 plus an added \$100 for his 300 game. Not too shabby. All Joseph's coaches, his brothers and Dad left early or I think this final match might of been a little more lucrative. Congratulations Imee and Joseph and all making the shoot-out.

Hope to see you this coming week-end at Premiere Lanes. It's beat the board. Four squads 12 Noon, 1:30, 3:00 & 5:30PM. More ways to cash-Doubles, Sidepots, Brackets, Mystery Game. Bye.

Bidwell, Montieth, Jones & Glover Are Up To The Challenge In The Grand Yamo II

by David Yamauchi

DOWNEY- The Grand Yamo Challenge II took the lanes at Del Rio last Sunday. 25 juniors came out to compete in the three distinct and challenging events.

The first event was “The Warmup” single-elimination bracket. Bowlers went head to head in one game matches until it came down to the final two in each division. In the finals of the Under Division, Ryan Aguilar and Jeremy Glover faced off for the title. Jeremy dominated the shot and took down Ryan 247-186 for the title and a \$50 gift card to Foot Locker. Ryan’s runner-up effort earned him a \$25 gift card to Tower Records. In the over division, there was some great scoring including a tough 268-243 loss for Mark French to Mason Sherman. Bowling strong, Devin Bidwell made it to the finals on games of 212-279-267 while Matt Jones took advantage of a first-round bye and games of 269-221 to meet him. In the final match, both bowlers destroyed the lanes as Matt Jones took the \$50 Foot Locker gift card with a 267-249 win. Devin earned a \$25 Best Buy card for his runner-up finish.

The second event was “The Main Event” mini-tournament. This was a 3-game qualifying, followed by a 3-game match-play and a finals round. In the Under Division, low to cut was +34, while the Over Division took +50. After match-play, the Under Division final matched top-seed Katie McClelland against JR Montieth. JR was too much for Katie and earned a free bowling ball for his win. Katie chose a \$50 gift card to Best Buy for her second-place finish. On the Over Division side of the tournament, the semi-final match was third-seed Josh Blanchard against second-seed Devin Bidwell. Devin continued his domination of the condition and sent Josh home with a \$25 gift card to Chipotle. Devin then met tournament-leader Preston Fukumizu. Preston had been scoring well all day, but today was Bidwell’s day as he continued his barrage of the pocket and simply out-struck Fukumizu to win a free bowling ball. Preston earned a \$50 Champs Sports gift card for his second-place finish.

In the “Log Rolling” portion of the tournament, everyone had a blast throwing against the 4+ pound pins. No sour-apples, but plenty of 5-7, 4-5-7, and 5 pins to go around! The dry lane conditions truly helped the bowlers out, and 5 bowlers were able to throw turkeys, though nobody could get the much elusive 4-bagger. \$10 gift cards for the turkeys included Matt Jones (Foot Locker), Brian Leseberg (Best Buy), Mason Sherman (Best Buy), Joey Marino (GameStop) and Jeremy Glover (Foot Locker). Congratulations to all of our winners at the Yamo Challenge II!

Thank you to all the bowlers and parents who came out and supported this fun event. Hope you all had a great time and hopefully one day we’ll have a Yamo Challenge III.

Strogryn's 815 Tops Deaf Travel On Tough Cal Bowl's New Lanes

by Connie Marchione

LAKEWOOD...Cal Bowl which used to host PBA tournaments, had new lanes installed and So. Calif. Deaf Traveling League found them as a learning experience. Only 5 bowlers made the honor roll and four of them are the league's top 4 bowlers.

Darrell Stogryn led with 815 from 194-215-224-182 and his league leading El Camino Village won 11.5 points from Long Beach. Dan Flores missed 800 by 5 pins with his 223-202-171-199 in his duel against Bob Jones who had 189-201-180-218/788. Ed Abakumoff rolled 158-183-226-204 for 771 as his 2nd place Riverside won a near sweep 14-1 over West Covina. Robert Audette made the list with his 201.

Riverside is now half point behind El Camino Village. The two teams will be facing each other in the league's final position round at Brunswick West Covina Lanes on April 17. The league thanks Cal Bowl for hosting.
