## \$100 Re-Entry Fees are Back for Mini Eliminator

### New Finals Format and \$100,000 Brunswick Shootout Also on Tap

LAS VEGAS—The Mini Eliminator has always been known for The Lowest Entry Fees and The Best Guarantees, and to prove it once again, six of the 26 qualifying squads will be special re-entry squads for only \$100. The 12 noon squads on July 4 and July 5 are \$100, as are the 4pm squads on July 4, 5, 6 and 7. The event will run July 2-10 at the Orleans Bowling Center, Hotel and Casino in Las Vegas.

All Mini contestants who bowl in a squad prior to the special \$100 re-entry squads are eligible to re-enter on that day at the \$100 fee. First time Mini entry fees are also the lowest of any megabuck event at \$200, and normal re-entry fees are \$160 each.

“We always want to give our customers the best value for their money, and by bringing back the \$100 re-entry, bowlers can afford to bowl in more squads to try to make the finals,” said Mini Eliminator owner Steve Sanders.

B R U N S W I C K SHOOTOUT WILL PAY \$10 GRAND FIRST PLACE

The extremely popular Brunswick Shootout is also back in this summer’s Mini Eliminator. This special event now features a \$100,000 prize fund and a \$10,000 guaranteed first place. Sold out for the past five years, the Brunswick Shootout awards a new high performance Brunswick ball to every entry.

These are three ways to get one of the 420 spots available in the Shootout:

Win one of the 84 free spots that will be given away during 7 special squads during the Mini Eliminator qualifying event.

Recruit 4 new bowlers to bowl in the Mini for a free entry and free ball.

Buy a spot for \$200, which includes a free ball and free drilling on-site (a \$250 value). Anyone who buys a spot and then wins a free entry during the Mini will receive a full refund.

The Brunswick Shootout will roll a 2-game qualifying round on Friday July 8, with two squads at 8 and 10pm. The top 64 bowlers by division will advance to the finals (35 and under, 36-49, 50+, and 205 and under).

On Saturday July 9, at 9pm, the top 64 will bowl a one-game match within their divisions. Winners advance to the Round

of 32 and continue until only four bowlers remain, one from each division.

In the 1-game Shootout Finals, these four bowlers will compete for \$10,000 first place, \$5000 second, \$3000 third and \$2000 fourth, all guaranteed. In addition, places 5-8 will win \$1000 each, 9-16 gets \$750, 17-32 cash for \$500, and 33-64 take home \$250, and again, all get a new Brunswick Ball. The event guarantees a minimum of \$45,000 in cash prizes and a total of \$100,000 in cash and prizes including the new bowling balls and free drilling.

All Shootout entries must be purchased no later than Friday July 8 at noon, and Brunswick equipment must be used in the Brunswick Shootout event, including spare balls (other brands may be used in all other Mini Eliminator events). Shootout bowlers may practice for the event free on the Brunswick Practice Range, which will be fully staffed with Brunswick Technical staff, Turbo 2-N-1 Grips staff, and a representative from Dynarooz Shoes.

The 12<sup>th</sup> Annual Mini Eliminator is presented by Brunswick, the world’s leader in bowling, and sponsored by Turbo 2-N-1 Grips, Coast Casinos, Kegel Corporation, MoRich, Dynarooz, Goodpayer.com , KR Strikeforce, and Bowling ball.com. The event will be held at the beautiful Orleans Casino, Hotel, and Bowling Center in Las Vegas July 2-10. For a complete entry brochure, call the Mini hotline 1-877-900-MINI (6464) or visit the website [www.minieliminator.com](http://www.minieliminator.com).

## Real Deal Open Trios At Brunswick Classic Lanes

NORCO — If you think you have the game to compete, then join the Real Deal Open Trios league at Brunswick Classic Lanes. This 16-week scratch league will be contested on four non-house patterns.

The league uses a unique system for overall team points. Teams receive one point for each individual match won, two points for each team game won, and a bonus point for every 10 pins an individual shoots over 200. (Ex.: 215 game=1 bonus point, 269=6 bonus points.) This format actually REWARDS teams for bowling well. It also gives teams a chance to make big moves in the standings, especially when it comes down to the final weeks.

Here is your chance to see what your TRUE average really is. To give you an idea of how our current bowlers are faring on the challenging patterns, here is a breakdown of the league statistics:

Overall league average: 180.66 (808 games).Hi individual average: 201.31 (44 games). Hi individual series (4 games): 936. Hi individual games: 296.

With at least \$500 in added money, first place is estimated at \$1,500 based on 10 teams. Leagues fees are only \$20 per week. Action begins Friday night, May 20th at 6:30 with a brief meeting at 6:00 p.m.

We have teams that are looking for a third member, so if you have a full team or you would like to sign up individually, contact Jon Diso at 951-734-8410.

## Suncoast Pro-Am Features Senior Superstars

LAS VEGAS—The Suncoast Bowling Center in Las Vegas will be hosting The 13th annual ABC Senior Masters. This “major” tournament will start with a special 2 squad pro-am, sponsored by Brunswick and [bowlingball.com](http://bowlingball.com), and will be held on Saturday, June 11th at 1pm and 4pm. Top prize is guaranteed at \$1,000 and over \$1,000 in free giveaways will be given away during a color pin promotion.

There will be three pro-am packages available. Package 1 is only \$79 and gets you the pro-am entry and a chance at the prize money. Package 2 is only \$169 and gets you everything in package 1 plus two Brunswick’s balls; The Absolute Inferno and a Target Zone. The 3<sup>rd</sup> pro-am package is two Brunswick Balls plus a 3 ball roller bag. Package 3 is only \$249—a savings of over \$225!

The best part of this pro-am is you can enjoy your new Brunswick balls immediately courtesy of [bowlingball.com](http://bowlingball.com). As soon as you receive your pro-am confirmation you will be given directions on where to go on [bowlingball.com](http://bowlingball.com) to have your balls shipped within 24 hours. Even better, there will be 3 valuable bonuses for bowlers that choose to get their new pro-am balls delivered to their home.

Many of the top senior stars of the PBA are expected to compete including Mark Roth, Dave Soutar, David Ozio, and Dave Davis. You can be a partner with these greats by signing up to bowl in the pro-am. It doesn’t matter if you are 20 or 80 years old, man or woman, or a 120 or 220 average bowler as everyone is welcome and has an equal chance of winning. This is because the pro-am will feature a 9-pin no tap format while using a 90% handicap scoring system.

The guaranteed top prize at The Suncoast pro-am will be \$1,000 and there will be a 1 in 10 payout ratio. In addition to the regular prize fund a special color pin will be added to every lane where over \$1,000 in additional prizes will be awarded. Every time an amateur gets a 9 or a strike with a colored head pin they win a free raffle ticket. If the pro gets a strike or 9 with the colored head pin everyone on the pair receives a free raffle ticket. All pro-am contestants are guaranteed a least one raffle ticket per game.

Prizes from the raffle will consist of free meals at The Suncoast, Brunswick gold pins, Brunswick shirts, and a special Coast Viz-A-Balls. There is no additional cost to be eligible for these prizes. The prizes are ex-

VENTURA — Buena Lanes will be hosting “The Buena Invitational”, a scratch event open to all adult bowlers. This unique tournament is separated into two divisions, 49 years & under and 50 years & above.

Highlighting this event are two five-game blocks with two different lane conditions. The first five-game block will be bowled on the Buena Lanes “house condition” and the second five-game block will be bowled on a “PBA” pattern taken from the “sanction machine” lane maintenance manual.

There will be a free practice session on Friday, May 20th from 3:00 p.m. until 5:00 p.m. Both lane patterns will be available for players to view on that day. We will condition the lanes on Friday with both patterns available.

With a full field of 40 bowlers in each division, the prize fund will be \$2,750 in each division with first place being worth \$750. Entry fee is \$85 prepaid or \$100 on the day of the tournament.

Complete details are on page 15 in this edition. This has the making of a very high and low scoring tournament. Some bowlers have called this event “The Equalizer”. Only time will tell!

clusively for pro-am bowlers only.

You can sign up by calling 1-877-900-6464, visit [proambowling.com](http://proambowling.com), or see our ad in this newspaper. ## Dickinson Ready To Defend ABC Senior Masters Title

GREENDALE, Wis. - Despite suffering a heart attack and undergoing quadruple-bypass surgery last November, American Bowling Congress and Professional Bowlers Association Hall of Famer Gary Dickinson will be ready to defend his ABC Senior Masters title when the 13th annual event gets underway June 12-16 at the Suncoast Bowling Center in Las Vegas.

As one of senior bowling's richest professional tournaments, the ABC Senior Masters, a United States Bowling Congress event, will feature PBA Senior Tour professionals and non-professional ABC/USBC members ages 50 and older who will compete for a projected \$140,000 prize fund and \$20,000 first prize.

Dickinson, of Edmond, Okla., won his second Masters last year at the Suncoast by defeating fellow PBA Hall of Famer Roy Buckley of Westerville, Ohio, in the three-game championship match, 638-580, to win the \$20,000 first prize. Dickinson won his first Masters title in 1997.

"It brought back some memories of our days on tour in the '70s," the 62-year-old Dickinson said of his 2004 win. "Roy was a tough player then and still is."

Dickinson suffered his heart attack shortly after winning a Senior All-Star Bowling Association Tournament in Longview, Texas, in late November.

"I started feeling bad while I was bowling - like I had indigestion," Dickinson said. "The weird thing was that it wasn't affecting my bowling at all."

"It wasn't getting better so a couple of days after I got back home I went to the doctor to have it checked out and he told me I was having a heart attack. I was admitted to the hospital where they determined I needed the bypass surgery."

Since then, Dickinson's recovery has gone well and he's been bowling since February, placing second in a recent SABA tournament and competing in the PBA Dexter Tournament of Champions as the ABC Senior Masters representative.

"I'm doing fine now," Dickinson said. "I have to do the usual things like watch my diet and exercise, but I expect to be in good shape when it's time to bowl the Senior Masters."

Dickinson won't be bowling the entire PBA Senior Tour but does plan to bowl at least the Senior U.S. Open May 14-20 and the Tucson Senior Open just prior to the Senior Masters.

With last year's title, Dickinson joined fellow hall of famers Dave Davis and Pete Couture as a two-time Senior Masters champion and brought his total of senior professional titles to 11.

The Senior Masters begins with five-game qualifying blocks for all competitors June 12, 13 and 14. After the 15 games of qualifying, the top 63 players will join Dickinson in three-game, double-elimination match-play competition June 15 and 16. The championship match is scheduled for 4:30 p.m. on June 16. Practice and pro-ams are scheduled for June 11.

Senior Masters entry information may be obtained by calling (800) 514-BOWL, ext. 3415 or by visiting bowl.com.

## John Cocchi & Mark Dyer Defend SST La Habra 300 Bowl Titles

by Paula Vidad

John Cocchi of Las Vegas led the Super Senior Division from the 6<sup>th</sup> game of qualifying and never looked back securing his 9<sup>th</sup> title with a 5-1 match play record and 3,856 total 16 game pin fall for the \$550 top prize. Low to qualify for Sunday's match play was +224 and low to cash +159. John would like to thank the "boys" at the Silver Nugget Casino and Bowling Center and especially the private instruction from Ron Degroat.

The Junior Division had an exciting final match play position game. The Top 4 had a shot at the title since only 38 pins separated them. Going into the match, Mark Dyer was 16 pins behind leader Matt Voeltz of Moreno Valley. Dyer was victorious over Voeltz for the \$675 prize. In route to his 5<sup>th</sup> title, Dyer used a 6-4 match play record and a 20 game total of 4,617 pins. During match play, the lead changed 10 times with 6 different finalists. Mark would like to thank his gorgeous wife Sheri and son Bernard for their support and La Habra 300 Bowl for hosting the tournament.

The SST would like to thank GM Rob Shan and his great staff at La Habra 300 Bowl for their hospitality and hosting the tournament.

ABC 300 Game Awards to John Cocchi, Corky Demaio and Ray Torres.

Congratulations to Jerry Smith of Los Angeles, winner of a FREE pair of Dexter Bowling Shoes. Members are eligible for the prepaid Storm Ball or Dexter Shoe drawing when your check is received by Friday prior to the tournament.

## Navy Vet/Desk Man Stallings Forest Retiree

By Frank Kietz

LAKE FOREST — Yes, it's true, "law & order" deskman Jack Stallings, 62, after 10 years retired from Forest Lanes. It should be "law, order and lover."

Jack worked for three owners, American Recreation, AMF and current owner Charles Kinstler. Retiring from the Navy in 1989 as Chief Warrant Officer-4, after a few years as a hotel engineer, he went to work at Forest Lanes.

Primarily he loved bowling, the bowlers and most of all his wife Zeny of 44 years. They bowled together every Friday afternoon. His son deputy sheriff Rob bowls in Cincinnati and brother Ted who managed WonderBowl, Anaheim and currently a Brunswick Regional Manager knows everything about bowling.

Jack and Zeny have a well-serviced RV ready to hit the road heading for home-town Akron, Ohio. His father was a Firestone tire builder and probably bowled at Rivera Lanes where the PBA Firestone of Champions were held.

During his 29 years in the Navy he bowled. He says, "I bowled all over the world but I never won a title."

Jack received many, too many to count, decorations while sailing the "seven seas". He was a decorated Golden Shellback crossing the 180-degree parallel numerous times.

Jack served on seven ships, stationed in nine home ports and visited ports throughout the world.

He was a hero seeing action in Cuba (Bay of Pigs), in Diego Garcia (Indian Ocean) where he was an Underwater Demolition Team Member. In Vietnam Jack took part in a number of operations protecting their coast. The Republic of Vietnam sent him Letters of Commendations. Five of the awards included Bronze Stars.

While in Hamburg, Germany, as a member of a Helicopter Search and Rescue team, protected President John F. Kennedy's visit.

We must salute Jack for his action filled service to the United States and thank him for being an understanding deskman helping us enjoy our league and tournament sessions.

Oh yes, Jack did receive a "Good Conduct" ribbon — let's add a gold star to it.

## ABTA Memorial Special May 27-28-29 At Cal Bowl

LAKEWOOD — The ABTA's Memorial Special Event will be held May 27-28-29 and there is a top prize of \$4,000 minimum in this annual event with a possible \$8,000 first prize with bonuses and cash 'n carry options.

There is a \$300 bonus for pre-paying the first entry by May 21. The first entry in this event is \$70 prepaid, and \$71 on-site with re-entries at lower rates of \$60, \$54 and \$49.

For those bowlers in the reduced entry program, first prize is now \$2,200 with first entry of only \$47 and re-entries of \$46 and \$44.

Bonuses in this annual event are big as the cash 'n carry will pay \$110-\$1 in this one, and can net you as much as \$2,750 max. There is a Friday night qualifying bonus of \$350 if you win the event, other bonuses are \$200 for qualifying Saturday at 2:30 or 4:00 p.m. There is \$100 for wearing your ABTA logo shirt, and \$50 if an ABTA league member. There is a participation bonus of \$500 if you have bowled 28 squads since May 29, 2004 and 20-27 squads will get you a \$200 bonus and then there is \$100 if using a Columbia "300" (our sponsor) ball for the win.

Cal Bowl is located at 2500 Carson St., in Lakewood. Take the 91 to Paramount, go south three miles to Carson. It is located near the corner of Carson and Paramount and the phone number there is 562-421-8448. Another good thing is that each day of qualifying is a separate board for the semi-finals.

The ABTA is bowling the following weekend in a one day event at Southwest Bowl in Los Angeles, and the handicap will be frozen in this one for the Big Memorial Event (you will not lose handicap except for an extenuating circumstance to protect our members).

Please see our ad in this paper or the website at [www.abta1.com](http://www.abta1.com). New members allowed up to 208 average, NO PBA or PWBA. Each day of qualifying is a separate board for the semi-finals.

## The Micheri Family Stars in the ABTA at Chaparral

**Joseph Jr. wins Title, Jose nabs \$1,400 3-6-9 pot  
Rojas hits match Series and Match Game is est \$2,800 at Cal Bowl**

SAN DIMAS—Joseph Micheri Jr. came through in the 10th frame as he won his first ABTA title the hard way. He downed five straight opponents in the top 16 Single Elim finals to take home a nice \$1,300 top prize as he finally downed the “hot” top seed Patrick Ambrose in the title game at friendly Chaparral Lanes.

Joe Jr. bested a nice turnout of 187 bowlers (3 squads only) in the Special Event, which featured Simon Rojas capturing a Match Series pot , and Jose taking home the same amount as his brother with a win in the 3-6-9 roll off for \$1,400.

A nice, fair condition produced nice cut scores of +71 (men),and a nice +50 for the women. Due to the nice turnout we returned 47 bowlers to the Semifinals. Also added to the Semis were the Super Seniors Tom Adams, Frank Menchaca, and “Birthday Girl” Imee Ahorro.

Leading the Semis was a hot Patrick Ambrose with his fine +136 to be top seed to sit out and bowl for the title. He was followed by Shed Smith +124, who would receive a first round bye in the single elims and enter in round two. It took a +55 for the men and +29 for the ladies to make the finals which included three women in the top 16 finals.

The bowlers took to the lanes, and losing in the first round were Youna Yun, John Van Metre, Shawn Winsor, Mark Huertas, Amy Arsenault, Rene Vasquez, and Chris Sollie. They got checks of \$105 in 10-16th places.

In round two, being eliminated were Kevin Balding, Shed Smith, Gil Potempo and Cleve Johnson. They cashed in 6-9th places and \$110.00 each.

Round three had Micheri strike very often in a 242-181 win over Heidi Cheng. Vic Arteaga in a shootout downed Dave Shearman 268-235. Dave and Heidi were 4th and 5th with fine bowling and \$117.50 each. Joseph Jr. and Vic to meet for the right to advance and bowl Ambrose for the title.

This match had Joseph Jr. carry twice more than Arteaga and he was off to the title match in a huge 265-250 win, with Vic finishing 3rd and fine bowling and \$220.

The title game was set and 25-26 was the pair. We would now see who would become our latest Champion. Patrick elected to have Micheri lead off. He opened with a double and Patrick answered with a turkey to take a lead. Both bowlers were clean through 8 frames.

Ambrose clinging to a four pin lead with the handicap. Patrick finished first, and with a strike in the 8th could take a huge lead if he could double. He tossed a light brooklyn which didn’t carry and then spared and struck in the 10th for a nice 237 handicap score. Young Micheri with a strike up in the 9th would need the first in the 10th for the win. He threw it out trusting the shot, and it came back just enough for a light mixer and enough for the win. Then finished with two more strikes for a 255 handicap game. The title went to the young man from Tujunga and deservedly so. He finished the game strong,as a true champion. Great bowling Joseph. Mom and Dad would be glad to hear the news. A nice Mothers day gift for your Mom the next day, she will be so proud.

Patrick Ambrose really bowled well and this is his highest finish with us and could have been the champ with a break or two. He is one of our finest supporters, and is very competitive. It is nice to see him perform so well at Chaparral.

Vic Arteaga, definitely one of the good guys also bowled very well in third, with a break or two could have been the champion this week. He is a titleist, and a fine gentleman. Congrats Victor.

ABTA Notes: Tourney Hi Qualifiers were red -hot Rene Vasquez with his +165, and pretty Jinny Lei led the ladies +103. They will get paid entries to our next regular event.

Jose Micheri, the champ’s brother thrilled the crowd as he eliminated the field in the 3-6-9 roll off and tossed the necessary 5 9’s or better to break the bank. He got a nice \$1,400 pot. Great for Jose, and the pot will still go for a nice \$600 in the 3-6-9 pot this weekend at Cal Bowl in our early Event Saturday.

The Match Game 3 was Un Matched due to the 276 drawn by Patrick Ambrose. We will estimate a nice \$2,900 Match Game this Saturday as we have \$1,645 in reserve. The Match Series however was matched due to the 551 drawn by Rene Vazquez by Simon Rojas so we estimate a \$250 pot for \$2.00 entry fee this Saturday

The Columbia 300” ball of the week went to a happy Jose Borromeo, and he opts for the Professional Columbia “300” Ball. He thanks the ABTA, and sponsor Columbia 300 for the fine ball.

Champion Joseph Micheri Jr. hails from Tujunga, and used a Reloaded drilled by Rusty at Mission Hills Bowl. He is single with a pretty girl friend Janet

who was his good luck charm in this tournament. He thanks Janet, his #1 supporter and brothers for supporting him at Chaparral and his parents raising him right and starting him out in bowling, and the ABTA for such a good program and tournament.

Patrick Ambrose hails from Upland and used a Super Trooper drilled by Ken at K. K. Las Vegas, and is engaged to Terri, his #1 fan. She has two children , a son Julian and daughter Jordan. He thanks the ABTA , and Bob, Chaparral for being a great host, his friends for support and to God.

Vic Arteaga hails from West Covina and used a Predator drilled by Memo Rosales. He is engaged to Michelle. He thanks Chaparral for being a great host, and Michelle and daughter Faith for support.

We had several new members join this week first time cashers were Jennifer Smith, and Marcy Smith.

Due to the Mothers Day weekend we had a short staff as three of our fine workers were in Las Vegas and thanks to the directors who worked so hard especially to Belinda who really got her feet wet (BUSY) due to the nice turnout and Greg who did so many thing without our usual help. Thank You Lots! Special thanks to Chris Kelly, Velinda Kelly and Michele Tucker who chipped in and helped out. Thank you!

We wish Karen Wade ABTA member and league member Get Well wishes after her surgery. Karen is one of the best and we want her back with us soon.

# Tenpin Slants

by Joe Lyou

This tenpin tale features bowling historian Chuck Pezzano, his family and world-renowned bowling coach John Jowdy.

Not only are Pezzano and Jowdy both members of the ABC and PBA Halls of Fame, they have been close friends for about four decades. And, as well as being among the movers and shakers in the world of tenpins, Pezzano and Jowdy are acquainted with everyone in the bowling biz who is worth knowing.

Pezzano, a charter member of the Professional Bowlers Assn., has rolled a flock of 300 games during his distinguished bowling career. He has four sons, and they once bowled as a team in the annual ABC Championships Tournament. All of the four siblings are fine bowlers, with each having recorded at least one perfect game.

Recently, Chuck's granddaughter, Amanda, fired her first perfecto. That means all six members of the Pezzano family now have a 300 game to their credit.

Amanda, a standout high school athlete in New Jersey, was already a 200-average bowler, but she became even better after she recently received two hours of on-the-lane instructions from John Jowdy.

The Bowling Writers Assn. of America awards two \$1,000 scholarships each year. They're called the Chuck Pezzano Scholarship Awards. This year the BWAA voted to give one of the awards to...Amanda Pezzano.

And she deserves it, for in addition to being an excellent bowler, Amanda is getting straight A's as a sophomore at the University of Pennsylvania. She's hoping to become a lawyer some day, and it's a cinch she'll be a good one, a very good one (my opinion).

The 300s by the Pezzano clan tied a record held by the Eldridge family of Michigan City, Ind., which had father, daughter and four sons posting perfectos.

In an interesting footnote, the family of the late Dick Weber had five members with 300s.

**Ever hear of a free bowling tournament in which the winner could win \$1,000?** Well, it's true. It's called the Nothing to Lose Free Bowling Tournament, sponsored by Harrah's Hotel & Casino in Reno. So, what's the catch?

The only catch is that bowlers must stay at Harrah's, which entitles them to a free

entry for each night they stay there. Then, you head for nearby AMF Starlite Lanes and bowl three games. The highest three-game series, with handicap (80% of 200), will determine the winner.

All contestants—men and women over 21 years of age—must have a sanctioned league average for at least 21 games. No pros may enter, meaning anyone who has been a member of a professional organization the past five years is not eligible..

The tournament, which is already underway, continues through May 27. You may bowl at Starlite Lanes any time lanes are available from Sunday through Thursday between the hours of 9 a.m. and 6 p.m. and from 9 p.m. to 11 p.m.

Bowlers may reenter, but they must have an official entry form from Harrah's. There are certain other stipulations, so be sure to read the tournament rules before bowling.

Here's another incentive to enter the Nothing to Lose Tournament: For every member of the California Women's Bowling Assn. and/or the men's California Bowling Assn. who enters the event, their respective organizations will receive a \$10 rebate, with \$5 going to the local associations.

**Speaking of the CWBA** reminds me that Newhall's Robin Romeo will be among those inducted into the CWBA Hall of Fame on May 21 in Covina. The induction ceremonies will be held during the organization's annual Covention Week activities.

It's the latest honor for Robin, who already belongs in several other Halls of Fame, including the big one—the WIBC—in which she was enshrined in 1995.

A six-time All-American, Robin was voted Bowler of the Year in 1987, the year she captured the prestigious U.S. Open. It was one of 17 pro titles Robin won before retiring from the women's pro tour—which promptly fell apart without her (my opinion).

Of all the records Robin set during her long pro career, her late father, Raymond, was proudest of the fact that she had made the cut in 77 straight PWBA tournaments. And she did in the good old days when there more than twice as many entrants as the 35 or so who competed during the years just before the PWBA folded.

Those, indeed, were the good old days.

## Up Your Average

by Rolf Gauger

### Instruction to Help Raise Your Scores

## What Do You Mean, It Makes No Difference? or Two Score Raisers Many Bowlers Don't Know About, or Know But Fail To Do

Since we all know that a bowling ball skids before it rolls and that it will skid longer in heavier oil, one way to get it to roll (grab) earlier is to actually reduce the ball's *angle* of rotation during the release. This obviously cuts down on the amount of hook, but the earlier roll grabs the lane surface sooner. One way to do this is by using a *roll-roll* release rather than the usual skid-hook-roll release.

There are at least a couple of different ways to do this. Here we'll describe the easier of two effective ones. What must be accomplished is a change in two things from the normal release. First, the *angle* of rotation (rev angle) must be *reduced*; second the ball's *axis tilt* must also be adjusted (usually lessened) to no more than a few degrees off the horizontal. Why? Because 1, the greater the rotational *angle*, the more and longer the ball will skid and 2, the greater the axis *tilt* the more the ball will spin like a top, neither of which we want in heavy oil because the ball will go too long, every time.

Here we must remember the following: Since it is the fingers which rotate the ball, the *angle of rotation* depends upon how far those fingertips bring the bottom of the ball (finger holes) around it's side during the release. So to create the desired lesser rotational angle for this shot, the fingers must move around the ball *less*...thus reducing the number of boards the ball will hook.

In combination with this lesser rotational angle, we also want less axis *tilt*.

Since axis tilt is controlled by wrist position, it can be reduced by letting the wrist break backwards (collapse) a bit at the release point, so that when the fingers trigger the release, it's almost like rolling a dumb-bell down the lane...the axis remains almost horizontal. This release maintains enough revs, yet doesn't let the ball skid too long! Of course a greater outside line must be used for such a shot.

Sure, we always have the option of changing equipment to fit oily conditions. But using the wrong release with the right ball is just as bad as throwing the perfect ball with the wrong release. Doing both correctly will make you a double threat for bigger scores.

### B - THE 'FREEZE' AT THE LINE TECHNIQUE or POST YOUR POSITION

This is so simple and easy to develop and do that I consider it ridiculous that it isn't taught more. It's actually so scarce that it's not even done by the vast majority of pros, never mind better amateurs. Yet, when my students do it, their scores virtually always improve. It's simple enough. Just make the following simple rule for yourself and follow it with every shot, strike or spare, until it becomes habit. Trust me, it won't take long:

Whatever position your body happens to be in when you come to a stop at the line, simply *freeze in that position...then hold it, without moving any part of your body, until pin fall, less than 3 seconds or so on average!* If this seems silly at first, never mind...do it anyway! (If you happen to be off balance, of course, you'll find that you won't be able to freeze and hold it. No big deal; just keep repeating it and after a few tries, you'll find your balance improving all by itself.)

The point is, if a bowler can't hold his/her position at the line for a couple of seconds after the shot, it means only one thing...the position is usually inconsistent *during the shot as well!* And if the body position at the line varies from shot to shot, so does the shot itself! This makes the shot inconsistent...which means that *even if your position at the line is incorrect, at least it's always the same*, which makes it easier to correct!

Incidentally, the term "POST YOUR POSITION" describes this freeze at the line nicely...creating more consistency.

**THE WRONG AND THE RIGHT**  
The point of the above observation is that even if you find your position at the line to be incorrect...meaning that it isn't what you want or need to help create the desired release, at least now you *know it for sure!* On the other hand, the bowler whose body is in motion during and after every shot has no way of knowing where he/she was *during* the shot...and therefore has no way of correcting it.

**WHY DON'T MOST BETTER BOWLERS DO THIS?**  
Good question! The answer is simple; *they either don't know about it because it's seldom taught, or they don't consider it important because they don't see anyone else doing it.* Possibly they think it makes no difference. Obviously, the bowler who doesn't know about it won't be doing it. Nevertheless, it seldom done. I can promise you this...*once you do start posting and see the improvement in your game, it will become like a religion!* With my students it never fails. The 150 bowler quickly improves to 160, 170 or better. *It seems to work for everybody who does it!*

**ADDITIONAL SCORE RAISING POINTERS**  
Once you start posting, you'll quickly notice one important thing you probably never noticed before...that you are suddenly keenly aware of just exactly what position your body is in at the line. You may think you always knew, but you'll probably be surprised at what you see and feel while posting. (Those who've had videos taken are the exception, of course.) When bowlers I've worked with first become aware of what they've looked like at the line for years, I hear things like, "My God! Is that what I look like?" Once that happens, then the position improvements can begin, and here are a few you should consider:

1 - Many better bowlers turn their bodies to the right when arriving at the line (left for left handers). This is one of the worst ball score killers of all, because it forces you to steer the ball, which is seldom accurate. Even crankers, despite all their revs, seldom get away with this body turn in today's thicker oils, especially on spares. Bowlers don't do this on purpose; it is caused by two possible things. Either the finishing foot turns inward at the line, turning the whole body with it, or the back leg is pulled too far around behind the body, creating the same wrong body turn.

The foot turning on the last step is fixed by consciously turning the foot in the opposite direction (slightly *outward*) at the line, so it ends up facing slightly toe out. The back leg can be kept from swinging too far around in a circle behind you by thinking of it as a rudder which never turns past 7 o'clock behind the body (5 o'clock for left handers). The late hall of Fame champion Dick Weber, is credited with the rudder idea, by the way. 7 o'clock is far enough to clear the hip for the release...so deliberately kicking the back leg too far sideways behind you (as I've seen taught by some) is actually bad news.

2 - At the line, *the chest should end up directly above the front knee.* That ancient chest past the foul line body bend doesn't work well in modern conditions, in spite of all the photos you see of old time greats bending forward with the back leg kicked up in the air. I see far too many bowlers still doing this. In many cases it forces hanging on to the ball too long during the release, thus slowing down the revs. So keep that back leg down with at least a slightly bent knee! This also helps avoid having to keep yourself from hopping forward at the line, which I also still see too much of among some supposedly better bowlers

3 - Far too many 190 to 210 bowlers fall off the ball sideways at the release. For a 120 bowler I can understand this, but not for anyone with a 150 plus average. This is a real accuracy killer. The cure is so simple as to be almost laughable. On the last step, whether you slide or not, simply

*step in front of the other foot!* This keeps the ball's weight from pulling the body off balance sideways because now your front foot is closer to your body's center of balance, making the release far more steady and repeatable.

So...while it is true that posting your position will create more consistency even if that position isn't the best, these three techniques will make it easier to post, *plus* adding both power and accuracy to the consistency that posting will provide!

## David Fairow Jr. Fires Near Perfecto!

by Randy Myers

DOWNEY—No it wasn't a mirage the bowlers were seeing, it was an actual well, as in an OIL WELL and boy did the numbers swell! David Fairow Jr. came the closest to perfection on Monday as he fired the first 11 strikes in game 2 before leaving a solid 10 pin for a fine 299. David finished with 659 but was low on his Pro Approach – Lakewood team as Paul Smith shot 688, Billy Myers Jr. 724, and league leader Vernon Adams stroked 754 to take 2.5 games from T.D. Rowe. T.D. Rowe weren't far behind as Carlos Castillo 278/707 & Jeff Hickenbottom 268/722 guided their team to the near split. In a battle for the top seed, Transcon Logistics locked up the spot despite losing 3 of 4 games to Reback's Plumbing. Jason "Magilla" Carrillo came out firing with 268/724 and would have had more had he kicked out the 10 a few times. Levi Slocum backed Magilla with 660, while only Larry Gray broke six for Transcon with 648. Reback's hold a 2 game lead heading into the final week for the coveted #2 seed.

Al's Bar Supply used a team attack in defeating STRIKE CONNECTION 3 games to 1 with John Mongillo 657 & Ramon Torres 656 leading the way. David Cogswell was doing most of the striking for the Connection team as he rolled the first nine strikes in game 2 only to be left with the dreaded pocked 7-10 in the 10<sup>th</sup> for 264/702. The last match between round winners had Bowler's Depot – West Covina blanking the BD of Lake Forest 4-0. Leonard Ruiz Jr. 696, Steve "Great White" Gurrieri 682, and Alonzo "If God gives you" Lemons 674 led the way for the Round 2 Winners. Chris "Mighty" Oakes fired 682 for the losing Lake Forest team. In the Wild Card match, Linder Insurance and Etonic both clinched Wild Card spots, as Linder was unable to complete a first game comeback and sweep Etonic. By winning 1 game, Etonic remains 4.5 games ahead of J.C. Spas and locking up the final spot. James Mowrer was high on the pair with 278/692 but couldn't overcome Walter Vasquez 653 & Nick Smith 279/646 of Linder Insurance. Etonic will have to sweep Linder Insurance next week to move up to the 9<sup>th</sup> seed as Linder holds a 3.5 game lead, 82 to 78.5.

James "I couldn't carry" Cox came close to perfection as he hooked every shot into the 1-2 pocket but could do no better than a No-Tap 900. He fired games of 270/258 for 732 in leading his J.C. Spas team to a 3 game comeback win over Tri Star Vending. David Van Gaston aided James as he rolled 257/686 while Jon Brandon "IRON" was his steady self in stroking 703. These two will square off again next week for the fourth straight time

to decide the 11<sup>th</sup> position. Jason Hoppe "Go Lucky" used his skill in carving out a fine 268/743 set to lead Boulevard Brakes to a 3-1 win over Family Amusement. Greg Neuer chipped in with 687 for the Brakes team while Gary Duran overcame a horrible first game to fire 288/669 and lead his team to it's lone win. James "Strike" Maker did just that in leading Threadworks to a 3-1 win over Team Storm. James finished with 259/686 with help from Tony Rodriguez 660 in leading Threadworks, while Arnold Cheesman paced Team Storm with 653.

The rest of the league went as follows: Charlie Kinstler led Freek Racing to a 3-1 win over Exactor Vise with a 619 series; The Immel Team took three from America's Lending with Missy Bellinder 649 and Dave "Great" Scott 648 leading the way. Dave the P.I. was finally able to solve the mystery of Del Rio and help his team to victory. Good job Dave! Mike Ashby fired 278/727 to help Parke Industries to a sweep of Overboost.com. Mike got help from Jack Price with 690 while Joe Lane was tops for Overboost.com with 611. Paul Varela fired a 635 to lead Driver Insurance to a split with Circle Athletics, 2 games to 2. Pro Approach – Downey pulled out a 2.5 to 1.5 win over Royal Alliance with Mike Calvillo leading his team with 633. However, Ramiro Garcia was best on the pair with 255/660 for Royal Alliance. The last match of the night was between Western Pacific and Prudential-Picarelli and Western came out on top 3 games to 1. Danny Cobbs 655 & Larry Osterhoudt 650 led Western while Bill Talbott 681 & Everett Nishikawa 648 were best for Prudential.

The side pots were again high scoring as Carlos Castillo captured game 1 with 278 with Lawrence Pena second with 258. Game 2 went to nearly perfect Nick Smith with 279 and Everett Nishikawa sneaking in for 2<sup>nd</sup> with 214. Jeff Hickenbottom got the big money in Game 3 as he rolled a 268 to gather in both the 3<sup>rd</sup> and Super Side Pots. Herbert Jones took 2<sup>nd</sup> with 245 and Vernon Adams took home the Series pot with his league leading 754. Congratulations to all the Side Pot winners and David Fairow Jr. with his 299!

One more week to fight for position and then it's on to Sweeps Night at Del Rio Lanes in Downey. The action starts at 9 pm next Monday so be sure to be there. We're anticipating a lot of high scores again next week and it's quite possible we'll see some more Honor Scores. So come on down to Del Rio and catch all the action! Thanks again for checking in!

**OCWBA News**  
by Alice Meglemre  
GARDEN GROVE- Orange County WBA President Cindy Miles conducted the May 9 meeting in less than an hour. which included reports and business.

The delegates to WIBC returned home a little bit sad, knowing this was to be the final WIBC annual meeting. The USBC will become official at the start of the 2005-2006 season, and though details for the single membership project is not detailed at this time, local ABC, WIBC and YABA hopefully will make the transition smoothly for the bowling fraternity.

News of the recent decision of USBC to award Cal Bowl and Cerritos Lanes to SLACBA was met with mixed emotion. Regardless how some individuals feel about the action, it is final and the OCWBA/OCBA intend to cooperate in every way. The LAWBA will merge with the SLACBA and women bowlers in Cal Bowl and Cerritos Lanes league will obtain their memberships at those centers. We expect more changes USBC may announce later, in California and other local association association boundry lines.

Theresa Hall, Senior tournament chairman, reported official date and site for the annual Senior tourney, July 23-24 at Forest Lanes and secretary Cheryl Huntington added that the entry forms will be revised slightly this year.

Since the OCBA conducts their Senior tourney the same dates and site, men and women participants may bowl on the same lanes, by request. See entry froms for more information and remember, July 1 is entry deadline.

Mixed Doubles chairman, Gale Johnson, announced dates for the annual event, November 5-6 with squad time set at 9-12-3 on Saturday and at 10-1 on Sunday. The site will be announced when it's official and entry forms should be available in September.

The next Board meeting will be June 20, 7 p.m. at the OCWBA office. Call Cheryl at the office, (714) 554-0111, for further information and, in case you are wondering when 2005-2006 league sanction kits will be available, they will probably be ready for distribution in August.

**High School Bowling Program Continues Momentum Under United States Bowling Congress**

GREENDALE, Wis.—The bowling industry has been making an investment in bowling's future and it's paying off.

Under the guidance of the United States Bowling Congress, a platform exists to expand bowling opportunities for high school bowlers while also achieving the goal of promoting the sport to younger bowlers.

Initially, as a jointly funded program with USBC, High School Bowling USA was administered in Arlington, Texas, under the supervision of the Bowling Proprietors' Association of America. Now, through mutual agreement, USBC High School is funded and administered through its headquarters in Greendale, Wis. BPAA will continue to provide support and advice through participation on the High School Advisory Board and through their members' support of the high school programs locally across the nation.

For an indication of just how far the program has evolved since its inception on Aug. 1, 2001, just four states had boys and girls varsity level bowling programs, two states had girls varsity programs and 14 states had club level programs. Nearly four years later, 14 states have boys and girls varsity level bowling programs, one state has girls varsity level and 25 states have club programs. The balance of states are either working on or nearing implementation of high school programs.

"With USBC's future role as the sport's national governing body, the infrastructure is in place to best facilitate and support the program's needs as a competitive sport," said USBC Chief Executive Officer Roger Dalkin. "Since this initiative has evolved from a plan on a piece of paper to a growing and successful program, it's important that we keep the momentum moving and we can best do that as part of USBC."

In most cases, states that have accepted bowling as a varsity sport, bowling must be conducted as a team competition under the jurisdiction of a conference. Like other varsity sports, there must be a system in place to advance teams representing schools to a state championship. There can be exceptions for areas which have smaller programs or are not part of a conference and where travel and other logistics might need to be considered. Some programs also may include a supplemental individual competition at the state championships, if desired. For states that have not received varsity status, high schools conduct bowling as a club sport.

"High school bowling is the fastest growing high school sport in the country," said Director of USBC High School Christine E. Zahn. "We can also take pride in the fact that the National Federation of State High School Associations has been very impressed with the industry's dedication, funding and planning to move this program forward."

KIETZ KOMMENTS

by Frank Kietz

ONE BALL AMENDMENT TURNED DOWN

LAKE FOREST — This writer recently received the 2005 Bowling Writers Association of America's Mort Luby Hall of Fame award; it wasn't for how I wrote but what I wrote...mainly about the good and sad things the American Bowling Congress and the local associations did for the bowler.

Being a bowling historian with a long memory covering the area's first sanctioned 300, 800 series then expanded to state, national, even a bit of international stuff.

In-between I wrote a great number of amendments — local, state and national. Years ago it was mandatory that annual ABC sanctioned tournaments teams be composed of five men which I thought was unfair. So I wrote one making the annual event team number optional, and while on the fairness kick amendment #2 placed a limit on the number of bowling balls a man could use.

It was easier to fill four-man teams. With five-man teams going to nationals and state tournaments, an organizer had to get two teams in order to enter five doubles teams — on a five-man team the odd man was out. The "rich" competitor with more than one ball had an edge, he could carry a "strike" and "spare" ball.

Oh, both the ABC and proprietors were against the liberalization. Years later the "Congress" let the locals drop to fours. But, the one-ball per man events didn't make it.

To legalize the multi-ball habit, congress ruled a player could use all the balls he could personally carry from the paddock to the lanes, then amended the rule so the weak, superannuated, rich and poor bowlers could wheel to the lanes as many balls as they could safely handle.

Since then, many things happened to tenpins. Automatic setters, televised scoring, computerized lane dressing machines, synthetic lanes using fireproof dressing, bumper, cosmic, corporate, birthday, and social party bowling has changed the sport to a social happening.

Gone: Multi-lane pot games, trading stamp sweepers, no-taps, colored pin free gamer, silver dollar jackpots, learn-to-bowl leagues, midnight moonlight sweepers, marathons, scotch mixed doubles — good riddance?

Hopefully, the hi-tech generation will come up with new fair/equal, exciting, competitive Tenpin activities.

EDITOR'S NOTE: I requested Frank to write about some of his amendments presented to the A.B.C. Some passed, some changed A.B.C. completely, some failed. But Frank Kietz always made them think. More next week Frank!

P.S. Bowling is not a competitive sport unless you know how to keep score! Carol Mancini

Southern California Deaf Bowling News  
Abakumoff Denies Stogryn 7th Title In Thilling Travel League Finish

by Connie Marchione

WEST COVINA—So. Calif. Deaf Traveling League ended its 45th season with a thrilling finish for the league championship between Darrell Stogryn's leading El Camino Village and Ed Abakumoff's Riverside which was half point behind in 2nd place in this final position round match. Stogryn was aiming for his defending champion Village's 7th title since he joined this scratch traveling league in 1994. Abakumoff's Riverside was in the cellar of this 10 teams doubles league last November and since worked its way up to this title round.

In this battle of two Deaf Team USA friends, before the match Ed warned Darrell that he is putting on his Wednesday night Moreno Valley Scratch Singles League face to be serious in this match against him. Recently Ed had finished in 6th place out of 40 top flight bowlers including Vince "900" Wood in this Wednesday league.

The match began with Riverside ahead by half point as Ed beat Darrell 214-209. In 2nd game Darrell came back with a 245 against Ed's 226 but Ed's teammate Sharon Caldwell helped Riverside to one and half point lead.

Although Darrell lost the third game 205 to Ed's 213, teammate Mirna Aranki's 186 helped win the team game and cut Riverside's lead back to half Point.

Going into the final 4th game, the Villagers were ahead by 6 pins, Darrell 7 pins ahead of Ed and they must win the final game and series to ensure its 7th title. But fate hit Darrell with trouble in his game and losing ground. Then Darrell caught up when he struck in his 9th and 10th frame forcing Ed to strike out in his 10th frame in order for Ed to win the game and series.

So Ed did just that three, clean strikes for another 213 and Darrell finished with two more strikes for a 199.

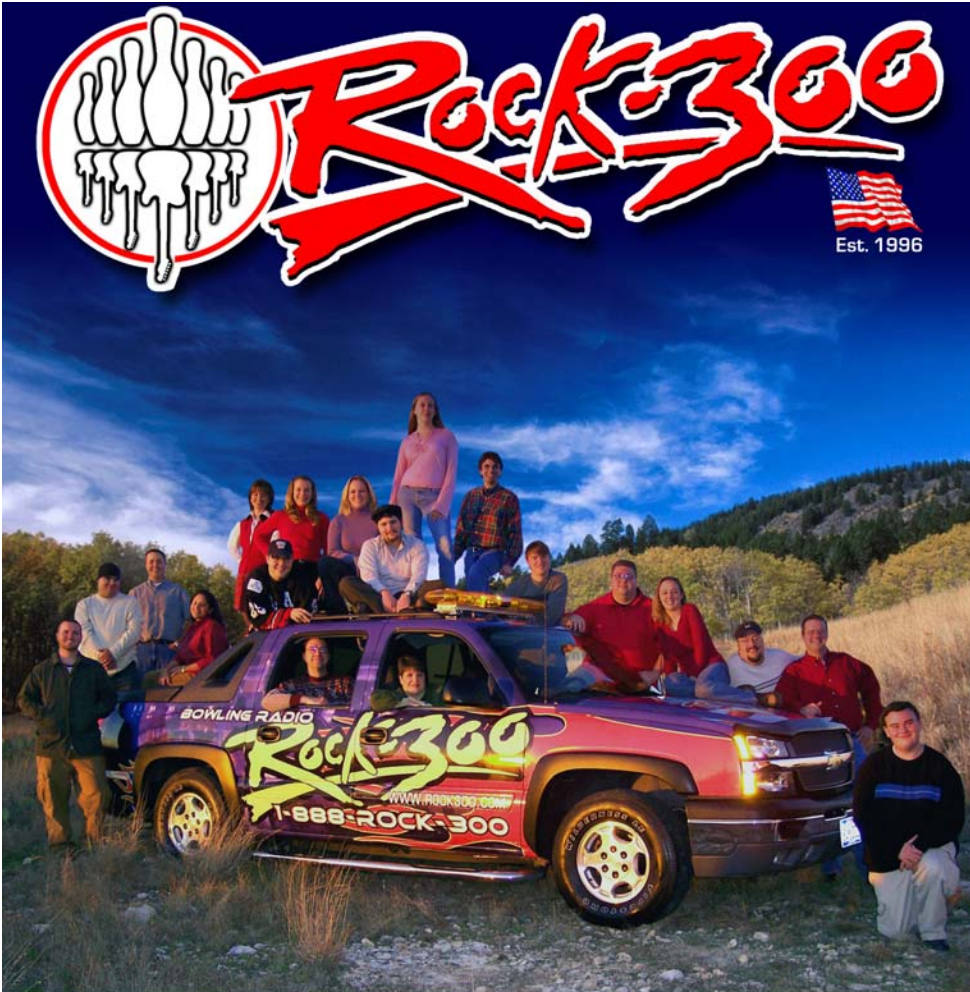

Final tally, 4th game and series 866-852 to Ed, both the deceive team game 334-326 and very close team series 1452-1450 to Riverside giving Riverside 9 to 6 points victory and the league title.

In other matches, Bob Jones rolled 202 and 754 for his S. F. Valley's 11-4 win over Anaheim to retain 3rd place. Anaheim fell to 5th when South Bay beat 6th place Granada Hills 9-6 to move into 4th place. La Verne and Los Angeles exchanged places when LA's Gardy Rodgers hit 172-213-200-211 for 796 to over come a pair of 705's by La Verne's Connie Marchione and David Ramirez (223) for 9-6 win. Francisco Navarro had 206-203-in his 764 as his West Covina won 8-7 over Long Beach and both teams stayed in their 9th and 10th places.

The league thanks Brunswick West Covina Lanes GM Don Knuesel and his staff for the courtesy and hosting. The league's 45th season will be closed with a sweepstakes and banquet this Sunday at Linbrook Bowling Center.

## Mason Sherman Goes Wire To Wire In JAT Opener

### Jones, Leseberg and Spiesman Shoot 300

By David Yamauchi

MONTEBELLO—The JAT started their 2005-06 season at AMF Beverly Bowl this past Sunday. With new bowlers graduating from the Farm Club there was a strong field of 35 in the Open Division. The always-kind conditions at AMF Beverly Bowl proved to be little match for the “big-guns” this Sunday.

Qualifying started out with a bang as two-hander Matt Jones ran up the front-9 and buried the last three for a perfect game. Then next game, smooth-revving Brian Leseberg strung twelve for the second 300 of the day. In qualifying we had 4- 260 games, 6- 270 games, one 280, one 290 and two 300’s- and that was just qualifying! Tournament leader at the half-way point was Mason Sherman at +223 and low to make the first cut was J.R. Montieth at +86.

Match-play continued the strong scoring as Devin Bidwell started off hot with a 279 game, and lefty Jeff Spiesman delighted the crowd with the third 300 of the day. After the 5 games, Mason Sherman continued his domination of the lanes at +570. Second-place qualifier Matt Jones was 114 pins off the pace at +456. The top-5 were rounded out by third-place qualifier Daniel Watanabe +444, fourth-place qualifier Jeff

Spiesman +439 and low-to-qualify Jeremy Glover, making his first JAT top-5, at +424.

The first match saw Jeremy Glover against Jeff Spiesman. Both bowlers were lined up, but Spiesman was able to out-strike his way to a 224-205 win. Jeff moved on to face fellow-lefty Daniel Watanabe. Watanabe had the match in hand until the 10<sup>th</sup> frame when an errant shot left the 5-count greek church. The count, combined with the open frame left the door open for Spiesman. Jeff delivered with a spare in the 10<sup>th</sup>, then managed 9 pins on a light hit for a 231-230 win. That would prove to be the last close match of the day at Jeff moved on to face Matt Jones. Jeff was hot earlier, but the drying lanes knocked him off his game as Matt struck to a 234-143 win. This set up a final match of Matt Jones and Mason Sherman. Jones stopped carrying as Mason continued pummeling the pocket as he did all day. Mason capped off his high-scoring day with a 247-181 win, averaging 243.8 scratch for the day. Nice bowling Mason!

**Girls Jr. All-Stars**

by David Gordon

INGLEWOOD - The Girls Jr. All-Stars concluded their 2004-05 season with their awards banquet on April 17th at The Proud Bird Restaurant and Banquet hall. Unfortunately, a minor thing got in the way of me doing an article earlier. Something called work and keeping a job. It got to be so late, I figured an article would be pointless. However, I was reminded STRONGLY, that it was never to late to honor the girls. We had a few miss out on the festivities that included as a wonderful dinner, door prizes and awards took us into the evening.

We started off the evening with introductions of our guests and sponsors. Bowling News (Carol Mancini), Keystone Lanes and BowlCheap.com (Dave Piazza and wife), Just Chill Entertainment (Terry Meeks and wife), Brunswick West Covina Lanes (Mr. Pena), Edison Sports Club (Eddie and Norma Gaddison) and Threadworks Embroidery were our sponsors this year. Tom and Rocky Leigh were our guests from the SFV-YBA Association. This year, we then introduced the bowlers, back to the sponsors.

The awards started off with recognition of City tournament award winners Sadia Ward and Katie McClelland (doubles team) and Melissa Pena (singles and All-Events 1st Place). We also presented Annabel Osberg her 700 high honor award and plaque.

We then had a very inspirational speech from Annabel Osberg on how much this league means and affects her. I'm sure many of the ladies could all readily relate the same feelings.

Now for the main event. To start, the individual awards. High Game went to Sadia Ward with a 257. High Series was captured by Katie McClelland with 901, as Katie also claimed High Average at 189.82. And the Most Improved Bowler was Melissa Pena with a 9.99 pin increase.

For the team awards we had High Game going to Bowling News with a 649 and ThreadWorks Embroidery for High Series with a 2367, a flip-flop from last season.

Sadia Ward, Arisha Piper and Annabel Osberg received Perfect Attendance awards and McClelland was crowned the Match Point Champion of the season. Melissa Pena took home a new Absolute Inferno Bowling Ball as this years high fundraiser and everyone was acknowledged for their support to the scholarship fund, which increased one cent per point for all of the ladies.

League standings awards went to 3rd Place - ThreadWorks Embroidery, 2nd place to Just Chill Entertainment, and our League Champions being Bowling News (Felicia Mara, Melissa Pena and Annabel Osberg - captain). Carol Mancini accepted the First Place Sponsor Award for the Bowling News.

We close the evening with our traditional Presentation of Roses to each of the young ladies and a little show of appreciation to the parents for their efforts with the various fundraisers. Then a little more fun as our centerpieces were raffled away, as winners went about robbing each others' tables. We also honored Angela Morales for her eight years of devotion and dedication, as she ends her time with the Girls Jr. All-Stars.

Ending with our Grand Awards we had Rookie of the Year go to Amanda Daniels, Most Valuable Bowler Katie McClelland and Bowler of the Year Sadia Ward. And lastly, the Most Prestigious Award went to Deanna Carrillo for the bowler most representing a Girls Jr. All-Star.

To close out this season, I want to wish all the bowlers and their families a safe and healthy summer. I hope to see many of you over the summer in various tournaments, many of you returning in August/September and wishing all of you a bright future.

**West Coast Jr. Elims Keystone Lanes**

by David Gordon

NORWALK - The West Coast Jr. Elims is now starting up it's summer program at various centers throughout southern California. Keystone Lanes was the first to kick off it's 2005 summer program, two Saturdays ago.

We had small group to start the first week, but increased to 25 bowlers by this past Saturday. We have some pretty impressive scores posted and some new faces to make their presence known.

The high bowler for week one was Anthony Williams going 212-205-225/820. Next we have Kevin Valmonte with 219-200-214/817 and Chrisgen Whitfield at 237-221-211/814. Very nice shooting gentlemen. In the 700s we had Brian Gonzales putting up 242/770, Eric Milne 730, Eddie Sayles 213-203/719, James Hawkins 208/711 and Chris Porter 705.

This past Saturday we found Preston Fukumizu leading the way with games of 235-235-203-231/904. Way to run them up. Matthew Harris went 232-230/841 and Milne had (pre-bowled) 209-204/811. Showing that the ladies can do it too, Sadia Ward posted 200-211/802.

Other high scores for week two were by Whitfield 756, Jasper White 229/744, Natalie Jimenez 226/738, Dayton Crossley 728, Sayles (pre-bowled) 231/723, Williams (pre-bowled) 212-225/708, J.D. Pelow 222, Austin Karns 209, Samantha Jimenez 207 and Chris Porter 201.

The format for all WCJE centers is 4 games of scratch bowling for 9 sessions. After 36 games of qualifying the high cut (boys and girls) will advance in to match play and possible center level finals. The top 5 boys and 5 girls from each center will advance to the state level finals in late August.

Here at Keystone Lanes, you have only one more week to join this program. The cost is only \$14.00 for the 9 qualifying sessions. Match play and center finals are free. There will be scholarship and trophy awards at the end of the qualifying period and we run a 2-person team event. However, singles are very much welcomed.

Therefore, get you bowling partner and come on out or take the risk if your a single and be matched up with someone. Lots of fun and a way of keeping your skills up during the summer months. There will be plenty of opportunity for make-up and pre-bowls to allow you to enjoy your summer and get in all of those special tournaments that you want to participate in.

The Keystone Lanes - West Coast Jr. Elims is on Saturdays at 2:00, allowing you the opportunity to still bowl your morning leagues. Please contact at 310-244-5129 (wk), 626-357-4295 (hm) or via email at [David\\_Gordon@sonyusa.com](mailto:David_Gordon@sonyusa.com), to reserve your spot of where the action is. Hope to hear from you soon.

**JAT Farm Club**

by David Gordon

MONTEBELLO - Hey, where is all of my Farm Club bowlers? The new JAT season opened a couple of Sundays ago at AMF Beverly Lanes. What a place (and shot) to start of the new season. We pushed up a lot of bowlers in to the Open Division, giving all of you other bowlers a great opportunity to better your skills and claim your share of the JAT Farm Club glory. Read on and you'll see new and fresh names.

The qualifying round showed some newness and hunger as the cut after five games was a mere minus 72. A share of the tournament high game goes to young Robert Page with a 276. He also added a 221 to his mix. The big shooter of the round was Justen Danforth with games including 247-234-246 and led the field at plus 86. Other highs for the round came in from Amanda Manoly 256, Chris Waddle 236, Tommy Neuzil 220-233, Susy Monteith 220-232, James Hawkins 231, Juan Vazquez 227, Brittany Page 226 and Sadia Ward 224-225.

In match play, the scores continued to soar. Waddle just had to claim some of the high game honors with a 276 in this round. Others highs: Manoly 264, Monteith 258-225-234, B. Page 222-257-235, Neuzil 257, Danforth 224-226-241, Ward 226-225 and Vazquez 225. B. Page took the biggest advantage of match play jumping six spots from 9th to 3rd and Vazquez made his run to get in to the final five. And three of the final five were from the female gender.

The finals started off with 5th seed Vazquez (+127) taking on 4th seed Ward (+151). The rookie Vazquez captured this match 206-192. He then met up against 3rd seed Page (+161) and squeaked by her with a 206-205 win. Now facing and older more experience Danforth (+226), the 2nd seeder ran the numbers up 212-209 to shut down Vazquez. Now it was Danforth's turn to go after the top seed Susy Monteith (the younger and better looking Monteith) (+226). A hard match, but Danforth did what he had to - when he had to, and came away with a 245-208 victory for his first JAT Farm Club title. Congratulations Justen.

Our next tournament will be on May 22nd at Canoga Park Bowl. With the summer schedule in affect, the check-in time is 8:15 and bowling starts around 9:00.

Bowlers, the maximum Farm club average has been reduced to 185 in order to align with the other bowling groups. Book average (4/15/2005) is required for the new season. Also, you must be sanctioned and have your card available. Lastly, remember that new membership fees of \$10 is due at your first tournament of this 2005-06 season.

I hope to see all of you there.

## SFVWBA 50th Anniversary Celebration

By Shirley Stark

SAN FERNANDO VALLEY

— On June 5, 1955, the San Fernando Valley Women's Bowling Association was formed. That year we had 19 bowling centers and 124 leagues serviced by 28 women on the board of directors as compared to the current board of 14 officers and directors servicing 11 houses and 143 leagues.

Each year since then, the Association has increased the number of services we perform for the benefit and enjoyment of the individual bowler, the leagues and the bowling centers.

We will be holding a gala celebration to commemorate this prestigious event. The committee is working diligently to make this a memorable event.

All bowlers are invited to attend. Flyers are in all the bowling centers. For more information contact Roberta McBeth at 818-342-0241 or the office at 818-718-0193.

## Did You “No”?

SOUTH GATE — Beacon Bowl tested Mortician Bob Moreland's “Spare-Matic” in '61. The device approved by the ABC allowed bowlers to automatically spot single pins to practice making spares or replace illegally fallen pins. “Spare -O-Matic” did not go into production.
