TIM JONES Bowls 837

by Frank Weiler

REDLANDS — Tim Jones is middle aged with several decades of life experience. While he is starting to show signs of graying, he is still a ROOKIE bowler. It is only his fourth season bowling.

While this is only his fourth season, Tim accomplished something many lifetime lane masters never accomplish. He recently rolled an 800. His 837 (288 - 290 - 259) is tops in Empire Bowl's "Odds and Ends" league.

It didn't take long for Tim to become a scratch bowler. He harnessed his power game in 2012 to post his first two plus average (205). This season he is cruising at a 215 pace. It seems the sky is the limit for Mr. Jones.

Tim is grateful to ball drill-er ZACH JELLSEY for setting up his DV8 Brutal Nightmare, the ball he used to roll his 837. While Tim loves his DV8, his favorite older ball is his Columbia Resurgence. The Resurgence has always delivered a consistent reaction for Tim.

Tim is still looking for his first perfect game. While a 290 is his high, I believe it is only a matter of time before this rookie rolls twelve consecutive strikes.

Tim spoke to me about his big night with a sense of awe. He told me it was a once in a lifetime night. Everything went right. Nearly every shot carried, thirty strikes out of thirty-six shots. Wide shots found their way back to the pocket, while inside shots held line. There was no out of bounds.

Tim's dad (Wayne) was there to witness his big night. Wayne is there every week cheering Tim on. Tim is thankful for his dad's support and wants him to know that his being there is the best thing about bowling. Thank you BOWLING NEWS for supporting Citrus Belt bowlers.

STEVE DAVIS CHOSEN 2013 PROPRIETOR OF THE YEAR

by Phyl Knoll

GOLETA — The California USBC Association Awards Committee has announced the Honoree of the 2013 Proprietor of the Year Award.

Steve Davis, Age 56, has been Partner and Manager of ZoDo's – Bowling and Beyond in Goleta, California since 2004 after serving as an employee of ZoDo's for three years. He brought with him experience in the business world, having worked as a Pro Shop Operator for three years and even owning and operating an Italia Pizzeria for 16 years. He knew how to service the customer. Steve has been married to wife Terri 32 years. They have three children Madison 21, Taylor 28, and Crystal 29. Terri serves as his Partner and Assistant Manager of ZoDo's.

Davis currently serves on the Board of Directors of the Bowling Centers of Southern California (BCSC); has been a member of several local California Association Boards and when called upon, worked many local association tournaments. He is a certified coach in Youth Baseball, Basketball, Soccer; and has assisted in many assorted youth activities, not failing to mention the

USBC 2013 Proprietor of the Year - Steve Davis

school "Snack Stands".

Davis began his bowling career at age eight and loved the game. He continues to "love the game firmly believing that it's a great way to socialize and exercise. He strives

to be a part of continuing the success and development of bowling across the nation. One of his goals is bringing a fresh look and an open mind to the customers. He strongly feels that the industry needs to continue to explore youth & young adult options in order to build bowlers for life. He does his part by spending many of his Saturdays coaching the youth and young adult bowlers. According to Davis "people need to understand that ZoDo's represents the entire bowling business, not just our own center. And, what works in one center doesn't work in others. Sometimes we have good ideas that don't work. But on the other hand, we had some ideas we thought would never work, but in the long run...did! You never know until you try! We continually push to offer great values (not just monetarily) to our bowlers for the betterment and future success of bowling".

CONGRATULATIONS to Steve Davis, who has truly proven himself as a successful businessperson and a promoter of bowling, earning the respect of not only the bowling industry but that of his local communities. He will be recognized at the California USBC Association Annual Delegates Meeting on Sunday, June 9, 2013 at the DoubleTree by Hilton Hotel, Ontario.

She's Got Game! Matsuoka Shoots 300-300-223

by B.A. Campbell

FOUNTAIN VALLEY-- The 18th Annual Orange County Saneise Tournament, held May 4-5 in Fountain Bowl, had a sensation in the 4 pm Women's Team event Saturday when Mihoko Matsuoka, visiting from Japan, bowled her first 300 ever. Unlike many who experience the nerve-wracking suspense of ten frames of perfection, she continued her pace with a second 300. The third game started off badly for Mihoko when she tripped over someone's wayward bag handle in the bowler's area, then opened her first frame. But have no fear, Mihoko was here -- she fired off strikes and spares galore to come back with a 223, for a stellar 823 series! Ms. Matsuoka, a right-hander, hails from Aichi prefecture in Japan, and is a member of the Japan Professional Bowler Association.

Matsuoka shows off her 823 series on the Fountain Bowl telescope. Photo by Tely Ikehara

This April she made her fourth USBC Women's Championships appearance, and bowled the USBC Open Championships, in Reno, Nevada.

The proud first time TNBA members, Rachel Macias, Lanae Kentner, Matthew Fukuda, Kevin Peterson, and Gabriel Martinez make up the members of the M K F P G team and will receive \$3,000 each. I'm sure they won't hesitate renewing their membership for next year!

As noted, the tournament was a great success overall and everyone is looking forward to next year's event which is slated to be even more successful! This year's tournament had 171 paid entries and paid out 23 places and a total of more than \$38,000 in prizes! This was a 36% increase over last year tournaments and we expect even more growth for next year's tournament. The entire results of the tournament are available in the tournament roundup to the left.

The 3rd Annual Tri-Senates Championship Tournament will be featuring a \$15,000 first prize based on a minimum of 165 entries but may pay much more depending on the actual number of entries. PBA Player of the Year Race Heats Up as Players Head to Milwaukee for GEICO PBA Summer Swing

Leading contenders, dark horse candidates hope to improve positions in wide-open 2012-13 race

SEATTLE – The Professional Bowlers Association’s 2012-13 Player of the Year race may take a decisive turn during the final two weeks of May when four PBA Tour titles are decided during the GEICO PBA Summer Swing in the Milwaukee.

With the Badger, Wolf, Bear and Milwaukee Open titles at stake in the Milwaukee series, a hotly-contested six-man race for PBA Player of the Year honors could quickly change in favor of one of the leading contenders. Or it could move a couple of dark horse candidates into position to challenge for the end-of-season honor.

The Player of the Year will be selected in balloting by the PBA membership and members of the bowling news media at the close of the season. Key criteria most voters use are titles won, competition points, earnings, averages and television finals. Major titles won, or championship round appearances, are commonly factors that will tip the scales if voting is close.

The 2012-13 Player of the Year competition will be based upon overall performance over an expanded 14-month campaign which began with the 2012 PBA World Series of Bowling IV and will conclude on Dec. 31, 2013, as the PBA heads toward a return to a traditional calendar year schedule beginning on Jan. 1, 2014.

Heading into the GEICO PBA Summer Swing, the Player of the Year leaders, in alphabetical order, are:

- Jason Belmonte, Australia: won the 2013 USBC Masters for his only 2012-13 title, leads the PBA Tour in competition points and average (234.97), and ranks third in earnings (\$131,586). Finished second in the PBA World Championship and PBA Tournament of Champions, and has three other TV appearances.
- Parker Bohn III, Jackson, N.J.: won the 2012 PBA World Championship for his only 2012-13 title, ranks fifth in competition points, and seventh in earnings (\$77,688) and average (228.91). He also finished fourth in the USBC Masters.
- Mika Koivuniemi, Finland/Hartland, Mich.: has won two 2012-13 titles, both on the PBA International Tour (Round1 Japan Cup and Qatar Open), ranks seventh in points, first in earnings (\$158,412) and sixth in average (228.99). Koivuniemi also finished fifth in the USBC Masters.
- Scott Norton, Mission Viejo, Calif.: has won two 2012-13 titles (Chameleon Open and Earl Anthony PBA Players Championship), and ranks fourth in points, fifth in earnings (\$87,970) and eighth in average (228.85).
- Sean Rash, Montgomery, Ill.: reigning PBA Player of the Year’s only title this season is Kuwait Open. He ranks third in points, second in earnings (\$145,472) and third in average (232.58), and is tied with Belmonte with five TV appearances, including finishing third in PBA World Championship and PBA Tournament of Champions.
- Pete Weber, St. Ann, Mo.: won a PBA-record 10th major title in the PBA Tournament of Champions at age 50. Ranks 13th in points, sixth in earnings (\$82,306) and fourth in average (229.97).

Heading the “dark horse” list includes Tommy Jones of Simpsonville, S.C., a one-time title winner in 2012-13 who ranks sixth in points and fourth in earnings, and non-winner Wes Malott of Pflugerville, Texas, who is second in points and average and eighth in earnings. Other players who have won one title during the 2012-13 season are Bill O’Neill, Langhorne, Pa.; Brad Angelo, Lockport, N.Y.; Tom Daugherty, Wesley Chapel, Fla.; Andres Gomez, Colombia; Michael Haugen Jr., Carefree, Ariz.; Jason Sterner, McDonough, Ga., and Ronnie Russell, Marion, Ind.

The GEICO PBA Summer Swing begins with the Badger Open May 19-21 at AMF Waukesha, followed by the Wolf Open May 22-24 at AMF West, Bear Open May 26-28 at AMF Bowlero, Milwaukee Open May 29-30 at Bowlero, and two days of CBS Sports Network stepladder finals June 1-2 at Bowlero.

Thus far in 2012-13, the PBA Tour has conducted 16 individual tournaments in the United States and around the world and the extended 14-month season will include 14 more PBA Tour and International Tour events – including the four Milwaukee title events – before it ends.

REMAINING 2013 PBA TOUR EVENTS

Lennie Boresch Jr. Captures PBA50 Miller High Life Classic For Second Career PBA50 Tour Title

Boresch overcomes more than 30-pin deficit to beat Mike Henry 211-210 in title match

MOORESVILLE, N.C. (May 8, 2013) – Down by more than 30 pins halfway through the title match, Lennie Boresch Jr. of Kenosha, Wis., came back to win the PBA50 Miller High Life Classic presented by Columbia 300 by one pin Wednesday at George Pappas’ Victory Lanes.

Boresch won his second career PBA50 Tour title by defeating Mike Henry of Brunswick, Ohio, 211-210, in the title match. In 2012 Boresch won in his PBA50 Tour debut capturing the Senior Sun Bowl In The Villages title.

After Boresch made his run to take the lead heading into the 10th frame, Henry still had a chance to win by throwing a double in the 10th frame. He got the first strike but threw a seven count on the second ball handing the win to Boresch.

“I figured I was done but then Mike threw a bad shot and then I started thinking, well, you never know what can happen.” Boresch said. “It was kind of early in the match and I looked up at the scoring monitor and saw I could strike out for 232. I didn’t strike out but I put enough strikes together to put a little pressure on Mike.”

It marked the second week in a row that the title match was decided by one pin. Hall of Famer Tom Baker defeated Bryan Goebel 227-226 to win last week’s Greater Birmingham Open.

“I thought Mike would get that double in the 10th frame after he got the first one because he was generally bowling pretty well,” Boresch added. “You just never know in this game.”

Henry, who was also trying for his second career PBA50 Tour title, was hoping to end a three-season winless streak dating back to 2010 when he won the Senior Lake County (Ind.) Open.

Boresch’s win was a confidence builder after a slow start to the season and having thoughts about taking this week off to work on his game.

“I’ll be honest I had some work to do,” Boresch said. “I thought about taking this tournament off and coming back home to work on my game but then I decided after bowling a little better in the second tournament of the season I could maybe work through it and that’s what happened. It’s nice to win again and not have to worry that you’ll be a one-hit wonder.”

In the semifinal, Boresch defeated seven-time PBA Tour and three-time PBA50 Tour winner Hugh Miller of Seattle, 205-191, and Henry defeated Dale Csuhta of Wadsworth, Ohio, 241-138, to advance to the title match.

Boresch’s win makes it four different winners in the first four tournaments of the season. The next stop for the PBA50 Tour will be Capri Lanes in Kettering, Ohio, for the PBA50 Dayton Classic presented by Roto Grip May 13-16.

NATIONAL DEAF BOWLING NEWS

by Connie Marchione

WAITING FOR RESULTS OF 2013 GREAT LAKES DEAF BOWLING TOURNAMENT

INDIANAPOLIS — This writer used to get the yearly results of the granddaddy of all deaf tournaments, Great Lakes Deaf Bowling Association from its Secretary Treasurer Mike Jasko, Cleveland, OH. Before Jasko replaced Detroit’s late Harvey Ellerhorst who retired in 2001, Ellerhorst had sent me results since 1983.

The last results I got from Jasko were the 2011’s 75th anniversary tournament held at Las Vegas Red Rock Hotel Lanes. I missed the 2012 tournament held in Detroit and found out that Ronnie Zuchezno Jr. of Rochester, NY had replaced Jasko as GLDBA Secretary-Treasurer.

While I hope that nothing had happened to Jasko, I was told that I could find everything, results and all on GLDBA’s website. But to me, GLDBA’s website is a reporter’s nightmare.

Besides leaving out the city and state of each bowler and not listing the bowlers on each team, one had to figure out who bowled on the actual champion team and also on the handicap winning team. For a reporter it is time accumulating and it is easier by just asking for a copy of the recap score sheet.

Without a copy, I had to carefully find and match the bowlers in the All-events results list with the winning team’s entry number to fill its line up. The last year’s (2012) team handicap champion with the \$3500.00 prize was entry number 32, Strike Villian (no city or state listed) with 3296 plus 147 handicap 3443. But I assumed from Detroit because similar team named Strike Villian scored 3297 in the big one at Las Vegas for the top actual (scratch) and 2nd place (\$2500.00) in handicap with 3300.

Looking in the All-events results list for bowlers with entry numbers 32, I had no problem finding the first one Cyrano Buckendahl who placed first in All-events with 2110 from 737 in team event, 743 in Doubles and 628 in Singles. Down the list was the team’s anchorman Nicholas LoGreco 726 in team event, Paul Trayner 599, Gerald Trayner 691 and Bobby Duncan 543.

The fivesome added up to 3296 which was one pin less than in Las Vegas (2011). More importantly in that 3296, Strike Villian started with first game 996, then broke the GLDBA high team game with 1218 and finished with 1082. The old record was 1205 made on 2009 by Overrated Bowlers.

Detroit tournament also has another team record broken. The high team series of 3348 made in 2007 by Always Pocket #1 & #3 team incidentally which core bowlers are those of Strike Villian is replaced with 3363. The team #26, Detroit MIB (Sorenson) rolled 1132-1098-1133 for the new record. I’ll find the name of bowlers. Give me time.

Detroit MIB team consisted of Kris Burford 752, Tim O’Jack 703, Steve Burford 711, Paul Kuplicki, Jr. 623 and Warren Burford III 574. Incidentally Kuplicki, Jr. was on Strike Villian’s Las Vegas team, he was replaced by Bobby Duncan.

ABTA at Keystone Lanes Saturday 1 day Frozen Handicap Event

LAKEWOOD — On our return to Cal Bowl we saw 164 entrants come out on Saturday for a fun day of bowling. The cut scores were decent +78 for the men and +43 for the women. Super Seniors added to the board (two men and one Woman) Javier Avila +70, Dino Dennis + 62, and Bobbie McCollum for the women at +39. Super seniors are men 63 and over, and for the women you just need to be a young 55. That would give us 45 bowlers making it to the semi-finals.

High qualifiers for the tournament were Jimmy Wong for the men with a + 177 and for the women it was Carolyn Rousseau with a +136. They get a paid entry into a future regular ABTA event. Each week our top seed draws the Match Series, and this time it was worth \$705. Jimmy would draw a 642. No bowler matched that score so the pot would carry over to next week. We will estimate the Match Series at \$2,000+ at Keystone Lanes Saturday. This week David Godinez was the last one standing for the shot at \$1,100 in the 3-6-9 roll off. He was not able to convert on the five shots and would take home the \$50 consolation. We will go for \$1,200 next week at Keystone Lanes.

In our optional doubles,

leaders were Jimmy Wong and Ada Wong with a 1475 for \$130. Second was Jimmy Wong with both Samson Kong and Roy Li, 1464 for \$110. There was a total of \$1,420 paid out in doubles and 26 paid spots with low to cash of 1361. During the 4 pm and 6 pm squads, we will be using a sign up card for doubles. This means you will need to pay for all entries on your card and list the names you want to double with. This is to help us out with doubles as the number of entries during these two squads is taking us too far into the first game and problems with hesitating to pay their entries.

Leading the Semis was Samson Kong with a +148, to be seeded #1 and sit out until the title game. Runner-up was Chris Kelly at a +107. Chris will sit out the first round of the single elims. Samson had the honor of drawing the Match Game worth \$5,000. Samson Kong drew a nasty 296 this week. Believably no one matched that score so AGAIN the Pot will go for \$5,000 Saturday with a reserve pot now growing also. YES FIVE GRAND Saturday!!!!

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Carolyn Rousseau, Mike Moore, Anthony Ta, Joshua Navarro, Gilbert Gis-

sendaner, Ada Wong, and Ben Bagaioisan, each will get \$100. In the second round, the four losers were Benjamin Chung, Jhickie DeLuna, Louis Evans, and Chris Kelly with each getting checks of \$105.

We were now down to the final five bowlers. The weekly horses paying a low of \$43, Emilio Flores, to a high of \$97 for Ruben Gonzales. In one match, we saw our fourth seed Emilio Flores bowling the ninth seed Danny Eguilios. This match went back and forth and Emilio would come out on top during the match to advance to the next round. In the other match, it was our fifth seed Ruben Gonzales bowling our twelfth seed Faye Josafat.

Here is where Faye got a little tired as she met her match in this one; Ruben was on fire to advance to the next round. Finishing in 4th and 5th place this week were Faye Josafat and Danny Eguilios. They each got \$110.

Our semi-final match was set, and would pit the fourth and fifth seeds from the semis against each other. In the weekly "horses", Emilio paying \$43 and Ruben paying \$97. This was again another good match from both bowlers. The match was close thru the first five frames and saw both bowlers with slim leads, after the

Kong is ABTA Champion at CAL Bowl — Sean Nguon (aka Esan Nase), Emilio Flores (runnerup) \$500, Champion Samson Kong \$2,800, his pretty wife, and supporter Susan, Ruben Gonzales 3rd and Chris Kelly, 6th.

fifth frame it was Ruben who held a slim lead of 9 pins. But, during the next three frames for Ruben, it went downhill as he had consecutive opens that saw Emilio jump out to an eight pin lead. Emilio would finish it with three strikes in the ninth thru the 11th frames, with a score of 174/222 to Rubens 158/194. Ruben, with fine bowling would finish in 3rd place. Emilio advanced to the title match and was your horse winner for \$43.

The title game on, Samson Kong vs Emilio Flores! We saw good bowling by both. Samson would start out with a spare and then strike for the first four frames. Emilio was close but missed a five pin in the first frame and marked four straight to trail by 9 pins after five frames. It would continue until the eight frame. It was another strike for Samson and Emilo matched it, but a double would increase the lead for Samson.

Another strike in the ninth for Samson and an open for Emilio would finish it off. Samson went on to finish out with a 215/256 to Emilio's 176/224 to take his fourth ABTA Championship, and deservedly so. He would take home \$1,000 for the victory and an additional \$1,700 for Cash and Carry, and plus he wore his ABTA shirt for an additional \$100 to give him a total of \$2,800. Emilio would take home \$500 for his second place finish.

Champion Samson Kong is from Temple City and used a Storm Lucid drilled by "Easy Ed" Williamson (one of the best for Years) at Bowling Square pro shop. He is married to Susan. He would like to thank his pretty wife. This was the first time she saw an ABTA Championship. Thank you also Bowlmania bowlers.

Emilio Flores, Second Place, is from Fontana and used a Dimension drilled by Marv Sargent at Foothill Lanes. He is single and would like to thank the ABTA, its staff, friends at Foothill Lanes and of course all those who stayed to watch. He is on a hot streak lately and can be found most every week at our Events. Good Bowling Emilio!!

Ruben Gonzales, Third Place, is from Palmdale and used a Roto Grip Nomad Dagger drilled by Rusty Bryant. He is married to Olivia and they have four children, David, Brittany, Jonathan (ABTA Member), and Samantha. He would like to thank his family and a special thank you to his wife for all her support and encouragement. Thanks to the ABTA for having a Great Tournament, and Cal Bowl for

hosting the event.

On a sad note, Our Good Friend and ABTA Member Rico Cayton was laid to rest Saturday in Long Beach. Myself and several ABTA members attended the funeral and the Viewings. Rico was a Good Man. He was at nearly every ABTA Event from start to finish until his illness.

He was a very successful man and he loved to bowl! We are fortunate to have this man as an ABTA Member, he was one of the Finest. As our ABTA Director Andrew exclaimed (we will see him in Heaven.) God Bless You Rico, Rest in Peace.

"The Best Bowlers Come from California!" That's been the California State USBC's tagline for many years now. You don't make a claim like that unless you can back it up now do you, or else it would come across as just pure arrogance. The statement is true for both Men & Women, Boys & Girls alike. The list is long, and I would not attempt to name them all as I would certainly overlook many in the short list I would like to discuss here. For the sake of this discussion I would like to focus on the Women of the present and past, but more importantly the Women & Girls of Today.

As you likely know the United States trains both an adult Team USA and Junior Team USA comprised primarily of High School students and recent graduates under the playing age of 20 (U20). Last year they added a Developmental Team USA comprised of Boys & Girls under the playing age of 15 (U15), to ensure that we were identifying and preparing the Elite athletes of the future.

In 2011 Natalie Jimenez from Rowland Heights, CA won the Junior Gold National Championships and automatically became a member of Junior Team USA. In 2012 Robyn Renslow from Brentwood, CA won the Junior Gold National Championships, claiming her spot as a memeber of Junior Team USA, also in 2012 Ashley Dunn of Palmdale, CA was Runner-up in the Junior Gold U15 National Championships and claimed her second year as a member of the Developmental Team USA.

Natalie has bowled for one of the top collegiate programs in the Nation for the past 4 years at the University of Central Missouri, Gabriella Mayfield from Lake Isabella, CA just completed her Sophomore season on the University of Central Missouri Team, Robyn Resnslow bowled her Freshman season this year with Vanderbilt University as did Amanda Fry from Antelope, CA, Karlie Loop just competed her Freshman season on the bowling team of another outstanding program at McKendree University, Courtney Schultz just completed her Junior season as a member of the University of Central Missouri team, Kaitlin Mayall from Chula Vista, CA just completed her Junior season as a member of the Webber International Universities powerful team, and Valerie Riggins just completed her Freshman season on the University of Maryland Eastern Shore powerhouse team. Understand that these girls weren't simply members of these collegiate bowling teams, they were strong contributors to very successful seasons including National Championship births. Some of their individual achievements are included on the website. These are just 8 of the girls from the present day that are having great careers on collegiate bowling teams and having a significant portion of their education funded through athletic scholarships.

We saw you compete at Pepsi at both the District and State levels, we've evaluated your scores, researched your bowling history on Bowl.com. We know there are so many of you with tremendous potential. We want to provide you with a venue to develop your bowling skills even further. We want to connect those of you that aspire to be the next California legend with the right Coaching resources. We want to provide exposure to College Coaches for those of you that will be graduating soon. Who will be the next great California female Bowler? YOU are the future of the sport!

The number of girls competing in leagues and even more so in competitive tournaments has shrunk to an all time low. We don't know why you haven't been coming out to compete and earn scholarship funds now, improve your skills and potentially get athletic scholarships to become a student athlete in the Sport of Bowling. Above is a tumbnail of an informational ad contained in this edition of the California Bowling News. Get the details from the flyer, go to the website and register (payment in advance is OPTIONAL), and join us for a historic event on May 26, 2013 at Keystone Lanes in Norwalk, CA. Walk-ins will be accepted up until the end of practice, but we prefer you register online. Two Scratch Divisions, like Pepsi, U15 & U20. Entry fee of \$40, all scholarship funds returned 100% with funds distributed to 1:5. EFX, DV8, and The California Bowling News are proud to sponsor the **Inaugural SoCal Girls Scratch Challenge**. See ad or website for estimated payouts and other prizes to be awarded.

See you on the lanes.

The Alphabet Of Bowling, Daffynition Style

Alley — A little street on the side of a factory. Was at one time a thing you bowled on, but now that's a lane. Made of hard wood or synthetics that won't break but break bowler's hearts in many ways.

Bowler — Any person who at any time rolled a bowling ball and had a reason why it didn't go where it should have gone.

Cherry — A delicious fruit, but poisonous to bowlers. Also known by alias names of "pick" or "chop", and a number of others rated PG, R and X.

Down — What the pins won't go.

Easy — What you think the other team or individual is — before the match.

Foul — When the lights go on, usually happens when you finally roll a good ball and register a strike.

Game — This is what bowling is supposed to be, but it often turns into a personal war, bowler against pins, bowler against lanes, bowler against bowler, bowler against himself.

Home — The place you get away from by bowling, and the place you run back to in order to get away from bowling.

Inside — Opposite of outside. Any angle you switch to because you heard a pro mention it on TV

Jerk — What you feel like when you do it to your bowling ball in a clutch situation.

Kitty — A fat cat from all the money you feed it because of bad shots and low scores.

Leave — Pins left after your first ball, also what you want to do when you see them.

Match — When a couple of bowlers who didn't want to bowl end up bowling each other because the bowlers who did want to bowl in the first place decided they didn't want to bowl.

Never — When you will finally quit bowling.

Oil — What one bowler gives to another who has trouble because of same on lanes.

Pin — Bowlers almost all agree/ That they will sometimes see/ That thing that won't let them score free/ And should have remained a tree.

Quick — How soon the news about your bad game gets around.

Rap — What you want to do to something when you run into one.

Six — When there's that many on a five-person team it means only one thing—trouble. That's six, not to be confused with sex. Also a lousy count on the first ball.

Tenpin — The only thing some women lose an argument against more than once.

Useless — Trying to tell another bowler how many strikes you were robbed of on perfect hits.

Vile — The language you'd like to use at the pins.

Worse — What your bowling seems to be getting with each passing year.

X — A strike or a kiss. "X X X"—A striking kiss, a turkey, a miracle.

Young — Any bowler who hasn't reached 100, in age or score.

Zany — Anyone who had the guts to read this all the way through.

Chan Wins Match-Play Challenge

MONTEBELLO — The JAT headed to AMF Beverly Bowl where the Open Division bowled a straight 8-game Match Play format which demanded the bowlers to be on top of their game each and every game.

Brian Hernandez took a quick lead on the field with a 234-247 start and two wins while Oscar Chan went 1-1 with a 230-241 start. Bobby Hornacek was the hard-luck starter with a 214-246 good for two losses.

Bowlers kept pace with some nice scoring including Jerome Jordan Jr. with a 254, Oscar Chan with a 253-239-254, Wesley Low Jr. 256, Tyler Salverda 242 and Treven Goldsmith 234. Bowlers headed into the position came with very little drama as the leaders were running away from the field.

Into the last game the bowlers were battling for the top-2 spots and a place in the Championship Rolloff. Leading by plenty, Oscar Chan tossed a 206 loss but it was enough to place him as the top-seed at +390. Brian Hernandez won the battle with a 211+30 bonus for a +385 total and a spot in the top match. Close behind them was Wesley Low Jr. finishing 3rd at +249, Tyler Salverda 4th at +184 and Treven Goldsmith 5th at +183.

In the Championship Match, it looked like two different bowlers as neither bowler got comfortable on the pair but it was Oscar Chan taking the match 188-176 and winning the title. Congratulations Oscar!

The current Top-12 for the Invitational are: Jerome Jordan Jr., Wesley Low Jr., Bobby Hornacek, Parker Brooks, Ashley Dunn, Tyler Salverda, Oscar Chan, Treven Goldsmith, Kevin Jones, Joe Grondin, Spencer Van Rijsbergen and Luke Holley. Current alternates are Mark Curtis Jr. (55 points back), Andrew Svoren (270 points back) and Terrence Robinson (270 points back). Last chance for points this Sunday.

The JAT takes the lanes this Sunday at Brunswick Deer Creek Lanes in Rancho Cucamonga- check in at 8:30 bowl at 9:00. Remember, this Sunday is the final regular event of the 2012-2013 season with just the JAT Invitational to follow. See you all on the lanes this Sunday!

BOB LEARN BOWLS
“LONGEST” 300 GAME
IN PBA HISTORY

MOORESVILLE — The Professional Bowlers Association doesn't keep official records on such things, but Bob Learn Jr. of Erie, Pa., may have bowled the “longest” 300 game in PBA history Monday during the PBA50 Miller High Life Classic at George Pappas' Victory Lanes in Mooresville, N.C.

After throwing the first four strikes in his third qualifying game Monday, the power went out at Victory Lanes. Ironically, fellow competitor Joe Scarborough of nearby Charlotte – the same guy who recorded the first 900 series in PBA history two weeks earlier in The Villages, Fla. — helped get things back on track. Scarborough, an independent electrical contractor by trade, and Ken Shealy of Myrtle Beach, S.C., another electrician bowling in the tournament, helped restore power.

After a 90-minute “delay of game,” Learn threw the final eight strikes to complete a 300 game that took nearly two hours from start to finish. It was helpful because Learn claimed the first round lead in the tournament, averaging 248 for eight games to finish with 1,984 pins and a 42-pin lead over Ron Mohr of Eagle River, Alaska.

New Sponsor ‘FINANCIAL ADVISORS’ is Adding
Money to Super Pots and Sweepers

The Financial Advisors Super Sweeper Sidepot

\$10 weekly entry fee per bowler, with half of the money being paid out each week, and the other half going towards the huge payouts on sweeper night at the end of the season.
With 47 entries on Monday, the Financial Advisors sidepot is looking at \$235 in the weekly sidepot and \$9000 estimated for sweeper night. The top three series will get paid, as well as the top 16 games bowled that night. Bowlers are eligible to cash in each game.
Financial Advisors Super Sweeper Sidepot, will be adding \$1,000 to the total collected. If you win 2 Super Pots all season you'll be ahead before we even get to sweepers with the \$9000 payout. 100% of all money collected will be paid out for the season.

SCORES SOAR AS ROUND
FIVE BATTLE CONTINUES

DOWNEY — Jamie Rovner showed up ready to bowl—and showed up 80% of the guys Monday night. Her 280 game beat out the 279's by Arnold Cheesman and Randy Myers for the FINANCIAL ADVISORS POT. Arnold and Randy ended up splitting the game one pot.
Bobby Campagnale had a GREAT night racking up 838 in the make-up game at 7 P.M. on lanes 31-32 then moving to 17-18 for an 824 (266-279-279) regular match.
Arnold Cheesman contributed big numbers to his BOWLIUM team's sweep over THREADWORKS, 267, 265, 300/832.
Jared Lawrence started the evening with 300 and the pins kept falling. Twas a fun night!!
Next Monday's match-up shows a new challenger for PRO APPROACH. Where did these guys come from?
POWER HOUSE VIDEO GAMES is only three games behind and wanting that #5 spot real bad? The POWER HOUSE gang is anchored by Jon Diso, led-off by Mike Nakunz and sandwiched between are Jessica Diso and Miguel Rosales.
PRO APPROACH, as a team is averaging 805, POWER HOUSE 746. Are they going to be Goliaths?? Stay tuned — OR — better yet come on down and watch Southern California's best!
If bowlers were gamblers, the odds would be changing hourly. Each bowler has a theory on what's going to happen or how things COULD happen. There is a lot of \$\$\$\$\$ on the line, let alone the bragging rights of a possible "come from behind" team.

For over 20 years the Monday night magic has cast a spell.....no one has ever predicted the league champs before the final game. This year will be no different.
