KULICK'S DREAM COMES TRUE KELLY TAKES ANOTHER MAJOR TITLE, WINS U.S. WOMEN'S OPEN

ARLINGTON, TX — The dream season continued to be a reality for Kelly Kulick as she won her second major women's title in 15 days on Wednesday, claiming the U.S. Women's Open, a United States Bowling Congress event.

Kulick, of Union, N.J., defeated Liz Johnson of Cheektowaga, N.Y., 233-203, in the first live event televised from the new International Training and Research Center. Kulick also won the event in 2003 and became the 11th player to win the event more than once.

Just two weeks after winning the USBC Queens in El Paso, Texas, Kulick took a 32-pin lead after seven frames against Johnson and rolled to the title. In January, Kulick made sports history when she became the first woman to earn a title on the Professional Bowlers Association Tour, winning the Tournament of Champions.

"This has just been a magical run for me," said Kulick, who also won the PBA Women's World Championship and the PBA Women's Series Shark Championship in September. "This is it. This is what I've always dreamed about. I'm so humbled right now."

Kulick, who earned

\$20,000 for the victory, struck six times starting in the fourth frame to pull away from Johnson, who bowled a clean game but only managed one double.

"I felt good and got lined up in practice, but the first couple shots didn't come off my hand well," said Johnson, who won the U.S. Women's Open in 1996 and 2007. "After that, I was pretty close, but the pins just didn't fall for me. Kelly just bowled great."

As the player who hooks the ball the most among the five television finalists, Kulick said that turned out to be an advantage. Kulick was able to stay left of the rest of the players and throw the ball into the part of the lane where the oil pattern had broken down.

"The way the lanes broke down was an advantage for me tonight," Kulick said. "Knocking out the 10 pin was challenging. I waited for the lane to come to me, and when that happened, it allowed me to strike."

In the semifinal, Kulick beat Carolyn Dorin-Ballard of Keller, Texas, 201-176. Dorin-Ballard only managed two strikes in the match and suffered through a stretch of five consecutive nine counts in frames two through six. Kulick, meanwhile, threw a pair

of doubles in the match and just needed a mark in the final frame to shut out the USBC Hall of Famer.

Dorin-Ballard knocked off Colombian native Clara Guerrero of Pflugerville, Texas, 216-192, to advance to the semifinal. Dorin-Ballard threw four consecutive strikes from frames three through six, and Guerrero left a pocket 7-10 split in the sixth frame to fall behind by 24 pins, a deficit from which she would never recover.

In the opening match, Dorin-Ballard advanced with an overtime victory against Lynda Barnes of Double Oak, Texas. Barnes struck on her final shot in regulation to tie Dorin-Ballard at 207, but on the first extra shot Dorin-Ballard struck and Barnes left a 4 pin to be eliminated. Kelly Kulick of Union, N.J., won the 2010 U.S. Women's Open, a United States Bowling Congress event, on Wednesday, May 12, at the International Training and Research Center in Arlington, Texas.

WESTMINSTER—The Westminster Lanes stop of the Amateur Bowlers Tour on May 8, 2010 saw the bowlers take to the lanes and after the finals, our newest champion, Mikey Villarreal emerged with a two pin victory.

Our newest champion, Mikey Villarreal, 22, lives in Long Beach. Mikey recently started bowling left handed. His high game of 277 and high series of 710 was bowled two weeks ago. Mikey was using a 13 pound Rogue Cell drilled by Ramon Torres for the win this weekend. Mikey wanted to thank Nick Wilson and Matt Fujuda for helping him with his game. Mikey also wanted to thank Westminster Lanes for hosting the tournament and the ABT directors for running an outstanding tournament.

Ken Morris was the winner of the optional Senior Sweeper. The winner of the 2-Game Sweepers was Vuong Do.

during our finals meeting. The Mystery Game (game 2) was 212. The Mystery Series was 592. There were no winners. The Mystery Pots are available to all members and only costs \$5.

USBC Adds Four New Members to Hall of Fame

ARLINGTON, Texas – The United States Bowling Congress Hall of Fame welcomed four new members on Wednesday during the first induction ceremonies to be held outdoors.

The induction ceremony for Marshall Holman and Kim Terrell-Kearney for Superior Performance, Betty Barnes for Meritorious Service and John Handegard in the Veteran category was held in front of the International Bowling Campus, home of the International Bowling Museum and Hall of Fame.

Holman, 55, was a 22-time champion on the Professional Bowlers Association Tour. The Medford, Ore., native was PBA Player of the Year in 1987 and was inducted into the PBA Hall of Fame in 1990.

"When I was 35, I was inducted into the PBA Hall of Fame and it was a great honor but I was in the middle of my competitive career," Holman said. "It was nice, I appreciated it. But to be removed from the game and to be honored now is so much more meaningful. I really do appreciate this day and this is something I will remember for a very long time."

Terrell-Kearney, of Grand Prairie, Texas, owns two U.S.

Women's Open titles and was the 2002 USBC Queens champion. Terrell-Kearney, 44, was the women's coach at Delaware State before joining the USBC staff as assistant head coach of the International Training and Research Center and Team USA.

"It's proven to be the most rewarding thing I've experienced in my life," Terrell-Kearney said of her time as coach at Delaware State. "To be entrusted with these young ladies' careers in the sport that they love so much was a big responsibility. To be given the task to train and, most importantly, mentor these young ladies was something I took very seriously. I'm overjoyed that many of my girls have made it out here today to share this special day with me."

Handegard, 71, did not win his first PBA title of any kind until winning a PBA Senior Tour title in 1990. The Spring, Texas, resident would go on to capture 14 PBA Senior titles and three PBA Senior Player of the Year honors. At age 57, he became the oldest player to win a PBA national title.

"In 1995 I finally won my first national title, and that's still the biggest thrill I've had on the bowling lanes," Handegard said of winning the PBA Northwest Clas-

sic. "It's such an emotional thing for me because I started on that quest in 1968 – it took me 27 years before I finally won that. I really have trouble watching that show; it literally makes me cry, even today, and that was 15 years ago."

Barnes, of Reno, Nev., joined the Women's International Bowling Congress Board of Directors in 1989 and would later serve as Sergeant-at-Arms from 1994-2005. As president of the Reno/Sparks Women's Bowling Association, she was instrumental in helping Reno to build the National Bowling Stadium.

"Ignore the tears, I'm known to cry at every occasion, especially when I'm happy," Barnes said. "To be elected to the USBC Hall of Fame for Meritorious Service, for something that you have loved doing, is what you call icing on the cake."

The USBC Hall of Fame was created in 2005 by merging the former American Bowling Congress and Women's International Bowling Congress Halls of Fame. With Wednesday's inductees, there are now 249 Hall of Famers in the Performance category, 111 for Meritorious Service and 19 Pioneers.

California Bowler Competes in 55th USBC Women's Championships

EL PASO, Texas - Shirley Schmardel of San Diego joined an elite club at the 2010 United States Bowling Congress Women's Championships as she made her 55th tournament appearance at the El Paso Convention and Performing Arts Center on Wednesday.

The 90-year-old right-hander started her USBC Women's Championships career at the 1952 event in St. Louis. During her career, Schmardel has competed in 40 cities and 26 states.

Schmardel, who was inducted in the San Diego USBC Association Hall of Fame in 1970, received her 55-year plaque, a pendant and flowers to commemorate her accomplishment on the tournament lanes. She accepted those awards while wearing the necklace and pendant she received for her 50th tournament appearance in Tulsa, Okla., in 2005.

"I can't believe the flowers," said Schmardel, who also is a member of the Southern California Bowling Writers Hall of Fame. "I don't think I've taken off the necklace I received for 50 years, which is special because it was the last year of the WIBC (Women's International Bowling Congress). I'll have to find a way to get them both on and show them off."

Schmardel recalls her first tournament experience and finds it hard to believe how far she has come over the years.

"Another gal and I drove to St. Louis," said Schmardel, who bowls at Kearny Mesa Bowl in San Diego. "I had heard about the national tournament and just knew I wanted to bowl. I jumped at any chance I had to bowl, but I never thought this day would come. It's been such a fantastic journey."

She has been a director for the San Diego USBC Association for nearly as long as she has competed at the Women's Championships. She was appointed in 1956, and worked alongside a historian to help maintain the record books. She also has spent time as a bowling coach.

Between her years of service to the bowling community and her dedication on the lanes, Schmardel has developed a bond with every bowler she meets. She enjoys the camaraderie and generosity they exhibit.

"I was at the hotel by myself for one of the tournaments, and a group of bowlers just asked me to go out and eat with them," Schmardel said. "When the tournament came around the next year, I ended up bowling with them. The people I've met in bowling have been amazing."

On the tournament lanes in 2010, Schmardel rolled a 400 series in singles, 399 in team and 395 in doubles for an all-events total of 1,194. All scores include handicap.

Schmardel entered the tournament with an average of 138, so she was placed into the Sapphire Division. The Sapphire Division is made up of bowlers with averages of 149 and below, with handicap based on 100 percent of 150.

Even at the age of the 90, she still knows what she needs to do to produce on the lanes, and is looking to show off those skills at the 2011 Women's Championships in Syracuse, N.Y.

"When my timing is right, I can bowl pretty well," Schmardel said. "My first shot of team was a beautiful strike. But I'm looking forward to Syracuse. Anything that has to do with bowling, I'll be there."

Presenting sponsors for the 2010 USBC Women's Championships are Nationwide Insurance; Kegel, official lane maintenance provider; US Steltronic, official scoring system; Brunswick; Storm Bowling Products Inc.; and the El Paso Convention and Visitors Bureau.

HANDICAP IS FROZEN FOR MEMORIAL EVENT

LAKKEWOOD — Michael Kong, one of our best and faithful members was at it again as he won the latest ABTA Event at Cal Bowl with a sparkling performance in the finals winning three tight matches on the way to the title, and a \$2,900 payday, finally edging top seed James Borillo in the title game.

The scoring was fair with lower scores with an adjusted tournament shot for our event. Making the cut were men +59, and the ladies +32 to make the semis, also added were Super Seniors Ken Seiple Sr., "Jumpin Joe" Nolan and La Wana Clark.

A great turnout of 251 bowlers (4 Squads) saw 59 Semifinalists take the floor, of which all would cash and the top 16 to advance to the single elim finals with 3 women min guaranteed to the top 16.

The scoring was contentious with James Borillo leading the way at +137. In second place was Pablo Castro +102. James will sit out and bowl for the title. Pablo to enter into the second round of the top 16 finals. It took a +41 (men) and +35 for the 3 guaranteed ladies to make the top 16. The first round went and we had Greg Haxton, Louis Evans, Ben Hurtado, Tres Catalasan, Randy Henry, Javier Avila and Chris Romero lose out. They received checks of \$110 each in 10-16th places.

Round two had Mark Bauknecht, Ruthie Jones, Pablo Castro, and Randy Folden lose out. They were 6-9th Places and \$120.

We are now down to five

left. We had Michael Kong down Ada Wong 221-200. Bryan Moore edged Youna Yun 200-192. So the two pretty ladies, Youna and Ada were 4th and 5th with great bowling. \$130 with Bryan and Michael to meet for the right to bowl for the title against James Borillo.

The semi final match was on and what a game it was. Moore led until he had an open and a bad count in the 10th, a 5 count, but he picked up the tough shot. Kong will need to strike for the win as he had a strike in frame 9 and he came through with the big shot and wins a thriller 234-231. Bryan was 3rd with great bowling and \$215 with Kong off to the title game vs Borillo.

The title game was on and Kong began with a spare and Borillo countered big time with a three bagger. Kong clean til the 5th where he tossed a three bagger and after 7 frames and two opens by Borillo trailed by only 7 pins. Borillo had a bad break a 4-6 split in the 9th and Kong lead by 3 pins to enter the final frame. James marked so Kong needed a mark and 8 for the win but as a champion he got 3 strikes in the 10th in a 235-223 win scores include Handicap. Great bowling by one of the nice men you will ever meet. Michael is a gentleman soft spoken and a man on the lanes. Congrats!!

Great bowling by James Borillo who surely could have won this one. He is a nice guy also!! A title may be next!

Bryan Moore in 3rd bowled well and if not for a bad break would have been in

the title game. Great bowling by one of our most avid supporters. He will win soon as he is improving much on the lanes also to be sure!

ABTA Notes: Tourney Hi Qualifiers were Marty Nakunz Men +162 and his friend Kerry Lucka +135 women. They will get paid entries for the fine bowling."

The Doubles were head-ed by The "Bowling Wongs"-Ada, and Jimmy and their 1415 got them \$150 edging Romy Cajucom and Vic Garcia 1407, \$130. We paid 16 places and \$1200 in the doubles.

The Match Game was UNmatched with a 223 game drawn by James Borillo. So we again will go for \$3,500 Saturday at Foothill Lanes with a back up of \$3,500 also. Lots of cash on hand folks. Wow!! The Match Series was NOT Matched at CAL due to a 581 drawn by Marty Nakunz. SO WE WILL ESTIMATE THIS ONE TO GO AT \$1,000 at Foothill, and for only a \$2.00 entry fee.

The 3-6-9 was NOT hit either as Darren Garcia missed on shot 3 so it goes for \$1,000 this Saturday.

Michael Kong hails from San Gabriel and used a Storm drilled by Billy Chao. He is single and thanks Billy for the drilling, the Mou Liu League, and the ABTA for a great event!

Correction: Sara Sain-Jurgens Rolls Her First 300 At Red Rock Lanes

LAS VEGAS — When this writer wrote last week about Sara Sain's first 300 game and asked friend Jim Mohr for more info. Jim responded with a correction of her name, which is Sara Sain-Jurgens and that she is a hearing (not deaf) married daughter of deaf parents Sammy and Winnie Sain who are bowlers and long time residents of Las Vegas.

Also further Jim reported, Sara rolled her first perfect game last May 5 in Wednesday Mountainsiders League at Red Rock Lanes. Her games were 246-300-194 for 740 and her average is now 193.

When asked if Sara's 740 was her first 700, Jim replied, no. She has improved a lot as she hit her first, a 703 earlier this year. Congratulations to Sara Sain-Jurgens for her first 300 and her 740 series. Also to the proud parents, Sammy and Winnie Sain for having a daughter who already hit a 300. There are not many of them around.

Two High Average Deaf Teams Not Scoring Well in USBC At Reno

RENO — Ken DeGroff asked this writer if Mark Fisser had reported about how the two high average deaf teams did last May 9-10 in the USBC Open Championships at Reno. No, I told Ken and asked how they did.

Showing me his own tournament recap sheet, Ken said, "Not so good but Mark and I almost had a run for 300. Mark ended up with 279 and me, a 266". He pointed to his third game of Doubles event on his sheet that showed 8 strikes in a row, 9 pins square in 9th and also 9 pins, spare and 8 pins in 10th.

Looking farther at Ken's recap, his 266 came after games of 185 and 182 for 633 but his Doubles partner did not do well, adding 516 for 1149 scores. In his Singles, he had 7 strikes in a row 244 first game, two opens in 8th and 9th 193 second game and closed in with a clean 225 for 552 series. On the day before in the team event his 211 helped in team's good start 1065 first game but hit a rough time with only one strike and two opens 167 second game and finished with middle 6 strikes in a tow 211 game for 589 series. The team did badly with 890 and 875 for 2839 total.

Although Ken is not self-satisfied of his bad 167 game but for his overall efforts he is proud of the on-site Certificate of Achievement Award he received for his 1884 All-Events and 266 game. He said Mark also received similar on-site award for his higher scores.

Also, Ken added that Mark had his own and team recaps and more information to report. Again that I could get the scores on bowl.com by clicking on USBC Open Championship and May 9th team date. To that I told him with regrets and my frustration that my low end computer could not get bowl.com anymore since USBC revised and upgraded the newer bowl.com website design. I hated it and wished that they do back to the previous one which I had no problem.

Also, that PBA also upgraded its pba.com design but luckily I am still knocking on wood that I am able to get it. To all this I was to upgrade my computer or get a new one. At my age this advice did not get through to me.

DOUG McCRYSTAL
Surpasses 31 Year League Record 815

by Frank Weiler
 RIVERSIDE—The Starlighter League has been attracting Riverside bowlers to Tava and Arlington Lanes for thirty-one years. Many of the Starlighter bowlers have been bowling in the league for years, some for decades. Doug McCrystal has been a member of the league for twelve years.

Last month McCrystal hit the jackpot. He bowled 815 (257 - 268 - 290) in the Starlighter League. The series is believed to be the highest ever bowled in the long running league. Long time league secretary NITA SCHMIDT immediately contacted me and requested that the BOWLING NEWS publish news of McCrystal's accomplishment.

Doug is averaging 213 in the league and used his Storm Paradigm to roll the 30 strikes it took to bowl his 800. The ball was drilled by JIM MUR-TISHAW owner of the Fast Lanes Pro Shop within Cal Oaks Bowl. The amazing fact to me is that Doug maintains his 213 average bowling only three games a week, no practice and no other league. Wow!

McCrystal wants to thank his teammates for their support and the Bowling News for supporting Citrus Belt bowlers.

KEN CLAY
Rolls 801 Twice!

by Frank Weiler
 MURRIETA—Ken Clay is averaging 231 in his Thursday night scratch league at CAL OAKS BOWL. He has rolled numerous 700s (a 791 high) in that league, but no 800.

Instead, in his "Fun Leagues" he has bowled two 801s within the last month. He bowled one in March and again in April (234 - 278 - 289 = 801). Great bowling Ken.
