Milligan Crowned 2005 WIBC Queens Champion

TULSA, Okla. - Tennelle Milligan, Yorba Linda, Calif., knew what she had to do — strike and spare in the 10th frame to clinch the title at 2005 Women's International Bowling Congress Queens Tournament, presented by Reno Tri-Properties, a United States Bowling Congress Event.

Standing in her way was Riverlanes' lane 35 — the left lane that had been giving her fits during Wednesday's stepladder finals.

Milligan earned her strike and spare to defeat WIBC Hall of Famer Anne Marie Duggan, Edmond, Okla., in the second championship game 202-177 — but not without adversity — to claim her third major title.

"I didn't want to end on the left lane," said Milligan, who won the Professional Women's Bowling Association Players Championship and U.S. Open in 2000. "That's why I picked to end on the right lane in the first game because I wanted to get it over with. Anne Marie had a better reaction on the left lane than I did."

Milligan struck on her first ball in the 10th of the second game, a rare shot of hers that went flush into the pocket on lane 35. Her next shot, however, went light — getting five pins and leaving the 2-4-5-7-8 combination.

"I was so happy I made a great shot on the first ball," Milligan said. "I thought I threw the next one pretty well, too — and I got five. So I might as well get the other half while I'm at it."

She converted the spare to shut out Duggan, a 15-time PWBA winner who won the WIBC Queens title in 1994.

"I'm just overwhelmed right now. It's all so unreal," Milligan said. "Being the last WIBC Queen — that's exciting in itself."

Next year's event at the National Bowling Stadium in Reno, Nev., will be renamed the USBC Queens (formerly the WIBC Queens Tournament).

For her victory, Milligan was awarded \$25,000 in addition to the Queens tiara, pendant and crystal trophy. The 2005 WIBC Queens, presented by Reno Tri-Properties, participating sponsor Miller Lite, awarded \$167,775 in prize money. Duggan earned \$20,000 for second place.

The girls had to vie for the spot on the show and the tenacity and focus with which these champions bowl kept them in the race through numerous difficult tasks including eating two pounds of cavier and a scrambled ostrich egg (the equivalent of eating 2 dozen chicken eggs) and negotiating their way through 75,000 miles of countries most of whose

Jon Brandon-Bob Brady Win Inaugural Buena Invitational

VENTURA — What was advertised as the "Equalizer Tournament" proved to be just that.

Fifty-seven (57) bowlers took to the lanes Saturday, May 21st at 1:00 p.m. and bowled two 5-game blocks on two completely different lane conditions.

After discussing the possibility of changing this into a one-day tournament, the bowlers decided to change the format where all finals matches would be two games total pins to decide the winners.

This turned out to be a long day as the finalists in the 48 & Under Division would bowl a minimum of 12 games and the first and second place finishers would bowl 16 games.

In the 50 & Over Division, all finalists would also bowl a minimum of 12 games with the first and second place finishers bowling 14 games.

Jon Brandon from Santa Clarita was our tournament champion in the 49 & Under Division and qualified sixth with a score of +225. Bob Brady from Santa Monica was the 50 & Over Division winner going wire to wire with a high qualifier scores of +221.

We had 42 bowlers in the 49 & Under Division and a disappointing 15 bowlers in the 50 & Over Division. All in all we had a very successful one day tournament and paid out \$5,945 including prize fund, sidepots and brackets.

A complete list of qualifying and finals scores are listed on page 4. (see round up page 4)

Bowling's Top Players To Serve As Interscholastic Coaching Certification Program Trainers

GREENDALE, Wis. - The United States Bowling Congress has announced an all-star lineup of the sport's top athletes who will serve as certified trainers for its new Interscholastic Coaching Certification Program slated to begin this summer.

With the rapid expansion of interscholastic bowling programs, USBC High School, USBC Collegiate and USBC Coaching have joined together to create the coaching certification program to address the need for coaches.

The elite lineup of trainers include the following USBC-certified coaches: Professional Bowlers Association pros Lonnie Waliczek, Rick Steelsmith, Jeff Lizzi and Del Ballard; Professional Women's Bowling Association players

Carolyn Dorin-Ballard, Kim Terrell, Cathy Dorin-Lizzi and Kendra Gaines; Team USA member and amateur standout Diandra Asbaty and noted instructor Ron Hatfield. Each trainer will conduct clinics in the region where they are based to help reduce the cost for attendees.

"We really have a dream team of trainers," said Director of USBC High School Christine E. Zahn. "Those who register for the program will get training from some of the best. It would be like getting instruction from Davis Love III or Karrie Webb in golf."

The program was initially created to meet the goal of having a trained bowling coach for every high school that has a varsity or club program. Designed for those who have coaching experience and those who have limited or no bowling background, the program has been expanded to include anyone who would like to be

involved in coaching and leading an interscholastic bowling program at the college, high school and middle school levels.

"We are kind of a victim of our success," Zahn said. "Currently many programs' coaching needs are being filled by teachers or other educational personnel who don't necessarily have a background in bowling but are committed to high school bowling programs."

For those who do not have any USBC coaching certification, the Interscholastic Coaching Certification Program is a four-part process which consists of the following:

*Part 1: One day of training which consists of four hours of classroom instruction and four hours of on-lane drills.

*Part 2: Successful completion of USBC's Level 1 coaching certification program.

*Part 3: Successful

completion of USBC's Bronze Level coaching certification program.

*Part 4: Successful completion of the National Federation of State High School Associations Coaching Principles course, the American Sport Education Program (ASEP) first aid and CPR courses and any interscholastic association required courses.

The first three parts must be completed in order but part 4 may be completed at any time. Those already certified as USBC Level 1 or Bronze Level coaches may apply their certifications to the new program.

"We believe that coaching is so critical not only for making a bowler better but also to nurture interest in the sport for the long term," said Director of USBC Collegiate Jeanne Klescewski. "At the collegiate level coaching is extremely important not just for the ob-

vious competitive reasons but it also plays a key role in fostering the bowler's experience for future adult competition."

"Any successful sports program begins with coaching," said Director of USBC Coaching Bob Maki. "We want to provide coaches with the education and tools so their athletes can grow their skills as well."

Interscholastic Coaching intro workshops will be conducted upon the request of schools or bowling centers that guarantee a minimum of 16 attendees. Registration for the one-day introduction workshop is \$99 per person. In the coming weeks schedule and registration information will be available on the high school and coaching pages of bowl.com. In the meantime, information may be obtained by calling (800) 514-BOWL, ext. 3398.

USBC Announces Partnership With Magnolia Pictures To Promote Bowling Film

"A League of Ordinary Gentlemen" to be promoted via bowl.com and movie screenings

GREENDALE, Wis. - The United States Bowling Congress has announced a sponsorship agreement with Magnolia Films of New York to promote the release of the Professional Bowlers Association Tour documentary, A League of Ordinary Gentlemen.

As part of the agreement, USBC will promote the film's openings through its bowl.com Web site and other communication outlets which reach a network of 6,000 local bowling associations, 60,000 volunteers and more than three million members. The independent film opens May 27 in New York City and June 10 in Los Angeles and St. Louis. A nationwide release is scheduled for late June and early July.

The film chronicles life on the tour through the experiences of four of its stars - Walter Ray Williams Jr., Pete Weber, Chris Barnes and Wayne Webb - who are at very different places in their careers. It also provides an overview of the tour's resurgence since its purchase by three Microsoft executives in 2000.

"Our partnership with USBC will provide a great boost in making everyone who has an interest in the sport aware of this unique film," said Chris Browne, the film's director. "We hope that the struggles of these men will strike a chord with anyone who remembers watching the intense stares and tortured silences of a Saturday afternoon bowling broadcast."

USBC also will work with Magnolia Films to promote future screenings in New York, Detroit, Minneapolis/St. Paul, Chicago, Washington, D.C., Denver, Cleveland, St. Louis, Philadelphia, Milwaukee, Houston and Buffalo, N.Y., among other cities. A trailer and additional information about the movie may be found by visiting www.bowlingmovie.com.

"We are looking forward to partnering with Magnolia Pictures to promote this award-winning film," said USBC Manager of Sponsorship Acquisitions Mike Jakubowski. "This is a great opportunity to see professional bowling athletes honestly and realistically portrayed on the big screen."

The movie won the Audience Choice Award at the 2004 South by Southwest Film Festival in Austin, Texas.

Magnolia Pictures is the distribution arm of 2929 Entertainment, specializing in independent and foreign films. Formed in 2001 by Bill Banowsky and Eamonn Bowles, Magnolia currently has in release the breakout documentary, "Enron: The Smartest Guys in the Room." Past Magnolia releases have included the Academy Award nominated documentary "Capturing the Friedmans," the record-breaking documentary "Control Room," the critically acclaimed French film "Read My Lips," and the surprising box-office smash "Woman Thou Art Loosed."

Lebaquin Wins First ABTA Title at Southwest Bowl, Viernes Fires a 300

All Pots Carry over Match Game est. \$3,000, Series \$1,000 this week

Memorial Special Event at CAL Bowl Fri / Sat / Sun

LOS ANGELES—Phillip Lebaquin was the best in our first ever event at Super Southwest Bowl last Saturday night. He topped a nice turnout of 182 entrants at the popular center located in Southwest Los Angeles. We had 26 new members and everyone enjoyed Southwest.

The scoring there was huge. The bowlers loved the lanes there, produced cut scores of +107 for the men, and + 71 for our lady bowlers. We had 49 bowlers advance to the semis which also added Super Seniors Louis Brooks, Dave Scott, and Ms. Imee Ahorro to the semifinals.

Roger Viernes thrilled the crowd in the 7PM Squad as he had a perfect game, and just missed the 800 scratch series with a huge 794 scratch. Great bowling by a fine guy who will receive ABTA awards for his fine feat at Southwest.

Leading the Semis was Lebaquin with his nice +142 set with Thomas Licauco only 2 pins behind in second place at +139. So Phil would sit out and bowl for the title with Tom receiving a first round bye in the top 16 single elim finals. It took a +75 (men) to make the top 16 Single Elim Finals which included 3 women.

The top sixteen took to the lanes, and losing in round one of the single elims finals were Joann Courtney, Chris Romero, Valinda Kelly, Tres Catalasan, Lorenzo Justice, Ping Romero, and Donnie Johnson. They got \$100 finishing in 10-16th places.

Round two had Imee Ahorro put it to Rene Vasquez (last weeks champ) 247-201. Sol Cericos took out 2nd seed Licauco 221-188. Alex Vela bested Rico Cayton 216-207. Cleve Johnson was fighting leg cramps to survive. Ron Sanchez 217-216. The losers of round two got checks of \$115 each in places 6-9th.

Round three saw Johnson best our pretty lady Imee 232-208. Cericos out struck Vela in a good one 252-238. So Alejandro and Imee were 4th and 5th with Johnson and Cericos to meet for the right to advance to the title game vs Lebaquin.

This match was a real strike fest as the lanes still were holding late at night. Cericos, who led by as much as 40 pins had to go off the sheet with a four bagger to edge Cleve who had finished with seven in a row. What a game! Cericos 269-265 for the win, and a great effort by both men. Cleve was 3rd with great bowling and Cericos off to the title game vs Phillip.

The Match was set for lanes 23-24. With bowlers perform-

ing so well, we expected a good one. Cleve still fighting the cramps had a bad start, opening in three of four frames. Phillip started with a nice turkey to take a big lead by a huge 53 pins. It was a margin that Cleve couldn't recover as Phil had again doubled en route to a 243-190 (all scores are with handicap) and his first ABTA title. Great bowling Phillp and congrats on your first title. His father Hermie is an ABTA Champion and Mom Jing is also a fine bower and ABTA member. More important they are fine people and very respectable and well-liked by all. Great Bowling Phillip and title #2 is next for this fine young man!

ABTA Notes: Tourney Hi Qualifiers were Roger "300" Viernes at +236 for the men, and Esther Tambio led the ladies +164. They will receive paid entries.

The optional doubles were taken by Lito "Boy" Dizon, and Ping Romero whose huge 1589 returned them \$140. We paid 9 places, and \$700 in the doubles.

Gil Romero, and Sol Cericos were the last left in the 3-6-9 roll off and couldn't get that one more 9 count, so they will split the \$50 consolation. We will have \$800 in the 3-6-9 this weekend at Cal Bowl.

The Match Game worth \$900 was unmatched at the 257 drawn by "Champ" Lebaquin Romero. We will estimate a huge \$3,000 Match Game at Cal Bowl.

The Match Series was drawn by 300 shooter Viernes. Due to no matches on the 484 series for \$2.00. You could win an estimated \$1,000 this week at Cal.

The Columbia 300" ball of the week went to ABTA regular Filbert Tjakra, who thanks ABTA sponsor Columbia 300 for the fine ball.

Champion Phillip Lebaquin hails from Cerritos, and used an Oracle (Rotogrip) drilled by Memo Rosales at Action Lanes. He is single with a girlfriend Dee Dee. He thanks his family and friends for support, and the ABTA staff for a good job.

Cleve Johnson is from Downey and used a Danger Zone drilled by Arvo at Southwest Bowl. He is single but taken by Blythe. He thanks the fine ABTA staff for a good job, friend Vanessa Anderson and especially Blythe for support.

Sol Cericos, an ABTA Veteran of many years is from Arcadia, married to Mary. They have two great kids A.J. and Hannah. He used a Buzz Saw also drilled by Memo at Action Lanes. He thanks the ABTA and Southwest for being great hosts, and especially his wife for letting him stay up late to bowl.

Special thanks to the Management, Dave and Staff for being such accommodating hosts for this event, and we will attempt to return to Southwest on the next schedule mailer. Good Food and lots of it in the Coffee Shop also! Great Bartenders, in fact Charlotte left the bar and bowled the 7:00PM squad. Just Great people there!

BUYING A PIN IN A POKE?
GARDEN GROVE — The OCBA held its annual meeting Sunday, May 22, 2005, adopted their portion of “Articles of Merger” for Orange County Bowling Association of the United States Bowling Congress by a near unanimous vote. The line officer’s presentation was convincing.
League representatives asked lots of questions, were convinced it was safe to be protected by a non-profit California corporation. There were 11 (eleven) legalese articles, two (five and six) were bothersome to this writer. Not really fine print but questionable.
ARTICLES 5 & 6:
5. The Surviving Corporation once incorporated shall possess all of the rights, Privileges, and immunities of a public and private nature of the Merging Corporations. All Property, real, personal, and intangible, and all debts and obligations due on whatever Account, and every other interest, of or belonging to or due to the Merging Corporations shall be taken and deemed to be transferred and assigned to or vested in the Surviving Corporation without further action or deed required.
6. The Surviving Corporation shall be responsible and liable for all liabilities and Obligations of the Merging Corporations. Any claim existing or action or proceeding pending By or against any of the Merging Corporations may be prosecuted to judgment as if the Merger had not taken place, or the Surviving Corporation may be substituted in the place of Such Merging Corporation as a successor in interest. Neither the rights nor any liens upon The property of any Merging Corporation shall be impaired by reason of the merger.
Do they mean the richer entity (corporation) must pay the debts of the other merging corporations?
The principal corporation being the ABC (local association) could be responsible for the “poor” one’s liabilities?
No wonder the transition has been slow. The Fort Hood, TX of the USBC local was the first to complete their merger application in April?
Along the way the ABC/WIBC merged locals are encouraged to take-in groups such as the proprietors, youth, bowling equipment manufactures, consultants, and public relations companies to form one big happy family.
This writer thinks the ABC/WIBC families would be happier without their relative’s burdens.
The bottom line: The success of tenpin bowling in Orange County or any other county depends mostly on what the local associations and proprietor group’s managers and volunteers accomplish.
They need help from players, sponsors, fans, sporting public, medical/fitness industry, city, county and state officials — for starters, some dirt about 10 acres, enough equipment to fill a modern center, an ample amount of promotion money — no pins in a poke!

Mini Offers First Ever Mixed Doubles
Dynorooz Mixed Doubles Will Roll Monday July 4

LAS VEGAS—For the first time in its 12 year run, the Mini Eliminator will stage a special event for a doubles team made up of a man and a woman at the Mini. Monday evening July 4 at the Orleans Bowling Center, the inaugural Dynorooz Mixed Doubles will be held. The field will be limited to 64 teams.
The Dynorooz Mixed Doubles will guarantee a \$3000 top prize with only 20 team entries, and 1 in 5 teams will cash. In addition to the top prize, second place is guaranteed \$2000, third place \$1500, and fourth place \$1000 at only 40 teams. In addition to the cash prizes, Dynorooz will award 12 pair of their top of the line Tour Ultra bowling shoes during the event, valued at \$200 per pair.
Every game of the six game event, the man and woman with the highest individual score for that game will win a new pair of Dynorooz Tour Ultra shoes. Final standings will be determined by the highest 3-game totals from the 7 and 9 pm squads combined.
Individual bowlers may cash twice, but only with a different doubles partner. Individual and team brackets will also be offered, and a separate ‘crossover doubles’ pot will allow players to team with multiple partners. Side action will also include high game pots for teams, men and women.
The entry fee for this all-new event is \$300 per team, and last cash is guaranteed \$600, double the entry fee. All men and women bowling in the Mixed Doubles must have at least one paid entry in one of the Mini Eliminator main events to be eligible. Walk-ins are welcome, but spots are limited to the first 32 paid teams in each squad, so paying in advance or at registration is recommended.
MINI OFFERS MORE BIG CHECKS THAN ANY OTHER EVENT
For megabuck bowlers looking for big checks to take home from Las Vegas, the Mini Eliminator is the best place to find them. The Mini motto is **Lowest Entry Fees and Best Guarantees**, and in the past five years, no other event has come close to paying out the big money like the Mini.
For the record, the **BEST GUARANTEE IN BOWLING IS STILL AT THE MINI – AND IT IS THAT 150TH PLACE WILL CASH FOR A MINIMUM OF \$1000 REGARDLESS OF ENTRIES.** No other event will make this incredible guarantee. In addition, at least **80** bowlers will cash for a minimum of **\$2000**, at least **16** bowlers will earn **\$5000** checks, and at least **10** bowlers will take home **\$10,000** checks – **ALL GUARANTEED.**
Among the biggest winners at the Mini will be the winners of three big Main Events – the MoRich Matchplay Event guarantees **\$20,000** first place, the 3-game qualifier offers **\$30,000** first place and the Brunswick Shootout will pay a **\$10,000** top prize. And once again, the Mini Eliminator is the only megabuck event to **TOTALLY GUARANTEE ITS ENTIRE PRIZE FUND 100% FROM TOP TO BOTTOM.**
The 12th Annual Mini Eliminator is presented by Brunswick, the world’s leader in bowling, and sponsored by Turbo 2-N-1 Grips, Coast Casinos, Kegel Corporation, MoRich, Dynorooz, Goodpayer.com, KR Strikeforce, and Bowlingball.com. The event will be held at the beautiful Orleans Casino, Hotel, and Bowling Center in Las Vegas July 2-10. For a complete entry brochure, call the Mini hotline 1-877-900-MINI (6464) or visit the website www.minieliminator.com.

ATTENTION BOWLING LEGENDS AND SPONSORS

DOWNEY — This is a special message to the legends of bowling for the last 50 years—five decades of the game of AmericanTen Pins. This is a personal invitation to you from Mr. Don Cecil, as this is my last contribution to the game. I have been involved in this wonderful sport for over 60 years. It’s been the biggest part. I truly love the game.

On July 3rd and 4th of this year, I am hosting a get together at Del Rio Lanes in Downey, CA. There will be a Sunday brunch at 11:00 a.m. on the 3rd, and a luncheon on Monday, the 4th of July. The luncheon will be for the legends and their wives, followed by a special Pro-Am Bowling Event, with amateurs placed with the legends that are still able to bowl. Both the amateurs and the pros will be shooting for a major prize list. The amateurs will pay an entry fee of \$50 for the pleasure of bowling with the Legends of Bowling. Pros or Legends will also be shooting for prizes, with the two highest legends bowling for a special prize of \$5,000. \$3,000 to the winner, and \$2,000 for 2nd place. The prize list will pay the Legends one in four. The same pay ratio will apply for the amateurs. I have 30 top names in PBA history, BPAA All Stars, and Legends of the ABC. Lots of talent will be coming to Downey, CA for this wonderful event. Let me know if you would like to be a part of my dream in this wonderful event.

I am asking for sponsors for this event and will accept donations between \$500 and \$5,000. Send checks to Del Rio Lanes, attention Mike Cammarata. You can contact me at 626-592-1365, or call Del Rio Lanes 562-927-3351 and ask for Mike.

Honored guests include Rex Golobic, Bill Bunnetta, Harry Grant, Barry Asher, Glenn Allison and Dick Stoeffler.

I spent the week of May 4th through May 8th in Northern California. The first stop I made was in San Jose to visit with Ed Bourdase of Alameda Trophies. Second stop, Palo Alto. Before that, I spend time with Bill Tuttle at 4th Street Bowl in San Jose. Back to Palo Alto, Max Epps and Harvey King, two long time friends. Max, PBA member, on to Bel Mateo Bowl in San Mateo; visit with Rex and Ricky Golobic. This was on Friday morning. Also saw a PBA Legend of 50 years, Everest Collins bowling in a seniors league averaging 180. Onto San Bruno to see Tony Reyes, PBA Tour member. Tony Gave me an invite to his Regional event on Labor Day.

Had dinner with Shirley (my ex) and son Don Cecil Saturday nite. Went back thru San Jose, stopped off to see Ross Packard, onto Fresno to visit with Pat and Bill Bunetta.

You may contact Don Cecil at P.O. Box 13, Alhambra, CA 91802. God Bless You.

Ladies Make It Two-In-A-Row! Michele Tucker Wins Her First ABT Orange County Title at La Habra “300” Bowl

LA HABRA—For the second week in a row we had a lady win in the Amateur Bowlers Tour (ABT) Orange County Branch. Michele Tucker won her first Amateur Bowlers Tour (ABT) championship at La Habra “300” Bowl on Saturday, May 21, 2005 during our one-day 4 game Beat-the-Board tournament. Michele showed up for our first squad at 1:00 PM and shot games of 227-287-261-266 with handicap good for a series total of 1041 and the \$800 1st place prize. Michele was also in the Win, Place, and Show Pot for an additional \$500 making her a check for \$1,300 dollars plus sidepots and brackets. Lowell Thompson of Anaheim shot a fine 1035 four game handicap series to finish in second place for \$400 plus \$300 from the Win, Place, and Show Pot for a total of \$700 dollars. In third place was Rob Renko of Bellflower. Rob shot a 1025 and got \$150 dollars plus \$200 from the Win, Place, and Show Pot for total of \$350 dollars for all his efforts.

Our newest Champion, Michele Tucker, is a 32 year old PE teacher at Desert Chapel Christian School and is married to Terry, who is also an ABT Champion. They have two children, Alyssa-who is 10, and Chris-who is 9. Michele has been bowling for about 17 years and bowls at Palm Springs Lanes. She has a high game of 278 and a high series of 703 to her credit. She used a Columbia Professional bowling ball drilled by her husband, Terry Tucker, at the Right Approach Pro Shop. Michele wanted to thank the LORD for blessing her in so many ways. She also thanks her husband, Terry, for his love and support; her children, Alyssa and Chris; and her friend Bob Crame, who has helped her so much with her game. Michele plans on using her prize money for an upcoming trip to Las Vegas. Michele also wanted to thank La Habra “300” Bowl for hosting the tournament this Saturday and the Amateur Bowlers Tour-Orange County Branch staff for running an outstanding tournament week after week.

We drew the Mystery Pot of Gold game number and score after our final squad. Game #1 and 113 were drawn for this week. Since no one shot 113 with handicap in Game #1, there was no winner for \$1000 dollars. The second chance score was 257 with handicap in game #1. No one shot 257 with handicap in Game #1, so there was no winner for \$500 dollars. The third chance score drawn was 261 with handicap in Game #1. There was one bowler who shot 261 with handicap in Game #1, but they were not in the Mystery Pot of Gold, so there was no winner for \$250 and the Mystery Pot of Gold carries over to our next Singles Tournament on June 11, 2005 at AMF Valley View Lanes. Remember, the Mystery Pot of Gold is available to all members (Classic and Masters) and only costs \$5 for a chance at \$1000 dollars.

The ABT staff and membership would like to thank the management and staff at La Habra “300” Bowl for hosting our tournament last Saturday. Our next scheduled event will be this weekend. Our **Memorial Day Combination Doubles Tournament** scheduled for Saturday, Sunday, and Monday, May 28th-30th, 2005 at Westminster Lanes. This is truly an “amateur” tournament in which PBA or PWBA tour members within the last 10 years are ineligible. Also, anyone who has ever won a PRO title, or regional title in last seven (7) years, including ABC Masters and WIBC Queens, cannot participate. Anyone that received \$10,000 or more in a scratch single bowling event within the last seven (7) years are also ineligible.

This is an excellent opportunity for “amateur” bowlers to make big bucks for a small investment. The TAT is a “high roller” type of tournament which has a 3-game qualifying by age groups and a separate 205 & under division.

Single game elimination in the final rounds. Qualifying is by four (4) separate divisions; 3 age, Age 36 & Under, Age 37-50, Age 51 & Over, and 205 average & under. Cut scores are 1 in 10 DAILY IN EACH DIVISION , or every 2 or 3 squads.

There are special bonuses for Daily Leaders on Bonus Division Days which seeds the daily leader to 3rd Round and a guaranteed minimum of \$800 (Division Leader) or \$1000 (Daily Leader). There are qualifying squads starting at 12pm from June 26th-July 3, 2005. There are qualifying squads at 9 am and 11am re-entry squad at 1 pm on Saturday, July 3, 2005. Final elimination rounds will occur around 3 pm on July 3 & 4th, 2005. Re-entry squads are as low as \$100.

There are two (2) Chance Tournaments (CT's) which are “Free” to TAT participants. Each CT is a 2-game sweeper with highest total pins winning the cash spots. 1st CT has \$15,000 with eighty (80) prizes and 2nd CT has \$10,000 with fifty (50) prizes. The number of free CT squads that a bowler receives depends on their tournament entry date (Everyone receives at least 1 free chance squad) Additional CT squads may be purchased for \$40. All Marathon and Triple entries will receive one extra CT squad. All TAT returning bowlers and TAT League bowlers will receive one extra CT squad. Bowlers can cash up to 3 times in the 2 Chance Tournaments. First place in both events is \$1000 and last cash is \$100.

There is a special \$30,000 Ebonite Challenge Tournament during the qualifying and CT squads. There are two (2) ways to qualify: a strike in the 3rd, 6th, and 9th frames of any 2 games or a strike in the 1st, 5th, and 9th of any 2 games will advance you to the finals. All finalist will receive a second “free” Ebonite performance bowling ball including drilling. All TAT entrants will receive one (1) free entry qualifying into the Ebonite Challenge Tournament and all re-entries are \$10. The Ebonite Chall Finals will occur at 3:30 pm on July 3, 2005.

There are three (3) big Ebonite Sweepers on June 27, 29, and 30th, 2005. The sweeper squads on June 27 and 29th are at 7 pm and 9 pm. The sweeper squads on June 30th is at 8 pm and 10 pm. JST Titles Won By Beever, Galvan, Sickles, and Sherman at Action Lanes

by Brian Carmichael
EL MONTE—Action Lanes hosted the final Junior Scratch Tour regular tournament of the season this past Sunday. The format was the same as always, but this would be a double points tournament to turn up the drama for the final regular tournament. With the newly added JST Tournament of Champions and High Points, many bowlers would have to make a huge mark on this day to make themselves eligible for the distinguished event. With the huge amount of scholarships that the JST has to offer at every tournament, all to the thanks to our astounding sponsors; Storm Bowling Products Inc., and B&W Bowling Equipment, this was meant to be another great tournament.

The Novice Div. would bowl four games, and the top bowler would determine the winner for their respected division. One bowler in the field needed to make a huge impact at this tournament to qualify himself for the TCHP, and he did just that. Shooting both the high game and high series with a big 219 game, and ended the four-game set with a 691 total, he put himself not only in first for the win, but also qualifying himself for the TCHP. Coming up just short of Sean was Jeff Glusman in second, with a 656 set. Congratulations to Sean on his first JST win, and great bowling.

Any point possible meant a ton this past Sunday, as many bowlers needed as many as they could get to not only qualify themselves for the TCHP, but also some bowlers had a chance to make themselves move up and become the division’s top point earner of the season. David Phillips was trying just that, as he shot the high series of qualifying with a nice 758 series. Susy Montieth bowled a nice 229 game to claim the high game. The top 6 then went to match play, as the top three from qualifying remained in the top three, with Phillips keeping his 1st-place stay. The roll off saw the first match start off with a 190-166 win from Candice Galvan over Montieth. The championship match was then set, and with Galvan absolutely needing a win, and a win only, to qualify herself for the TCHP, would roll a solid 184 game to defeat Phillip’s 159 game. Congrats go out to Candice for her clutch win, and awesome bowling out there.

The same could be said about points in the Advance Div. as Robert Sickles shot his way to high game and high series honors with a nice 247 game, and a great 929 total. Sickles rode his huge lead from qualifying into match play, and remained on top for the roll off. All while Felicia Mara took 2nd, Caycee Landers in 3rd, Jared Goldschen leaping from 11th to 4th, and Natalie Jimenez rounding out the top 5, in 5th. The first match was a low scoring affair as Jimenez would defeat Goldschen 180-158. The next match would be an exciting, and close one as Landers got the best of Jimenez 184-183. With Landers knowing she would need the win today to make it for the TCHP, she quickly disposed of Mara in the semi-final 202-163, to set herself up in the championship match. Knowing the way Sickles had been bowling all day, Caycee knew that she would need a higher score to win, and would shoot that higher game of a 203. That still would not be enough

though as Sickles bowled another great game of 226 to win the match and take home his first ever JST Advance Div. title. Great job to Robert, and congratulations on your stupendous bowling.

The Open Div. saw Kevin Peterson shoot his way into the lead after qualifying with a nice 918 set. Ryan Council was just behind him with a 908 set, which had the high game in there with a great 267 game. Match play had a lot of movement as Jared Lawrence jumped his way into 1st, while Mason Sherman took 2nd, Preston Fukumizu in 3rd, and Peterson falling into 4th. All four finalists are all champions of the season, meaning all have already qualified for the TCHP. The first match of the roll off went to the final frame, and Peterson would beat Fukumizu, 208-200, but would then fall to Sherman in the next, semi-final match, 181-221. The championship match would be high scoring with Lawrence looking for his first JST title ever. He would shoot a solid 233 game, but even that would not be enough to defeat the red hot Sherman, whose 258 game would take the win. Great bowling to Mason, and congrats on your third JST title of the season.

Congratulations once again and great bowling to everyone. We would like to thank Action Lanes as always, for being a superb host center, and making sure everything is up and perfect for us. Also thank you to our sponsors, because without them, the JST would not be possible, and would not be able to award as much scholarship money as it does. The final season points will be tallied up and posted on the JST’s website, www.jstbowl.com by this Wednesday night, May 18th. Those who qualify for the TCHP will be in highlighted in red on the points list, and must R.S.V.P. for this great event by Monday, May 30th. To R.S.V.P. simply call Butch or Lenni Hesketh at (951) 684-7941. Remember that if you do not R.S.V.P., then you will lose your spot, and alternates will be called. This event is the next JST tournament, and has been moved to June 5th at New Yorba Linda Bowl. You can get more information on it at the JST’s website, and do remember to R.S.V.P. You do not want to miss this event with a unique format, and even more chances to win more scholarship money. Keep up the practice and great job once again to all the bowlers. Take care.

West Coast Jr. Elims Keystone Lanes

by David Gordon
NORWALK - Here is our weekly update from the West Coast Jr. Elims at Keystone Lanes. This past Saturday, a near perfect attendance as following the normal session was our first make-up week. Bowlers paced themselves throughout the day with some having to throw twelve games for the Elims.

During the normal session we found Jeremy Glover leading the way behind games of 255- 224-204-213/896. Next in line was William Jackson with 228-237-225/880. Other 800s included Dayton Crossley 204-221-211-209/845, Matthew Harris 234-214-209/837, Kevin Peterson 251-213/828 and Preston Fukumizu 216-259/815. Additional reportable scores came in from Kevin Valmonte 234/793, Felicia Mara 235/789, Eric Milne 246/784, Natalie Jimenez 204-202/82, John Lawson 215-216/766, J.R. Monteith 204-200/760, Allie Ijams 216/752, Austin Karns 202/741, Samantha Jimenez 204/721, Susy Monteith 720, Darren Hawkins 719, Brittany Bryant 206/703, Tyler Hirashima 205/701, Eddie Sayles 236 and Justin Eubanks 221.

In the make-up sessions, we had a few notables with Valmonte posting a 970 series which included a near perfect 289 game. Karns put up a 903 set and Jackson, Harris, Glover, Monteith (J.R.) and Jimenez (S), all broke the 800 mark.

So after four of the nine qualifying sessions the top 16 for the boys are Jackson (3430), Valmonte (3393), Harris (3338), Glover (3280), Fukumizu (3244), Crossley (3224), J. Monteith (3181), Karns (3136), Milne (3118), Peterson (3087), Lawson (2903), Anthony Williams (2862), D. Hawkins (2812), Sayles (2754), J.D. Pelow (2714) and James Hawkins (2641).

The top eight ladies are Sadia Ward (2850), Arisha Piper (2819), Ijams (2746), S. Monteith (2717), Bryant (2704), Brianna Morales (2427), Vanessa Morales (2317) and Natalie Jimenez (2302).

There is still a few that have not made up all of their sessions with the only make-up session left coming on week 8. Remember bowlers, that you can do pre-bowls (within your allocation of two) any week, following the normal session. You must have 36 games completed by the end of the qualifying round to be able to advance into match play.

Next Saturday, we are taking a bye for the Memorial weekend. I know many of you will be traveling to Fresno for the CSC tournament. If I don't get up there, please do your best, have fun and remember who you represent.

We will return at Keystone Lanes on June 4th at 2:00. A number of the bowlers will be late as well as myself, due to the JAT/GLAJAS awards banquet. However, the rest of you will be put on the floor on time by one of the other Directors.

Enjoy the holiday and be safe. I'll see you in a couple of weeks.

JAT Farm Club

by David Gordon
WINNETKA - Canoga Park Bowl was the latest stop for the JAT Farm Club this past Sunday. We added some more new bowlers into this new season and increased our tournament count to 26 bowlers. Very good scores were put up and the word is getting out that we're cranking them up.

In the qualifying round, two bowlers share the spotlight of having the tournament high game. Juan Vasquez put in 233-277 and Justen Danforth had a 277. Other high games during the round were from Javier Hernandez 246, Aaron Steinberg 243-245-244, Shane Peck 245, Greyson Alman 244, James Hawkins 235-229, Felicia Mara 235-224, Natalie Jimenez 223, Amanda Daniels 223, Dean Nishijima 220 and Amanda Manoly 220.

The top twelve cut for match play came in at minus 46 and the leader was Steinberg at plus 107.

More scores in match play from Danforth 247, Mara 246, Nishijima 245-223, A.J. Garcia 222-237, Vasquez 235, Zale Alman 233, Peck 221 and Arisha Piper 220. Remember readers, a reportable score for the JAT Farm Club (185 and under bowlers) has to be over 220.

In the finals we then found 4th seed Z. Alman (+106) taking on 4th seed Danforth (+122) with Danforth capturing this match 265-152. Danforth now faced off with 3rd seed Nishijima (+139) as Dean advanced with a 209-196 win. Nishijima then met 2nd seed Mara (+161), with the little lady taking over 225-161. But now against the top seed Vasquez (+168) the top five finals stayed true, with Juan Vasquez putting away Mara in a tight match 180-176, for his first Farm Club title. Congratulations (12 year old) Juan.

Our next summer tournament will take us out from the west side to the east side. Brunswick Foothill Lanes in Fontana will host both the Farm Club and Open divisions on June 5th, starting with check-in at 8:15. Directions will be put in to our advertisement next week and I will be emailing all members as well.

Enjoy your Memorial weekend and good luck in whatever tournament you are bowling. Also remember that the JAT awards banquet will be on June 4th at Dave & Busters in Arcadia at 11:30. Have a safe weekend and I'll see you in June.

OCWBA News

by Alice Meglemre
When this appears, OCWBA delegates to the CWBA annual meeting, at San Gabriel Valley, will be home and all of us will be looking forward to hearing about convention action and weekend highlights.

For now, we have a super story forwarded to us from Rae Miller, who always knows what's happening on the bowling scene, and we want to share it with Bowling News readers.

Fanfare please for Lois Larsen, a most deserving subject to be spotlighted in this column. The longtime OCWBA member has registered stepladder series three times and if you are wondering why this is such a big deal, may we add that Los is almost 101 years of age.

Lois is a member of the "Marge's Groovy Grandmas" at Orange Bowl and scored her first stepladder, her highest, on games of 135-134-133, in 1997.

In 2003 she posted games of 91-92-93. Now, at age 100, Lois rolled games of 80-81-82 last week. All of these awards were earned at Orange Bowl and we join it's members in congratulating her.

A reminder to OCWBA members to sign up in a summer league.. Most are underway at this date but there's a few late starters. Check with your favorite centers, listed in the Bowling News, for team and individual openings. Thanks again to Rae-Rae for taking time out from her busy OCWBA office chores. According to her, bowling awards are plentiful this summer for the sanctioned league bowlers.

SOUTHERN CALIFORNIA DEAF BOWLING NEWS

by Connie Marchione

LOS ANGELES TEAM OF PENNINGTON & AUDETTE WINS DEAF TRAVEL SWEEPER ANAHEIM

So. Calif. Deaf Traveling League concluded its 45th year with a sweeper and a banquet at Linbrook Bowl. This league is recognized as the oldest deaf traveling league in existence since it was formed in 1960 with 6 teams of trios.

Since its formation over 300 deaf and hearing impaired bowlers had joined and bowled for one year or more. It had grown to 16 teams in the mid-1970 and seen many of its favorite centers closed. This season was completed with 10 teams of doubles.

In the team sweepstakes at Linbrook Bowl, the Los Angeles team of Richard Pennington and Robert Audette was matched against Darrell Stogryn’s El Camino Village and took advantage of Darrell’s jet lag. Stogryn had bowl in the ABC tournament at Baton Rouge just arrived home very tired from a three hours delay at the airport and bowled poorly in this match.

L.A. team scored 407-338-413-369 for 1527 to top all teams with Pennington’s top series of 773 from234-160-211-168 and Audette’s 173-178-202-201/754.In Indistant 2nd place was the league champion Riverside’s with1397 with EdAbakumoff’s opening 255 game and 769 series and Sharon Caldwell’s 628. La Verne with Connie Marchione’s 691 and David Ramirez’s (205) 684 scored 1375 for 3rd.

In the handicap sweepstakes, Pennington’s 82 handicap put him at the top of all with 855, thusly sweeping in most of the handicap prizes. With teammate Audette’s 826, they placed 1st and 2nd in singles and won 1st in doubles. Then Pennington also took 2nd with Marchione’s 787, 3rd with Mirna Aranki’s 782, 4th with Pete Koukoutsakis’ 781, 5th with Abakumoff’s 778, 6th with Ramirez;s 768 and 8th with Caldwell’s 756 before letting Audette have 7th with Marchione and 9th with Mirna.

In mixed doubles Pennington placed first with Mirna and second with Caldwell while Audette claimed 3rd with Mirna, In all, Pennington reaped \$175.00 and Audette about \$80.00.

At the Banquet in Linbrook’s banquet room the bowlers and limited fans were treated with a delicious choice of baked chicken and roast beef dinner complete with salad, beverage and pie with ice cream for desert. At the dinner’s end, President EdAbakumoff took over with the league awards and sweepstakes payoffs.

Abakumoff gave out the sweepstakes money, then Vice-president Bill Fry gave out the league’s Masters prizes starting at the bottom up to Bob Jones for 2nd place and the champion prize to Darrell Stogryn. Stogryn also got the high qualifier (909) and high match series (1002) prizes while Jones took the High match game (268) prize.

It was Abakumoff’s turn again to present the league’s special prizes, presenting his own team Riverside the league championship prize along with pins from ABC/WIBC to teammate Sharon Caldwell. Last year’s champion El Camino Village took the league runner-up prize.

The league’s high team series prize went to Stogryn and Mirna Aranki’s El Camino Village;s 1631. Although Village had the high Team game (459) the league’s team high game went to Emad Aranki and Francisco Navarro’s West Covina’s 439. Stogryn got the league high series award and a pin from ABC for his league record 1002 series. Caldwell received the women’s high series award and a pin from WIBC for her 694.

Although Stogryn’s 278 was the league high game, the rules gave the high game award to Dan Flores’ 276. The same goes for Caldwell’s 199 high game as Mirna got the women’s high game for her 191. Jim Mohr’s 7 pins improvement got him the most improved bowler award along with a keychain from ABC. Mirna got the women’s most improved award and a keychain from WIBC.

Stogryn also got the league awards for most match points won, most 200 games and most 800 series. Bib Jones received two awards, one for most times on honor roll list and other for most 700 plus series. Caldwell also got three, the women’s high average award, most match points won by a lady and most 500 series. Pennington received the runner-up most points won award.

The last league award, the Charles R. Hart high average trophy award was presented by Abakumoff to Stogryn for the 4th straight year. While the Hart trophy was in his possession, Stogryn did a kind acknowledgement to the league by having a trophy shop redo all the 44 name plates and arranged to have room on the trophy for 20-25 more.

Abakumoff asked the bowlers not to leave as there is one more surprise award. Then he presented the surprised league’s founder, Marchione with a beautiful plaque with appreciation for his 45 years as secretary-treasurer. Marchione thanked Abakumoff and all the bowlers but said he already got one in the league’s 25th anniversary and this is too early as he might expect one on the 50th anniversary but at his age who knows.

The league thanks Linbrook Bowl’s General Manager John Haveles for hosting our league and arranging to have the banquet at his place. The food was good. The league will meet at a place to be announced in mid-August to start its 46th season.

LONG TIME BOWLER STEWARD JOHNSON PASSED AWAY LAST MAY 9TH PANORAMA CITY

The sad news of the passing of a good and loyal friend, Steward “Stu” Johnson on Monday morning May 9 in a hospice was teletyped to me by his daughter Debbie. His death came two months short of his 86th birthday.

At that I was shocked because I did not know he was in a hospice. So Debbie explained it happened so fast that the Friday before, Stu’s long time companion, Kay Oshiro called to tell her that Stu had a painful left swollen arm. Debbie helped in bringing him to emergency room at the hospital where the doctors took lots of tests. Through the tests they found that Stu had cancer in both of his lungs so far advanced that he was beyond help. Debbie and Kay were advised to put him in a hospice where he was there for two days and passed away in his sleep. It was so sudden and painless.

We knew Stu used to smoke a lot but he stopped about a decade ago. Both Kay and Debbie were shocked because they never knew that he had cancer in his lungs, as he never complained about his chest pains.

Steward T. Johnson was blessed a good and long life. As a graduate of Tennessee School for the Deaf, he went in construction trade, which took him to several states including Alaska. He was married and divorced but raised his two children himself. He settled in South-

ern California, moved to North Hollywood, then to Van Nuys, and retired to a retirement home in Newhall and finally to another retirement home in Murrieta to be near his daughter, Debbie. His son lives in northern California.

When Stu was hooked on bowling, he met Katherine Oshiro, an avid bowler who moved to mainland from Hawaii and asked her to move in with him. Both Stu and Kay loved tournament and competitive bowling and also bowled in deaf leagues together. When So. Calif. Deaf Traveling League was formed, as Stu averaged in the high 160’s, he was persuaded to join this scratch league in the following year.

So as we lived in the same city Van Nuys, we started a long friendship traveling together on almost every travel league sessions and deaf and state tournament years, taking turns in our cars. When the Travel League started admitting women, Kay who averages in the 160’s joined with us. In most of the years we bowled on a team together. When they moved to Newhall, they stopped at my home to pick me up or go with me in my car. When Debbie’s job got her transferred to San Diego, Stu and Kay felt it necessary to move to Murrieta to be near her. Both could not make the long trips to bowl in the travel league and were bowling in a senior league near their home.

Stu loved to attend the yearly So. Calif. Bowling Writers Banquets with Kay to watch deaf bowlers get honored and missed only a couple. In bowling, Stu had attained a high average of 185 and won many trophies, such as Being on two team champions, winning both the 1970 Singles (670) and All-events with 1979, and setting a 1395 then record in 1976 Doubles in Pacific Coast Deaf tournaments. He was inducted in the Pacific Coast Deaf Bowling Hall of Fame. In the Southern Nevada-California deaf tournament, he was also on two team champions, won 1985 Doubles with 1264 and All-events with 1924.

There is one which Stu was proud of, his 25 years participation plaque he received from California State Men’s Tournament and should have received his 30 years too.

Steward is to be buried in a private family funeral in his hometown in Tennessee. Our condolences go to Katherine Oshiro, Debbie and her husband and brother and his family. Rest in peace, good friend.

Flash News! Deaf Jerilyn Keller, San Antonio, TX made 2nd place in Division I WIBC doubles in Tulsa with partner Katherine Verbele, Exter, GA, They scored 1209. More details later.

Super Seniors Ages 60 & Up, Take Advantage of Your Double Opportunity To Cash In Our WCST Ebonite Singles Tournaments

By Dick Sanders

Attention Super Senior Scratch bowlers, ages 60 and up, this is your opportunity to enter our WCST-Ebonite Singles Tournaments, where your qualifying scores could put you in the regular division finals, and/or the super senior finals. Paying in only one entry fee, this is the only tournament of it’s kind in California, where you can do that. The pay-offs are very good due to the higher entry fees compared to many other tournaments of this type also in California. All bowlers entering our tournaments bowl for the regular division finals that follows on the next day following the qualifying. Any Super Senior that has a qualifying score high enough will cross over to the regular finals bringing over their portion of prize money paid from their entry to that division. The money carried over will give more cash places paid out of the finals to the regular division. 16 to 22 super seniors entered in the tournament will guarantee (6) bowlers to the super senior finals, no matter how many super seniors cross over. 23 or more super seniors entered will guarantee (8) bowlers to the super senior finals, no matter how many super seniors cross over to the regular finals. This format with the regular division bowlers ages 45 to 59 is a good one to try out for the first time, or if you have bowled any of our tournaments in the past. The average amount of cash places in our tournaments are usually one for three in each division. Call the WCST Office now for more information, and how to enter the upcoming tournament at keystone Lanes in Norwalk, CA on the week-end of June 18-19, 2005.
