MARIJANE VIAT WRITING CONTEST

by Phyl Knoll

SACRAMENTO — As this year's contest was renamed in honor of our first CBW President, we are encouraged that the number of entries received surpassed those of last year.

Of course, we are unable to offer such a contest without the volunteer efforts of our wonderful judges and this year we were fortunate to acquire the willingness of Donna Hazel of Dublin, California and Carol Mancini of Downey.

Donna is well known in the northern California area for not only her bowling skills on the lanes, having numerous honor scores to her credit, but as a writer and publisher of the Bowling World Publication in Northern California. Carol, our Southern California gal, is a writer; co-owner; and publisher of the California Bowling News. In addition, she serves as the Office Manager of Del Rio Lanes in Downey, a position she has held since 1983. Carol possesses a list of accomplishments in the bowling arena and was cho-

sen as the 2012 inductee to the CAUSBC Hall of Fame for Meritorious Service.

The wonderful news is that both ladies were in attendance at our CBW Annual Luncheon on Saturday, June 9th at the DoubleTree by Hilton Hotel in Sacramento when I had the pleasure of presenting a lovely engraved plaque to the winner, Mary Lynly of Roseville. for her most interesting article "Ex-Crime Reporter Solves His Biggest Case" which appeared in the Bowlers Journal International Magazine in December 2011. In second place by one point was our new member Frank Weiler of Riverside, who although was unable to attend the luncheon, will receive a Certificate of Recognition presented to him by our CBW Director Paula Vidar.

For your reading enjoyment, we are providing you a copy of the winning entry.

Editors Note: Sorry Mary L. I gave top honors to Frank Weiler: C.M.

MARV SARGENT Repeats At USBC Senior Masters

by Frank Weiler

LAS VEGAS — Marv Sargent finished the USBC Senior Masters last week, tied for forty-ninth place. This follows a twenty-second place finish, the previous week, in the PBA Senior US Open. In the Senior Masters, Marv repeated as the highest finishing Citrus Belt bowler. He held that distinction in the Senior Open.

After averaging over 230 during qualifying in the Senior Open, Marv only needed a 216 average to make the cut in the Senior Masters. He qualified thirty-fourth. Marv was very consistent during Senior Masters qualifying, with five game blocks of 1078 (215 average), 1090 (218 average), and 1074 (214 average).

Match play began at 8 AM Thursday and continued throughout the day and all day Friday. The field was cut to eight finalists Friday morning.

During match play, Marv was as consistent as during qualifying, averaging 212 during his first match and 209

NATIONAL DEAF BOWLING NEWS

by Connie Marchione

MORE ABOUT FRANK GALLO, JR. THE DEAF PBA BOWLER

JACKSONVILLE—This year marks the 40th year Frank Gallo, Jr., Jacksonville, FL has been a member of Professional Bowlers Association. Frank began bowling as a youngster when his father owned the Deer Park Bowl in Long Island, New York. In growing up, Frank attended New York School for the Deaf at White Plains, NY. When leaving school, he loved competitive bowling and started bowling in deaf tournaments.

That was how this writer met Frank for the first time in 1972 at Rockford, IL when I found out the he had a 190 average entering in the World Deaf Bowling Championship and National Deaf tournament. After we met, I was struck when he said his father owned a bowling center and that he would be joining the PBA as he already had two consecutive years of 190 averages.

That was the beginning of more deaf and hearing-impaired bowlers joining PBA and ten years later that led to one by one each deaf bowling associations and clubs banning deaf PBA bowlers from bowling in their deaf tournaments.

Why? Just a few deaf and hearing impaired PBA members had cashed but not very big in money. They cannot make a living in PBA events so they quit in order to be eligible to bowl in their deaf tournaments. Frank missed bowling in deaf tournaments but he made his choice.

All but Frank who at that time was a die-hard PBA member and he knew he could not make a living bowling in PBA. So one day after a PBA event in Los Angeles he stopped at my home on his way to see a NY classmate of his, the late Dr. Lawrence Fleischer who was Director of Deaf Studies at California University at Northridge. Dr. Fleischer who was also a friend of mine, passed away a couple of years ago.

The reason was Frank was worried about his future and asked me what I thought. My thought was that Dr. Fleischer was the best person to advise him. After Frank returned with Dr. Fleischer's advice of enrolling at Gallaudet University in Washington, DC, he asked what I thought of that. Great, I said, I wished I did that at his age no matter he was too old to attend.

Eventually Frank enrolled there and graduated with a good job at IRS. All during that time Frank kept his membership in PBA active as he bowled part time whenever he could. When he retired from IRS, he bowled full time.

This year was good for Frank. Last March he won his first PBA South Region Senior event to add to his first PBA East Region event which he won after 36 years of trying without success.

More recently he cashed in two PBA West Region Senior event and PBA Senior U. S. Open. But after these he failed miserably in USBC Senior Masters and PBA Northwest/West Region Senior events. PBA South Region Seniors statistics as of 6/4/2012 has Frank Gallo, Jr. in top 10 of two categories. Both in 6th places with Gallo, Jr. in Points ranking with 4 events and 48,246 points and in Earnings with 4 events and \$2,200. These are great.

But in averages and percentages of cashing per event he is below the top 10. He averaged 215.47 for 43 games which placed him 13th. His percentages of cashing and making the finals are 2 times in 4 events for 50.0 per cent. There are other statistics I am not able to get at this time but we certainly hope that Frank improves in them.

Bowling Tips - The Armswing

by Robert Ellison

NORWALK—One of the most important parts of the bowling game is having a smooth/free armswing. Almost all of the pro bowlers on tour have this "fluid" armswing. John Jowdy indicates there are three different types of armswings: 1) relaxed/free; 2) semicontrolled/muscled down, and 3) controlled/completely muscled.

What is "smooth/free armswing"? First- lets define armswing. Its where you swing the ball freely upon push away of the ball. When you push the ball out- the weight of the ball "swings" back and then forward- much like a pendulum. The swing is generated by law of gravity - where as the ball must go forward upon pushing back- this is basic physics 101. The arm is completely relaxed at the shoulder, and the ball swings in a straight forward motion- do not muscle the pushway- if you do, then the ball will not roll the same every time you release it. It is essential to keep the swing "natural" - and not muscle the swing. Many bowlers try and use muscle to power the shot into the lane. Key word is GRAVITY. Let the gravity do the work for you throughout the swing - this form of swing will create quality and you create more consistency of your shots. In addition, the free armswing helps lessen fatigue throughout the league/tournament. If you "muscle" the shot- not only will you create inconsistency, but you will end up putting strain on your muscles thus tiring sooner during the game. Just to name a few freeswing bowlers, Chris Barnes, Norm Duke, Wes Malott, Parker Bohn III, and David Ozio.

The "semi-controlled" swing is where you swing ball back naturally; but when you swing the ball down, you use the muscle on the downswing. This is where you allow gravity to take the ball back even though you use muscle on the downswing. The inverse being you muscle it to the top of the swing, and then let gravity take control thru the downswing- Pete Weber uses semi-controlled technique. The final armswing is where you control all elements of the armswing using muscle and not necessarily use gravity- ie. Doug Kent or Ryan Schafer.

In order to get more consistent in your bowling game, its important to create a free armswing which will help you with the physical and mental part of your game. You will notice a difference in your game when you feel more relaxed and let the ball do the work for you. This will increase your scores. Until next time- good bowling and high scoring!

BRING BACK COMPETITIVE BOWLING

by William Waldo
NORWALK — The programs instigated by USBC (life insurance, credit cards, discounts, etc) to increase membership have merit, but do little to recruit and retain new bowlers (check statistics).

Let's go to the core of bowling; the bowling centers and USBC. Typical centers have reduced their bowling to a few leagues (few, if any, double shifts). Worse, some have reduced their hours of operation, or close for the summer. Other fill-ins are parties and glow (cosmic) bowling. Lastly is "Curb appeal". Too many centers have no appeal. Even centers in Las Vegas are not set up with "curb appeal".... beautiful centers, but hidden behind acres of slots.

The real bread and butter of any business, as any good entrepreneur knows, is "repeat business". We need to answer the following: Does the center have a database of everyone who enters the center? Do they maintain a " mail out" on a regular basis of all activities? Do they have any activities to promote competition with league bowlers, or with the casual and "open play" bowlers? Do they actively engage a sales person to solicit one on one canvassing the bowler's area to promote center activities or to increase league bowlers?

To increase business for a service or product, you must have a sales team. There are few, if any, USBC sales people in most centers. How can you sell a product without sales people? Each center MUST have a USBC rep present during open hours to explain USBC and recruit new league bowlers. If they don't have any (sales people) in the ranks, then they must be recruited from outside or pay a sales force if necessary.

Lane patterns are another area that needs close attention. Everyone knows the high scoring conditions are out of control (I counted 78-300 games in one monthly publication). Leagues should be limited to two patterns to be eligible for high scores awards, either 2 to 1 or 3 to 1 ratio, and two lengths, not less than 38 feet. Some would say bowlers wouldn't bowl with such restrictions. They said the same about no smoking centers, but open play is up, especially families, because of it. USBC must "bite the bullet" and lay down the law. Let's go back to more competitive conditions, not just PBA experience leagues but for all leagues. We could sanction other leagues (with reduced fees), but without high score awards.

ABTA at Covina for Final HDCP Bonus Event & Special HDCP Event

Handicap is Semi Frozen Only 1st place to lose 2 pins 2nd to lose 1 all others frozen

WEST COVINA — In our return to West Covina Lanes we saw 172 entries come out on Saturday and bowl on a semi tough shot. The cut scores were + 54 for the men and + 42 for the women.

The Super Seniors added to the board (2 men and 1 female) were Ely Cruz +48 and Jerry Fagan +39, and for the women it was Bobbie McCollum +32. Super Seniors are men 63 and over, and for the women you just need to be a young 55. That would give us 44 bowlers making it to the semi-finals.

Our top qualifier for the Men was Giang Huynh with a +141 and for the women it was Mary Huynh(No relation) with a +102, they will get a paid entry into a regular ABTA event. Each week our top seed overall draws the Match Series, and this time it was worth \$294. Giang drew a 544.

We had no bowlers match this score, so we will estimate the Match Series at \$700 at Covina. The last bowler for the 3-6-9 roll-off was both Bryan Moore and Johnny Tran as they both missed on their final shots. So both will share the \$50 consolation and we will increase the pot to \$2,000 at Covina.

In our optional doubles, finishing in first were Giang Huynh and Don Chung with a 1436 for \$110. Finishing in second was Willie Parawan and Korng Ngow with a 1401 for \$90. There was a total of \$930 paid out in doubles and 19 paid spots with low to cash of 1322.

Then semifinals began and finishing in first was Bobbie McCollum with a +119, after having a big third game to

overtake the top spot. Finishing in 2nd during the semi-finals was Mikko Miller at a +110, who led both the first and second games, so he will sit out the first round of the single elims. Bobbie had the honor of drawing the Match Game worth \$1,040 and she drew 196. After a review of all the scores bowled, no bowler shot that score. We will estimate the pot at \$2,500 Saturday at Covina.

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Kent Maruyama, Tim Tran, Korng Ngnew, Wendy Soo Hoo, Marvin Crowder, Lonzell Burnett, and Kurt Valmonte. They received checks of \$100 each. In the second round, the losers were Edrich Miller, Bonnie Roberto, Benjamin Chung, and Giang Huynh. They received checks of \$105 each. This would get us down to the final four bowlers.

With the weekly horses paying a low of \$31 (Cecilia Lung) to a high of \$73 (Sun Sundara). In this round we saw Donovan Chung (6th seed) bowling Mikko Miller (2nd seed). We would see a match where the scoring would continue to be tough as both bowlers had trouble early on, but it was Donovan who found something to finish out with a 215 to 174 and advance to the next round.

In the other match we saw Sun Sundara (10th seed) bowling Cecilia Lung (4th seed). In this match, it would be another of those tough scoring matches where neither bowler was able to find a good shot, but it would all come down to the 10th frame, and finishing first

was Cecilia. She got a 6 count followed by only picking up 2 of the pins.

That would bring up Sun who needed to just get 8 to win the match, he would also get a 6 count, that meant he needed to get 3 to win. He picked up his spare to send him onto a 190 to 180 victory and advance to the next round. Cecilia and Mikko finished in 4th and 5th getting checks for \$110 each.

Our semi-final match was all set now, and would pit the 6th and 10th seeds from the semis against each other. In the weekly “horses” we would see Sun paying \$73 and Don paying \$55 if they would win their match.

This was another one of those low scoring matches as we continued to see the hard shot that was to play a role in the tough scoring all day. This match would be “who was able to get the most marks in it”, and that would go to Donovan, as he was able to muster 7 against Sun’s 5 and finished with a 147/202 to 123/168 and send Donovan onto the title match.

Finishing in 3rd place was Sun Sundara this week for \$200. For those lucky "investors" that had Donovan as a horse, he paid \$200.

The title game was set. It would be Donovan Chung against the top qualifier Bobbie McCollum. Bobbie elected to have Donovan start the match first. He would start out with a strike and that would bring up Bobbie. She would match him, but in the 2nd she would leave the three pin and miss it. In Donovan's half of the 2nd he would get a spare

Chung is ABTA Champion at West Covina (L-R) Jack Trongale (Bobbie's #1 fan), Bobbie McCollum 2nd \$500, Donovan Chung (Champion) \$2,700, Cecilia Lung 5th & Sun Sundara 3rd.

and follow that up with a strike to put him up by 14 pins. Bobbie came up and got a spare, but when Donovan came up in the 4th and 5th he would get two more strikes to put him up by 26 pins.

Bobbie would come up in her half and leave an open but follow it up with a spare. When Donovan came up in the 6th and 7th frames he would continue his marking and pretty much put this match out of reach as he had a lead of 50 pins.

Donovan would go on to finish with a 214/269 to Bobbie's 157/210 and take home his first title and \$1,000 for first place, \$1,700 for Cash and Carry, for a total of \$2,700. Finishing in 2nd place for \$500 was Bobbie McCollum.

Champion Donovan Chung is from Los Angeles and used a Roto Grip Rogue Cell drilled by Billy Chao. He is single and would like to thank his girlfriend Steph, all his ABTA friends, and the ABTA staff.

Bobbie McCollum is from La Habra and used a Hammer Vibe drilled by Mike Wahl.

She is married to Jack Trongale and they have seven grandchildren. She would like to thank her #1 supporter Jack, her ABTA family and staff.

Mike for drilling her equipment.

Sun Sundara is from Diamond Bar and used a Storm Thunder Struck drilled by Ben Mach. He is married and they have four children. He would like to thank everyone at the ABTA left watching the finals and especially the ABTA Staff for an outstanding tournament. Also, best wishes to Tim Tran and Adam Drodz.

SARGENT continued from page 1

during his second match. However, it wasn't enough.

In his first match, Marv faced PBA Hall of Famer DALE EAGLE. Dale finished just ahead of Marv during qualifying but lit up the lanes during their match. Dale shot 727 to Marv's 638.

In his second three game match, Marv faced LES SHIRWINDT. With a 210 average, Les struggled to make match play but caught fire when he faced Marv, bowling 714 to Marv's 627.

It was a great tournament for Mister Sargent and he will be back. He loves the challenge of facing Walter Ray Williams Jr., Brian Voss, Amleto Monacelli, Wayne Webb, Mike Edwards, and Hugh Miller to name a few. I wouldn't be surprised if he returned as Senior Masters champion. Thank you BOWLING NEWS for supporting Citrus Belt bowlers.

STUDIO CITY

presented by Quinn Diesel

STUDIO CITY — Oh my goodness! Our season is well under way and I couldn't be more thrilled with how we're looking folks. It's good to see all the familiar faces back for more action; most of which seem to have a pretty good grasp of the game. (Frankly, if you don't by now, I would suggest you invest in some golf clubs.) As for the newbies I am very happy to say you guys may be giving our regulars a run for their money! I've been seeing a healthy amount of trash talk backed up by great series from every bowler who walks into the alley. However, the most important thing to remember my friends is that; it's not about if you win or lose...just try not to lose. Oh, I almost forgot that, as always, feel free to call or e-mail whenever you have questions or concerns. (Also, I'm start-ingly lonely and would really just like someone to talk to.)

Adults: Come get some!! You ladies and gents really tore up the floor these past couple weeks! Don't be surprised if I stop by and ask for a couple of helpful hints from you guys on your next night at PINZ. That is if you haven't gotten too good for me!!...(tender weeping/nose blowing.) Take a looksee at these whopping scores!

JUNIORS: Oh they grow up so fast, don't they? I remember when I first started bowling like it was just yesterday (and my scores lately make it seem like it was just that). It has become an exciting and engaging pasttime of mine that has kept me focused and setting goals in all aspects of my life. I encourage all our “Junior Leagues” to spread the news to your friends about the positive repercussions that bowling has had on your lives, or just bring them out to PINZ so you can show them first hand! Enough with the sappy stuff, right? Peep these high scores from the past week!

You're the glue that holds PINZ together and we would like to really thank you guys for coming out every week to show the youngsters how it's really done! It's important that all is running smoothly for you so please let me know of any issues you may be having. If there are any that you want to tell me right now just read the scores from this past week and hopefully they will be fixed by the time you get to the last game!

Bowler of the Week: Aaaah yes, Bowler of the Week. Let's be honest here, underneath the Nobel Peace Prize and Time Magazine's “Sexiest People” list there is really nothing quite as prestigious. But it turns out that this week our honoree could very well be a candidate for all three. Mike “GUNZ” Malone takes the cake this week not only for his incredible bowling but also all the hard work he does to help keep SCBL running smoothly. Check out these scores! 273! 112! 342! Wow. Hey, m'man Mike! Nicely done.
