## Bowling Community Brings In More Funds for Japan Quake Relief

by B.A. Campbell

FULLERTON—Altogether, the hastily-composed Japan Bowling Community Quake Relief effort (started here in California) has raised \$13,729 across the country and other nations, towards helping those in the Japanese bowling community get some stability in their lives after the quake and tsunami of March 11th. We sat down to talk with Hero Noda, representative for the Bowling Proprietors of Japan (BPAJ) before he went to the International Bowl Expo in Grapevine, Texas. Mr. Noda told us of a family in the Sendai area. The family lost their livelihood-- their bowling center-- as well as their living space (their house) on that fateful day in March. That family received funds from BPAJ. It is important to note, Noda told us, the most damage came from the severity of the seawater flowing several miles inland.

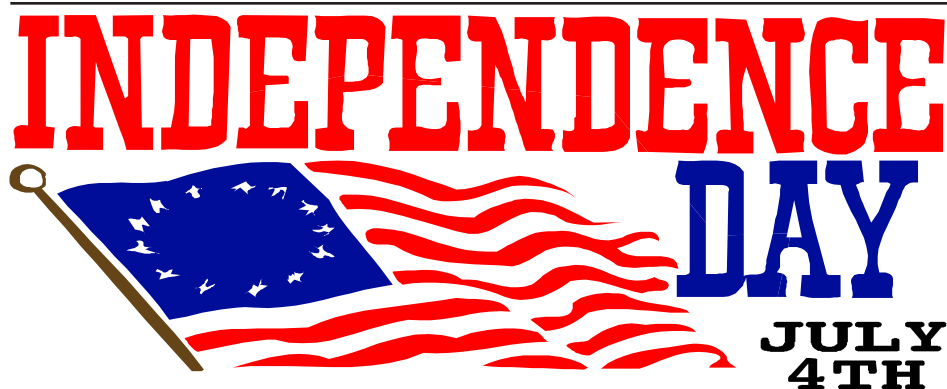

Recently, the OC Sansei Tournament raised \$2,000 for the Japan Bowling Community Relief effort over the weekend of April 30 – May 1st at their Fountain Bowl tournament location this year.

On June 23rd, the tournament committee presented a check to Hero Noda at AMF Carter Lanes in Fullerton. The total of the latest donations amount to \$2,450, which includes donations from San Jose State University (which held a fundraiser tournament in May); Lydia Rypcinski of Chicago; Tina Cady of Sacramento; and Mark and Elizabeth Gerberich of Akron, OH.

People still wishing to donate to this Japan Bowling Community Quake Relief effort may send a check or money order payable to MARGE MIYODA, 2002 E. Hillman Circle, Orange, CA 92867. Please include your return address or email address so that Ms. Miyoda may send you a receipt for your donation. 100% of all money raised goes to the BPAJ for distribution to the Japanese bowling community. Yes, that means people are donating the bank fees, stamps, gasoline, telephone charges, etc. in order to give the most benefit that those funds may afford to the people of Japan's bowling community. Email [miyodame@aol.com](mailto:miyodame@aol.com) if you require more info.

At AMF Carter Lanes, the Orange County Sansei Tournament Committee presented a check for \$2,000 to Hero Noda for the Japan Bowling Community Relief effort. ## LIVE FROM ONTARIO, IT'S MARK BAKER!!!

by Mary Lynly

Mark Baker

ONTARIO—Hot off the cover of Bowler's Journal, attendees of the 2011 California Bowling Writers' (CBW) Publicity and Media Luncheon were in for a treat as they got to meet and hear keynote speaker, Mark Baker. The luncheon was held on June 11, in conjunction with the CA State Convention at the Radisson Ontario Airport. This year's Luncheon was sponsored by Reno's Eldorado Hotel Casino and the National Bowling Stadium. CBW President Joan Romeo got the festivities rolling and turned over the emceeing to CBW Life Member Mary Lynly. Among those in attendance at this year's CBW Luncheon included: Bob Thomas, Manager - National Bowling Stadium; Tom Cristi, President - Bowling Centers of Southern California and wife Tillie; Mike Lar-

sen - USBC Western Regional Manager; Bob Schoneman, USBC Director of Association Development; David Garber - Director of Corporate Sales for Station Casinos; Butch Wittman, 2011 CUSBC Hall of Fame inductee; Linda Johnson, CUSBC President; Larry Peppers, CUSBC Association

Manager; Carol Mancini - CA Bowling News; Paula Vidad - 2011 USBC Senior Queens winner and CUSBC 2010 Hall of Fame honoree; and Robin Romeo - 2005 CUSBC Hall of Fame, USBC Hall of Fame and many time National and State Champion. First impression of meeting Mark in person one sees he is a tall, stout man who spoke softly. When he approached the podium to begin his presentation, a strong voice emerged that demanded your attention and the words he chose kept your interest, yearning to get more information.

Baker, whose professional bowling career was halted due to back problems, found he really enjoyed the coaching aspect of the sport and four years ago embarked on what he hoped would be a fruitful

# NATIONAL DEAF BOWLING NEWS

## ABOUT THE WORLD DEAF BOWLING CHAMPIONSHIP

by Connie Marchione

Dear Readers, In my last week’s column I carelessly left out the address to send the donations to help the Deaf Team USA in their quest of bowling for our country in the 2nd World Deaf Bowling Championships in Argentina this coming last week in August. As Deaf Team USA member Robert Ellison said USADSF does not have the funds to help this team and time is essential as most of the Team members have to borrow funds for the trip and lodgings, Hence help is needed by all means.

So Ellison would appreciate having the donations made out as USADSF/Robert Ellison and mail to Robert Ellison, Deaf Team USA 2951 River Shadow Ct. Apline, CA 91901. Any amount large or small will be appreciated.

**RESULTS OF 64TH ANNUAL P C DEAF WOMEN'S B A TOURNAMENT**

(This writer thanks PCDWBA Secretary-Treasurer Elizabeth Grigsby for the printed results from which this story is made.)

HENDERSON—The 64th annual Pacific Coast Deaf Women’s Bowling Association tournament held in conjunction with the men’s PCDBA last Memorial Day week-end at Strike Zone Bowl in Sunset Station Hotel and Casino. The event drew 14 women foursome teams (two more than last year’s), 26 doubles, 52 singles and 36 all-events.

It’s prestigious 46th annual Jean Stokesberry’s Deaf Queens drew 15 women and the 16th Lucy Beare Deaf Senior Queens had 13 entries (three more than previous 3 years).

**LOPEZ & LORENZO LED NOR-SO-WESTERN TO TEAM TITLE WITH 2421**

Ontario’s Stella Lopez (208/509)and Thousand Oaks’ Anita Lorenzo (527) led teammates Gledale, AZ’s Araceli Martinez (476) and Sheila Jackson (465) in their Nor-So-Western team’s 2421 winning total. The team had games of 716-629-632 for 1977 plus 444 handicap for the \$800 first place prize.

A mere 6 pins behind in 2nd place was April Brown (532) led Purr Ladies’ steady 651-648-642/1941 plus 474 for 2415, good for \$400. Las Vegas Gals led by Sara Sain-Jurgens’ 203/540 scored the team high game 751-639-616 for high team series 2006 but with 366 handicap got 2372 for 3rd place \$200.

Fourth and last in the money \$60 went to Angel West Gals #1 with 2330 total led by Celia Salcedo’s 202/565. Jennifer Kutcka from Indiana rolled the high game 225 and series 581 but her team Just Strike It had 2312 for 5th.

**NOR-CAL DUO SPANTON & HARTUNG TAKES DOUBLES TITLE WITH 1261**

North California duo of Wendy Spanton 202/535 and Coreen Hartung 204/537 tallied 1072 plus 189 handicap for 1261 to take the doubles title and \$400. It is Wendy’s 2nd doubles title as she won once back in 1994.

Again a mere 6 pins back in 2nd place were Anna Marie Frizzell, Anaheim 507 and Anita Lorenzo, Thousand Oaks 514 with 234 handicap 1255 total for \$200. In 3rd place 1 pin back with 1254 were Joanna Witulski 557 and Jennifer Kutcka 202/553 for 1110 plus 144 handicap.

Las Vegas’ Sara Sain-Jurgens rolled the high game 254 and with 217-202 for the high series 673 which may be a record but there is no such record listed. Her partner Lauri Young with a bad start had 438, together they had steady games of 371-368-372 for 1111 the event’s high scratch total but with 117 handicap 1228 good for 4th.

The 7th and last place in the doubles money were Younisi Donegan 453 and Melchora Lee 211-216/588 plus 138 handicap 1179. Their first game total of 373 is the event’s team high game.

**ANNA MARIE FRIZZELL TALLIED 676 FOR SINGLES TITLE**

Anaheim’s 141 average Anna Marie Frizzell went over her average in 3 stepped up games 164-180-191 for 535 plus 141 handicap for 676 to take the Singles title \$200 prize. Moreno Valley’s Becca Gleicher who is PCDWBA President placed 2nd with 533 plus 126 for 659. Joan McCowin 559 and Sheila Jackson 544 were tied for third place with handicapped 655s.

LV’s Melchora Lee rolled the tournament high game 269 in her event’s high series 642 but with her zero handicap, she placed 7th. Again sadly we do not know where her 269 high game stands because there is no known record listed. For 13th and last place in the money two bowlers were tied with same 617 scores..

**ANNA MARIE FRIZZELL TAKES ALL-EVENTS WITH 2002**

This writer apologize for having lost the All-events results sheet when he fell in the hotel’s Strike Zone Lanes. So he could not give any more than the top one who bowled way over her average each game.

Anna Marie Frizzell with 141 average had her day shooting 206/537 in her team event, 507 in doubles and 535 in singles for 1579 plus 423 handicap for her 2002 total. This is the only third 2000 plus (5th overall) in PCDWBA’s history since the 80% of 200 handicap was used in 1988.

Results of Deaf Queens and Senior Queens will be added next week.

ARLINGTON — Eight of the top youth bowlers in the country will travel to the Dominican Republic in July to represent Junior Team USA at the 2011 Pan American Bowling Confederation Youth Championships.

The event, which will be broadcast live on BOWL.com by the United States Bowling Congress, will be held in Santiago, Dominican Republic, from July 16-23 and features countries in the American Zone competing in singles, doubles, trios, team, all-events and match-play Masters.

The U.S. girls roster includes Elise Bolton of Merritt Island, Fla., Jessica Earnest of Vandalia, Ill., Danielle McEwan of Stony Point, N.Y., and Kaitlin Quinn of Livonia, N.Y.

On the boys side, Junior Team USA will be represented by Marshall Kent of Yakima, Wash., Kyle King of Glendale, Ariz., Andrew Koff of Miami and EJ Tackett of Huntington, Ind.

Junior Team USA will look to continue the success it had at the last PABCON Youth Championships, conducted in Bogota, Colombia, in 2009. That squad captured eight gold medals, eight silver medals and three bronze medals for a total of 19 medals. The boys and girls teams both medaled in every event.

USBC will provide free live streaming of the event from start to finish on BOWL.com. The specific schedule will be announced at a later date.

Junior Team USA will also compete in the Lee Evans Tournament of the Americas in Fort Lauderdale, Fla., from July 31-Aug. 6. Representing Junior Team USA will be Earnest, McEwan, Matt Gasn of Laurel, Md., and Scott Boyle of Salida, Calif.

## Vuong Do • Can Do & Did Do at Cal Bowl

Match Game is \$3,500 and Match Series est \$1,600 in Las Vegas • 3-6-9 is \$1,900

ABTA Returns to South Point Hotel & Casino for our Las Vegas Open

June 30-July 1-2-3 • Each Day is a separate Qualifying Board

Onsite Entries Welcome / New Members up to 209 Average with Verification only!

LAKEWOOD—Welcome everyone to the weekly edition of ABTA news. We returned to Cal Bowl this past weekend for a special Frozen event, and came out with a nice turnout of 269 entries in our one day event. We had a decent shot for the tournament making the cut scores of +65 for the men and +45 for the women. The Super Seniors added to the board (3 men and 1 female) were Jack Trongale (62), Bud Zajorski (59), Ester Licauco (-11). Super Seniors are men 63 and over, and for the women you just need to be a young 55. That would give us 62 bowlers making it to the semi-finals this week.

High Qualifiers for the men, David Owens with a +185, and for the women it was Ginalynn Velarde with +70. Each will get a paid entry into a future regular ABTA event. Our top qualifier Owens drew the Match Series. This time it was worth \$472. He drew a 619. We had no bowlers that bowled this score.

(In Las Vegas this week we estimate the Match Series at \$1,600.) For the 3-6-9 qualifying, Vic Santos was the last person standing of all the qualifiers and he would go for the pot. He missed on the second shot and received \$50 consolation. The 3/6/9 will be \$1,900 at South Point Hotel & Casino.

In our optional doubles, finishing in first were Sol Cericos and Jeff Taino with a 1415 for \$170. Finishing second was Holden Au and

Ada Wong-Hum with 1414 for \$150. There was a total of \$1950 paid out in doubles and 29 paid spots with low to cash of 1318.

In the semis we saw John Licauco jump out and lead the first two games this week, but with a big third game was Vuong Do. That would be enough to capture the lead with a +150 to sit out and bowl for the title. Coming in second was John Licauco with a +115 to sit out the first round. It took a +57 for the men and +32 for the guaranteed women.

Vuong our top seed had the honor of drawing the Match Game worth \$3,500. We have another reserve pot worth \$3,500 now with a 3rd pot being added. This makes our Match Game at \$3,500 for at least the next three events. Our top seed drew a 140. After a review of all the scores bowled, we had no bowlers who shot that score. We will have \$3,500 this week at South Point Hotel & Casino!

We had five new bowlers join us. Let us welcome these new bowlers to the club, Steven Alford, Frank Ortega, Mathew Wooton, Sue Mivelaz-West, and Teriece Anderson. By the way Sue's Mother Betty Mivelez is in the So. Cal. Hall of Fame. A wonderfully smooth bowler, I might add.

This would bring us to our top 16 match play finals. In the first round, losing their matches were Jerry Chang, Danny Eguilos, Ada Wong-Hum, David Owens, Tomas Chavez, Shaun Suase, and Art Lindsey.

They received checks of \$115 each. In the second round, the losers were Gabriel Martinez, Alex Reyes, William Garrett, and John Licauco. They received checks of \$125 each. This would get us down to the final four bowlers. At this point, our horses would be paying anywhere from a low of \$52 (Frank Ortega) to a high of \$78 (Cecilia Lung) depending on who would win. In this round we saw Cecilia Lung (16th seed) bowling Frank Ortega (11th seed). In this match, Jean, one of the other 3 females to make the top 16, would also continue her hot bowling to finish with a 222 to 190 and advance. Billy and Frank finished in 4th and 5th getting checks for \$135 each. They bowled well folks!

Our semi-final match was all set now. It would be bowled on Lanes 9 and 10 this week and pitted our 16th seed against our 14th seed. Two out of the 3 women were bowling each other in the semi-final match. In the weekly "horses" we would see Jean paying \$59 and Cecilia paying \$78 if they would win their match. In a match that was close through the first 4 frames, both bowlers would mark in those frames. But it was Jean who had the first open in the 5th and followed it up with a missed

Vuong is the Champion at CAL Bowl (L-R) Jerry Chang Cecilia's proud Husband and ABTA Member, Cecilia Lung Runner Up, \$500, Julie Nguyen ABTA Member and Vuong's #1 fan, Vuong Do Champion \$2,800, Billy Chao 4th, Jean Colian 3rd, Mathew Wooten, ABTA Member and Frank Ortega 5th.

10 pin in the 6th to put her down by 28 pins. This would be enough for Cecilia, even though she would miss two single pin spares in the 8th and 9th frames. Cecilia would finish with a 166/213 to 151/186 to send her onto the title match this week. Jean would finish in 3rd place and take home \$210. Those lucky "investors" that had Cecilia as a horse, got \$78. Jean was the crowd fave at Cal:\_) Dad and Mom were very proud also!

The title game was set and bowled on Lanes 7 and 8. We would see two of our finest supporters, bowling each other. Both were crowd favorites. Vuong Do vs Cecilia Lung. Vuong elected to lead off the match. He would start with a mark. That would bring up Cecilia and it appeared as if the nerves would bother her as she had two opens to start the match. The match would go back and forth, and in the 4 thru 6 frames we would see Cecilia have strikes. But that was to be matched by Vuong. He didn't stop there as he had 5 in a row in the 5th thru the 9th frames. An open by Cecilia in the 8th would prove to be enough for Vuong to take home his 4th ABTA title. Vuong would finish with a 214/237 to 184/231. Vuong would take home \$1,000 for 1st place, \$1,700 for Cash and Carry, and \$100 for wearing an ABTA shirt, giving him a total of \$2,800 for the win. Cecilia received \$500 for 2nd place.

Champion Vuong Do used a Storm Nano drilled by ABTA Member Ben Mach. He is from Westminster and single, but another fine ABTA bowler, Julie Nguyen is his girlfriend. He would like to thank Julie for all her support, Ben for drilling his equipment and the ABTA and Staff for all their encouragement and support. It would be strange for Vuong not to show up folks, he is here every week possible and well liked by all. He is one of the good Guys!!

Cecilia Lung (2nd Place) is from Monterey Park and used a Nomad Pearl drilled by Jimmy Wong. She is married to another fine bowler, whom she beat :-)) in the first round Jerry Chang. She would like to thank her husband Jerry, and dad for their support. Along with her fellow Mou-Liu League bowlers, along with the ABTA Staff and members, her brothers, sisters and friends. All are ABTA Regulars except Dad :\_) All are great people!!

Jean Colian (3rd Place) is from Long Beach, and used a Morich drilled by Ben Mach. She is single and would like to thank her family for all their

support, especially her Mom and Dad, and brother who bowl the ABTA. Great People here!

The weekly ball sponsor winner of a 900 Global Ball was Dan West. He won the Double Clutch Pearl. Each time you bowl, you get a free ticket for this prize given away by our Sponsor, 900 Global. In our weekly raffle, the winners for an ABTA entry were Paul Le and Sue West. Winning an Entry in Las Vegas was Conrad Amado and Rey Josafat. Winning a Global 900 3-ball bag was David Owens. Winning a 2 ball tote was Allan Calabio. Winning the Global 900 Ball (the Eagle) was Chris Kelly. The rest of the results are in the payoff column in this paper.

Our next event will be at South Point Hotel & Casino for the first of our 4 day 4th of July Event. See the ad, and front page story for further in-

formation on schedule. Hope to see you there.

In 3 weeks, we will return to Southern California at West Covina Lanes. See our ad for address and directions, or check our website ([www.abta1.com](http://www.abta1.com)) to link to address for directions.

Did you receive a schedule in the Mail? If you did not, please send us an email via contact page with your Name and Address so we can send you one and get your corrected address in the system.

It's history folks as Vuong Do enters the archives as our latest champion. If you have any comments or suggestions, use the contact page on our Website to send comments to us. Thank you for being an ABTA member until then! See YOU all in Vegas! Onsite entrants welcome!! Join us there! Takc Care!! Las Vegas and South Point here we come!!!

**FOREST LANES JUNIORS**

If you read about the junior bowler in the Major division who was threatened by his coach (me) to start hitting his average or he would be inducted into the Hall of Shame, you may have wondered who this kid was. Well, embarrassed to admit that I got so carried away with bragging about his "turn around" and how he immediately went out and shot a 267 game and a 620 series that I forgot to mention his name. Well it was none other than KEVIN MON-ROE, who also came back with a 227 game this week.

These Majors are raising their averages faster than I can keep up with them. Josh Turner his first 500 series with 506 and raised his average 5 pins in two weeks. Riley Sullivan is determined not to let Kevin average more than he does and has been shooting around the 500 or better range for several weeks.

In the JUNIOR DIVISION Jason Sherwood has been bowling like a "house on fire" and aims to beat his highest game and series every week. Little Amber Wyrick was the shyest bowler in the league when she started last year and now is one of the top girl bowlers in the Juniors, along with Kyra Vergho and Danielle Bishop. Little Ethan Knoll is the youngest and smallest bowler in the Juniors and carries a solid 62 average but last week he rolled a 103 to beat his all time high game and beat his average all three games.

The amazing 9 year old Matthew Algazy shot a great 173 game this week and has a 133 average. In the BUMPER division LITTLE LUCY LEAHY is running a close race with Noah WALLACE as LUCY is now averaging 81 and Noah 92.

BAKER continued from page 1

career.

He first started with a business model – bowler retention. Then he added a mission statement – “bowlers who get better and have a good time, don’t quit”. And then he came up with a business plan which included two “Camp Bakes” per year. Little did he know, he was creating his own little empire. A mecca for professional and serious league bowlers to come to when the need arose. Baker’s individualized instruction became known and he was soon sought after by the biggest names in the PBA. Baker reflected on some of his client’s stating, “Look in their eye when they’re bowling better” and from that he gets the pure satisfaction that he is hitting home with his work with them.

Baker said there are two types of bowlers—serious bowlers and people who bowl for fun. He said the largest demographic of new bowlers these days are those from the ages of 45-60 and the bowling industry needs to address these new bowlers to get them into the sport. Most of them are pretty well off financially and are at an age where they are looking for a sport like bowling to try.

He told an enthusiastic audience what five traits there should be for a good bowling coach: 1) Communication: He likes to start by asking a bowler what their highest game was and from that he can tell a lot about that person if they remember when and how they were able to shoot that score. 2) People skills: He felt “experience is much more important than improvement”. 3) Coaching Ability: He said he usually coaches bowlers in the average range of 185-205 and considers this group “coachable”. 4) Enthusiasm: When coaching a new bowler, he figures he can get what he needs to accomplish with this bowler in 3-5 lessons; and 5) Time Management.

A good coach needs to have six vocabularies to properly communicate their teachings. Most definitely, he said who ever wants to take a lesson from him needs to know what the dots and arrows on the lane means and they need to know the basics like, how to keep

score. He is amazed at how many young bowlers do not know how to keep score! Also included in the six vocabularies is you need to know what this person does for a living since you can’t coach all people the same. Baker said he really likes to coach someone who is in the profession of engineering. He next went on to ask the audience who they thought was easier to coach—men or women? Well, the women won out as he said “women deal in reality!” And, lastly, what do you think bowlers are looking for? You’d be surprised, but in all cases, Baker said, “More high fives!”

Just back from the most recent Camp Bakes, which took place a couple weeks ago in Las Vegas, a couple of my Women State teammates, Barb Francisco and her daughter, Keri, were fortunate enough to capitalize on Baker’s unique instruction just as summer leagues were about to hit the floor. Keri was gracious enough to share some of her own perspectives on being coached by Baker in this, her second time to take his Camp.

“Mark Baker has a plethora of knowledge on the subject of bowling and he has a wonderfully interesting way of conveying that information to bowlers, regardless of ability. Although Mark has a commanding presence when he speaks, he does so in a way that is not intimidating. I feel this remains true in terms of his coaching as well. Going into the first Camp Bakes I attended, I was terrified. However, once Mark began talking and coaching, I immediately felt comfortable and encouraged without ever feeling patronized. Baker has many theories on the game of bowling, but he breaks them down in a way that is simple to understand. He has an effortless way of incorporating humor into his lectures, which keeps his audience engaged.”

Baker is known for his use of incorporating video into his sessions. “One of my favorite things about Mark’s coaching is that he uses video-taping as a way to analyze each bowler. It makes for a great personal reference and also shows progress over time. The video analysis allows Baker to find the root of

the bowler’s problem. For example, I complained that I kept pulling the ball but didn’t know why. He found that when my backswing swung out, away from my body, it caused my ball to go to the left. It sounds ridiculously simple, but that is what is so wonderful about Mark’s coaching style—it’s all about getting back to the basics. He takes YOUR game and makes it better! He doesn’t want you to look like Chris Barnes or Tommy Jones when you throw the ball, he wants you to look like you, only better!”

Baker has become the master of working with all levels of bowlers and has the eye for coaching that can relate to his client. His enthusiasm for the sport lives through the bowlers he coaches.

Besides his scheduled Camp Bakes that take place several times a year now, you can also catch him on various weekends coaching at either Fountain Bowl or Cal Bowl down in sunny Southern California. At the end of Mark’s presentation, all attendees drew a small bag of M&M candies from a basket. These were specially designed for bowlers with each color for a bowler’s specific need. One of these bags held a brown button that resembled an M&M. Whoever drew this bag was the winner of an exclusive lesson from Mark Baker! The winner was Robyn Ballerini of Marin County!! Also an array of raffle prizes were given away thanks to prizes that were donated by Storm, Martini Eyewear and Bowlers Journal.

Thank you to Mark, who brought along wife Shannon and son, Gage, for making the CBW 2011 Luncheon one of the highlights of the State Convention weekend.

LORENTZEN IS LOOSE AND IN THE LOOP AND BOWLS SPECTACULARLY IN ROCKY MARSH TRIOS

ANAHEIM—Don Lorentzen, equipped with all the skills of a pro bowler, displayed his talent stroking games of 246-246-254 for 746 and a grand finale 286 to showcase a whopping 1,032 set. The Fourth of July is just around the corner and this was a nice “inside” pre celebration. I certainly appreciated the free clinic and only hope I actually learned something; it was a lot of fun just to watch the strikefest. Congratulations Don!!

Jon Diso made his debut in the Rocky Marsh Trios just last week and is determined to make a name for himself. Last week he bowled a 900+ series and this Friday was no exception. Jon stroked 225-278 & 236 for 739 and added a 214 to register a fine 953 set.

Aaron Wilson is showing no signs of a slow down anytime soon and obviously enjoys his place in “The Club.” Aaron tossed games of 205-280 & 215 for an even 700 and added a 227 game to post 927.

More HOT scores: James Blythe 258-899, Willy Bordenave 247-896, Josh Boisoeneau 267-883, Don Gardner 227-880 (Don's score from last week should have read 259-891, not 819), computer error! PAUL IS PREPPING!

by Frank Weiler

MURRIETA—Summer is here and PAUL NILSEN is prepping, i.e. practicing.

He is devoting this summer to practicing the finer points of our sport.

No summer leagues for this rising star. His mantra is PRACTICE, PRACTICE, PRACTICE. Practice is Paul's path to improvement and his way of preparing for tournaments.

Practice is paying off in a big way, for Paul. In two years he has upped his average from 185 to 225! Lessons from PBA star JIM MURTISHAW have also helped.

Paul made his debut as a PBA senior competitor recently, entering the Senior US OPEN in Las Vegas. He started like a firecracker, with a big bang.

He opened the tourney with a 265, followed by a 220. His plus eighty-five for two games made him the tournament leader at that point. Paul finished his first qualifying block of six games at plus sixty-five, good for thirty-eighth place. After three days of qualifying Paul averaged 200, at plus ten, and just missing the cut by thirty-six pins. Can a senior rookie ask for more?

Paul finished the Senior US OPEN above PBA notables named Gurney, Knipple, Packard, Skidmore, Soutar, and Tapp. He also topped multiple HI-ROLLER titlist ED ROBERTS. It looks like prepping is doing wonders for Paul's game. We SoCal bowlers are fortunate to have the BOWLING NEWS take an interest in our bowling accomplishments.

USBC HALL OF FAMER D.D. JACOBSON DIES AT AGE 90

ARLINGTON — D.D. Jacobson, a member of the United States Bowling Congress Hall of Fame, died May 30 at age 90.

Jacobson, a resident of Sandy, Utah, didn't start bowling until she was 29. An avid skier, her doctor suggested she try something less strenuous when she became pregnant, and she turned to bowling.

She won the 1964 Women's International Bowling Congress (now USBC) Queens tournament, having to twice beat future hall of famer Shirley Garms to claim the title. She finished seventh at the Queens in 1965 and third in 1967.

Jacobson rolled a record 737 series to claim the singles title at the 1972 WIBC Championships in Kansas City, Mo. She said she was embarrassed after bowling identical 479 series in team and doubles.

“I was ready to pack up, go home and skip the Queens if I didn't do any better in singles,”

Jacobson said during an interview with The Woman Bowler magazine in 1981. “So I went for broke and changed my line to a deep inside angle. I'm sure I was more surprised than anyone else at the results.”

She also won a team title at the 1967 WIBC Championships in Rochester, N.Y.

Jacobson's first national title came in 1960 as a member of the team that won the Bowling Proprietors' of America team championship in Detroit. Her team would also take second in the event in 1963 and 1964. A California resident for many years, she won California WBA singles titles in 1961 and 1972 and team titles in 1960 and 1969.

She was inducted into the USBC Hall of Fame for Superior Performance in 1981.
