Bowling News Staff Congratulates Frank Weiler

FRANK WEILER Presented BWAA Top Editorial Writing Award
by Therese Lloyd

GRAPEVINE, TX — The Bowling Writers Association of America (BWAA) held their annual meeting at BOWL EXPO 2011 last week. Meeting at the Gaylord Texan Hotel and Convention Center, about fifty writers (representing about 300 other members) gathered to hear reports, pass legislation, and present awards.

After presenting awards for Bowler of the Year; Female, Senior, Amateur and Collegiate Bowlers of the Year, the writers turned their attention

Frank Weiler

to their own. In the presence of HALL OF FAME writers JOHN JOWDY, ELAINE HAGEN, SYLVIA BROYLES, and FRAN DEKEN, BWAA President Jackie Wyckoff took the microphone and introduced the judges for this years national writing contest.

Then, without further ado, Wyckoff announced that FRANK WEILER was selected for writing the BEST EDITORIAL during the past year. It was Weiler's first national writing award. He has been writing for the BOWLING NEWS since 2004 and on a regular weekly basis since 2009. He has been a member of BWAA since 2004.

The winning editorial "Kelly Kulick Should Have Won Two ESPY Awards" was published in the BOWLING NEWS last August and subsequently published nationwide in the Stars And Strikes Bowling Newspaper, and on JOHN SOWELL'S Website. Frank is grateful to the BOWLING NEWS and CAROL MANCINI for giving him the opportunity to write for them.

Las Vegas \$20,000 Winners High Roller - Jeremy Sonnenfeld • T.A.T. - Devin Bidwell

LAS VEGAS—An exciting week of amateur competition ended with a repeat champ and a new champ taking home the top prizes!

High Roller - Jeremy Sonnenfeld won the 2004 Super Bowl High Roller and this past week won the last High Roller Megabuck at Sam's Town! It was announced earlier last week that the 2012 February High Roller is moving to Orleans!

The 35 year old Sonnenfeld from Sioux Falls, SD with 49 previous High Roller events under his belt, topped the 3-player shootout with a spare in his 10th frame to take home the \$20,000 top prize. Sonnenfeld, known for post-

ing the very first USBC certified 900 series, admitted that he wasn't exactly thrilled that he needed to make that 10 pin to lock up the victory, but he did with ease. Rick Hara, Illinois was 2nd for \$12,500 and Greg Connors, Arizona 3rd for \$10,000.

True Amateur Tournaments- In a finals round in which strikes were abundant - and necessary - Devin Bidwell emerged from the 5-bowler group victorious and a \$20,000 winner! And the 22 year old from Simi Valley, California, did it on his dad's birthday, watching the entire finals! Devin also made the top six in the High Roller the same weekend.

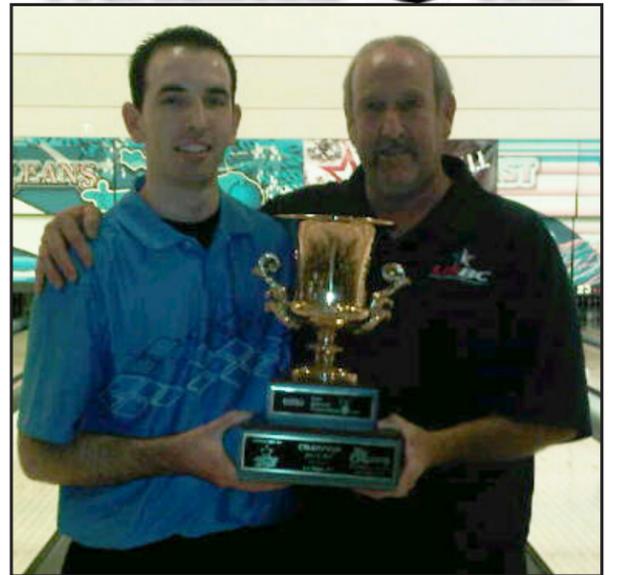

The finals was loaded by bowlers from coast-to-coast, California-to-Florida as local Vegas resident Byron Randolph was 2nd for \$10,000, David Schilke, Nebraska 3rd for \$7,500, David Stouffer, Florida 4th for \$6,000 and Vincent Sica, Las Vegas 5th for \$5,000.

It was announced earlier in the week that the 2012 February TAT is moving to Gold Coast! More info coming soon!

BOWL EXPO 2011 PROVIDES THE CHANCE TO SHOW OFF TEXAS AS SPORT'S NEW HOME

by Mark Miller For the Bowling News Network

TEXAS—In many ways, International Bowl Expo 2011 was similar to those held in the past. Friendships were made and renewed, people earned awards, thousands of attendees learned the latest information about the sport and business and new products were introduced. What made this year's event different was the location. Instead of the glamour of Las Vegas or glitz of Orlando, this had more of a feel of home. That's certainly the way the Bowling Proprietors' Association of America, United States Bowling Congress and International Bowling Museum and Hall of Fame wanted it because the Dallas-Fort Worth area is their home.

Even with business as usual up the road at the Gaylord Texan in Grapevine, this was the chance to show off the multiple elements of the International Bowling Campus and its giant Arlington neighbor Cowboys Stadium. Both venues hosted special evening events that attracted the most attention and made this year's Bowl Expo week so special. It definitely made for little sleep and extensive use of maps or GPS systems because there was so much happening in so many places with so much road construction.

The festivities actually started June 24 at AMF Showplace Eules Lanes with the pro-am for Bowling's U.S. Women's Open presented by the brands of Ebonite International that started the next day. More than 200 people competed in the pro-am with a record 286 of the world's best professional and amateur women competitors entered in the main event. "We threw a five-day event and a tournament broke out," BPAA Executive Director Steve Johnson told members of the Bowling Writers' Association of America. "I told our staff 'don't just do a tournament. Do a super event.'" The more than 6,000 people who came to Cowboys Stadium for the stepladder finals June 30 learned first-hand what Johnson meant. Four lanes were built by Qubica/AMF to surround the famous Dallas Cowboys star at midfield of the site of Super Bowl XLV nearly five months earlier. The Dallas Cowboys Cheerleaders provided some of the pre-match entertainment. And then there was the star-studded stepladder taped for showing two days later on ESPN2. There were local stars Shannon O'Keefe and Lynda Barnes. There was 2010 U.S. Women's Open winner Kelly Kulick and runnerup Liz Johnson. And there was 43-year-old Leanne Hulsenburg. As Leanne Barrette, she won 26 professional titles before the Professional Women's Bowling Association Tour folded. In between she married, had a son and was inducted into the United States Bowling Congress Hall of Fame.

Hulsenburg won the 2011 U.S. Women's Open to ensure for at least one week, women's bowling had a prominent place in American sports. That appeared in danger when USBC, the event's previous sponsor, was unable to continue in that role after 2010. With Ebonite's help, Johnson returned the Women's U.S. Open to BPAA control after leasing it to USBC for several years. "One person said women's bowling is back. I said women's bowling never left," Johnson said. "Women's bowling never left the industry. The industry left the women." The previous night put the bowling industry on display in an even broader way. The Night at the Campus featured tours of the complex, the grand opening of the new 50 Years of Women's Professional Bowling exhibit at the International Bowling Museum and Hall of Fame and a pro-am event at the International Training and Research Center to benefit the IBM/HF. While only 500-600 people were originally expected, more than 2,200 people showed up. That's more than twice the number that came for the grand opening of the Campus in January 2010. Those who came enjoyed an old-fashioned Texas barbecue. They could roll shots on the 1930s era lanes at the IBM/HF with the pins they knocked down re-set by human hands. They could bowl and mingle with the likes of hall of famers Carolyn Dorin-Ballard, Tish Johnson, Norm Duke, Johnny Petraglia and Parker Bohn III and numerous current stars. In short, they saw the full potential of the International Bowling Campus in just a few hours. This Bowl Expo wasn't without some history-making news off the lanes. For example, at 9:02 a.m. June 27, Cathy DeSocio of Wichita, Kan., was selected as BPAA president-elect meaning she will be the organization's first female president next year.

Two days later, Johnson opened the general session in grand style riding down the center aisle on an authentic Texas longhorn. After dusting himself off and still in his cowboy britches, he talked about one of Bowl Expo's other points of emphasis. "The last couple of days we've heard and seen a lot of the importance of youth," Johnson said. "Youth are talking about bowling." Soon thereafter, attendees heard from National Football League Hall of Famer and real estate executive Roger Staubach. He quickly noted the great relationships being forged in Texas at the International Bowling Campus. "I know BPAA and USBC are together and getting along," Staubach said. "Maybe the NFL and NFL Players Association should take a lesson." The next morning was Lucky Strike Lanes Chief Executive Officer Steven Foster's turn to speak.

Foster started in the bowling business by founding the Jillians chain in 1988 and after selling it started Lucky Strike in 2003. The chain has grown to 21 facilities. "This is a tough business," Foster said. "There are a lot of moving parts. We work hard and want to do better. In the end, a lot depends on that we believe in ourselves. "Bowling is a paradigm of life - thought, action, achievement, and fulfillment - everything we do. It makes me feel like a kid. The act of bowling can be done in about four seconds but it generates a kid-like emotion of happiness and joy.

There's nothing else I know that does that," Foster's thoughts echoed what Johnson told the writers two days earlier. "There's 71 million people coming through our doors," he said. "We need more people coming in the doors. We need them to come often. We need bowling to be the destination of choice. We need to be good at whatever way people want to bowl, casual, league or tournament. "We have a great sport. Keep it positive. Keep it fun and who knows where bowling can go." This year bowling came to Texas, home of nearly all of the organizations that shape it as a recreation, sport and business. Bowl Expo just brought everyone in the industry together to show how.

NATIONAL DEAF BOWLING NEWS

WANT TO BOWL IN CUSBC SENIOR SINGLES TOURNAMENT?

VISALIA—Calling on all deaf bowlers and friends of deaf bowlers age 55 and over... This writer is seeking senior bowlers to join with him and Bob Jones in entering in the new California USBC Association Senior Singles Tournament which will be held in Visalia, CA (North of Bakersfield) on August 26, 27 and 28, 2011.

This is a bowl once only 6 games singles event at \$40.00 entry fee on choice of 10 AM or 2 PM squad on choice of the 3 dates. Bowl for prizes depending on your age at entry in 5 age classifications; Super Seniors age 75 and over; A Division age 70-74; B Division 65-69; C Division 60-64 and D Division 55-59.

This is a handicap event using 90% of 200 with highest USBC book average of April 15, 2011.

THE ENTRY DEADLINE IS AUGUST 1, 2011

Individuals wanting to bowl together must mail entries in one envelope. This is why this writer wants deaf bowlers and friends of deaf bowl together in one group on same squad to send their forms and entry fees to him. If you are interested to join with him and Bob Jones, contact him by email at dotcon@mfire.com or TTY or fax him at 818 785 1478 for entry forms. Be sure to send your entry fee to this writer a week before the deadline of Aug. 1. Then we will decide on the dates and time to bowl and plan car pools. Senior women are welcome as allowed to bowl in this tournament.

This is about two hours drive to Visalia from Los Angeles. It could be possible to make in one day by leaving at 6 AM to make the 10 PM squad and return home in the evening. Or leave at 9 or 10 AM to make the 2 PM squad and stay overnight to leave in the morning. Those are a choice of bowling on the 27th or 28th.

The event will be at AMF Visalia Lanes, 1740 W. Caldwell Ave, Visalia, 93277. There are entry forms available at your nearest bowling center. If none, ask the bowling counter for the yellow California USBC Senior Singles Tournament entry forms. If there are still none, let me know by email or TTY or fax at above address and numbers and I will mail you one.

This writer is just trying to help make this Senior Tournament a success just like he did for California State Bowling Association for 35 consecutive years (1964-1999). During these years he arranged and entered at least one deaf team or two with the largest being ten teams. It was just love of labor for him and also show the world that deaf bowlers can do as well as normal bowlers.

ORANGE COUNTY USBC ANNUAL MEETING NOTICE REMINDER FOUNTAIN BOWL 10AM SUNDAY, JULY 17TH. BE THERE!!!

by Joy McGregor

On the agenda at this year's meeting is a very important proposal: A dues increase! The rationale for this proposed change is quite simple - costs have increased and membership has decreased and the association needs this increase to be able to operate and serve its members.

The amount of the recommended increase is \$2 per person. If approved, certification fees starting August 1, 2011, will be \$20.00 - \$10 national dues, \$1 California state dues and \$9 Orange County local association dues. Intra-state transfer cards would cost \$9 and inter-state transfer cards would cost \$10 (the local fee plus the \$1 California state membership fee).

Among other important topics, this proposal is foremost. YOUR vote is needed so please plan to attend. REMEMBER - this is YOUR association and

The Wild Week That Was

By, Mary Lynly

BWAA

GRAPEVINE, TX — People have been honored or revered for centuries – whether it be a sacrifice at the Pire or a plaque - but rarely has so much been given to so many, in so many venues as there was at the recent Bowl Expo including Bowling Proprietors of America (BPAA), United States Bowling Congress (USBC), International Bowling Pro Shop and Instructors Association (IPSIA) and Bowling Writers Association of America (BWAA) - ALL in Grapevine, Texas, the week of June 27 to July 1. Several Californians made it into the winner's circle:

BWAA Writing Contest: **Frank Weiler** – First in the Non-Pro Feature category and **Bette Addington** – 3rd for Event Coverage. **Cheryl Robinson** of Placentia, California USBC Hall of Fame in the *Veteran's Category*.

And...how sweet it is, **Jack Thomas** who has dedicated so much time to Youth Bowling and who said, "I never win anything" when I sold him the ticket for the BWAA fundraiser to benefit the new Pro Women's Exhibit in the Hall of Fame, won the GRAND PRIZE. Also a winner of the Martini \$200 sunglasses is **Kim Tachibana** of Simi Valley. It didn't stop there. **Debbie Asencio** of San Jose won one of the beautiful Silver rings and **Therese Lloyd**, Sun City and **Larry Peppers** of Petaluma won bowling balls. Extra effort on ticket sales here.

BWAA Meeting & Events

The Chuck Pezzano Scholarship winners were: Matt Perry from Waukesha, WI - 1st Place, \$1500.00, **Kenny Martin** from Pacifica, California, 2nd place winner - \$1000; and Phillip Brylow, Shelton, CT - 3rd Place, \$500.00.

Elections saw all incumbents returned to office: Chris Beard of Gardnerville, NV, Fran Deken, Coweta OK, Lenny Nicholson, Tucson, AZ, David Prange, Las Vegas, NV, Joan Taylor, E. Stroudsburg, PA and Bill Zuben from Largo, FL. The Nominating Committee presented the name of retiring president **Jackie Wyckoff** from Campbell, CA for Life Membership which was approved.

Following the meeting the board went into session and elected a new President - **Jim Goodwin of Rockwall, TX**, and Vice President **Joan Romeo** of Van Nuys, CA.

One of the special things afforded to the Bowling Writers Association of America is a dinner hosted by Columbia Industries. This gives BWAA a venue to honor some special people. **Joan Taylor** of East Stroudsburg, PA received the *Luby Hall of Fame Award*; **Johnny Petraglia** of Jackson, NJ received the *Remo Picchietti Humanitarian Award* and **Jim Goodwin**, Rockwall, TX was the recipient of the new *Hennessey Award of Merit*. **Kelly Kulick** and **Bill O'Neill** were recognized as *Bowlers of the Year*. *Senior Bowlers of the Year* awards went to **Dana Miller Mackie** and **Wayne Webb**.

John Jowdy, who has been with Columbia in some capacity since 1962, played host to the dinner. He alluded to being in failing health and said this would be his last time to host the dinner.

Chris Beard and Mary Lynly manned booths selling tickets for the BWAA fundraiser for the Pro Women's Exhibit netting over \$4,000. Phantom Lenny Nicholson and Jim Dressel interviewed notables against a striking new backdrop and Bill Zuben and partner did their radio show in the same spot the following day.

BPAA

The impending BPPA U.S. Women's Open brought CEO Steve Johnson to the floor saying, "They say Women's Bowling is back. Women's bowling never left. It was the industry that left women's bowling." The Open did not disappoint with over 6,000 people in Cowboy Stadium watching a field of outstanding bowlers: **Liz Johnson**, **Lynda Barnes**, **Shannon O'Keefe**, **Kelly Kulick** and the last woman standing with a trophy in her hand was **Leanne Hulsenberg** of Roseville, California. Johnson appealed to writers to build awareness about the good things going on in bowling.

Among the highlights of the BPAA general meeting was keynote speaker **Roger Staubach**. Credited with inventing the great "Hail Mary" pass, Roger came to the Dallas Cowboys from the U.S. Naval Academy and was touted as a "tremendous competitor" by Cowboy Coach Tom Landry. The epitome of a gentleman, he said he met his wife in a bowling ally. They had gone with another couple and his relationship with his then girlfriend was a little iffy. He doesn't know how, but he bowled a 213 and she said she fell in love with him all over again – 44 years ago. His words: "Giving back is the most important thing you can do. You need that inner trust and the right people in the right place." He spoke of the lackluster Cowboys when he first went there with a "What's in it for me" attitude, no team spirit, no balance and always somebody else's fault. They went from a losing team to world champs by having the right people in the right place and working together. He emphasized, "You gotta' hang in there. Don't blame others. Don't give up – you can't quit – you gotta keep hangin' in – persevere. It doesn't mean you are always going to win but you need to deal with it. Following his career with the Cowboys Staubach fulfilled his commitment to the Naval Academy and served in the Navy.

The USBC meeting

The USBC meeting was zipped through in about 5 hours. The National Anthem sung by ReCreation was inspirational. ReCreation Director Jay Mueller gave a dissertation on what their visits to over 250 facilities do and fulfilling their grant to every VA and Military hospital plus a variety of other events. BVL will have a new logo and it will contain the name of each association. He says that "Project Music" fills the halls with music and is a powerful medicine that heals bodies, spirits, and self worth. BVL was recognized as one of America's best charities, and honor given to just 2% of charities.

Of course, **California** still leads all associations in BVL fundraising with \$123,000. The next closest was Virginia with \$23,000. **Citrus Belt, Orange County and Greater Sacramento USBC** were recognized among the top five local associations.

A memorial for departed Hall of Fame members recognized Californian's **Helen Duval, Donna Zimmerman, Andy Marzich and D.D. Jacobson**.

Annual Awards went to: David Patrick – The Joyce Deitch Trailblazer Award; Ellen Goss - The Helen Baker Award; James Doty - Proprietor of the Year; **Steve Lawson** - The Kerm Helmer Award; Marty Jones – The David Dahms Award; Cera Dailey – Female Ambassador of the Year Award; Lance Ragland – Male Ambassador of the Year Award and the Greater Killeen (Fort Hood) Association received the Local Association of the Year Award for getting bowling kits in all their schools.

Of special note was the **Stars of Tomorrow**. **Nicole Mosesso** of Centerville, OH received the \$6,000 Alberta E. Crowe Star of Tomorrow Scholarship and spoke of "lessons learned and the importance of being on the same page." **Brent Bowers** of Hutchison, KS, a Jr. at Wichita State was the recipient of the *Chuck Hall Star of Tomorrow* scholarship and besides crediting family he gave credit to great Wichita coach Gordon Vadiken, "Where he does not just develop bowlers, he develops successful people."

USBC Hall of Fame - Del Ballard Jr. of Richland Hills, TX, **Carol Gannett** of Perth Australia and **Wayne Webb** of Columbus, Ohio all for Superior Performance; **Cheryl Robinson** of Placentia, California in the *Veteran's Category*; **Jeff Richgels** of Oregon, Wisconsin for *Outstanding USBC Performance* and **Rosanne Kuhn** of Hays, Kansas for *Meritorious Service*.

Keith Hamilton (new Chairman of the Hall of Fame) and Pat Cinielo (retiring Chairman) gave an update on the Hall of Fame and spoke of the poor attendance. The Hall of Fame local award went to the South East Bowling Association from South Carolina. They will receive an engraved brick for the walk in front of the Hall.

What was a success was the opening of the New Pro Women's Exhibit with overwhelming attendance. Around 500 people were expected but it turned into 2,000 and the promised Barbeque had to do some quick replenishing. Lines were long but a good time was had by all.

USBC President **Darlene Baker** gave a most meaningful address stating that "The financial stability of USBC is in question but they will meet the commitment of \$2 million in reserve for two years. The USBC Women's tournament will be sponsored by Tri-Properties in Reno and she said we must make changes to be relevant or we will cease to be. Everyone who bowls or participates in the sport of bowling is an ambassador."

Elected to the USBC board : Darlene Baker, Jo Dimond, Marci Williams and Bill Vint. The shock of the convention was having the board go back into session to elect the President and find that they elected Jim Sturm of W. Virginia ousting Baker.

CEO Stu Upson noted that USBC has again, had a 6 ½% decline. USBC and BPAA combined the Youth Development Department; The International Training Center is becoming a venue for the world to use and the good news – they are close to selling the Greendale property.

A new coaching concept is being tried – a coach for each team. The experimental program is going on in a few centers. USBC is making improvements in technology with input from association leaders including tournament on-line registration.

A new Travel Company, Travel Holdings, guarantees bowlers the lowest price. Check it out on mybowlingvacation.com. They have bought into the fact that media marketing is the way of the world "Twitter" and "Facebook." Incentive programs for retention are in the works. They will have a new TV spot and higher eligibility requirements for Awards. These items will be tested in 15-20 markets for key issues and opportunities. Test Plan 2011-2012, Expansion 2012-2013, National Roll-Out 2013-2014.

Over the last 11 years bowling has donated close to nine million to "Bowl for the Cure" and the usual pink sticks were twirled by all.

Voting was done electronically and most important was that USBC tried the *forced merger* for associations again and it was defeated. People do not like the word "FORCED!" Darlene Baker noted that **Debbie Haggerty** was appointed to the Youth Committee. **CEO Stu Upson** says they welcome your suggestions and complaints.

Flowers for the Living – Jim Dressel

"This award is not necessarily for any great deed or spectacular accomplishment, but just for being a person in our world who truly deserves a pat on the back to let them know we love them and admire them for what they have done and stood for."

Presented to a bowling coach who has been recognized as making superior coaching contributions to the sport of bowling.

Known as the "Queen of Bowling," **Marion Ladewig** of Grand Rapids, Michigan was also known as the all-time greatest female bowler was honored posthumously in the *Trailblazers Category*. Before passing away April 16, 2010, she had dedicated a majority of her professional and post-professional life to coaching others in the sport of bowling.

Gary Beck of Batesville, Virginia, recipient of the 2011 *John Davis Award* for his innovations, inventions and contributions to Bowling.
Southern Bowling Writers - **Norm Duke** of Clermont, FL - the *SBWA Dick Weber Distinguished Service Award*.

William Garrett Stars in His 1st ABTA Championship

Wins Las Vegas Event & \$13,850 Top Prize at the South Point
Match Game again is \$3,500 Match Series estimate of \$2,000 3-6-9 is \$2,000
ABTA Returns to West Covina on Saturday

LAS VEGAS—Welcome everyone to the weekly edition of ABTA news. We returned to South Point Hotel & Casino over the 4th of July weekend for our annual Vegas Open. We had a nice turnout of 675 entries in our four day event. We had a decent, fair shot for the tournament making the cut scores for the men +68 on Thursday, +69 on Friday, +77 on Saturday, +87 on Sunday, and a +65 for the re-entry squad. For the women we had cut scores +70 on Thursday, +41 on Friday, +51 on Saturday, -25 on Sunday, and +41 for the re-entry squad. The Super Seniors added to the board (3 men and 2 women) were Violeta Arcelona (+41), Beth Willcuts (+36), Phil Magno (+75), Jim Smith (+75), Jack Trongale (+65). Super Seniors are men 63 and over, and for the women you just need to be a young 55. That would give us 140 bowlers making it to the semi-finals this weekend.

Top qualifier for the Men was Vic Santos with a +189. For the women it was Annaliza Agoncillo with a +157. Each of them will get a paid entry into a future regular ABTA event. Our top seed overall draws the Match Series, and this time it was worth \$1554. The top seed drew a 709. We had no bowlers that bowled this score during qualifying. At our next event we will estimate the Match Series at \$1,900. For the 3-6-9 qualifying, Tony Leogrande was the last person standing of all the qualifiers and he would go for the pot. He missed on the second shot and received \$100 consolation. The 3/6/9 will be \$2,000 at West Covina.

In our optional doubles, finishing in first were Jonathan Barraca and Jiradej Harnpatanakitpanich with a 1475 for \$170. Finishing second was Je Je Gabriel and Resty Sanchez with 1439 for \$150. There was a total of \$2080 paid out in doubles and 28 paid spots with low to cash of 1383.

In the semis, 139 bowlers took to the floor. We saw J.J. Soon jump out and lead the first game. With a big third game, William Garrett took the top spot and the lead with a +175 to sit out and bowl for the title match. Close was ABTA Veteran Dino Cantoria, and Roland Suase. They received checks of \$270 each. In the third round, the 4 losers were Jeff Reyes, Matt Garcia, Bob Butts, and John Phan. They received checks of \$400 each. This would get us down to the final four bowlers. At this point, our horses would be paying anywhere from a low of \$54 (Kmel Cunanan) to a high of \$273 (Beth Borci) depending on who would win. In this round we saw Beth Borci (24th seed) bowling Sol Cericos (25th seed). In this match, we would see Beth carry almost ALL her shots, no matter where she had the ball hit, and Sol could not seem to find the Irish luck work for him. Beth would finish with a 293 to 215 to advance to the next round. In the other match we saw Rick Valdez (20th seed) bowling Kmel Cunanan (6th seed). In this match, Kmel would hold out, take home this victory with a 215 to 190 and advance. Sol and Rick would finish in 4th and 5th getting checks for \$800 each.

Our semi-final match was all set now. It would be bowled on Lanes 55 and 56 and pitted our 6th seed against our 20th seed. In a match that was close through the first 5 frames both bowlers would mark in those frames. It was Kmel who had the first open in the 6th and Beth would follow that up with a turkey to jump out to a 30 pin lead. An open in the 9th frame would not deter her from moving on to the title match. The final score of this match was 206/242 (Beth) 178/212 for Kmel to finish in 3rd place and take home \$2,000. For those lucky "investors" that had Beth as a horse, she paid \$273.

The title game was set and bowled on Lanes 57 and 58. We would see two of our MOST regular bowlers matched up. Both were crowd favorites, William Garrett vs Beth Borci. William elected to have Beth lead off the match. She would start with a double, but opened in the 3rd frame and only picked up 1 of the 4 pins left. William opened with a spare and double, but he too would have an open. His came in the 4th frame. The match was close at this point, but another open by Beth in the 5th allowed William to jump out into the lead with his double

This brings us to our top 32 Match Play finals. In the first round, the 15 losers were Ellena Dominguez, Violeta Arcelona, Stephanie Alvarez, In Kyung Youn, Alan Samatra, Danny Guevarra, J.J. Soon, Marvin Crowder, Don Johnson, Melvin Finner, Gerald Sanchez, Norris Montague, Alex Quon, Chris Romero, and Arnold Trias. They received checks of \$245 each. There were many close matches! In the second round, losing out were Faye Josafat, Gil Justiniane, Vuong Do, Deborah Sanders, Dominik Flick, Leo Silva, Dino

Cantoria, and Roland Suase. They received checks of \$270 each. In the third round, the 4 losers were Jeff Reyes, Matt Garcia, Bob Butts, and John Phan. They received checks of \$400 each. This would get us down to the final four bowlers. At this point, our horses would be paying anywhere from a low of \$54 (Kmel Cunanan) to a high of \$273 (Beth Borci) depending on who would win. In this round we saw Beth Borci (24th seed) bowling Sol Cericos (25th seed). In this match, we would see Beth carry almost ALL her shots, no matter where she had the ball hit, and Sol could not seem to find the Irish luck work for him. Beth would finish with a 293 to 215 to advance to the next round. In the other match we saw Rick Valdez (20th seed) bowling Kmel Cunanan (6th seed). In this match, Kmel would hold out, take home this victory with a 215 to 190 and advance. Sol and Rick would finish in 4th and 5th getting checks for \$800 each.

Our semi-final match was all set now. It would be bowled on Lanes 55 and 56 and pitted our 6th seed against our 20th seed. It was Kmel who had the first open in the 6th and Beth would follow that up with a turkey to jump out to a 30 pin lead. An open in the 9th frame would not deter her from moving on to the title match. GARRETT Wins \$13,850 in ABTA South Point Open in Las Vegas (L-R) Dave Smart (900 Global Rep), Dominick Flick, William Garrett, Johnny B. (South Point Rep), Beth Borci, Rick Valdez & Greg Kokanour (ABTA Rep.)

in the 5th and 6th frames. Beth would keep it close and only trailed by 17 pins going into the 9th frame, but an open by Beth allowed William to get strikes in the 9th and 10th frames to take home his first ABTA title. What a time to pull this one off!! William would finish with a 208/234 to 160/196 to take home \$8,500 for 1st place, \$3,850 for Cash and Carry, \$100 for wearing an ABTA shirt, \$300 for qualifying on Friday, \$500 for having bowled in enough squads. By the way, William leads the ABTA in squads bowled, giving him a total of \$13,850 for the win. Beth received \$4,250 for 2nd place.

LAKE FOREST — SCRATCH CHALLENGE Many bowlers would crawl in mud to score over the 700 mark, but thank goodness Mike Cacace shot 245-243 for a 706 series, without all the mud mess. Nice going Mike! The next highest bowler was Mike Belair with 243 / 654. Then Sam Hitchcock was third with 621, followed by Eugene Aquisap's 612 and Josh Koch's 611. High for the ladies with 539 was Debbie Barrette, followed by Nancy Moore with 529 and Carole Reese 528.

HITS & MISSES Don Forbes (sound familiar?) shot a great 698 series which included a big 257 game. Drew Sebilian also shot 257 for a nice 684 series. Then Lovell Krisher scored a 678 with a 254 game. Yikes! You guys are really good. Merly Croox shot over 600 again with a 232 / 620 and Sonia Sbadro shot a hot 582 with a 202 game and Sally Hunter scored a nice 533.

SENIOR MIDWEEKERS Chuck Conrad shot the mens high series for the week with a 620 and Don Capobianco shot high game with 246! Pat Johnson was high for the ladies with 204-201 / 574. Joyce Meyer and Teri Florella tied with 506 series and Juanita MacMorris 505.

SLOTS OF FUN SUMMER LEAGUE Bowlers in this league have fun, whether they are hitting the slots or hitting the pins. Michael McKee smashed enough pins to score a hefty 697, Rob Harvey 652, Richard Whitmark 650, Steve August 649 and Travis Davis 632. Then Sharon August made the gals look good by shooting 522, followed by Chrissy Gideon with 519 and Janice Whitmark shot 501.

WEDNESDAY MEGA VEGAS It was a run-away freight train Wednesday night in this 16 team handicap Vegas League. There were 60 games over 200 scratch and more 600 series than I have room to mention. Guys Leading the scores was Ed Rossi with 258 / 718, Keith Klage 694, Sam Hitchcock 279 / 678, Skip Asaki 673, Our own Allan MacDuffee with 253 / 669, Matt Kleen 660, Jack Martin 651, Bob Wheeler 647 and Nathan Johnson 636. Leading the ladies was Laura Conklin 215-212 / 614, Alma Reyes 214-204 / 593, Lorrie Coppock 213 / 582, Our own Kathy McCollom 211-201 / 582, Sandy Rosenblum 223-220 / 577 and Sonia Sabado 546.

KINGS & QUEENS Geary Garrett was our high King with 226-212 / 610 and we had three high Queens; Sheri Tateyama 533, Joyce Myers 212 / 524, Simona Harrison 204 / 522. Now that's the stuff Kings and Queens are made of.

THURSDAY MEGA VEGAS I wonder if these bowlers get as hot and wild when they are in Vegas as they do on the lanes. Starting with Chuck Anderson; his "hot and wild" series this week was a 279 game and fantastic 762 series. Then the notorious Mike Johnson 11 shot a wild 267 game and 688 series. Along came Joel Tatlonghari, burning up the lanes with 248 / 675, our famous Assistant Junior Coach, Chris Shiroma burned 244-234 / 671. Michael Solario torched the lanes with a 267 / 668, Darrell Rosanelli 231 / 651, Oliver Burns 623 and Toby Sanford 244 / 605. The ladies throwing the dice for great scores were Lisa kindfather with a hot and steamy 246 game and 531 series. Then Jacki Burns effortlessly shot, 212 for 517.

FRIDAY JACKPOT Bill Vickerman had his eye on the mark all three games this week and topped the chart with 248-225-201 / 674. For the ladies, there was only one 500 series and that was shot by Yoshiko Pitkin with 501. Eleanor Whitesell shot over 200- with a nice 208 game.

WHEEL OF FORTUNE Sam Hitchcock had one of the highest scores we've had this year while subbing this past week. Sam started with a 278, came back with a 299 then closed his act with a 269 for a fantastic 847! Now beat that if you can. Mike Johnson tried and came mighty close with 237-213-245 for a great 695. Wow guys! Tony Brackett gave it his all while bowling against Mike and Sam and shot a great 668, although, not enough to win. Jim Barnes had a great time also when he shot 256 / 664. Then Dylan Tasher helped his team win two games with a nice 630 series. The gals had a lot of fun and action too when Jenny Dingie bowled a 224 / 561. Jackie burns shot 520 and Sheri Tateyama 504.

SUNDAY PRACTICE Frank Street had a great session and shot a 658. Tim Peterson shot a 248 game and a 632 series and Cruz Baesa shot 611. Tammy Villamil was high woman with a fine 552 series.

NFL MONDAY NIGHT SCRATCH QUIN BARRON PICKED UP THE 7-10 SPLIT MONDAY NIGHT IN THE NFL SCRATCH! CONGRATULATIONS QUIN!

Some of our highest games are shot on Friday nights in the NFL 4 game scratch league and this week was no exception. Chuck Anderson bowled a 971 series which included games of 268 and 257. Jack martin 258-238 / 934, Dan Fontanilla 267-251 / 924, Tim Timmerman 232-238 / 912, Steve Zimmerman 242-229 / 912, Gary Ringer 257 / 878, Jay Chavkin 237-235-234 / 877, Mike Pardue 268 / 857. What fun it is to watch these bowlers.

DID YOU HEAR That Ed Regehr bowled the No-Tap tournament Sunday and shot another natural 299 game. This makes his 6th. However because it was no-tap, he got to claim a 300.

FOREST JUNIORS

JUNIOR DIVISION Jason Sherwood did it again! This week he bowled more pins over his average than any other kid in the Junior Division. Last week he won first place in the 4th of July tournament by bowling the most pins over his average and Matthew Algazy came in second. Nice going boys! For the girls, it was Danielle Bishop who did a great job by bowling the most pins over her average this week. Atta girl Danielle!

MAJOR DIVISION Ryan Galland bowled his all-time high game, a great 212. Then Josh Turner hit his high with 208-193 for a 546 series. And Riley Sullivan shot a 203-185 / 545.

These kids have been setting their intentions each week to beat their previous high games. It's amazing how well it works. We are so proud of all our Junior Bowlers. They are great!

STUDIO CITY — Our first ever Scratch Tournament exploded last week, in a good way. We had so many new and fresh faces that it was hard to remember everyone's names. Mark Peavey ended up bowling a 969 (over 4 games and that included a 169 game) to take 1st. Rick Rios and Keane Murakami were the runners-up. Make sure to follow us on twitter and facebook to see pics of our tournaments and get the flyers for upcoming ones.

DEREK SCHROEDER is Tops At 781

by Frank Weiler
MURRIETA — Derek Schroeder led all scratch bowlers at Cal Oaks Bowl the other night with a 781 (259-267-255). Derek is fresh out of Cal Oak's junior program and sports a smooth style reminiscent of DAVID OZIO. Derek currently bowls with his dad (Steve) in Cal Oak's 430 Scratch Doubles League and carries a 220 average.

Close behind Derek was JERRY DeYAGER with a 771 (289-258-224) and JOHN SOWELL at 760 (247-279-234). JAMES HAWKINS continues to lead the league with a 240 average, with Sowell close behind at 231 and KEN CLAY next at 230.

Ken Clay appears to be the league's most consistent keeper. For fourteen three game sets so far, his scores have ranged between 660 and 720. Ken asked me to thank the BOWLING NEWS for covering Citrus Belt bowlers.

MARK DYER is Averaging 247!

by Frank Weiler
MORENO VALLEY — Mark Dyer continues to pace the Moreno Valley Scratch Challenge League with a 247 average after five weeks. Mark also has the league high two game set of 556 (278 average), while DEAN TOWNSEND has the high game of 299.

Other high average's are carried by MILT McDONALD (229), JIMMY ELLIS (229), and NICK REED (227). The ladies are led by ELAINE RANDOLPH at 207.

AMANDA MILBURN is averaging 209, but has only bowled two weeks. Mark and the other competitors at Moreno Valley Bowl are grateful to the BOWLING NEWS for recognizing their accomplishments.

JERRY CALVIN WCST EBONITE SINGLES SUPER SENIOR DIVISION WINNER AT DEL ROSA LANES, SAN BERNARDINO, CA. DENNIS HORAN WINS REGULAR DIVISION

by Dick Sanders

SAN BERNARDINO—Playing a one day tournament instead of the normal two day tournaments, the WCST usually has turned out very well for Jerry Calvin (Thousand Oaks), as the day became a 18 game marathon for the Super Seniors. 10 Games in the qualifying led by Kevin Gannon with a big 2457 score, and then 8 games in the finals, where Jerry started in 6th place, 196 pins behind Kevin, Jerry rolled 1002, for the 1st 4 games of the finals, and also winning all four of those matches, and 7 out 8 matches in all., caught Kevin, and held the lead after game #6. Kevin had slipped to 3rd, behind Corky De Maio, but rallied in Game #7, with a 258 game to go into the position match, 19 pins behind Jerry. It all came down to the 10th frame, because it was the winner of the match wins the tournament. Kevin, struck out for 214. Jerry needed a strike on the 1st ball in the 10th, and a spare to tie the match, that would have given him the championship, but Jerry did better than that, he also struck out for a 224 game and won the tournament by 59 pins. This was Jerry's 2nd WCST Title, and his 1st Singles Title. PBA & WCST Champions, Ron Winger and Dick Baker finished 5th & 6th. TOP 3: 1st, Jerry Calvin: \$700.00, 2nd, Kevin Gannon, \$550.00 and 3rd to Corky De Maio, \$450.00. 26 bowlers entered the tournament for a pay off of 8 checks for a total of \$3,410.00.

Regular Division: Four finalists played position matches every game, and paid out 5 checks for a total of \$2,145.00 paid out. 16 Regular Division bowlers entered. Dennis Horan, won this division, rolling 2361 in the qualifying, with a 300 game. And all four of his matches in the finals, bowling 994 for those games. This was Dennis's 1st WCST Title. TOP 2: 1st, Dennis Horan, \$700.00, 2nd, John Sowell, \$550.00. For 10 tournaments this year, \$60,127.00 paid out, and for 331 Tournaments, a total of \$3,533,075.00 has been paid out. Also one day tournaments at Bowlum Lanes, in Montclair, Oct 1. These will have different formats, and bowlers will be notified. All other tournaments for 2011, will remain the same two days each.

DISO DISSES UP A DELECTABLE NUMBER & DICTATES HIS PLACE IN ROCKY MARSH TRIOS

ANAHEIM—Jon Diso disses the pins Friday morning and disassembled the rack in Rocky Marsh Trios. Jon bordered on perfection in his first game to claim a fab 280. His next two games of 236 and 245 gave him 761 and then added 219 to down-load high series for the day at 980. Great bowling Jon!

Terry Brent's efforts did not go unnoticed as he burned the left side of the lanes on games of 235-229-228 and a 276 finale to garner second place honors at 968. Mighty fine bowling lefty!

Willy "no carry" Bordenave is still in the groove throwing consistent games of 237-215-237 and 226 to score a nice 915 set. To share a bit of trivia: Willy had 4 perfect no-tap 300 games this morning. All his single pin leaves were 4's or 10's with his final shot a nasty, solid 9 pin. Has this interesting phenom ever occurred? Check it out!

Aaron Wilson reclaimed his 900 Club membership on games of 216-248-234 & 215 to post a fine 913. I believe Aaron has only missed 3 weeks NOT being in the 900 Club. That's impressive and he boots his 203 entering average to 222 for 28 games. Keep up the good work Aaron!

Dick McKenzie is always steady and proved his worth this hot and very humid Friday tossing games of 225-269-202 & 213 to register a fine 909.

Josh Boisoneau crossed over the border to stake a 904 set and claim his key into the exclusive 900 Club. Josh bowled an 898 last week so this is well deserved; you earned your key!

More HOT scores: James Blythe 278-898, Dora Miller 255-896, Paul Sedillo 237-868, Norm Walker 255-859, Hong Kha 234-862, Jim Moore 233-847, Bo Vrabel 233-825, Chris Allen 259-823, Anderson Alcaraz 246-821, Rich Heid 257-819, Rey Ortiz 213-810, John Munson 237-804, Don Gut-Ommen 248-800, Marie Barbush 238, Larry Greene 236, Chuck Morrissey 234, Fred Voysey 227, Al Lara 227, Cheryl Munson 224, Kantral Williams 224, Ron Marcus 221, Janet Anderson 221, Rita Sparks 217, Miguel Rosales 217, Drew Parkin 214, Tony Chaco 211, Gino Vassallo 210, E.J. Rogers 204, Shig Shoji 202 and Bob Gosnell 201. Until next week...
