NEW WORLD RECORD FOR ATTENDANCE AT PROFESSIONAL BOWLING EVENT SET AT 2011 BOWLING'S U.S. WOMEN'S OPEN

Historic Event Shatters Record for the Most Attendees at a Professional Bowling Event

ARLINGTON — The Bowling Proprietors' Association of America (BPAA) and Cowboys Stadium announced today that history was made at the 2011 Bowling's U.S. Women's Open. The two organizations reported today that the groundbreaking finals - which were played at the 50-yard line of Cowboys Stadium on Thursday, June 30 - set a new world record with 8,017 individuals in attendance, breaking the previous record of 7,212 that was set at Joe Louis Arena in Detroit in 1995. The record breaking number was confirmed after a thorough au-

dit of the ticketed fans, invited guests and dignitaries that attended the event.

"This is an incredible moment for the sport of bowling and despite the weeks of nail-biting, worth the wait. Our achievement in setting a new world record, on perhaps the greatest stage in professional sports, speaks to the tremendous resurgence of bowling and the vital role that women have played in driving its popularity and growth," said Steve Johnson, executive director of the BPAA. "Congratulations to our champion Leanne Hulsenberg and the tremendous players who competed in the Open, as well as the thousands of fans who are now a part of sports history."

Professional bowling was

forever propelled into the annals of sports history, when for the first time, a women's Major professional bowling event was held at a non-traditional venue. On June 30, 2011 the Finals of the 2011 Bowling's U.S. Women's Open were held from the "Star" on the 50-yard line of Cowboys Stadium in Arlington, TX. Leanne Hulsenberg was crowned 2011 Open champion as she held off fellow finalists Kelly Kulick, Lynda Barnes, Liz Johnson and Shannon O'Keefe in front of the largest crowd in bowling history. The Open Finals were broadcast on ESPN2 Saturday, July 2, 2011. "Cowboys Stadium has served as the playing field for some of the greatest moments in recent sports history, and we couldn't

be more proud to be the host of this incredible achievement for bowling. We are excited to have been a part of making history at the 2011 Bowling's U.S. Women's Open," said Brett Daniels, Sr. Director of Corporate Communications for the Dallas Cowboys.

Jason Belmonte "Best Bowler" ESPY Award Winner

LOS ANGELES — Jason Belmonte's popularity among bowling fans became apparent Wednesday when the Australian two-handed player was selected as the fans' choice for the 2011 "Best Bowler" ESPY Award at the annual ESPY Awards ceremony.

PBA DOUBLES CHAMPIONSHIP NAMED IN HONOR OF MARK ROTH, MARSHALL HOLMAN

LAS VEGAS—The 2011 revival of the PBA Doubles Championship will be named in honor of two PBA Tour legends - Mark Roth and Marshall Holman - who stamped their names all over the doubles competition back in its formation days.

Roth and Holman teamed up to win PBA Doubles Classic titles in 1977 and 1979 in San Jose, Calif., and again in 1984 after the event moved to Showboat Lanes in Las Vegas. The PBA Hall of Fame legends, who own a combined total of 56 PBA Tour titles, bowled as doubles partners 13 times, cashing 11 times, making match play 10 times and finishing in the top five six times.

"How could you not want your Hall Of Fame doubles partner and great friend to share the name of this event with you? It's perfect," Roth said. "I asked Marshal to bowl with me in our first doubles tournament because he was a tough cookie and he knew how to win. We won three times together during our career. Marshall and I talk frequently, and sharing memories of those events is something we often talk about. It's a great honor for both of us."

"I'm absolutely honored," Holman added. "It's a beautiful thing." The revival of the Mark Roth/Marshall Holman PBA Doubles Championship will be a part of the 2011 PBA World Series of Bowling at

South Point Casino, Hotel and Bowling Center in Las Vegas Nov. 4-20.

The doubles event will include the top 16 players after qualifying rounds in the PBA Exempt Players Championships who will be paired for an eight-team Baker format finale based upon how they qualify. The top qualifier will be the first to select a partner from among the remaining 15 players. If he/she selects the No. 11 seed, the No. 2 qualifier will pick next. If No. 1 picks No. 2 as a partner, the No. 3 qualifier will be the next to select, etc. The Baker format finals will be conducted on specially-constructed lanes in the South Point Arena on Sunday, Nov. 20.

RAY TORRES WINS HIS 1ST WCST TITLE AT
RIVERSIDE CASINO LANES IN LAUGHLIN. NV

by Dick Sanders
LAS VEGAS—The qualifying leader, was Ron Winger with 2341 for the 10 games on a tougher condition than the normal WCST Tournaments. The nearest bowler to Ron to start the finals was Ray Torres with 2122. That's a difference of 219 pins.
Ray kept grinding away, bowling well, winning matches, and getting that 30 pin bonus. Ron was having troubles all thru the finals. After Game #3, lost 6 straight matches.
That dropped him to 2nd place going into the position round, down 62 pins to the now leader Ray Torres. A stubborn 10 pin in the 11th frame, working on a string of strikes, ended up costing him the tournament.
Ray only needed a mark, and a good count, lost the game 234 to 209, but got his 1st WCST Title by beating Ron by 7 pins. Scores were down, with an exception, Jim Coats defeated Ross Zeigler, 268 to 255. Hal Wilber, making the finals after beating Dave Gualeni in a roll-off of the tie for 10th Place. Hal in the Position Round, bowled the highest game of the finals, a 269, and jumped from 7th Place to 4th. 12 Checks paid out for a total of \$6,050.00. 38 Super Senior Entries. No Regular Division for this one. The total paid out this year 11 tournaments, \$65,187.00. For 332 Tournaments, a total of \$3,538,135.00 paid out.
The WCST would like to thank the Riverside Casino Lanes, and their owner, Mr. Don Laughlin, and his General Coordinator, Bryan Markowitz, and Supervisor in the bowling department, Mr. Bill Street, thanks all the bowlers who entered this tournament. We also had a good 5 game singles sweeper on Friday, with 28 bowlers. Hal Wilber won that one. We thank Joe Chattin, a really good job, Brackets, getting and posting all scores, and to our coverage sponsor, EBONITE INTERNATIONAL CO.
A special thanks to WCST Members, Dave Wilson, and Gary Coultas, for coming to my house in Morongo Valley, taking me to Laughlin, and back home. NATIONAL DEAF BOWLING NEWS

by Connie Marchione

MOST MEMORABLE DEAF BOWLING YEAR - 1996

LAS VEGAS—This writer likes to reminisce for the best deaf bowling year overall with record breaking events and memorable happenings in a single year. Looking back 15 years ago the 1996-year seems to be the best, hands down.

That was the year US's largest and oldest deaf bowling organization, Great Lakes Deaf Bowling Association for the first time, went out of its Great Lakes territory to celebrate it's 60th anniversary tournament in Las Vegas. Also in a joint celebration with its companion American Deaf Women's Bowling Association's 50th anniversary event. The men's events set all time deaf bowling entries records with 188 teams, 459 doubles, 918 singles and 855 all-events.

That broke the old record of 171 teams, made by Pacific Coast Deaf Bowling Association's 50th anniversary event in 1991 at Reno. But GLDWBA's 76 team entries at Las Vegas failed to beat the women's PCDWBA's record holding 82 team entries at 1991 Reno. However in largest number of both men and women bowlers in one city GLDBA/GLDWBA had a record total of 1320 bowlers beating PCDBA/PCDWBA'S 1265 bowlers. Ever since these record numbers remain unbroken.

Also observing its milestone 50th anniversary was the Southwest Deaf Bowling Association, which happened to hold its tournament in Dallas on the same weekend and bowling center as PBA's Quaker State Open. PBA generously respected the deaf tournament by taking an unprecedented one-day bye and in addition invited the 300 deaf bowlers to its Arena Televised Finals. That's a big honor for first time this happened.

That year's greatest record breaking scoring event by one deaf bowler came in one small obscure deaf regional tournament held by Southern Nevada-California Deaf Bowling Association. SN-CDBA drew 14 teams in its 13th annual event on Thanksgiving weekend at Canoga Park Bowl when one bowler, Carl Malucci, Whittier, CA rolled two 300s in one day, a 838 and 2144 all-events while another bowler, Dan Flores hit a 816. Malucci averaged 249 for his 11 games and altogether with his 9 games, averaged 244 for 20 games in this tournament. What was amazing with that is hard to believe in all the mighty GLDBA's 60 years even to now not a single 800 was made in its tournaments. Darrell Stogryn, CA was the first to bowl an 800 in a deaf tournament, 247-288-278/813 in 1992 doubles event Pacific Coast Deaf Bowling Association at Sacramento, CA. (Note: Flash forward to 2010, Malucci rewrote new SN-CDBA record and also all-time deaf record with 259 average for 9 games 2333 in all-events.) Most noteworthy honor came that year to this same Malucci when both American Athletic Association of the Deaf (now changed to USA Deaf Sports Federation) and US Olympic Committee named him as 1996 Deaf Male Athlete of Year. This is first time a deaf male bowler was honored as back in 1992 Lindy Decker, a left-handed bowler was honored as 1992 Deaf Female Athlete of Year.

A new deaf bowling organization debuted that year, Mark Fisser's West Coast Deaf Bowlers Association, which is unique as a monthly individual event. It was a membership organization holding monthly tournaments in different centers in Southern California. It was a great event but unfortunately lack of deaf bowlers' support compelled Fisser to stop after two years. It was sadly missed by many who participated in it. One woman, Wendy George, Riverside bowled a 300 game in it.

Therefore the 1996 year was a good one for the deaf bowling memoirs.

ABTA Returns to Oak Tree Lanes for Beat the Board Semis/Finals Event
Special Squad times 1:00-2:30-4:00-5:30 & 7:00PM Semis/FINALS 9:00PM

WEST COVINA—Welcome everyone to the weekly edition of ABTA news. We returned to West Covina this past weekend for a regular event. We saw 210 entries in our one day event. We had a decent shot for the tournament making the cut scores of +37 for the men and +17 for the women. The Super Seniors added to the board (2 men and 1 female) were Dan West (+21), Michael Drohan, Sr. (+20), and Mary Robles (-37). Super Seniors are men 63 and over. For the women you just need to be a young 55. That would give us 52 bowlers making it to the semi-finals this week.

Top qualifiers for the Men was Thomas Chavez with a +215. For the women it was Patricia Lin with a +82. Each of them will get a paid entry into a future regular ABTA event. Each week our top seed overall draws the Match Series, and this time it was worth \$1,924. Chavez drew a 444. We had two bowlers that bowled this score during qualifying. They were Giang Huynh and Marina Suos, each will get \$947. At our next event we will estimate the Match Series at \$500. For the 3-6-9 qualifying, it was Tomas Chavez the last person standing of all the qualifiers. He would go for the pot, but he missed on the second shot and received \$50 consolation. The 3/6/9 will be \$2,100 at Oak Tree Lanes.

In our optional doubles, finishing in first were Chris Kelly and Vuong Do with a 1388 for \$130. Finishing second was Samson Kong and Tao Yang with 1386 for \$110. There was a total of \$1100 paid out in doubles and 19 paid spots with low to cash of 1318.

In the semis we saw Joshua Navarro lead the field with a

+115 to sit out and bowl for the title this week. Coming in second was Jerry Chang with a +100 to sit out the first round. It took a +45 for the men and +7 for the women.

Navarro, the top seed in semi-finals had the honor of drawing the Match Game worth \$3,500. He drew a common 186., and strangely we had no bowlers who shot that score. We will have \$3,500 next week at Oak Tree Lanes, two reserve pots and continue to build on the third back-up pot, which is \$1,875.

This week we had five new bowlers join us. Let us welcome these new bowlers to the club, Mike Berecochea, David Thorsen, Ray Saucedo, Sharlene-Michele Sotto, and Ed Dioniso.

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Catherine Cheung, Ada Wong-Hum, John Armenia, Mark Fisser, Roger Amparo, Manny Loria, and Andrew Navarro. They received checks of \$100 each. In the second round, the losers were Marife Catalasan, Leonard Garcia, Michael Kong, and Marvin Galsim Sr, they received checks of \$110 each. This would get us down to the final four bowlers. At this point, our horses would be paying anywhere from a low of \$26 (Jerry Chang) to a high of \$202 (Pablo Castro) depending on who would win. In this round we saw Mark Andrews (12th seed) bowling Jerry Chang (2nd seed). In this match, we would see Mark continue his hot bowling to finish with a 255 to 211 and advance to the next round. In the other match we saw Pablo Castro (11th seed) bowling Leo "Horseman" Tartamella (10th seed). In this match,

Pablo would be the survivor of the match and finish with a 195 to 170 and advanced. Leo and Jerry finished in 4th and 5th getting checks for \$120 each.

Our semi-final match was all set now, and it would be bowled on Lanes 11 and 12 this week and pitted our 11th seed against our 13th seed. In the weekly "horses" we would see Mark paying \$113 and Pablo paying \$205 if they would win their match. In a match that was close through the first 6 frames both bowlers would match each other.

It was Pablo who would falter in the 7th thru 9th frames with opens, and that would be enough for Mark to jump into the lead. He would finish with a 183/211 to 134/180 to send him onto the title match this week, while Pablo finished in 3rd place and took home \$200.

For those lucky "investors" that had Mark as a horse, he paid \$113. Pablo is one of our valued Super Seniors. A Regular in the ABTA He bowled very well and could have been the winner.

The title game was set and bowled on Lanes 13 and 14. We would see two of our regular bowlers bowling each other. Both were crowd favorites, Joshua Navarro vs Mark Andrews. Joshua had Mark lead off the match. This was another close match through 4 frames, but an open by Mark in the 5th frame would allow Joshua to pull ahead by 20 pins. That would prove to be enough as he would not look back. Opens in the 8th and 9th frames by Mark did not help. Joshua would take home his 1st ABTA title, with scores of 163/203 to 148/176. \$1,000 for 1st place, \$1,700 for Cash

and Carry, and \$100 for wearing an ABTA shirt, giving him a total of \$2,800 for the win. Mark received \$500 for 2nd place.

Champion Joshua Navarro is from Norwalk used a Virtual Gravity Nano drilled by Ben Mach. He is a single student at Cal State Long Beach, and would like to thank his Mom and Dad (another fine Long Time ABTA Bowler Bernie), along with his brother Andrew who also finished in the top 16.

Mark Andrews (2nd Place) is from Ontario and used a Brunswick (1950) Pro Model drilled by Barry Asher. He is single and would like to thank Monica, her daughter Nina; his dog Patches, ABTA and staff, especially Debbie.

Pablo Castro (3rd Place) is from West Covina and used an Avalanche drilled by Dave at West Covina Pro Shop. He is married to Carmelita and they have 2 children along with 2 Grand children. He would like to thank his family and especially his wife for all of her support.

The weekly ball sponsor winner of a 900 Global Ball was Rey Josafat Jr. He won the Double Clutch Pearl. Each time you bowl, you get a free ticket for this prize given away by our Sponsor, 900 Global. In our weekly raffle, the winner for an ABTA entry was Analiza Agoncillo.

Winning a Wii Fit was Allan Calabio, 2 ball duffle bag was Alvin Francisco, 900 Global Ball was Samson Kong, Kohls Gift cards were Mary Robles and Tony Leogrande. The rest of the results are in the payoff column in this paper.

Our next event will be at Oak Tree Lanes on July 23rd. Squads on Saturday start at 12

pm, with our final squad at 7 pm this week.

This week is a Beat the Board semi final event. There will be no match play after semis. See our ad for address and directions, or check our website (www.abta1.com) to link to address for directions.

JAMES HAWKINS & KEN CLAY Score

by Frank Weiler
MURRIETA — Ken Clay posted his first 300 at CAL OAKS BOWL recently and continues to maintain his 230 average there. He bowled two 800s at Cal Oaks in the past, but until now was unable to put twelve full racks on the pin deck, in one game.

James Hawkins rolled an 805 the same night Clay got his perfecto. James has no problem posting 300s, having rolled three in the past three weeks. Hawkins is currently averaging 236.

After a 781 last week, DEREK SCHROEDER had sets of 767 and 735 this week. These three high rollers read the BOWLING NEWS regularly and want to thank the paper’s staff for recognizing their accomplishments.

How Far Can A Kangaroo Jump?

by Frank Weiler
MURRIETA — I haven’t checked the Guinness Book of Records lately, but my friend JIM CARTER (Don’s son) once told me that he saw an oversized kangaroo jump a good sixty feet. That’s the length of a bowling lane! Was Jim kidding me?

Anyway, last night I was watching JAMES HAWKINS on the lanes next to me. He was lofting his bowling ball about forty feet down the lane. WOW! I began to wonder if James could loft a ball further than a kangaroo could jump? It is rumored that when the lanes are dry he likes to loft, and has lofted a bowling ball sixty feet for a strike. That kind of airtime takes the oil pattern out of play.

As usual, the lanes were dry last night - BONE DRY. As the frames passed Hawkins started lofting his ball while moving left on the approach.

Before game three was over, his feet were positioned left of the left channel, with his ball landing about the thirtieth board, forty feet down lane.

Hawkins still couldn’t carry a strike. One of his problems seem to be ball trajectory. As a two handed bowler, he was lofting the ball upward when releasing it, or “lobbing it.”

SHANNON STARNES, long time PBA competitor and regular lofter, once told me it was okay to loft the ball so long as you don’t loop it. The trajectory of the ball must be out and flat. MY QUESTION IS: Can anyone carry strikes with regularity, while lofting the ball as far as a kangaroo can jump? I mean forty feet? What are the limits of effective lofting?

So what say you? Let me know what your thoughts are about lofting the bowling ball. I think forty feet is too far and Hawkins results seem to bare this out. He rolled a 637 series for the night. Contact me at FJW300@aol.com with your thoughts.

If you want to keep up with what’s happening on the lanes in SoCal, keep reading the BOWLING NEWS. I am grateful we have this great publication keeping us informed.

James is Cal Oak’s eighteen year old two-hander with a 240 average.

Orange County USBC 2011 Annual Meeting Highlights

by B.A. Campbell
FOUNTAIN VALLEY—On July 17 at Fountain Bowl, the OC-USBC Annual Meeting was called to order around 10 am. 35 members were present (out of 10,000+), which is considered a quorum by OC-USBC. The majority of those present were Directors of the Association. After the Pledge of Allegiance, the previous minutes were approved and a memorial service was held for the OC-USBC members lost during the previous season. Troy Sucatre gave his President’s Report, and told the group that over 19,000 awards were handed out to OC-USBC members over the last year, including 225 awarded 11-in-a-row; 150 awarded 300’s; 80 awarded 800 series. The Association has seen a drop in membership every year, which creates a problem in finances. He attributed the recent spate of losses to the current economy, people moving to the less-costly Inland Empire, and loss of big industry employers in the area. In 1978, OC had 80,000 bowlers and 35 centers; by 2011, OC has 10,000 members and 12 centers.

The Association Manager, Cheryl Huntington gave a brief report, echoing the issue of membership decline: current season, ending July 31, there was a drop of 647 bowlers and 14 leagues from OC-USBC’s previous season. Note that Bowl.com is now listing Summer averages. Check the rules of any tournament you enter to see if they require Summer average –someone was disqualified from this year’s CA Women’s Tournament because of the wrong average submitted. The association’s Average Book will be going to print this week.

When the Budget and Finance Committee report was presented by Gary Forman, the majority of the people in the room (directors) knew about the pending dues increase and appeared resigned to fate. Other members in the room raised questions about what the Association’s biggest single expense was (payroll) and whether the \$2 increase would alienate the already USBC-disillusioned bowlers. The \$2 is planned as a major boost to the OC-USBC local awards program, where local bowlers get acknowledged for split conversions, triplicates and stepladders, as well as a hedge against draining the current \$180,000 association surplus, which has been chewed into in the past to “cover the bowlers” from a dues increase, and to make up for deficits for the last few years. The vote was taken, and the dues increase passed--with a few “nays” in the room.

Director Gary Forman discussed what USBC provides to the members. “If you get nothing else for your dues,” Forman states, “they provide standardized rules, regulations and benefits.” Forman gave an example of a recent “serial cheater” competing in and placing high in an OC-USBC tournament, who, after investigation, had his USBC sanction card pulled and is no longer able to bowl in any USBC tournament, anywhere.

Other highlights: Troy Kendrick was elected as a new Director, while nine were reelected for a new term; All nominees for 2012 National USBC Delegates were elected; Six nominees were elected to represent at 2012 CA-USBC Convention. Entrants from the 2011 OC-USBC tournaments: 71 in the Open, 90 in the Women’s and 24 in the Youth. There are no plans for a Hall of Fame ceremony this year. The Lane Certification teams are going to the centers through the next 3 weekends to certify local houses. This year’s BVL Tournament had 234 entries as well as a pay-for-parking snafu. The Association will be selling Bowl For The Cure notebooks w/pen for \$4.00 and pocket calendars are coming this fall. The Association is making its website more useful and informative, and setting up email notifications. Fountain Bowl was thanked for their hosting of the Annual Meeting and their hospitality.

CARMAGEDDON IS BEHIND US, BOWLMAGEDDON

IS UPON US IN ROCKY MARSH TRIOS

by Joy McGregor

ANAHEIM—It is “GAME ON” Friday morning at Linbrook Bowl as our bowlers are pounding the pocket, setting the lanes on fire and producing sizzling scores!

Jon Diso, last week’s star, shares the spotlight this week at 952. Jon tossed games of 235-190-268 for 705 and added a 256 game.

Anderson “no thumb” Alcaraz also liked the the final number as he stroked games of 256-235-226 for 717 and added another 235 game. Nice high number to share fellas; good bowling!

Aaron Wilson, certainly no stranger to headlines this summer, landed only one pin shy of being in a triplicate high series. Aaron fired games of 228-223-257 for 705 and added 246 to post 951.

Mark Allen decided to join the party and threw some heat on games of 234-”289”-205 for 728 and added 172 to gain entrance into the 900 Club for the first time this season, with an even 900 set. Way to go Mark!

I would be remiss if I did not mention our most consistent bowler this season, Willy Bordenave. Willy only missed his 900 by one single pin (probably ONE of the solid 9’s he left.) Willy tossed 227-224-225 and 223 to post 899. Think Willy should compete in all the No Tap tournaments around?

More HOT scores: Jessica Diso 246-(705)-879, Terry Brent 235-866, Ron Douglass 265-859, Josh Boisoneau 225-858, Don Gut-Omen 230-841, Rich Heid 235-839, Bo Vrabel 223-834, Al Lara 254-832, Gino Vassallo 224-829, Bob Gosnell 228-822, Norm Walker 228-822, Don Gardner 223-818, Jim Moore 245-815, Ron Marcus 247-811, Chris Allen 242-809, Don Lorentzen 234-808, James Blythe 255, Dick McKenzie 232, Tony Chaco 226 Larry Greene 225, Dahana Klerer 224, Rita Sparks 221, Rose Williams 219, Dora Miller 219, Rod Cantrell 218, Shawn St. Andre 218, Alan Bloom 214, Nancy Smith 213, Chuck Morrissey 212, John Phillips 209, Hong Kha 206, Melissa Fan 205, Cheryl Munson 204 and Rey Ortiz 202. Bowler of the Week: This bowler had NO SINGLES this past week. He bowled his first league game ever and threw his money on the floor. That’s right, Bryce Vinson, spun around and pointed out where he kicks it when he bowls...at PINZ. Nice 218 and keep getting the high scores.

ORANGE COUNTY USBC

ANNUAL MEETING REVIEW

by Joy McGregor

FOUNTAIN VALLEY—The Orange County USBC Annual Meeting was held Sunday, July 17th and hosted by Fountain Bowl.

The adenda included an update and revision to our Bylaws and a proposed dues increase. Both were approved by the membership and will go into effect August 1st, 2011. Eleven delegates to the 2012 USBC and six to CA-USBC conventions were elected. Officers and directors were elected to the Orange County board with Gary Foreman elected as President, Jeff Watson re-elected as 1st V.P., and Cindy Miles as 2nd V.P.

A new Orange County Awards Program had been discussed and was contingent upon the dues increase being approved. This program will bring back many awards such as the All Spare, Triplicate, Dutch 200, etc., that were discontinued by USBC. An Ad Hoc Committee was formed and the members will research costs and other aspects. It is hoped to have this awards program in place for the new season. We think the restoration of these awards will bring the FUN back into our sport!!

The average books (yearbooks) will go to the printers by week’s end now that the new officers and directors have been elected.

The Orange County USBC Association wishes to thank Fountain Bowl for providing the delicious continental breakfast and hosting our meeting. Many thanks to everyone involved. And, to the dedicated members and board members who gave their time on Sunday to attend, your Association thanks you for your commitment to our sport because without YOU, there would be NO Association!!! We ALL must stay involved to keep our beloved sport alive.
