## Inland Empire NABI Champion Gino Mansilungan

by Quin

SAN BERNARDINO — Our newest champion, Gino Mansilungan, won his Inland Empire NABI championship at Arrowhead Lanes this past Saturday. We want to thank the staff there for hosting our tournament.

Gino, originally from the Phillipines, began bowling there in a bowling club called Team Prima. Just four years here in America, he had not bowled very much. However, he enjoys bowling in the Cosmic Bowling at Brunswick Matador Bowl in Northridge. He enjoys an occasional Billiards game as well.

Gino won with his Columbia Rock-On, his six-year old ball drilled in the Phillipines. This ball was given to him by Lisa DelRosario. He wants to thank her for that special gift, and thanks to Alex Lin, who was his sponsor in Team Primo.

We also want to congratulate Dana Vernon, our second place winner. Dana bowled 100 pins over her average to win a watch from USBC. Dana, with an average of 157, bowled an awesome 286 scratch game. This was her highest game ever bowled, and her highest series, bowling a 650 scratch series, which she will receive various pins from USBC.

We want to thank all who

came out to bowl with us at Arrowhead. Our next tournament is at Arlington Lanes in Riverside (a 2-day event), Saturday, August 4 and Sunday, August 5. Separate qualifying days.

Our stepladder began with Patrick Ambrose bowling Kerry Lucka. Kerry bowled a 196 to Patrick's 225. Patrick, then bowled Thomas Smith. Thomas bowled a 182 to Patrick's 183 (a nail biter). Patrick then went on to bowl Dana Vernon. Patrick shot a 196 to Dana's 207. Dana then met high qualifier Gino Mansilungan. Dana bowled a fantastic 248 to Gino's 249, for Gino to win the tournament.

Gino won \$800 with Optional Upgrade and a champion's shirt.

See our ad in this week's Bowling News and see ya at Arlington Lanes this weekend.

## Nation Prepared To Be Tested In Major Events

GREENDALE, Wis.—Over the next few weeks, Team USA's Stefanie Nation feels like she has the opportunity to put her bowling career on the fast track to superstardom.

With two major events on the horizon - the U.S. Women's Open presented by the United States Bowling Congress and the World Tenpin Bowling Association Women's World Championships - Nation will have an opportunity to shine.

"There is no doubt I have accomplished a lot in my years as a youth bowler, but I feel these two upcoming events could help me breakthrough as one of the top female bowlers in our country," said Nation, who won U.S. Junior Amateur titles in 2003, 2004 and 2005. "Even though there might be those out there who believe I have an impressive resume, I feel that I am just beginning. I have come into my own over the past few years, and I intend only to get better and better and continue to add to my list of accomplishments."

Nation, who has been a member of Team USA since 2005 and was the national collegiate player of the year while at the University of Central Florida in 2005-06, will have to beat some of the game's greatest female players at both events if she hopes to break through.

The U.S. Women's Open, which takes place Aug. 13-18 at the National Bowling Stadium in Reno, Nev., will feature a strong field of not only fellow Team USA members, but former P.W.B.A. stars.

Shortly after that event concludes, Nation, along with five other Team USA members, heads to Monterrey, Mexico, from Sept. 1-8 for the Women's World Championships, which will bring together the top bowlers from nearly 60 countries. Nation will be joined in Mexico by Diandra Asbaty of Chicago; Lynda Barnes of Double Oak, Texas; Shannon Pluhowsky of Phoenix; Shannon O'Keefe of Rochester, N.Y.; and **Tennelle Milligan** of Costa Mesa, Calif., all of whom are scheduled to also compete in the U.S. Women's Open.

## Roger Dalkin Retires as USBC Chief Executive Officer *Kevin Dornberger becomes interim chief operating officer*

GREENDALE, Wis.—The United States Bowling Congress and Roger Dalkin, USBC Chief Executive Officer, announced that effective today, Dalkin would retire after 30 years of service to USBC and the bowling community.

"After my years of service and undergoing the challenge of leading and implementing one of the largest mergers of non-profit organizations in the history of the United States, it is time for new leadership," said Dalkin.

"Successfully merging the American Bowling Congress, Women's International Bowling Congress, Young American Bowling Alliance and USA Bowling was a tremendous challenge and the highpoint of my career. With the merger accomplished and a sound financial footing for USBC,

this is the appropriate time for USBC to select an individual to build on what we have accomplished."

"We all thank Roger for his tireless and dedicated years of service. We have asked Roger to continue assisting USBC in its mission in a consulting capacity, and we are pleased he has agreed to do so," said Michael Carroll, USBC President.

According to Carroll, USBC will conduct a national search for a successor and that current USBC Chief Officer-National Governing Body Kevin Dornberger is acting as interim Chief Operating Officer until a successor is chosen.

All press inquiries should be directed to Mark Miller, Corporate Communications Manager at (800) 514-BOWL, ext. 3224.

## Milligan, Page Golden Again at Pan American Games

RIO DE JANEIRO, Brazil —Tennelle Milligan of Costa Mesa, Calif., and Rhino Page of Topeka, Kan., each won singles gold medals as the bowling competition at the Pan American Games came to a close Thursday at Barra Bowling Center.

Milligan defeated Venezuela's Alicia Marciano, 2-1, in the best-of-three, gold medal match, while Page got past Mexico's Daniel Falconi, 2-1, for the men's championship.

Team USA, which also won men's and women's doubles, swept the gold medals at an international event for the second time in two months. In May, the United States won all six gold medals at the Men's American Zone Championships in Guatemala.

Milligan won the decisive

game, 212-204, on the strength of three straight strikes late - the clincher coming on the second ball of the 10th frame on which she received a late messenger pin to knock down the stubborn 5 pin.

"I love the 5 pin ... and I love when it's the last one to fall," said Milligan, who returned to Team USA this year after a successful stint as a professional that saw her win three major titles. "I would have never thought it would've been a 5 pin off my hand. I thought it was pretty good, and the 5 was standing there. All of something came over and knock it over. I don't know what it was, but it was pretty nice to see it fall."

Milligan won the first game, 256-160, striking on eight of 11

# Kevin Gannon Wins Regular Division WCST Vaughn Doody Wins Senior

by Dick Sanders

LAUGHLIN—Kevin Gannon (Lakewood) upped his leading Life-Time WCST Money winnings to over \$75,000.00, and his 22nd WCST Title, with this big win at Riverside Casino Lanes in Laughlin, NV. This victory did not come easy. He started the finals as the leading qualifier with 2575 for the 10 games, and a 104 pin lead over Jeff Garrison. After Game #4, Kevin had fallen behind to Jeff , by 175 pins. But there never is any quit, when Kevin competes. He made a great comeback, not with scores, an exception of a 258 score in Game #9. Then winning 5 straight matches to bowl Chip Willett, who had made a big move from Games 9-11 rolling a 724 score. The lead over Kevin going into the position match was 55 pins. It came down to the 10th frame, where Chip need to double to win the tournament. He got the 1st one, the next ball a 7 pin count, then the spare to tie the qualifying totals. One extra game roll-off. Kevin beat Chip 223 to 199, and the Title. Russ Davies, who had bowled a 300 game earlier in the finals had an excellent opportunity to win. But in game 8, he rolled a 158 game, and lost the match. He ended up in 3rd place and losing to the leader by 46 pins. Jeff Garrison after winning his 1st 6 matches, never won another match, and finished 7th. It was also a tough day for PBA & WCST Champion, Eric Forkel, as he ended up in 8th place. TOP 4: 1st Place, Kevin Gannon, \$1000.00, 2nd Place, Chip Willett (Vista) \$715.00, 3rd Place, Russ Davies (Las Vegas), \$540.00, and 4th Place to Chris Frith (Trussville, AL), \$415.00.

47 Bowlers competed in the Regular Division. A tota of 12 bowlers to the finals, and 5 additional cash places paid out. The prize fund pay-off for this tournament was \$10,280.00. For 9 tournaments this year, a total of \$73,225.00 paid out, and for 255 tournaments, a total of \$2,871,168.00 paid out. This entry field was the biggest of the year so far for our singles tournaments.

Our thanks to our hosts, Mr. Don Laughlin, the proprietor of the Hotel, Casino and the Lanes, along with the General Coordinator of the center, Mr. Bryan Markowitz, and his Managers, Bill Street and Dave Furst, and to John Zammetti, in charge of all maintenance of the center. Our thanks to Ebonite International Company, our coverage sponsor, and to Bart DiBartolo, and Brenda Blandina, a great job with the brackets.

## \*\*\* SUPER SENIOR NEWS \*\*\*

Vaughn Doody (Las Vegas), captured his 23rd WCST Title, by making a strong gain after the 5th game to by then the leader, John Cocchi, who had Vaughn by 91 pins. Going into the position round, Vaughn was down to John by only 10 pins. Vaughn won the match 236 to 213, and the Title. Byron Richmond, started in 9th , and finished a strong 3rd place. 33 Super Seniors, the biggest so far this year, entered this Tournament, and had 10 bowlers to the finals. TOP 4: 1st Place, Vaughn Doody, \$700.00, 2nd, John Cocchi (Las Vegas), \$500.00, 3rd, Byron Richmond (Henderson, NV), \$450.00, and 4th to Bill Stempke (Burbank), \$425.00.

# Bob Hilovsky Holds On To Win WCST Ebonite-Luster Cote Inc. Singles Tournament At AMF Riverside Lanes. Jerry Ross, A Great Come From Behind Victory To Win Super Senior Division

by Dick Sanders

RIVERSIDE—Bob Hilovsky (Cherry Valley) won his 2nd WCST Open Divison Title last week-end at AMF-Riverside Bowling Lanes in Riverside, CA. Of the 8 finalists, only Bob, Don Blatchford the qualifying leader and Bob Markiewicz were in contention to win this tournament, although after Game #4, when Bob Hilovsky, rolled a 298 game, he was 136 pins up on Don & 156 pins ahead of Bob Markiewicz, but then losing 2 out of three of his next matches, the lead was dwindled down to just 54 pins going into the position match,

Bob Markiewicz was in 3rd and won his match 225 to 222 over Joe Merrill, to finish in 2nd as Bob Hilovsky beat Don 203 to 193, and with the 30 pin bonus captured the tournament by 35 pins. This Tournament had only 40 entries, and this coming on the heels of a big turn-out the week-end before at Laughlin, where there were 80 entries. I think there were many reasons why, the turn-out was low, as this the time of the year when vacations, begin, also about 5 or 6 bowlers were working this week-end, and others bowling the California State Tournament. This was also a re-scheduled tournament that was changed from early March this year to this past week end. The tournament had 22 Regular Division bowlers, and 18 Super Seniors.

Top 3: 1st, Bob Hilovsky, \$800.00, 2nd Bob Markiewicz (San Diego), \$525.00, and 3rd to Don Blatchford (Santa Monica),

\$375.00. \$5530.00 was the total pay-off. For 10 tournaments this year, a total of \$78,755.00 paid out, and over-all for 256 tournaments, \$2,876,698.00 paid out. The WCST would like to thank our host, the AMF-Riverside Lanes, and their workers for their cooperation. Our special thanks to Jan & Sue Niblett of Luster-Cote Inc, adding \$500.00 to the prize fund. This is the 22nd time they have sponsored one of our tournaments, also thanks to Ebonite International Company our coverage sponsor, and to Larry & Theresa Wilson for doing the brackets.

## \*\*\*\*SUPER SENIOR NEWS\*\*\*\*

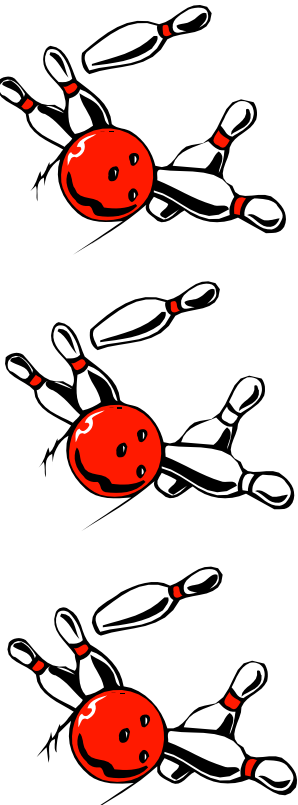

It has been over 8 years since Jerry Ross (San Marcos had won his 1st WCST Title, but this one his 2nd had to be very special, as he went into the position round of the 6 finalists 113 pins down from the leader, Jim Starks, what looked like a sure victory for Jim was not to be. Jerry rolled a big 265 game t Jim's 179, and Jerry's bonus pins of 30 gave him the victory by 3 pins. Jerry rolled 1425 for the 6 games. WCST

Champion Vaughn Doody finished in 3rd place losing by 49 pins. Top 2: 1st, Jerry Ross, \$500.00, 2nd,

# Fred Eggins Wins Eighth ABT Championship at Linbrook Bowl

ANAHEIM—Fred Eggins won his eighth Amateur Bowlers Tour (ABT) championship at Linbrook Bowl on Sunday, July 29, 2007 during our two-day tournament. Fred qualified on our Sunday morning special entry squad shooting games of 284, 270, 194 and 241 for a real fine 989 handicap series.

After the semi-finals, our finalists included Fred, Allan Aguilar, Michael Drohan, Jr. and Jenny Le. Finalists drew for their lane assignment. In the first round, Allan Aguilar took on Michael Drohan, Jr. Michael opened the match with two strikes in the first two frames while Allen opened the match with two spares. The match stayed close until the ninth frame when Allen opened. Michael won the match 217 to 189.

The other first round match saw newcomer Jenny Le take on Fred Eggins. Jenny marked in the first two frames before opening in the third frame and leaving a split in the fifth frame and then went off the sheet. Fred had strikes in the first four frames, spared in the fifth before running of three more strikes and striking out in the tenth. Final score of the match was 259 for Jenny and 284 for Fred.

In the championship match, the game was within ten pins for most of the match. Both Michael and Fred opened the match with a double. Michael opened in the third frame while Fred stayed clean through the match. Michael had an untimely open in the tenth frame and Fred took the match with a final score of 264 to Michael's 236.

Our newest champion, Fred Eggins is 34 years old and has been bowling for about ten years. Fred has a 300 game and 770 series to his credit. He was using a Track Phoenix drilled by Tim Aubin at Bowl-O-Drome for

He also wanted to thank his girlfriend, Monica, for being with him at the tournament, and to Linbrook Bowl for hosting the tournament this weekend and the Amateur Bowlers Tour-Orange County Branch staff and Directors for running an outstanding tournament. Fred plans on using his winnings for more bowling and to pay bills.

The Mystery Game Pot of Gold game and score were drawn after our final squad. Game #1 was the game drawn, and 274 (possibly good for \$300) was drawn for the first chance, second chance score was 114, and third place chance was 222. Lowell Thompson was the winner of the first chance having bowled a 274 in the first game during the 4pm squad. Remember,

# David Hill Wins Forest Lanes 6-Game \$300 Title

by Frank Kietz  
LAKE FOREST — David Hill from El Cajon, San Diego County, made the trip to Orange County worthwhile winning Forest Lanes’ Noon Saturday Six-Game Scratch Tournament’s \$300 title plus \$45 in high game and series awards.  
One hundred, eight-five average Poway Bowl kegler Hill was the giant killer defeating J.R. Montieth and Jeff Garrison. He shook ’em up starting with a high 756 series using games of 212-299 and 245, finishing with an even 1400 series.  
He said, “This was my third 299, no 300s and you know I was nervous all three 10th frames”. He left the six pin.  
Position money: First \$300, second \$100 and third \$50; high games worth \$15 while each three-game block was valued at \$30.  
J.R. Montieth, a hi-rev amateur finished the first block with a \$15 259 game and 1365 total opting to take his \$100 award in trust using it for his education.  
Garrison, all-city high school pitcher, came in like Drysdale tossing a 268 game ending with a 1337 going home with \$65.  
Ron Peters opened the second block with a high 256 coasting out with games of 246 and 203 for a \$30 705 series.  
Tim O’Neal sneaked in with a 234 picking up the sixth high game award.  
For more information regarding Forest Lanes’ scratch tournaments or leagues, call 949-770-0055.

continued from page 1  
first-ball attempts, but Marcano quickly rebounded with nine consecutive strikes to take Game 2, 267-214.  
“Alicia is a great player, and I didn’t expect her to bowl a bad game at the beginning,” said Milligan, who rallied to defeat the Dominican Republic’s Aumi Guerra, 2-1 (180-224, 244-158, 200-150), in the semifinals. “I go, ‘Uh oh, she’s coming back. I knew it.’ She just kept me on my toes.”  
Six straight strikes late lifted Page to a 256-184 victory in the final game. Like Milligan, he also jumped out into the lead - taking Game 1, 234-191 - before Falconi followed with a 265-233 win powered by 11 of 12 strikes.  
“Daniel is a great bowler and I knew I would have a tough match,” said Page, who lost to Falconi in the Masters gold medal match at the 2005 American Zone Championships in Costa Rica. “This week far exceeded my expectations. I’m just happy the way it turned out, very happy.”

**Team 10’s Nathan Salazar Hits 705 Pace Saddleback Sweep**  
by Frank Kietz  
MISSION VIEJO — Team 8 seems to enjoy Saddleback Lanes’ 9:00 p.m. Tuesday 615 Scratch Trio league lead. However, Team 10, consisting of Steve Fields, Scott Kohlmann using Nathan Salazar’s weekly high 267/705 swept nine points to challenge 8’s (Chapman, SanJuan, Porritt) position.  
According to Dana Childs, Sec.-Treas., the 615 Trios will aim at the August stretch drive which will be using a number of position rounds.  
According to the current standings, Team 3, Brad Jones, Andy Neeman and Brian Jones; Team 7, Rose, Saltz and Wilson, and Team 9, Key, Street and Maurer, all have excellent chances to win. Childs added, a couple of nine-point sweeps gives even the cellar trios a chance.  
Childs concluded, come on down and watch our trios in action. Call 949-218-7162 for more info.

# Alan “DRAGON” Aguilar Wins 3rd Title at Valley View

Alan’s or Dragon’s, as he is often called, shoulder didn’t hurt this weekend as he picked up his 3rd career title this weekend posting a +112 score.  
Alan is an X-Ray technician by trade and his married to his wonderful wife Veronica. They have a son (Allen 19). Dragon was throwing a Storm Barbed Wire on the wet condition this week and it was drilled Mr. Ben Mach of Mac’s Pro Shop located inside Westminster Lanes.  
Mr. Aguilar sports highs of a 300 game and a 765 series, small note of concern as mentioned by Alan, is that his 3 career 300’s were in tournament play and not sanctioned. A stubborn 8 pin has thwarted his sanctioned efforts on 7 occasions (OUCH). I am quite sure the feat will be accomplished at some point in his career. Alan would like to thank his good friend Ed Palma for making him come

down today and sponsoring him in this event. I guess that make 2 wins in a row for Ed...Great Job!! Alan would also like to thank Jenny Le for her support and to both staff’s of the Donkee Tour and Valley View Lanes. Congrats again Dragon!!!  
Both Mystery game and series this weekend were a carry over as no one shot 237 game or 698 series. The Donkee Tour will be off Aug 5th, so game will be worth \$200 and series \$750 at Bowl O’ Drome Aug 12th.

WEST COVINA — David Dittlinger stepped up and won his first ABTA title at West Covina. He did it the hard way winning from the top seeded position finally downing the crowd favorite Danny Cordova in the title game in a fine performance.

David wasn't the only bowler bowling well at West Covina. Angel Chau hit the Match Game for a tidy \$1,224 with his fine 158 game. That's \$7.80 per pin folks :-)

The West Covina Event had a great 232 entrants on a fair tournament shot. We had nice cut scores of men +44 and the ladies at a an Even 0, to make it to the semis of 57 Bowlers. Also added were Super Seniors Charles Vickers, Joe Parra (83 yrs Young :-)) and Esther Tambio.

Leading the Semis was one of our finest supporters David Dittlinger at +116. He sat out and bowled for the tite.In second was Billy Yount at +96. He would enter in round two of the single elims (top 16). It took a +66 (men) and (Ladies)+42 (3) guaranteed to make the sweet 16 single elim roll-offs.

The Bowlers took to the lanes. In the first round eliminated were Billy Garrett, Angel Wong, Youna Yun, Angie Nillo, Earl Mooore, Alan Gong & Michael Wong. They got checks of \$110 in 10-16th place.

In round two being eliminated were Billy Yount, Art Winsor, Kyle Mitsuchi, and Greg Kokanour. They they got Checks of \$120 in 6-9th place.

Round three had Danny Cordova down Ben Hurtado 218-197. Marc Montleongo took it to Som Seng. Som and Ben were 4th and 5th and \$130 each with Marc and Danny to meet for the right to bowl for the title against Dittlinger. In this match, Danny edged a trying but tapped Montelongo in a good one 260-240. A late split ended Marc's run, and he was 3rd, with Danny off to the title game.

The title game was set and the horses were paid! Danny returned \$40 for everyone who had him in the \$5 horse bets.

The title game was on. Both bowlers opened in frame 2. Dittlinger took a lead with a double in frames 4-5. Danny just couldn't hit

the right lane. After strikes on his left and David with another double in frames 7-8 held an insurmountable lead and won the event 193/212 to 164/179 and his first title was well deserved. Great bowling by one of the nicer guys I have ever met who hardly, if ever seems to miss an event. Title #2 is next.

Great bowling by Danny Cordova who did so well until the title game. He is a great guy also and perhaps would have won had he managed to hit the left lane which gave him his troubles. Great bowling Danny!

Tourney Hi Qualifiers were Hong Kha +131 for the men. Reina Flores led the ladies at +109 and they will get paid entries.

Alan " The Dragon" Aguilar teamed with Gentle Ben Hurtrado to top the doubles with a 1366, good for \$160, In second were Randy Henry and Greg Vlearde 1362 \$14 The Dragon did well cashing 5 times in the doubles which paid 13 places and \$1,248.

Anthony Martinez and Hong Kha were last up in the 3-6-9 roll off , and split the consolation of \$50.

**Dittlinger Wins ABTA Title at Brunswick West Covina Lanes** (L-R) Shaunte, Marc Montelongo 3rd, David Dittlinger (champion) Ted Barnes(his brother in law), Justin Foster Danny Cordova (Runner-up), and A. J. Garcia ABTA fan.

The Match Game was drawn by Dave Dittlinger. There was one winner Angel Chau whose 158 game got him a tidy \$1,255. We will estimate the Match Game to be \$1,250 this Saturday!

Match Series worth \$1,828, was drawn by Hong Kha and there were no matches. We will go for a big one, an est \$2,250, at Bowling Square for only a \$2.00 fee to enter.

Champion David "Don't call me Dave" Dittlinger hails from Hollywood, and used an old Vortex for the win. He is married (Mary Anne) and thanks Nancy Cato and Rick for getting him back on track with her lessons. Special thanks to the ABTA Staff and brother in law Ted for support at the event.

Danny Cordova is one of the fine Young Gentleman in our club and he hails from Covina. He used a Storm Shift drilled by Leonard Ruiz at West Covina . He thanks West Covina Lanes for hosting the event and the ABTA Staff (esp. Bob) and his parents John and Deborah for support.

Marc Montelongo another fine young man is from Apple Valley and used a Monster Hit drilled by Ed Hanson at Victor Bowl. He could have been the winner.

He is single and thanks God, Shaunte, Chris, Danny and Nancy for support.

It was great returning to West Covina. We will return there for our Big Labor Day Event.\$3,600 Min 1st Guaranteed and up to \$7,600 with Bonuses Fully Guaranteed regardless of entries. Thanks to new Manager Chad, and especially Joe, and staff for all the help , and D. Q. and Robert for the fine tournament lane condition. Congratulations to Chad. One of the Good Guys who will make a Very Fine Manager. He is super.

Bowling Square Lanes is our host this Saturday in a One Day Event. There are Qualifying squads at 12:00-1:00-2:30- 4:00 & 6:00PM .SemiFinals 7:45PM. # WHAT?

By Juette Holseth The Metro Bowler, publisher

The United States Bowling Congress (USBC) has great plans to build a special Training Facility next to their Research and Testing Facility (see separate story to the left). Why in the world would the USBC want to build a facility like this when a very small number of people will use it?

First, let's take a monetary look at this question.

A brand new 8-lane center, similar to the Training Facility, will cost between \$2.1 and \$3 million to build. That includes 8,000-10,000 square feet at \$200-\$250 per square foot and approximately \$500,000 for equipment (lanes, approaches, seating, machines and related equipment, etc.) plus CATS and other video equipment.

Using the lower estimate, payment on \$2.1 million (at 7% interest) will be \$14,800+ per month over 25 years. Add to that the salary and health benefits for coaches and a mechanic, utilities (gas, electricity, telephone, internet), lane maintenance (repairs, parts, oil, lane cleaner), insurance (general liability) plus other daily/weekly/monthly expenses.

If an off-the-street customer pays \$200 per day to be coached by the best in the country - more than 15 paying customers per day would be needed - 365 days a year for the next 25 years!

How many people will actually make use of this facility each a year?

Team USA will travel to the Training Facility perhaps four times annually (high estimate) for practice, coaching and preparation for upcoming national and international events. Their expenses (travel, lodging, food, etc.) would undoubtedly be paid by USBC because Team USA is our country's bowling representatives. No income would come from that grouping of approximately 50 people (bowlers, coaches and related officials) - so their appearances at the facility cannot be counted as income because the money will be coming from USBC coffers. Therefore, the daily 'cost of doing business' remains the same.

We must also assume that with a good lineup of coaches - bowlers from around the country and the world will travel to Milwaukee to use it, too. Not a bad idea if you want to get good coaching in a state-of-the-art facility. But, let's be realistic.

Minnesota bowlers are about five hours driving time from Milwaukee - a two-day roundtrip. If they practice for two days - their trip becomes a four-day adventure (vacation).

How many Minnesota bowlers will travel to Milwaukee each year - and pay to use the Training Facility at perhaps \$200 per day? My estimated number is less than 30. Perhaps Illinois and Wisconsin could have a few more taking advantage of the facility - but bowlers from farther away will have higher travel costs and time expenses.

How many total bowlers does USBC expect to use the Training Facility to pay for this building? Only the USBC knows that projected answer - but I don't think they're being realistic.

There are other options

Option #1: The Kegel Company (www.kegel.net) and John Davis have a tremendous 12-lane training facility at their office and plant in Florida where they manufacture state-of-the-art lane conditioning equipment and are well-known for technological advances within the industry. Their building has everything the Training Facility wants to install - and what's not in place could be added.

Davis is a strong supporter of bowling and would probably be glad to be part of this venture. He may even allow Team USA to practice there for

little (or no) cost. The general public is welcome to use the Kegel facility with only a little advance notice.

Option #2: Why not travel around the country, with the CATS system, visiting centers in areas with larger bowler bases? The set-up of the computerized system (perhaps six times a year) in different locations throughout the country would be much less expensive than building a special Training Facility that has no chance of paying for itself. Local advertising could be done (flyers to bowling centers, ads in bowling newspapers, local mass media, etc.) to attract bowlers which would be less expensive.

Concerning Team USA - wouldn't it be better for the team to go to 'real' bowling centers for practice rather than to the same place every time? When a regular bowler practices - he knows it's smarter to go to multiple centers rather than risk becoming a 'house' bowler. Lane conditions can be changed - but the atmosphere cannot.

Mark Miller, from USBC Public Relations, wrote the following after I sent an email to local bowling entities about the Training Facility. One copy was forwarded to the USBC, and he responded.

"I'd like to provide you with a few facts that weren't included in the original release that further explain why we are doing this.

"First, we are one of the last, if not the last, sports national governing bodies to create such an independent venue. I say independent in reference to your point on the Kegel facility. That's a private facility for which we have little, if any, control on how it operates. The same goes with commercial centers and the same goes when Team USA travels to Colorado Springs (US Olympic Training Center), since it must use a separate bowling facility to do its on-lanes training. To have a true world-class facility with the type of amenities needed to do it right, it must be independent and run by the national governing body.

"Second, the business plan calls for the new facility to be profitable and eventually pay for itself (Editor's note: how can it legally 'be profitable' when being owned by a non-profit organization?). How? Through the fees that people will be charged to use the facility. Who would use this? In addition to our Team USA athletes (Editor's note: the team would not pay. The money would come from USBC coffers - money out of your pocket.), college and high school teams, professionals and international teams will pay to receive world-class coaching and training. And, we believe once the general public knows the facility exists, a good enough number of them will come to learn from the best how to improve their games.

"Finally, if bowling is truly to be considered a sport and wants to be at the same level as other sports, it must create facilities like this. As USBC is dedicated to growing the sport of bowling, we believe that's what we must do."

Looking at the estimates I've provided, and reading Mr. Miller's response, something is definitely wrong.

Perhaps my assessment of the finances needed to build a center and keep it running are flawed - or could it be USBC's zealous anticipation of how many paying bowlers will be passing through the doors? Either way, this will be a very costly venture for everyone who supports USBC in each and every way.

Of course, the USBC was the immediate recipient of \$1 million in savings when they disbanded the Field Representative positions a few weeks ago. These men and women were the go-betweeners for local associations/ bowlers and national headquarters. The knowledge these people possess and the help they gave with one-on-one familiarity, will be sorely missed. It's unfortunate - but USBC didn't see a need for this type of customer service in its ranks.

In my humble opinion, the numbers just do not add up to a break-even business - and that's what USBC must strive for as they are a registered non-profit entity.

Does Team USA's current training (without an official facility) provide them with the necessary knowledge and expertise to win medals in international competition around the world? YES - and they're doing it consistently!

Does Team USA deserve the best coaching available? YES

Is there a more cost-effective way to accomplish this goal? YES

Our opinions will probably mean very little to the powers-that-be at the National level, but we have the right to express them. Remember, every league bowler will be paying for this facility through their sanctioning fees if the facility cannot get to a break-even point. It may be only a few cents from each bowler - but the money has to come from somewhere.

At some point in the future I may have to extend my apology for making incorrect assumptions about the financial stability of a bowling Training Facility when the venture proves to be successful without major corporate sponsorship (which has never been mentioned). Should I hold my breath and wait . . . ?

If you'd like to voice your opinion and perhaps ask USBC other questions about the facility- I suggest doing it as soon as possible. Write to USBC, 5301 South 76th Street, Greendale, WI 53129. Feel free to mention this editorial along with your positive or negative opinions to these USBC officials.

STUDIO CITY  
818-769-7600 or 877-2380

**BY NICE & SWEET**

STUDIO CITY — We now return to your regularly sched-uled program, **Alley Creature Theater.** The door creaks open with an unoled metal tinge. The ghoul walks through with a bag big enough to contain a body. The masses in the alley look in horror as the mad man eeks even closer. The monstrous hands hit the desk and a devilish voice an-nounces, "Can I get a lane?"

**PINZ ADULTS**  
The nervous worker, shaking, points to number 13, nooooooooooooo! He slips on his pre-approved bowling shoes (yes you have to wear the shoes). He unearths a clear bowl-ing ball with a skull emblazing in the middle. The league bowlers stop from their great games to view this. As they wait in horror check out their scores:

**Tavern Guild:** Rick Kondo 287-212/693, Bob Thomas 210-238/610, Ed Dusseau 216-212/605, David Quam 210-205, Jeff Pifko 231, Gary Brumburgh 206-201, Tina Hackett 223/550, Isabelle Vincent 200/517, Keren Shiu 200.

**Twilighters:** Darrell Meyerhoff "300"-236/725, Mark Spiwak 226-267-226/719, Dan Coffelt 215-266/673, Tony Deraud 211-217/619, Jim Moore 213-203-200/616, Bob Riffle 231/602, Ismael Cunanan 212-247, Lorill Clement 181/479.

**Kings & Queens:** David McKennett 206-215/611, Jon Schell 233, Stan Diamond 201-209, Gary Bieger 223-203, Brett Himmel 204-212, Scott Fields 213, Dana Lytle 200, John Harnois 204, Kristy Zinnes 209/509.

**Funseekers:** John Pagones 201-230/621, Jim Moore 235-200/618, Andrew Minyard 224-206, Ed Dusseau 224, Jeff Pifko 242, Tony Viacava 219, Jay Fletcher 215, Isabelle Vincent 191/506.

**SCBL:** Dave Yamamoto 260-228/657, Tom Wigmore 225-218/641, Nick Paul 246/611, Larry Potter 204-218/611, Will Petrasich 215, Steven Santay 205-213, Tony Laanan 220, Bob Thomas 226, Brian Patterson 201, Michael Gehrke 223, Byron Patterson 205.

**PINZ JUNIORS**  
The ball is released from his claw of a hand and thuds onto the synthetic lane. The ball howls down the lane like a banshee towards the pins. The pins are so scared that they turn white, sorry, a junior bowler just interrupted to explain that they are always white. Well since I was interrupted here are their scores:

**Senior Scratch:** Griffin Roth 213-207-203-211/831, Jamie Spector 204/782, Ethan Bensinger 230/762, Natalie Kato 211/757, Micah Jaffe 227/744, Andre Stojka 198/737, Leeanne Jilek 203/716, Natalie Honda 193/669.

**Senior Galaxies:** Max Korn 198/518, Daniel Co-hen 179/467, Rachel Acacio 162/385, Natalie Weisman 126/341.

**Junior Stars:** Nicole Martinez 85/239.

**PINZ SENIORS**  
Back to the howling ball and it's monstrous owner. The barbaric ball blasts through the pins and they erupt in every which way. The audience is a gasp as they see one lone 10 pin standing. The henchman turns his red eyes to the lane next to him with a wicked stare. The senior bowler looks at him and shrugs his shoulders saying, "Tough break. Well sit down and let us bowl please." The ghoulish man sits and is amazed by the audacity of this man but watches them bowl these scores:

**Joslyn Seniors:** Sam Marion 206/513, Sol Karnovitz 194/508, Gary Olsen 187/506, Lee Waldorf 182/499, John Dobson 187/484, Marge Snyder 167/441, Yolanda Dragotta 159/427, Terri Bonato 157/407, Audrey Bales 143/384, Mary Sorensen 137/376.

Bowler of the Week: This week's bowler is no ghoul, goblin and devil. Instead he is a man of candor and few words, a man who impresses people by his consistency in the sport of bowling, Darrell Meyerhoff. We could talk all day about any of his great series but his real achievement was last week when he bowled a 300. Great bowling, Darrell!!!!

NICEness quote of the week: If you want to be a star..... be a mon-star. — Dj Nice

NORWALK – Welcome back to Jr. Elims – Part II at Keystone Lanes. This past Saturday, the field put up some impressive numbers as we make our way to the end of qualifying. This week we had a double session for weeks 7 and 8 and the conditions held all the way through.

In the first session your high bowler was Jimmy Schmitzer, posting 204-230-203-224/861. Joining the 800 club was Jasmine Morales 213-200-216-219/848, J.D. Pelow 233-242/827, and Doug LaMere 212-236/800 (thank you). Nice going bowlers. Additional high scores were posted by Albert Fernandez 215-200-230/795, Ryan Aguilar 255/770, Andrew White 227-200/769, and Justin LaMere 226-214/769. Glad to see you bowlers can do it for me as well.

In the second half of the day things got even better. Mr. Aguilar starts us off with 236-233-211-256/936 and Mr. Pelow enters the 900 club with an extremely nice 300/232/910 (I knew you'd give me that perfect game eventually). Way to bowl gentlemen. For the 800 club we have Mr. Fernandez with 242-203-221-214/880 and Mr. White 232-206-213/811. Now that's what I like. And to finish off the reportable scores is D. LaMere 222-200/787 (two in-a-row), Morales 200-226/776, Daniel Munoz 224-249/768, Schmitzer 203-203/757, and Amanda Neil 216. Very good all of you!

With one session to go the races for qualifying awards is very close and this coming week, anything can happen. The team called Giant & A Circus Midget (don't ask) (Pelow/Aguilar) are in first place with 137 points and a mere 10 point lead over second place They Can Be Deadly (White/Schmitzer). With 21 points on the line this coming Saturday and with Pelow/Aguilar both having pre-bowled, the advantage swings towards White/Schmitzer. We'll see.

As with the team standings, the other awards are close as well. J.D.'s perfect game currently sits on top of boy's high game, while Aguilar holds high series (941) for the guys. Jasmine and Amanda will split the female awards, which currently is 848 and 216 respectively. Team honors is Giant & A Circus Midget with 1846 for high series and They Can Be Deadly with 478 for high game. And for match point champion we have the girls with only 4 points separating them and Jasmine still needing to do one session make-up. For the guys, we have three that could claim this title; Aguilar (24 points), Pelow (25 points), and Schmitzer (25 points).

So as you can see, all the awards are still up for grabs or to tie. So much so, that I would not be able to cover all of the possibilities in order to have the awards ready this Saturday. We will therefore push our awards to the following weekend, which begins match play. Alright then, I want everyone to get in your best practice and plenty of rest. Some of you have make-ups so be prepared. I will see you all on Saturday.

# 2007 TM National Finals July 29-August 3 PETERS and HAMILTON WILL DEFEND TEEN MASTERS TITLES

## 2006 Champions Headed for Las Vegas

LAS VEGAS—Winning the Teen Masters National Finals is the biggest thing to ever happen in bowling to two very talented teens, Jake Peters Decatur, Illinois and Brittnei Hamilton Webster, NY. Their TM titles came in Orlando, Florida last summer, and both champions will be at the Orleans Bowling Center in Las Vegas next week to defend their titles.

Hamilton defeated Florida's Ashley Galante to win the 2006 girl's crown and a \$7500 scholarship award. Peters won the boy's and overall title to earn a \$10,000 scholarship. Galante will also be in this year's field.

Peters recently graduated from Hillside Bethel Christian School in Decatur, and will use his scholarship to attend Wichita State University this fall, where he will join the powerful Shocker Bowling Team. "I am very excited about going to WSU," said Peters. "Winning the Teen Masters has boosted my bowling beyond belief."

Hamilton will be a senior this year, and since winning the TM, she won the New York State Singles Tournament, rolling an 800 series in the event. She was also named to the Dexter High School All-American Team. (www.dexterbowling.com)

Both players acknowledge that there is a little more expectation going into this year's event, but they will approach it with a positive attitude. "I'm preparing just like any other event," said Peters. "I'm just going to go out there and try my best to make the best shots and good decisions, and hopefully, if things go right, at the end of the week, I'll be in a position to have a chance to win again."

Hamilton has been getting ready by seeking coaching from some of the best players in the sport. "The past couple of months, I have attended some excellent bowling camps and received instruction from [PBA

player of the year] Doug Kent, Lynda Barnes, and Shannon O'Keefe. I've tried not to focus on becoming champion again, but rather on my game and taking it one game at a time, one cut at a time," she said.

"Until you actually win something this big, you have a little doubt inside," said Peters. "After winning last year, I have a whole lot more confidence in my game and ability." "My attitude really hasn't changed," said Hamilton. "I know I still have to try my hardest and I'm not going to win everything that I compete in, because there is a ton of competition out there. Bowling is something I'm going to do the rest of my life, and I have learned so much from holding this title, and I continue to learn to this day."

Both of these young bowling athletes rely on their family for strength. One of Hamilton's three brothers and one of her aunts will be in Vegas rooting her on. "My family is always the center of my support," she said. "My whole family is still showing me the same love and support they always have," said Peters. Almost 400 youth bowlers will compete in this year's TM national Finals.

The 10th Annual Teen Masters National Finals will roll July 29 – August 3 at the Orleans Bowling Center in Las Vegas. It is presented by Gary Beck's Killer B Promotions and sponsored by Dexter, Kegel, The PBA, The USBC, and The BPAA. For more information, the finals schedule, and a roster of finalists, go to www.teen-mastersbowling.com.

## Billy Myers Sr. Retiring And Moving To San Diego

LAKEWOOD— Thursday, July 26, was Billy Myers Sr. last day at Cal Bowl. He had been at Cal since April 2004.

He will be missed greatly by the bowlers, beginners to pros and by the staff. Everyone he comes into contact with becomes a friend. Billy apologized for not being at Cal the last couple of days, but he was ill and had to miss helping the people that had come to see him.

Next to Lottie, he says that bowling is the love of his life. He has had a love affair with the game and particularly here in Southern California. Bowling has let him experience many things in his life that he would not have gotten a chance to do. He particularly wanted to thank everyone for the kindness, friendship and respect that they have shown him at Cal Bowl. He will miss everyone!

### EDITOR'S NOTE:

Who can forget the man-aging years at La Puente Lanes?

The Ragtime Doubles? Being top dog at Santa Anita Lanes? Billy Sr. participated on the FIRST P.B.A. tour and holds a title. The San Gabriel Valley Men's Association was smart enough to induct him into their Hall of Fame. Billy Sr. also holds a spot in the So. Calif. Bowlers Hall of Fame. Billy amazed us all when he converted from left-hand to right-hand, just to keep playing the game!

Bellinder, Corona, Thierry, Anderson & Rogers

Share The Spotlight in Rocky Marsh Doubles

by Joy McGregor

It seems all one has to do is casually mention how the scores have "cooled" (like the stock market) and B A M ... the "heat" returns!! We had a bevy of high scores Friday morning in the Rocky Marsh Doubles. Yay!!!

Frank Bellinder topped the list of 900 shooters with his consistent games of 235-225-223 and 236 to register a league-leading series at 919.

Ron Corona, Jr. right on Frank's heels, tossed 224-245-210 and 238 to score 917.

Lloyd Thierry bordered on perfection in his first game with his very first toss resulting in a ringing, pesky 10-pin. This, obviously, upset him because he proceeded with his strike fest and went off the sheet for a fab 290 game. He continued with more X's and a 242 game. He ran into a few splits, etc., in his next two games but managed to post a nice 4-gamer at 913.

Our fair lady Janet Anderson was certainly HOT and showed all the guys how it's done, stroking 246-239-212 and 215 to record a fine 912 set.

E.J. Rogers, no stranger to being in the spotlight, rounds out the list of 900 shooters. This talented lefty shot games of 224-213-256 and 217 to post 910.

More HOT scores: Carl Adinolfi 236-881, Alan Bloom 244-869, Terry Brent 227-859, Ronny Thompson 232-857, Al Lara 232-840, Ron Marcus 223-836, Bob Gosnell 233-831, Shig Shoji 266-824, Ron Douglass 244-823, Orlando Vanegas 236-820, Ryan Robison 255-801, Gene Plotnick 236-801, Hong Kha 253, Fred Voysey 227, Marie Barbush 226, Gloria Ferrulli 216, John Phillips 214, Ed Signorino 213, Diane Salinas 212, Roy Sager 209, Dahanna Klerer 204 and Bob Fulton 203.

Excellent bowling, people!! Until next week...
