## Joel Carlson Wins PBA50 David Small's JAX 60 Classic

*Missed spare in 10th by Brian Kretzer opens door for Carlson*

JACKSON, Mich.— Joel Carlson of Omaha, Nebraska threw three pressure-filled strikes in the 10th frame of the title match to beat top seed Brian Kretzer of Dayton, Ohio, 259-255, to win the PBA50 David Small's JAX 60 Classic presented by Track Friday for his second PBA50 Tour title of the season.

Carlson, who won the PBA50 Hamilton Lanes & Entertainment Center Open earlier in the season for his first career PBA50 Tour title, also took advantage of a missed 3-6-10 spare by Kretzer in the 10th who had started the match by converting the 3-6-10 spare in the first frame and then threw eight strikes in a row before missing the spare in the 10th.

Joel Carlson

"That's one thing I've learned and that is never give up," said Carlson, who watched as Kretzer finished the match first by missing the spare and leaving him the opportunity to win with a double and seven count. "Once he got the strike in

## O'KEEFE WINS THIRD TITLE OF 2019 AT PWBA EAST HARTFORD OPEN

EAST HARTFORD, Conn. — Shannon O'Keefe of Shiloh, Illinois, continued her dominance on bowling's biggest stages Saturday after collecting her third title of the 2019 Professional Women's Bowling Association Tour season at the PWBA East Hartford Open.

O'Keefe, the top overall seed, delivered in the ninth and 10th frames at Silver Lanes to secure her 11th career PWBA Tour title, defeating Germany's Birgit Pöppler, 225-203. O'Keefe claimed the \$10,000 top prize with the win, which was broadcast live on CBS Sports Network.

Neither player relented in the championship match,

Shannon O'Keefe

but back-to-back spares in the eighth and ninth frames from Pöppler gave O'Keefe the opportunity to take the title.

After talking with her husband, Bryan, about

her pace to the line just moments before her final frames, she made the adjustment she needed to strike in the ninth and first shot of the 10th frame to give herself the opportu-

nity to secure the win. She knocked over nine pins on her next delivery to seal the victory.

"I've had a tendency throughout my career, when I try to slow down my tempo, I can get really mechanical," said O'Keefe, the 2018 PWBA Player of the Year. "After that lucky break in the eighth, I looked at him and he told me to just walk. So, I really felt like those shots in the ninth and 10th were unbelievable shots. I'm so grateful he was there. He knows my game so well and can deliver that kind of message in the heat of the moment."

O'Keefe now finds herself in a familiar position as continued on page 5

## MARK BAKER – World's No. 1 Bowling Coach

by Frank Weiler

SAN BERNARDINO – For a couple of decades now I have been writing about California bowlers and time and time again these bowlers attribute their success on the lanes to Mark Baker. When I keep hearing more and more bowling success stories and the gratitude these bowlers express for the help, they have received from Mark Baker, I have to wonder if he must be the "NUMBER 1 BOWLING COACH IN THE WORLD"!

In 2012 Mark wrote a Bowling instructional book entitled "The Game Changer – A Simple System For Improving Your Bowl Scores". During the years since the book was published, I continually run into bowlers who have read the book to their benefit. Some even carry it in

their bowling bag for quick reference. These bowlers are so influenced from lessons from Mark and by his book that they become "disciples" of his bowling philosophy.

When a coach is so successful and so influential, he must be special. When a coach is so respected by his students, he must be a level above his peers. That is why I consider Mark Baker to be the "NUMBER 1 BOWLING COACH IN THE WORLD".

To further support my premise, I opened his book and read testimonials by such Bowling greats as CHRIS BARNES, TOMMY JONES, and ROBIN ROMEO. Listen to what they have written.

Chris Barnes believes that Mark Baker's system of coaching is revolution-

Mark Baker

ary and truly something that will change the way the sport is taught. He claims this bodes well for the future of competitive bowling and believes that what Mark is doing is truly a game changer. Chris has said that Mark has the gift of an eye for motion. He goes on to say that it doesn't take Mark many shots to not only see irregu-

## Voss Beats Sullins in Title Match Thriller to Win PBA60 David Small's JAX 60 National Championship

*Voss defeats Sullins 264-256 in title match decided in 10th frame for first PBA60 title*

JACKSON, Mich. — PBA Hall of Famer Brian Voss, a 25-time Go Bowling! PBA Tour and two-time PBA50 Tour titlist, defeated Harry Sullins 264-256 in the title match to capture the PBA60 David Small's JAX 60 National Championship in memory of Mel Wolf title Monday at JAX 60 Lanes for his

first PBA60 win.

Competing in the tournament exclusively for players 60 years of age and older, Voss started the match with eight strikes before he opened in the ninth frame after leaving the 4-6-7 split. Sullins, who also was trying for his first PBA60 title, was able to stay in the match with

a string of eight strikes of his own after a 7-10 split in the second frame. The USBC Hall of Famer, who is a five-time PBA Tour and three-time PBA50 Tour winner, had a chance to win the match with a strike on the second ball of the 10th frame but left a solid 10 pin which gave the win to Voss.

larities, but to identify the fixes as well. Whenever a coach has made suggestions to me (Barnes) regarding my game it's always been my practice to question it. There are two reasons for this. First, to fully grasp the idea behind a suggestion so I understand it and fully grasp the logic behind the it. Second, to see if the coach really knows what the heck he is talking about. According to Barnes, Mark is the only coach he's worked with who could field a seemingly endless series of bowling "whys" and, because his system covers every element of the physical game, he can continue to respond with answers that makes sense.

When Chris Barnes says that Mark Baker is the best coach he has ever worked with, that is quite an endorsement. In fact, it is compelling evidence supporting my belief that Mark is the premier Bowling coach on the planet.

If you need more convincing evidence read what Tommy Jones has said about Mark Baker: "Mark's eye for seeing things is unmatched compared to any other coach that I've ever worked with. When I was in a really bad slump in 2008, Mark watched me bowl and in a matter of 30 minutes had me believing I could win again. He is very easy to work with because of his out going personality and positive attitude. He makes everyone that he comes into contact with a better bowler and a better person. I am very glad to have met Mark and he is now not only my coach but also someone that I consider a friend. Thanks, Mark, for all that you've done for me".

Let me repeat what Tommy Jones said: "Mark Baker's eye for seeing things is unmatched compared to any other coach that I've worked with". That compliment is from a 19-time PBA National Tournament Champion! Let that sink in.

In the meantime, let me tell you what 17-time PWBA Tour Champion, Robin Romeo, has said about Mark Baker. She has known Mark for over 30 years and when she needed some tune up lessons, she called Mark. She found that everything about his reputation as a great coach was true. She was immediately impressed with his coaching eye and agreed with is coaching philosophy. She was impressed with Mark's bowling knowledge and his organizational skills but most of all by his compassion and rapport with bowlers. She claims his communication skills and energy level are second to none and he has a wonderfully interesting way of conveying information to bowlers, regardless of their ability. To quote Robin: "Mark Baker is one of the elite coaches in the world".

What about Mark Baker's extensive experience in the Bowling industry? His book tells how he has been active in the sport of bowling for more than 35 years, as a competitor, as a salesperson and now as an instructor. Mark, a Southern California native, was an avid athlete excelling in baseball and earning national recognition and accolades as an outstanding high school basketball player in addition to establishing himself as one of Southern California's top junior bowlers ever.

Mark turned professional bowler in 1982 and enjoyed a very successful bowling career, winning four PBA National Tournament titles and appearing on television as a top-five finalist on more than two dozen occasions. In the mid-1980s he established himself as one of the premier bowlers in the world, earning the "George Young High Average Award" in 1985 and a selection to the prestigious Bowlers Journal All-American First Team.

Mark's professional bowling career was shortened due to a serious back injury, but his bowling exploits earned him inductions into both the Orange County and Southern California Bowling Halls of Fame.

While working as the Southern California Sales Manager for CAL Bowling Supply Mark started coaching. He was so good at coaching that his coaching business rapidly grew until he became a full-time coach. Coaching success led to Mark starting "Camp Bakes" which is now considered one of the premier bowling camps in the world.

For his achievements and coaching Mark has been named one of the TOP 100 COACHES IN THE UNITED STATES by the Bowlers Journal International magazine on three separate occasions. He has also coached several PBA Champions including Chris Barnes, Jason Couch, Michael Fagan, Tommy Jones, Mika Koivuniemi and Bill O'Neill.

In addition to all of the above let me tell you a little more about Mark Baker the man. Every time I have come in contact with Mark, he has always been cordial and very friendly. He always greets me with a big smile that makes me feel like we have been friends for a lifetime when in fact we only see each other once or twice a year. This man is truly special, one in a million.

Mark has the temperament, the knowledge and the superior physical and mental abilities necessary to be the best coach on the planet. Mark Baker is the "NUMBER 1 BOWLING COACH IN THE WORLD".

One more point. Mark was born, bred and still lives in California. We know that "THE BEST BOWLERS IN THE WORLD COME FROM CALIFORNIA". Now we know that "THE BEST BOWLING COACHS IN THE WORLD COME FROM CALIFORNIA".

The San Gabriel Valley USBC would like to congratulate Henry Lee, who bowls out of the Chaparral Lanes Youth Program, on bowling a perfect 300 game (His first one!) in the California State Youth Championship Tournament this past weekend in Oroville, CA. Henry was also nominated earlier this season as The San Gabriel Valley 2018-19 Male Youth Bowler of the Year! Nice Bowling and CONGRATULATIONS Henry!

# PWBA “PLAYER of THE YEAR” RACE TIGHTENS

by Frank Weiler

After last weekend’s PBA/PWBA Storm Striking Against Breast Cancer Mixed Doubles Tournament and with just five more PWBA National Tournaments left in the 2019 season, the race for “PLAYER of THE YEAR” has tightened. As I write the race appears to be a two-player contest between last season’s “PLAYER of THE YEAR” Shannon O’Keefe and this season’s U.S. OPEN Champion Danielle McEwan.

The TOP TEN players at this time are:

1.	Shannon O’Keefe	71,350 Points
2.	Danielle McEwan	70,210
3.	Dasha Kavalova	56,720
4.	Clara Guerrero	52,415
5.	Jordan Richard	50,095
6.	Missy Parkin	46,750
7.	Josie Barnes	45,410
8.	Liz Kuhlkin	44,775
9.	Tannya Roumimper	44,380
10.	Liz Johnson	43,750

The players will be converging on East Hartford, Connecticut on Thursday, August 1 to compete for the East Hartford Open Title and added points toward the coveted “PLAYER of THE YEAR” Award.

While McEwan has been the hottest player on tour recently, I like O’Keefe’s chances to repeat as the PWBA’s Top Bowler. At the PWBA Tournaments I’ve attended she appears to be more focused and intense than the other women. While these attributes don’t guarantee winning, they are necessary if a bowler is going to be competitive.

## WALTER RAY WILLIAMS JR. ADDS ANOTHER UNIQUE FEAT TO HIS RESUMÉ

PBA Hall of Famer and multi-record holder Walter Ray Williams Jr. added another unique feat to his lengthy resumé during the PBA50 River City Extreme Open in Monticello, Minn., when he bowled a 300 game using the increasingly popular two-handed technique. Unofficially (because the PBA has never tracked such a feat) Williams is the first player ever to bowl 300 games in PBA national competition using the traditional one-handed technique as well as two-handed.

In addition to his two-handed perfect game, the 59-year-old Williams also has bowled 108 “traditional” 300 games in PBA competition.

PBA West/Northwest Regional Manager Gary Mage has noted that regional competitor Dean Richards of Tacoma, Wash., also has accomplished the one-handed/two-handed 300 feat in PBA Northwest Region competition.

she increased her lead in the PWBA Player of the Year race, but she's focusing on a different mindset in 2019 as she looks to continue the momentum from another big win last month as part of Team USA.

O'Keefe paired with Stefanie Johnson of McKinney, Texas, to win the gold medal in doubles competition at the 2019 Pan American Games in Lima, Peru.

"I haven't even looked at the points once this season," said O'Keefe, who's also won the PWBA Twin Cities Open and PWBA Tucson Open. "I can only control what I'm doing. Last year, I got so caught up in what everyone else was doing, and it made me miserable. I needed to change my mindset. I've really wanted to just have fun and soak in every moment this season. It's made everything much more enjoyable, and I'm going to keep doing what I'm doing."

Pöppler put together six consecutive strikes in the middle of her semifinal win to move past 2018 PWBA Rookie of the Year Jordan Richard of Tecumseh, Michigan, 236-207.

Pöppler, the 2017 PBA/PWBA Striking Against Breast Cancer Mixed Doubles champion with Jason Sterner, had to earn her spot in the elite field this week through a pre-tournament qualifier (PTQ) on Thursday at Silver Lanes, since she sat outside the top 24 in points heading into competition this week.

She led the 60-player field Thursday and continued her momentum throughout the main event. Her second-place finish also helped her move into the top 24 in points, meaning she will not have to bowl in the PTQ next week at the Pepsi PWBA Louisville Open.

"I started pretty well in the first match, but I knew the second match was going to be tougher because Shannon had moved left with some surface, so I had to jump left," Pöppler said. "When I really needed good shots, I couldn't make them, so I can't blame anyone else.

"I had to bowl the PTQ, and I don't think the pattern seemed that different when we practiced later that day. I felt pretty confident, and I just tried to enjoy the fact that I made it into the field. I'm glad I won't have to bowl the PTQ next week in Louisville."

Richard advanced to the semifinals by delivering in the 10th frame against Colombia's Maria José Rodriguez, 199-182. Working on a strike in the ninth frame, Richard rolled a strike and toppled seven pins to shut out Rodriguez.

Rodriguez bounced back from an early miscue in her opening match against Latvia's Diana Zavjalova to collect a 212-193 victory. Rodriguez missed a 10 pin in the third frame but rolled strikes on five of her next six shots on the way to the win.

A total of 32 players earned spots in this week's main field. The top 24 players on the 2019 PWBA points list (through the U.S. Women's Open) secured automatic spots in the field, while a PTQ held Thursday at Silver Lanes determined the bowlers filling the rest of the field.

Three players in the elite field - Erin McCarthy of Omaha, Nebraska, and Singapore's Shayna Ng and Cherie Tan - did not compete this week, which allowed 11 bowlers to advance from the PTQ.

The main field bowled 16 games Friday to determine the top 12 competitors, which bowled an additional six games Saturday. Total pinfall for 22 games determined the five finalists.

[BowlTV.com](#) provided livestream coverage of all rounds leading up to the stepladder finals.

The 2019 season will continue next week as the Pepsi PWBA Louisville Open heads to Executive Strike and Spare in Louisville, Kentucky, from Aug. 8-10. The stepladder finals will air live on CBS Sports Network on Aug. 10 at 5 p.m. Eastern.

“That’s why I bowl right there,” the 61-year-old Voss said of his victory. “I wanted the 300 game but it probably turned out more exiting the way it ended. It doesn’t matter how old you are or how many times you’ve done it, winning never gets old.

“I was really into it and Harry was too,” Voss added. “We were really pushing each other. I got a little slow with that shot in the ninth frame but fortunately I learned from it.”

Voss had a 13-3 overall match play record including a 6-0 run in the final round which contributed to his surge to earn the top seed for the stepladder finals.

“I didn’t feel I was bowling that great early in the tournament but when I got to match play I figured out I was just arcing the ball too much,” Voss said. “As it turned out I could just move a little further to the right and not put so much arc on the ball.”

Sullins, the no. 2 seed, won the semifinal match thriller 235-234 over No. 3 seed former Team USA member Jerry Sikora who left the 3-9 on his final shot of the 10th frame to give Sullins the win and a berth in the title match.

In the first stepladder match, three-time PBA50 Tour and one-time PBA60 titlist Mike Dias beat No. 5 seed and newly-crowned PBA60 Player of the Year Ron Mohr 211-200. In the second match Sikora beat Dias 227-190 to meet Sullins in the semifinal.

PBA Hall of Famer Johnny Petraglia, 72, led the first four rounds of the tournament but eventually finished sixth, losing to Mohr in the position round match in the final match play round to miss the finals.

The tournament was named in honor of longtime PBA50 competitor Mel Wolf who passed away in 2011. The one-time PBA50 Tour titlist was the driving force in bringing the senior tour to Jackson in 1992.

The PBA60 Dick Weber Championship presented by The DeHayes Insurance Group and 900 Global at Pro Bowl West in Fort Wayne, Indiana concludes the 2019 PBA50/60 season Aug. 7-9. Mohr, an 11-time PBA50 Tour and two-time PBA60 titlist, is the defending champion.

# PBA Tour Heads East for Three FloBowling PBA Summer Tour Stops

CHICAGO – The best bowlers in the world are on their way to the East Coast for a three-tournament series as part of the FloBowling PBA Summer Tour, a 10-event program that features lucrative side benefits for those bowlers who perform at a high level across a variety of scoring challenges in a variety of locations.

Those who excel will be rewarded with bonus prize money and incentives including bonus cash to the top five in the USBC Cup points standings, eight berths in the end-of-summer FloBowling ATX Invite and eight expenses-paid trips to China for the inaugural PBA China Tiger Cup in November. It’s all part of the 2019 Go Bowling! PBA Tour.

The first stop on the eastern swing will be the PBA Harry O’Neale Chesapeake Open hosted by AMF Western Branch in Chesapeake, Virginia, Aug. 9-11, where seven-time PBA Tour titlist Dick Allen of Lexington, South Carolina, will defend his 2017 title, won during the PBA Tour’s last visit to Chesapeake. Allen also will be trying for his third title of the 2019 season.

The Chesapeake Open is named in honor of long-time PBA South Region tournament manager Harry O’Neale, who was inducted into the PBA Hall of Fame for his service to the organization in 2016.

Ten Pin Alley Family Fun Center in Wilmington, North Carolina, will host the second stop, Aug. 12-14, where 22-year-old two-hander Anthony Simonsen of Little Elm, Texas, won his third career title in Wilmington’s inaugural PBA Tour event in 2017. Puerto Rico’s Cristian Azcona is the defending champion.

The stars of the PBA will complete their eastern swing Aug. 16-18 at Mid-County Bowling & Entertainment Center in Middletown, Delaware, where Simonsen won the 2018 Gene Carter’s Pro Shop Classic in historic fashion, using his two-handed technique as a left-hander to defeat Matt Sanders of Evansville, Indiana, 216-194, in the title match.

After the first two events of the FloBowling PBA Summer Tour, Lubbock Sports Shootout winner Jakob Butturff of Tempe, Ariz., and “Luci” Mixed Doubles title-winner Kyle Sherman of O’Fallon, Missouri, shared the points lead with 2,500 points. They are followed by AJ Johnson of Oswego, Illinois, with 2,245 points; EJ Tackett of Bluffton, Indiana, with 1,895, and England’s Stuart Williams with 1,805.

Fans can follow the summer points races (USBC Cup, FloBowling ATX Invite and PBA China Tiger Cup) by clicking on this link: <https://www.pba.com/SeasonStats/PointsList/132?list=10>. Points also play a key role in selection of PBA’s 2019 Player and Rookie of the Year, and for entry priority consideration for selected 2020 PBA Tour events. At the completion of the 11th annual Delaware tournament, the PBA Tour heads to the Midwest for the PBA Bowlerstore.com Classic presented by Moxy’s Xtra Pair at Pla-Mor Lanes in Clearwater, Ohio, followed by the FloBowling PBA Summer Swing presented by the Brands of Ebonite International at Parkside Lanes in Aurora, Illinois, where the PBA Wolf, PBA Bear and Aurora Open titles will be at stake. U12 Girls is Katelyn Abigania (2nd win), U12 Boys Elias O'hollaren (1st time win)

# TEAMMATES TAKE U12 TITLES AT 2019 JUNIOR GOLD CHAMPIONSHIPS

by Terry.Bigham

ALLEN PARK, Mich. – Katelyn Abigania of San Diego successfully defended her U12 girls title and her USA Bowling teammate, Elias O’Hollaren of San Diego, won the U12 boys title at the 2019 Junior Gold Championships presented by the Brands of Ebonite International.

Both Katelyn and Elias were the No. 3 seeds in the championship rounds that aired Tuesday on CBS Sports Network from Thunderbowl Lanes.

Not only did each have to win two matches on the TV show, but both had to defeat the opponent who sent them to the elimination bracket during match play.

“It’s amazing, I’m just kind of speechless right now,” Katelyn said after her victory. “Coming into this tournament, with high expectations and a lot of pressure on me, I definitely pulled it off, especially for me being only 12. And now, winning back to back ... (two-time Junior Gold champion) Solomon (Salama) is like 16 now, and he’s doing big stuff, so I can’t wait to see what’s in my future.”

Katelyn was the top qualifier for match play, but lost her second match in the bracket to Abby Starkey of Schaumburg, Illinois, 379-359, in the two-game total-pins match. Katelyn then had to win two matches to earn the No. 3 seed for the televised finals.

In the opening match against Gianna Brandolino of Joliet, Illinois, Katelyn trailed by 15 pins through seven frames. But Gianna suffered a 7-10 split in the eighth frame and then missed a single-pin spare to open the door for Katelyn, who stayed clean for a 180-174 victory.

“Like last year, I said it’s never over until the game’s actually over,” Katelyn said. “I thought I was going to lose the first match. And during match play, since I lost my second match, I thought it was over but here I am again.”

In the title match, Katelyn had a rematch against Abby.

Abby could not convert spares in the first, fourth and fifth frames, and though Katelyn did miss a single-pin spare in the fourth frame, she also had three strikes in the first five frames to build a 26-pin lead. She would stay clean the rest of the game, including striking out in the final frame, for a 196-147 victory.

In the boys final, Elias followed his USA Bowling teammate’s lead, winning the title as the No. 3 seed. Elias and Katelyn are on the SDLV team in the USA Bowling National Championships.

In the match-play bracket, Elias lost his opening match to Duke Knudsen of Redmond, Washington. But Elias also made it back through the elimination bracket to claim the title.

“It feels great, especially because I was down after I lost that first match,” Elias said of winning the title. “I felt like I was done, because I bowled so poorly in the first match. I came in not wanting to get into the elimination bracket, because I think the elimination bracket brings out the best of everyone.”

In his opening TV match against Braden McDonough of Coppell, Texas, Elias strung together three strikes, starting in the third frame, to build a 32-pin lead and would go on to take a 200-168 victory.

Elias then faced Duke again, this time with the national title on the line.

Trailing by three pins through seven frames, Elias watched Duke trip a 4 pin for a strike in the eighth frame. In the ninth, Knudson was able to convert his 2-4-5-8 leave, but it left the door open for Elias.

He struck in the ninth and then posted strikes on his first two shots in the final frame to take the title, 211-197.

“I didn’t know he was going to miss in the ninth, so I was just thinking to put pressure on him, make him have to double in the 10th to win,” Elias said when asked his thoughts heading into the final frames. “And then he missed, and I was like, ‘I can shut him out now.’”

Competitors in the U12 division bowled 16 qualifying games over four days (four games each day) before the field was cut. The advancers then bowled an additional four games to trim the field to the top eight boys and top eight girls for match play.

Match play was a double-elimination bracket consisting of two games with total pin-fall determining the winner.

The U12 division had 262 boys and 134 girls.

# TITLES DETERMINED AT 2019 USA BOWLING NATIONAL CHAMPIONSHIPS

**SPOILER ALERT:** The following story contains information about the two USA Bowling National Championships matches that will air on CBS Sports Network in August. Complete stories will be distributed after each final airs.

ALLEN PARK, Mich. – Champions in 12-and-under and 15-and-under divisions were determined Friday as the 2019 USA Bowling National Championships presented by Six-lets came to a close with the title matches at Thunderbowl Lanes.

The event brought together the top youth teams in the country to compete for national championships in the two divisions. The finals were taped for broadcast on CBS Sports Network.

CBS Sports Network will televise the U12 title match on Aug. 20 at 8 p.m. (Eastern) and the U15 final will air Aug. 27 at 7 p.m. (Eastern).

The Chesapeake Bay Strikers, the Northeast Region champions, faced South Central Region champion USA Bowl for the 15-and-under team title.

The opening game of the best-three-of-five Baker matches started with a string of strikes before each team went 9-spare in the fifth frame. When USA Bowl failed to convert a 6-8 split in the seventh, the Strikers took a 10-pin lead and held it the rest of the way in a 247-237 victory.

Both teams struggled in Game 2, but James Bennett’s pair of strikes in the final frame was enough to lift the Strikers to a 180-167 victory.

With a chance to sweep USA Bowl, the Strikers strung together seven consecutive strikes for a 249-207 victory to claim the U15 national title.

In addition to Bennett, teams members include John Banfield, Nicholas Menendez, Nate Trentler and Laney Wells.

The USA Bowl team was comprised of Jacob Ballenger, Ellie Drescher, Ethan Gomez, Bryant Griffith and Matthew Reed.

In the U12 title match, SDLV opened with a 189-169 victory over DKJ Pro Shop, but then proceeded to drop the next two games, by scores of 136-189 and 166-188, before rebounding with a 174-154 victory to force a deciding fifth game.

DKJ Pro Shop, the Northeast Region champion, had five open frames in the final game, and the Southwest Region champion SDLV Strikers were able to hold on for a 155-144 victory and the title.

The Strikers are comprised of Katelyn Abigania, the two-time U12 Junior Gold champion, Sebastian Huffman, Avery Domaguin and Elias O’Hollaren.

Kai Strothers, who rolled nine consecutive strikes over Games 2 and 3 to pace DKJ Pro Shop, was joined on the team by William Cunningham, Donaven Kline, and Ronin Rivera.

The USA Bowling National Championships brought together the champions from 16 regional tournaments in the U12 and U15 divisions. The 32 teams bowled 15 Baker matches in qualifying to determine seeding for the double-elimination match-play bracket. Teams bowled the best-two-of-three Baker matches to determine the teams for the national title matches.

the ninth, I thought it was over and even in the 10th I fully expected him to make that spare. But when something happens and you get the opportunity you have to take it and prove you can win.”

Carlson, who was seeded fourth for the finals, won the three previous stepladder matches to advance to the title match against Kretzer who was also trying for his second career PBA50 Tour title.

Carlson opened with a 236-213 win over 11-time PBA50 Tour winner Ron Mohr of Las Vegas who was making his fifth consecutive championship round appearance and was trying for his second win of the season.

Carlson then advanced to meet Hall of Famer Doug Kent of Newark, New York, in the second stepladder match also winning 236-213.

In the semifinal, Carlson beat No. 2 seed 68-year-old Charlie Tapp of Kalamazoo, Michigan, 216-175, to advance to the title match. Tapp a three-time PBA Tour winner was trying for his third PBA50 Tour title and first since 2006.

It was another eventful title match for Carlson as he won the Hamilton Lanes Open in a roll-off with Mohr after tying in the title match 279-279.

“It was unbelievable to win the first one and just as remarkable to win the second one,” said the 57-year-old Carlson. “I’ve always felt I could win out here and I have the confidence. I don’t know if there’s anything like a normal way to win a match but it seems like every match I’ve bowled (in a stepladder) has had more than its share of excitement.”

After winning the recent PBA50 Spectrum Lanes Open, Eugene McCune of Munster, Indiana finished 10th in the JAX 60 Classic which was good enough to lock up 2019 PBA50 Rookie of the Year honors.

PBA Hall of Fame Walter Ray Williams Jr. had already clinched his third PBA50 Player of the Year honor but his quest for a record 15th career PBA50 Tour title will have to wait until the 2020 season after he just missed advancing out of the first match play round finishing the tournament in 17th. Williams started the season with three consecutive wins, including the PBA50 National Championship, and never finished out of the top 10 in any other event until his 17th-place finish in Jackson.

# BUTTURFF SHINES IN PAN AM GAMES; PATE, PUERTO RICAN PARTNERS WIN GOLD

LIMA – Jakob Butturff, who is in the midst of a career year in Go Bowling! PBA Tour competition, kept his momentum rolling as a member of Team USA in the Pan American Games that concluded Tuesday in Lima, Peru.

The 25 year old left-hander from Tempe, Ariz., broke the Pan Am Games six-game scoring record in his first round of doubles qualifying, and then broke his own record by 22 pins the next day for a 12-game total of 3,054 pins (a 254.5 average). The effort got Butturff and fellow PBA-member Nick Pate of Inver Grove Heights, Minn., into the medal round, but they had to settle for silver when they lost to a team of Puerto Rican PBA members, Cristian Azcona and Jean Perez, who broke the 12-game doubles team record with a 5,816 total, more than 200 pins better than the record total by Canada’s Dan MacLelland and Francois Lavoie in 2015 in Argentina. Butturff and Pate finished with a 5,545 total for second place.

Butturff, who has won three PBA Tour titles in 2019 including his first major in the USBC Masters, continued his torrid pace in men’s singles, out-distancing the field by more than 400 pins after 12 games of qualifying and eight games of match play, but in the end, he fell short of gold in the medal round, losing to Pate, 279-268, in the semifinal round. Pate then captured the gold for Team USA, defeating defending Pan Am singles champion Marcelo Suartz of Brazil, 190-189, in the title match.

**TBYBP Jr Gold:** Scr: 706 Leoj Chin, 426 Bella Roseli, 181 Dominic Fisher and Team: 616 Pin Crushers.

We want to Congratulate Henry Lee, one of our Youth Bowlers up at Jr. State, bowled his first 300 game. Also we have 2 of 3 of our teams in 1st place for Team Event in their divisions and Leoj Chin in 1st Place for All Events in his division with a 2174 for 9 games. We also want to Thank Katie Sands for coming in 1st Place in the Coach Relief No-Tap Tournament and winning our program a \$100 Scholarship. We had several of our bowlers go up and bowled in the Jr. Gold and again we have a bowler we would like to Congratulate this time it would be Leoj Chin who came in 4th in his division out of 817 bowlers missing the TV finals by 17 pins. That's okay we are proud of him and he has improved ever year for the last 3 years he has gone so next year will be his year.

Important Important now before I go into this first of all the bowling center has nothing to do with this statement so anyone that has a comment about it or complaint then you make it to me Annette Anderson. Now unless you are working or involved with youth leagues most of you probably don't know anything about what is going on right now. But unfortunately it is going to effect the adult leagues very much so I hope you read this and pay attention.

Now I have been involved with bowling since I was 5 and have been on local and state boards since I was 14 and running Youth leagues since the age of 17. So it's not like I'm new to the game and I'm currently 51 years old. I love the kids to death and those that know me know I will do anything and everything for the kids know matter how much pain I may be in. So, down to the point here because of a law that has come into effect back in 2017, any sport that has any child under the age of 17 in it all officers and participates over the age of 18 must participate in the SafeSport course to teach about reporting sexual abuse or misconduct or other violations and bullying of a child.

Now I'm all for protecting the children and going through the RVP if we are in charge or helping with coaching but just to be bowling with a child this is going way overboard in my feelings especially when it's the child's parent. So my advice for all you adult leagues make sure you put a rule in your league that nobody under the age of 18 is allowed in your league even if the parent signs the parent consent form. Otherwise everyone in your league must comply with this new law and complete the SafeSport course through Bowl.com or your league could not be certified, your card could be pulled or you could be suspended from USBC all together.

Just tell the youth bowler to stay in the youth league until they turn 18 and come back and you will be more than happy to let them in your league. At least they can earn scholarship for college in the youth league.
