Brittini Hamilton & Jake Peters, 2006 Teen Masters Champions

## Peters and Hamilton Capture 2006 Teen Masters National Titles

ORLANDO, FL—17-year-old Jake Peters, Decatur, Illinois and 16-year-old Brittini Hamilton, Webster, New York are the 2006 Teen Masters National Champions, each winning the title at Universal Studios Orlando in the Sound Stage 33 Arena August 6. The show was taped for airing on ESPN2 October 16. The qualifying portion of the event was held at Boardwalk Entertainment Center in Orlando earlier in the week.

Peters, a senior at Hillside Bethel Christian School, defeated Jon Brady, Clearwater, Florida 218-143 to win the \$7500 scholarship award for the boy's championship. Peters started the match with three strikes and never looked back, as Brady struggled to find a line which never appeared. When Peters added a double in the 7<sup>th</sup>, it was over.

"It's been amazing," said Peters. "I won't really feel it until I look back, but this week has been the greatest experience of my life."

Hamilton defeated Ashley Galante, Palm Harbor, Florida 227-174 to win the girls title. In that match, she rolled a clean game, and a four-bagger in frames 7 through 10 sealed the victory. "The key shot was the strike in the seventh," she said. "I was struggling on the right lane, and I finally found it."

Galante opened the first frame and trailed the entire match. She doubled in the seventh, but it couldn't match her opponents four-bagger. "I guess second isn't too terrible in a big event like this," she added. "I had fun and I'll be back next time."

After the girls and boys champions were decided, they squared off against each other in a third game for an additional \$2500 in scholarship money. In that game, Peters prevailed 223-179 on the wings of a five-bagger in frames four through eight.

The runners-up, Jon Brady and Ashley Galante, each won a \$3,750 scholarship for their outstanding performance.

The 2006 Teen Masters, televised on ESPN2 sports television, is Bowling's most exciting and rewarding youth singles championship event. The 9<sup>th</sup> Annual TM is presented by Gary Beck's Killer 'B' Promotions and sponsored by USBC Sport Bowling, the Professional Bowlers Association, Bowling Proprietors Association of America, Columbia 300 Industries, Etonic, and Southwest Airlines, the official air carrier of the Teen Masters Tournament.

## Teen Masters Arena Setup Is A Blast From The Past

ORLANDO, Fla.—At first glance, the arena setup at the 2006 Teen Masters National Finals looks pretty normal. It quickly becomes apparent what's different, though.

The four lanes inside Sound Stage 33 at Universal Studios Orlando are equipped with everything but pin-setting machines and modern-day ball returns. Instead, a dozen volunteers

## Stan Schreier Services Set For Thursday

by Frank Kietz  
ANAHEIM — Final services and memorial will be held for bowling legend Stan Schreier, 84, 9:30 a.m. Thursday, August 10, 2006 at Pierce Brothers Mortuary, 2325 W. Lincoln Blvd. here in Anaheim. Linbrook Bowl will host a respite following the regular services.

When founder Joe Anderson retired as Secretary-Treasurer of the Southeast District Bowling Association, long time assistant secretary Schreier replaced him in 1962.

Schreier helped Anderson when the SEDBA had less than 1000 male members. During his tenure, membership increased to nearly 30,000 reflecting increased number of centers and the change from manual to automated equipment. The SEDBA was the largest in California, for a long period among the top 10 nationally.

Schreier held many national, state and local committee positions; was active organizing, managing successful tournaments and leagues.

He was well known for his leadership nurturing newly formed neighboring associations, Orange County, San Gabriel Valley, Long Beach and Citrus Belt. Yes, his entire family, wife Geri and sons Phil and Stan Jr. bowled. We all will miss him, say a prayer for him.

After he retired he kept in touch with tenpins, working part time at a number of centers and bowled continuously signing up recently as member of Linbrook's Monday Lunch Bunch carrying an OC Book Average of 146.

No, he didn't make any high score honor rolls. But he did bowl in many national (ABC) tournaments, probably 50 starting back in the 1950s taking the train with Joe Anderson or flying with this writer on a DC-6 or was that a DC-3?

Stan put in many hours working/supporting Cal-State events, recognized as a Hall of Fame member.

If it was tenpin bowling Stan was there working with civic, industry and bowling leaders. Who should roll the Final Frame for Stan today at Linbrook?

Many would like to. He had hundreds, thousands of close friends, relatives and gracious strangers — Stan Jr. should be given that honor.

We all can roll that Final Frame ball for a loved one the next time we bowl a third game 10th frame.

## USBC Board Changes Rule On High Score Awards

*"High Score" awards will not be issued during unopposed bowling sessions*

GREENDALE, Wis. —The United States Bowling Congress will no longer issue its "High Score" awards for scores rolled during unopposed bowling sessions before or after regularly scheduled league times.

The USBC Board of Directors has adopted the interim rule change, which takes effect immediately and will be enforced for the 2006-07 season.

"Issuing USBC High Score awards for scores bowled unopposed has become a growing concern," said USBC President Michael Carroll. "USBC member delegates voted about a decade ago to allow awards for honor scores bowled without a league officer or appointed representative present. The objective of this rule change is to protect the credibility of the sport and the USBC awards program."

## Tired Of The Same Old League?

by Dennis Stephenson  
LAKE FOREST — Winter leagues are now forming and it's the same old thing, 4 and 5 person teams scheduled to bowl 34-plus weeks. It's been the same old thing year after year only to be followed by the typical trio summer league. We are breaking the mold at Forest Lanes.

The highly successful Summer Singles League is being followed by The Storm Fall Open Doubles League. That's right, a fall league running just 17 weeks to be followed by a 17 week winter league in January.

The Open Doubles allows anyone to bowl with whomever they want. No team maximum, no book averages needed, no stacked team and no sandbaggers. The format is similar to the Summer Singles with position night each week, 3 one game matches against 3 different opponents each week plus a double elimination rolloff format. Point money, place money and bonus options will allow first place to pay more than \$4,000.

If your doubles team isn't doing well you can still win upwards of \$1,000 in the optional singles tournament which will

The following USBC High Score awards will not be offered if rolled in unopposed pre- or post-bowled sessions:

- \* 11 strikes in a row
- \* 298, 299 and 300 games
- \* 800-900 three-game series
- \* National high series
- \* National team high game
- \* National team high series
- \* Baker 300 game
- \* Merit awards

The flexibility of USBC Playing Rules allows members to bowl their league sessions before or after their scheduled league times as individuals or teams, commonly referred to as "pre-bowling" or "post-bowling."

USBC will continue to recognize several accomplishments performed in unopposed pre- or post-bowling sessions with its line of "Special Achievement" awards, including game and series honors not in the High Score category. High Score awards will still be issued to teams that pre- or post-bowl their head-to-head matches.

USBC bylaws give the Board authority to amend rules subject to review by USBC delegates, who will have the opportunity to consider the issue at the 2007 USBC Convention, scheduled for March 28-31 in Nashville, Tenn.

teers man the pins, setting them up and sending back the bowling ball after each shot.

For the United States Bowling Congress Youth members competing in the event, it's a totally different atmosphere than they have experienced in the past.

The most noticeable difference, players said, was the lack of noise inside the Sound Stage. With no pinsetters to hum, clank and set up pins, bowling becomes an eerily quiet sport.

"Having no pinsetters is different, but it's worth it," said defending Teen Masters champion John Szczerbinski of North Tonawanda, N.Y., who advanced to the final four on the boys' side Saturday. "The pure silence is pretty unreal. You don't hear anything. You could hear a pin drop - hopefully you hear 10 of them drop down the lane."

The arena setting itself was a change of pace for the bowlers, who bowled the qualifying and opening match-play rounds at nearby Boardwalk Entertainment Center.

"The lighting is way different, and I'm not used to having this many people watch me bowl," said Brett Cunningham of Clay, N.Y., another member of the boys' final four. "It was definitely different. It seems if you made a bad shot, it made it a lot tougher to get a break. If you went high it was definitely a split. The lanes are really nice, though. It's beautiful."

Although the retro setup is unique, could bowling's past become its future? John Davis, CEO of Kegel, which serves as the official lane maintenance provider for USBC, thinks it's a possibility.

The arena setting his company created this weekend could easily be used for future television finals, Davis said. In fact, the upcoming Women's Challenge in Las Vegas will use one of the lanes.

"This is the first time we've done an arena show and it took us three days to set it up because there are four lanes," Davis said. "In the future, we could do two lanes in one day and one lane in even less time."

Davis estimates that installing lanes without pinsetters cuts

the cost of creating arena lanes in half. Combine the savings and the ability to build the lanes quickly and it creates the perfect scenario for getting arena finals on television even more, Davis said.

A total of 16 players got to experience the Kegel's arena setup this weekend, as action shifted to Sound Stage 33 for the round of eight for both the boys and girls.

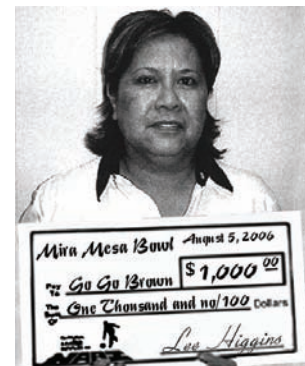

The Teen Masters concludes on Sunday at 1 p.m. Eastern when the championship matches are taped for broadcast on ESPN2. The show is scheduled to air on Oct. 16 at 9:30 p.m. Eastern.

The Teen Masters National Finals features more than 300 of the best high-school aged bowlers in the country. Players advanced through local qualifying events and are competing for \$50,000 in scholarships this week. The boys and girls champions will each receive a \$7,500 scholarship.

## Go, Go Go!

**SAN DIEGO**—Mira Mesa hosted the NABI tournament last weekend, & fifth seed, Go Go Brown, "climbed the ladder" on challenging tournament conditions by concentrating on being steady & hitting her average each match. She did both, & was rewarded with the victory & an entry into the Tournament of Champions next July during NABI Week 2007. Top seeded Lea Ancheta bowled exceptionally well all afternoon, & was poised to win her first title, but an open late in the match let Go Go slip by for the win. The spectators were hastily totaling up the score as Go Go bowled her 10<sup>th</sup> frame, & soon realized the dreaded "T" word (tie) was looming if Go Go missed the right handers nemesis, a 10 pin. A solid conversion & good count resulted in a 9 pin victory for the long time NABI member, & her first title in several years. Way to go, Go Go! The other top five participants were Norm Rauch, Heather Mettler & Bob Ulery.

N.A.B.I. Champion  
Go Go Brown

Capturing \$50 guaranteed sidepots were Sixto Santos, Jay Shackelford (2), John Diaz, James Smith, Marvin Lassiter, Rauch, Ancheta & Ulery. The 3-6-9 strike pot was divided by Rauch & Ulery.

Sixth place finisher Chuck Gross won the ball rejuvenation & resurfacing from Bowlers Depot.

The next NABI event is August 19th at Admiral Robinson Center. Squad details will be included in next week's Bowling News. Plan to join us on the 19th at Admiral Robinson ..... we'll save a cookie for you!

## Joe Torre Jr. Wins First ABTA Title at Keystone

### Tiongco Hits Match Game For \$3,500 • Newman Bags Match Series 3-6-9 is \$3,000 Again This Week

### Change to COVINA Bowl This Week From West Covina

NORWALK—Joe Torre Jr. did it up big as he won his first title, and in his home house to boot. Joe won from the top seeded position downing Greg Velarde in a close match to take a nice \$1,400 top prize home to Santa Fe Springs.

The scoring was great at Keystone, taking a big +92 for the men and a good +43 for the women to make the Saturday board. Sunday morning, it took a +93 Men and +20 for the Ladies. Due to a decent turnout of 185 entrants, we brought back 44 bowlers to the Semifinals including three Super Seniors, Lonzell Burnett, Angie Nillo and Ed Blum.

Leading the Semis was the pride of Keystone, Joe Torre Jr. with a big +165 to be top seed, sit out and bowl for the title. He was followed by Tommy Newman at +135, who would receive a first round bye in the single elims and enter in round two. It took a +70 to make the Sweet 16 Single Elim Finals which included 3 women.

The Bowlers took to the lanes. In the first round single

eliminations, losing, were Debra Sanders, Fernando Alatorre, Dodie Sajona, Ely Cruz, Brandon Mount, Thomas Licaucio and Walter Herrarte. They got checks of \$100 in 10-16th places.

In round two being eliminated were Ann Macelo, Armando Ramos, Steven Hower and Bill Hunter. They cashed in 6-9th places and \$107.50 each.

Round three had Tommy Newman down Michael Villarreal 261-233. Greg Velarde got to Bill Hunter 235-209. Michael and Billy were 4th and 5th with great bowling and \$115 each.

It was now Tommy Newman vs Greg Velarde for the right to meet Joe Torre for the title. In a good match, Velarde struck often in a 255/206 game. Newman was third with fine bowling and \$200 with Greg off to the title game

The title game was set and we would now see who would become our latest Champion. Joe elected to lead off and he did, with a strike. Velarde split in the first frame. After Torre doubled

in frames 3-4 he opened in frames 5-6. It was a dead tie with the handicap but in frame 8 Velarde again split. Torre had the lead. Greg could not double again and the title went to Torre 172/198-170/181, and deservedly so! He is a fine guy, and we are proud to have him as our latest Champion. Title #2 could be in his future. Congrats Joe!!

Super Bowling by Ernie Juarez, Men's Hi Qualifier +199 and Dodie Sajonas led the ladies at +137. They will get paid entries to our next regular event.

Newcomer Brandon Mount eliminated the field in the 3-6-9 roll off. After tossing 2 9's or better in the finale, he missed and got a \$50 consolation. We will again go for \$3,000 this weekend at Covina Bowl.

The Match Game 3 worth a max \$3,500, was Matched at a 171 by Darrow Tiongco. He was the only winner. Great for Darrow who is at every event!

Match Series worth \$270. was drawn by Juarez. He drew a 526, and there were no winners. So we estimate a \$550 Match Game at Covina Bowl

Tommy Newman 3rd, Greg Velarde 2nd and Little Princess, Joe Torre 1st, Michael Villareal 4th, Keystone Manager Dave Piazza.

this Saturday for a \$2.00 entry fee this Saturday.

The weekly winner of the Columbia "300" ball, a Track Ball went to a Most Deserving Gibin Kim. He thanks the ABTA, and sponsor Columbia 300 for the fine ball.

Champion Joe Torre hails from Santa Fe Springs and used a Nemesis drilled by BVP. He is single Ladies! He thanks his parents, Tammy and Matthew Harris and Ole Dave Piazza for support.

Greg Velarde is from Mira Loma and used an Agent drilled by Mikey Wahl at Cerritos Lanes. He would like to thank his wife Gina, Parents, Mother

in Law Angie, Esther, Dominic, Brian, Ann, Louie and Dave Mathisen for support. And of course the ABTA Staff for a great job.

Tommy Newman, an ABTA Blueblood is from Long Beach and used a Columbia Action drilled by Eddie Enlow. He is single, but taken by Cindy. He thanks Ed for the fine drilling and #1 Supporter Cindy, Don, Donnie Johnson, Marquita and Shorty for support. We (the bowlers) loved our return to Keystone and will return there on the Sept 23-24 schedule with the same squad times. The staff there is very accommodating and we look forward to our return.

It is history folks as Joe Torre Jr. enters the archives as our latest Champion. Make plans for this weeks ONE day Event which was moved from West Covina to Covina Bowl. There will be four squads: Saturday 12:00-1:00-2:30-4:00 & 6:00 PM with the 3-6-9 and Semis at 7:45PM taking 1 in 5 to the semis. See our AD in this paper for more information, or the website [www.abta1.com](http://www.abta1.com). The following week Aug. 19, we have a Frozen Handicap Event at popular Bowling Square in Arcadia.

National Deaf Bowling News

Southern Californias Deaf Traveling League  
Plans Meeting at Del Rio Lanes August 20th

by Connie Marchione  
DOWNEY—So. Calif. Deaf Traveling League is holding a meeting on Sunday August 20 at 1:00 PM at Del Rio Lanes to start off its 47th year. Old members and interested deaf or hearing impaired bowlers are welcome. It is just three more years for its 50th season and the league hopes to have a big one to prepare for that.

With the high gas prices it is critical to look at the future of this first ever and oldest all deaf scratch traveling league in US. Last season we had 6 teams of trios just like the same number we had at the beginning back in 1960-61 season.

At this meeting we will discuss out future and do what we did in past meetings, (1) sign up for the new season, (2) pick the dates to bowl on with out conflict with other deaf bowling tournaments, (3) select the bowling centers we want to bowl in and (4) finally make up teams to begin. Because this is a scratch league, bowler must have a minimum average of 140.

Those who want to bowl in our league this fall season must show up to be counted in making up teams to start in September.

These who for some reason, can not attend this meeting BUT want to bowl on one of the make up teams must notify this league President Ed Abakumoff or Secretary Treasurer Connie Marchione. He or she must give his or her last season (2005-06) book average.

Pres. Abakumoff’s email address is abakumoff@aol.com and Marchione’s Fax and TDD is 818-785-1478 and email dotcon@mfire.com.

STROGRYN STRINGS 12 STRIKES  
TWICE NO 300 JUST BETWEEN GAMES

LAKEWOOD—Last February Darrell Stogryn, in his 2nd game in a Cal Bowl league, started with 11 strikes in row and hit light on his 12th ball, leaving a 2-8-10 split for a 297.

Not a honor score for a ring but another 11-in-row plaque from USBC for the member of Deaf Team USA who saved the US men’s bowling team with a silver medal in the 2003 Deaflympics at Melbourne, Australia.

Then last July 21 Stogryn subbed in a Cal Bowl league for his good friend of 32 years, Jerry Cant who got married at Las Vegas. Stogryn started with his “favorite” 10 pin in first frame and spared it. Then he strung 11 strikes in row for a 290 game. In 2nd game he started with a strike for a “Varipapa 300” so named after the late legend Andy Varipapa who bowled countless 12 strikes in row in leagues and exhibitions but not at the start.

Stogryn finished the game with a 181and then hit a 257 for a 728 series.

Three nights before on July 18 in another Cal Bowl league Stogryn started with a 266 which he finished with last 8 strikes in row. Then in 2nd game started with 4 in row for another “Varipapa 300”, finished with a 224 and added a 201 for a 691.

There is no award for a Varipapa 300, if you can hit 12 in row between games, it shows that you can hit a 300 when you start at the right time.

ABAKUMOFF HITS 699 IN HIS  
RIVERSIDE SUMMER LEAGUE

RIVERSIDE—Two time Deaf Team USA member Ed Abakumoff, just back from Fort Worth bowling in the NDBA Deaf World Championship which he started hot at the top in qualifying setting two records but struggled in the match plays and finished in 8th place, hit a 699 in his Riverside summer league. He had games of 221-223-255 and a 4-6 split in 10th frame of his 2nd game hurt his chance of a 700.

LAS  
VEGAS  
TRAVEL  
LEAGUE  
By Alice  
Meglemre

The “Traveling Turtle Head” will feature the start of the 16-team Las Vegas Travel league next week, which means this column will begin to report scoring and other news recorded by it’s 64 members.

Cal Bowl is the site for the first three weeks to accomodate the many subs we need at the start of the season and Cal is well located for most of them. The Labor Day Monday, September 4, will be a bye and then the league resumes on September 11 at Cerritos Lanes.

We still need subs. Any bowlers interested may call me at (562) 423-1567.

Also, regular subs will receive the printed travel schedule and again we say “thank you” to them for helping to keep the league at full playing strength.

We regret to report President Bernice Williams will not be on deck opening day because she and Charlie flew back to Ohio to be with the family after the passing of her father last weekend. League members extend deepest sympathy and look forward to their return the following week. Bernice is still recovering from her second knee surgery and can’t bowl yet but she intends to join Charlie in the spectators section to cheer for her Linbrook Bowl team.

Hopefully she may be back on the lanes by October.

REMINDER: Cal Bowl, 10 a.m. Monday, August 14 and please come early for opening day business so we can start bowling on time, and get off the lanes so the Recycled Teens league won’t be delayed.

## J.T. Jackson Wins His First ABT Championship at Cal Bowl

LAKEWOOD—J.T. Jackson won his first Amateur Bowlers Tour (ABT) championship at Cal Bowl on Saturday, August 5, 2006 during our one-day 4-game Beat-the-Board tournament. J.T. showed up for our 3PM squad and shot games of 249, 235, 254, and 296 with handicap good for a series total of 1034 and the \$800 1<sup>st</sup> place prize. J.T. was also in the Win, Place and Show Pot for an additional \$375 dollars, to make his total for the day \$1,175 dollars. Russell Brown of Carson had a fine day shooting a 1007 four game handicap series to finish in second place for \$400 dollars. In third place was Ping Tubera of Pomona. Ping shot a 987 handicap series and got \$150 dollars, plus an addition \$150 dollars from the Win, Place and Show Pot.

Our newest champion, J.T. Jackson is 29 years old and is single. J.T. works in the entertainment industry as a self-employed actor. J.T. has been bowling for about 3 years and has been a member of the Amateur Bowlers Tour (ABT) for about two of those years. J.T. currently bowls at Mission Hills Bowl. J.T. was using a Urethane Burgundy Hammer bowling ball drilled by Rusty and Karl at the pro shop inside Mission Hills Bowl for his win this weekend. J.T. is quite the comedian and would like to thank God for Urethane bowling balls. He would also like to thank Rusty from Mission Hills Bowl for helping him with his game. J.T. plans on using this prize money from his win this weekend to pay some bills. J.T. wanted to thank Cal Bowl for hosting the tournament this Saturday, and also thanks the Amateur Bowlers Tour-Orange County Branch staff and Directors for running an outstanding tournament week after week.

J.T. Jackson was also the winner of the optional 4-game Scratch Sweeper and \$120 with a 966 scratch series. Sherman Joseph was second with his 857 series, good for \$60 dollars. We had many positive comments about the optional 4-game Scratch Sweeper, and will continue to run this optional Scratch Sweeper at each upcoming tournament.

The Mystery Game Pot of Gold game number and score were drawn after our final squad. Game #4 and 250 (possibly good for \$500) were drawn for this week. There was no winner. Our second chance score (possibly good for \$250) was 183 in game #4. One bowler shot 183 with handicap in game #4, but they were not in the Mystery Pot of Gold. The 3<sup>rd</sup> chance score (possibly good for \$125) was 190 in game #4. There was no winner. The Mystery Pot of Gold carries over to our next Singles Tournament on August 12<sup>th</sup> at Del Rio Lanes. Remember, the Mystery Pot of Gold is available to all members (Classic and Masters) and only costs \$5 for a chance at \$500 dollars.

The ABT staff and membership would like to thank the management and staff at Cal Bowl for hosting our tournament last Saturday. Our next scheduled event will be on **Saturday, August 12<sup>th</sup>, 2006 at Del Rio Lanes**. This will be a special 4 game Beat-the-Board **Classic and Masters Combined** Singles tournament format. All members (Classic and Masters) are eligible. Handicap will be 80% of 225 for this tournament. Special Squad times are at **12:30 PM, 2:00 PM, and 4:00 PM only**. # CERRITOS WEEKLY The Mighty "KC" As in Kaila Chen

by Tom Ferry  
CERRITOS—It is really not surprising that our spotlighted bowler this week is **Rookie**, Kaila Chen. I would be surprised if it doesn't happen quite frequently. The reason is simple – Kaila and her brother Kevin put in extra time on the lanes, thanks to Mom, and work on their games with our exceptional bowling instructor, Mike Thomas. Kaila is an attentive listener and puts into practice what she has learned. This week she distanced herself from all other Rookie bowlers with her 252/669 scoring spree.

Excellent job Kaila! **Lil'Raiders** Jarred Dee and Danny Equilos were the top scorers for the boys with high games of 113 and 103 respectively, while Jameshia Gaddy's 98 game led the girls.

Jumping over to the **Senior** boys, I would like to focus on some very impressive scratch scores. 300 Club member, Mark Newberry took top game honors with his 257/655 series, but it was last weeks star, Mike Foley who has essentially thrown down the gauntlet in the scratch division with his 243/672 performance. On the girls side, Candice Galvan set the bar high scoring 215/614 scratch while teammate, Michelle Bustos contributed to the team effort with an excellent 260/649 total.

JJ Robeniol seems right at home as his team's anchorman. Once again leading the **Striking Force** by bringing a 223 scratch game to the table. Other high games included John Elston's 211 and Andrew Arellano's 203.

Finally, I am happy to see this young lady's name at the top of the scoring list. Mann-Rou Kuo possesses one of the smoothest, rhythmic strokes I have ever seen. She is also seeing the benefit of her practice sessions. Her scores, 196/525 scratch. Congratulations also go out to Kim Eberle who gave her team a lift with two great games of 220 and a 614 series total. Way to go Kim!

Matt Jones, Scott Englehart, Aaron Steinberg, Matt Cormack and Daniel Williams will return on August 12 to bowl best 4 of 7 matches to determine the seeding for the stepladder finals.

The stepladder finals on August 19 at 2:30 p.m. will feature 5 boys and 2 girls. All bowlers in the finals will automatically advance to the State Elims Finals on August 26-27 at Keystone Lanes.

Go Angels!

Rogers' Regime Is Bowling & He Reigns In Rocky Marsh Doubles

by Joy McGregor

ANAHEIM—E.J. Rogers was relentless Friday morning in the Rocky Marsh Doubles at Linbrook Bowl as he ripped the wood to reel in plenty of those sought after X's. This talented, easy-going left-hander rolled 225-257-241 to tally 723 and added 235 to register a great 958 high series of the day. E.J. complained how tired he was (after working the night shift at Linbrook) so didn't know how he'd bowl. Well...I guess there **IS** something to be said for youth, reflexes, raw talent and, who needs sleep? Super bowling, E.J.!

David Wright was "wright" on and nipping at young E.J.'s heels. He was determined to better last week's score and abetter it he did, tossing games of 257-244-257 for a very nice 758 and then added 197 to post 955. Care to share what **YOU** ate for breakfast, David? I think there may be a contest going on...

More **HOT** scores: Lisa Somma 258-869, Ron Corona, Jr. 231-851, Dan Baker 225-841, Shig Shoji 225-837, Bob Gosnell 233-829, Eva Munson 264-819, Tony Chaco 244-813, John Conway 217-807, Terry Brent 246-801, Janine Ditch 233-800, Ronny Thompson 236, John Phillips 220, Rey Ortiz 220, Rose Williams 218, John Munson 214, Lloyd Thierry 214, Janet Anderson 212, Alan Bloom 212, Jerry Knight 210, Gino Vassallo 208, Orlando Venegas 208, Brian Roberge 204, Fred Voysey 204 and Ed Stoute 201.

With only 2 more weeks before sweeps (where did the summer go — it's too hot to begin Fall), Team #15 is in the lead by 18 games and seven teams are vying for 2nd place. So, it seems we have a little race going on and now is the perfect time to find out just what the "Breakfast of Champions" really is!! Until then...
