NEW JERSEY — On August 4, 2011 Ashley N. Dunn, Palmdale CA became the first person ever to win consecutive Teen Masters National Titles.

Last year in Reno, Nevada at the National Bowling Stadium, Ashley defeated Chevelle Holstein of Sparks, Nevada to claim the inaugural Teen Masters Girls U14 National Championship.

Ever since she threw the last ball of that championship match she has dreamed of having the opportunity to defend that title.

This year the Teen Masters National Championships were held on the East Coast. The 18 games of qualifying along with match play and some semi-final rounds took place in Maple Shade, New Jersey's, Laurel Lanes near Philadelphia. After the dust settled at Laurel Lanes 12 competitors remained, 4 High School Boys, 4 High School Girls, 2 U14 Boys, and 2 U14 Girls.

These 12 survivors would do what had never been done before, bowl in Vanderbilt Hall

at New York's Grand Central Terminal.

Grand Central Terminal is the largest train station in the United States, with over 750,000 passengers passing through it each day. The terminals Vanderbilt Hall has been host to many great events in the past, but never bowling. The remaining participants would compete on a single specially constructed lane, flanked by grand stands on either side, and lit by stage lighting that you might find at a concert stage setting. Add to the off-beat setting the crowds of people stopping to watch and snapping photos, the noise of the hustle & bustle of a busy Midtown Manhattan day, and the PBA's Xtra Frame film crews on hand in full force, and you have the makings of a stressful environment to play a precision sport where concentration is key.

Although Ashley had improved tremendously since winning the Championship last year her quest to defend her title was met with more

obstacles than the pressure packed stage that Grand Central Terminal would be. This years Teen Masters tournament was to be bowled with restricted equipment. Each competitor was only allowed to use an Ebonite Mission 2.0, and an Ebonite Hard Ball along with a plastic spare ball. Restricting the use of equipment to just these 3 balls on the long & short sport patterns employed by the Teen Masters would make this a true test of skill.

Ashley's road to the finals began just as it had the year before starting out a good distance out of the lead after the first 6 games of qualifying on the long pattern, 145 pins out this year compared to 152 pins last year, slightly better at this point. By the end of the second 6 games of qualifying on the short pattern she had managed to cut the gap to 1st place down to 99 pins, but by this point last year she was only 38 pins down. She was off pace from last year even though her overall average was slightly

Ashley N. Dunn

higher at this point. It seemed as though the dream of defending her title was farther than ever. Last year she had not had any problem making up the gap in the third 6 games of qualifying that were contested on mixed oil pattern pairs, where the left lane was oiled long, and the right lane oiled short. In fact by the time the third block had ended last year not only had she made up the 38 pin deficit, but had

ANYTOWN — Here's a score you don't see everyday! And why would an automatic scoring system even allow a 302??

Upon examination of the printout, it was noticed that a correction had been made in the third frame. When? At the end? At the time of the error? Doesn't really matter.... It's just an odd result of a computer not correcting itself.

Bring back the yellow pencils, grouchy scorekeepers and counting on your fingers!

Diabetes Fundraiser at Covina Bowl

by Linda Johnson

COVINA — Close to \$1,500.00 was raised to help fight “Diabetes” at a fundraiser tournament on Sunday, August 7th held at BRC Covina Bowl and boy what a turnout. Thanks to the efforts of the entire San Gabriel Valley board led by President Joe Hilke, family and friends, the event was a success. There were 115 bowlers who came out for a day full of fun.

The bowlers seemed to have a good time and the most popular was the “Mulligan” where a bowler could purchase one for \$2.00. They could use it when they rolled the ball, got bad pin count they call out “Mulligan” and have a re-do, roll the frame over. This was something new, over \$300.00 was raised with the Mulligan’s.

Thanks to the San Gabriel Valley 500 Club and fellow board members for donating raffle items used for special raffles, we appreciate your continued support.

A big thank you goes out to members of the motorcycle group that ride for “Children’s Diabetes” who came out and supported the tournament. We applaud you for all you do to continue the fight against diabetes.

Last but not least “Thanks” to everyone who took time out of your day and supported the event. We thank you too for your patience waiting for the fun to begin.

Our next fundraising tournament will be to benefit the “San Gabriel Valley USBC” the “Fundraiser” is to help the association office. At this time of year the local association receives very little membership dues and this will keep things rolling.

The tournament is scheduled for Sunday, September 4th at Chaparral Lanes. Check in at 11:00 – Bowl at Noon – Cost to be \$20.00. Look for flyers on the SGVUSBC website and in bowling centers.

Look for information on the future tournaments; the “Bowl for the Cure” in October and the “BVL” Bowlers for Veterans Link in November.

Until next time, see you on the lanes.

ABTA Returns to Bowling Square for Handicap Special Event

Only Top 5 Lose Pins - 1st 4 pins, 2nd 3 Pins, 3rd 2 pins and 4-5th 1 pin lose Handicap in this event

GARDEN GROVE — Welcome everyone to the weekly edition of ABTA news. We returned to Valley View this past weekend for a regular event, and saw 277 entries in our one-day event. We had a decent shot for the tournament making the cut scores of +64 for the men and +39 for the women. The Super Seniors added to the board (3 men and 1 female) were Rick Llaneta (+63), Ely Cruz (+38), and Sierrie Herradura (+12). Super Seniors are men 63 and over, and for the women you just need to be a young 55. That would give us a sweet 66 bowlers making it to the semifinals this week.

Our top qualifier for the men was Steve Benavente with a +195, and for the women was Deborah Sanders with a +96. Each of them will get a paid entry into a future regular ABTA event. Steve drew for the Match Series worth \$478. He drew a 536. We had two bowlers that matched this score. They were Hong Kha and Roger Amparo each got \$239.

This week at Bowling Square we will estimate the Match Series at \$450. For the 3-6-9 roll off were Frank Ortega and Dennis Barrett who both missed on their last shot. They split the \$50 consolation. The 3/6/9 will be \$2,400 at Bowling Square.

In our optional doubles, finishing in first were Steve Benavente and Joevin Bolanos with a 1498 for \$130. Finishing second was Leo Tartamella and David Owens with 1429 for \$110. There was a total of \$1060 paid out in doubles and 18 paid spots with low to cash

of 1337.

In the semis we saw Kelly Wynn lead the field with a +118 to sit out and bowl for the title this week. Coming in second was Steve Benavente with a +110 to sit out the first round. It took a +56 for the men and +22 for the women.

The seed in semi-finals had the honor of drawing the Match Game worth \$3,500. The pot is maxed out and we have a back-up pot that is also maxed out, with a third pot now started. That will for sure put the Match Game at \$3,500 for our next three events. Our top seed drew a 217. We had one of our bowlers who shot that score, Danny Guevarra. He takes home \$3,500 for that score. We will have \$3,500 next week at Bowling Square, and continue to build on the second back-up pot, which is at \$2,275 now. This week we had nine new bowlers join us. Let us welcome these new bowlers to the club, Jason Miller, Adam Navarro, William Cosley, Andrew Fisher, Dwain Brazil, Andy Monroe, Evan Roberts, Ed Aguilar, and James Chambers.

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Dana LeCount, Wai (Andy) Mak, Deborah Sanders, Manny Magno, Joevin Bolanos, Freddie Manansala, and Thomas Chavez. They received checks of \$115 each. In the second round, the losers were Rudy Toro, Melvin Finner, James Borillo, and Steve Benavente. They received checks of \$125 each. This would get us down to the final four bowlers. At this point, our horses would be

paying anywhere from a low of \$57 (Val Wise) to a high of \$135 (Sierrie Herradura) depending on who would win. In this round we saw Frank Ortega (3rd seed) bowling Sierrie Herradura (11th seed). In this match, we would see Frank continue his strong bowling though match play and hold off another hot bowler in the finals. He would finish with a 254 to 226 to advance. In the other match we saw Ryan Okamoto (14th seed) bowling Val Wise (12th seed). In this match Val would continue his strong bowling with his plastic ball, and go on to win this match with a strong 254 to 193, sending him to the semi-final match. Sierrie and Ryan finished in 4th and 5th getting checks for \$135 each.

Our semi-final match was all set now. It would be bowled on Lanes 25 and 26 this week and pitted our 11th seed against our 3rd seed bowling each other in the semi-final match. In the weekly "horses" we would see Frank paying \$75 and Val paying \$57 if they win their match. In a match that was close throughout the whole game, we would see both bowlers start out trading strikes and spares in the first four frames. Frank would open in the 5th frame and then Val would open again in the 6th frame. Frank continued to hold onto an 18 pin lead after 6 frames. Both bowlers would double in the 7th and 8th frames. But it was Frank who would open in both the 9th and 10th frames allowing Val to go on and win this match with a 207/224 to 169/206 and send him onto the title match. Frank would finish in 3rd place and

Wise Wins Title #4 at Valley View (L—R) David Emerich, ABTA Member, Mary Jean Wynn (wife) of Kelly Wynn \$500 (runner up) Bob Campagnale friend of the Champion Val Wise, \$2,700 Justin Ziegler, Steve Benavente 10th and Frank Ortega 3rd.

take home \$215. For those lucky "investors" that had Val as a horse, he paid \$57.

The title game was set and bowled on Lanes 21 and 22. We would see two members bowling each other, in Val Wise vs Kelly Wynn. Val would lead off first and started with a strike. This was another close match, as were all the matches through the night. As each would match the other bowler.

It was Kelly who opened the door with opens in both the 8th and 9th frames, then finishing with a strike and spare in the tenth frame. As Val came up to bowl in his half of the tenth frame, he needed to get a strike and spare in that order to win. That he did and better by doubling in the 10th to finish with a 215/232 to 172/222 and take home his 4th ABTA title. He would take home \$1,000 for 1st place and \$1,700 for Cash and Carry. He was not wearing his ABTA shirt nor did he use a Global Ball, so no additional bonuses. Kelly received \$500 for 2nd place.

Champion Val Wise is from Riverside and used a Plastic Storm ball drilled at Classic Lanes. He is married to Connie and would like to thank the ABTA staff, along with Justin and Bobby for their support.

Kelly Wynn (2nd Place) is from Long Beach and used a Storm Nano drilled by Billy Myers at Cal Bowl. He is married to Mary Jean and they have both a Son, Jonathan, and a daughter Courtney. He would like to thank both Billy and Shorty for their support and of course his family for letting him bowl the ABTA.

Frank Ortega (3rd Place) is from Covina and used a Hammer Vibe drilled by Aarik Torres at King Pin Pro Shop. He is single, and would like to thank his Dad Frank for teaching him to bowl and Grandpa Joe, along with all his ABTA supporters, and Staff

The weekly ball winner of our sponsor 900 Global Ball was Dericio Atkins, and he won the Wisdom. Each time you bowl, you get a free ticket for this prize given away by our Sponsor, 900 Global. In our weekly raffle, the winners for an ABTA entry were Tim Crowder and David Emrich. Winning a 3 ball tote was Ronnie Gordon. Winning a 2 ball tote was Leonard Garcia. Winning a wallet was Heidi Jaena. A Kohls gift card was Mike Moore and an ABTA Entry for our Labor Day event was Ping Romero. The rest of the results are in the payoff column in this paper.

Fifty/fifty tickets were sold by Barbara Bishop. Lucky winners were Doris Lewis and Audrey Thibodeaux.

Phyllis Baldwin stated that Jessie Banando was in the hospital with a heart attack. Phyllis will fill in for Jessie until she can return.

The meeting was concluded with a moment of silence was held for league bowler Jerry Whitehurst who passed shortly after the end of last season bowling and Jan Jones mother who recently passed.

TEEN MASTERS *continued from page 1*

blown out to a 110 pin lead, she had out paced the leader by 148 pins during the final 6 games of qualifying. Would she be able to do it again this year with the use of only 2 strike balls? I reminded her of how she had out paced the field on mixed pairs last year, I assured her she could easily make up 99 pins, after all there was much more riding on being the tournament leader this year, you see in the U14 Division the leading Girl & leading Boy received a double bye, they would both become the #1 seed without having to go through match play. The leaders of both U14 Divisions would have their day in that magnificent hall in Grand Central Terminal, and the next 4 positions would compete in best of 5 match play until the #2 seeds were determined. A good nights rest brought a bright, although hot and humid sunny day to Maple Shade and Laurel Lanes with the promise of better things to come with just 6 games standing between her and the dream of defending her title. Okay, enough of the drama, you all know she did it, I mean the title clearly says she is the National Champion (again). Ashley out paced the leader by 182 pins over the 6 games on mixed pairs to move comfortably into the #1 seeded double bye position with a 83 pin lead over the 12 game tournament leader, 13 year old Taryn Gray of Greenfield, Texas. Taryn managed to fight her way through 2 rounds of match play, that had proven to be much more difficult than anyone would have expected, given how she had commanded the lead through most of qualifying. So the finals were now set for the U14 Girls, Ashley Dunn vs. Taryn Gray. I said no more drama, but come on, everything was unique about this years tournament. The finals would be a best of 2 match, that's right best of 2, meaning that if each person won 1 game then there would be some kind of tie breaker. Wrong, not a 9th & 10th frame roll-off like you might expect (at a minimum with so much at stake), it would be a single ball roll-off, 1 roll of the ball would determine the Champion. So it was, Taryn won the first game, and Ashley won the second game. Ashley had selected the pattern they played on being the #1 seed, she had choice of wearing red or black jersey, she chose red because that's what she was wearing last year when she won, she had choice of throwing the 1 ball that would decide who was champion or letting Taryn have a go at it. Ashley chose to go first, she looked relaxed in her setup, she seemed solid as ever through her approach, her swing looked as good as ever, the ball was off her hand good, perhaps even one of the better shots of the day by getting the ball just a bit further right at the break point. Nearly high flush, but slightly heavy leaving a 4 pin only for a 9 count, a good decision going first. Taryn would step to the line knowing she could strike to win, but having the pressure of thinking strike. Taryn was a bit too cautious with her final shot, letting the ball come off her hand much further right than she had been playing all day, and without hardly any rotation, nearly a wash out.....but got a 7 count. Ashley wins 9 to 7, and proves again that dreams really can come true if you work hard, and believe!

In the Boys U14 Division the Champion was Wesley Low, Jr., also of Palmdale, CA. In fact Ashley & Wesley both bowl at Brunswick Vista Lanes in Palmdale, and are both coached by Mark Baker. The Boys High School Division was won by Nevada's Zack Hattori, and the Girls High School Division runner-up was California's own Gabriella Mayfield from Lake Isabella, CA. With 3 of the 4 Champions being from the West Coast..... hmmm, it's no wonder "The Best Bowlers Come From California"! For all the more important details like how Zack Hattori won a \$64,000 scholarship in this tournament, and the thousands of dollars won by the other Champions & runners-up, courtesy of Ebonite and the Dexter shoe company.....look it up, pba.com or teenmastersbowling.com, or just Google Teen Masters bowling, you'll get pages of hits. By the way, since this paper is circulated in Nevada too, let me make sure the record is straight. Ashley was the first person to win consecutive Teen Masters titles, and in fact the first person to ever win two Teen Masters titles period, but Zack Hattori accomplished the very same feats, except he did it just a few hours later. Congratulations Wesley, Zack, and Gabby!

Ashley would once again like to thank The California Bowling News for publishing her accomplishments, her coach Mark Baker for helping her continuously improve, and the man that drills her bowling balls, Rusty Bryant of the Pro Zone at Mission Hills Bowl, and in this particular instance, although he may never read it, a very special thanks to Mr. Mo Pinel for coming up with the layouts that worked in this restrictive equipment tournament. Restrict the equipment, but you can't restrict the knowledge of ball dynamics. Is it the bowler, or the ball? I think in the modern game it must be both.

CONWAY DOES IT “HIS” WAY

IN ROCKY MARSH TRIOS

by Joy McGregor

ANAHEIM—Obviously by the scores, the Playbook containing the “Game Plan” was in much BOLDER print this week... Thank You, Bowling Jesus!!

Big, Bad John Conway certainly did have everything going “His” way Friday morning in the Rocky Marsh Trios. After his mediocre (only by John’s standards), first game of 217, he started his strikefest powering games of 238-228 and a grand finale 278 to post a league-leading series for the day at 961.

Mark Allen showed us consistency at its best in his pre-bowled match: 202-224-236 and 253 to register 915.

Dapper Terry Brent also showed his “stylish” consistency with his games of 203-202-235 and 267 to turn in a fine 907 set.

Hong “Happy Feet” Kha had all his ducks in-a-row as he fired games of 278-205-226 for 709 and added 193 to garner his first 900 of the season at 902. That’s called “Hong” carry, folks!!

More HOT scores: (Glad they’re back!) Jon Diso 235-889, Frank Bellinder 244-879, Aaron Wilson 227-871, E.J. Rogers 247-862 (RH), Bob Gosnell 264-854, Ron Douglass 257-851, Tony Chaco 278-842, Josh Boisoneau 236-827, Don Gut-Omen 266-826, Shig Shoji 221-825, Rey Ortiz 227-806, Norm Walker 225-801, April Anderson 257, Bo Vrabel 247, Rich Heid 234, Kantral Williams 233, Drew Parkin 228, Willy Bordenave 227, Janet Anderson 227, Jim Moore 225, Nicole Evans 225, Alan Bloom 225, John Munson 224, Ron Marcus 223, Dora Miller 218, Melissa Fan 218, Orlando Vanegas 217, James Blythe 214, Chris Allen 213, Sandy Catiller 213, Marie Barbush 213, David McNaught 212, Jessica Diso 204, John Phillips 203, Roberta McNaught 202 and Dick McKenzie 200.

So wonderful to have past league member and dear friend to all, Helen Petrowski and her daughter Wanda, drop by for a much needed visit. Her contagious laugh and endless repertoire of jokes leaves us all in a great mood. She’s feeling great and lookin’ good; drop by anytime, my friend.
