## Johnson Claims 5<sup>th</sup> U.S. Women's Open

ADDISON, Ill. — For the third consecutive time, and fifth overall, United States Bowling Congress Hall of Famer Liz Johnson will be taking home the U.S. Women's Open trophy, and she will savor every moment.

Johnson, of Cheektowaga, New York, won four consecutive matches Sunday at Stardust Bowl, including a 208-143 victory over Shannon Pluhowsky of Dayton, Ohio, in the title match, to capture her fifth U.S. Women's Open title. Her first one came 20 years ago, and she also won in 2007, 2013, and 2015 (tournament was not held in 2014).

Only fellow USBC Hall of Famer Marion Ladewig owns more U.S. Women's Open titles with eight, five of which she won consecutively.

"You never know when the next title is going to happen, especially another major," said Johnson, who became a little emotional in the final frame of the title match. "To be in the category of having five U.S. Opens, it just kind of hit me. I just so thankful I'm still able to do this at a high level. I'm just incredibly happy and proud that I got a fifth U.S. Open title."

Pluhowsky, who qualified 24th for match play and made the run all the way to the top seed, was attempting to become first player to go from the No. 24 spot to a Professional Women's Bowling Association Tour title since Jeanne Naccarato accomplished the feat in 1988.

"I came out today, and the lanes didn't play anything similar to what they

Champion Liz Johnson & Nancy Schenk President of BPAA

had all week," Pluhowsky said. "You just take the good with the bad, I guess, and move on."

Johnson said she didn't feel great going into the tournament, especially coming off what she said

was a "horrible" performance at the PBA/PWBA Striking Against Breast Cancer Mixed Doubles tournament. But, she quietly stayed near the leaders throughout the week, and then needed to strike out in the final frame against her last opponent in match play to reach the show.

"This was one of the biggest grinding U.S. Opens I've been a part of," Johnson said. "I like the low scoring. I would rather have the low scoring and the grind, that's what it's about. That's what makes it a major."

That final match-play victory would earn her the No. 4 seed, meaning Johnson would lead off the TV show after not bowling well on the fresh 39-foot Sport condition, on which the average to make match

play was 199.06.

"The higher the pressure, the better I focus," Johnson said. "I started feeling more and more comfortable today than I have in the last couple of days. When you are in an uncomfortable area, and have to play your C and D game and try to place it, I think I was a little more in my comfort zone today. I tried a different ball, played with the conditions a little bit, and it was pretty good."

Johnson started off her run to the title with a 207-168 victory over Kelly Kulick of Union, New Jersey. In the first four frames, Johnson struck, while Kulick had two open frames.

Against Singapore's New Hui Fen in the second match, Johnson was looking to close out the match

## Shannon O'Keefe, Bill O'Neill Successfully Defend Storm PBA/PWBA Xtra Frame Striking Against Breast Cancer Mixed Doubles Title

by J Schneider

HOUSTON — Shannon O'Keefe of O'Fallon, Ill. and Bill O'Neill of Langhorne, Pa., withstood a challenge from Jason Belmonte of Australia and Diandra Asbaty of Chicago, in the position round match to successfully defend their Storm PBA/PWBA Xtra Frame Striking Against Breast Cancer Mixed Dou-

bles title Sunday at Bowl on Bellaire.

O'Keefe, a 12-time Team USA member, earned her fourth PWBA Tour title while O'Neill earned his eighth PBA Tour title and first of the season.

In the position round match, Belmonte, the three-time defending Chris Schenkel PBA Player of the Year, and Asbaty, a 15-time Team USA member and the winner of the 2012 USBC Queens, defeated O'Keefe/O'Neill 459-415 but it wasn't enough to overcome the 116-pin deficit. O'Keefe/O'Neill won with an 8,902 pinfall total, including bonus pins, to Belmonte/Asbaty's second-

place 8,860 pinfall.

It was O'Keefe's third win with O'Neill as a partner having also won in 2013. O'Keefe also won the event with husband Brian in 2012.

"It was going to be tough to beat Diandra that game so I just shifted my focus to keep up with her," O'Keefe said of the position round match. "I was able to put together some good frames at the end of the game so she wouldn't get too far ahead of me."

"Communication is always important when you're bowling doubles," O'Keefe added. "But the ability to bounce ideas off

## Hall of Famer Brian Voss Wins Dave Small's Championship Lanes Classic For 1<sup>st</sup> PBA50 Title

Voss defeats Lennie Boresch Jr. 222-206 to hand Boresch second consecutive runner-up finish

ANDERSON, Ind. — Professional Bowlers Association Hall of Famer Brian Voss of Centennial, Colo., a 25-time winner on the PBA Tour, won the PBA50 Dave Small's Championship Lanes Classic presented by Roto Grip Wednesday for his first win on the tour for players 50 and older.

Voss defeated United States Bowling Congress Hall of Famer and top seed Lennie Boresch Jr. of Kenosha, Wis., 222-206, in the championship match to hand Boresch his second runner-up finish in a row after losing in last week's PBA50 South Shore Open title match to Pete Weber who won his record sixth title of the season.

"I get old but winning never gets old as the saying goes," said Voss, who turns 58 Thursday. "This game

takes a lot to win. There's so much to think about and there's not one moment that I'm not working thinking about what I need to do on every shot."

In a relatively close match, Voss held a seven pin lead in the seventh frame but then threw a double in the eighth and ninth

# TONY RODRIGUEZ Jr. Wins Second PBA Title

by Frank Weiler

BOISE, ID - “CALIFORNIAN” Tony Rodriguez Jr. won his second PBA 50 Regional Title last week. He did so at the Boise Northwest/West Open presented by Columbia.

The Idaho tournament was competed on the difficult Tournament of Champions shot with only two seniors finishing “plus” after eight games of qualifying and six games of match play. Tony won at a plus 125 pins while second place finisher Wayne Manwill ended the competition at a plus 39 pins. The rest of the field finished at a minus score.

Tony used his MOTIV Paranoia and Primal Rage to win the tournament. His equipment was drilled by his friend JIM STARKS. Tony wishes to thank Jim for his support and drilling his equipment to perfection. Tony knows that he cannot win unless his equipment matches up with the conditions on the PBA 50 Tour. That is where Jim Starks is a big part of “TEAM RODRIGUEZ”. Jim has competed on the PBA 50 Tour and his advice, encouragement and equipment support have helped Tony and that is appreciated.

As usual “TEAM RODRIGUEZ” was in Idaho supporting Tony. Wife Lisa and son Tony III were in the bleachers cheering and didn’t miss a game. Tony knows their presence is a big reason for his success. When the going gets tough their encouragement keeps him going.

## NATIONAL DEAF BOWLING NEWS

by Connie Marchione

### SO-CAL DEAF TRAVELING LEAGUE STARTS 56TH YEAR WITH MEETING AT KEYSTONE LANES

NORWALK — Southern California Deaf Traveling League begins 56th year with a bowlers meeting on Sunday August 21 at 1:00 PM in Keystone Bowl. The purpose is the same as past 55 years to make up teams for the new 2016-17 bowling season and pick 8 bowling centers to travel to.

Its start 56 years was when this writer prior to moving to Los Angeles was an ardent fan of his hometown Detroit All-Stars Traveling League and in LA was a staunch follower of the short lived National Bowling League, thought of a scratch traveling league of deaf bowlers using NBL’s match points system. He also thought of one with revised match points.

So in the summer of 1960 this writer made contacts with good over 150+ average deaf and hearing-impaired bowlers who were interested in scratch bowling match plays with no handicap. The bowlers were to make teams representing the cities they live in.

In the first meeting at the former Grand Central Bowl, 18 bowlers showed up with 4 trio teams already set up with their cities names, three too unfairly strong. There were discussions that led to the three teams each giving up one bowler and replaced with a lower average bowler to make all 6 teams fairly even.

This writer as the Secretary-Treasurer carried the league for 50 years, retired. He is thankful for the present officers, President Ed Abakumoff, Vice President Sharon Caldwell and his replacement Secretary Treasurer Bob Taylor who took over for the last 5 years up to the coming meeting on Sunday August 21.

The league is seeking new deaf and hearing impaired bowlers who are interested in scratch bowling and match plays. This league welcomes hearing sons and daughters of deaf parents and hearing brothers and sisters of deaf bowlers, all with established minimum 140 average. New interested bowlers kindly call President Abakumoff on V-P (951) 208 6848 for more information.

Former deaf bowlers who wants to return but could not make to the meeting, contact any one of the officers to be placed on a team.

This Traveling League bowls every other Sundays 16 times in 8 different bowling centers dates and places voted on in this meeting.

# Ed Petok's 'Unbelievable' Game Triggers Memorable Series

by Fred Eisenhammer

WINNETKA – Ed Petok provided another lesson as to why bowling is so special.

Petok turned in an electrifying effort during summer league play at Winnetka Bowl, crushing a 266 game after scoring 151 and 183 in his first two games. The third-game masterpiece gave Petok an even 600 series – a whopping 50 pins higher than his previous-best series.

Not bad for a bowler who was averaging a mere 156 in the fall season.

Not bad for a 68-year-old bowler.

The right-handed Petok looked less his age and more like Pete Weber when he bunched eight straight strikes from the second to ninth frames in his final game. He closed the show with a spare and nine pins. Minutes later, Petok was stunned upon learning that he had just become the newest member of the 600 Club.

“It was surreal. It really was,” said Petok, known as “Fast Eddie” to his teammates for his meteor-like shots. “I had never gotten that many strikes in a row.”

Petok’s previous high game was 240.

Petok credits his resurgence to a practice session he had with Rusty Bryant, an ace bowler who also serves as a top coach.

“I had one lesson with him and started to improve,” said Petok, who bowls leadoff for his league team, two spots ahead of his son Noel. “I have to give credit to Rusty. He said, ‘This is where you have to throw the ball and let it do the work.’”

Petok also was told to roll the ball instead of muscling it.

Petok said he didn’t even consider a 600 as a goal. “To be honest, if that would have been a goal before it happened, it would have been an unrealistic goal,” he said.

Suddenly, Petok is bowling the summer season with a hyped-up 171 average. Petok says that towering number provides some pressure for him to try to maintain it.

“I just got in a groove in that [266] game,” Petok said. “I thought, ‘Maybe, I have it figured out.’ And then I’d have a bad game and come down to earth. It [266] still seems kinda unbelievable to me.”

And he adds with a laugh, “Maybe I should have quit after the 266.”

For now, Petok said he would be more than satisfied if he could finish the summer season with a 166 average.

“If I bowled 166, that would add 10 pins to my [fall] average,” he said. “That would be a bit of an accomplishment for me. If I did that, I’d even beat out my son for a change.”

in the 10th but fouled on her first shot. She would spare, and then get a nine-count, but New couldn't take advantage of the break, losing 215-200.

New's Team Singapore teammate Shayna Ng also struggled early in her match against Johnson, failing to mark in three consecutive frames, as Johnson earned a 209-180 victory to advance to the title match.

Competitors at the 2016 U.S. Women's Open bowled 24 qualifying games over three days before the field was cut to the top 47 for an additional eight games. After 32 games, the top 24 advanced to three rounds of match play to determine the five finalists for Sunday's stepladder, based on the 56-game pinfall totals, including 30 bonus pins for each match-play win.

All qualifying and match-play rounds of the 2016 U.S. Women's Open were broadcast live on Xtra Frame.

# LABA Hall of Famer & Past President Passes Away

LOS ANGELES — Archille Humphrey Julian Sr. was one of six children born to the late Archille and Philomene Humphrey Julian in New Orleans, Louisiana on May 24, 1935. He was the first child of this union; three siblings preceded him in death.

Archille, affectionately known to family and friends as “Little Archille” or “Chick” attended Public Schools in New Orleans and graduated from Walter L. Cohen High School. He received his Bachelor’s Degree in Business from Southern University of New Orleans (SUNO). He served in the U.S. Naval Services. He was a Bicycle delivery guy for a New Orleans Pharmacy.

Chick moved to Los Angeles in 1962 and worked as a Supervisor in the Shipping Dept of May Co. until he became an entrepreneur. He started his own landscaping and recycling business for the past 47 years.

Chick met Gwendolyn Wilbert in the mid 1970’s while bowling and they married in 1982. Both were bowlers and traveled around the country showing their skills.

His many accomplishments included: 1st Student Body President of Southern Univ. of N.O. 1959-1960, 1st National Junior Program Director for The National Bowling Association (TNBA) in 1974-5, Los Angeles Bowling Assn. President, United States Bowling Congress (USBC) Representative, Treasurer of LA TNBA, Board Member for National TNBA Youth Organization, bowled 2 “300 Games.” He served as junior coach at several bowling centers in Los Angeles.

He is the biological father of three children but fathered every child/young adult he came in contact with. He was always looking to help youth enrich their lives regardless of ethnicity. He was knowledgeable on any topic and would give advice, warranted or not to anyone. He was like a Historian regarding the changes the city undertook in the past 54 years. Loyal supporter of Minority owned businesses and women’s sports (bowling, basketball and tennis). Neighbors referred to him as “Neighborhood Watch” in the community because he knew every car that should be parked on the block and all the people that lived there. His concern for others endeared him to many.

Archille leaves to mourn, his wife Gwen, his children Archille H. Julian Jr., Pamela Julian Green, Tyrone A. Julian (Karla), brother Kenneth Julian Sr., sister Ella Frost (George), 5 grandchildren, and 6 great grandchildren. His parents and 3 siblings (Terrence, Vernon, and Wayne Julian) preceded him in death.

Memorial services will be held Saturday Aug. 13, 2016 11 am at True Friendship Missionary Baptist Church 7901 S Van Ness Blvd. Inglewood, CA 90305.

your teammate and change your game plan quickly, if necessary, is also important in a tournament like this.”

O’Neill struggled in the final match but like O’Keefe bowled well enough to keep the team out front.

“I couldn’t get a strike but fortunately I didn’t have any splits and I made my spares,” O’Neill said. “We had a pretty big lead heading into the last match and we were able to keep them from getting too far ahead of us.”

O’Neill also credited the ability to communicate and the knowledge of each other’s games for their success as doubles partners.

“We know each other’s games so well both physically and mentally,” O’Neill added. “We’ve kind of gone back and forth over the years where she bowled really well and I was kind of along for the ride and this year I was having a better tournament, but the point is we’re good at being able to work through the grind that makes this tournament what it is.”

Proceeds from the tournament and accompanying program raise funds are donated to The Rose, a Houston-based organization that helps women who can’t afford breast care treatment or mammograms, and the Huntsman Group. Next up on Xtra Frame is the PBA50 Dave Small’s Championship Lanes Classic from Anderson, Ind. which begins Monday. A three-day subscription is available for \$3.99, a 30-day for \$7.99 or a full year subscription is available for the equivalent of \$1.25 per week. CHRIS WARREN CLOSES IN ON PETE WEBER'S PBA REGIONAL RECORD

BOISE — Chris Warren of Grants Pass, Ore., posted a 6-2 match play record and a 3,510 pinfall total Sunday to win the PBA Boise Northwest/West Open presented by Columbia 300 at 20th Century Lanes in Boise, Idaho, moving to within one title of catching PBA Hall of Famer Pete Weber for the all-time Qu-bicaAMF PBA Regional titles lead.

Warren, who now owns 47 standard PBA Regional titles, earned \$2,000 when he defeated David Haynes of Las Vegas by 39 pins for the title. Warren, 52, also has won six PBA Tour titles and one PBA50 Regional title for 54 overall PBA titles. In addition to his record 48 standard PBA Regional titles, Weber has won 37 PBA Tour, 10 PBA50 Tour and four PBA50 Regional titles, tying fellow hall of famer Walter Ray Williams Jr. with 99 overall PBA titles.

Haynes finished with 3,471 total pins for his 16 games, including match play bonus pins.

In the companion PBA50 Open, **Tony Rodriguez of Rancho Cucamonga, Calif.**, went 5-1 and knocked down 2,925 total pins for 14 games to top Wayne Manwill of Boise, Idaho. Manwill had a 5-1 match play record and 2,839 pins.

NORWALK — The front page of the California Bowling News on January 1, 1960 showed pictures of the sixteen staff employees, for the southern addition, who worked five days a week, a labor of love for the game of bowling.

- Steve and Eileen Nagy were running the 15th annual Washington’s Birthday Singles at **BANNING BOWL**. It was “the competition” for every average bowler. The tournament ran for 3 months every year - after year - after year. It was an 8 game classic and the \$13 entry fee included everything.
- Dottie Steffen, a mother of six, organized 140 women into 2 trio leagues. The ladies donated all their prize fund to the local churches. **CORBIN BOWL** was blessed as well as the churches.
- Photo Aid was the latest in “Improving Your Game”. Photos were taken of bowlers in action and converted to a “flip book.” You could see yourself in action without a projector. The photo-aid flip-books which were 30 pages, were being produced at a rate of 20,000 per week! The object was to see your own stance, push away, back swing, release and follow thru. Gimmick or Guide? I’d get one today if they still had them. Wouldn’t you?
- 80 lane **CELEBRITY BOWL** in Denver, was the world’s largest center. It even had indoor parking for cars in the winter. On hand for the opening were some of the L.A. investors IE: Walt Disney, Lloyd Wright, Jack Benny, John Payne and Spike Jones. Others not able to attend the ground breaking event (using golden shovels) were Bing Crosby, Charles Laughton, Burl Ives and James Jordan.
- **Sports Arena Inc.** ran a Scotch Doubles Tournament with first prize being one Ford Falcon. Wonder how the couple split the car?
- Here’s one I never heard of: **SHERMAN SQUARE BOWL** on Sherman Way in Reseda (an AMF 24 laner) cut the ribbon on January 22, 1960. Does anyone remember?
- Ohio entered 2,011 teams in the *57th A.B.C. National Tournament*. California entered 47 teams. Guess it took California a while to get interested or to afford the travel expenses.
- A car dealer in Culver City was offering discounts on Valiant’s, Plymouths and De Soto’s to any A.B.C. or W.I.B.C. card holder in good standing. Did you know anyone who received the honor of a discount on one of these new cars?
- Pro Shops were traditionally privately owned and operated, therefore forced to make their own “deals” whether buying or selling. In 1960 the “AMERICAN BOWLING PRO SHOP ORGANIZATION” was born! The owners could then share techniques, educate and share purchasing power. In other words, become businesses that actually paid off and were run by experts who were trained in drilling.
- Dodger star, Duke Snider, built two bowling centers. One in Fallbrook and one in Arcadia. The Arcadia center is better known these days as **BOWLING SQUARE**. Wasn’t it once owned by a jockey?
- Who remembers **PIONEER BOWL** in Norwalk?
- The Channel 9 weekly bowling crown was rotated between Fred Riccilli, Andy Marzich, Billy Myers, Lee Scow, Shel Hippo, Chuck Bragg, Bud Horn, John Haveles and Jack Matthews every week.
- **GABLE HOUSE BOWL** predicted an April 1st opening. Their 4x4 announcing ad, wasn’t very impressive but in later years the pros grew to love the lanes and the wonderful hospitality. (Chris Schenkel became well acquainted with the bartender). The Cogan Family spent a ton of money hosting a “first class” annual P.B.A. tour stop.
- Work began on **MONTABELLO BOWL** in March. Another Dave Boran bowling center to add to his chain which included **MERCURY BOWL, ROSEMEAD LANES** and **SAN GABRIEL LANES**.
- Hank Catalano was adding to his own string of centers in the 60’s, his latest was **LA HABRA 300**, which sported the latest Brunswick Gold Crown Equipment. For us in the 21st century we are so happy to visit Glenn Allison there and view his memorabilia show case which holds the score sheet for his 900 series.
- Other “Hank Houses” included **RED FOX LANES, NORWALK BOWL, DEL RIO LANES, DUTCH VILLAGE, FIVE POINTS, FUTURAMA, LA PUENTE LANES, LINBROOK BOWL** and **PALM SPRINGS LANES**. (All built within a 10-year span.)
- Sports Arenas Inc. added **ALHAMBRA VALLEY BOWL** to their assets and when **GAREY CENTER** opened, it put Pomona on the map.
- 1960 was also the year that Alberta Crowe was elected president of the W.I.B.C. Her famous quote was “No demonstrations please!” How many remember?
- Milton Berle signed up to emcee the Bowling Writers 1960 Annual Awards Banquet at the Beverly Hilton Hotel and need I mention HE was a great success!
- AMF sponsored a month long Southland Multi Center Bowling Clinic which drew over 30,000 bowlers. AMF provided the best instructors available, as well as films, prizes and matches with the pros, all for free.
- “No-Taps Allowed” was the headline in the **DEL MAR LANES** (Gardena ad) This is the first ad that popped up for “NO-TAP. Who invented that crazy game? If you know, please contact Carol at the California Bowling News.
- We are still searching for a picture of a “Finger Tip Grip” on a bowler’s release. At this time, we can only find pictures of “Conventional Full Finger Grips”. Even on the great bowlers.
- Well, well, well - look which bowl made the front page this time. It was **KONA LANES** in Costa Mesa as the mecca for competition which was shown on Channel 9 every week. Dick Stoeffler (manager) was a show in himself. The Bowling News was honored to have him as a guest writer. Stoeffler was a great bowler, good MC and a great comic!
- Another 24 lane center, that was a January gift to local ten pinner, was **HIGHLAND BOWL** in La Habra.
- Who was the ball driller of the day? Harold Asplund was the man! He sure tooted his own horn. But, he was indeed very good.

- February 6th was a great day for Lompoc. The city finally got their own center. One of the amazing features over the years were Bar-B-Ques for visiting tournaments.
  - Bill Taylor offered a \$500 reward for the following: Lessons that guaranteed your improvement. If you failed to improve after taking lessons from him, and then took lessons from someone else, and the other instructor helped to improved you, he would give you \$500.00.
  - Another great concept to lure patrons for special events was Blue Chip Stamps. Mickey Coletti was the #1 salesman for Southern California. Every bowler from the 60’s and 70’s collected stamps, filled their books and exchanged them for merchandise. It was Xmas every Saturday night.
  - **COVE BOWL** sailed into Wilmington in February of 1960. It was one of the cozy family owned centers. Mrs. Specht was the Honorary Mayor of Wilmington and Mr. Specht ran Henry’s Yacht Landing. They were involved in community projects and politics reform for over 20 years.
  - Wilmington was soon to have a competing center. A 48 laner was on the drawing board named **HARBOR BOWL**.
  - That’s it for the first half of 1960. Wish you could all share the past bowling newspapers with me. Each paper and picture is a walk back in time and a jolt to the memory.
- More to come – I promise.

to prevent a comeback by Boresch, who was trying for his third career PBA50 Tour title and his first since 2013. Voss also picked up a rare 3-4-6-7-10 split in the third frame which helped him stay in front early in the match.

“I take pride in making a lot of the splits I leave,” said Voss, who is also a member of the USBC Hall of Fame. “Whether it takes one shot or two you just have to believe that you can knock them all down. You have to think you can always make it.”

Voss’ previous best PBA50 Tour finish was second in the 2009 Suncoast PBA Senior U.S. Open.

“To be honest, every year that goes by you never know.” Voss said. “It starts to wear on you especially this year because I’ve been in the top 10 pretty consistently. In a strange way, now that it’s over with, it kind of seemed easy.”

In the opening stepladder match, PBA50 Tour rookie Brian Kretzer of Dayton, Ohio beat two-time PBA50 Player of the Year Ron Mohr of Las Vegas, 243-213, and then went on to beat Hall of Famer and four-time PBA50 Player of the Year Tom Baker of King, N.C., 279-211, in the second match. In the semifinal match Voss defeated Kretzer 240-222 to advance to the title match.

The PBA50 Tour travels to Fort Wayne, Ind. for the DeHayes Insurance Group Championship presented by Pro Bowl West and Ebonite Aug. 6-9 and the PBA60 Dick Weber Championship presented by Hammer, Aug. 11-13, both at Pro Bowl West.

The season wraps up with the PBA50 National Championship presented by Riley Hospital for Children Aug. 14-17 at Signature Lanes in Elkhart, Ind.

Fans can catch all the action live on PBA’s online bowling channel Xtra Frame. Monthly subscriptions are \$7.99; 3-day passes are \$3.99 and a yearly subscription is available for the equivalent of \$1.25 per week.

# Can Richard Melendrez’s Team Repeat as No-Tap Champs? ‘No Sweat,’ He Says.

by Fred Eisenhammer  
WINNETKA – Richard Melendrez is not one to be easily intimidated.

Last month he overcame some of the top guns in the San Fernando Valley area to lead his team to the championship of a no-tap, handicap doubles tournament at Winnetka Bowl.

Surrounded by the likes of Johnnie Englehart, Tim Tripp, Charles Kenny, Matt Jones, Bob Englehart and many other elite local bowlers, the 80-year-old Melendrez turned back the clock and all his challengers with a powerful 626 scratch series.

“Bowling against top bowlers doesn’t bother me,” Melendrez said. “In fact, I like the competition.”

Melendrez and teammate Debbie Stelle will be defending their championship on Saturday when Winnetka Bowl hosts its third doubles no-tap tournament of the summer.

Debbie Stelle carries a 135 average.  
Photo by Fred Eisenhammer

Once again, a crowded star-studded field is expected, perhaps one that will surpass last month’s 106 bowlers (53 teams).

In last month’s event, Melendrez (210, 230, 186) and Stelle (537 scratch: 145, 154, 238) finished with a total score of 1,584. That gave Melendrez and Stelle a 26-pin margin of victory over the second-place team of Bob Englehart and Mark Levine.

Melendrez, who has been bowling for 30 years and now uses a nine-pound ball, carries a 138 average. Stelle, 69, holds a 135 average.

The dynamic duo won \$446 for its first-place effort last month. Winning tournament titles is nothing new for Melendrez, who claimed two individual titles in the past 10 years when his AMF Woodlake Lanes league traveled to Las Vegas. He netted \$500 and \$400 for those victories.

“I like pressure. I really do,” said Melendrez, who has bowled a 280 and averaged 192 in his heyday.

So can his team repeat as Winnetka Bowl no-tap champions? “No sweat,” he said, smiling.

BURBANK — Now that you've all had your summer fling, it's time to get serious and prepared for winter. Check your equipment: shoes, ball/s, tape, slide, ball cleaner, towel and bag.

Is everything up to par for the new season? Do you need to add something to your accessory kit? Maybe a new arm brace or different weights of ball tape are in order.

Don't forget the zipper on your bag! It can break at the most inopportune time. Everything you might need can be found or ordered in the Pro Shop. Go in and visit Roger and start the new season with confidence. Reminder: 2016-17 sanction fee is \$20.00.
