## John Whisler Wins The WCST Ebonite Singles at Linbrook Vaughn Doody Wins Super Senior Finals Great Turn-out For Super Seniors

by Dick Sanders

ANAHEIM—For the second straight year our WCST Ebonite Singles held at Linbrook Bowl in Anaheim, CA was very close at the finish among 5 of the 10 finalists of the regular division. Last year, the defending champion for this tournament Larry Nordstrom had a similar finish among 5 bowlers. This year Larry started tied for 9<sup>th</sup> and 10<sup>th</sup> and finished very strong for 3<sup>rd</sup> place. John Whisler (Bakersfield) took a commanding lead after the 8<sup>th</sup> game and had a 96 pin lead over 2<sup>nd</sup> place going into the position round, 2<sup>nd</sup> to 5<sup>th</sup> had only 51 pins separating those 4 places. Alex Hernandez (Palmdale) in 3<sup>rd</sup> place, down by 109 pins, beat 4<sup>th</sup> place John Cocchi 267-256, and John Whisler lost to 2<sup>nd</sup> place Larry Nordstrom, 228-214, and Alex finished 2<sup>nd</sup> to lose by only 26 pins. John Cocchi's loss dropped him down to 5<sup>th</sup> as Mike Rick who was in 5<sup>th</sup> and only 28 pins down from 4<sup>th</sup>, rolled a 258 game and with his bonus of 30 pins edged out John by 5 pins. All in all, it ended up a difference of 68 pins from 1<sup>st</sup> to 5<sup>th</sup>. This was John Whisler's 1<sup>st</sup> WCST Regular Division Title. He qualified 5<sup>th</sup> on Saturday, and was close to the leader of the 1<sup>st</sup> 5 game block.

This was John's 3<sup>rd</sup> tournament with us. He placed 3<sup>rd</sup> in our last tournament in Laughlin. John and Alex both won 8 of their 10 matches, the difference was their qualifying scores. Mike Rodriguez, also a finalist had the high game of the tournament of 298, that was rolled in the qualifying on Saturday.

63 bowlers entered the tournament, with 42 to the regular division, and our biggest turn-out of 21 super senior entries in over 5 years. The super senior entries increase is due to the return of the original format the WCST had from 1993 to 1999. 16 Checks paid out in the regular division, and 6 super senior checks for their division finals. A grand total of \$8,295.00 was the pay-off. TOP 3: 1<sup>st</sup>, John Whisler, \$1000.00. 2<sup>nd</sup> to Alex Hernandez, \$700.00, and 3<sup>rd</sup> to Larry Nordstrom (Garden Grove), \$575.00. For 8 tournaments in 2005, \$55,720.00 paid out, and for 223 tournaments a total pay-off of \$2,430,563.00. There are now over 45 bowlers that have earned \$10,000.00 or more in this organization, and 40 other bowlers that have earned \$5000.00 plus.

The WCST would like to thank our host for this tournament, Mr. John Havales, the GM of the center, his good cooperative helpers, and to his lane mechanic Joe Hernandez, who was there to help in every way on both Saturday and Sunday.

The scores were good, and fair for both the left and right side. Our thanks also to Karen Black, wife of Ray Black a WCST member, who went around and got all scores for the side-pots and the brackets.

To Ebonite International, our thanks also, as we sold two more great Ebonite Bowling Balls and added another \$200.00 to our end of the year singles fund, now up to \$1800.00, with 4 WCST Ebonite Tournaments to go before the final one on December 17-18 at La Habra "300" Bowl for current WCST members that had bowled in at least 4 WCST Tournaments this year.

### SUPER SENIOR NEWS

#### VAUGHN DOODY WINS HIS 18<sup>TH</sup> WCST TITLE

In what turned to be a very competitive super senior finals, Vaughn Doody (Las Vegas) out-lasted the field of 6 finalists, by winning all 6 of his matches and rolling 1470 for the 6 game finals. You would think he would run away from the field with those numbers, but in the position round, he held only a 41 pin lead over 2<sup>nd</sup> place Ralph Wingert, and what a match they had. Vaughn won the match 284-275, and the tournament by 80 pins. Tom Gerster had the lead up until the end of the 4<sup>th</sup> game. Another great match was in the 2<sup>nd</sup> game of the finals, Tom Gerster beat Dennis Greene, 289-280. The 6 finalsists averaged 231 per game. \$2510.00 in Prize Money for the super seniors. TOP 2: 1<sup>st</sup>, Vaughn Doody, \$660.00, 2<sup>nd</sup>, Ralph Wingert (Long Beach), \$460.00 Two other 1400 plus series were bowled by Ralph 1455, and Dennis Greene, 1426. Ralph had three 270 plus games in the finals.

WCST Super Seniors-Vaughn Doody 1st & Ralph Wingert 2nd.

WCST Regular Division-Alex Hernandez 2nd & John Whisler 1st.

## Mark May, Bowling Manager Loses Battle

NORWALK, CA — About 10 years ago a funny, funny man, named Mark May applied for a job at Del Rio Lanes. The people loved him. He was full of new ideas and he loved comedians! Thru his contacts, Del Rio had weekly comedy shows in the lounge. Great shows. Old timers, beginners, and current stars were featured.

Mark had changes in his personal life that took him to Colorado — to be a bowling center manager. More changes. Back to California where he hooked up with A.M.F.

He was doing a great job for A.M.F. when three years ago the big C attacked his brain. Imagine the worst and it happened to Mark. Good days, bad months. Blessed death took the funny Mark May from his family on Sunday. No word at this time about final arrangements.

## Caballero wins 1st ABTA Title at the Bowlum Garrison is again Perfect with 300 Game

Match Game is \$3,500 Forest Lanes/Early Event this week  
Match Series carries over / 3-6-9 is now \$1,400 this week

MONTCLAIR — David Caballero stepped up and won his first ABTA title at the Hospitable Bowlum Lanes. Believe me it was not easy especially coming from behind to edge the Red Hot Greg Reed in the title game to take a tidy \$1,200 home to Monrovia. His bonuses were also \$100 for using a Columbia “300” ball and wearing his ABTA logo shirt.

David, an ABTA regular showed up early at the Bowlum to qualify. His +79 made the board and then fired up a +789 to make the top 16 single elim finals. The scoring was good there for the men taking +71, and the ladies +37 to make the semifinals board. Also added to the semis were super seniors Art Lindsey, Phil Diaz and Kay Johnson.

David topped a nice turnout of 188 entrants at the Bowlum. 48 bowlers advanced to semi finals. Leading the semis was Los Angelean Greg Reed who delighted the field with his big +143. He could sit out and bowl for the title. Erik Marshall at +115 received a first round bye in the top 16 single elim finals. It took a +25 to make the top 16 which included four ladies.

The top sixteen took to the lane. Losing in round one of the single elims finals were Dominic Tambio, Mark Seymour, Valinda Kelly, Ken Brown, Bobbie Nakunz, Jim Smith, and Mark Wayman. They got \$100 finishing in 10-16th places.

Round two had Marshall enter the field and down Allen Thompson 240-214. Caballero got a bye as Romy Cajucom had to pull out due to cramping in his legs. K. C. Wolfe took out Roland Suase 192-152. Irene Kang took it to “The Dragon” Alan Aguilar

in a big way 267-163. Losers of round 2 garnered \$110 checks.

Round three saw Caballero bowl tough in a big 247-192 win over Marshall. In a match of two pretty females, K. C. Wolfe downed Irene Kang 191-177. Irene, and Erik were 4th and 5th at the Bowlum. Their highest finishes so far and got paid \$120 for their effort. Caballero and K. C. met for the right to bowl Greg Reed in the title game.

This match was a tight one for a bit and David finally pulled ways from the pretty lady to win in a 203-188 game. K. C. was 3rd, her highest finish in the club thus far and received \$200 for her fine effort.

The Title Match was set and both bowlers were ready. Reed elected to lead off, and lead off he did with a big four bagger to take an early lead. David had a double also. Greg then went through the beak, split and opened. David had another double to lead by 20 but he then opened, we had a match. David finished first and had a 199/242 count. Greg with a strike up in frame 9 would need two more for the win. He coolly forced it to the pocket and a ringing 10 pin would not go down. He then spared-struck for a 210/231 count and second place.

Great bowling by David who won five straight matches in the finals which is no easy task. We are proud of him as he is our latest champion, and one of the good guys! Nice going David!

Great bowling by Greg Reed who certainly could have won this one. He is also one of the good Guys! K. C. Wolfe Irene Kang, and Erik Marshall all bowled well and could have won the event with a stroke of luck.

ABTA Notes: Tourney Hi Qualifiers were Tri Vo (men) +194, and Esther Tambio led the ladies +137. They will receive paid entries.

The optional doubles were taken by Sun Sundara, and Danny Guevarra. Their fine 1405 got them \$100. One scant pin behind was Greg Reed and Jeff “300” Garrison at 1404. They got \$80. The doubles action was light at the Bowlum. seven places and \$410 was paid out tho!

Chris Sargent was last standing in the 3-6-9 going for \$1,300 this week. He missed on shot #3 so we will have a sweet \$1,400 in the 3-6-9 pot this Saturday in our One Day Early Event at Forest Lanes.

The Match Game 3 worth \$3,180 drawn by Greg Reed was an unmatched 279. So we will have \$3,500 in the Match Game at Forest with a carryover being added to the Labor Event.

The Match Series was also unmatched as the 664 drawn by Tri Vo Sr. was not hit. We will have a \$856 carryover in the Match Series for this week also.

The Columbia “300” ball of the week went to pretty Rowie Jucal. Her ticket was drawn by the pretty Quida Donnine Johnson’s #1 fan.

Champion David “don’t call me Dave” Caballero is from Monrovia, and used a Columbia Back Yard Bully drilled by Memo Rosales at Action Lanes. He thanks his parents and friends for believing in him and parents for support and the ABTA for a great job in the tournaments.

Greg Reed hails from L.A. and used an Ebonite Shooter drilled by Billy Myers at Cal Bowl. He thanks God, Big Ted at Midtown Bowl, Billy for the fine drilling and to the Ingewood Tournament Club friends and the ABTA.

K. C. Wolfe is from Van Nuys and used a Vertigo drilled by Arvo Dygert. She thanks Rich and his gang for support.

It is history folks, as David Caballero enters the archives as our latest ABTA Champion at Bowlum Lanes.

# National Deaf Bowling News

## 15 Early Entries In Kansas National Deaf Master Bowlers Tournament

by Connie Marchione

ANAHEIM HILLS—As the deadline of August 10 passed, Bill Cozad, founder and director of National Deaf Master Bowlers Association reported that only 15 bowlers had paid their entry and several had asked for extra time to pay. He is not concerned because as in the past three NDMBA tournaments the deaf bowlers were mostly late with their entry fees. Cozad says that after the deadline the late entry fee goes up \$20.00 to \$210.00 for walk-ins in this 4th annual NDMBA tournament. The tournament with \$3,000 guaranteed first place prize is being held at Olathe Lanes East in Olathe, Kansas on September 30 to October 2.

The early entries are important, Cozad said, for the bowlers to have their names and their lanes schedule printed in the program book for the fans to follow. As shown in previous three NDMBA tournaments, the other deaf bowlers did not care for that. About half of late entries were walk-ins and had their names written in the book and lane schedule. The first one in 2002 at Cleveland drew 47 bowlers including one brave woman and five walk-ins. The 2nd tournament at Dallas in 2003 also drew one woman among the 30 bowlers before press time and 5 walk-ins.

Last year's memorable 3rd annual tournament at Orlando had a hurricane in its path which scared most of the Florida's high average deaf bowlers home. As a result the entries were 25 including a record 4 women at press time and instead of 15-20 walk-ins, only 3 braved the hurricane to enter. NDMBA is the first national deaf tournament that uses a small version of PBA tournament with qualifying rounds and match play rounds with best 3 of 5 games to advance. Cozad has over 400 names of high average deaf bowlers including women in US and he hopes that 10% or more enter in his tournament.

The list includes deaf and hearing-impaired PBA and former PWBA members who are permitted to enter. The defending champion, Lindy Decker, York, PA was the first woman to win this event. The smooth stroking lefty defeated both great deaf PBA bowlers, Pete Kaczmarzyk, Detroit and Frank Gallo, Jr., Landam, MD in order to win the title. The great Kaczmarzyk rewrote the record book with new record 2971 total for 12 games (247.5 average) in qualifying round of two blocks of 6 games. He replaced his old record of 2933 (244.4 ave.) made in the first event at Cleveland. In the first NDMBA tournament an inspired PBA bowler Scott Lindsay, Buffalo beat the much heralded Ken DeGross, West Lawn, PA for the title. In the 2nd event at Dallas a 188 average Austin, TX bowler Johnny Dominik defeated Gallo in the title finals. In the same Dallas event a lone woman entrant Jerilyn Keller. San Antonio became the first woman to qualify for the match play and finished in 4th place. Except Lindsay who was unheard from, all these names above are entered in this one at Olathe. It will be an exciting event to watch.

DEAF TRAVEL LEAGUE MEETING AT KEYSTONE LANES ON SUNDAY AUG. 21  
NORWALK—Deaf bowlers who are interested in bowling in So. Calif. Deaf Traveling League in this Fall should come to its meeting at 1:00 PM on Sunday August 21 at Keystone Lanes for a chance to be placed on a team. Those who want to but could not make to this meeting, call Connie on TDD or fax 818 785 1478.

LAKEWOOD—The second week of bowling at Cal Bowl was considerably better than opening week and Jamie Vallier topped the honor roll with 214-582, followed by Doris Lewis 225-561, Bernice Williams 235-549, Cindy Martin 525, Ramona Rocha 521, Bernice Bennett 203-513, Ann Fedderly 519, Betty Phillips and Tracy Baldwin tied on 506, Karen Mauricio, Madeline Majick 505, Karen Mauricio and Joan Roper tied on 501, and Cathy Wyatt 201.

Although it's a little early to report high season games and series, we want to spotlight Vice President Bernice Williams 235-549 high games and series for 155 and under bowlers. Husband Charlie always travels with Bernice but this week two very young grandsons were in tow. One of them asked Bernice, How can you bowl with your bad knee Grandma?" and she replied, "Just you watch" and she showed him. Bernice had knee replacement last year on one knee and is overdue to have the other one done, however she is putting it on hold until after March when the league ends it's season.

Premiere Lanes, Cal Bowl B, Cerritos Lanes, Keystone Lanes B and Linbrook Bowl are tied at 5 wins for first place, then 5 are tied with 4 for runnerup spot and the rest of the league are bunched right behind them.

We just learned Bert Martinez is sidelined by medics but hopes to get back real soon.

Betty Phillips and Barbara Bishop, former league members, were welcomed back Monday when Betty Phillips signed on Vi Wilson's Keystone A team and Barb goes on the sub list. Millie Buckles was also a welcome addition to the sub list.

HELP! There is one team member opening on Alberta Stoute's team. Please call me at 423-1567 or Alberta at (310) 631-0182 for more information.

NEXT WEEK: Monday, 10 a.m. at Cal Bowl.

# Debbie Leighton is the 2005 CWBA Queen

by Rosie Parker

SAN DIMAS—Debbie Leighton of Alameda County was crowned the 40<sup>th</sup> California Women's Bowling Association Queen on Sunday, July 10th at Chaparral Lanes in San Dimas. The runner up was Tracy Castro from San Francisco.

The two day format was used for the Queens tournament this year, beginning with two qualifying squads bowling six games each on Saturday. The top thirty-two ladies returned on Sunday morning and rolled three more games, for total pin fall. In the second round, the top sixteen ladies from the first round bowled another three games for total pin fall and this reduced the field to eight ladies. The eight ladies bowled an additional three games for total pin fall, moving the top five ladies into the step ladder finals. The ladies bowled one game matches in the step ladder finals.

In the first match of the step ladder finals, forth place finisher Amanda Stewart (Orange County) bowled a 233 game, defeating fifth place finisher Missy Bellinder (Orange County), who bowled a 217 game.

In the next match Amanda bowled a 244 game against third place finisher Laura Hardeman (San Diego) 225, to move into the next game.

Amanda continued her high scoring in the next round. She rolled a game of 234, but it was not enough to stop the second place finisher, Debbie Leighton (Alameda County) who bowled a 247 game.

In the final game, the high qualifier, Tracy Castro from Pacifica rolled a 211 game, but again it was not enough, as Debbie rolled a 258 to win the title of the 2005 CWBA Queen.

Debbie began bowling when she was 13, joining her younger brother who was already bowling in a league. By the time Debbie was 16, she was averaging 200 and competing in some very competitive junior leagues, along with bowling the Nor Cal tournaments. The high point of her junior career was when she won the state scratch championship in 1991 at Cedar Lanes in Fresno. Debbie was elected to the Northern California Junior All-Stars four times.

In 1993, in order to spend more time with her son, Ricky, born in March, and due to a serious knee injury, she stopped bowling. While she still had the desire to compete, her son had to come first. Debbie said she is

both lucky and proud to have been around for her son and to watch him grow up. While she did miss bowling, the time she spent with her son was invaluable

In 1997 Debbie got the “bug” back, so to speak. She began bowling again, mostly in leagues, with the occasional tournament mixed in. In 2003, she bowled the National Queens Tournament basically as a test for herself to see if she wanted to try and get back into bowling tournaments and taking her game to the next level. While she didn't make the cut, the experience re-energized her love for bowling and her desire to go back to National Queens and make the top 64. In 2004, she entered the Alameda County Queens tournament, with the Idea of winning an entry into the state queen's tourney. She was successful and did win the entry into the CWBA Queens tournament held at Cloverleaf Family Bowl in Fremont. Debbie bowled well and placed third, losing to eventual winner Tish Johnson in the stepladder. In 2005 she entered the CWBA tournament with the goal of making the top five again and qualified third for the stepladder finals, this time winning her two matches to become CWBA 2005 Queen.

The win at queens has given Debbie a chance to take advantage of some wonderful opportunities. She will be bowling in the Kingpin Challenge, to be held in Reno, using the free entry she earned. Debbie also plans to bowl the National Queens Tournament, with a goal of a top 64 placement in 2006. Finally she will be back in Sacramento next year to defend her title against some of the best bowlers in the country, if not the world. Competing against the likes of Hall of Famer's, Leanne Barrette, Tish Johnson, Dede Davidson and Robin Romeo, not to mention the many others who have been on Team USA and have won national Titles, is both challenging and exciting. Debbie said she has the up most respect for all of those bowlers and she is extremely proud to be able to say, that for those 2 days in July in San Dimas, she was the best female bowler in the state. To have her name on the list of winners that includes both legends and hall of famers is almost hard to believe. Debbie is extremely pleased and grateful for all that bowling has given her and for the opportunity to bowl and become state champion. Her goal now is to continue to become the best bowler and mom that she can be.

Debbie has averaged over 200 for 15 years. She has a high game of 300 and a high series of 786. She averaged 225 in the CWBA Queens Tournament, with a high game of 297 and a high series of 718. Debbie is also very involved with youth bowling and is currently working as the Assistant Junior Director at Cloverleaf Family Bowl in Fremont.

Debbie sends a special Thank You to all of the following people in her life, her family, friends, everyone at Cloverleaf Bowl, and Dan Ryken for all their support over the years. She wants to thank Ty Dawson, Kim Terrell and Leanne Barrette for their help with her bowling. Debbie and the CWBA Board would like to thank all of the sponsor's of the 2005 CWBA Queen's Tournament, John Remsbecker - Professional Bowlers Photography, C. Sand-

ers Emblems, Judith Ann Hartman, Chaparral Lanes, Rinnander Upholstery , California 15 Year Club, California Bowling Writers, Bowlers Pro Shop at Chaparral Lanes, Trophy Center/Continental Awards & Promotion, and New Century Printing for sponsoring the CWBA Queens event. Also a special thanks to Dave Woodruff for the entry into this years Kingpin challenge and to Jennifer Cunningham from the Circus Circus Hotel/Casino for the hotel accommodations. Thank you CWBA for having this special tournament and thanks to Chaparral lanes for hosting this year's event.

Runner up Tracy Castro averaged 228during the tournament with a high game of 269 and a high series of 742. During her career, Tracy has a lifetime high average of 220, high series of 797, and a high game of 300. At 12 years of age, she was the youngest junior bowler to bowl a 300 game in the United States. In 1997 Tracy was the International Coca-Cola girls scratch champion; in 1998 the

CWBA Star of Tomorrow and in 2001 was the CWBA Queen. Tracy joined her first league at age 6. She has been an adult board member of the CSYABA for over 8 years, giving her knowledge and expertise back to the youth bowlers in her area.

A special Thank you to Russell Smith from Continental Awards & Promotion for donating the beautiful tiara for the Queen, and to Terri Dorrington, New Century Printing Inc., for printing all the entries and forms used in the tournament.

Good luck, Debbie, when you compete in the Kingpin National Challenge in Reno in October.

Another very special thank you goes to League Coordinator Pat Snyder, Owners Mike and Mandy Patel, and the staff at Chapparral Lanes from all the entrants and the Queen's Committee for a job well done.

The 41<sup>st</sup> Annual California Queens Tournament will be held at Fireside Lanes in Citrus Height the weekend of July 8 – 9, 2006. Make your plans now to bowl in this elite tournament.

TENPIN SLANTS

BY JOE LYOU

RENO—The inaugural Kingpin Million Dollar Challenge is gathering steam. In other words, the tournament—which guarantees \$1 million to the winner—is catching on with bowlers.

This bodes well for the Kingpin Challenge, which will be held Oct. 22-30 at the renovated National Bowling Stadium in Reno.

When news of the tournament was first announced last March, a majority of people in the bowling industry didn't believe the event would ever get off the ground. After all, similar million dollar events in the past had folded quicker than a cheap tent in a wind storm.

Such skepticism was reflected in an unscientific poll conducted by*Tenpin Slants* three months ago. I thought otherwise, however, and stated that the Kingpin Challenge would definitely be held. I listed five reasons why.

Briefly, these reasons were: 1) The four Kingpin Challenge promoters had a successful track record in conducting major attractions; 2) the promoters had invested too heavily to even think of pulling out; 3) the Kingpin Challenge had been endorsed by such organizations as the United States Bowling Congress, the Reno-Sparks Convention and Visitors Bureau, and Reno Tri-Properties (comprised of Circus Circus, Eldorado and Silver Legacy hotels/casinos); 4) NBC-TV had committed to showing the finals (taped) on Sunday, Nov. 13, at 11 a.m., Pacific time; and 5) the promoters welcomed the challenge of staging a successful major bowling event and hoped to stage many more Kingpin Million Dollar Challenge tournaments.

*Tenpin Slants* also pointed out that the tournament promoters had hired three of the most respected people in bowling: Joan Romeo (as a consultant), Hall of Famer Dave Husted (tournament commissioner) and popular Frank Ellenburg (director of operations).

Since I wrote those words, several sponsors have climbed aboard the Kingpin Challenge bandwagon: Brunswick, Dexter, Lane One, Storm, Columbia 300, Ebonite International and Hammer. Even the influential *Bowlers Journal International* has joined the growing ranks of sponsors.

Tournament entries—at \$695 a pop—are said to be pouring in. And, with reentries permitted (for only \$295), the Kingpin Challenge may well reach its target number of 2,500. (When I first learned of the tournament, I figured the promoters would be lucky to hit half that amount, but I'm now happy to say that it looks like I'll be proven wrong.)

Interested bowlers who have not yet signed up can reserve a spot for \$195. Simply log on to the Kingpin Challenge website at [www.kingpinchallenge.com](http://www.kingpinchallenge.com). The website also provides complete details of the tournament format and official rules.

Basically, Kingpin Challenge entrants will be competing in one of six divisions. The divisional winners are guaranteed \$50,000 and will advance to the TV finals—and a shot at the \$1 million first-place prize. The total guaranteed prize fund is a whopping \$2.2 million. And that doesn't include the brackets and sweepers.

With all that action going on, there's no way I'm going to miss being in Reno to watch Kingpin Million Dollar Challenge I.

On the morning of Saturday,

Aug. 6, WIBC Hall of Famer Betty Mivelaz called me with the sad news that Bobbe North, her best friend, had died peacefully in her sleep. Betty and Bobbe were two of Southern California's best distaff bowlers during the 60s and 70s.

Bobbe had developed back and leg problems that were so painful she had to give up bowling. She then turned to giving bowling lessons. One of her pupils was Donna Adamek, who went on to earn four national Bowler of the Year titles.

I knew Bobbe and her husband, Ron, for about 40 years. Ron, who got a lot of pleasure out of watching Bobbe bowl, preceded her in death several years ago.

Although Bobbe was a member of the SoCal Bowling Hall of Fame, most people don't remember that she had won two PWBA championships (in 1969 and 1970). Those were the same years Bobbe was named to the prestigious *Bowlers Journal* All-American team.

The SoCal Bowling Writers voted Bobbe to six All-Star Teams, and in 1969, 70 and 74, she was voted the SoCal Bowler of the Year. It was during that time I dubbed her the Striking Redhead. She loved it.

Her other honors included winning the CWBA Queens title twice (in 1969 and 1974). In 76, the CWBA elected Bobbe to the California State Women's HoF. She was also voted into the Citrus Belt WBA HoF.

I'll miss Bobbe. I used to call her every month or so at her La Verne home. She loved to reminisce about the good old days of bowling.

Bobbe had a great sense of humor. I guess I liked her so much because she always laughed at my jokes. One of her favorites was the result of a true incident.

I don't remember exactly how it happened but we were talking about names. Bobbe, who had been married three times, remarked that she had some unusual married names.

My first married name was Bobbe Day, she said. My second one was Bobbe Black and then, of course, I became Bobbe North.

What was your maiden name? I asked her.

Ong, she replied.

I don't believe you, I said. Ong is a Chinese name.

Well, it's Scottish, too.

No way, I said. I still don't believe you.

Why, she pleaded, don't you believe me?

Because, I answered, two Ongs don't make a white.

I can still hear her delightful laugh.

**FINAL ITEM:** The Professional Bowlers Assn. recently announced its 2005-06 tournament schedule. For the first time in many years, the pros won't be visiting Las Vegas or Reno. And they'll make only one stop in the state of California. That's when the inaugural. PBA **Dick Weber** Open is held Jan. 10-15 at **Dave Osborn's** Fountain Bowl in Fountain Valley, Calif. The tournament replaces the PBA Orange County Classic Presented by Storm, which was won by **Walter Ray Williams Jr.** last December...In case you missed it, the PBA Tour kicks off the coming season with the PBA Tulsa Championship, Oct. 26-30, in Owasso, Okla. The TV finals will be staged in an arena called the **Donald W. Reynolds** Center...

League People Disappearing?

By Frank Kietz

LAKE FOREST — "League People" are bowlers who like to bowl, organize, be officers, team captains in league's. Tenpin's backbone where the dues came from to finance the ABC, WIBC and YABA. Oh, yes, you remember.

Maybe you don't, there are not many around. Like old soldiers they slowly roll away. And, no one in the bowling business cares or wants to train or support them, not even the United States Bowling Congress.

The USBC's initial communique, USBowler, loaded with how-to: become a coach, bowl better in tournaments, get on the national team, pro tips, enjoy sport (tough) bowling and the chief communicator, Tom Clark, caps the issue about bowling technology.

Not a word about league play. Their "Scoreboard" crunches members about past summer league high roller's scores.

CEO Roger Dalkin writes, "Coaching is Key. People who understand the sport and become more skilled likely to become life-long members."

The coaching classes don't teach anything about leagues. They teach you how to overcome those tough sport bowling conditions.

USBC will have "how to" league rule books available after the league is organized. The rule book will teach bowlers how to properly conduct themselves, how to protect their funds, etc..

We need the bowling people now to get those helpless leagues organized. It's common knowledge proprietors own the playing field and it's their duty to organize leagues, tournaments, open play and promote the game.

Proprietors need help. They needed help way back before the ABC was organized. You see, it wasn't the proprietors who got the ABC and their whacky team and tournament program organized, it was Brunswick.

It was John Brunswick's son-in-law Moses Bensinger who got the unorganized alley owners together in New York City's Bethhoven Hall; put on a seminar convincing them how to make their alleys more profitable, organize leagues and teams to fill them.

Before the owners left the Hall, Moses sold 'em on a system of alley and pin specifications and better than parting the Red Sea got 'em marching on Broadway with banners, "Join The ABC" and bowl the first championships in 1903 in Chicago.

First 41 ABC tournaments were bowled on Brunswick alleys. Moses' dream came through, five-player teams from organized leagues, that's what made our game.

Where can we get our modern day Moses? From AMF or Brunswick, maybe a mixed team, Moses and a Mother Theresa?

Instruction to Help Raise Your Scores

FORM, FINISH and FISICS - Part I

Did my lousy spelling get your attention? Great! Because in today’s bowling climate the importance of some of the laws of physics as they apply to form and improved scoring have gotten lost in the shuffle of “house” lane conditions and easier equipment. No, I’m definitely NOT one of those “I wish we’d go back to the old days” types. On the contrary, looking forward, rather than backward is more my philosophy.

The laws of physics, however, are what they are...and they’ll usually break you long before you ever get away with breaking them!

Upper body form during the approach and at the line is a case in point. It is true that there are almost as many ways in which bowlers can individualize their styles as there are bowlers. Look at the many differences, for example, between the approach/release styles of Walter Ray Williams and Pete Weber...or Amleto Monacelli and Chris Barnes. Need I go on? What we often miss when watching such champions is the *similarities* in what they do, because the similarities are hidden by the more obvious differences.

Such bowlers are successful because they are able, for example, to maintain accurate swing alignments, consistent release positions, follow-throughs that virtually never vary and an uncanny ability to release the ball from a body position which gets it to the same chosen break point shot after shot. Not to be overlooked, these professionals look at practicing as a JOB; a job which will earn them a living...meaning hundreds of practice games per month, which also contributes to the development of a winning form, though it may appear different from individual to individual.

THE WINNING AMATEUR

You will never hear me say that less practice is better. But for the amateur who has a different career, there is a way to maximize scoring potential without committing six or more hours of practice per day. That is to gain knowledge of and adhere to, a bodily form which utilizes some of the aforementioned laws of physics with less effort, although it may very likely involve more effort to learn to begin with.

This is because it requires change, which most people hate with a passion. But to the high level amateur who seriously wants to improve, change is usually an accepted part of developing winning ways.

So what follows will involve adjustments which help bring what we call “form” into a better relationship with the physical laws designed to get optimum results.

THE TRAFFIC SIGNAL

OK; imagine traffic signal in the body, consisting of the green light in the middle of the body just a bit above the hips (which is the body’s balance point, by the way), the yellow light in the middle of the chest and the red light in mid-neck.

Now, the importance of leverage in modern bowling is universally accepted, as is the truism that you get more leverage from a balanced position. The problem is that many bowlers bend too far forward (and downward) tilting the torso (traffic light) too much.

From that over tilted position, the all important follow through can’t be completed without a destructive early elbow bend and a destructive chicken wing.

COMPARISONS

While the ball is heavier in bowling than other swing sports, a few comparisons might just drive home the above points a bit more clearly. In virtually all swing sports, be it hitting, kicking or releasing a ball, the part of the body used to “lead into” the hit, kick or release is practically always the same...*the hip*...or mid-section (green light) in which the body’s center of balance is located. In a famous photo of Babe Ruth hitting his fourth home run in a single game back in the 1930s.

The photographer caught Ruth at the exact moment of his bat’s impact with the ball, and at that instant Ruth appears to be leaning AWAY from the ball rather than into it.

How can this be? How can home run power be generated by a body bending in the opposite direction? Well, what you see in that photo causes an illusion. What he’s really doing is moving INTO the hit by first stepping into it, then generating upper body leverage with hips and torso in that order. This allowed his body’s central balance point to control the swing. So in reality it’s the body’s mid-section...*the hip area*...that’s the key!

And so it is with golf, tennis, passing or kicking a football, shot put, discus, the javelin throw, on and on. If you’ll take a moment to visualize any or all of the above movements you’ll see this phenomenon in your mind’s eye. Videos of such sports make it even more obvious.

Some, such as golf, exaggerate this motion more than others, but it’s nearly always there among top performers, including many top pro bowlers. Many of today’s top coaches, as well as hall of fame bowlers turned teacher, will tell you that in modern bowling too much body bend from the waist is detrimental.

FACING THE WALL

Why, then, do so many bowlers, including some par bowlers, seem to lunge forward with the shoulders into the release, leaving the hips and butt sticking out behind? Well, part of the reason is that in stretching the bowling arm toward the mark during the release, many bowlers overdo it by taking the shoulder (and therefore the upper body) along with the arm.

At the same time the back leg stretches too far back and around, pulling that hip area back even more. Now the green light is sticking out behind, the red light hangs over past the toes, increasing the over-bend even more (often causing the bowler to hop forward at the line).

Worse, that back leg often pulls so far around behind the body, that the entire body, front foot and all, twists and turns sideways. This overdone back leg action, by the way, is the reason so many high average bowlers get stuck at a scoring level below their true potential. Once it is understood that facing the wall during the release forces a “pull” to get the ball to the target, the problem clears up a bit.

Remember, releasing the ball across the body causes lousy accuracy no matter how many revs may be generated. Result? Splits and too many missed easy spares cause enough open frames to keep the strikes from creating a satisfactory game. To maintain a 215 plus average an open frame must be followed by a turkey. Even then, more than two opens can mess up a potential 200 game!

Stroker, cranker or a combination of the two, you’ll never break this law of physics with impunity for any length of time. Even on the PBA tour, with all that practice, few get away with it often enough to make money. So the bowler with limited practice time is far better off working on a form which obeys these laws.

THE NITTY GRITTY

For those who may have had trouble keeping the torso (traffic signal) from over-bending, take heart; it is easier than you may think. You don’t do it by trying to straighten it out at the red light, because that involves moving the entire upper body backward while your approach is moving forward.

Instead, keep your green light (hips) moving forward with your steps and on the last step hit the foul line with the green light. This is more efficient because the center section of the body, having more hinges, is easier to move. Try this test: Stand and bend forward from the waist 35 to 45 degrees or so; now straighten the upper body (red light) but this time, just push your hips (green light) forward instead.

What happened? Right! As your hips went forward the upper body unbent like magic without your ever thinking about it! Much more effortless. Now use it as part of your approach. It won’t take too many tries before that traffic light is almost vertical. This form finally allows your arm to finish its follow-through without that devastating early elbow bend, loss of leverage and possible chicken-wing.

This works! From this body position at the line you can much more easily create a leveraged release, affording much more lane condition control. The only way you could overdo it is by arching your back, which won’t normally happen because when you hit the line the entire body is moving forward...so your nearly vertical traffic signal may actually still be leaning a couple of degrees forward which is OK, but never over-bent!

THE BACK KNEE

Now...at the line, if the front foot is thought of as being at 12 o’clock, the back foot should be at approximately 7 o’clock (5 o’clock for left handers) in order for the body to resist turning away from the target.

To that, let’s now add the idea that to help keep the back leg from stretching too far, the back knee must actually be kept a bit more loose, or bent, rather than straightened out completely. Also, the back knee can be pulled forward a bit, finishing closer to the front knee. Since 100% of the body weight is balanced (green light) on the *front foot*, a *bent* back knee creates a stable tripod position. This solidifies your form at the line into an easily repeated and solid position. This position, or form, turns your body into a launch pad, if you will, from which you can fire a consistently accurate and powerful missile!

Today’s Rolfism Practice does *not* make perfect!

Practice makes *permanent!* Only *correct* practice makes perfect!

## Schilling Shocks The JAT Field At Action

by David Yamauchi

EL MONTE, CA- The JAT got tournament play started at Action Lanes after a break for the Hawaii Junior Championships in Aiea, Hawaii. Congratulations to JAT member Mason Sherman who was crowned Boy's Division Champion and JAT members Samantha and Natalie Jimenez who finished second and third in the Girl's Division. Nice bowling all!

Back on the lanes, scoring would prove to be tough at Action this Sunday. Dry middles combined with a shorter oil pattern required some serious speed and shiny equipment. After 5 games of qualifying, Cory Koyanagi led the field at +69 with virtually all of his plus pins coming off his qualifying-high 267 first game. Rounding out the top-12 was Preston Fukumizu at -60. Alternate was Danny Gartin at -64. Best run in qualifying was Jared Lawrence who bounced back off his 135-156 second and third games to finish strong with games of 233-266 to jump all the way to 6<sup>th</sup> place.

The top-12 went on to match play, where scoring started to

pick up just a bit on the high end of the house. Danielle Schilling started off hot with a 279 game giving her the tournament lead, while Jared Lawrence's 265 in game 4 helped him continue his climb up the leaderboard. After 5 games, Danielle Schilling had lapped the field, leading by 150 pins at +277. Jared Lawrence sprung up to the second position at +127 while Cory Koyanagi +120 and Matt Jones +114 rounded out the top-4.

In the finals, the bowlers matched up against a set of PBA Gold Pins. Cory Koyanagi and Matt Jones met up in the first match of the day. Jones could never find the shot, and Cory continued firing down the second arrow en route to a 198-149 win. Cory moved on to face second-seed Jared Lawrence. Jared started out strong, tripping a 4-9 in the 5<sup>th</sup> while Cory started running out of gas with opens in the 1<sup>st</sup>, 4<sup>th</sup>, and 5<sup>th</sup> handing Jared a 205-178 win. Jared moved on to meet top-seed Danielle Schilling for the title. Danielle started striking while the lanes seemed to dry up right in front of Jared's eyes. A chopped 2-4-5 in the 3<sup>rd</sup>, fol-

lowed by a 3-6-7-10 split in the 4<sup>th</sup> and a big-4 in the 5<sup>th</sup> ended Jared's chance for the title as Danielle struck to a 212-146 win. Congratulations Danielle on your 5<sup>th</sup> Open Division title!

The JAT is considering taking a tour group to Hawaii in July 2006 for the Hawaii Junior Bowling Championships. It's easy- put down a deposit, make small payments each JAT tournament and spend 8 days in paradise next July! This would be our first trip since 2003 when we had a great time with a fun group of bowlers and parents! We need about 20 people to plan the trip. More information will be available at next tournament- see Dave Yamauchi!

The JAT takes the lanes this Sunday for the JAT Adult/Junior Doubles tournament at Chaparral Lanes in San Dimas. This is a handicap event open to bowlers of all skill levels. Parents, bring out your other sons and daughters and JAT bowlers grab your parents or other adults and come out and have a great time! Please bring verification of your book average for handicap purposes! See you all at Chaparral!

JAT Champion Danielle Schilling and runner-up Jared Lawrence

# JAT Farm Club

by David Gordon  
EL MONTE - The JAT Farm Club returned to the wood this past Sunday at Action Lanes. Thirty bowlers were on hand to try and figure out the shot and strive for a title.

Not many reportable scores as qualifying found Felicia Mara with the high game during the first five. Felicia posted a 254 and led the field at plus 10. Other high scores came in from Reggie Brown 252, Natalie Jimenez 234, and Greyson Alman 224. Tommy Neuzil also posted a plus 10 to tie for leadership and the cut to the top 14 was minus 131.

Things started to pick up a little during match play as Albert Fernandez gave us the thrill of the tournament with a near perfect 299 game. More scores in match play were from Alman 247, Sadia Ward 235, Aaron Steinberg 226, Robert Hugo 223, and Jimenez 221. Behind that tournament high game, Fernandez made the biggest

jump going from 11th to 5th and into the finals.

Those finals started off with Fernandez (+21) taking on 4th seed Mara (+35). Still riding high Fernandez took this match 184-155 and on to meet 3rd seed Jimenez (+38). Unlike last tournament were the ladies made the run, this week Fernandez made his run and put away Jimenez 182-163. Now he faced 2nd seed Dean Nishijima (+49) and knew he had to step it up a notch. A real good match as Fernandez went the last six for a 237-198 win and the chance for his first title. However, he was now facing top seed Sadia Ward (+129), coming off of five straight match play wins and also looking for her first title. In the end, Ward quietly block Fernandez's hopes on to a 178-155 title win. Congratulations Sadia. And guys take note, that's two tournament's in a row for the ladies.

Our next tournament will be this coming Sunday at Chaparral Lanes in San Dimas. This is our summer special tournament, the Adult/Jr. Doubles Tournament. There is still spots to fill

Action Lanes - August 14th, 2005 (l-r): Dean Nishijima - 3rd; Sadia Ward - 1st; Albert Fernandez - 2nd

as we have the entire house of forty-eight lanes. The entry fee for this tournament is \$60 per team and all adults are welcome. Adults must bring in an average verification sheet or will take a 200 average. Current JAT bowlers will use their current average based on 21 games or they must too, supply a league sheet for average verification.

The check-in begins about 8:15 and the actions starts around 9:00. Remember to re-

serve your spot now by calling me at 310-244-5129. You can also email me at David\_Gordon@sonyusa.com or email Dave Yamauchi at dave@daveyamo.com. This is a tournament loaded with fun as the adults try to hang with these young skilled bowlers. There may also be a professional or two in the crowd, so come on out. All JAT members (Open and Farm) are welcome. See you on Sunday.

Concentration & Execution Proves Lloyd's "Thierry" ...

Result: A 300 Game in Rocky Marsh Doubles

by Joy McGregor

ANAHEIM—The scores are sooo “hot” in the Rocky Marsh Doubles *inside* Linbrook Bowl it feels as though you are ‘glistening’ — ok, sweating, *outside* in the heat...

Lloyd Thierry was already hot and his stealth-like approach proved deadly (to the pins) and his “wired” ball (weapon), exploded into the pocket for 12 perfect hits in his opening game; he followed up with 248 and 194 to sport 741 and added a 225 game to record 967. Lloyd would like to thank Ginny Adams of Kegler’s Korner, (inside Linbrook Bowl), for drilling his Columbia “300” Wired. Do you happen to have any more of these in stock, Ginny? Congratulations, Lloyd! He said he hasn’t had a 300 in quite some time so it felt real ‘cool’ — I guess it would, I’m still waiting to find out!

Willy Bordenave as reported last week, is STILL on his high scoring steak and taking no prisoners, stroked 192-277-255 for 724 and added 256 to boast a 980 high series for the day. He told me he credits practice, practice, practice as the secret. There you go!

Super sub David Wright, right on Willy’s heels, was on a mission as he shot 236-254-257 for 768 and added 207 to post a great 975 set. I’d say mission accomplished!

Missy Bellinder, no stranger to headlines, was on target as she belted 215-236-257 for 708 and added 245 to tally a fine 953 series.

Last, but certainly not least and rounding out the 900’s was none other than Roger (that) Vasquez, powering his ball (like a rocket to the pocket), and making the pins fly on games of 205-235-246 and 236 to score 922.

More ‘hot’ scores: John Conway 238-893, Janet Anderson 243-882, Orlando Vanegas 245-879, Terry Brent 233-860, Frank Bellinder 220-837, Gloria Ferrulli 236-824, Bob Gosnell 238-814, Al Lara 241-813, Roy Sager 232-811, Ralph Wingert 222-807, Eva Munson 224-805, Ron Douglass 215-801, Joe Rouette 258, Don Hart 246, Alan Bloom 236, Tony Chaco 233, Larry Green 225, Ronny Thompson 222, Gino Vassallo 213, Nancy M-Smith 212, Carl Adinolfi 213, Brian Roberge 208, Rey Ortiz 207, Dave Lauthorboren 206, Marie Brooks 206, Dahanna M-Klerer 205, Rose Williams 203, Kantral Williams 200 and John Phillips 200.

Until next week...
