Dave Olsen Joins The Angel's In The Sky

NORWALK — Military services were held Tuesday for Dave Olsen. Many bowlers from Keystone and Del Rio Lanes remembered Dave as a real competitor. He even joined a league for the blind when diabetes prohibited him from competing at his regular game.

Dave had many loves — Family, Angels Baseball, Bowling and Fishing.

Dave succumbed to a heart attack Wednesday, August 22, 2012 listening to Angles baseball.

He leaves behind wife Genny Olsen, 4 daughters Cheryl, Theresa, Bridgette, Tiffany and 10 grandchildren, William, Michael, Donovan, Jonathan, Destiny, Kaytlyn, Dominic, Chenoa, Iyana, Herman, and 1 great-grandchild K'lani.

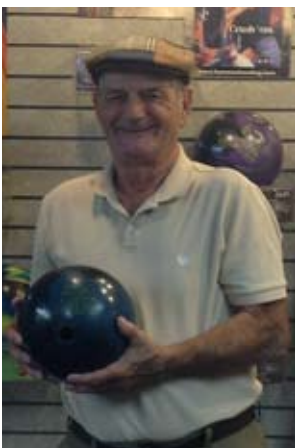

FRED FERRER Bowls His 1st 300

by Frank Weiler
MURRIETA — Does a bowler give up on his dream after twenty years? How about thirty or forty years? Some might, but not Fred Ferrer.

Like most of us, Fred has long dreamed of bowling 300. Why not? He has been a 200 "PAR BOWLER" for many years with the talent to do it. However, as the years and decades past without perfection being achieved, his dream might have faded or even evaporated. Not Fred's dream. My feeling is that he somehow knew he would someday bag the big one. So when a senior bowler like Fred achieves perfection for the first time, it is time to celebrate, time to twist and shout. I think I am going up on my roof and holler: "Fred Ferrer has bowled 300, Fred Ferrer has bowled 300, Fred Ferrer has bowled 300!"

I must say, it is a pleasure to report to the whole world that Fred Ferrer bowled his first perfect game at Cal Oaks Bowl. He did so in the GUY JOHNSON Senior Scratch League. Fred's 732 (300 - 219 - 213) series was one of his highest, nearly eclipsing the 745 he bowled a few years ago. Before his perfect game, Fred had three eleven in a row games.

Fred used his Ebonite Evolve to roll his big game and maintain his league average at 204. He wants to thank his wife for her support and

90 Year Old Bob Romani Shoots 300!

FULLERTON — Robert (Bob) Romani rolled a 300 game Tuesday while bowling in the Orange Empire Men's Travel League on August 28 at Carter Lanes.

Bob's been bowling for 75 years and this is his first 300.

He also bowls a Wednesday night league at Carter Lanes.

unconditional love. She is always there when Fred is bowling, cheering him on.

Every time I have seen Fred bowling, I have seen hubby OFELIA there watching and cheering him on. Congratulations Fred, the BOWLING NEWS salutes you.

Santa Clarita Lanes Has Off Track Betting!

SANTA CLARITA — Who would have thought! Tom Cristi that's who. Mr. Cristi is very savvy when it comes to new ideas. Ways to keep his bowlers happy and coming back for more is his specialty.

A few months ago Tom announced his "special room" was ready. Off-track betting had come to the quiet little community of Santa Clarita. Better from Bakersfield to Burbank are only minutes away from the sound of pounding hooves and pounding hearts.

Tom — you did it again! Folks, take a ride to Santa Clarita and you'll have some fun! You can bet on it!

PBA HALL OF FAMER PETE WEBER SET TO JOIN PBA50 TOUR IN 2013

PBA Hall of Famer Pete Weber of St. Ann, Mo., is ready to join the PBA50 Tour after celebrating his 50th birthday on Tuesday, Aug. 21. Weber, the winner of 35 PBA Tour titles (fourth on the all-time list) and a record 47 PBA Regional titles, is the only player in history to win five U.S. Open titles.

He has bowled in 726 PBA Tour tournaments in a career that began at age 17 in 1979 — when he became the youngest player ever to win a PBA Regional title (St. Louis, 1979). He also is the youngest United States Bowling Congress

member to bowl a 300 game in his first game as a certified adult league bowler, a feat he accomplished at age 15 in St. Louis.

Weber, who will begin his 34th season as a PBA Tour competitor when PBA World Series of Bowling IV gets underway Nov. 2-11 in Las Vegas, is expected to make his debut on the newly-renamed PBA50 Tour (formerly PBA Senior Tour) in the spring of 2013. Next year's PBA50 Tour schedule will be announced later in the fall. The PBA's 50-and-older players have completed their 2012 season.

A Summer Not Soon Forgotten

by Larry Dunn (Part 3 of 3)

Ft. Lauderdale - Ashley N. Dunn of Palmdale, CA Did any of you watch the Olympic Games? Have you ever imagined or dreamt about what it would be like to compete for our nation, and prove you are the best in the world? I'm sure many of you have. If there is one thing that seems to unite us every four years, regardless of our ethnicity, it is the pride we have as citizens when our athletes become world champions. The reality is that for the vast majority of us dreaming about winning in the name of

our country is all we will ever do. Only very few will ever have the chance to compete, let alone actually complete the dream by emerging victorious as the best in the World.

So what does this have to do with bowling you might ask, it's not an Olympic Sport? Well we could debate for hours as to whether it should be or not, but yes you are correct it's not.....yet. Even though the sport of Bowling is not among those contested on the Olympic stage it is a sport that

has numerous International competitions. The International Training and Research Center (ITRC) a joint venture between the USBC and BPAA in Arlington, TX is a United States Olympic Committee-recognized training center. The ITRC is home to Team USA and Junior Team USA bowling, and is the only training facility authorized to send athletes to International bowling competition as official representatives of the United States. SoCal's STEVE SMITH Wins Gold and Silver For USA at PABCON

by Frank Weiler

LAS VEGAS — San Diego's own Steve Smith won a gold medal as a member of TEAM USA at last week's Pan American Bowling Conference (PABCON) Championships at Sunset Station. TEAM USA (five man) fired 6687 for six games (222 average) to win the team title, with Mexico (6493) and the Dominican Republic (6484) taking the silver and bronze medals.

Smith partnered with John Janawicz to win the silver medal in doubles, for the USA. The doubles event was contested on the long, forty-four foot "London" oil pattern. The short oil "Stockholm" pattern was the other pattern used during the tournament.

Steve led his doubles duo

with an astounding 1,483 (224 - 247 - 266 - 245 - 256 -245) set, averaging 247 with his Ebonite Innovate ball. Steve told me that the ball gets through the front end of the lanes cleanly and reads the mid-lane well. Janawicz chipped in with a 1294. Smith and Janawicz finished just twenty-seven pins behind gold medalists Tommy Jones and Bill O'Neill. An early sub par 167 game cost Smith and Janawicz the gold medal.

Steve also finished fifth in Trio's, sixth in the Master's, seventh in all-events and eighth in singles.

The gold and silver medals were Smith's ninth and tenth international medals since joining Team USA. He won

three medals (two gold and one silver) in the 2012 PABCON Champion of Champions Tournament and five (three gold and two silver) in the 2011 Tournament of the America's.

In Master's match play Steve won four games and lost three. His victims included PBA Champion Bill O'Neill (203 - 201), PBA star Dan McClelland

(226 - 223), eventual champion George Lambert (221 - 213), and Puerto Rico's young phenom Israel Hernandez (250 - 189). One of Steve's close losses was to PBA Champion Tommy Jones (212 - 223). Steve averaged 216 for the seven games of Masters match play

NATIONAL DEAF BOWLING NEWS

DEAF TRAVEL TO START 53RD YEAR WITH 8 TEAMS OF TRIOS

NORWALK — More than 20 bowlers showed up at Keystone Lanes Sunday for the So. Calif. Deaf Traveling League’s meeting to start off the new bowling season. Other bowlers had notified the officers of their inability to attend the meeting that day but still intend to bowl in the league.

League President Ed Abakumoff announced, with the numbers of bowlers present and counting, the league could have the same number of 8 teams of trios as last season. And on the agenda was to review the league rules, to elect officers for the new season, chose the 8 bowling centers for the new season and chose the dates for league’s 2012-13 schedule. The last thing to do was to make up the 8 teams with team averages as close as possibly can.

Accordingly the only change in the rules voted was the addition of \$5.00 to the bowling fees to offset the increase in bowling fees. The same officers were re-elected for another term, Abakumoff as President, Sharon Caldwell as Vice-President and Bob Taylor as Secretary- Treasurer.

In addition a motion to keep the same last season’s 8 bowling centers to travel to was defeated as some bowlers were not satisfied with a couple of houses and replacements were made please all. Finally the dates were set up to bowl every other Sundays starting September 9 at Keystone Lanes.

With all these done, the last task was making up the 8 teams of 3 bowlers each. With thanks to Andy Lorenzo who prior to the meeting, made up and printed name tags of each bowler with averages to use for this purpose. That simplify the work and the job was done fast. The 8-team line-ups will be given to the bowlers prior to start at Keystone.

Then Secretary-Treasurer Taylor will start contacting other 7 bowling centers and set up the schedule, which will be given to the bowlers on the opening day at Keystone.

JIM THEYKEN SHOT 1301 TO CASH IN SAN DIEGO SENIOR MASTERS

SAN DIEGO — An email with results was received from Jim Theyken who is one of 3 deaf members of PBA. The husky left-hander said last August 19 he was one of the 31 entrants in the 2012 San Diego Senior Masters Tournament held at Sea & Air Bowl.

The Masters was using the USBC Blue pattern although that seemed a little soft for that. All entrants bowled 6 games of qualifying with the top 5 advance to the stepladder finals.

Theyken bowled games of 201-182-213-194-266-245 for 1301 (216.8 ave.). He said, WHEW!! Thanks to the last two games helped him to cash in 10th and last place to cash for \$106.00. Ken Meryman was the top qualifier with 1445 (240.8 ave.).

In parting, Theyken said next year he will bowl in few PBA50 tournaments and USBC Senior Masters. We will watch for that and good luck to Jim Theyken.

numerous International events each year, and continues to grow around the world. These International competitions are a competitive bowlers Olympics, so to speak. You don't just go and sign-up for a competition, you must have earned your way onto the team or have been selected by the National Selection Committee. Youth and Adults earn their way onto the team at the North Pointe Junior Gold National Championships or Team USA Trials by either winning the event, finishing as runner-up, or meeting the strict selection criteria used by the National Selection Committee and being chosen. Just like the other athletes we watched in the Olympic Games the closest most of us will ever come to getting to compete for the United States is in our dreams.

In mid-June I received an email from Team USA. The email was really for Ashley. It seemed Team USA wanted to know if she was available to compete in the U16 Division at the Tournament of the Americas. They said that she had been selected due to her past achievements and that she had been the highest qualifier at the 2011 Junior Gold National Championships that met the age requirements for the U16 Division, they went on to say they recognized it was fairly short notice and just need to know if she was available. Ashley had learned of this U16 Division of Junior Team USA three years earlier during her first Teen Masters competition when she was only 12 years old. She had met a girl at Teen Masters that had participated in the U16 Division. When we got home from Teen Masters that year she did some research and confirmed the U16 Division existed. That year Ashley set two personal goals, win Teen Masters and earn the privilege to compete in the Tournament of the Americas. Of course she would be available to compete, short notice or not. What an honor to be asked to bowl for your country, to represent the United States in International competition. She had been recognized as being the most qualified to give Junior Team USA a chance at medaling in that division.

The Tournament of the Americas is sanctioned by the USBC and PABCON and is an invitation only event for the Countries of the American Zone (Canada, United States, Mexico, and all the countries of Central & South America). The tournament is the longest running International Bowling competition in existence and celebrated its 50th Anniversary this year. It offers competition in a U16 Division, U20 Division, Adult, and Seniors. The U20 Division is the age group that is comprised of our Junior Team USA members, the Adults are our Team USA members, the Seniors are sometimes Team USA members and/or specially selected bowlers that have been former members of the team, or have proven themselves in other elite competitions.

The 2012 U16 Team USA was comprised of youth that had proven themselves in the Junior Gold National Championships last year, and in the case of this year one member of Junior Team USA that fit within the U16 age rule (Kamron Doyle). The 2012 team was; from left to right - Kamron Doyle (Brentwood, TN), Ashley Dunn (Palmdale, CA), Kaitlyn Eder (Lithia, FL), and Wesley Low Jr. (Palmdale, CA).

This year the tournament was held at Sawgrass Lanes in Tamarac, FL, a suburb of Ft. Lauderdale. The competition ran from July 30 to August 4. Participants from 20 countries took part in competition. Teams were comprised of 2 males and 2 females. In addition to the grand finale, Team competition, competitors took part in; Singles (12 games), Doubles (6 games with same gender partner), Mixed Doubles (6 games), and then Team (12 games). The lane conditions were a combination of both a long & short sport pattern, with the patterns alternating from pair to pair. In other words during any given block of an event one game would be bowled on a pair of lanes with the long pattern and then the next game would be bowled on a pair of lanes with the short pattern. All divisions would bowl on the same conditions and move through the same pairs. This format of mixed patterns is fairly common in International competition, which if you've ever bowled on sport conditions you can understand how this type format truly puts the SPORT into bowling. By the time the tournament would end each competitor would have bowled 36 games over the course of 6 consecutive days of competition. Gold, Silver, and Bronze medals would be awarded for each event along with additional medals for Individual All-Events, National All-Events for each age division, Highest 3 Game Series, and Highest Single Game. The maximum number of medals any individual competitor could earn was 8.

Bowling in her first ever International competition, the first event was 12 games of singles on the difficult conditions described. The result was Ashley earning a Gold medal. Not only did

(L to R) - Laura Plazas from Colombia, Ashley Dunn from USA, Raquel Orozco from Mexico.

she earn the Gold medal in the event, but she set a new Tournament Record with a score of 2,322, an average of 193.5 for the 12 games, surpassing the previous record of 2,285 set in 2009 by Tatiana Munoz from Colombia. In addition her score was high enough that she would have earned Gold in the U20 Division, as the Gold medal in that division, bowling on the same conditions and same pairs was won by Lorena Bolanos from Guatemala with a score of 2,315.

The U16 Team USA won the team event with a 12 game total of 9,148 out distancing Team Colombia by 292 pins! In all this young team would take home 25 medals, 19 Gold, 4 Silver, and 2 Bronze

Ashley earned 5 Gold (Singles, Mixed Doubles, Team, National All-Events, High 3 Game Series) 2 Silver (Doubles, Individual All-Events) Ashley's High 3 Game Series of 664 not only earned her the Gold medal, but she set a new Tournament Record surpassing the previous record of 659, also set in 2009 by Ana Koff from the USA. Earning 7 medals out of a possible 8 in the name of your country is quite a special accomplishment. I know the pride I felt for all of Team USA's victories, of course Ashley's were especially meaningful to me. I can't imagine the pride that she must have felt at those moments, and even now. I know she is looking forward to next years Tournament of the Americas and other International competitions as she pursues her new goal of earning a spot on the U20 Junior Team USA. Three weeks, seventy-one games of competition, runner-up at Junior Gold National Finals, earned a spot on the Developmental Junior Team USA, earned an entry into the 2013 Team USA Trials, seven medals in International competition, two Tournament Records, and a U18 Teen Masters National Title on a grand stage in Grand Central Terminal. No, the Summer of 2012 will not soon be forgotten!

Once again please allow us to thank the California Bowling News for publishing Ashley's accomplishments. We sincerely hope that in some small way sharing her achievements within the bowling community serves to motivate other youth. To everyone working within the industry, remember that the youth are the future of the sport. Without your involvement, and their participation bowling will not survive. Ashley would like to thank her coach, Mark Baker, for all he does to help her continue to take her game to new levels. She would also like to thank her Ball Technician and Advisor, Will Wilson, for helping her select the best balls, layouts, and surface preparations for the variety of conditions she faced across numerous bowling centers this Summer. Lastly, thanks to all of my bowling buddies and their parents for your support. Your kind words and encouragement mean more than you can know.

NORWALK — We gladly returned to Keystone Lanes where we saw 221 enter the event and bowl on a tough, but fair shot. The cut scores in the One Day Event were + 55 for the men and +18 for the women. The Super Seniors added to the board (2 men and 1 female) were Art Windsor +56 and Javier Avila +39. For the women it was Sierrie Herradura -7. Super Seniors are men 63 and over, and for the women a young 55. That would give us 54 bowlers making it to the semi-finals. High Qualifier for the Men was Sun Sundara with a +119 and for the women it was Christina Cheung with a +116. They will get a paid entry into a future regular ABTA event. Each week our top seed draws the Match Series, and it was worth \$380. Sun would draw the score and he drew a 662. We had no bowlers matching this score. We will estimate the Match Series at \$1,400 at Cal Bowl this weekend for only a \$2.00 entry. The last up in the 3-6-9 roll-off was Johnny Tran. Johnny would miss on his first shot, so he takes home a consolation of \$50. We will estimate the pot at \$1,500 at Cal Bowl.

In our optional doubles, tops were Tomas Chavez and

Galdino Chavez with a 1370 for \$170. In second was Faye Josafat and Rey Josafat with a 1364 for \$150. There was a total of \$1,800 paid out in doubles and 23 paid spots with low to cash of 1306.

After bowling the three game semifinals, the leader was Kevin Collier with a +114. Finishing second was David Godinez at a +96. So sat out the first round. Kevin had the honor of drawing the Match Game worth \$3,500. He drew a 288. After a review of all the scores bowled no one matched that score, so it will continue to carry over. There are three full pots, with a 4th pot that is currently at \$3,430.

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Cesar Marcella, Derrick Brown, Maina Suos, Elvin Godoy, Faye Josafat, Don Quitangon, and Melvin Finner. They received checks of \$105 each. In the second round, the losers were Fel Garcia, Jack Trongale, Marvin Galsim Sr, and David Godienz. They received checks of \$115 each. We are now down to the final five bowlers. With horses paying a low of \$36 (James Samson) to a high of \$186 (Galdino Chavez). In this round we

saw Cecilia Lung (16th seed) bowling Christopher Eguilos (8th seed) where Cecilia continued her good bowling and squeak by with another close win finishing off Chris with a 216 to 213 as she advanced to the semi-final match. In the other match we saw James Samson (5th seed) bowling Galdino Chavez (7th seed). In this match, Galdino would advance with a big 248 to 204 and send James to the bench and he would advance to the semi-final match. James and Chris finished in 4th and 5th getting checks for \$125 each.

Our semi-final match would pit Cecilia paying \$58 and Galdino paying \$186 if they would win the match. It was another that would be close through the whole match. Both bowlers would start with spares in the first frames, and then both would open in the 2nd frame, so they were tied at 25 after two frames, but it was Cecilia who held the advantage with a 12 pin difference in HDCP. From this point forward each of the bowlers would mark in the rest of the frames but it was Galdino who could not muster a double and thus it would be Cecilia who would hold on to finish with the victory with a 181/233 to 180/220. Finishing in 3rd place was Galdino Chavez this week for \$205.

Kevin Collier Wins ABTA Title at Keystone Lanes (L—R) Bottom: Cecilia Lung (runnerup) \$500, Champion Kevin Collier \$1,000 and Galindo Chavez 3rd \$205. Top: Bob Smith ABTA Director, Lucia Collier (The Champ's wife and ABTA Bowler), Faye Josefat 13th and Lucia's son Armando Barragan.

For those lucky “investors” that had Cecilia Lung as a horse, they got \$58.

The title game was on and would be top qualifier Kevin Collier going for his first title against Cecilia Lung. He elected to go first, and he would start with a double to begin the match and Cecilia would start with spare and follow that up with an open, she still led however due to the HDCP difference of 27 pins. Kevin would leave the nine pin in the third and miss it, but Cecilia also opened in the third and she led by 5 pins after 3 frames. Kevin would mark in the next three frames and Cecilia would mark then open and then mark and that put Kevin up by 3 pins. Both bowlers marked in the 7th frame. Both bowlers got marks, Cecilia had the strike to give her a chance. In the 10th frame Kevin finished out with spare and strike and that brought up Cecilia who needed a strike on her first ball to keep her alive, but she left the 4-7 and that ended her title bid and sent Kevin home his 1st Championship 187/212 to 147/199. He would take home \$1,000 for 1st place. Finishing in 2nd place for \$500 was Cecilia Lung.

Champion Kevin Collier is from Whittier and used a Roto Grip Defiant drilled by Mike Sheridan. He is married to Lucia, another fine ABTA bowler. Finer people you will never meet. They have three children Tiffany, Armando, and Silvera. He would like to thank his family, specially his wife and son for being here cheering him on, Keystone Lanes, the ABTA and its staff. Brother John is also an ABTA member. (where has he been-)) Kevin is a quiet unassuming gentleman but he had that Roto Grip talking loudly on the lanes at Keystone and Kudos to old Friend Mike Sheridan doing the drilling at Valley View!! Cecilia Lung (2nd Place) is from Monterey Park and used a Global Hook drilled by Dave Edis. She is married to another fine ABTA bowler Jerry. She would like to thank her family, especially Andrew, her brother, and all her friends at the ABTA and its staff.

Galdino Chavez (3rd Place) is from Fontana and used a Storm drilled by Julio at Fontana Bowl. He is married to Sylvia and they have four children. He would like

to thank God, his family for all their support, friends Carlos, Emilio, and Tomas, the ABTA and its staff.

The weekly ball sponsor winner of a 900 Global Ball was Cleve Johnson. Each time you bowl, you get a free ticket for this prize given away by our Sponsor, 900 Global. Winning a paid entry to the Labor Day event was David Emrich and Carlos Umana. Winning paid regular events entries were Wilson Cheung and Tao Yang. Winning an ABTA shirt was Emilo Flores. The rest of the results are in the payoff column in this paper.

IDLE BOWLING THOUGHTS

... Le Roy Neiman, the world famed artist who specialized in sports renderings, was one of the most prolific and popular painters of all-time, died recently at age 91. He did a painting of Earl Anthony when Anthony was the first million dollar pro winner.

It was commissioned by the late Frank Esposito and his son Ralph, and has been displayed at the International Bowling Hall of Fame and Museum. Copies are featured in many bowling centers and bowling venues across the country. The cost was \$50,000.

At an unveiling luncheon in New York City, Neiman revealed that as a youth he was a pinboy. “I wanted to portray the view from back of the pins, an overall picture” said Neiman. Also at the gathering were the late Anthony and Andy Varipapa, and Neiman and Varipapa put on quite a show while Anthony got his comments in like a true champion should.

And I enjoyed my role as MC.

... For many years, some bowlers, more than capable to bowl well on the pro tour, passed it up to stay competing in so called amatuer tournaments, where the prize money was high, but the recognition was low.

... Perfect games are much more plentiful than they used to be, and some of the stats are staggering. At last check, and the numbers could have changed in as little as weeks, the leading perfect game shooter was Jim Hosier with 133. And in the 300s on the pro tour was Parker Bohn III with 88. And one of the most amazing is the 300 rolled by Shawn Beam, first wheelchair bowler to achieve the rare gem.

... Bowling outdoors in major events is only an occasional presentation. Not only do bowlers have to cope with lane conditions that are affected by bright sun or rain but also quick windy blasts that change the whole scene. One consolation is that bowlers have a new excuse — the sun got in their eyes.

The women’s U.S. Open finals showed the devastating effect of the unexpected gusts were the major factor in the five finalists, all fine competitive, experienced bowlers, average a combined 162.

... A lot of bowlers don’t realize how bad they usually bowl — until they roll a good game.

... More than 50 games are played with some sort of a ball. Joe Hutchinson wasn’t impressed. He said he knew some bowlers who play 50 different games with a bowling ball.

... A worthy project all of bowling should endorse is an effort to have Dick Weber and Don Carter immortalized on a postage stamp. There are many other bowlers who rate consideration. In 1971 in Milwaukee, Wis. an envelope with a bowling logo was unveiled in memorializing the World Amateur bowling championship being held there. Persons are not considered until 10 years after their death and a number of athletes and personalities in various sport have been so honored.

... The top 10 pros normally average at least seven strikes per game.

... Good guys never finish last — not if they are good enough.

ATTENTION: ALL CAUSBC OPEN TOURNAMENT PARTICIPANTS!

NORWALK — It is unpleasant for us but important that all who entered our Open Tournament held at Keystone Lanes, Norwalk and Cal Bowl, Lakewood know that again this year, some disqualifications occurred for failure on the part of the entrant to follow the rules of the tournament. Of course, when a protest is filed with USBC, it is immediately sent to their Legal Committee and we are informed to hold up the payment of any Prize Fund.

We are, however, pleased to announce that our final disqualification has been upheld by the USBC Legal Committee and Association Manager, Larry Peppers, has immediately put in place the schedule of running the Prize Fund Checks, which require two signatures, and have them in the mail to the winners by Friday, September 7, 2012.

We are greatly appreciative of your patience in these most important matters and encourage you to schedule to bowl The Open Tournament in 2013, hosted by AMF Boulevard Lanes, Petaluma and Double Decker Lanes, Rohnert Park. Please refer to our website calusbc for details of this and all other 2013 tournaments.

ADIEU ROCKY MARSH AND BONJOUR 590 CLASSIC

by Joy McGregor

ANAHEIM — We say good-bye to 13 fun-filled weeks of the Rocky Marsh Trios and look forward to a 'joyful' 36 weeks of great competition in the 590 Classic, starting Friday, Sept. 7th.

Rocky Marsh swept Friday, August 24th and saw many high scores and some very happy campers. The happiest camper was Rich Heid who grabbed the lion's share of the pot, along with Rita Sparks, on the distaff side. Kudos to both on their wind-fall!

Season awards were presented: Gold to our Champs, Team #18 (Rich, Gloria & Juan), Silver to Team #2 (Don, E.J. & James), Bronze to Team #10 (John, Cheryl & Terry) and Linbrook "Survival" towels to the team who held up the league - Team #14 (Bob, Roberta & Larry). Plaques were presented to Rose Williams for her high 894 series, Janet Anderson for her 270 high game and USBC magnet to Genka Cabatu for her 195 high average. The men's categories as follows: Juan Sandoval received his 991 high series award, Mike West for his "300" high game and USBC magnet to Juan Sandoval for his 219 high average. Most improved USBC magnets to April Anderson - +8 and to Mike West - +30. Hearty congratulations to all!

Kudos to Linbrook coffee shop for serving a most delicious meal. The food was yummy and the service awesome. The league really appreciates this fantastic Linbrook tradition. THANK YOU LINBROOK BOWL!!
