## West Covina Trio Is Upset Winner of Brunswick \$10,000 Challenge

by Frank Weiler

COVINA — The second annual BRUNSWICK \$10,000 CHALLENGE was hosted by Brunswick Covina Lanes, on Saturday. Ninety-six trio teams from Brunswick centers throughout SoCal participated. LEANNA BARNES, General Manager of Fontana Foothill Lanes, was Tournament Director.

Any trio team which bowled in a Brunswick \$10,000 Challenge Summer League, in So-Cal, was eligible to participate in the tournament. The teams were vying for \$10,000, with first place being worth \$3,000.

The tournament featured a Baker Format. There were two qualifying rounds which paired the field down to sixteen teams. The “Sweet Sixteen” then bowled single elimination, two game, total pin matches. Winners kept advancing, until only one team stood undefeated.

The championship team from West Covina Lanes included DON QUINTANGON, FRED GO, and FRED MANANSALA. The winning trio bowled like professionals. In the three matches and six games I saw them bowl, I only remember them have three

open frames. Only one of the three miscues was an ordinary spare. Two were splits. That is error free bowling.

All three champions hit the pocket consistently. All three were righties and played the same strike line, looping the ball out over the seventeen board to the thirteen board, and back into the 1-3.

While our champions carried book averages between 158 and 175, into the tourney, they were able to bowl baker games of 220 or better, one after another. The champs easily outscored everyone, on a scratch basis. They didn’t need the approximately fifty pin handicap edge, they had in every match.

The big surprise was them defeating a trio from CAL OAKS, which included three scratch bowlers (DAVE GULLEY, SCOTT FILIPI, and RICHARD SZCZAWINSKI) with

212 or better book averages. The champs beat these high rollers scratch, and they made it look easy!

Our champions wish to thank the BOWLING NEWS for reporting on their superlative effort.

## 3 Time Hall of Famer Billy Myers Sr. Passes

NORWALK — Billy Myers Sr. passed away Wednesday, August 24, 2011 at age 82. He and wife Lotty were married 40 years. After retiring, the couple moved to San Diego but would often visit his Cal Bowl cronies. They always needed a little advice on their game! (I think they just liked to re-call the “good old days”).

Most of Billy’s working years were spent in a bowling center. Who can forget the “Rag Time Doubles” at La Puente Lanes? Or the over-sized coffee shop, the bar (that hosted nightly rounds for Billy and his baggers), plus the avid fans that bowled “Just because Billy asked me”.

After leaving La Puente Lanes, 10 more years were dedicated to Santa Anita Lanes and Bahama Lanes.

Besides keeping his center

Billy Myers Sr.

full, Billy was a bowler! When the P.B.A. was formed and a few of the locals went “ON THE TOUR”, his left handed delivery struck fear in the

mightly Detroit destroyers.

For years his name made the front page of the Bowling News. Winning, scoring, *continued on page 11*

## Mel Rodriguez Wins \$10,000 at Sam’s Town

LAS VEGAS—Little did San Diego’s Mel Rodriguez know that entering a tournament for \$100, that included two nights stay, would net her a whopping check for \$10,000 at Sam’s Town Bowling Center and Casino.

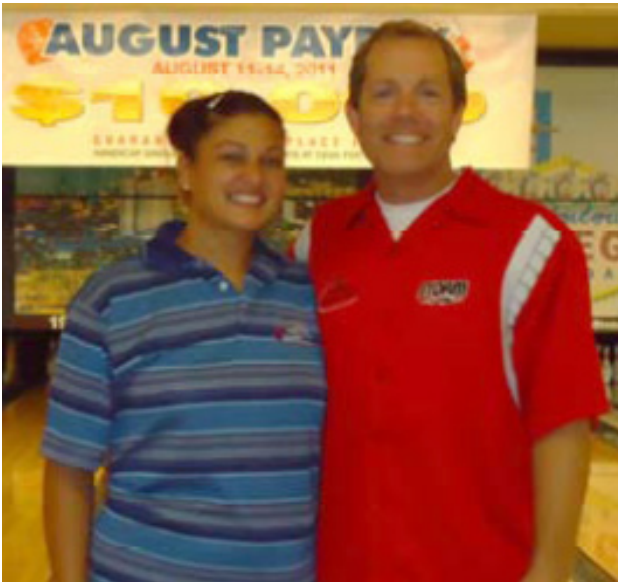

Mike Crom, of neighboring Santee, was right behind her with a huge \$5,000 payout. Mel had to earn the title and cash with a mark when Mike opened in the 10th frame. This 4 day ABT Regional Pay-Day event was sponsored by Sam’s Town, Storm and Roto Grip that paid out \$72,533.

Mel is 31 years old, married to Victor, and has 2 children Necali and Noah. She was using a Lane 1 Big Curve drilled by Teddy Turner at Kearny

Mesa Lanes. She is using her winnings to pay bills and bowl more tournaments! She would like to thank the Lord, her husband, her kids, her bowling buddies and the ABT Directors. When asked for comments, Mel said “Thanks to everyone for putting up with her and Victor and Let’s Keep Bowling!”

Congrats Mel, well deserved! Now you too can win big right here in Southern California during the 34th Anniversary Mega Event at Norco Lanes this Labor Day weekend!

Qualifying begins Thursday, Sept. 1st. Join the ABT as a Gold Member and get discounts on entry fees and so much more!

LAS  
VEGAS  
TRAVEL  
LEAGUE  
By Vi  
Wilson

**DOWNEY** — The Las Vegas Travel League headed to Del Rio Lanes for this week's bowling. We were welcomed by Mike Cammarata, center manager and staff. Their help in getting team rosters entered into the telescorer was much appreciated and facilitated our bowling start time. Many thanks to the management and staff.

We would like to welcome new bowler Suzane Lee to the league and Ella Wilson who returned to sub after many years absence.

Two of our bowlers found the lane conditions at Del Rio very much to their liking with Pearlle Watts shooting nice 208 and 225 games for the league high season scratch series of 626. Ora McCormick also scored a nice 622 series with consecutive 217 and 216 games. More high scoring bowlers were Doris Lewis with a 219-595, Maxx Paul 203-582, Kim Cato 554, Terry Jackson 533, Donna Johnson 519, Bernice Bennett 203-515, Dutch Sullivan 514, Darlene Waken 507, Bert Martinez 502 and Mary Smyth 501. The season is off to a strong start with some high scoring series and games. Good bowling ladies.

As the weeks begin to add up, teams standings indicate that this is going to be a challenging season with different teams at the top each week. Fountain Bowl 1 has the top spot this week with 7 wins, closely followed by Cerritos 2, Westminster 2 and Cal Bowl with 6 wins each.

Tied for third with 5 wins each are Del Rio 2 (Bowling News), and Cal Bowl 2. Keystone 1 is next with 4.5 wins followed by Westminster 1, Cerritos 1, and Valley View 1 with 4 wins each.

Rounding out the roster are Valley View 2 with 3.5 wins; Keystone 2 and Fountain Bowl 2 with 3 wins each and Del Rio 1 with 2 wins.

Special thanks and appreciation to the bowling centers for their support and to the management for making each visit go so well.

Monday, September 5 is a BYE. Have a safe and happy Labor Day holiday.

Next Bowling: Monday, September 12, 10:00 AM at AMF CERRITOS LANES. Bowling center address and phone # is on your schedule.

ABTA at Cal Bowl for Huge Labor Day 4 Day Event

WEST COVINA — Welcome to the weekly edition of ABTA news. We returned to West Covina for our frozen handicap event where we saw a nice 283 entries. We had a decent shot for the tournament making the cut scores of +52 for the men and +27 for the women. The Super Seniors added to the board (2 men and 1 female) were James Sweet(+48), Lonzell Burnett(+38), and Wendy Soo Hoo(+5). Super Seniors are men 63 and over, and for the women you just need to be a young 55. That would give us 67 bowlers making it to the semi-finals this week.

For all qualifying squads, our top qualifier for the Men was Dennis Kelsey with a +147, and for the women it was Beth Borci with a +75, each of them will get a paid entry into a future regular ABTA event. The top seed overall draws the Match Series, and this time it was worth \$494. Kelsey drew a 403. We had three bowlers that bowled this score. They were Giang Huynh, Rey Josafat and Johnny Tran, each will get \$164. This week we will estimate the Match Series at \$1,100 at the big Labor Day event. For the 3-6-9 qualifying, 3 people missed on the final qualifying shot, they were Lord Ferguson, Vict Hilvano, and Mike Benavides. They will split the \$50 consolation. The 3/6/9 will be \$2,600 at Cal Bowl.

In our optional doubles, finishing in first were Chris Kelly and Danny Guevarra with a 1448 for \$200. Second were Chris Kelly and Jerry Chang with 1445 for \$180. There was a total of \$2,340 paid out in doubles and 26 paid spots with low to cash of 1363. Doubles

are only \$5.00 entry fee.

In the semis we saw Joevin Bolanos lead the field with a +180 to sit out and bowl for the title at West Covina. In second was Ryan Nam with a +169 to sit out the first round. It took a +70 for the men and +52 for the women. There was an error at the start of Match Play where one of the women's recaps was missed, so in error we announced that +39 was the cut score.. This was an honest mistake and we the ABTA try our best to make sure all scores are correct, but at times this will happen, with so many entrants.

Bolanos had the honor of drawing the Match Game worth \$3,500. The pot is maxed out and we have a back-up pot that is growing which is now at \$2,235. Our top seed drew a 254. We had no bowlers who shot that score so it will be carried over. We will have \$3,500 next week at Cal Bowl, and continue to build on the second back-up pot. This week we had six new bowlers join us. Let us welcome these new bowlers to the club, Gary Mak, Jesse Pena, Ron Hernandez, Christopher Sabado, Ryan Reyes, and Ed Geneston.

This would bring us to our top 16 Match Play finals. In the first round, the seven losers were Ada Wong-Hum, Cecilia Lung, Roy Li, Andy Yu, Lonzell Burnett, Je Je Gabriel, and Greg Velarde. They received checks of \$110 each. In the second round, the losers were Donovan Chung, Ngheim Tran, Jerry Chang, and Kenny Kwan. They received checks of \$120 each. This would get us down to the final five bowlers. At this point, our horses would be paying anywhere from a low of \$31 (Ryan

Nam) to a high of \$65 (Kin Sang Chung) depending on who would win. In this round we saw Kin Sang Chung (9th seed) bowling Angela Lung (15th seed), and we would see Angela continue her hot bowling and hold off Kin with a 222 to 206 to advance. In the other match we saw Sol Cericos (6th seed) bowling Ryan Nam (2nd seed). In this match it would be Ryan who would hold off Sol with a 209 to 197 and advance to the semi-final match. Kin and Sol finished in 4th and 5th getting checks for \$130 each.

Our semi-final match was all set, and it would be bowled on Lanes 49 and 50 this week, and pitted our 2nd seed against our 15th seed bowling each other, plus both were Mou-Liu bowlers. In the weekly "horses" we would see Ryan paying \$31 and Angela paying \$54 if they would win their match. A match that was close throughout the first 8 frames. In the end, it was Ryan who would find the shot and finish with the last 5 strikes to win the match 204/243 to 164/216. Angela would finish in 3rd place this week for \$205. For those lucky "investors" that had Ryan as a horse, he paid \$31. By the way Angela bowled very well and could have been the winner if Ryan hadn't found that strike ball.

The title game was set and bowled on Lanes 45 and 46. This would be a match of two bowlers who finished 1st and 2nd during the semis. In this match it would go back and forth. Ryan would start out the lead with a "turkey" during the 4th thru 6th frames. But Joevin dug deep, and also tossed a four bagger himself from the 5th thru 8th frames,

Joevin Bolanos Wins ABTA Title \$2,700 at West Covina - Jerry Chang (7th) \$120, Kin San Chung (5th) \$130, Joevin Bolanos (Champion \$2,700), Ryan Nam (runnerup) \$500, Anagela Lung (3rd) \$215, Kenny Kwan (9th), \$120 Je Je Gabriel (8th) \$120.

and couple that with an open by Ryan in the 8th frames, he would take the lead at that point by 11 pins. Ryan would get a strike in the 9th frame and need the first one but left the 4-7 and picked that up in the 10th frame. Up came Joevin in the 10th frame needing only a mark to win it, striking to pave his way for a 4th ABTA championship with a 211/239 to 190/229. He would take home \$1,000 for 1st place and \$1,700 for max. Cash and Carry. Total take home \$2,700 for his win. Ryan received \$500 for 2nd place.

Champion Joevin Bolanos is from Placentia and used a Cyclone Ebonite drilled by Ramon at Carter Bowl. He is single and would like to thank Sol Cericos and the troops, along with West Covina Lanes, and the ABTA Staff.

Ryan Nam (2nd Place) is from San Gabriel and used a Reign Supreme drilled by Jimmy Wong. He is Single, and would like to thank Bubu, Baylie, Christina, Kong Family, Cheung Family, Mou-Liu Bowlers, ABTA and Staff.

Angela Lung (3rd Place) is from Monterey Park and used a 900 Global Long Shot drilled by Billy Chao. She would like to thank her husband Henry (another fine ABTA Bowler), her Lung family, the Mao-Liu bowlers along with the ABTA and staff, and she owes Bob a beer :-)

The weekly ball sponsor winner of a 900 Global Ball was Godfrey Galsim, and he won the Bank Roll. Each time you bowl, you get a free ticket for this prize given away by our Sponsor, 900 Global. In our weekly raffle, the winner for an ABTA regular entry was Alvin Francisco, winning a 2 ball tote was Thomas Chavez, ABTA Labor Day Entry was David Emrich and Alvin Francisco, EFX Band was Roy Li. The rest of the results are in the payoff column in this paper.

## Citrus Belt Bowlers Win Big At Military Vets Tourney

by Frank Weiler

LAS VEGAS — Former PBA star DON MOSER took two teams to SIN CITY last week to compete in the summer Military Veterans Classic at Sam's Town. The results were impressive.

Moser and partner TONY BURRELL took second place in handicap Doubles with 1447, for \$1,200. Burrell led the duo with 739 (33 pins handicap), with Moser contributing a scratch 708.

Burrell outscored all Citrus Belt participants throughout the week, and finished second in singles with a 789 (including handicap) for \$600. He also took first in the opening day sweeper with a handicapped 758 for \$500.

By the time every event and bracket was complete, Tony had cashed for over \$7000! It was a pretty good week for an amateur bowler.

TOM SMITH had a pretty good week himself. He started the week with a fourth place finish in the sweeper, with a scratch 718 for \$200. Tom contributed a 647 to his teams 2701 (four bowlers) for the handicap team title.

Other Citrus Belt cashers included DAVE COOK (44th in Singles), DWAIN STREATER (28th in handicap Singles, and 25th in handicap All Events), and DEWAIN WEST (7th in Sweeper). Great bowling guys. The BOWLING NEWS is the publication which supports all SoCal bowlers, and we are so lucky to have this great newspaper in our corner.

## AMANDA MILBURN Does It - Averages 220.11

by Frank Weiler

MORENO VALLEY — Amanda Milburn started slow but finished strong, to end her summer league with a 220.11 average. She is one of a small group of women to ever average 220 or better in a certified Citrus Belt league.

Some of the illustrious group of ladies to cross the 220 barrier, in the CITRUS BELT, include Hall of Famer's LAURIE LEE DANIEL, STEPHANIE SJOBOM, and PAULA VIDAD. Hope I haven't missed any "220" lady.

Amanda finished this winter season at 219, the top lady bowler in the valley, Moreno Valley. Milburn's 219 was second best by a Citrus Belt woman last winter. She only trailed LAURA LEE DANIEL, who averaged a new Citrus Belt record 229, for a lady. I will write more on Laura Lee at a later date.

As mentioned above, Milburn started the summer slow. After three weeks she was averaging a respectful 210, but struggling with her timing. Once she found her groove, she started putting up some big numbers. It seemed that as the temperatures started to rise outside, Amanda's scores did likewise inside.

After forty games, and one week to go (last week), Milburn was averaging 219.96. She was two total pins shy of 220. She had knocked down 8,798 sticks in forty games, but needed 8,800. The last week of play would see Amanda bowl four games, two sets of two games. She would need 882 pins.

The final week of the summer started slow with games of 203 and 204.

Everyone could see the disappointment on Amanda's face. She just didn't match up well on her first pare of lanes. Things looked grim, and 220 seemed to be a distant dream. However, as they say: "When things get tough, the tough get going." Amanda is as tough as any guy on the lanes.

While her first two games left her thirty-five pins off the 220 pace, any sane prognosticator would bet on Amanda to come back. She would need a

475 total her last two games, a 237.5 average.

After moving to a new pare of lanes everything just clicked. New lanes, better carry and WHAMO - Amanda produced higher scores! How about 228 and

254 for 482. That gave her seven pins to spare, and a 220.11 average.

What did Amanda do to upgrade her scores? She told me she changed bowling balls, but the more important factor was the new pare of lanes. Her carry was much better after the move. For the record, she changed from her Brunswick Max Zone to her C-System 3.5.

Amanda wants to thank the BOWLING NEWS for recognizing her on lane accomplishments, and her teammates KYLE PACKETT and MARK DYER for their support.
