## Wayne Webb Caps 2010 PBA Senior Tour Season with Win in Senior Jackson Open and Senior Player of the Year

JACKSON, Mich. (Aug. 24, 2010) – Professional Bowlers Association Hall of Famer Wayne Webb capped the 2009-10 Senior Tour season with a win in the Senior Jackson Open Tuesday and he clinched Senior Player of the Year honors in the process. He joins fellow Hall of Famer Mark Roth as the only bowlers to win both the PBA Tour and Senior Tour Player of the Year awards.

Webb, the 1980 PBA Tour Player of the Year, defeated Ray Johnson of Battle Creek, Mich., 211-194, in the championship match for his third Senior Tour title of the season and fifth of his career. He also won the USBC Senior Masters and Senior Columbus Open earlier this year.

Nursing a knee injury suffered in the PBA Senior U.S. Open in June, Webb qualified 40th after the first round in

Jackson and had to fight back to qualify 25th to make the cut for match play after the second round. He then won six matches Tuesday on his way to the victory.

“I thought about withdrawing after the second round but because Player of the Year was on the line I felt I should keep going,” said Webb, who also owns 20 PBA Tour titles. “The whole tournament was a roller coaster ride.”

Hall of Famer Walter Ray Williams Jr. had a shot at Senior Player of the Year with a win and a fourth-place finish or worse by Webb. Williams, who won a record seventh PBA Player of the Year title at the conclusion of the 2009-10 Lumber Liquidators PBA Tour season in April, was trying to become the first player to win both the Senior Tour and PBA Tour Player of the Year in the same season, but was elimi-

Wayne Webb

nated in the best-of-five-game Round of 16 by Dale Traber of Cedarburg, Wis., 3-2.

Mark Williams of Beaumont, Texas, who also had a shot at Senior Player of the Year going into the final event with a victory, also lost in the Round of 16.

“It didn’t look like it was going to happen,” said the 53-year-old Webb, “The way he (Walter Ray) was bowling, I don’t know if I could have beat him.”

“With my knee, I felt lucky to still be in the tournament. After awhile I was just running

on adrenaline.”

Roth won PBA Player of the Year crowns in 1977, ’78, ’79 and ’84 and Senior Player of the Year in 2002.

“Mark was my idol growing up and I’m honored to be in his company,” said Webb, who is a bowling proprietor in Columbus, Ohio. “Winning Player of the Year 30 years apart is pretty cool — it’s something they can’t take away from you.”

In the semifinals, Webb defeated Patrick King of Yankton, S.D., 236-198, and Johnson defeated Dale Csuhata of Wadsworth, Ohio, 232-226, to advance to the championship match. Webb earned \$8,000 for the win and Johnson \$4,500 for second.

## 104 Year-Old Bowler Rolls A 224 Game to “Kickoff” The New Season

*Lifelong Sport Keeps Centenarian’s Competitive Edge With Younger Teammates*

WATERFORD, Mich.— Almost 6 years ago to the day, Rolla Zuck shot a 199 game on his 99th birthday during his league bowling match at Century Bowl in Waterford, Michigan. Like all good athletes, Rolla believes that practice, practice, practice makes you better. Only 1 month shy of his 105th birthday, Rolla rolled a 224 game during the “League Season Kickoff Tournament” at his favorite bowling center, Century Bowl. The tournament included all league bowlers getting ready to start the new season. Rolla had one of the best scores and everyone celebrated. Many of the younger, high average bowlers were inspired by the great score and are ready to bowl another 80 years.

“Rolla is an amazing person as well as bowler,” said Century Bowl Manager Sheila Kiefer. “Between turns, Rolla is joking and having fun with his fellow Monday Century Kegglers league members. However, he becomes focused

when it is time to bowl. Last year, he even carried a 152 per game season average.”

Rolla has been bowling for many years on the Monday afternoon Century Kegglers league at Century and has enjoyed every minute. According to Century Bowl Director of Operations and Guest Happiness, Roger Philipi, “Bowling is the greatest lifelong activity and the key to longevity. Many people in the new 50+ generation want to remain active. Bowling provides an exciting social and recreational atmosphere. For some people, bowling keeps the competitive edge alive.”

## Cal Oaks Bowl Team Wins Brunswick \$10,000 Trios Tourney

by Frank Weiler

RANCHO CUCAMONGA - Cal Oaks Bowl sent nine trio teams to Deer Creek Lanes last Saturday to bowl for \$10,000 in prize money, in the Brunswick Trios Tournament. Forty-eight teams from five Brunswick Bowling Centers in the Citrus Belt (Cal Oaks Bowl, Classic Lanes, Deer Creek Lanes, Foothill Lanes, and Upland Bowl) competed.

The championship team was led by DEWAINE WEST and included his wife MARI and CYNDI HOLLINGER.

The tournament used the "Baker" format, with each finals match decided by a two game total pinfall. The championship match was won by just four pins and was not decided until the tenth frame of the second game. Foothill Lane's DEMETRIUS McDANIELS came up in the tenth needing a strike to force Cal Oak's Dewaine West to mark. If Demetrius had struck out, West would need a double and seven pins to win.

McDaniels made a perfect shot, but left a solid ten pin. After McDaniels converted his ten pin, West got up thinking he needed a spare to win.

West buried his ball into the 1-2 pocket but left the 6-8 split. He then realized one more pin would clinch the victory. He calmly knocked down the six pin for the win and the \$3000 first place check. A second Cal Oaks team finished tied for fifth place and won \$500.

That team included THERESE LLOYD, DEBRA SZCZAWINSKI, and FRANK WEILER. Thank you BOWLING NEWS for supporting Citrus Belt bowlers.

## Bowling Industry Sets New World Record With More Than 923,000 Games Rolled In A Single Day

*Industry Also Reports Record Year-Upon-Year Growth with Participation Having Climbed by 2.7% to over 71 Million Between April '09 and March '10*

ARLINGTON — Long one of America's most beloved national pastimes, bowling continues to see record levels of participation in what has been a period of tremendous resurgence in popularity for the industry. The Bowling Proprietors' Association of America (BPAA), the industry's premier trade organization representing 4,000 bowling centers, released new growth statistics that point to the vitality of bowling, which continues to maintain its status as the nation's number one participatory sport.

The BPAA reported today that on World Record Day (August 7) - the culmination of National Bowling Week (July 31 to August 7), the industry set a new world record of most games played in a single day for the third consecutive year. Within a 24-hour period, 923,948 games were played across the 1,252 centers that reported as of the cut-off date, setting a new benchmark of success for the industry.

Coupled with the World Record Day news, the BPAA also announced record participation levels during the full year of April 2009 to March 2010. Driven by heightened participation from women and younger bowlers, the industry saw a 2.7% increase in consumer participation with more than 71 million having bowled during the twelve month time frame.

"From coast-to-coast, we are seeing a tremendous period of growth and vitality for the bowling industry, as evidenced by the records that are being shattered year after year," said Steve Johnson, executive director of BPAA. "From women and young adults who are just becoming bowling enthusiasts to boomers, who are falling back in love with the game, many are discovering and rediscovering that bowling isn't just the greatest sport, it's a lot of fun too."

Below is a history of World Record Day participation over the past three years:

- 2010 - 923,948 games across 1,252 centers
- 2009 - 741,821 games across 1,044 centers
- 2008 - 548,721 games across 808 centers

The new bowling world record is recognized by the Bowling Proprietors' Association of America (BPAA), United States Bowling Congress (USBC), Strike Ten Entertainment, the Professional Bowlers Association (PBA) and the International Bowling Pro Shop and Instructors Association (IBPSIA).

## John Sowell Wins His 1st WCST Regular Division Singles Championship

by Dick Sanders

Last week-end at Cal Bowl in Lakewood, CA, John Sowell (Vista) won his 1st WCST Title, in the Regular Division of the WCST Ebonite Singles. John qualified 4th, and started the 6 man finals, where only 25 pins separated the 1st 4 places. Mark Fisser led the qualifying with 1915 for the 8 games. John, took over the lead after the 1st game, then again after Game #4. Going into the position match he held a 7 pin lead over Mark Fisser. Mark, ran into a lot of trouble in the match, rolling a 148 game, losing to John's 227, barely held on to beat Bob Belmont, by only 10 pins for 2nd place. John won the tournament by 126 pins, rolling a 1434 score for the 6 games. Curtis Henderson, who qualified 2nd, with 1906, never won a match in the finals, finishing in 6th place. This was a special victory for John, as he dedicated this win to his mother, who had passed away just 4 months ago. Top 2: 1st Place, John Sowell, \$650.00, 2nd Place, Mark Fisser (Aliso Viejo), \$500.00. Total prize fund pay-off for the tournament, \$5,640.00, for the two divisions. \*\*\*\*SUPER SENIOR NEWS\*\*\*\*

Ron Demaio (San Bernardino), won the Super Senior Division Title, his 9th WCST Championship. This one coming after about 10 years, as he just returned to bowling in the WCST, about 6 months ago. Since his return, he has made the finals, 3 out of 5 tournaments. Ron was 3rd in the qualifying, 55 pins, behind the leader, Kevin Gannon, who rolled 1952 for the 8 games. Ron and Mike Rausch, made big moves during the finals with a 278 game for Ron in Game #4, and Mike a big 279 game in Game #5, and during this time dropped Kevin Gannon to 5th going into the position match. Ron, started the position match only 12 pins ahead of Mike, and then it came right down to the last ball in the 10th frame, when Ron needed a 9 count or better to tie or win the match. Ron rolled a strike, and the match 225-224, and with the bonus pins of 30, for the win, a 43 pin victory. Mike had the highest score for the 6 games with 1482.

Top 3: 1st Place: Ron DeMaio, \$750.00, 1nd Place, Mike Rausch (Costa Mesa), \$600.00. Kevin Gannon, A big finish with a 279 game to win \$500.00.

Ron would like to thank John & Linda Davis, of Davis Bowling Supply, and to EBONITE INTERNATIONAL CO, our coverage sponsor, as he used their new "MISSION" Bowling Ball for his victory.

## Better the Second Time?

Story by Mary Lynly

CANOGA PARK—Some things are better the second time around, just ask Carolyn Scherzberg of Receda who is enjoying the time of her life on the lanes. Carolyn averaged 200 in 2007, 203 in 2008, 211 in 2009 and in this, the best year of her life 213, 215, 217 in three senior leagues.

She reflected on being a 28-year old housewife and mother of three when, in 1968 a neighbor said, "You never go anywhere, how about coming bowling with us. They have a nice nursery." She decided to try it and averaged 135 her first year. She said, "I was so embarrassed because all of these women had up to 169 averages!" The next year she averaged 169. Being a perfectionist, she wanted to do well and she strived to get better each year eventually reaching the 185-190 average range. She said, "I could do well but I always wanted to do better."

Carolyn has never had any formal coaching but she did say that Foy Belcher, who worked at Reseda Bowl had given her some "tips." As she advanced to the higher average leagues, she said she would watch bowlers like Bobbi North and Betty Mivelaz and the thing that was clear was their focus and ability to do the same thing over and over again. This was her aim. She was never afraid to try something new and look for that thing that worked for her. This prompted her to go to the Bowling Academy and be certified for coaching.

She was urged to join the Professional Women's Bowling Association (PWBA) and the Western Women's Bowling Association (WWPB). She bowled the Pro-Tour for a couple of years and she also bowled in the L.A. All Star Traveling League and the West Coast Elims which she won three times. In 1992 she was inducted into the San Fernando Valley Hall of Fame for Superior Performance.

After getting involved in all of the bowling that goes with an elite bowler she said she began to feel guilty being away from her three children so much so she scaled back. This is when she noticed the irritating lump on her lip. A biopsy showed it was cancerous, but the oncologist said it was just a "nick it out" thing and she'd be out and about in no time.

It turned out not to be just a "nick it out" thing as it was deeper than first thought and the surgery turned out to be very serious. She quit bowling in 1995 to heal which turned out to be a five year lay off. Her husband Ed had become ill and she felt she needed to be there for her family.

She had been doing the books at home for the Pro Shop she and her husband owned in Canoga Park Lanes and Corbin Bowl, but after Ed's death she felt she needed to go to the shop and help. She decided the shop at Corbin Bowl had to go and with Bob Scherzberg's help she could manage Canoga Park. It meant

LONG BEACH — When you read this column, the Vegas Travel league will be less than two weeks from starting the new season on Monday, September 13 at Cal Bowl. A 9:30 a.m. meeting will precede the 10 a.m. starting time to finalize the league schedule, distribute team envelopes and the 2010-2011 USBC renewal applications.

A reminder to members to pay cash for bowling fees the first three weeks of the league, however, they may write checks (\$18) for USBC renewals. New average books will be available for those who want to verify highest averages from last season.

To date, we have no requests for subs, but a couple of bowlers are available to sign on as regulars. Call me for further information at (562) 423-1567. Although the league has dropped a couple of teams, the league is the strongest it's ever been and we expect the usual tough competition from start to finish.

### HELEN DUVAL PASSES AWAY

One of California's star bowlers died recently at age 94. She leaves a legacy that is second to none for bowling ability, leadership and dedication to the ten pin game. She claimed every honor from Halls Of Fame inductions to women's pro bowling titles. Her ability as a bowling instructor was super and her warm and gracious personality made her a favorite at every meeting and bowling event she attended. She will be missed!

**DEAF TRAVEL ELECTS BOB TAYLOR AS SECRETARY TO START 51ST SEASON**

NORWALK—With the founder Connie Marchione retiring as its secretary treasurer for 50 consecutive years, SO Calif Deaf Traveling League in its 51st meeting at Keystone lanes last week elected Robert "Bob" Taylor as its new secretary-treasurer to replace Connie. Taylor was the only one nominated and won as no one else wanted to do the tough job of keeping the bowlers averages updated each session. Earlier in the meeting, President Ed Abakumoff and Vice-President Sharon Caldwell were reelected to their respective positions for another term. Abakumoff will continue for his 18th year and Caldwell for her 6th.

Only 16 bowlers were present at this meeting and it was voted to have 6 teams of trios for the coming season starting on Sunday September 12 at Keystone lanes. Keystone is one of 8 bowling centers voted by the bowlers along with popular centers as Del Rio Lanes, AMF Cerritos and Linbrook. Former centers as Action Bowl, Bowling Square, Covina, and Jewel City Bowl are the returnees pending acceptance by each center's manager.

After Taylor contacts each center, he will arrange the league's bowling schedule, which will have the usual 16 sessions of bowling plus a sweepstakes date. The bowling time remains at 1:00pm and the league is still scratch for another year. Because of the bad economy all same league rules were passed without any increase in fees. The league may expand to 8 teams of trios only if 6 old members or new interested bowlers want to join. These 6 interested bowlers have to contact Ed, Sharon, or Bob before Labor Day to be counted in.

**DEADLINE FOR DEAF SENIORS OF AMERICA LAS VEGAS TOURNEY IS SEPT. 10**

The deadline for entries in the 14th annual Deaf Seniors Bowlers of America is creeping close to Friday Sept. 10. The tournament as usual is at The Orleans Hotel, Casino and Bowling Center in Las Vegas with bowling for all entrants on Tuesday morning October 12 and also on Wednesday October 13 and Thursday October 14 for those who want to stay to bowl for the Match Play Eliminations.

The Orleans is offering \$40 per night from Sunday to Thursday to DSBA bowlers and fans reserving rooms by deadline Friday Sept. 10 using the DSBA's code.

Deaf Seniors bowlers aged 55 years and older are encouraged to find their own doubles partner because asking for a pick up is at a risk. Each bowler pays \$85.00 entry fee by deadline of Sept. 10 and if he or she wants to bowl in match play and include all-events that is \$45.00 extra to add by deadline of Sept 10.

For more information contact DSBA secretary-treasurer Carol Moers by VP 720-457-2165 or email DSBAsec@aol.com.

### Better Second Time

*continued from page 6*

getting back in the bowl and she said, "I knew if I walked back in there I would want to bowl because I love the sport so much."

Bob and Ed had been childhood friends and Ed later came back into the scene in the 1990's, which turned out to be a good time for Carolyn. Ed had showed Bob a lot about the pro shop and it was a natural that he helped her out and - they eventually married.

She says she bowls, "for the fun of it," and is bowling the best she has ever bowled. In fact in the two 33 week leagues and one at 30 week league she rolled 65 - 600's the highest being 698; 13 - 700's, 20 games over 250 and two 300's in the Funtimers league. She hasn't broken the 800 barrier yet, but close with 798. She says, "I'm enjoying it while I can!" So, what made the difference after coming

Carolyn Scherzberg

back to bowling? She believes you are what you eat and feel and her MO has always been the same, work on her game, strive to get better and be consistent. When she takes to the lanes I am sure the pins say, "Oh, Oh, here comes Carolyn." It appears this is what allows this soon to be 73-year old stroker to continue to

adjust to most any lane condition and belly the ball or throw it straight if necessary. Talk about being consistent, she has missed ONE day of bowling in five years and she bowls all year around! She loves the game and she loves the people. For Carolyn Scherzberg, bowling has definitely been better the second time around.
