## Dave Beres Wins PBA Midwest Regional Players Invitational

PERU, Ill. – Dave Beres of Waukesha, Wis., defeated Tom Hess of Urbandale, Iowa, 225-205, to win the Professional Bowlers Association Midwest Region's Regional Players Invitational title Monday, concluding two days of live Xtra Frame coverage from Illinois Valley Super Bowl.

Beres, 35, earned \$6,000, a paid entry into the PBA World Series of Bowling V in Las Vegas in late October and a berth in a new PBA RPI Finals which will be televised on ESPN. The regional title was Beres' sixth and his second in two weeks.

"Besides the added money and beating a strong field – which is always special – my mother got to watch me win on Xtra Frame," Beres said. "She had never seen me win a title before.

"I've been losing early in match play recently," he added, "so winning early here kind of helps you build momentum. I was lucky to get past Nathan (Michalowski, a fellow Wisconsin player), but it was a relief to be able to move on. You just never like to win like that."

Beres defeated Michalowski in the semifinal round, 201-195, by throwing two strikes

and a nine-count in the 10th frame, followed by Michalowski failing to convert the 3-10 "baby split."

Beres admitted he hasn't bowled well in two previous World Series of Bowling appearances "but I'll practice a lot and hope I can do better this time."

The Midwest Region RPI was the second in a series of six PBA Regional championship events. The PBA East, Central, Southwest and combined West/Northwest Regions also will host RPI events in the coming weeks, with each RPI winner advancing to the PBA RPI Finals that will be taped for delayed airing on ESPN as part of the World Series of Bowling V at South Point Casino, Hotel and Bowling Center, Oct. 26-Nov. 3. Tom Daugherty of Wesley Chapel, Fla., was the first RPI winner, claiming the South Region title in Tavares, Fla., in early August.

Each RPI is open to 48 players who have qualified through a season-long points competition in their respective regions, and each RPI is being covered live from start to finish on PBA's exclusive bowling channel, Xtra Frame. Visit [pba.com](http://pba.com) for Xtra Frame

## Thank You Coaches, Parents & Junior Bowlers

NORWALK — Thank you for participating in this year's California Youth State Championships. We ended up with 132 teams. Many took advantage of the free berths provided from the California Pepsi District Finals, which is great! We will be in Bakersfield next year.

## Chan & Ramirez III Take Opening Day JAT Titles

by David Yamauchi

LAKEWOOD — The JAT hit the lanes for Opening Day at Cal Bowl. 36 bowlers took the lanes in the two divisions to kick off the new season.

In Farm Club action, Anthony Schanen led all qualifiers at +27 followed by Eric Torrence at +15. Justin Patten at +11 was the last bowler in the plus. Low-to-qualify was Ryan McBride at -171 just edging out alternate Michael Ma at -172. Scoring highlights included Schanen 255, Ryan Pekins 235, and Patten 232.

In Match Play, the top-12 bowled 5 more games and Shane Pierson took the lead with a 4-1 record and a 256 final game. Ralph Ramirez III jumped to second with a 267 final game while Anthony Schanen hopped to third with a 252 closing game. Eric Torrence held on to the last rolloff spot at +122. In the stepladder, Eric Torrence took on Anthony Schanen and advanced 226-193 to meet 2nd-seed Ralph Ramirez III. In a close match, Ralph finished with just enough to advance 204-202. In the championship match, the lanes transitioned. The scores dropped off, but it was Ralph Ramirez III taking advantage and surviving some early open frames to top Shane Pierson 166-163 and win his first JAT Farm Club title. Congratulations Ralph!

In Open Division play, the lanes were barely putting up a fight in qualifying as Tyler Salverda lit them up lapping the field at +270 for his 6 games. Oscar Chan was blowing the lanes open at +186 while Frank Aldrete averaged a cool 229 for 3rd at +174. Wesley Low Jr. qualified 4th at +145 and Bobby Hornacek at +134 was 5th. The low-to-qualify was Baujee Harlan at +42.

In the bracket, (5) Bobby Hornacek defeated (12) Baujee Harlan in two while (6) Matthew Zweig fell to two-handing (11) Brandon Wanders 2-1 with Wanders putting up a 289 game to eliminate Zweig. (7) Keyon Lemus was swept by (10) Jerome Jordan Jr. and (9) Terrence Robinson took three to advance past a tough (8) Ashley Dunn. In the quarter-final, the top-4 jumped back in after the bye and three of

JAT (L-R) 2nd Place Tyler Salverda and Champion Oscar Chan

JAT Farm Club (L-R) 2nd Place Shane Pierson, Champion Ralph Ramirez III, 3rd Eric Torrence

the four advanced to the semis with (1) Tyler Salverda needing three to get by Terrence Robinson, (4) Wesley Low Jr. sweeping Bobby Hornacek, (2) Oscar Chan needing all three to eliminate Jerome Jordan Jr. and (3) Frank Aldrete being the lone bye to fall to Brandon Wanders in two.

In the semifinals, Tyler Salverda and Wesley Low Jr. went three in a great match with Tyler taking game one 227-220, Low coming back 231-169 and Salverda advancing to the Championship Match 241-211.

Oscar Chan showed his veteran presence by sweeping through Brandon Wanders 257-202 and 225-188 to advance to the final.

In the final, both Salverda and Chan came out striking but Chan finished the first game stronger for a 266-257 win. Salverda had a great look all day and showed it as he came back for a 268-194 win

in game two. The final game came down to the 10th frame where Salverda posted a 213 forcing Chan to go double-9 count for the win. Chan came up in the 10th and tripped a 9 for the first strike, then in the 11th set the ball a little short for a runaway Brooklyn, followed by a pocket shot that nearly 7-10'd but tripped the 10 for a 214-213 win and the first JAT win of the new season. Congratulations Oscar on the win!

For those bowlers who did not make Opening Day, Membership Fees are due at this event. Regular Membership is \$30 and Gold Membership is \$100.

Gold Membership includes your choice of any current Brunswick or DV8 ball for just \$70 more!

The JAT hits the lanes this Sunday, September 8, 2013 at Brunswick Covina Bowl (NOT West Covina). See you on the lanes at Covina!

# Mary Cassin's League: A Big Success

by Frank Weiler

SAN BERNARDINO — Mary's Invitational League was a big success again. Thirty-two foursomes filling every lane at Del Rosa Lanes, "A FULL HOUSE." Mary Cassin's magic still works.

For more years than I can remember, at least twenty, Mary has been the heart and soul behind the Del Rosa summer league named in her honor. It is named after her because she is the driving force behind the whole show: league promoter, recruiter, organizer and secretary. YES it's true, Mary works as league secretary for free - a service to her bowlers.

Mary is the matriarch of Del Rosa Lanes. She has bowled there for decades and was the first woman to bowl a certified (sanctioned) 300 their. I have watched Mary bowl and she still has game. She still rolls 200 games regularly.

Mary's Invitational is a unique league with a singles sweeper where every bowler cashes, including the lowest scorer. I came in 55th place and won \$31! The singles sweeper is "FREE" with the money coming from the prize fund. There is no team point money. There is an optional doubles sweeper costing one dollar per bowler. Of course there are optional side pots, brackets, strike shots, and the last man standing. Besides a strike frame the league hosts a "SHOT CLUB." Can you down a straight shot of whiskey in one swallow? Don't ask if I can or did.

Our league championship team was led by TOM ANDRES, Sr. He and teammates JOAN and RICHARD MCMI-CHAE and TOM ANDRES, Jr., a phenomenal 33 - 6 record. Their . 846 winning percentage means that they only lost one game/point every other week. The team recorded the best league winning percentage that I have seen in recent years.

Have any of you ever seen a bowling team go undefeated in a league running for twelve weeks or more? Let me know at ffw300@aol.com.

Congratulations Mary for another successful summer and thanks BOWLING NEWS for recognizing Mary's contribution to the sport of bowling. She is a prime example of the type of person who makes bowling great.

Bowling News is proud to bring you....

Chuck Pezzano

Dean of Bowling Writers, PBA & USBC Hall of Fame

There have been many bowling institutions in bowling. Some are as short lived as a small candle in a large wind. Others are as long lasting as a mountain reaching high into the sky.

One of the rocks of bowling was John Jowdy, who left us all too soon, though he had a long and successful earthly stay of 93 years.

In my early days in bowling I made it a point to attend every meeting, tournament or gathering of the sport—and there was one common plus—John Jowdy was there.

We hit it off from the start, whether we agreed or agreed not to agree, friends, buddies, close to brothers. Some people called him a bowling ball salesman, and a few claimed he couldn't make the judgement calls.

That irked me because as a pioneer of the sport, able and willing to study and try to understand every area of bowling, John was a valued public relations master and executive for his beloved Columbia, and his love for the sport, warts and all.

We went to places where maybe we were not fully welcome, and we listened to almost everyone. The most important thing I learned about Jowdy is that first and foremost he was a people person with an inquiring mind that never quit learning and loving in his own way.

His life experiences included operating a nightclub and his sports connection was as a top softball pitcher and a fine bowler who made the finer points of the game available to the world. He had a way with words, speaking and writing them and never afraid to do research and gain help from others.

Over the years I discovered he was an excellent dancer with feathery movements, a classic dresser with a flair for colors, ties, cowboy hats and boots.

Jowdy's hats were the best and he owned boots of practically every exotic leather used for the purpose. I still have a huge collection of various era ties he would give to me from his bulging clothing closet.

Over the years I had the pleasure of rolling with such great doubles partners as Lou Campi, Lindy Faragalli, Graz Castellano and even the one and only Andy Varipapa, all multiple Hall of Famers.

When my four sons became good enough we decided to go to the American Bowling Congress tourney as a team but we needed a bowler for doubles and singles and John became my honorary son and doubles partner. We couldn't roll more than a few frames without someone dropping by to chat with Jowdy.

He wasn't a magnet but he had a special attraction to all who knew and respected him, as wide and inspiring as you can imagine.

Our original writer group at breakfast were Jowdy, Dick Evans and Joe Lyou, all now passed, and they let me in too. There was kidding, needling, and idle and serious chatter. Soon bowlers in the top tournaments joined the group, all time greats such as Dick Weber and Johnny Petraglia and at the Firestone Tournament of Champions, the group often ballooned to 40 or more, bowlers, writers and officials.

Jowdy always had a way with the ladies because he treated them like ladies, never failing to send a hand written Thank You note to tournament writers, scorers, and others involved with the tourney in some way.

John's birthday always came during the Firestone, and whether it did or not, we had a cake. But one time the competing bowlers came up with a surprise for John to thank him for the uncountable hours he spent teaching almost everyone who asked.

I had to keep him busy while the hotel site was being prepared for the fete and it brought the usually talkative John to near tears when he was presented with a gold watch.

"I considered that birthday party one of the highlights of my life because so many went out of their way to say thank you in such a unique way in such a once in a lifetime setting," Jowdy fondly recalled.

Jowdy will be remembered as one of the greatest teachers of all time, from youngsters in his hometown of San Antonio, Texas to more than a hundred top stars, including the world's outstanding pro champions.

The John Jowdy Scholarship, and many of his innovations, are standard in bowling centers, and the bowling world is all the better for his being.

We could write his name in smoke in the sky, but the wind would blow it away.

We could dig his name in beach sand, but the water would wash it away.

So let's just keep him in a loving corner of our hearts—where it will stay—for all the forevers and a day.

NATIONAL DEAF BOWLING NEWS

by Connie Marchione

CONNIE MARCHIONE GOING ON 90 SWEEPS  
GOLDEN 4 SOMES SENIORS WITH 646

MISSION HILLS — Deaf writer Connie Marchione ended with 167 average for 39 games in the Tuesday Noon Golden 4 Some Summer League at Mission Hills Bowl. The best he could do in summer was a high game of 211 and series of 555. To him it was frustrating because he wanted to finish with a 170.

On Tuesday August 27 Golden 4 Some were having a season ending sweeper and during the warm-ups Connie did something unusual for him in all summer. He remarked to teammates Bud Schinhart and Marlene Branscomb (brother Dom Marchione is on a month long vacation in Washington) that he warm-upped 4 strikes in row. Bud admitted he saw them.

In the first game Connie struggled to find the line and had one open, a 6-7-10 split in 6th frame and struck out for a 187. The second game was clean with a 4 bagger in the middle of game for 237. The third game was also clean with two doubles for 222. Connie had a BIG 646 series, which he did not have for quite a while.

So with that 646, Connie thought, good but probably for 2nd or 3rd place in the sweepstakes. He dreaded waiting for all bowlers to finish and all scores to be added for prize money places. Instead he wanted to go home to put his arthritic neck in traction. Connie asked his friend, League Secretary Mitch Weitzman if his 646 placed in the money, to hold the money and give to Connie on the following Tuesday new league season opener.

A couple hours later at home with his neck in traction, Connie's wife Dorothy came up and said that Mitch is downstairs wanting to see him. So Connie got his neck out of traction, went down and was surprised when Mitch handed him a thick envelope, saying, "You won all the money". Mitch continued, " That's so much money and I do not want to hold till next Tuesday". The envelope contains over \$200 in bills.

Connie, who will be 90 in 3 weeks, has bowled for over 70 years and that Tuesday is the first time he nearly swept the league sweeper. The leagues' sweepers of 2013 year were good for him as he had cashed in all his three leagues. Again, his Tuesday's first two games won the league sweeper's optional poker pots.

## Record 18 Countries Entered in PBA World Series of Bowling V

LAS VEGAS — For the first time, one or more PBA members from Argentina, Bermuda, the Czech Republic, Ecuador, Ireland and Puerto Rico will compete in a field along with representatives from Australia, Canada, Colombia, Denmark, England, Finland, Japan, Mexico, Russia, Sweden, Venezuela and the United States. Additional international players are expected as the premier showcase for professional bowlers continues to expand its world-wide appeal.

PBA World Series of Bowling V will award five PBA Tour titles: Cheetah, Chameleon, Scorpion and Viper Championships plus the PBA World Championship. The field is limited to 240 PBA members on a first-come basis. Fewer than 85 spots are still available (PBA members can enter through pba.com or by calling the PBA office: 206-654-6025).

“One of the most exciting sporting events I ever attended was the 2008 WTBA World Championships in Bangkok, Thailand,” PBA Commissioner Tom Clark said. “The final team match between the USA and Korea ended in a remarkable tie in regulation, forcing a pulsating roll-off. The pressure to perform – for teammates, for country – under difficult conditions was palpable. It’s what makes bowling an incredible sport. The USA, featuring for the first time a ‘Dream Team’ group of PBA pros, won that day, but bowling was the true victor.

“The PBA prides itself on featuring the greatest players in the world, and witnessing the talent on display that entire week in Thailand made it clear to me all of the best players in the world were not regular participants in the PBA,” he continued. “I needed to make a greater effort to bring these players from around the globe to compete on our stage. From discussions that week with young international players such as Jason Belmonte, Osku Palermaa, Dom Barrett, Martin Larsen and pioneers such as Mika Koivuniemi and Tim Mack, the PBA forged ahead with a plan to create an environment more conducive and inviting.

“The PBA World Series of Bowling was born. In the previous 50-year history of the PBA only three international players had won titles, but at the WSOB the past four years we have seen players from over 20 countries compete and new PBA champions emerge from Korea, Colombia, England, Australia and Finland. WSOB-V, featuring the PBA World Championship, returns this October in Las Vegas.

“The PBA also partnered with the WTBA’s ambitious World Bowling Tour,” Clark added. “We work together to make a schedule for the world’s best players, to refine rules and regulations, and to grow the talent pools, fan bases and prestige of great events. The WBT Finals, featuring WBT men’s and women’s points leaders has become a highlight of the WSOB, with huge ESPN television audiences watching.

## BOWMAN and COLE Are Champions

by Frank Weiler

MURRIETA — Tony Bowman and Ryan Cole are champions of Cal Oaks 430 Scratch Doubles summer league. They led in the standings wire to wire.

After winning the first six week block by eleven points and the second block by seven they automatically earned top seed for roll-off night. They only had to win one roll-off match to be crowned champions. They won that finals match handily by 79 pins, 967 - 888.

Mr. Bowman led the champions with a 501 score for two games (250 average) while teammate Ryan Cole scored 466 (233 average). Cole led the league with a 237 average for the twelve weeks of competition.

The championship roll-off featured a step ladder final with each match being decided by total pins for two games. The roll-off involved five teams, two block winners and three wild card teams.

The champions used a variety of bowling balls during the summer but settled on the Motiv Toxic Venom (Cole) and DV8 Misfit or Brunswick Slingshot (Bowman). When it comes to choosing the right ball Tony Bowman said “EVEN A BLIND SQUIRREL FINDS A NUT ONCE IN A WHILE.”

The back story of the night was the performance turned in by Team Cornell & DeYager. They won three consecutive matches advancing from fifth seed to the championship match. Anchorman JERRY DeYAGER led the team with a 237 average for four matches (8 games). Thank you BOWLING NEWS for supporting Citrus Belt bowlers.

# Geoff Reiss Transitions to PBA Board, Tom Clark to Assume Daily Operations Responsibilities

SEATTLE — After nearly two years as Chief Executive Officer of the Professional Bowlers Association, Geoff Reiss announced today he is transitioning from his role to join the organization's board of directors, effective September 9. Commissioner Tom Clark will assume day-to-day management responsibility for the PBA.

"Tom's vast experience and passion for the sport of bowling give him a unique ability to see our turnaround through its final phase" Reiss said. "I look forward to continuing to work with Tom as we build on the momentum we've created the past year."

"We've got a big year ahead," Clark said. "Our dedicated staff and I will continue to build our fan base, create opportunities for our players and grow our relationships with partners and sponsors."

Reiss became the PBA's CEO and Clark assumed his role as Commissioner on Nov. 1, 2011.

The PBA will conclude its 2012-13 season with the PBA World Series of Bowling V at South Point Hotel, Casino and Bowling Center Oct. 25-Nov. 3 followed by the Round1 Japan Cup.

ESPN coverage of the multi-event World Series will be followed by the return of PBA League competition in early January from Thunderbowl Lanes in Allen Park Mich.

Jason Sanford strung 11 in A Row on 6/21/13 in the Keystone Lanes Friday Laughlin League.

Congratulations Tobie Wynn on your 11 strikes in a row 275 bowled at Cal Bowl. Next time make it 12...
