## DARRON PETERS Is California's Top PBA 50 (Senior) Bowler

by Frank Weiler

TEMECULA — The BOWLING NEWS published the final 2014 PBA 50 (Senior) Tour statistics a few weeks ago and they showed that our own Darron Peters is among the PBA Senior Tours (now re-named PBA 50 Tour) top performers this season. He is the only Californian on the Senior Tour's Top Twenty Competition Points List and he and Dale Eagle are the only Californians on the Top Twenty Earning's List.

Darron placed eighteenth on the points list (73,240 points) and finished twentieth on the earnings list (\$10,025). The only senior bowlers above Darron on the PBA lists are pretty much PBA Hall of Famers or super stars with multiple PBA titles.

The points list is led by Walter Ray Williams, Pete Weber, Tom Baker, Norm Duke and Parker Bohn III. The rest of the list contains names such as Edwards, Goebel, Jurek, Mohr, Monacelli, Pedersen, Petraglia, Sullins, Voss, Webb and DARRON PETERS. The earnings list is led by Walter Ray Williams, Tom Baker, Pete Weber, Norm Duke and Jack Jurek.

Peters accumulated his impressive statistics in eight tour events out of the eleven national PBA 50 tournaments this year. Who knows how much higher Darron may have placed if he didn't miss three east coast tournaments.

Dave Soutar still leads the all-time PBA 50 Career Earnings List with \$586,370. He won seven titles. John Handegard is the all-time titles winner with fourteen.

Darron is a CITRUS BELT bowler, usually competing in leagues at Cal Oaks in Murrieta. We are proud of his accomplishments and look forward to his winning a national PBA 50 senior title next year.

ing the field of eight for Saturday's televised finals. The eight finalists will be paired for one-game matches leading to the championship match on Saturday, Nov. 15.

Japan's Yuya Katoh is the defending champion; he is the third Japanese player ever to win the Cup and the first to do so since 1988.

## PBA Bowling Challenge Mobile Game to Sponsor PBA Cheetah Championship

Concrete Software's popular mobile device game continues to attract millions of users

CHICAGO — PBA Bowling Challenge Mobile Game has been named presenting sponsor of the 2014 PBA Cheetah Championship, PBA Commissioner Tom Clark announced today.

The PBA Cheetah Championship presented by PBA Bowling Challenge Mobile Game will be the first of four animal pattern championships conducted during PBA World Series of Bowling VI at South Point Bowling Center in Las Vegas.

Qualifying and match play rounds will be contested on Saturday, Oct. 25, with the four-player stepladder finals to be conducted on Saturday, Nov. 1, for telecast on ESPN on Sunday, Dec. 14, at 1 p.m. ET.

Since its introduction in January 2013, the "Official Mobile Game of the PBA" has surpassed 8.3 million downloads on Android mobile de-

vices, and has added almost 2 million downloads on iOS devices since its availability for Apple products in November of 2013. Those figures from Concrete Software, the creator of the PBA Bowling Challenge, translate into 4,700 downloads per day by Android users and 2,700 daily downloads by iOS users. Another 350,000 downloads have been recorded by Amazon and Barnes & Noble device users.

PBA Bowling Challenge is a mobile game that features actual tournaments, oil patterns, bowling balls and legendary PBA bowlers who are faithfully represented throughout the game's extensive career mode.

"The fact that an average of roughly 117,000 people play PBA Bowling Challenge every day is a testament to the game's popularity," said Keith Pichelman, CEO of Concrete Software.

I'm Betting on LIKAPEKA IBARRA

by Frank Weiler

SAN BERNARDINO — The SoCal Women’s Club is kicking off it’s season at DEL ROSA LANES with many of the Citrus Belt’s top lady bowlers competing.

Last season’s champion, MARY ANDRUCZYK, is ready to go as is runner-up SHEILA EPPENS. THERESE LLOYD (3rd place) and PACITA BAKER (4th) are back along with some new and experienced tournament bowlers. EARLINE EDWARDS is joining the fray and should be a tough competitor. She has been bowling tournaments for years and is a regular at state and national competitions.

TONI FUTCH and LORRI SCOTT were at the top of last years average list and are back as contestants. While all of these ladies will be tough to beat, my pick for this season’s champion is LIKAPEKA IBARRA.

Why Likapeka? First, she is one hell of a competitor. Second, her dad is WILLIE CHANG WO and he has taught her well. Willie has had her on the lanes since she was a small girl and has taught her the finer points of the sport, especially on how to win match games. The Women’s Club is a singles league and features a match game format.

Most of all my choice is Likapeka because she was dominant last season when it came to scoring. She led the league in average most of last season and ended up third. She also posted the league high scratch series (861 for four games). I expect she will continue outscoring her rivals.

I look forward to reporting what these ladies do each month. There aren’t too many leagues around where women get to compete exclusively against each other. This may be the only one in SoCal. And lets face it, when women compete against each other, with guys out of the picture, they can put their dainty side aside and really compete. IT IS BEAUTIFUL TO BEHOLD.

Watch out ladies. Likapeka Ibarra is back and she will compete, she will win and she will be league champion. Remember, Willie Chang Wo taught her well.

Bowling News is proud to bring you....

**Chuck Pezzano**  
*Dean of Bowling Writers, PBA & USBC Hall of Fame*

There is no such thing as tournament time — because there are fine tournaments being conducted 12 months of the year.

Ever stop to think of how many bowling tournaments are available in the world each year? An educated guess might put the figure at more than 10,000.

There are big money, small money and no money tournaments. There are family, school, church, business, profession, city, county, state, sectional, national, zone, continent and world tournaments. There are pro tournaments and amateur tournaments and pro-amateur tournaments.

There are singles, doubles and team tournaments. There are events for boys, girls, men, women and mixed covering every age. There are sibling tournaments, husband and wife, father and son, mother and daughter, and any other relationship tournaments.

There are club tournaments and shop tournaments and office tournaments and religious tournaments. There are tournaments for people who can’t see or can’t walk or can’t hear.

And with all that only a small percentage of the number and scope of the variety of bowling tournaments staged annually have been touched upon.

Yet, many bowlers never have rolled in a tournament. Let it be known that there is a tournament for every bowler, regardless of the size of your average—or budget. Look through any bowling publication, check the desk or bulletin board at your bowling centers and read all your communications and you’re sure to find one or two tournaments designed just for you.

Tournament bowling is the extra icing on the bowling cake.

Tournament bowling is fun, and always profitable. It isn’t always profitable in a financial sense, though many have won cash, merchandise, trips and other goodies, large and small. But you always enter into a new and exciting phase of the sport where the competition is different but the game is the same.

How can you tell if a tournament is a good one? Check out those conducting the tournament, where it is being run, and read closely all the rules and fine print on the entry blank. A tournament survives only if bowlers are given a fair shake and tournaments don’t last unless they have needed participation.

In many tournaments, particularly local and state and national association events, plus most charity tournaments, many dedicated people work hours that would stagger the imagination.

In some tournaments you can win six figures or more. In others you can’t win much more than satisfaction in being a player, and maybe a title and trophy, be it thimble size or taller than you are.

You can’t gain the full rewards bowling offers unless you roll in tournaments even now and then.

So give your local or state tournament a whirl. Don’t miss some of the fine competition your local center offers. Check out tournament clubs. There is as wide a variety in tournaments as there is in the aims of bowlers but bowlers can find the right one with a little effort.

If you’ve never rolled a tournament, roll one in the near future. If you have, roll one more.

# NATIONAL DEAF BOWLING NEWS

by Connie Marchione

## ABAKUMOFF 253-763 TOPS DEAF TRAVEL'S POOR LEAGUE OPENER AT KEYSTONE

NORWALK — Southern California Deaf Traveling League's 55th season opener at Keystone Lanes had an unusual bad day when all six teams bowled below their team average. With the Trio's median team average set at 492 this scratch league averaged below that with overall average of 461 per team. Meaning that most of the 18 bowlers did not bowl or practice all summer.

Team Hollywood's high 4 games team series of the day 1895 is 73 pins below the median 1968 team series. Three teams failed to hit 492 in each of its 4 games and the remaining three teams each just managed to hit one game over 492 with 503, 532 and 550.

The excitement of the day was shown by league's president Ed Abakumoff after struggling in his first two games (163-145) before finding the right ball to run 7 strikes in row in his 3rd game. A pocket hit 10 pin refused to fall and Ed finished with a 253 game. He closed his 4th game with a 202 for the day's high series 763.

Three other bowlers followed Ed with their 700s, Bob Jones with212-164-137-211 for 724, Dan Flores 157-206-194-162/719 and Gorman Low 192-124-194-202/712. Ed's 253 along with Randy Salazar's 178 and Dennis Vigil's 119 gave their Riverside team the day's high team game 550.

League secretary Bob Taylor's Eagle Rock team nearly swept Jeff Stansell's Mid City 15-5 to place first in this early season. Mid City's Paul Taffolla won 4 points and Celia Salcedo one point to prevent the sweep. Low's Hollywood team with Jim Mohr's 5 points beat Abakumoff's Riverside 12.5-7.5 to place second. Flores' Orange County rallied in 4th game to beat Jones' S F Valley 11-9 to place third.

The league thanks its long time host, Keystone Lanes management and staff for the tough bowling condition. The next host will be Jewel City Bowl on Sunday September 21 with bowling at Noon (not 1 PM as shown on schedule.) We hope the league will bowl better there.

## ROARING 90'S DOUBLES SCRATCH LEAGUE GABLE HOUSE BOWL, TORRANCE, CONGRATULATES! LEAGUE CHAMPIONS CHARLES & SANDRA REID, REDONDO BEACH

TORRANCE —This league has been in existence for over 30 years, originating at AMF South Bay Bowling Center, Redondo Beach. When the word got out that South Bay was on the verge of closing, (too far back to remember) the league relocated to AMF Bowl-O-Drome (at Carson/Western). In 2012 the league voted overwhelmingly to accept the invitation from Gable House Bowl to move our league to their center offering us one entire side of the center, Lanes 1-20.

Although we accepted their invitation and put only 12 teams on the floor during the 2011 Summer Season, our 2011-12 Winter Season filled 16 lanes and the 2012 Summer Season, we went to the wall with 20 teams and have since been blessed with 20 teams each season.

The league schedule runs 19 weeks, the following week Position ( the league meeting for the next season that morning) , and finish the season with Sweeps, followed by an Award Pot-Luck Luncheon. The league is managed with a President; Vice-President; and Secretary-Treasurer (as we bank our own money) The President and Vice President are provided a copy of the bank statement each month and each Team a Financial Breakdown when the Sweeps money is distributed. So that the members can clean their shoes and polish up their bowling balls, the league takes one week off between each season!

As a personal touch, each week of each season, the Secretary-Treasurer displays a miniature Easel with a Birthday Card printed with those members celebrating a Birthday between that Thursday and the next. Submitted by Phyl Knoll

## Tri Vo Wins His 2nd ABTA at Chaparral Lanes

### ALL POTS CARRY OVER TO COVINA BOWL

**Match Game est. \$2,000 • Match Series est. \$2,500 • 3-6-9 is \$3,000**

**ABTA at Covina Bowl for Special Handicap Only Top 3 will lose pins**

SAN DIMAS — We returned to Popular Chaparral lanes this past weekend where 149 bowlers came out for a great day of bowling. The cut scores were + 65 for the men and + 47 for the women. The Super Seniors added to the board were Sierrie Herradura +2, Victor Paolucci +62, and Manny Loria +39.

High qualifiers for the tournament were Liwei Liu for the men with a +162, and for the women it was Marina Suos with a +115. They will get a paid entry into a future regular ABTA event. As customary, our high qualifier drew the Match Series number, which was 617. We had no winners this week, so we will estimate the pot at \$2,500 next week. Liwei Lieu, Anthony Marquez, and John Armenia all missed in the final round of the 3-6-9 pot, so they each get \$20. Since it is not broken,

3-6-9 stays at \$3,000, with the backup pot at \$2,200. In our optional doubles, finishing in first were Tri Vo and Liwei Liu with a 1448 for \$160. Finishing in second place was Angela Lung and Sunny Fong with a 1441 for \$120. There was a total of \$1,390 paid out in doubles and 24 paid spots with low to cash of 1351. In our Mystery Doubles, we paid out eight places. Finishing in first with a 540 was Rey Josafat and Jeff Taino with a 505 for \$90. Total paid out was \$420 with a low score of 446.

That brought us to our exiting Beat the Board Semi Finals where we had many folks betting horses on the 36 bowlers to see who would finish in the top spot. Leading during each of the first two games was Lewei Liu but it would all come down to the tenth frame of the final game where in a nail biter we would have only 16 pins

separating (exciting) the top 5 spots. At the finish it was Rey Josafat at 689, fourth was Anthony Jilek at 691. Third place was Giang Huynh at 694, and runner up went to Lewei Liu at 699. The top spot CHAMPIONSHIP went to Tri Vo with a 705, getting \$1,000 for first, \$1,600 in Cash and Carry for a total of \$2,600. Congrats, to the affable Mr. Vo on his 2nd ABTA win.

Champion Tri Vo is from Anaheim and used a Storm Reign of Power drilled by ABTA member Ben Mach. He is single ladies, and would like to thank the ABTA Bowlers, friends, and staff for running a great tournament. A special thanks to Minh Dang, Chaparral Lanes for hosting the event.

Second Place Liwei Liu (on a roll) is from Rosemead and used a Roto Grip Derange drilled by Memo Rosales at

Tri Vo Wins 2nd ABTA Title at Chaparral and \$2,600. L-R Giang Huynh 3rd \$200, Tri Vo, Champion \$2,600, Anthony Jilek 4th \$110, Lee Liu Runnerup \$500, and Rey Josefat 5th \$110.

all his bowling ventures.

Third Place was Giang Huynh who is from Duarte and used a Motiv drilled by Jimmy Wong. He is single and would like to thank all the Bowl-Mania bowlers supporting him and all the ABTA Staff.

This week the winner of the Sponsor ball from 900 Global was Allan Basto. The raffle winners this week were Roland Sanchez, Bob Selner, Carla Sanchez, and Allan Basto who each won Regular Entries. # Results of the Los Angeles Senate Battle of the Sexes Tournament

Yvonne "MiMi" Parker, Betty Shamssideen, P.J. Jackson and Valorie Guy

NORWALK — Each team in the tournament bowled three games with half the field being women teams and other half of the field being men's teams. After the three games the field was reduced down to the top male and female team where they competed for the title match. This year the top female team in the roll off was Shamssideen and Company with members consisting of Betty Shamssideen, P.J. Jackson, Valorie Guy and Yvonne "MiMi" Parker who qualified with a total of 2375. The men's team was MoJo Posse No. 2 with the likes of Hugh Butler, John Jones, Larry McCarty and Donald Eskrodge with a qualifying score of 2244.

The difference in the handicap for the two teams was a whopping 105 pins per game! This was proven to be too much for the men to overcome as they were defeated by the women by over 250 pin in the two game match and took the top prize of \$400 while the runner up men's team took away \$240.

All in all this was a wonderful event and everyone enjoyed participating in the fun filled event which was mostly a fund raiser for the Los Angeles Bowling Senate of TNBA for their Junior Bowler scholarship program.

BURBANK — After reading an article that appeared in the L.A. Times this past Tuesday regarding the "posh décor future" for bowling alleys, (yes, they really said bowling alleys, not centers) I was overwhelmed with emotions of varying degrees. The article went on to state that Brunswick is intending to exit the bowling industry after 120 years. The article was originally generated for the Chicago Tribune so the ensuing info was based on that area.

Apparently, center owners are seeing the decline in league bowlers and are making a pitch to connect with the crowd that wants little commitment and lots of flash and dash for their short attention spans. Throwing in gourmet foods, armchair/sofa seating and Ikea lighting!

Many ideas to combat bowling's demise were put forth in the article such as "fad leagues", free bowling classes & equipment and shorter league sessions. The latter is one I have favored for some time. What I didn't read was the intention by the centers to be more attuned to what the die hard league bowlers would appreciate. I didn't see any ideas regarding the possible efforts to rework the fabric of leagues. As in bringing down the price of league bowling by changing the prize fund aspect, shorter sessions of 13 weeks, loyalty rewards, etc.. Maybe proprietors should be canvassing their leagues.

Believe me, I do understand the business end of it all. Centers have to make money. Many supplement with birthday and private parties much to the dismay of the die hards. Owners often don't want any time off for leagues since that's money in the pocket, guaranteed! Scheduling more fun events if time off is available may be an answer. Like Singles Get-togethers, Senior Power Plays, No Tap Tournaments, Scotch Doubles, even Mano y Mano events. Die hards love to compete, feed the frenzy!

I may be too idealistic to approach the subject objectively or with realism, but I had to make some noise. This has been a life long passion for me and since I still have a bit of life left in me, I'd like to keep my ball rolling without a sofa and video screens. I have these things at home. What I don't have at home are the many friends I meet and enjoy while on the lanes.

## Brunswick Back in Action!

DOWNEY – Brunswick Bowlers, Veterans & Newbies took to the lanes after the summer lay-off ready for the first round on the house shot. This weeks top individuals scores will be highlighted and when teams are shirtd and sponsored we will talk more about team standings.

Four teams swept their opponents so there is a jam at the top. Check online for complete data!

The weekly high list looks like the roll-off roster last June. No supprises. A few mumbles, a few ball changes and even a pot game after league.

Team 10 should be on channel 4 news! They put up an even 2800 with no games under 200. Eric Snow 706, Butch Jackson 700, Mikey Villarreal 686 and Kevin Peterson 708.

The foursome on JAT put together a 991 second game but pooped out in game three. Four points is a great start. Larry Campbell 206, DeeRonn Booker 256, Barry Couch Jr. 256 and David Yamauchi 273.

In the sidepot department Darrion Tipton captured game 1 with a 278, Game 2 “Guess Who?” Eddie VanDaniker with a solid 287 and in the Game 3 Big Pot was Brain Gonzales with 266.

21 solid teams floored the lanes Monday night, this leaves one team spot available, your sponsor is waiting! Call Mike Cammarata at Del Rio 562 927 3351 for more information.
