He was using equipment drilled by Memo Rosales and Ben Mach for the win this weekend. Manny wanted to thank his family for their love and

Manny wanted to thank Memo and Ben for taking care of his equipment and friends, George and Pete for helping him with his game, and all the Cerritos Lanes Wednesday \$Pot Squad. NATIONAL DEAF BOWLING NEWS

NAVARRO HIGHLITES DEAF TRAVEL OPENER WITH 300-(4 GMS) 879

by Connie Marchione

NORWALK — Southern California Deaf Traveling League's new season opener at Keystone Lanes started a new page in its 53 years history. Francisco Navarro rolled the league's second perfect game on the opening day of its 53rd season. Former member Carl Malucci hit the first one in late 1990's.

Navarro's 4th career gem came in his 4th game of 879 series. The hard throwing right- hander who lofts his ball 5-10 feet out on the lane started with games of 187-192-200 then his 300. The oddity is, Navarro said, his last 300 rolled 4 years ago was at Keystone's right wall end lanes 23-24 and the new one was on left wall 1-2 pair.

Navarro's 879 led the league's honor roll of 6 bowlers. A returnee Leroy MacMonagle who left 3 years ago, shown no loss of his skill with 839 from 234-217-173-215. League President Ed Abakumoff came 5 pins short of the 3rd 800 of the day with 153-193-245-204 for 795. Bob Jones closed with a 202 for 740, League secretary Bob Taylor hit a 224 and a lady, Anita Lorenzo had a 201. The day's top lady is a returnee, Celia Salcedo with 689.

Navarro helped his Covina team win 13-7 over Jones' S. F. Valley and MacMonagle also led his Orange County win 13-7 over Abakumoff's Riverside. With Covina and Orange County tied for first place, 3rd place went to Anaheim a 12-8 winner over Mid City and 4th place was taken by Whittier, a close 10.5 to 9.5 winner over Taylor's LA County.

Covina with Joe Gonzales's 163, Sharon Caldwell's 168 and Navarro's 300 led the team season high game with 631. Orange County with Pat Morford's 563, Wesley Kay's 677 and MacMonagle's 839 led team season high series with 2079.

The League thanks Keystone management and staff for hosting that happened with a milestone 300 game. Next travel date is September 23 at Brunswick Covina Bowl. The team schedule has the exciting match up set for Covina against Orange County and S. F. Valley against Riverside. Other match ups are Anaheim against LA County and Mid City vs. Whittier.

BOB JONES HITS 290-753 IN SCRATCH CLASSIC AT HARLEY'S SIMI BOWL

SIMI VALLEY — On Wednesday night Sept. 5 Bob Jones started for the first time in the Scratch Classic League at Harley's Simi Bowl and it turned out with Jones at the top on the opening night. Jones hit 237-226-290 for 753 that put him at the top with 251 average. A nice start for the scratch bowlers at Harley's Simi Bowl to know Bob.

Back in Shape

by Robert Ellison

Hope everyone had a nice summer. Now summer break is over- its time to start new year. Todays topic will be what to do getting back into the game. There are few tips to get back into the game.

First- It is important to get back into the game slowly; prior bowling do warm up exercises and stretches. At least 5 to 10 minutes of warm stretches. Also- when you practice warm ups, its important to remember this is when you are "warming" up your body. Do not worry about the scores as you need take care of your body.

Second- Look at the equipment you currently have. Over the summer- your thumb may have shrunk. You will need use thumb tape to put into the thumb hole. This is a good time to take out the old bowling tapes, and replace it with new bowling tapes. The surface of the balls may need to be cleaned or polished. If you believe you need new balls, there are many new balls on the market. Bowling ball manufacturers have released new balls since league ended last spring.

Third- If you want improve your scores/average, then make commitment to yourself practice. Its important practice on a regular basis - as this will help consistency on your game. Focus on your forms, rhythm, and picking up spares. You will notice difference when you practice more often before you bowl in league/tournaments. Good luck and high scoring!

Mark Andrews Wins the Debut of Ultimate Handicap Bowling Tour

GARDEN GROVE — Mark Andrews who is a really good bowler, held back a small field of 4 bowlers at AMF Valley View Lanes on Sept. 8th, 2012.

He fired a 761, which nobody could touch. He received a \$100.00 for 1st place and the thrill of victory. Bud Zagorski shot 670, Curt Snyder of Palm Springs shot 644 and a re-entry score of 699. A special thanks to Donato Quintangon and Darrow Tinaco for coming to spectate.

We have decided to make a few changes for our next tourney on Sunday, Sept. 23rd, 2012 at La Habra 300 Bowl. We are not going to have membership dues. We also are going to give a free entry into a future tournament, to the high qualifier of the day. Also, if a woman wins the tournament she will get a free entry into a future tournament also.

Mark Andrews & PJ Yarns

We are also going to have a BONUS GAME POT at the end of all 4 squads. This Pot will be based on everyones handicap game scores for the day (No Scratch). The high qualifier of the day will reach in a box and pull out a number between 150 and 315, if you

shot that score then you win the money in that pot. If more than one person shot it, you split the money with them.

We look forward to seeing everyone at La Habra 300 on Sunday, Sept. 23rd. 2012, where the food in the Coffee shop is always mighty good.

Regards PJ and Rico

LISA MARIE GONZALES Goes Pink

by Frank Weiler
MURRIETA — The Casino Rounder's team led by Lisa Marie Gonzales is going "PINK." They are going with pink bowling shirts and loving it.

Lisa Marie felt her team needed to be noticed and decided that pink team shirts were in order. She is right. The first time I saw the shirts they caught my attention. I was twenty lanes away and those shirts were visible like a flashing red light. A big red light.

I tip my hat to Lisa Marie's teammates, ANDY MILLER and MIKE HURRY.

They look great in pink. I think pink suits Andy's game just fine. Since going pastel Andy has been averaging 230! That is a career high for "Fidel."

I say Fidel because since my friend Andy started sporting his beard, he looks so much like Fidel Castro.

Lisa Marie has been doing pretty well herself since donning pink. A recent 245 game led to a 666 set. It was the second highest series of the summer by a woman in the 600 Scratch Trio League.

Congratulations Lisa Marie your team is visible. Thank you BOWLING NEWS for supporting our Citrus Belt ladies.

MONACELLI *continued from page 1*

“I quickly found that you still have to be bowling at a top level to do well on the Senior Tour,” said Monacelli. “The competition was very tough and I feel fortunate to do as well I did in my first year.”

During his career on the PBA Tour, Monacelli won 19 titles and was the first foreign-born player to win PBA Player of the Year earning the honor back-to-back in 1989 and 1990. He is the only foreign-born member of the PBA Hall of Fame and was inducted into the USBC Hall of Fame in 2012.

“One of my first impressions of bowling on the Senior Tour was how fast time has gone by,” he added. “Bowling with some of the guys I bowled against on Tour brought back a lot of memories.”

Also receiving votes for Senior Rookie of the Year were Bob Learn Jr., Mike Edwards and Lennie Boresch who each won one title during the season, and Bryan Goebel, Rick Minier, Paul McCordic, Joel Carlson, Brian Cooper, Randy Shewmake and Todd Kjell.

Hall of Famer Dave Soutar of Bradenton, Fla., who retired after more than 50 years of competing on the PBA Tour and Senior Tour, was voted the winner of the Senior Tour’s Dick Weber Sportsmanship Award.

In a career that started in 1961, Soutar won 18 titles on the PBA Tour and seven on the Senior Tour and becomes the first player to win sportsmanship awards from both Tours. He earned the PBA Tour’s Steve Nagy Sportsmanship Award winner in 1970.

“I’ve always respected my competitors and felt that if someone beat me they bowled better than I did and they did the job they were supposed to do,” said the 72-year-old Soutar, who bowled in a record 259 Senior Tour tournaments. “I’ve always been pretty low key. If I got beat or wasn’t bowling well I usually directed my anger at myself and not my opponents.”

The Senior Rookie of the Year award was voted on by PBA members and selected bowling writers while the Sportsmanship award was voted on by Senior Tour players.

Andrew Lung Tops 100 Semifinalists Wins ABTA Labor Day Special \$8,500

Match Game Again at \$3,500 3-6-9 will be \$1,600 at Cerritos Lanes and Match Series est. at \$400 ABTA at Cerritos for Special 1-day Semi Frozen Event \$1,100 1st Min \$3,300 1st/Bonuses NO ADDED FEES

LAKEWOOD — Super Cal Bowl was the host of the Labor Day Special Event and we saw 557 entrants come out on four different days of qualifying. The cut scores on Thursday night were +70 for the men and +117 for the women. On Friday night, the cut scores were +99 men and +87 Women. Saturday, the cut scores were +73 Men and +31 Women. On Sunday, the cut scores were +68 Men and +50 Women. The Re-Entry squad on Sunday had cut scores of +61 Men and +69 for Women. The Super Seniors added to the board (three men and three Women) were Bob Selner +70, Romy Cajucom +55, Art Windsor +52, Wendy Soo Hoo +32, and Cleofe Aragon +28, and Anith Smith +2. Super seniors are men 63 and over, and for the women you just need to be a young 55. That would give us 100 bowlers making it to the semi-finals.

Our top qualifier for the Men was Kelly Wynn with +196. For the women it was (Ms Smooth) Marina Suos with a +117, they will get paid enties into a future regular ABTA event. Each week our top seed overall draws the Match Series, and this time it was worth \$1,274. Kelly would draw the score and he drew a 570. We had two bowlers that bowled this score during the qualifying squads. They were Stan Por and Bill Slaughter with each getting a cool \$637. We will estimate the Match Series at \$400 at Cerritos Lanes event this week. The last bowlers for the 3-6-9 roll-off were four-way tie; Reno Pignotti, Ivan Borja, Godfrey Galsim, and Jason Buenviaje. They split the \$100 dollar consolation. We will estimate the pot at \$1,600 at Cerritos Lanes.

In our optional doubles, finishing in first were Jiradej

Harnpatanakitpanich and Ted Villaroman with a 1444 for \$180. Finishing in second were the Bowling Wongs Ada, and Jimmy with 1428, they were tied with Royce Angeles and Jhickie DeLuna for \$150. There was a total of \$2,280 paid out in doubles and 31 paid spots with low to cash of 1352.

After the semi-finals, the leader was Andrew Lung with a +142 and runner up was Greg Kokanour at +130 so he will sit out the first round of the top 32 single elims. Our top seed in semi-finals had the honor of drawing the Match Game worth \$3,500. Andrew drew a 270. We had no bowlers who shot that score, and so it will continue to carry over. There are four full pots, with a fifth pot that is currently growing.

This would bring us to our top 32 Match Play finals. In the first round, the fifteen losers were Tomas Chavez, Leonard Garcia, Alpine Tran, Chris Kelly, Ken Seiple Sr, Gilbert Magadia, Rodolfo Martinez, Tom Mazzulla, Charles Weeks, Sean Nguon, Fel Garcia, James Samson, Ada Wong-Hum, Marina Suos, and Cleofe Aragon, each will get \$230. In the second round, the eight losers were Greg Kokanour, Emilio Flores, Kenny Kwan, Eddie Abarca, Anita Smith, Cecilia Lung, Ludee Masangcay, and Sonia Coronado with each getting checks of \$260. In the third round of match play, the four losers were Som Seng, Mark Andrews, Jamecart Alarcio, and Gabriel Martinez with each getting checks of \$375.

This would get us down to the final five bowlers. The weekly horses are paying a low of \$71 Jason Buenviaje, to a high of \$205 (Edgardo Talavera. Losing in this contentious round were Teddy and

Christopher, finished fourth and fifth getting checks for \$750 each.

Our semi-final match was all set, and would pit the 7th and 16th seeds from the semis against each other. In the weekly "horses", we would see Jason paying \$71 and Edgardo paying \$205 if they would win their match. Our semi-final match was all set, and would pit the ninth and 21st seeds from the semis against each other. In the weekly "horses", Jason had an early open in the second and fourth frames. Edgardo matched those with two opens of his own and after four Edgardo held a 31-pin lead. Edgardo would increase that with three strikes in a row during the fifth through seventh frames. Jason was able to get a double in the seventh and eighth frames, but that would not be enough. Edgardo finished with a 199/247 to Jason's 181/199 to advance to the final match. Finishing in third place was Jason Buenviaje this week for \$1,375. For those lucky "investors" that had Edgardo Talavera as a horse, he paid \$205 And another good match had Jason fall and finish third place getting \$1,375. For those lucky "investors" that had Edgardo Talavera as a horse got a sweet \$205.

The title game was set, and would be top qualifier Andrew Lung going for his sixth championship against Edgardo Talavera going for his first championship. He would take home \$5,500 for first place, \$2,300 for the Cash and Carry, \$300 for bowling the last three events, \$200 for bowling in the July Vegas event, and \$150 for wearing an ABTA shirt to give him \$8,450 total in winnings. Finishing in second place for \$2,500 was Edgardo Talavera taking home a neat \$2,750.

Las Vegas Travel League

by Darlene Hom
DOWNEY — Our third week took us to Del Rio Lanes where we got started on time with the help and support of the staff. The coffee set up for us by the house was enjoyed by all while getting a chance to welcome Sue McGill back to the league.

With a rollercoaster ride Darlene Hom was high roller with a 545 series and 211 game. Right on her heels with a nice 543 series was Terry Jackson, Doris Lewis 530, Pearlle Watts 519 and 213 game, Cyndie Martin 508, Joan Roper 504, Mary Dixon 503, and Bernice Williams 502. Kim Cato rolled a nice 200 game. Keep up the good bowling ladies. Team high series of the day went to Valley View 2 for a 2023. Westminster 2 had the high handicap game of 688. Westminster Lanes 1 takes the top spot with 8 wins closely followed by Westminster Lanes 2 and Valley View 2 with 7wins.

There is a broken hearted little dog who has lost his owner (Nan McGill) and is need of a new home. If you or anyone you know would like to give it a home, please contact Vi Wilson 562-498-7108.

Next Week: Monday, Sept. 17th @ Cerritos Lanes 10am.

California Pepsi Youth Bowling Championships Workshops

USBC is revamping their long-time format in the Pepsi Youth Bowling Championships with new age divisions and all scratch competition. Four divisions for both boys and girls will now be offered – U8, U12, U15 and U20. Previously, Pepsi had divisions for 11-under handicap and 12-up handicap or scratch divisions.

**For Youth
Program
Directors and
Coaches**

***NEW* CALIFORNIA IS ADDING TO THIS NEW FORMAT AND WILL BE RUNNING A HANDICAP DIVISION ALONG WITH THESE NEW AGE DIVISIONS FOR 2013.** This will allow new bowlers a chance to earn scholarships at the District Finals and at the State Finals. After 3 rounds of qualifying, we want to see both new bowlers and scratch bowlers have a chance to earn awards.

Five local Pepsi Workshops are scheduled to help explain these new tournament changes to Youth Program Directors and Coaches. Other Pepsi questions/issues such as help with filling out qualifying paperwork can also be answered. Please **RSVP** at least one week prior to **lynn@calusbc.com** if you can attend. Thank you for your support to youth bowling!

Valenzuela's Debut Is A Winner

WEST COVINA — The JAT kicked off the 2012-2013 season with a bang at Brunswick West Covina on August 26th. A great field took to the lanes in the Open Division including many familiar faces from the Open Division, Farm Club graduates and some new members who came out to give the JAT a try.

In qualifying, the modified house shot proved to be a little touchy though Ashley Dunn led the field after 6 games at +124 followed by Mark Curtis Jr. at +118, Joe Grondin at +113 and Jerome Jordan Jr. rounding off the triple-digit bowlers at +110. Low-to-qualify was Chris Garcia at -11.

In the Round of 16, leader Dunn (1) swept through Chris Garcia (16) 2-0, Mark Curtis Jr. (2) needed three games to take Andrew Svoren (15), Joe Grondin (3) beat James Knapp (14) in three, Jerome Jordan Jr. (4) swept past Kevin Jones (13), Brittany Kolatzny (5) topped fellow Farm graduate Spencer Van Rijsbergen (12) in three, Newcomer Chris Valenzuela (6) took Bianca Taylor (11) in three games, Oscar Chan (7) swept past Baujee Harlan (10) and Wesley Low (9) needed three to eliminate Tyler Salverda (8).

In the quarterfinals, the battle of Palmdale went to Wesley Low Jr. over Ashley Dunn 2-0, Chris Valenzuela got hot and a couple 240's took out 3rd seed Joe Grondin. Oscar Chan upset 2nd seed Mark Curtis Jr. with a 279 game and Jerome Jordan Jr's 266 third game was too much for Brittany Kolatzny.

The semifinals matched up three JAT Open Division vets and new member Chris Valenzuela. Valenzuela took no time advancing past Oscar Chan 215-213 and 211-207 while on the other side of the bracket Jerome Jordan Jr. outstruck Wesley Low Jr. 232-179 and 193-183. In the championship, Chris Valenzuela came out striking 217-194 for the first game win and continued on with a 214-188 win and his first JAT title. Congratulations Chris for a fantastic debut!

The JAT will be holding their 2011-2012 Awards Banquet on Sunday, September 30 at SpeedZone in Puente Hills. All bowlers are invited to attend- tickets will be available at the next tournament. We will have food, awards, door prizes and for the juniors (and adults who want to give it a try) a few hours of unlimited video games, go-cart racing and even a round of miniature golf if you want! Each bowler who is part of the All-Star teams will receive a free ticket as well as the JAT and Farm Club Rookies of the Year. Additional tickets will be available- food/banquet only tickets for \$20.00 and food/banquet/racing tickets for \$30.00.

Our next tournament will be this Sunday, September 16th at AMF Woodlake Lanes in Woodland Hills. For more information, log on to our website at www.bowljat.org. See you all this Sunday!

JAT Champion Chris Valenzuela and 2nd Jerome Jordan Jr.

WEST COVINA – The JAT Farm Club started its 2012-13 season on August 26th at Brunswick West Covina Lanes. We had a fairly decent turnout of 29 bowlers, getting used to a bright and sunny Sunday morning. We moved up about 15 bowlers to the Open division, so there is plenty of opportunity for you younger bowlers to make your mark. The lane conditions proved to be challenging for the young bowlers as only a few reportable scores (220 or better) were turned in. Lane conditions or just rusty – some bright new stars are taking the fore-front already. Our thanks to the staff and management of Brunswick West Covina Lanes for their accommodations.

In the qualifying round of five games, we had Daniel Martinez leading the pack behind games of 224-222-245. Close behind was Austin Thompson posting a 246 game, followed by Eric Torrance 235, Jonnathein Chambers 234, Ryan Weitzel 231-222, and Javier Zavala 228. We took the top 16 into the next round with Martinez being the only plus score at 78. Last to advance came in at minus 161.

In the match play round of five games, Thompson started to make his move with games of 236-220-257 and claimed the tournament high game. Martinez added a 222 game to keep his count up. Torrance made a big jump during match play moving up nine positions and Joseph Velick jumped seven places to get into the finals.

Those finals then started with the 5th seed Heather Morkes (-81) taking on the 4th seed Matthew Zweig (-41). Morkes jumped at the chance for a title as she got past Matthew 191-157. Now meeting the 3rd seed Velick (+10) she step it up a notch for another win, 244-204 and another step up the ladder. Morkes then faced off with the 2nd seed Martinez (+121) and was able to advance once again 168-159. Now in the final pairing against the top seed Thompson (+260), the gas tank may have been a little empty. Thompson took full advantage in the best of three games format and quickly dispensed of Morkes 212-172 and 226-200. Congratulations Austin on opening the new season in fine fashion.

Our next tournament will be this Sunday at AMF Woodlake Lanes in Woodland Hills. Check-in will begin at 8:15 with the action to start around 9:00. Remember that it is a new season and if you missed the first tournament, you will have new registration to complete. The registration fee this season is \$20 for the Farm Club.

It was great to see all of the young faces of the previous year, whether they are still in the Farm Club or have moved up to the Open division. It was a long summer, but seemed very short at the same time. I'm a little rusty myself as we are now into what should be an exciting new season. Who will step up?

Brunswick West Covina Lanes – August 26, 2012 (l-r): Heather Morkes – 2nd; Austin Thompson – 1st Daniel Martinez – 3rd (not pictured)

Thanksgiving Day has been known as turkey day for centuries. And “turkey” remains the most used term in bowling, as it has been for close to a century. A “turkey” in bowling is three strikes in a row. There is no such designation for any other amount of strikes. They are simply known as doubles, four, or five or whatever number timers or baggers. The question I receive most often, and always has been is how “turkey” became such a permanent part of bowling jargon and its origin.

In the early days of bowling, and well into the 1940s, most bowling centers conducted special holiday tournaments, prior to Thanksgiving, Christmas and Easter.

They are usually one or two game events at a modest entry fee, and the prizes were unique, ranging from gold coins to baskets of groceries to hams, chickens, ducks and of course turkeys, and in the early days, you could even pick out your poultry, still alive, at the nearest meat market.

In order to increase the number of entries, the tournament promoters put down very difficult lane scoring conditions, and to give the contestants a try at an extra bonus, they offered a turkey to any bowler who could rack up three strikes in a row.

So, whenever a bowler rolled three strikes, the other bowlers or spectators would yell, “That’s a turkey.” And the term “turkey” for three strikes became standard.

Two other famous terms are “Brooklyn” and “Jersey” — still used universally. The 1-3 pocket is the accepted spot for a strike by a righthanded bowler and the 1-2 for lefties. If you score a strike by going to the opposite side it is a crossover.

There was great competition between New Jersey and Brooklyn bowlers as far back as the 1890s and in derision of a crossover strike the Brooklyn bowlers called it a Jersey hit and the Garden Staters named it a Brooklyn.

Even the earlier term of crossover came about because the headpin was the focal point and cited as the Hudson River, so when a New Jersey bowler scored an errant strike it was described as going across the river, and the same was true of the Brooklyn bowler who hit the wrong pocket.

One reader asked what a chicken was in bowling. I never heard it used but would think that maybe it would be a double strike, a success a little less than a turkey.

It takes a long time for any term to be established in any sport but once accepted they become a part of the game. And “turkey” has long taken its place. Proof of that is that most automatic scoring machines emphasize three strikes in a row by having a turkey pop up on the scoring screen.

Maybe a new term was born after wayward winds messed up the outdoor lanes set up in Reno and created terrible scoring conditions for the five great finalists because of the dirt and debris flying on the lanes from 20 mile winds. One mag. named it the Dust Bowl Open instead of the Women’s Open.

Ebonite League Starts New Year With A Bang! Valmonte Sets New House Record With 877!

DOWNEY — The 27th rolling of the Ebonite League got off to a record breaking start Monday night. Bowling on the “house shot”, the pins really took a lickin'!

The big story of the night was contested on lanes 21 and 22. Kevin Valmonte put together a house record set of 289-288-300 for a mighty 877 (Who ever averaged 292 in a league??) Bobby Campagnale 290-258-256/805 put on a good show himself!

Five teams took all five points from their opponents. The top five includes #5—Edwin Spears 607, Mike Cammarata 707, Greg Neuer 654 and Kevin Valmonte 877. Team #13—Ken Dilorio 770, David Cogswell 609, Billy Myer Jr. 682 and Jared Lawrence 769. #2—Mike Weakley 621, Derek Lee 660, Randy Myers 662 and Bobby Campagnale 805. #4—Ramon Torres 773, Chaune Merritt 663, Joe Jimenez 630 and Leonard Ruiz Jr. 653. #7—David Yamauchi 656, Kevin Yamauchi 633, Larry Campbell 589 and Kurt Arakaki 706.

Side Pots went to the hottest hitters. Miss a spare and you were out. Game One went to Bobby Campagnale 290. Game Two snatched by Bobby also 259. Game Three newcomer Keith Laing 289 plus the Super Pot. A special Game Two pot sponsored by Financial Advisors was snapped up by Kevin Valmonte's 288.

Bobby Campagnale captured the High Series Pot with his 805.

Looks like competition will be fierce this season, with some of the greatest bowlers in Southern California manning the teams. Watch this page for the weekly standings, scores and side actions.
