## Buena Lanes High School Bowling Championships Now Offer 3 Divisions: Jr Varsity-Varsity-Graduate/Collegiate

VENTURA—The High School Bowling Championship at Buena Lanes in Ventura is a 4 per team event. All teams may be comprised of any combination of bowlers. All students must have a current High School student body card to bowl in the High School Junior varsity and Varsity divisions. All Graduate / Collegiate division bowlers must have a High School Diploma or GED. All students must have a current USBC sanction card. If a student does not have a current USBC card, they may purchase one the day of the tournament.

All games in this event shall be on a scratch basis. The Varsity and Graduate / Collegiate division are open, therefore no average verification is required. The Junior varsity division has a maximum team average of 760. All Junior Varsity entries must be accompanied with April 15, 2006 league sheet or book average. If no average verification is available a player may enter at 200 scratch.

All teams will bowl 2 qualifying blocks. The first block shall be 6 games of regular style bowling. The second block shall be 12 games of bowling using the Baker Style format. After the

completion of qualifying, the field will be cut to the top 8 teams in each division. The top 8 teams in each division will be placed in an 8 man bracket with the seeding as follows: (1 vs 8) (3 vs 6) (4 vs 5) (2 vs 7). All matches in the finals will use the Baker Style format with the best 3 out of 5 games advancing to the next round. This will continue until a winner is declared.

Based on 14 teams per division, over \$11,000.00 in scholarships will be awarded. Entry fee for this event is \$ 75.00 per bowler of which \$ 12.00 goes to lineage, \$ 1.00 to expenses and \$62.00 to the prize fund. With over 82% of the entry fee going back to the bowlers, I doubt if there is any other tournament of this kind with as high of return.

This event is scheduled for October 7th and 8th. Both Saturday and Sunday starting times begin at 9:00 AM. Time is running out to enter your team. Contact Dan Mueller at 805-656-0666 x 309 to reserve your spot. There are only 14 spots available per division. ## Mary Lynly To Head California Bowling Writers

by Bette Addington, CBW Publicity

Amid all the changes due to the mergers, one thing is for certain, the California Bowling Writers is still a viable organization to promote bowling writers.

At the CBW Annual Meeting held at the CWBA Convention in May, Mary Lynly (Roseville) was elected CBW President. As her first official act, President Lynly made the following appointments to the CBW Board: 1<sup>st</sup> VP – Bette Addington (Bakersfield), 2<sup>nd</sup> VP – Kathy Watson (Richmond) and Director #2 North – George Glavas (Sacramento). They will be joining Secretary – Donna Dillard (Pasadena), Treasurer – Tina Martin (Novato), Sgt.-At-Arms – Marian Mann (Daly City), and Directors #2 South - Marianne Evans (Simi Valley), #3 North – Robert Brown (Pinole) and #4 South Joan Romeo (Van Nuys).

The CBW not only wants to continue its programs and charities but is open to change. Currently, Lynly states CBW's main interest is to "keep California bowlers 'connected' through our CBW newsletter, the "InfoLink", and the CBW website ([www.calbowlingwriters.org](http://www.calbowlingwriters.org)) and CBW events". One of our upcoming events, our annual charity endeavor—sending phone cards to the troops in Iraq and Afghanistan— will soon be underway. Members and non-members alike have joined together to make this a successful event. This will be our third year for this endeavor, so stay tuned if you would like to be a part of this worthwhile cause.

We have some interesting events in store for 2007. The CBW

## Gene Gleans First Title!

NABI SAN DIEGO—Mira Mesa Lanes hosted the NABI tournament last weekend, & Gene Walker was the newest winner. Gene is part of a loyal North County contingency, & won a total of \$1175 for not only being in the optional upgrade, but also being a "frequent bowler"!

N.A.B.I. San Diego  
Champion Gene Walker

This title is his first, & he really earned it by bowling exceptionally well in the qualifying round, & then outdoing himself in the semi-finals to finish as the #1 seed. He watched as an enthusiastic John Hatch won his first three matches & was poised to win his first title, however the combination of pressure & fatigue finally took its toll on John & Gene coasted to the victory. Rounding out the top five were Paul Passarino, Archie Phandanouvong & Anita Smith. The \$50 guaranteed sidepots were collected by Frank Menchaca, Matt Lim (1/2), Lio Mayo, Roger Rabanal, Greg Amrine, Hatch (1 ½), Phandanouvong (2) & Smith. In perpetual pot action, two bowlers split the 3-6-9 for \$50 each – Marilyn Medvec & Joseph Cipollini, & \$125 for 9 in a row was collected by Rabanal. The next NABI event is September 30 at Admiral Robinson Center. Check our ad in the next issue of the Bowling News for complete tournament details. See you on the 30th at Admiral Robinson . . . ## Defending Doubles Champions, Don Blatchford & Mike Rick Win Again, The WCST Ebonite All Star Doubles at Buena Lanes

by Dick Sanders

VENTURA—For the 2<sup>nd</sup> year in a row, the doubles team of Don Blatchford (Santa Monica), and Mike Rick (Redlands), win the WCST Ebonite All Star Doubles Tournament held at Buena Lanes in Ventura last week-end.

This being a very high scoring tournament, it took plus 528 to make the 12<sup>th</sup> place cut. Don and Mike qualified 9<sup>th</sup> on Saturday for the 10 game qualifying format. They were 207 pins behind the qualifying leaders, Kevin Gannon and Ross Packard, the two bowlers who have 45 WCST Titles between them. They led the qualifying with 4766 for the 10 games, Kevin and Ross got off to a rough start as they were beat in the 1<sup>st</sup> match, by Pat Smart and Rick Meneley 534 to 429, and immediately lost the lead, to never get it back again.

Don and Mike never lost the lead after Game #3. The closest that any team was to them was 12 pins by the end of the 4<sup>th</sup> game. The biggest pull away was after game #7, when Mike rolled a 300 game and Don, 258, and increased their lead by 210 pins. After that no team really threatened them, and they ended up winning the tournament by 394 pins.

For the 12 games, Don rolled 2901, and Mike, 2923, that's over 240 per game per man. They had the high team game of 558. There were 20 team games rolled of 500 or better. Top 3 places: 1<sup>st</sup> Place, Don Blatchford-Mike Rick, \$2200.00, 2<sup>nd</sup> Place, Don Jackson (Bonita)-Steve Smith (San Diego), \$1800.00, and 3<sup>rd</sup> Place, Sonny Dew (Los Angeles)-Vernon Adams (Chino Hills), \$1400.00.

Other 300 games, also in the finals, Vernon Adams, and Kevin McBride. Michelle Silver, bowling in her 1<sup>st</sup> finals in the WCST rolled a 299 game in the qualifying, and with her partner Kevin McBride finished in 7<sup>th</sup> place in the finals, beating the team of Kevin Gannon and Ross Packard, two matches, with one of them in the position round. \$17,400.00 was paid out, as we had 62 teams entered. 20 team places cashed.

For the year, a total of \$113,381 paid out for 13 tournaments, and for 242 tournaments, a total of \$2,716,639 has been paid out. It was a great week-end. 20 bowlers in the 5 game singles sweepers on Friday, and the big turn-out of entries on Saturday.

The WCST would like thanks our hosts, Mr. Dan Mueller, the GM, and Deana Fink, the bowling coordinator, and the lane mechanic, Mr. A.C. Cortez, and all of the other workers for the fine job of making this tournament the success it was.

Our thanks to Ebonite International Company, as we sold 4 more great Ebonite Bowling Balls, and to Sherry Davis, wife of Mark Davis who operates the Pro-Shop, for doing a fantastic job again in the brackets, and finally to all of the bowlers, some traveling long distances to bowl this tournament.

## Kevin Balding Win Better Bowlers Tournament No. 4

**ABC BOWL MORENO VALLEY**—Bowling on what proved to be a very competitive condition, where spare shooting was a priority for both right-handers and left-handers, Kevin Balding was in 4<sup>th</sup> place after 4 games with a total of - 24. His scratch score of 216, in game 5, qualified him in 3<sup>rd</sup> place. Also bowling well the 5<sup>th</sup> game was Kevin Eggleston. Eggleston was in 7<sup>th</sup> place after 4 games with a - 40 total and bowled 222 scratch the the 5<sup>th</sup> game to earn the 4<sup>th</sup> and final qualifying position in the finals.

In the first round in the finals, right-hander Kevin Eggleston had to bowl Michael Garcia, the number 1 qualifier in this tournament and the Champion of Better Bowlers Tournament No. 3. Kevin was up to the task and won the match with a handicap score of 239 to Mike's 190. Meanwhile, Kevin Balding, another right-hander, had to bowl the number 2 qualifier, Jeff Garrison, who had the highest scratch qualifying total of 1,000 for 5 games. Kevin and Jeff were neck and neck for the first nine frames until Jeff left the very difficult 2-4-7-8 spare combination in the 10<sup>th</sup> frame. Jeff chopped the spare and Kevin doubled in the 10<sup>th</sup> to advance to the Final Match with a handicap score of 197 to Jeff's 181 handicap score.

In the Final Match, Kevin Balding out spared Kevin Eggleston and won the match with a handicap score of 191 to Eggleston's 178 handicap score. Kevin Balding took home the top prize of \$1,000 while Kevin Eggleston took the 2<sup>nd</sup> place prize of \$500. Jeff Garrison and Michael Garcia each received \$200 for tying for 3<sup>rd</sup> Place. Marc Levy had the high scratch game of the tournament with a score of 233.

We would like to thank Proprietor Paul Cheng for having us at his beautiful bowling center. His staff was very helpful and accommodating. Again, Sheri Dyer did a wonderful job with the brackets

We were planning to have Better Bowlers Tournament No. 5 on October 8, 2006 but have not been able to finalize it. Jim and Norris have other commitments on October 15<sup>th</sup>, 22<sup>nd</sup> and 29<sup>th</sup> and have decided to postpone BBT#5 to sometime in November, 2006. ## "Columbia Corner"

by Gary Kelley

For the last fifty years, Columbia 300 has been the industry leader in coverstock technology.

In the late 1950's and through the 1960's, the Columbia Caramel White Dot was the polyester ball of choice among the top amateurs and professional bowlers alike.

The 1970's arrived and with it came the Columbia Yellow Dot, the very first soft shell polyester ball, and without a doubt the most popular selling ball of all time. No other company was able to duplicate the strong performance characteristics of the Yellow Dot and so it had the longest run of any performance ball in history.

The urethane coverstock arrived in the 1980's and Columbia once again became the industry leader with the Black Columbia U-Dot. The U-Dot was thrown successfully by just about every major tournament winner on the PBA Tour as well as amateur bowlers around the world.

When the reactive resin era began in the 1990's, Columbia once again produced some of the most popular balls of the decade. The Cuda/c and the Piranha series were the balls of choice for millions of bowlers around the world. Columbia then introduced the Messenger Ti, which would become the largest selling mid-price ball of all time.

The technicians at BASF,

which is Columbia's chemical company and produces all of the resins for our coverstocks, had developed "Super Flex", a resin material that created some skid in the front part of the lane and a very strong finish at the backend. This combination, on the lane oils and surfaces of the late 1990's, was a winning formula both in ball reaction and hitting power.

Particle balls came into popularity in the late 1990's and early 2000's and with it came the Columbia Chaos. Again the experts at BASF had developed a coverstock that would react well in heavy oil yet could be polished for use on medium conditions. Along with the Chaos, the Rock series proved to be extremely versatile on a wide variety of conditions.

As lane oils and synthetic surfaces have changed in the last few years, so has ball reaction. With the oil transition that takes place on a lane during competition, Columbia found it necessary to once again make a change to the coverstock. We went to BASF with the challenge of developing a resin material that would read the midlane sooner and have a smoother transition at the breakpoint, yet still retain a high level of energy at the pins.

BASF was once again up to the challenge, producing a new series of coverstocks for our Jinx and HyJinx entry level performance balls as well as the Wrath and Wrath XP performance series balls. Through new chemistry BASF was able to develop a new additive, that when added to our existing resins, made the coverstock more flexible through a process called Heat Distortion. The heat is created by the friction of the ball rolling down the lane, which in turn causes the shell to create a bigger footprint, reading the mid-lane sooner with a smoother breakpoint.

The Jinx has the Big Flip Reactive cover and the HyJinx has the Big Flip Strong cover. These are two decidedly different coverstock materials. The Jinx has more length down the lane with a smooth transition at the breakpoint and a strong finish at the backend. The Jinx is a light to light-medium oil ball. The HyJinx, which hooks about 3 to 5 boards more than the Jinx, reads the mid-lane sooner and is stronger at the backend. The HyJinx is designed for light-medium to medium oil conditions. Both balls are very controllable as the oil transitions over the course of a night.

We have already had tremendous feedback on the Jinx and HyJinx, both in performance and color. One of my staff players made the comment that if he didn't know the price of these balls he would have thought they were high performance, just by their performance and hitting power.

The Wrath has the STS cover and the Wrath XP has the STS XP cover. Again, we have two different coverstock reactions. The Wrath cover is a more aggressive formula than either the Jinx or HyJinx, with its primary use to be on medium oil conditions. The Wrath XP has a very aggressive cover that is best suited for light-heavy to heavy oiled lanes. The core in the Wrath series is the popular core we used in the Ti Boss II ball. This core is a great match up for the new coverstocks.

Like the Jinx and HyJinx, the Wrath and Wrath XP read the midlane smoothly and transition to the pins in a strong motion. Both balls have fantastic hitting power as well as beautiful colors, but the best thing about the Wrath series is the price. High performance cover combined with a high performance core for a mid price cost.

The newest addition to the Action line is the Action Max. Again we have a new coverstock called M80 Friction Plus. This new cover is extremely tacky, which is very unusual for a heavy oil ball. This cover has more "worm holes" for added oil absorption. The combination of a higher RG core and this new coverstock create one of the most aggressive balls on the market today. The strength of the Action Max is its ability to roll through heavy oil and retain a very strong angular finish at the back end. If you're looking for a heavy oil ball with a strong motion on the back end and great hitting power, you can't beat the Action Max.

Keeping up with the ever changing environment in bowling is a constant challenge, but as you can see, Columbia 300 is again ready to meet the challenge head on.

Gary Kelley ran a very successful pro shop for 36 years and wrote a bowling column for the "World of Ten Pins" and the "Striking News" for 30 years as well as a column for Bowlers Journal. Gary is currently employed by Columbia 300.

## Dizon Wins Third ABTA Title at Covina Barrett Bowls 300 & Clear 298 Match Game is Again \$3,500 • 3-6-9 is \$800 Keystone Is Our Host in Two Day Event

COVINA—The Good Guys win again as Lito Dizon finally got his third ABTA Title in a stellar performance at Covina Lanes finally downing the top seed Otha Stubblefield in the title game to take home a nice top prize of \$2,200 for his fine effort.

Lito and Otha were two of many bowlers doing well at Covina. ABTA Veteran Dennis Barrett fired a perfect game in the 6:00 PM Squad, Guy Clear a near perfect 298 in the 4:00 PM squad.

In our return to Covina we had a fair turnout of 140 entrants. It took a nice +95 (men) and +52 (ladies). We brought back 45 bowlers to the Semifinals including Super Seniors, Ed Shipley, Adam Drodzd and Dodie Sajonas.

Leading the Semis was the pride of Southwest Bowl, Otha Stubblefield who had a leading +180, to be top seed, sit out and bowl for the title. He was followed by Dennis “300” Barrett at +168, who would receive a first round bye in the single elims and enter in round two. It took a +88 to make the Sweet 16 Single Elim Finals at Covina.

The bowlers took to the lanes. In the first round single elims, losing, were Jeremy Peason, Krischna Howard, Max Smalls, Kimberly Green, Ed Palma and Aubrey Chelsea. They got checks of \$100 in 10-

16th places.

In round two being eliminated were Roger Wrase, Darrow Tiongco, Gina Velarde, and Gibin Kim. They cashed in 6-9th places and \$105 each.

Round three had Eric Volk edge Barrett in a strikefest 259-250. Lito Dizon had another strikefest with Alan Labao winning 244-231. Alan and Dennis were 4th and 5th with great bowling and \$110 each.

It was now Volk vs Dizon for the right to meet Otha for the title. In a good match, Lito finished with a huge six bagger to down a determined Erik 268-241. Erik was third with fine bowling and \$200, with Lito off to the title game vs Stubblefield.

The title game was set and we would now see who would become our latest Champion. Two great guys would now meet for the title. Otha elected to lead off and he did with a double as did Lito. Otha spared and then doubled again but he had a problem as Lito then had started with a six bagger to take a 40 pin lead. Otha tried but couldn’t gain on Lito. The title went to the Gentleman from San Bernardino 257-212 and a tidy \$2,200. Great bowling by a fine man whom I have had a pleasure of knowing many years. He has always been a great competitor and more important a fine gentleman. He has brought many friends to the

ABTA and is well liked my all. Great Bowling Lito! You did good!!

Fine bowling by another fine guy Otha Stubblefield who has been with the ABTA many years also. He could have been the winner at Covina and bowled very well. He is a good guy also!

Super Bowling by Guy Clear who had a huge +283 for Men’s Hi Qualifier. Gina Velarde led the ladies at +161. They will get paid entries to our next regular event.

Dennis Barrett, ABTA Veteran and champion fired a perfect game in the 6:00 PM Squad and he did it in game 3. He went from +6 to +119 to make the cut! He then came in 4th in the event. Great Bowling by a great guy!

Guy Clear fired up a big 298 game in the 4:00 PM Squad good for a Special ABTA Award. He is a Great Guy also! Guy is his name and he bowed just great!

Gerald Russell eliminated the field in the 3-6-9 roll off and missed after shot #3. We will go for \$800 this week at Keystone Lanes in the 3-6-9. Gerald got a \$50 consolation.

Match Series worth \$196 was drawn by Guy Clear. He drew a 642, matched by Lauren Brifman and Simon Rojas so they got \$98 each.

The weekly winner of the Columbia “300” Ball, went to a

Most Deserving Otha Stubblefield. He thanks the ABTA, and sponsor Columbia 300 for the fine ball. Otha had good fortune at Covina!

Champion Lito Dizon is from San Bernardino and used an Inferno drilled by Jim Starks. He is single but taken, and has two kids Dennison and Chastine and dedicates the win to his granddaughter Leah. He thanks his good buddies for support namely Boy, Danny, Ed and many others, and the ABTA for a great tournament.

Otha Stubblefield is from L.A. and single with a son Tony. He used an Inferno drilled by Arvo at Gil’s Bowling Supply. Special thanks to his Mother and Father and to Southwest Bowl and Krischna, William and Jeremy.

Erik Volk hails from Whittier and used a Storm drilled by Harry at Friendly Hills Lanes. He is former champion at the Bowlmum. He thanks his family members for all the support and the ABTA for putting on a fantastic Tournament.

We enjoyed our return to Covina Bowl. Special thanks to Javier and his superb, helpful staff, especially Steve, and Melissa. We will return there on our next schedule with the same squad times. Covina is a great place to bowl and we will schedule events there throughout the year.

It is history folks as Lito Dizon enters the archives as our latest Champion!

Make plans for this weeks TWO day event at popular Keystone Lanes. Saturday there will be qualifying at 12:30-2:00-3:30 & 5:00 PM with one in five making the cut on Saturday.

## San Gabriel Valley USBC Association

by A. A. Turtle  
COVINA—The 1<sup>st</sup> Annual San Gabriel Valley USBC Association meeting held on Sunday September 10, 2006 starting at 10 am at BRC Covina Bowl, was another event that was not as big as we had hoped for but did have 17 members show up and have their voice heard. Our President Dave Prechtl who was elected into office last year has resigned due to personal reason and Rosie Parker was elected as the new President for the association. Chuck Williams was moved from 4<sup>th</sup> Vice President to 3<sup>rd</sup> Vice President. We had Lynda Lapp, Danny O'Hagan and Kim Oishi added to the board as directors. During the meeting there were 7 people elected to represent San Gabriel Valley at the National Convention in March 2007 which will be held in Nashville, Tenn. There were 6 people elected to go to State Convention being held in San Diego the weekend of June 2 & 3, 2007. We still have openings on the board if anybody is interested on helping out with tournaments, committees, and other functions.

After the meeting and before the workshop we had an open house at the office with a luncheon served for those that attended. At the workshop for the officers there were several good questions asked. Remember, if you have any questions about certifying your league or filling out the paperwork please call the office.

Before you know it October 7 will be here and the directors of the association will be coming to each center to start collecting donations for the BVL (Bowlers for Veterans Link). They will be coming down while you are bowling asking for a donation of your choice. There will be gifts given out at that time. There will also be a table set up with goodies for sell to help this cause and the association. They will also sell raffle tickets for 2 baskets that will be raffled off at the BVL tournament. Tickets will be \$2 each or 7 for \$5. As the campaign comes to an end at the bowling centers, there will be a BVL tournament on Veterans Day, Saturday November 11, 2006. There will be several divisions for both the Adults & Youth. The scratch winner of each division will advance to the State level being held in San Diego. Watch for fliers coming to your center.

Our next tournament coming up is October 22, 2006 at AMF Bowling Square. This will be Mixed Doubles this is an adult tournament only. Flyers will be arriving at your center soon. This is one male and one female on a team.

The cost is \$ 32.00 a team. Bowling at Noon. Open to anybody that is certified with USBC. You don't have to be a member of San Gabriel Valley.

by Frank Kietz  
LAKE FOREST — It was close, a 22-pin spread from first to fourth, to determine the Forest Lanes 6-Game \$300 winner. George Billioux sneaked through with a 1325, eight pins better than second place Brian Carmichael's 1317 and Jeff Carr's 1316. Carr, \$50 for third and \$42 for a 225 game and 672 series. The guaranteed \$300 first place Six-Gamer was slow starting. Gary Duran set the pace with a 268 then Shirlock's 244 and Carr's 672. The second block, Steve Zimmerman hit a winning 255 game while the winners claimed the big money. Watch the Bowling News for the next 6-Gamer. For more information, call 949-770-0055.

## Birthday Guy Jim Price Scores Single Pin Donkee Victory at West Covina

WEST COVINA—Jim Price our newest Champion has been a member since 1984, joining at La Puente Lanes (Brings back memories) breaks through and wins 1<sup>st</sup> Donkee Title. Jim is not married and is a caregiver for his father William. Jim thanks his brother who was visiting this week for taking care of dad. Both told him to go win the tournament for his 47<sup>th</sup> birthday. That is just what he did. Jim would like to dedicate his win to his departed mother (Shirley), sister (Janice), and brother(Dennis). Jim was throwing a Storm X Factor drilled by West Covina's own Leonard Ruiz @ Bowlers Depot. Jim sports highs of a 300 game and 784 series. Jim did have a question.... Where was his buddy Louis? (referring to Louis Uribe) also a Donkee member. Where were ya Louis?? Jim would like to thank friends Barbara & Keith for rooting him on.

A lot of new winners this year. That is our 9<sup>th</sup> new winner since May. Will you be the next?

On a side note, would like to make an honorable mention. Mr. Roger Wrase a great supporter of the club flirted with perfection shooting a 299 Game, a stubborn 7 pin came between him and the perfecto. As always a bonus \$100 given for any 300 Game shot in the Donkee Tournament.

The Mystery Game was a carryover (198) and will be \$300 at Cerritos. Mystery Series (526) was a carryover again and will be \$1500.00. You must participate to win. More ways to cash!!!!

## JAT Farm Club

by David Gordon  
TORRANCE—Hello there and welcome to the JAT Farm Club update. This past Sunday we started our winter portion of the season at Palos Verdes Bowl. A good turnout with thirty-two bowlers, making the cut for match play the top sixteen for the first time this season. On behalf of the JAT and all of the high average bowlers there this weekend, I want to thank the staff and management for their accommodations. We'll be back.

With the winter portion of the season, we start an hour earlier at 8:00. But that didn't seem to affect the bowlers as they woke up quickly to post some excellent scores. We start off with Aaron Williams in his first Farm Club tournament shooting a perfect 300 in the last qualifying game. He also had a 227-221 earlier and led the field at plus 115 after five. Other high scoring came in from Kyle Goya 267, Mark Curtis 266, Charlie Hair 248-259, A.J. Garcia 225-256-226, Scott Englehart 249-230, Joey Marino 225-246, Alex Warnick 246, Samuel Velasquez 245, Jon Hogan 244-236, Eddie Sayles 234-243, Mark Abing 227-222-243, Felicia Mara 223-243, Jerome Jordan 236-220, Steven Sensabaugh 236, Amanda Manoly 223-234, Robert Page 233-227, Kevin Jones 233-226, Arisha Piper 230, Susy Monteith 226, and Max Slevcove 221. What a list! The cut for match play came in at a mere minus 7.

In the second round, we had more of the same. Now some people ask why I list all of these scores? Well, I don't know who is a follower fan of what bowler. As well as showing the bowling industry their ability to shoot high, it shows the bowlers growth and development. I think they deserve it, so here is the reportable scores from match play. This time we start with Page 249-266, Sayles 226-226-258, Abing 244, Hair 242, Mara 241, Slevcove 236-255, Manoly 235, Garcia 234-224, Goya 234, Williams 227, Justin Foster 226, Marino 224, Englehart 222, and Piper 221. Page and Slevcove made the most of match play with each jumping 8 positions to get into the finals round.

The top five finals started off with 5th seed Slevcove (+146) meeting 4th seed Goya (+147), with the veteran Slevcove advancing behind a 203-183 win. Now meeting 3rd seed Garcia (+233) it was the more experienced veteran Garcia making his run 214-193. Garcia then met 2nd seed Page (+262) and dispersed of him 223-182. Now trying to make it back-to-back titles, Garcia faced top seed Sayles (+271) who was looking for his second title as well. In straight match wins, 243-183 and 217-193, Sayles came out on top. Congratulations Eddie.

JAT Farm Club at Palos Verdes Bowl - September 10th, 2006 (l-r): A.J. Garcia - 2nd; Eddie Sayles - 1st; Robert Page - 3rd.

## Girls Jr. All-Stars

by David Gordon  
TORRANCE—The Girls Jr. All-Stars is back in session as we started off our 206-07 season at Palos Verdes Bowl this past Sunday. A new season with some new faces always makes it an exciting time.

The ladies had a few reportable scores from lanes that took a beating in the earlier JAT tournament. Leading the way was Deanna Carrillo with a four game series of 735. Following we have Lindsay Hannasch 728, rookie - Jasmine Morales 723, Melissa Pena 212, Tabetha Reynolds 211, and rookie Katheren Ross 209. Very good scoring considering the first day nerves and rust.

Girls, be prepared for some more new faces as heavy recruiting is under way. I'm also evaluating our format, so this coming week may have some surprises.

## SED Jr. Travel

by David Gordon  
TORRANCE—Opening day of SED Jr. Travel at Palos Verdes Bowl. What better place could we have been at. Welcome readers, returning veterans and new-comers to the weekly update of our SED Jr. Travel bowlers. Each week you can track their progress and see how your favorite one is doing.

We started the new 2006-07 season with 10 solid teams of doubles and we're looking for more. Many advantages to being among some of the best and upcoming bowlers in the LA area. Development of your skills, experiencing different bowling centers and lane conditions, having fun like at your home center, preview of JAT tournament sites and more. We don't take you away from your morning league (we bowlat 2:00), we just help you get better so you can go back each week and show-off.

This past Saturday we had very good scoring all around. It looks like a very competitive season will be with us. Starting us off we have J.R. Monteith 254-211-237-246/948 to set the pace and put up the challenge. Not far behind we find James Hawkins 253-231-216/889, Bryan Osborne 227-204-214-201/846, Eddie Sayles 256-215/816, Deanna Carrillo 202-204-221/812, Eric Milne 257-208/806, and first timer Samuel Velasquez 220-201-200/800. Great bowling. Additional high scores came in from Mark Curtis 212-222/768, Michael Gaylor 222/728, Kevin Jones 722, Darren Pascual 719, Shane Peck 221/708, Max Slevcove 214-213/700, Sean McKinney 211, and Susy Monteith 208. Well alright!

## Open Letter By Linda Johnson

*The Immediate Past President of the California Women's Bowling Association*

During the past months, following the California Women's Bowling Association final annual meeting, I have been telling myself to write a message to thank all of you for supporting the CWBA through out the years.

I did have the opportunity to personally thank many of you that participated in the Championship tournament in Sacramento. One of my pleasures during my years on the CWBA board has been working the tournaments, creating lots of special memories and making so many special friends.

I have been reading many of the articles written about the tournaments and events that were held during the past months. So many references have been made to how much fun they have had during the years and what a wonderful job the different chairpersons have done. Making it look like it's the end of all activities.

Several bowlers have asked me if that was the end of the special tournaments? The answer to that is NO! It was approved by the CWBA board as well as the California USBC board that all the tournaments will continue, at least for the next two years.

Lynn Graves will be the chairman for the California Women's Senior Singles tournament, Rosie Parker is chairman for the California Princess event. Information on all the events will be coming to you soon when final arrangements have been made with the hosting locals.

Rosie Parker and myself are co-chairmen for the California Bowlers BVL events. Something new for the BVL, the youth will be included this year. Information packets should be out soon.

We do need help from the local associations. Because of the merging of the organizations; we need names and addresses as to where to send the BVL packets. Please contact Linda Johnson at (626) 859-6216 or Rosie Parker at (626) 334-8745 if you should have any questions.

The California USBC organization headed by President Al Hoffmann will be holding a board of directors meeting September 23 & 24 in San Diego. They will be planning the up coming convention and events. Due to the merger, there will not be a kick off as in the past; hopefully we can plan something in the near future.

The board approved to retain Melissa Ade as tournament director for the California Women's Championship, Gina Moura tournament director of the California State and Nancy Arvanitis for the California Youth events. All three will remain these positions for 2 years and are working these events from their respective homes. If anyone should need information regarding any of these tournaments feel free to contact Melissa Ade at (916) 967-1736

Leslie Spears has been retained to keep the CWBA office in Sacramento open for finalization of affairs for the organization. The CSBA office in Antioch, operated by Gina Moura, will remain open for the conclusion of their business year.

The new slogan for the California USBC is, "The Best Bowlers Come From California" and that my friends is the truth.

I had the time of my life serving on the board of directors of the California Women's Bowling Association for 24 years. "Boy what a ride"

*Editors Note:*  
As your friend and bowling partner, I know your dedication, your sacrifices and satisfaction of the past 24 years.

*Double blessing on you!*  
Carol Mancini

## A Clear Win For Guy Clear, Inland Empire NABI Champion

by Quinn Monical  
MONTCLAIR — The Inland Empire NABI thanks AMF Bowlum for hosting our past week's tournament. They are great! By the way, they have a new look.

Guy Clear, the champ, had to win one match before he met top qualifier Silvia Rodrieguez. He won with a 241, to beat Silvia's 235.

Guy Clear

Guy has been bowling nearly all his life. He was brought up in bowling centers, since his dad own previous ones, including All Star Lanes in Eagle Rock, CA. His highest game, a 300, was bowled in a league at Cal Oaks.

Guy especially wants to thank Gip Lentine at Classic Lanes for drilling his Ebonite the One, and his Columbia Back Yard Bully. His last win was quite a while ago, 1990, in fact. That was also a NABI tournament. One thing is "CLEAR", he is back!

Rounding out our top six money winners are:

1. Guy Clear	\$500.00
2. Silvia Rodrieguez	200.00
3. Alvin Bradley	100.00
4. Kay Johnson	70.00
5. Jay Shackelford	60.00
6. Kerry Lucka	500.00

Out next tournament is on Sunday, September 24 at Upland Bowl. See our ad in this issue of the Bowling News.

## National Deaf Bowling News

### 6th Annual National Deaf Mixed B.A. Results

### Martin Wins Galaxy, Ellison King

### Clarke Ladies' Galaxy, Thompson Queens

by Connie Marchione  
ORLANDO—Gary Burgess, secretary-treasurer of National Deaf Mixed Bowlers Association sent me the results of NDMBA's 6th annual tournament held last June 21-24 at Broadwalk Bowl. NDMBA runs a variety of events for men and women like mixed foursome handicap team event, mixed doubles, separate men's and women's all-events, scratch Kings and Queens and separate handicap men's and women's Galaxys.

### IMPACT TEN CAPTURES \$2000 MIXED TEAM PRIZE WITH 2607

The tournament drew 29 mixed teams and the winner was Impact Ten comprised of Carol Mortensen NY, Conrad Fleetwood NJ, Dolores Herrea NY and Gilberto Cruz Jr NY with 2607 handicap total. The team split the \$2,000 first place prize and also collected \$160 for their 2229 high scratch team series and \$2003 for its high handicap team game 919.. Hot Fire Strikes from Virginia and Florida had 2519 total for 2nd place \$1,000 prize. This event prize list paid down to 8 places. The Unknowns from Illinois, Louisiana and West Virginia claimed the high actual series \$300 prize with 2236 and placed in 5th with handicap 2470 for another \$300.

### HERZIG/HERZIG WINS \$1000 MIXED DOUBLES WITH 1350

The husband-wife team, Elaine and Bruce Herzig from Maryland scored handicap total of 1350 to take the \$1,000 mixed doubles title and also \$100 for their high handicap 457 game. Their teammates Judith Lee Belkoski, AZ and Kevin Blanks, MD took 2nd place \$600 with their 1339. The event paid well down to 17th place. Deaf Team USA pair of Cheyenne Rogers, LA and Robert Ellison, CA scored the high actual doubles total of 1193 for \$160. Former Deaf Team USA member Kim Wroldsen, KS paired with Charles Stringer, AL placed 2nd with 1170 for \$80 and collected \$150 more for their 10th place handicap 1250.

### PRINZLER 1428 MEN'S & CLARKE 1341 WOMEN'S ALL-EVENTS

The separate men's and women's handicap all-events had the same first place prizes of \$220 and they went to Jimmy Prinzler, NY for his 1428 and Lauren Clarke, NJ's 1341. Both Albert Chasar Jr, FL's and Barbie White, VA's 1337 took each \$110 for 2nd place. Both events paid 5 places.

### CALIFORNIA ELLISON BEATS FLORIDA OWENS FOR THE KING CROWN \$480

The NDMBA's scratch King tournament drew 48 entries and Deaf Team USA member Robert Ellison from Southern California led the 3 games qualifying round with 621. Just one pin ahead of Florida's Anthony Owens who had the tournament high game 268 in his 629. After a round for the top 8 men positions for 3 rounds shoot-out and championship finals, Owens grabbed the top seed position. Ellison fell to 2nd in the 3rd round shoot-out with Andrew Johnson, MS in 3rd.

Both waited for #5 William Cooper Jr, FL who had beaten #6 Billy Henderson, MS and #4 Steve Butt, AL 233 to 207 and 160 respectively in 2nd shoot-out to move up. Previously in the first shootout Henderson rolled a 241 to beat #7 Charles Stringer, AL's 201 and #8 Jimmy Prinzler NY's 184.

Ellison moved up into the title finals against Owens by rolling a 191 to beat Johnson's 185 and Cooper's 161. In the finals' close encounter Ellison beat Owens 243 to 238 for the King's crown and \$480. Owen got \$240 as runner-up and both Johnson and Cooper received \$105. The prize money went down to 12th place.

### LOUISIANA'S MARTIN BEATS NEW YORK'S CRUZ FOR GALAXY \$800 TITLE

In NDMBA's prestigious handicap event The Galaxy which drew 83 entries, Californian Robert Ellison led the 3 games qualifying round with 219-236-241/696 plus 15 handicap 711.

New York's Gilberto Cruz Jr placed 2nd with 198-213-211/622 plus 75/697. The eventual winner Timothy Martin, Louisiana was 5th with 225/601 plus 78/679. The top 20 return for two more games to qualify for the 8 men top seed and three shootout positions. Martin rolled 204-247/451 plus 52/503 for 1182 total to grab the top seed position. Hi Bowlers, Friends & Relatives

SAN DIMAS—My Turtle Bowl Youth Bowling Program is doing a fundraiser on Saturday September 30, 2006. It is a bus turn around to State Line. The cost is \$ 35.00 which includes a buffet lunch at Buffalo Bills and the tip for the driver. We will be leaving from Chaparral Lanes in San Dimas at 7 AM and returning around 11:30 PM. You can go to Buffalo Bills, Primm and Whiskey Pete's along with shopping at the mall. We have lots of openings left on the bus and I am looking for your help to spread the word to your friends and family. This is a way to go and have fun without having to drive yourself. We will also be doing BINGO games, RAFFLES and watching a movie on the way up. There will also be beer, soda, water and snacks for you on the bus. I need to know by September 21 and all money needs to be turned in by September 25, 2006. I hope you can help me out.

Thanks  
Annette Anderson  
Youth Director

Mike Frances, Mike Belair Post 300/800s, For Forest 615 Starters

by Frank Kietz

LAKE FOREST — Mike Frances and Mike Belair posted 300s and 800s to start Forest Lanes' 9:00 p.m. Thursday 615 Trios. The honor scores were created the first two week's of action.

Belair opened the season with a 758 and then the even 800 claiming the 12-team loop's best average, a 259. Frances blasted his 803 last Thursday.

What loom's to be Orange County's richest league has two more 300s, Ashkan Tahvildaran's 300/762 and Jeff Carr's 300/758. The fifth honor score, an 11 in a row 290/689 goes to Darrell Avery.

Where the money counts, "Bringt It" to me, consisting of Seth Leader, Steve and Kristi Zimmerman, head the team standings. Team 2, Belair, Jeff Copeland and Mario Marquez, are second while Team 9, Tim Timmerman, Donald Malapas and Brent Ilagan, claim third place.

This season, Kristi and Crystal Alvarez will share the honor roll.

Center Manager Allan MacDuffee is quite proud of this scratch league. He invites the bowling public to watch these pin stars compete — they're the best!
